Dear Ms. Bose

I have lived in this area for quite some time, and I support Dominion Cove Point's plans. I've seen a lot in my 93 years, and I can see how my neighbors will be affected by the proposed Dominion Cove Point expansion. I believe this project is good for the area.

With an increase in tax revenue, it will provide jobs for locals, and it will be good for businesses all over Calvert County. The benefits that this expansion will bring should not be delayed any further, please approve Dominion's plan and help Calvert County.

Best Regards,

Emily Allen
