## INSTRUCTIONS

1. Individual sureties on bonds executed in connection with State contracts must complete and submit this form with the bond. The surety must have the completed form notarized.
2. No corporation, partnership, or other unincorporated association or firm, as such, is acceptable as an individual surety. Likewise, members of a partnership are not acceptable as sureties on bonds that a partnership or an association, or any co-partner or member thereof, is the principal obligor. However, stockholders of corporate principals are acceptable provided their qualifications are independent of the stockholder's financial interest therein. An individual surety will not include any financial interest in assets connected with the principal on the bond that this affidavit supports.
3. United State citizenship is a requirement for individual sureties for contracts and bonds.
4. All signatures of the affidavit submitted must be originals. Affidavits bearing reproduced signatures are not acceptable. An authorized person must sign the bond. Any person signing in a representative capacity (e.g. an attorney-in-fact) must furnish evidence of authority if that representative is not a member of a firm, partnership, or joint venture, or an officer of the corporation involved.
