BOARD OF PUBLIC WORKS

Hello,

Having lived in Calvert County for 40 years, I have seen the potential that this community has. I have two daughters here, and as I look forward, I hope for jobs and opportunities for them and my grandchildren one day. The Dominion expansion will bring those opportunities for years to come, creating jobs and boosting local tax revenue by millions of dollars each year. Let us not delay any further in bringing these benefits and opportunities to the area.

Thank you,

David Jenkins, Resident
Huntingtown, MD
