1. **BOARD OF PUBLIC WORKS**

   **Debarment of Jonathan Mickle**

   **Recommendation:** That the Board of Public Works debar Jonathan Mickle from being considered for the award of, being awarded, or performing directly or indirectly a contract with the State for an indefinite period.

   **Authority:** State Finance & Procurement Article, §16-203(a)(1), (5), (6) and 16-203(b), Annotated Code of Maryland.

   **Background:** In July 2016, the Office of the Attorney General filed an Administrative Complaint with the Board of Public Works seeking debarment of Jonathan Mickle based on convictions in the U.S. District Court, District of Maryland.

   Shaun Tucker and Joanne Tucker owned two Maryland-based corporations, Quantell, Inc. and Intaset Technologies Corporation. These companies provided labor services to the federal government and to the private sector in Maryland and other States. From 2007 to 2013, Shaun and Joanne Tucker with Quantell/Intaset employee co-conspirators Jonathan Mickle, and Paul Watson, Kevin Williams, and Robert Nickey* fraudulently represented to federal procurement authorities that the two corporations were eligible to bid on, and receive awards of set-aside federal contracts as small businesses or Service Disabled Veteran Owned Small Businesses. The value of the contracts obtained on the basis of their fraudulent representations, was at least $30 million dollars.

   *NOTE: Reference is made to Secretary’s Agenda Items 1 and 2 (9/21/16) in which the Board of Public Works approved the indefinite debarment of Shaun Tucker, Joanne Tucker, Paul Watson and Kevin Williams and referred Robert Nickey, III’s hearing request to the Office of Administrative Hearings.

   **Convictions:** Jonathan Mickle pleaded guilty to conspiracy to commit wire fraud in violation of 18 U.S.C. §1349, and tax fraud in violation of 26 U.S.C. §7206(1). In March 2016, Mr. Mickle was sentenced to three years’ probation and ordered to pay $851,762 in restitution and to forfeit $10,000,000 in cash.

   **Basis for Debarment:** Jonathan Mickle is subject to debarment under State Finance and Procurement Article § 16-203(a)(1), (5), (6) and § 16-203(b). § 16-203(a) provides in pertinent part that a “person may be debarred from entering into a contract with the State if the person…has been convicted …”of fraud, conspiracy to commit to fraud, or a violation of § 7201 of the Internal Revenue Code. § 16-203(b) provides in pertinent part that “a person may be debarred…if, during the course of an official investigation…the person…has admitted, in writing…” to any act that is grounds for debarment.
1. BOARD OF PUBLIC WORKS (cont’d)

Debarment of Jonathan Mickle

**Debarment:** On August 31, 2016, the Board of Public Works sent written notice by first class, certified return receipt to Jonathan Mickle that the Attorney General had commenced debarment proceedings. The notice apprised Mr. Mickle of his right to request a hearing within 30 days after he received the notice. Mr. Mickle failed to request a hearing. Under State debarment law, his failure to request a timely hearing means he has waived his right to a hearing and is debarred. State Finance and Procurement Article §16-304 (e), COMAR 21.08.04.02.

**Debarment Term:** The Attorney General recommends an indefinite debarment for Jonathan Mickle. A debarred individual may petition the Board for removal of the debarment within five years following the debarment date. State Finance and Procurement Article §16-310.

**Action:** Approval of this item will debar Jonathan Mickle from being considered for the award of, being awarded, or performing directly or indirectly a contract with the State for an indefinite period.

2. **BOARD OF PUBLIC WORKS**  
   *Wetlands Licenses*  
   *Concurrence Cases*

**Recommendation:** Approval is requested of the following application for a wetlands license for a project involving soil boring drilling in the navigable waters of Maryland. The Board of Public Works Wetlands Administrator recommends that the Board grant the license as indicated. The Department of the Environment concurs with this recommendation.

**Authority:** Section 16-202, Environment Article, Annotated Code of Maryland: “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.

**WORCESTER COUNTY**

15-0989  
**DELMARVA POWER AND LIGHT** – To perform four geotechnical soil borings for utility pole and foundations design.  

*Snow Hill, Pocomoke River*

**Special conditions:** Requirements for soil erosion and sediment control plans; rare, threatened and endangered species; invasive species; Forest Interior Dwelling Species; ground-dwelling birds; possible raptor nest mitigation; tidal wetland disturbance; wetland restoration; debris removal and disposal; Wildlife Heritage Service consultation; and chemical and equipment use and storage.

3. **BOARD OF PUBLIC WORKS**

   **Wetlands License**
   **Extraordinary Case**

**Recommendation:** Approval is requested of the following application for a wetlands license for a project involving horizontal directional drilling under a navigable water of Maryland. The Board of Public Works Wetlands Administrator recommends that the Board grant the license as indicated. The Department of the Environment concurs with this recommendation.

**Extraordinary Case Classification:** This case is classified as extraordinary because of the recommendation that compensation be assessed.

**Authority:** Section 16-202, Environment Article, Annotated Code of Maryland: “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.

### CALVERT COUNTY

16-0075  **SOUTHERN MARYLAND ELECTRIC COOPERATIVE, INC.** – To improve electrical reliability by installing 24 linear feet of high-density polyethylene pipe 30 feet under the Patuxent River by horizontal directional drilling and installing 30 feet of steel casing pipe above the causeway between Back Creek and the Patuxent River.

*Solomons, Patuxent River*

**Special conditions:** Requirements for the following: frac-out contingency plan, Independent Monitoring Contractor, pre-construction meeting, monitoring, compensation, marsh protection and restoration; horizontal directional drilling guidelines.

- Application received  
  February 3, 2016
- Comment period ended  
  June 15, 2016
- MDE Report and Recommendation  
  Sept. 28, 2016

**Compensation:**
- Annual fee of $195
  (24 ft. x 2 lines + 30 ft. = 78 linear feet of transmission line @$2.50/ft.)
- Annual fee to be adjusted every five years based on Consumer Price Index

4. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT**

_**Recommendation:**_ That the Board of Public Works approve releasing the deed of trust on one property that received a loan from the Department of Housing and Community Development’s Down Payment and Settlement Expense Loan Program. The deed of trust is a second mortgage; the borrower is selling the property requesting release of the deed of trust to facilitate a short sale to pay off the first mortgage owed to DHCD. The borrower has requested a release of the deed of trust securing the second mortgage on the basis of a hardship. The borrower will sign an unsecured promissory note in the amount of the outstanding principal of the second mortgage.

_**Loan Authority:**_ Down Payment and Settlement Expense Loan Program  
Housing and Community Development Article, §§ 4-301-4-309, Annotated Code of Maryland

_**Authority to Release Security Interest:**_ State Finance and Procurement Article, § 10-305, Annotated Code of Maryland

_**Borrower:**_ Joann Leath-Jackson  
13611 Sir Thomas Way  
Silver Spring, Maryland 20904  
Montgomery County

_**Original Loan:**_ $5,000

_**Current Balance:**_ $5,000

5. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Recommendation: That the Board of Public Works approve granting a right of way to BGE that will allow BGE to construct and maintain electric, gas and communications lines at Poppleton Place I, a multifamily rental project that secures a DHCD Multifamily Bond Program loan.

Loan Authority: Multifamily Bond Program
§§ 4-101 through 4-255
Housing & Community Development Article, Annotated Code of Maryland

Authority to Grant Easement: § 10-305, State Finance and Procurement Article,
Annotated Code of Maryland

Borrower: Poppleton Partners L.P.

Project Address: 851 Greengate Court, Baltimore City, 21201

Amount: Original MBP Loan: $4,425,000
Current Balance: $4,103,071

Background: In September 2006, DHCD lent Poppleton Partners L.P. $4.425 million to assist in the development of a 123-unit affordable housing project in Baltimore City. The borrower is current on loan payments. The real property secures the loan. The borrower seeks to grant a right of way to BGE to improve utility service to the property while also assisting with the development of Center/West, a project that will provide approximately 1,800 housing units, commercial space, parking and green space to the West Baltimore Poppleton neighborhood.

6. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Recommendation: That the Board of Public Works approve granting a right of way to BGE that will allow BGE to construct and maintain electric, gas and communications lines at Poppleton Place II, a multifamily rental project that secures a DHCD Multifamily Bond Program loan and a DHCD Maryland Housing Rehabilitation Program loan.

Loan Authority: Multifamily Bond Program
§§ 4-101 through 4-255
Maryland Housing Rehabilitation Program
§§4-901 through 4-933
Housing & Community Development Article, Annotated Code of Maryland

Authority to Grant Easement: § 10-305, State Finance and Procurement Article,
Annotated Code of Maryland

Borrower: Poppleton Partners II, L.P.

Project Address: 823 W. Fairmount Avenue, Baltimore City, 21201

Amount: Multifamily Bond Program:
- Original Loan: $9,515,000
- Current Balance: $4,829,074

Maryland Housing Rehabilitation Program:
- Original Loan: $725,000
- Current Balance: $725,000

Background: In September 2010, DHCD lent Poppleton Partners II, L.P. funds to assist in the development of a 111-unit affordable housing project in Baltimore City. The borrower is current on the payments of both loans. The real property secures the loan. The borrower seeks to grant a right of way to BGE to improve utility service to the property while also assisting with the development of Center/West, a project that will provide approximately 1,800 housing units, commercial space, parking and green space to the West Baltimore Poppleton neighborhood.

This Item Was: APPROVED WITHOUT DISCUSSION
7. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT**

**Recommendation:** That the Board of Public Works approve lending general obligation bond proceeds for this project.

**Loan Authority:** Neighborhood Business Development Program

§§ 6-301 through 6-311

Housing & Community Development Article, Annotated Code of Maryland;

COMAR 05.13.01

The *Neighborhood Business Development Program*, operating as *Neighborhood BusinessWorks*, is a Smart Growth tool for revitalization through business creation or expansion in designated revitalization areas.

**Borrower:** 320 W. 29th Street, LLC

**Project Property:** 320 W. 29th Street, Baltimore City 21211

**Loan Amount:** $1,365,000

**Fund Source:** MCCBL of 2015: *Provide funds for grants and loans to fund community-based economic development activities in revitalization areas designed by local governments.* Item SA24(B).

**Collateral:** First lien position on project property (117% collateral coverage)

**Project Description:** The borrower proposes to redevelop a vacant 20,000 sq. ft. warehouse in the Remington neighborhood of Baltimore City to include commercial/retail space for a bike shop, urban farm and garden center, and a high-tech agricultural growing and workforce development company.

The massive warehouse has remained vacant for the last 10 years. Currently, 20,000 vehicles drive by the building daily. The building is widely-viewed an eyesore that has not contributed to the renaissance experienced in the Remington neighborhood. The proposed redevelopment will breathe new life into the community by renovating the space for commercial and retail leases.
7. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (cont’d)**

Remington is an original streetcar suburb of Baltimore City. After a long period of decline, Remington is experiencing resurgence. This is the fifth project undertaken by Seawall Development, LLC in Remington. The four previous projects were Miller’s Court, The Tire Shop, (home to Parts & Labor Restaurant and the Single Carrot Theater), Remington Row, and R House. Collectively, Seawall’s development projects seek to revive neighborhoods by providing affordable housing and amenities that attract innovators, entrepreneurs, artists, and service providers.

This loan is the primary funding on this $1.6 million project. During construction, the project will create local construction jobs and at completion will create 20 full time jobs while supporting three businesses.

8. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Recommendation: That the Board of Public Works approve lending general obligation bond proceeds for this project.

Borrower: Galloway Meadows Associates, L.P.

Project: Galloway Meadows
29418 Matthewstown Road, Easton, 21601

Authority: §§ 4-1201 et. seq., Housing & Community Development Article, Annotated Code of Maryland; COMAR 05.05.05

Partnership Rental Housing Program finances rental housing to be occupied by households with incomes of 50% and below of the Statewide median income.

Loan Amount: $2,000,000

Fund Source: MCCBL 2015167 Partnership Rental Housing Program

Collateral: Deed of Trust

Description: Galloway Meadows Apartments in the Town of Easton is new construction of a 71-unit rental community for general occupancy and a community center with on-site management office, large multi-purpose community room with kitchenette, and maintenance office and shop. There will be 11 units for people with disabilities, five units are ADA-accessible. Galloway Meadows will include 12 one-bedroom/one-bath units, 42 two-bedroom/one-bathroom units and 17 three-bedroom/two-bathroom units. The project will also include one three-bedroom unit that management will use.

**Recommendation:** That the Board of Public Works approve lending general obligation bond proceeds for this project.

**Borrower:** Glenarden Phase I, LLC

**Project:** Glenarden Phase I  
8405 Hamlin Street, Lanham, 20706

**Authority:** §§ 4-1201 et. seq.,  
Housing & Community Development Article, Annotated Code of Maryland;  
COMAR 05.05.05

**Partnership Rental Housing Program** finances rental housing to be occupied by households with incomes of 50% and below of the Statewide median income.

**Loan Amount:** $1,800,000

**Fund Source:** MCCBL 2014  
[Partnership Rental Housing Program]

**Collateral:** Deed of Trust

**Description:** Glenarden Phase I is the first phase of a redevelopment plan that includes the demolishing and redeveloping Glenarden Apartments in Prince George’s County. Glenarden Phase I comprises 114 rental units: 46 subsidized senior units, 41 family units, and 27 market rate units. Later phases of the redevelopment will include a pool, neighborhood retail, and extensive green space. The Glenarden redevelopment plan will create a transit-oriented, new urbanist style community that will provide 429 units of affordable, market rate, rental and homeowner housing in close proximity to transit, employment, and public services.

The Maryland Department of Planning reviewed and approved the project for consistency with the Economic Growth, Resource Protection, and Planning Policy (Project # SP20160128-6154) on February 19, 2016.

COMAR 05.05.02

*Rental Housing Works* finances rental housing that will be occupied by individuals with incomes of 60% and below of the area median income.

**Loan Amount:** $2,500,000

**Fund Source:** MCCBL 2014 *Rental Housing Works Program*

**Collateral:** Deed of Trust

**Description:** The project, outside the corporate limits of Perryville, will rehabilitate 75 single-family style units for homeless and at-risk veterans and families. The rehabilitation will provide 33 duplex buildings (comprising 66 units), nine rehabilitated houses, and one new construction management/support center on a 28.9 acre site secured from the U.S. Department of Veterans Affairs through an enhanced-use lease.

The housing will consist of one-, two-, and three-bedrooms units of which 75 (100%) will receive HUD-Veterans Affairs Supportive Housing (VASH) vouchers. Thirteen units (17%) units are targeted to households with income at or below 30% of the area median income and 62 units (83%) are targeted to households with income at or below 50% of the area median income.

The Maryland Department of Planning reviewed and approved the project for consistency with the Economic Growth, Resource Protection, and Planning Policy (Project # SP 20160128-6168) on February 19, 2016.
12. **MARYLAND ENVIRONMENTAL SERVICE**

*Rocky Gap State Park*

**Construction Contract:** Wastewater Treatment Plant Improvements  
MES Project # 1-16-2-41-5

**Description:** Furnish and install materials to upgrade the wastewater treatment process

**Procurement:** Competitive Sealed Bids

**Bids:**
- Carl Belt, Inc., Cumberland, MD $2,879,778
- M2 Construction LLC, Landisville, PA $3,185,778
- PSI Pumping Solutions, Inc., York Springs, PA $3,039,260
- Global Heavy Corp., Mount Braddock, PA $3,205,000

**Award:** Carl Belt Inc.  
**Amount:** 2,879,778  
**Term:** 300 calendar days

**MBE Participation:** 10%

**Remarks:** The wastewater treatment plant has been receiving increased flows since the opening of the casino at Rocky Gap State Park. The plant requires improvements to accommodate and treat these flows. In addition the current treatment process is obsolete and cannot remove nutrients and the infrastructure is aging and undersized and not capable of reliably meeting projected discharge permit requirements. This project will address these necessary upgrades.

This project was first bid in June 2016. Bids exceeded the available funding for the project. MES reduced the scope of work to remain within budget and requested a best and final price from all four bidders. The intent of the project will still be met under this contract. The items that were deleted from the scope will be done once funding is available.

**Award:** Johnson Controls, Inc.

**Award Date:** July 19, 2016

**Contract Amount:** $22,500

**Term:** 30 Calendar Days

**MBE Participation:** 0%

**Fund Source:** MCCBL 2014 Item 012
A1. **DEPARTMENT OF GENERAL SERVICES** (cont’d)  
Central Services Building, Annapolis Buildings and Grounds

**Remarks:**

*Nature of Emergency:* At least three chillers must be operational to sufficiently cool the eight Annapolis Buildings and Grounds facilities to which these chillers provide service. Chillers #1 and #2 were not operable and chiller #4 leaked refrigerant. Chiller #3 was the sole chiller to cool eight buildings in the Annapolis complex; however even that chiller was in dire need of service. Servicing of chiller #3 could not take place until the other chillers are repaired and operating. The refrigerant monitor for the four chillers is currently not functioning properly and due to health/safety issues must be replaced/updated.

*Basis for Selection:* The responsible bidder submitting the lowest responsive bid confirmed its bid price and acknowledged an understanding of the emergency project specifications and requirements.

Due to the emergency nature of the project, the contractor was unable to obtain MBE participation.

**Tax Compliance No.:** 16-2841-1111

**Resident Business:** Yes

This Item was withdrawn as Item A1 on the 9/21/16 Secretary’s Appendix Agenda.

A2. DEPARTMENT OF JUVENILE SERVICES

**Contract ID:** Radio Frequency Monitoring of Youth  
ADPICS NO. V00B7400074

**Description:** Provide radio frequency monitoring of youth and voice-recognition services to youth that are court-ordered in the Community Detention Program.

**Procurement Method:** Emergency

**Date Emergency Declared:** July 16, 2016

**Bids:**  
Behavioral Interventions, Inc. $442,599  
Boulder, Colorado

**Award:** Behavioral Interventions, Inc.

**Amount:** $442,599

**Contract Award Date:** July 16, 2016

**Term:** 7/16/16 – 7/15/17 (1 Year)

**MBE Participation:** 0%

**Fund Source:** 100% General Funds  
Appropriation Code: V00G0101

**Remarks:**

*Nature of Emergency:* On June 6, 2016, the Department of Juvenile Services terminated its contract with Sentinel Offender Services, LLC, which provided radio frequency monitoring of youth and voice recognition services. DJS is obligated to electronically supervise youth that are court-ordered in the Community Detention Program. In the absence of a contract, DJS would be unable to fulfill this public safety obligation and necessitated the immediate procurement of radio frequency monitoring of youth.
A2. **DEPARTMENT OF JUVENILE SERVICES (cont’d)**

**Remarks: (cont’d)**

_Basis for Selection:_ DJS previously used and retained equipment provided under a previous contract with Behavioral Interventions, Inc. to monitor the youth that are court-ordered into the Community Detention Program with no issues. Staff is fully trained on the software, the events, and the installation and deactivation processes. Discussions with Behavioral Interventions regarding the price offered for this emergency procurement resulted in a 15% price reduction in rates compared to the previously-contracted rates. These rates are also 7% less than the federal GSA schedule rates for the same equipment and services.

_Reason for Late Report:_ DJS is reporting the emergency procurement late due to the Director of Procurement being out on extended medical leave. During this period of transition, the staff was unaware the report had not been sent to the Board.

_Tax Compliance No.:_ 16-3149-1111

_Resident Business:_ No

A3. DEPARTMENT OF JUVENILE SERVICES

Contract ID: Community Sex Offender Treatment Services for Youth in the Metro Region of Maryland
ADPICS No. V00B7400075

Contract Type: Service

Description: Community-based sex offender treatment, assessments, and counseling to youth that reside in Montgomery and Prince George’s Counties.

Procurement Method: Emergency

Date Emergency Declared: May 31, 2016

Bids: Compass Mental Health Consultants, LLC $341,575
Severn, MD

Award: Compass Mental Health Consultants, LLC

Amount: $341,575

Contract Award Date: June 15, 2016

Term: 6/15/16 – 12/30/16 (6 Months)

MBE Participation: 0%

Fund Source: 100% General Funds
Appropriation Code: V00L0101

Remarks:

Nature of Emergency: The Department of Juvenile Services is in need of an emergency contract to secure short-term outpatient sex offender treatment services while a procurement to provide long-term services is conducted due to the unanticipated termination of the previous contract for performance issues. This short-term contract will ensure continuity of court ordered community sex offender treatment services for youth residing in the Metro Region and allow DJS to remain compliant with the courts’ orders.
A3. **DEPARTMENT OF JUVENILE SERVICES (cont’d)**

*Remarks: (cont’d)*

*Basis for Selection:* Due to a limited number of licensed and qualified providers in the area, only one vendor expressed interest in the solicitation. A second vendor was contacted via phone, but that vendor was not interested because it does not have offices in the required area. The only other company who bid on the original contract was the vendor whose contract was terminated.

Compass Mental Health Consultants, LLC has a history of positive performance under similar DJS contracts. After price negotiations, the contractor agreed to provide services at rates consistent with the previous contract. The contractor also specializes in sex offender treatment and employs Spanish speaking staff, which is necessary to service Spanish speaking youth.

*Reason for Late Report:* DJS is reporting the emergency procurement late due to the Director of Procurement being out on extended medical leave. During this period of transition, the staff was unaware the report had not been sent to the Board.

*Tax Compliance No.:* 16-3143-0001

*Resident Business:* Yes

July 14, 2017

Ms. Sheila C. McDonald, Esq
Executive Secretary to the Board of Public Works
Louis L. Goldstein Treasury Building, Room 213
Annapolis, Maryland 21401-1991

Re: POS Local 6572-5-193 – Day Spring Community Park - Playground Renovation

Dear Ms. McDonald:

This is to respectfully request changes to the approved fund source of the above referenced Program Open Space Local Share item on page 2A of Supplement A of the Natural Resources Action Agenda of the Board of Public Works previously approved on October 19, 2016.

As approved by the Board of Public Works:

- Outdoor Recreation Land Loan – 2017
  Program Open Space - Local
  Chapter 027  Acts of 2016
  Source Code: 17009
  Fund Source: $19,550.00

Fund Sources Change Requested by the Department of Natural Resources (DNR):

- Outdoor Recreation Land Loan – 2017
  Program Open Space - Local
  Chapter 027  Acts of 2016
  Source Code: 17009
  Fund Source: $19,302.85

- Outdoor Recreation Land Loan – 2018
  Program Open Space - Local
  Chapter 150  Acts of 2017
  Source Code: 18011
  Fund Source: $247.15

All other aspects of this Agenda Item remain as approved.

Reason: The Outdoor Recreation Land Loan – 2017 fund source originally requested by the Department, and approved by the Board of Public Works, lacked sufficient funds for Caroline County to cover the requested outlay. DNR respectfully seeks to move the award to a source where sufficient funds for Caroline County’s share of Program Open Space – Local funds exist.

Thank you very kindly for your attention to this matter. Please call me at (410) 260-8432 or e-mail me at henry.kemp@maryland.gov if you need additional information.

Sincerely,

H. Wesley Kemp, III
Capital Projects Financial Administrator - LAP

BOARD OF PUBLIC WORKS 
THIS ITEM WAS:

APPROVED  DISAPPROVED  DEFERRED  WITHDRAWN
WITH DISCUSSION  WITHOUT DISCUSSION
6A. **MARYLAND ENVIRONMENTAL TRUST**

**Recommendation:** That the Board of Public Works ratify an amendment to, and partial release of, a conservation easement.

**Property:** 90.363 acres Caroline County  
10881 Holly Road, Denton  
Tax Map 27, Parcel 41 Legislative District 11

**Grantors:** Hannah Faulkner, Paul G. Faulkner, Bessie Louise Faulkner, Lois Faulkner Breeding

**Grantees:** Maryland Environmental Trust and the Eastern Shore Land Conservancy, Inc.

**Prior Approval:** Secretary’s Agenda Item 15(h) (December 15, 1999).  
In that action, the Board ratified the donation of a conservation easement to the Maryland Environmental Trust and the Eastern Shore Land Conservancy, Inc. by James C. Faulkner et al. on 90.363 acres of land in Caroline County.

**Land Records:** Deed of Conservation Easement (Dec. 9, 1999) recorded among the Land Records of Caroline County, Maryland, at Liber 377 Folio 456

**Amendment:** The parties to the easement now seek to release 0.86 acres of the eased property for disposition to the State Highway Administration, which will use the property for safety and water quality improvements. The proposed release and amendment allows SHA to widen the highway and install stormwater measures. The impact to conservation values will be *de minimis*, and the resultant improvements will yield enhanced safety to the driving public and increased protection of surface water quality.

7A. **MARYLAND ENVIRONMENTAL TRUST**

**Recommendation:** That the Board of Public Works ratify an amendment to a conservation easement.

**Property:** 54.94 acres, Baltimore County
1443 E. Piney Hill Road, Monkton
Tax Map 0022 Parcel Lots s 41 & 464, Legislative District 5B

**Grantor:** Stephen G. Cameron and Gloria R. Cameron

**Grantee:** Maryland Environmental Trust

**Prior Approval:** Secretary’s Agenda Item 18 (Dec. 15, 1993).
In that action, the Board ratified the donation of a conservation easement to Maryland Environmental Trust by Stephen and Gloria Cameron. The easement was amended in 2000 (a corrective action that did not come before the Board).

**Land Records:** Amendment of Deed of Conservation Easement dated April 27, 2000 and recorded among the Land Records of Baltimore County, Maryland in Liber 14512, folio 361.
Deed of Conservation Easement dated December 20, 1993 and recorded aforesaid in Liber 10241, Folio 094.

**Amendment:** The parties to the easement now seek to:
(1) extinguish one reserved single family residence, thus reducing the number of permitted residential structures on the property from three to two (one single family residence and one garage apartment);
(2) extinguish the right to subdivide one reserved lot and add common ownership provisions such that the entire property remains in common ownership;
(3) insert updated easement language regarding extinguishment, condemnation and proceeds;
(4) add an amendment provision; and
(5) correct a scrivener’s error in the deed reference.

The proposed amendment reduces the impact to conservation values by eliminating a one-lot subdivision and reducing the number of residences permitted on the property.

### 8A. RURAL LEGACY PROGRAM GRANTS

**Fiscal Year 2017**

**Recommendation:** The Department of Natural Resources recommends that the Board of Public Works approve 15 Rural Legacy grants totaling $17,663,385 in Fiscal Year 2017 funding to protect approximately 4,615 acres of working farms and forests in Rural Legacy Areas across the State.

**Background:** The Rural Legacy Program is designed to preserve large blocks of contiguous open space that are among the State’s most valuable because of the existence of a multitude of agricultural, forestry, natural and cultural resources. To protect these resources, the Rural Legacy Program, acting through local government or private land trust sponsors, purchases conservation easements from willing property owners, in designated Rural Legacy Areas that have been reviewed by the Rural Legacy Advisory Committee and approved by the Rural Legacy Board.

DNR will submit individual contracts to purchase conservation easements to the Board of Public Works as the specific transactions arise.

**Authority:** *Rural Legacy Program*, Subtitle 9A, Natural Resources Article, Annotated Code of Maryland.

<table>
<thead>
<tr>
<th><strong>1. Agricultural Security Corridor Rural Legacy Area:</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Caroline, Cecil, Dorchester, Kent, and Talbot Counties</strong></td>
<td></td>
</tr>
</tbody>
</table>

**$1,125,543 Grant:** Acquire conservation easements to protect a range of resources that includes forests, farmland, wetlands, historic sites, and endangered species habitat in the Agricultural Security Corridor in five counties on the Eastern Shore. Conservation of property in this Area will support the local resource-based economy, including agricultural production of grains and hay and dairy, beef and poultry operations. The Board approved the designation of the Agricultural Security Corridor Rural Legacy Area in 1998.

<table>
<thead>
<tr>
<th><strong>2. Bear Creek Rural Legacy Area:</strong></th>
<th></th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Garrett County</strong></td>
<td></td>
</tr>
</tbody>
</table>

**$941,760 Grant:** Acquire conservation easements to protect the County’s most productive working farms, standing timber, scenic views from the Cove overlook, natural habitats, wetlands, and waterways in the Bear Creek drainage basin. Conservation within the Area will provide water quality benefits to the Youghiogheny River, the State’s only designated Wild and Scenic River. The Board approved designation of the Bear Creek Rural Legacy Area in 2002.
8A. **RURAL LEGACY PROGRAM GRANTS** *(cont’d)*

*Fiscal Year 2017*

3. **Coastal Bays Rural Legacy Area:** *Worcester County*

$1,104,326 Grant: Acquire conservation easements to protect forest, agricultural, natural areas and shoreline in Worcester County’s coastal bays. This Area includes important tidal marshland areas, forests, and farmland, which provides some of the most ecologically diverse and outstanding wildlife habitat in the State. The Board approved the designation of the Coastal Bays Rural Legacy Area in 1998.

4. **Deer Creek Rural Legacy Area (Formerly Lower Deer Creek):** *Harford County*

$1,444,915 Grant: Acquire conservation easements within the watershed of Deer Creek River, a State-designated Scenic River, and adjacent to Rocks-Susquehanna State Park to protect historic farmland, forests, natural and cultural areas. This Area is within the Lower Susquehanna Heritage Greenway, a certified Maryland Heritage Area. The Board approved the designation of the Lower Deer Creek Rural Legacy Area in 1999.

5. **Foreman Branch/Lands End Rural Legacy Areas:** *Queen Anne’s County*

$1,450,956 Grant: Acquire conservation easements to protect environmentally significant tributaries of the Chester and Corsica Rivers, including farmland, forest land, wetlands and wildlife habitat. The Board approved the designation of the Foreman Branch and Lands End Rural Legacy Areas in 1998.

6. **Little Pipe Creek /Upper Patapsco Rural Legacy Areas:** *Carroll County*

$1,192,878 Grant: Acquire conservation easements to protect farmland, woodland, natural and cultural land within the Little Pipe Creek and upper Monocacy River Watersheds. Conservation within the Area will provide water quality benefits not only for the two watersheds, but also for the underground aquifers that supply many residents with drinking water. The Board approved the designation of the Little Pipe Creek Rural Legacy Area in 1998 and Upper Patapsco Rural Legacy Area in 2004.

7. **Manor Rural Legacy Area:** *Baltimore and Harford Counties*

$1,424,674 Grant: Acquire conservation easements to protect farmland, woodlands and significant natural and cultural resources in My Lady’s Manor National Historic District and along the Little Gunpowder Falls, a Class Three Trout Stream. The Board approved the designation of the Manor Rural Legacy Area in 2000.
8A. **RURAL LEGACY PROGRAM GRANTS (cont’d)**

*Fiscal Year 2017*

8. **Mattapany Rural Legacy Area: St. Mary’s County**

$1,130,367 Grant: Match Navy Readiness and Environmental Protection Integration funds to acquire conservation easements to protect the Area’s rich farmland, forests, wetlands, historic sites, and wildlife habitat. Conservation within the Area will provide water quality benefits to the Chesapeake Bay and the St. Mary’s River watershed. The Board approved the designation of the Mattapany Rural Legacy Area in 2006.

9. **Mid-Maryland Frederick/Carrollton Manor Rural Legacy Areas: Frederick County**

$1,258,950 Grant: Acquire conservation easements to protect farmland, forestland, Civil War historic sites and a greenbelt around the historic Town of Burkittsville. Conservation of property in the Area will protect the view surrounding the Appalachian Trail and South Mountain Battlefield State Park, which are nationally significant natural and cultural resources. The Board approved the designation of the Mid-Maryland Frederick Rural Legacy Area in 1998 and the Carrollton Manor Rural Legacy Area in 2004.

10. **Mid-Maryland Washington Rural Legacy Area: Washington County**

$946,610 Grant: Acquire conservation easements to protect farmland, forests and Civil War sites within view of Washington Monument State Park, South Mountain Battlefield State Park, Antietam National Battlefield and its approaches. Conservation within the Area will provide water quality benefits to the Potomac River, a Maryland designated Scenic River. The Board approved the designation of the Mid-Maryland Washington Rural Legacy Area in 1998.

11. **Mountain Ridge Rural Legacy Area: Allegany County**

$862,167 Grant: Acquire to acquire conservation easements of significant woodland, farmland and wetlands. Situated within the Ridge & Valley Physiographic Province where it meets the Allegheny Front, the Area includes large blocks of unbroken forest, pristine ecologically significant areas and historic sites. The Area includes an important migration corridor and the most significant golden eagle flyway in the State. The Board approved the designation of Mountain Ridge Rural Legacy Area in 2010.

MBE Participation: None (Single Element of Work for Staffing)

Performance Security: None

Incumbent: Same

Requesting Agency Remarks: A notice of the availability of the Invitation for Bids (IFB) was advertised on eMaryland Marketplace. Copies of the solicitation notice were sent directly to 42 prospective vendors, 32 of which are Maryland firms, and included 21 MBEs. A copy was also sent to the Governor’s Office of Minority Affairs.

Two bids were received in response to the IFB. Managed Health Care, Ltd. submitted the lowest responsive bid, and was determined to be a responsible bidder. Therefore, award is recommended to Managed Health Care, Ltd.
1-S. DEPARTMENT OF HEALTH AND MENTAL HYGIENE (cont’d)

This contract is for the provision of on-site delivery and coordination of a comprehensive array of somatic and basic psychiatric health care services, including specialties for SGHC. The hours and numbers of shifts or clinics needed in the IFB were used for bidding purposes only. SGHC does not guarantee any maximum or minimum numbers of hours or clinics to be provided. Payments will be based on the number of shifts or clinics provided.

2-S-MOD. MARYLAND DEPARTMENT OF DISABILITIES
Money Follows the Person Demonstration (MFP)
Peer Outreach and Support Program
Services Contract Modification

Contract ID: Peer Outreach and Support; ADPICS # COG97290

Contract Approved: DBM Item 1-S (9/19/2012)

Contractor: IMAGE
Towson, MD

Contract Description: Three contracts to provide peer outreach and support services to interested and eligible Medicaid recipients currently residing in nursing facilities in three of the eight regions of the State for the purpose of transitioning to independent living in their communities.

Modification Description: Extend the contract term for the Northern Region (Baltimore, Counties) by eight months to align the contract with the memorandum of understanding (MOU) with the Department of Health and Mental Hygiene (DHMH) for the Money Follows the Person Demonstration (MFP) Grant and the other peer outreach and support services contracts throughout the State.

Original Contract Term: 10/1/2012 - 10/31/2014 (w/2 one-year renewal options)

Modification Term: 11/1/2016 – 6/30/2017

Original Contract Amount: $259,910 (2 Years)

Modification Amount: $87,000 (8 Months)

Revised Total Contract Amount: $606,820

Overall Percent +/- (This Mod): +33%

Original Procurement Method: Competitive Sealed Proposals
2-S-MOD.  MARYLAND DEPARTMENT OF DISABILITIES (cont'd)

MBE Participation: None

Requesting Agency Remarks: This modification is a request to extend one of three contracts (the other contract modifications are within DBM’s delegated authority to approve) by eight months to align the contract term with the MOU with DHMH for the MFP Grant and the other peer outreach and support services contracts (see DBM Item 1-S on the 5/23/2012 BPW Agenda) for the other jurisdictions throughout the State.

The Maryland Department of Disabilities (MDOD) and DHMH have partnered to implement peer outreach and support services as part of the MFP Grant. MFP, a federal rebalancing initiative created by the Deficit Reduction Act of 2005 and reauthorized by the Affordable Care Act of 2010, was designed to encourage states to transition eligible and interested Medicaid recipients currently residing in nursing facilities back to homes in their communities. MFP is funded through a federal grant that allows states to collect an enhanced federal match on services provided to individuals who transition from an institution to the community. Many nursing facility residents remain unaware of the community-based options available and the successes of others who have transitioned back to the community. Stakeholders involved in advising DHMH on the implementation of MFP in Maryland expressed continued interest in utilizing peers to share knowledge of community-based services. Furthermore, stakeholders identified additional roles for peers through MFP and consequently Maryland’s Operational Protocol, which was recently revised, added peer support to the list of services available to nursing facility residents through the Demonstration.

DHMH, the single-state Medicaid agency, has requested MDOD’s assistance in implementing peer outreach and support statewide as part of Maryland’s MFP Grant. Prior to the end of the MOU between DHMH and MDOD, a determination will be made as to the success of the demonstration and whether a new MOU will be executed. Based upon that determination, MDOD will conduct new procurements for services as needed.

3-S-MOD. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT
Division of Credit Assurance
Services Contract Modification

Contract ID: Loan Servicing Services; ADPICS #COG96546

Contractor: Bogman, Inc.
Silver Spring, MD

Contract Description: Contract to service loans that have been made or purchased by DHCD pursuant to certain State-funded loan programs for rehabilitation, acquisition, mortgage assistance, refinancing or construction.

Modification Description: Extend the contract term, increase the available funding, and modify the servicing fee structure to continue to service the loan portfolio to allow time to complete the procurement, award a new contract, and provide a 90-day transition period to the new contractor.

Modification Term: 11/1/2016 – 3/31/2017

Original Contract Amount: $1,700,000 NTE (5 Years)

Modification Amount: $290,761 (5 Months)

Revised Total Contract Amount: $6,625,761 NTE

Percent +/- (This Modification): +17%

Overall Percent +/-: +37%
3-S-MOD.  DEPT. OF HOUSING AND COMMUNITY DEVELOPMENT  (cont’d)

Original Procurement Method:  Competitive Sealed Proposals

MBE Participation:  25%

MBE Compliance:  27%

Requesting Agency Remarks:  Request for approval to extend the contract term by five months in order to continue to provide loan servicing services while the department completes the procurement and awards the new contract.  The RFP for the new procurement was issued August 9, 2016 with proposals due on September 16, 2016.  The technical evaluation is underway with an expected award recommendation to be presented to the BPW within the next two months to allow for a 90-day transition period to the new contractor.

DHCD believes this modification is in the best interest of the State to continue servicing the State-funded loans for an additional five months while DHCD completes the new Request for Proposals (RFP).  In 2000, DHCD competitively procured the services of Bogman, Inc. to perform loan servicing services for new and existing loans under State-funded loan programs for rehabilitation, acquisition, mortgage assistance, refinancing or construction of single family residences, multifamily rental properties, and small businesses.  Bogman, Inc. has provided services as required by the contract in a satisfactory manner.

Ms. Sheila C. McDonald, Esq.
Executive Secretary
Board of Public Works
80 Calvert Street, Room 117
Annapolis, MD 21401

Dear Ms. McDonald,

The purpose of this letter is to request the correction of an error on Item 3-S in the DBM Secretary's Agenda for the 10/19/2016 Board of Public Works (BPW).

Whenever an agenda item is presented on the DBM Secretary’s Agenda, DBM validates the information provided by the submitting agency for accuracy. This item was requesting approval for a five-month modification in the amount of $290,761. While the original contract amount and the modification amount were stated correctly on the item, the total amount for the prior options/modifications was incorrect. All of the previous options and modifications were correctly listed on the agenda item; however, Mod #4 for $500,000 was not added into the total. This resulted in the revised total contract amount on the agenda item being calculated as $500,000 lower than the actual revised total contract amount of $6,625,761 NTE.

The attached edited agenda item pages show the “For the Record” corrections to the agenda item in yellow for easy identification.

If you would like any other documentation, I would be pleased to provide it.

I apologize for the additional work these errors have caused for you and your staff.

Sincerely,

David R. Brinkley
Secretary
4-GM. DEPARTMENT OF BUDGET AND MANAGEMENT  
Office of Budget Analysis (OBA)  
General Miscellaneous

Request Amount: $14,600 FY2017 Total (see page 10B)

Description: Request to approve a proposed reimbursable fund budget amendment for the month of September FY2017. This request complies with Section 7-209 (e) of the State Finance and Procurement Article, which requires that the proposed reimbursable fund budget amendment be approved by the Board of Public Works unless specifically authorized by the Budget Bill or other law.

Fund Source: 100% Reimbursement

Appropriation Code: See page 10B

Requesting Agency Remarks: The contributing Department has appropriated funds to pay for services to be provided by the receiving Department for September FY2017. The following page shows the reimbursable fund amendment and identifies the Departments receiving and contributing funding, the amount of the funding and a brief justification for the amendment.

2-C-MOD. UNIVERSITY OF MARYLAND, COLLEGE PARK
The Edward St. John Learning & Teaching Center
Construction Contract Modification

Contract ID: Construction Management at Risk Services for The Edward St. John
Learning and Teaching Center
Contract No. B-400236-K

Recommendation: The University recommends approval of the construction modification to
install audio-visual equipment at the Edward St. John Learning & Teaching Center.

Contractor: Clark Construction Group LLC, Bethesda, MD

Prior Approval:
- USM Item 4-C (8/22/2012) (pre-construction services)
- USM Item 3-C MOD (5/14/2014) (Bid Package 1)
- USM Item 8-C MOD (6/18/2014) (Bid Package 2)
- USM Item 9-C MOD (2/18/2015) (Bid Package 3)
- USM Item 3-C-BP (5/13/2015) (Bid Package 4)
- USM Item 4-C-BP (12/2/2015) (Bid Package 5)

Project: The Edward St. John Learning and Teaching Center, a state-of-the-art instructional
classroom, the Academy for Innovation and Entrepreneurship, IT classroom technology services
unit, Center for Teaching Excellence, and study/lounge spaces. The University anticipates the
final value of the construction contract will be $102.3 million. The University estimates the
overall project cost at $121.2 million.

Modification Description: Furnish and install state-of-art teaching classroom instructional and
audio-visual equipment.

Original Term: 8/22/2012 – 6/23/2018
Modification Term: 10/20/2016 – 2/28/2017
Current Contract Amount: $96,844,330
Modification Amount: $3,735,917
Revised Total Amount: $100,580,247
2-C-MOD. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont’d)
The Edward St. John Learning & Teaching Center
Construction Contract Modification

Original Procurement Method: Competitive Sealed Proposals

Funding: Institutional Funds

MBE Participation: 30%
   Subgoals of: 7% African American
   4% Asian American

MBE Compliance: 21.94%

Performance Security: Equal to contract amount

Requesting Institution Remarks: Due to the complexity of constructing and equipping state-of-art teaching facilities and the coordination required for proper installation during the construction period, the University requires that construction managers provide and install this equipment (built-in equipment). Clark has completed the trade contractor bidding for the audio-visual equipment package and has submitted an acceptable modification for this work. MBE participation on this modification totals 18.2%.

3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK
Brendan Iribe Center for Computer Science and Innovation
Construction Management at Risk: Bid Package 2 of 4

Contract ID: Construction Management at Risk Services for the Brendan Iribe Center for Computer Science and Innovation
Contract No. 12010 / RFP #84911-B

Recommendation: Award Bid Package 2 to The Whiting Turner Contracting Company

Contractor: The Whiting Turner Contracting Company, Greenbelt, MD

Prior Approval: USM Item 11-C (June 3, 2015) (pre-construction services)
USM Item 2-C-BP (June 8, 2016) (Bid Package 1)

Project: The Brendan Iribe Center for Computer Science and Innovation at the University of Maryland, College Park will house the Department of Computer Science and the University of Maryland Institute for Advanced Computer Studies. The Center will support the growth of the department teaching and research programs, facilitate the integration of modern teaching and research activities, improve the ability of students and faculty to collaborate, and promote collaboration with industrial and community partners. This project will contain office, instructional and research space, including state-of-the-art hacker/maker space in which students, faculty, and outside partners share knowledge and ideas via workshops, presentations and lectures.

The University anticipates it will present to the Board two additional bid packages to be awarded to the contractor for the remaining phases of work. The University anticipates the final value of this contract will be approximately $122 million.

The overall project estimate is $142.5 million.

Bid Package Description: Bid Package 2 includes structural concrete, structural steel, elevators, and underslab plumbing. Remaining phases of work will be awarded in future bid packages.

Contract Term: 24 months for construction

This Bid Package Amount: $ 17,726,804

Current Contract Amount: $ 6,344,429
3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont’d)

BOARD OF PUBLIC WORKS

THIS ITEM WAS:

APPROVED WITH DISCUSSION

DISAPPROVED

DEFERRED WITHOUT DISCUSSION

WITHDRAWN
4-RP.  UNIVERSITY OF MARYLAND, COLLEGE PARK

**Real Property Surplus Declaration**

**Recommendation:** That the Board of Public Works approve the University of Maryland, College Park declaring approximately 0.85 acres of unimproved University land surplus for the purpose described in this Item.

**Property:**
Approximately 0.85 acres
7505 and 7511 Yale Avenue, College Park

This property is bounded by Yale Avenue to the west; University property (Fraternity Row) to the north; single family homes to the east; St. Andrews Episcopal Church to the south. The University acquired this property in 1981 from Hillel.

**Plan:** The University seeks to declare this property surplus so it may be part of a proposed land swap with the Ben and Esther Rosenbloom Hillel Center for Jewish Life at University of Maryland, Inc. The new owner would use the property to develop a new and expanded Hillel Center for Jewish Life. The University proposes a simultaneous, fee-simple exchange of this property for real property owned by Hillel located at 7612 Mowatt Lane in College Park (improved by a 20,000 square foot building).

**Requesting Institution Remarks:**

1. On April 15, 2016, the University System of Maryland Board of Regents approved an exchange of the property to Hillel to allow development of a new 40,000 sf Hillel Center for Jewish Life.
2. The Clearinghouse conducted an intergovernmental review of the project under MD20160822-0755. By a letter dated September 28, 2016, it has recommended to declare the Property surplus to the State, and to transfer the Property to Hillel as part of the land swap described above.
3. The University will return to the Board for approval to subdivide the vacant property and to enter into the exchange agreement with Hillel. Closing will not take place until Hillel has all funding, development approvals and permits in hand for the proposed new Hillel Center.
4. Following closing, Hillel will leaseback the Mowatt Lane property from the University for up to 24 months at a monthly rent of approximately $12,700, pre-paying the first year’s rent at closing. Hillel shall lease the property “as is, where is,” paying all utilities, taxes, insurance and operating expenses, and shall continue to make all ordinary repairs if and as needed.
(5) The University will also enter into a license agreement granting Hillel a non-exclusive use of a small tract of unimproved land adjacent to the Yale Avenue property to allow Hillel a construction staging area and, after completion of the Hillel project, for incidental uses such as outdoor events. The University will reserve the right to terminate this license at any time, with 60 days’ notice.

(6) To account for a difference in the fair market value of the two exchange parcels, the University proposes to pay Hillel $500,000 at closing assuming Board of Public Works approval of the property exchange.
1-IT. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

**Contract ID:** Software Maintenance and Enhancement  
ADPICS BPO No.: S00B7400009

**Description:** Software maintenance and enhancement services for DHCD’s single-family loans computer application.

**Award:** Emphasys Software, Miami, FL

**Term:** 11/1/2016 – 10/31/2017 (One year base with two, 1-yr options)

**Amount:**  
$300,000 (base year)  
$300,000 (option year 1)  
$300,000 (option year 2)  
$900,000

**Procurement Method:** Sole Source

**MBE Participation:** None

**Remarks:** Contractor’s software system is a proprietary application that supports DHCD’s single family origination and finance programs. DHCD is using the most current version of the Emphasys software, which is a modern software solution used by housing finance agencies for revenue bonds, lending and insuring of single family loans. This contract provides maintenance of the current AOD software system (AOD stands for Application Oriented Design) and for future enhancements and training of DHCD staff, if requested.

Initially, DHCD procured the AOD software applications through a competitive procurement in 1985. Since then, DHCD has contracted with Emphasys (or its predecessor) for continued maintenance, enhancements and additional applications and training to meet the needs of DHCD’s business practices as they are updated.

The AOD applications licensed to DHCD are proprietary applications for which Emphasys holds the source code and owns the intellectual property rights. DHCD is in the process of re-procuring this solution, but until that process is completed, DHCD requires maintenance, technical support, and enhancements to the current software applications be performed by Emphasys.
Remarks: (cont’d)

DHCD is requesting a one year contract, with two, one-year renewal options to cover the time frame during the RFP and any related transition time. The costs for this multi-year contract for annual maintenance and support would be capped, remaining flat over this three-year period.

The DHCD Procurement Review Group has determined that due to the proprietary nature of the Emphasys software, there is no MBE participation for this contract.

**Fund Source:** Special

2-IT. DEPARTMENT OF INFORMATION TECHNOLOGY

Contract ID: Cable and Wiring Materials and Services
Inside and Outside Plant
ADPICS BPO No.: 060B6400046

Contract Description: Multiple-award Master Contracts to provide Statewide cable and wiring materials and services for inside and outside applications in two functional areas.

Award: 26 Master Contractors (See page 5D)

Term: 10/19/2016 – 10/18/2021 (Five years from notice to proceed)

Amount: $35,000,000

Procurement Method: Competitive Sealed Proposals

Proposals: 26 offerors (See page 5D)

MBE Participation: 20%

Remarks: A notice of the availability of the Request for Proposals was advertised on DoIT’s website, eMarylandMarketplace.com, and 814 vendors were directly solicited. A total of 26 proposals were received; all were deemed reasonably susceptible of being selected for award and are recommended for award to receive a Master Contract. Of these, 23 are Maryland resident businesses and 11 are MBEs.

This Cable and Wiring Materials and Services Master Contract replaces the soon-to-expire Cable and Wiring Master Contract that provides both inside and outside cable and wiring services. This new Master Contract will provide State agencies with greater flexibility of obtaining cable and wiring materials and services quickly and efficiently by issuing Purchase Order Requests for Proposals and Task Order Requests for Proposals specific to their needs.
2-IT. DEPARTMENT OF INFORMATION TECHNOLOGY (cont’d)

Remarks: (cont’d)

This Master Contract encompasses the two functional areas listed below:

- Functional Area I  Structured Cable & Wiring
- Functional Area II  Installation, Relocation, and Preventive and Routine Maintenance of Outside Plant Fiber Optic and Communication Cables

Master Contracts are recommended to 24 contractors in Functional Area I and 16 contractors in Functional Area II. There will be a second level of competition through Purchase Order Requests for Proposals and Task Order Requests for Proposals sent to all Master Contractors within the appropriate functional area.

This procurement vehicle was designed to provide State agencies with a wide selection of Master Contractors who offer an extensive variety of cable and wiring materials and services. As a result of the awards from this solicitation, State agencies will obtain materials, equipment, maintenance and installation/repair services quickly and efficiently and specifically to agencies’ needs. This contracting vehicle is also available to Maryland local and county government jurisdictions.

The ceiling for this contract is $35 million dollars. A review of the existing contract showed that agencies have spent over $28 million. An additional $7 million is needed to provide enough of a ceiling for additional spending over the five-year term of the contract. This additional spending will primarily be used for the inclusion of inside cable wiring in this new contract.

An MBE subcontracting goal of 25% applies to each individual Task Order Request for Proposals for Functional Area II. The MBE goal was applied only to Functional Area II because Functional Area I involves the provision of materials and equipment, which does not afford any subcontracting opportunities. Functional Area II makes up 80% of the anticipated value of the Master Contract, which results in an overall 20% MBE goal on the total contract.

3-IT. MARYLAND INSURANCE ADMINISTRATION

Contract ID: Content Management, Support Services and Disaster Recovery Hosting
ADPICS BPO No.: D80P4400256

Contract Description: RETROACTIVE
Website Disaster Recovery Service and Content Management

Awards: CrownPeak Technology, Inc.
Los Angeles, CA. 90016

Term: 01/01/2014 – 12/31/2014

Amount: $ 63,455

Procurement Method: Sole Source

MBE Participation: None

Remarks: Reference is made to Secretary’s Agenda Appendix A4 (3/23/16) in which the Board of Public Works accepted the report of an emergency contract between the Maryland Insurance Administration and CrownPeak Technology, Inc. for continued disaster recovery and content management services. As stated in the Report, the Office of the Attorney General determined that the Insurance Administration did not obtain prior approval from the Department of Information Technology for a purchase order with CrownPeak for services provided between January 1, 2014 and December 31, 2014, and that “retroactive approval of the 2014 purchase order will be requested in a future Board of Public Works Action Agenda.” This current Item is that request.

Retroactive approval is being requested of a contract for the content management, support services and disaster recovery hosting contract that the Insurance Administration held with CrownPeak for during calendar year 2014.

The Insurance Administration did not realize that its former Procurement Officer failed to complete the procurement process with accuracy and appropriate approvals. Since the 2014 contract was secured, the agency has hired two new Procurement Officers and the Deputy Commissioner now directly oversees procurement. The agency implemented this change in procedure so that there will be more oversight in the areas of procurement, budget and finance. Current staff is aware of procurement requirements and are taking the necessary steps to ensure this does not happen again.
3-IT. MARYLAND INSURANCE ADMINISTRATION (cont’d)

DoIT Remarks: Recommend retroactive approval pursuant to Section 11-204(c), State Finance & Procurement Article, Annotated Code of Maryland. DoIT has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

4-IT.  STATE BOARD OF ELECTIONS

**Contract ID:** Independent Automated Post-Election Audit Method – 2016 General Election
ADPICS BPO No.: D38B7400006

**Contract Description:** Provide independent and automated solution to verify accuracy of State voting system. Services include preparing software to tabulate all ballot combinations used in 2016 General Election, tabulating electronic images of all voted ballots, and comparing results from voting system to results from audit software.

**Award:** Clear Ballot Group Inc.

**Term:** 11/2/2016*- 03/31/2017
*or earlier upon BPW approval

**Amount:** $275,000

**Procurement Method:** Sole Source

**MBE Participation:** None

**Remarks:** Post-election tabulation audits are used to verify and confirm the accuracy of a voting system's results, which serves to increase public confidence in election results, election administration, and the democratic process. Auditing voting system results is recognized as a best practice in election administration and was recommended by the Presidential Commission on Election Administration.

After the 2016 Primary Election, the Board of Elections conducted a pilot program to evaluate post-election tabulation audit methods and select the most cost-effective, efficient and accurate audit method for use after the November 2016 General Election. After evaluating the findings from the pilot, the Board of Elections decided to use Clear Ballot’s independent automated audit solution in the 2016 General Election. Clear Ballot’s audit method maximizes the use of technology in in election administration, eliminates human errors, and provides the most visual and transparent presentation of audit results, which can then easily be shared with candidates and the public, in real time.
4-IT. STATE BOARD OF ELECTIONS (cont’d)

Remarks: (cont’d)

The Board of Elections conducted extensive market research on independent, automated audit solutions for voting systems and recommends a sole source contract for the 2016 General Election with Clear Ballot. In December 2015, the Board of Elections issued a Request for Information on eMarylandMarketplace and directly contacted possible vendors. Out of the three responses received, one vendor’s system was not yet built and another respondent is the manufacturer of the State’s voting system. Clear Ballot’s product was the only solution that met the independent and automated requirements, and additional market research continues to confirm this.

This software, known as ClearAudit, is proprietary to Clear Ballot. There is no subcontracting opportunity available where a vendor could be brought in to provide a portion of the capabilities for this audit. Also, the Board of Elections has not identified any subcontract opportunity for the scope work for the pilot program.

5-IT-MOD. COMPTROLLER OF MARYLAND

Information Technology Division

Contract ID: Disaster Recovery Services
ADPICS BPO No.: E00B3400022, COG94501

Contract Approved: DoIT Item 1-IT (9/19/2012)

Contractors: Recovery Point Systems, Inc., Gaithersburg, MD

Contract Description: Provide mainframe disaster recovery – Hot Site, Cold Site, Electronic Vaulting and Consulting Services for the Annapolis Data Center.

Modification Description: Ensure access to disaster recovery equipment and services that mirror the current hardware and software configurations recently upgraded.

Original Contract Term: 9/19/2012 – 9/18/2017 (5-years base, with 2 one-year options)

Modification Term: 12/8/2016 – 9/18/2017

Original Amount: $1,542,645

Modification Amount: $ 107,676

Prior Mod/Option Amount: $ 152,064 (DoIT Item 1-IT-MOD [9/17/14])
$ 34,280 (DoIT authority)

Revised Total Contract Amount: $1,836,665

Percent +/- (This Modification): +6.98%

Overall Percent +/-: +19.06%

Original Procurement Method: Competitive Sealed Bids

MBE Participation: 15%

MBE Compliance: 8.3%
5-IT-MOD.  COMPTROLLER OF MARYLAND (cont’d)

Remarks: Due to the recent upgrade of the mainframe computer at the Annapolis Data Center, a modification to the disaster recovery contract is also required to ensure access to disaster recovery equipment and services that mirror the current hardware and software configurations recently upgraded. This modification is within the scope of the contract and is the most appropriate venue to procure the additional level of services. Additional support is needed due to the installation of a new IBM mainframe computer. Recovery Point will coordinate the performance of these additional services with the existing services to deliver miscellaneous reports in an efficient and timely manner and fulfill the need for continuity of operations for all State agencies.

- Additional 255 mainframe MIPS (each one MIP on IBM Enterprise class mainframe server with eight GB memory, OSA Express Ports and eight FICON Ports);
- Additional 151 GBs of mainframe storage (in one GB memory increments for IBM mainframe), On-Floor Storage Systems;
- Additional 82 TBs DS8870 mainframe storage (in one TB increments) IBM 2424-961 DS8870 System Storage with TKLM encryption enablement in one TB usable increments.

$180,000 (OPT2 - DoIT Item 6-IT-OPT [7/16/15])

**Revised Total Contract Amount:** $909,000

**Percent +/- (This Modification):** +52.5%

**Original Procurement Method:** Competitive Sealed Proposals
6-IT-MOD.  DEPARTMENT OF HEALTH & MENTAL HYGIENE (cont’d)

**MBE Participation:** 5%

**MBE Compliance:** 5%

**Remarks:** This contract is driven by the federally-mandated Health Insurance Portability and Accountability Act (HIPAA), which affects the conduct of the State’s Medicaid Program in its mandated pursuit of standards to promote increased administrative efficiency. The recommended contractor will provide services to operate Maryland’s Medicaid telephonic Eligibility Verification System.

The Eligibility Verification System is a telephone inquiry system that enables Medicaid health care providers to verify a Medicaid recipient’s current eligibility status. The system is available 24 x 7 x 365 and processes approximately 240,000 verification calls monthly.

Maryland has provided these services to the provider community since 1991. A survey was conducted with the Medicaid provider community and the results indicated that only a small subset of providers still use the antiquated telephonic system. With the implementation of a web-based, electronic, transaction-based eligibility verification system several years ago, DHMH determined not to re-solicit a contract to provide telephonic, eligibility verification services.

Due to objections from the Maryland Hospital Association on DHMH’s decision to cancel these services, DHMH decided to solicit for a vendor to continue to provide telephonic services. This modification to extend the current contract is necessary to continue providing Medicaid Eligibility Verification System telephonic services to the provider community while DHMH solicits a vendor to provide these services under a new contract.

<td>House Bill 1499, Chapter 419 of the 2013 Legislative Session allowed counties to implement a public financing program with State oversight. Montgomery County enacted a public financing program for the offices of the County Executive and County Council for the 2018 Election. The County is not equipped with the technical and legal requirements to sufficiently administer the program, and additional development hours are required for this contract to provide the proper oversight.</td>
</tr>
</tbody>
</table>
**7-IT-OPT. STATE BOARD OF ELECTIONS** *(cont’d)*

**Revised Total Contract Amount:** $2,009,675

**Original Procurement Method:** Competitive Sealed Proposals

**MBE Participation:** 5%

**MBE Compliance:** 5.2%

**Remarks:** SBE is requesting to exercise the third of four available option periods for this contract. The Candidacy and Campaign Finance Division oversees the campaign finance reporting and contribution disclosure report for persons doing public business. The Campaign Finance Reporting and Management System (CFRMS) has met all expectations to provide the public with full and complete disclosure of campaign finance reporting.

PCC Technology Group has just implemented a new public financing module for the Montgomery County council and executive elections. It is expected that high interest from the media, public and candidates will be on the administration of the program.

Furthermore, it is cost effective to maintain the current filing system than to procure and transition into a new one. Currently, there are over 2,000 active political committees, 635 persons doing public business and millions of records in the current database. The hosting and O&M rate for CFRMS/MDCRIS has not increased since the original procurement in May 2011.

The purpose of this contract was to obtain and implement a commercial-off-the-shelf browser-based campaign finance reporting and management system. Since its implementation, the contract has provided an online filing solution for campaign committees, an online searchable campaign finance database for the public and press, and an account management system for the agency to send notifications, track late fees, and generally manage campaign finance activities.

CFRMS replaced the legacy campaign finance management and reporting system, ELECTrack EFS, used by SBE and its filers that was developed and put into production in November 1999. The need to replace the legacy system was based on improving functionality and usability for external and internal users.

**DBE Participation:**
- 24% for Contracts B, D, E, H, I J and K
- 25% for Contract A

**Requesting Agency Remarks:**
The solicitation was advertised in The Daily Record, eMaryland Marketplace notifying 735 firms, of which 133 were certified DBEs and on SHA’s web page on February 20, 2015. A total of 16 engineering consultant firms submitted technical proposals for this project.

The Consultant shall provide the following: perform detailed structures condition inspections of routine and complex structures including underwater inspections and evaluations, load ratings, analyses, nondestructive testing, and all engineering services necessary to prepare designs, plans and specifications for repairs for structures including structures with movable spans and spans over electrified railroads of assigned State, County and Local Jurisdiction structures; perform hands-on inspections of all structure components; perform field load testing and analysis to determine actual live load distributions, composite / non-composite action, etc., to be used in determining load ratings; investigate for factors that would affect the life and/or safety of the structures or components in question; provide recommendations for repairs or replacement of components to current engineering codes and standards and develop recommended repairs, perform site investigations, and take field measurements, Statewide.

Though the established DBE goal for these contracts is 24%, Whitman, Requardt and Associates, LLP proposes to exceed the goal by 1% proposing a DBE participation plan of 25% on Contract A.
1-AE.  STATE HIGHWAY ADMINISTRATION (cont’d)

Agency Remarks (cont'd):

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in Board Advisory 1995-1.

**DBE Participation:** 10%

**Requesting Agency Remarks:** The solicitation was advertised in The Daily Record, eMaryland Marketplace notifying 731 firms of which 126 were certified DBEs and on SHA’s web page on February 13, 2015. A total of 8 engineering consultant firms submitted technical proposals for this project.

The Consultant shall provide, but not limited to, the following services: provide a range of environmental investigations including Phase I and Phase II Property Site Assessments, environmental mitigation, property, groundwater quality assessment, air quality assessment for hazardous materials, engineering geologic assessments, vibration assessment and monitoring, geologic investigations, geohazard investigation and provide technical support in all phases of project delivery and in support of the Maryland State Highway Administration (SHA) operations; perform occupational area studies for asbestos and other potential contaminates that impact worker safety or public health; prepare reports for each assignment which will include observations, test data, comprehensive interpretations, images, plans, contract specifications and cost estimates as appropriate, sample collections (surface and subsurface); geophysical surveys; environmental laboratory testing; preliminary design engineering; preparation of contract documents; and technical construction supervision and engineer estimates.

Though the established DBE goal for these contracts is 10%, KCI Technologies, Inc. proposes to exceed the goal by 2% proposing a 12% DBE participation on Contract C; Gannett Fleming, Inc. proposes to exceed the goal by 0.10% proposing a 10.10% DBE participation plan on Contract D; and Skelly and Loy, Inc. proposes to exceed the goal by 2.76% proposing a 12.76% DBE participation on Contract E.

The current incumbents performing these services are: Michael Baker International, Inc., KCI Technologies, Inc., and AECOM Technical Services, Inc.
2-AE.  STATE HIGHWAY ADMINISTRATION (cont’d)

Remarks (cont’d):

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in Board Advisory 1995-1.

MARYLAND TRANSPORTATION AUTHORITY
Construction Contract

Contract ID: PB-3003  (Building 2330 Renovation)

Contract Description: This contract is for the complete interior renovation and extensive exterior envelope rehabilitation of the building located at 2330 Broening Highway, Baltimore, MD.

Award: Tech Contracting, Inc.
Baltimore, MD

Contract Term: 455 Calendar Days from Notice to Proceed

Amount: $6,976,682

Procurement Method: Competitive Sealed Bidding

Bids:
- Tech Contracting, Inc.
  Baltimore, MD
  $6,976,682
- Desbuild Incorporated
  Baltimore, MD
  $6,997,000

MBE Participation: 31.23%

Performance Security: Performance and Payment Bond at 100% of the Contract Amount

Incumbent: No

Requesting Agency Remarks: The Engineer’s Estimate for this contract was $7,162,341.90; 2.59% higher than the apparent low bid.

This Solicitation was advertised on eMaryland Marketplace on May 3, 2016, and reached 1,170 companies, of which 162 were certified MBE firms, 114 were Small Business Enterprises and 30 were MBE/SBE firms. In addition, 26 firms were directly solicited via email along with GOMA and Veterans Affairs. Two responsive bids were received.

This contract is for the complete interior renovation and extensive exterior envelope rehabilitation of the building located at 2330 Broening Highway, Baltimore. The scope of work also includes the removal and/or replacement of sidewalks and paving, utility installation, and reconfiguration of storm drain, sanitary sewer, and fire service piping around the building.
3-C. **MARYLAND TRANSPORTATION AUTHORITY** (cont’d)

*Agency Remarks (cont’d):*

In that only two bids were received, No Bid forms were requested from potential bidders who either attended the Pre-Bid Meeting, or downloaded the IFB in eMaryland Marketplace to determine why they did not bid. Six responses were received, and the following reasons were provided: Other commitments precluded them from bidding and this time; the MBE requirements were very difficult to accomplish with this scope of work and with the paperwork requirements for the project itself and the competition, they could not dedicate adequate resources to properly complete this project and be profitable; the bonding/insurance requirements exceeded their aggregate limits; time allotted for completion of the bid was insufficient; and the scope was beyond their capabilities.

There is an allowance of $650,000 for Miscellaneous Construction included in the Invitation for Bids (IFB). This allowance will only be used if necessary and with prior approval of the Engineer.

Tech Contracting, Inc. has satisfactorily performed work on prior MDTA projects.

*Fund Source:* 100% Toll Revenue

*Approp. Code:* 29.10.02.01

*Resident Business:* Yes

*MD Tax Clearance:* 16-2861-0111

**Construction Contract**

**Contract ID:** PB-3005  (On-Call Facility Repairs)

**Contract Description:** This contract provides labor, equipment, materials, etc., necessary in performing miscellaneous Facility and other types of repairs, upgrades, replacements and new construction at the Maryland Transportation Authority Headquarters facility located in Baltimore, MD. This work may also be performed on any portion (facility and all appurtenances) of any of the MDTA’s facilities.

**Award:** Brawner Builders Inc.  
Hunt Valley, MD

**Contract Term:** 1460 Calendar Days from Notice to Proceed

**Amount:** $1,500,000 NTE

**Procurement Method:** Competitive Sealed Bidding

**Bids:**
- Brawner Builders, Inc.  
  Hunt Valley, MD  
  $1,613,645
- JLN Construction Services, LLC  
  Baltimore, MD  
  $1,829,791

**MBE Participation:** 19%

**Performance Security:** Performance and Payment Bond at 100% of the Contract Amount

**Incumbent:** None

**Requesting Agency Remarks:** The Engineer’s Estimate for this contract was $1,499,996.84, 7.58% lower than the apparent low bid.

This Solicitation was advertised on eMaryland Marketplace on June 1, 2016, which notified 1,177 companies, of which 158 were certified MBE firms, 122 were Small Business Enterprises and 31 were MBE/SBE firms. In addition, 39 firms were directly solicited along with GOMA and Veterans Affairs. Two responsive bids were received.
4-C.  MARYLAND TRANSPORTATION AUTHORITY (cont’d)

Agency Remarks (cont’d):

The Scope of Work includes providing labor, equipment, materials, etc., necessary in performing miscellaneous Facility and other types of repairs, upgrades, replacements and new construction as directed by the Project Manager. This work may be required on any portion (facility and all appurtenances) of any of the MDTA’s facilities.

In that only two bids were received, No Bid forms were requested from potential bidders who either attended the Pre-Bid Meeting, or downloaded the IFB in eMaryland Marketplace to determine why they did not bid. Seven responses were received and provided the following reasons:
- the subject of the solicitation is not something we provide;
- other commitments precluded them from bidding and this time;
- there were other contracts bidding at the same time and they had to choose; and
- they were not aware of the bid.

There are allowances of $30,000.00 for Specialized Contractors, $13,580.00 for Specialized Equipment for Facility Repairs, $7,000.00 for Premium Overtime Labor Rate, $300,000.00 for Facility Materials and Incidents, and $10,000.00 for Miscellaneous Repairs and Modifications included in the Invitation for Bids (IFB). These allowances will only be used if necessary and with prior approval of the Engineer.

Brawner Builders, Inc. has satisfactorily performed work on prior MDTA projects.

5-C. MARYLAND TRANSIT ADMINISTRATION
Construction Contract

**Contract ID:** MTR-15-032-EQ (Metro Mainline Third Rail Heater System)
ADPICS No.: MTR15032EQ

**Contract Description:** Supply and installation of a new third rail heater system on the Maryland Transit Administration’s (MTA) Metro Subway line.

**Awards:**
- Brawner Builders, Inc.
  Hunt Valley, MD

**Contract Term:** 11/03/2016 – 11/02/2018

**Amount:** $3,538,648

**Procurement Method:** Competitive Sealed Bidding

**Bids/Proposals:**
- Brawner Builders, Inc. $3,538,648
  Hunt Valley, MD
- C3M Power Systems, LLC $3,656,600
  Bethesda, MD
- Mona Electric Group $4,686,850
  Clinton, MD
- Vanalt Electrical Group $5,375,679
  Yeadon, PA

**MBE Participation:** 6.8%

**Performance Security:** Performance and Payment bonds for 100% of the award amount

**Incumbent:** N/A

**Agency Remarks:** The Engineer’s Estimate for this contract was $3,277,700. The low bid received is $260,948 or 8% over the Engineer’s Estimate.

The Solicitation was advertised in eMaryland Marketplace and MTA’s website. Four hundred and eighteen potential contractors were notified about this contract on eMaryland Marketplace, of which seven are Minority Business Enterprises and two are Small Business Enterprises. Four vendors were directly solicited.
5-C. MARYLAND TRANSIT ADMINISTRATION (cont’d)

Agency Remarks (cont’d):

This contract is for replacement of the existing, antiquated MTA Metro mainline third rail heater, also known as the contact rail heater that has been in service for 30 years, with an updated energy efficient, reliable system that can be remotely controlled and monitored. The heater system is necessary on the above ground mainline network to prevent ice build-up during snow conditions, which could insulate the train from high voltage power, disabling train operation.

The work to be performed includes installation of 28 control cabinets; 33,000 linear feet of heater element; cable; power fuse boxes; surge protection; and peripheral electrical equipment. In addition, system manuals and training of MTA key personnel will be provided; and testing of the new system will be performed to ensure complete operational service in compliance with all railway and railroad codes and standards.

On March 9, 2016, a protest was submitted by C3M Power Systems, LLC (C3M), based on the grounds that Brawner Builders, Inc. (Brawner) could not meet the requirements of the contract. A thorough review of the bid submission was performed and Brawner was found to be responsive and responsible to the requirements set forth in the Invitation for Bid. In addition, Brawner has confirmed their bid, their understanding of the scope of work, and is committed to completing the project as per the requirements. A Procurement Officer’s Final Decision dated, July 27, 2016; denied the protest and no appeal was filed with the Maryland State Board of Contract Appeals.

This contract is for 365 calendar days from NTP; however, an expiration date of November 2, 2018 has been established to provide for possible weather delays, administrative contract close out, and to keep the contract active during the initial warranty period.

A 6% MBE goal was established for this contract; however, Brawner Builders, Inc. will exceed the goal by 0.8%.

7-C-MOD. STATE HIGHWAY ADMINISTRATION
Modification – Construction Contract

Contract ID: GA2065229 (Construction of a New Salt Storage Barn, Equipment Building, Truck Washing & Fuel Island at the Administration’s Keyser’s Ridge Maintenance Facility Garrett County)
ADPICS No.: CO338291

Contract Approved: DOT Agenda 07/02/2014; Item 2-C

Contractor: Braddock Construction, LLC
Frostburg, MD

Contract Description: This Contract consists of the construction of new salt and truck storage facilities and other miscellaneous improvements at the Administration’s Keyser Ridge Facility in Garrett County.

Modification Description: Modification No. 4 is necessary to add additional time and contract authority for work needed due to unforeseen site conditions, as well as to address adjustments to the scope of work to find efficiencies with on-going challenges during winter weather events.

Original Contract Term: 07/14/2014 – 06/13/2017

Modification Term: 11/03/2016* – 03/01/2018 (*or earlier upon BPW approval)

Original Contract Amount: $9,964,800

Modification Amount: $555,121

Prior Mods/Options: $45,852 (Modification No. 1, DCAR 12/22/2014)
$2,678 (Modification No. 2, DCAR 06/17/2015)
$243,272 (Modification No. 3, 02/24/2016; 17-C-MOD)

Revised Contract Amount: $10,811,723

Percentage +/- Change: 0.46% (Modification No. 1)
0.03% (Modification No. 2)
2.44% (Modification No. 3)
5.57% (Modification No. 4, this agenda item)

Overall % Change: +8.50%

Original Procurement Method: Competitive Sealed Bidding
7-C-MOD.  STATE HIGHWAY ADMINISTRATION (cont’d)

MBE Participation:  9%

MBE Compliance:  6.98%

Requesting Agency Remarks:  Modification No. 4 is to increase contract authority for unforeseen conditions uncovered during the project. The additional work includes:

- Lower elevation and install of an upgraded corrugated polyethylene pipe;
- Revisions to the primary and secondary industrial drain field design after discussions with MDE;
- Additional ceiling support would be needed to stop a sag in the plywood ceiling of the salt bard lean-to. This will help increase safety and life expectancy of the plywood ceiling;
- An additional remote wall-mounted diesel fuel dispenser on the exterior of the fuel island building to accommodate refueling of the double wing snow plow trucks. This is to prevent potential damage to the new fuel island building due to tight clearance and poor visibility. This will also eliminate a round trip to SHA’s Oakland Shop for refueling, a distance of 54 miles;
- Analysis is needed to verify the drain field capacity that the designed wash cycles and projected water usage during summer and winter post-storm event operations;
- Add a Mobile Salt Brine Maker and Brine Filling Station to this contract with all associated plumbing and electrical modifications. This is to test the new continuous brine maker technology for reliability and maintainability in lieu of replacing the current technology with unproven technology. The current batch process maker remains in the contract instead or replacing with the continuous brine maker, which allows SHA to maintain operations in case the new technology does not prove reliable or takes too long for repairs. There is currently no in state capacity for service contracts for the continuous brine maker;
- Additional fire extinguishers and associated cabinets with signage as well as the relocation of lights to meet fire code;
- Adjust concrete bases for the proper operation of fourteen sectional garage doors to allow the doors to close properly on their tracks;
- Install three-phase 480 feeders for two fuel oil tank heaters that supply heat to the new truck and equipment buildings; and
- Install a temporary fence to secure the compound as a protective measure for the various SHA assets and materials stored on site.

All contractor prices were reviewed and accepted utilizing an independent Engineer’s Estimate.

**DBE Participation:** 21%

**Performance Security:** A Performance and Payment Bond equal to 100% of the total contract amount.

**Incumbent:** N/A
8-M. MARYLAND TRANSIT ADMINISTRATION (cont’d)

Requesting Agency Remarks: The Engineer’s Estimate for this contract was $4,592,120. The low bid received is $991,607 or 24.20% under the Engineer’s Estimate. The Engineer’s Estimate was based on limited track access time; however, prior to advertising the track access was significantly expanded to allow longer access time per night. The expanded track access allowed contractors to the lower bid prices relative to the Engineer’s Estimate. Manolis Painting, Inc. has confirmed their bid price and understanding of the scope of work.

The Solicitation was advertised on eMaryland Marketplace. A total of 1,569 potential contractors were notified about this contract on eMaryland Marketplace. A total of five vendors were directly solicited.

This three year contract is for the rehabilitation of various types of tunnel liners along the underground sections of the Metro line. The overall intent is to maintain Metro structures, including the tunnels, in a state of good repair. In addition to serving the interest of MDOT/MTA, this practice complies with the mandate of the FTA. Addressing water leaking through the joints and cracks in the liners and preventing the corrosive effects of such leakages, is a chief concern.

Mitchellville, MD

Buddy’s Window Washing Services, LLC $440,407
Baltimore, MD

Living Wage Eligible: Yes

MBE Participation: 0% (single element of work)

Performance Security: None

Incumbent: Merit Investment & Logistics, LLC
Baltimore, MD

Agency Remarks: The Engineer’s Estimate for this contract is $221,800. The low bid received is 2.10% over the Engineer’s Estimate. SHA has confirmed Merit Investment & Logistics LLC’s bid.

This contract was advertised on 7/5/2016 with bids opened on 8/4/2016. The solicitation was advertised in eMaryland Marketplace. Two hundred thirty six potential contractors were notified about this contract on eMaryland Marketplace; 31 of which were MDOT Certified MBE’s.

The apparent low bidder sent a letter to SHA dated August 12, 2016 requesting to withdraw their bid. That stated that they had, “miscalculations for the job completions.” Upon review, it was clear that the apparent low bidder’s prices showed miscalculations.

This open ended on-call contract consists of full width litter pick-up at various locations in the Owings Mills Shop Area of Baltimore County. Work activity includes removal of trash, litter and debris. Also included is the removal and clearing of debris from inlet grates along the shoulder.

Maryland Works granted SHA a waiver for litter pickup on March 8, 2016.

100% of the work will be performed by a Certified Small Business Reserve.

10-M-MOD. STATE HIGHWAY ADMINISTRATION
Modification – Maintenance Contract

Contract ID: 5280251416R (Highway Lighting Maintenance and Repairs at Various Locations in Anne Arundel County)
ADPICS No.: CO338290

Contract Approved: DOT Agenda 04/15/2015; Item 8-M

Contractor: Lighting Maintenance, Inc.
Linthicum, MD

Contract Description: This contract consists of providing maintenance and repairs of highway street lighting, exterior facility lighting, overhead sign lighting, bridge lighting, cable designation, cable fault locating and pole replacement, as well as maintenance of traffic to perform the repairs for Administration street lighting in Anne Arundel County.

Modification Description: Modification No. 1 is necessary to add additional contract authority for work needed until the new contract can be finalized.

Modification Term: 11/03/2016* – 12/31/2016 (*or earlier upon BPW approval)

Original Contract Amount: $1,656,164

Modification Amount: $452,500

Prior Mods/Options: None

Revised Contract Amount: $2,108,664

Percentage +/- Change: 27.32% (Modification No. 1)

Overall % Change: 27.32%

Original Procurement Method: Competitive Sealed Bidding

MBE Participation Goal: 100%

MBE Compliance: 100%
10-M-MOD. **STATE HIGHWAY ADMINISTRATION** (cont’d)

Requesting Agency Remarks: Modification No. 1 is to increase contract authority to keep up with the current maintenance schedule and repairs under this contract until SHA can finalize a new contract. SHA, in an effort to safely light areas throughout Anne Arundel County, utilized two crews for scheduled work. Usually SHA has a single crew providing these services at any given time. The second crew was determined to be necessary to quickly repair the lighting for the better of the public. SHA will continue to use the second crew, necessitating the additional contract authority for the remainder of the original contract term.

SHA anticipates awarding a new contract for these services in November.

11-GM. THE SECRETARY'S OFFICE
General/Miscellaneous: Certificates of Participation Refunding

Recommendation: That the Board of Public Works approve a request by the Department of Transportation (MDOT), made by the Secretary of Transportation, to participate in the issuance and sale by the Department of Certificates of Participation (Maryland Port Administration Facility Project) Refunding Series 2016 (“Refunding Certificates”) at a public sale to occur on or before December 31, 2016, as determined by the Secretary, taking into account then-current market conditions.

Amount: Refunding Certificates in an amount not to exceed $16,000,000

Maturities: Not to exceed 7.5 years

Method of Sale: Competitive Sale

Use of Proceeds: To refund the remaining maturities of the Certificates of Participation (Maryland Port Administration) Series 2006 (“Certificates”).

Background: In October 2000, MDOT issued Certificates in the par amount of $26,530,000 to finance the construction of a 225,000 square foot shed and additional improvements at the South Locust Point Terminal. Improvements included railroad tracks and a roll on/roll off ramp to accelerate product movement. The shed is for the storage of imported products, currently forest products. The original term of the Certificates was 18 years. Several agreements were involved in completing this transaction including a Conditional Purchase Agreement, under which purchase installments are paid by the State of Maryland from the Transportation Trust Fund in an amount equal to debt service payments on the Certificates, and a Trust Agreement with Bank of New York Mellon.

Requesting Agency Remarks: The refunding will result in a savings and reduced purchase installments for debt service, the amount of which will be determined as of the date of the sale of the Refunding Certificates. The estimated net present value savings using current market rates is $1.9 million or 11% of the refunded certificates.

Amendments to the Conditional Purchase Agreement and the Trust Agreement will be submitted to the members of the Board of Public Works for review and signature within a week of the sale date, currently scheduled for November 30th.

File # 4247

Recommendation: Approve purchase of property

Property: Salisbury Multi-Service Center Parking Lot
201 Baptist Street
Salisbury, MD
32,211 square feet of land +/-

Grantor: City of Salisbury
125 N. Division Street
Salisbury, MD 21801

Grantee: Department of General Services

Remarks: Approval is requested for the purchase of property located at 201 Baptist Street, Salisbury for $380,000.00. The property is used as a surface parking lot for visitors at the Salisbury Multi-Service Center, and contains a small portion of the Court House building. Reference is also made to item 7-RP approved by the Board of Public Works on 4/1/87, wherein approval was given for the option to purchase the property for $380,000 beginning June 1, 1996.

Price: $380,000.00

Fund Source: Salisbury District Court Multi-Service Center. Provide funds to acquire land for the Salisbury District Court/Multi-Service Center currently leased from the City of Salisbury (Wicomico County) MCCBL 2016/Item 107

Appraised Value: The purchase price for this property was established in the Ground Lease and option to purchase the property by the Board of Public Works as item 7-RP, approved on April 1, 1987, and therefore no appraisals were obtained.

### DEPARTMENT OF HEALTH & MENTAL HYGIENE

#### Recommendation:
Approve Easement Agreement

#### Property:
Rosewood Hospital Center

#### Grantor:
State of Maryland, to the use of the Department of Health & Mental Hygiene

#### Grantee:
Stevenson University

#### Remarks:
Approval is requested for an Easement Agreement on property identified as the Rosewood Hospital Center, Area 1 to Stevenson University for the purpose of constructing a footbridge and path to connect the Stevenson University Owings Mills campus to the recently acquired property which houses the new Stevenson University Sciences Building. A permanent easement of 0.43 acres +/- and a temporary construction easement of 0.012 acres +/- are being requested. In granting this easement, Stevenson University confirmed that all necessary permits from MDE and DNR had been received.

#### Price:
Deferred Consideration

#### Appraised Value:
$252,000
$252,000 - 9/2/16 - David Kelleher - Staff Appraiser

This easement is being conveyed with a request for deferred consideration in contemplation of the future disposal of Area 1 of the Rosewood property to Stevenson University to occur within three years from the date of easement agreement. An in-house staff appraisal was prepared to provide the BPW with a value for the easement area, however the property will be appraised by independent appraisals if the property is not acquired by Stevenson University within three years, as set forth below.

If Area 1 of the Rosewood parcel is not conveyed to Stevenson within 3 years from the date of the Easement Agreement, the actual value of the easement will be determined by the average of two independent appraisals to be acquired at that time as long as they do not differ by more than 30%. If they do, the parties shall select a third appraiser to act as a review appraiser and he/she will review the 2 appraisers and determine the fair market value. Stevenson University will be requested to pay fair market value for the easement area less the improvements they have constructed.
REAL PROPERTY

ITEM  8-RP (Cont.)

Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project under MD20160824-0772. It has recommended to grant a permanent access utility easement of +/- 0.43 acres; a temporary construction easement of +/- 0.012 acres; and a temporary Right of Entry Agreement to Stevenson University. Stevenson University plans to construct a pedestrian, concrete walkway and bridge that will cross a portion of the Rosewood Center property, and connect two (2) University campus areas. It is further recommended that the Maryland Department of Health and Mental Hygiene should consult with the Maryland Department of the Environment’s non-tidal wetlands and waterway construction staff, as well, as the Maryland Department of Natural Resources’ Forest Service staff at (410) 260-8511 concerning compliance with wetlands and forest conservation regulations.

**Recommendation**

Approval is requested for a new lease for the period May 1, 2016 through January 31, 2017 of 48,675 sf at a rental rate of $24.50, for a total 9 month rent of $894,403.13. Also, approval is requested for the payment of rent for the retroactive period that lapsed from May 1, 2016 to October 19, 2016 pursuant to the State Finance and Procurement Article 11-204(c)(1). The total amount of funds for the retroactive period is $558,967.95. The reason for the retroactive request stems from delays in negotiations with the Landlord, and the need to address concerns by both the Agency and Frederick County regarding the relocation of the facility and public transportation available to serve the clients at the new facility.
TENANT LEASE

ITEM 9-LT

Remarks
1. This is a lease extension to provide both using agencies more time to relocate. DHR’s new location was selected through a competitive public procurement. DPSCS selected its new location (under 2,500 sf) through competitive bidding without a public procurement. Both leases will be presented to the Board of Public Works for approval upon the completion of negotiations.

2. The increased rental rate of $24.50 for the extension period is the same rate that was provided in the proposal submitted by the landlord for a long term renewal. State Finance & Procurement Section 12-205, requires that the State not pay an annual rent that exceeds 15% of the fair market value of the leased premises. In accordance with this statute, DGS was unable to negotiate a new lease at this location when the rent proposal was increased from $13.75 to $24.50. Under the circumstances, the State needs the additional nine months to finalize leases and complete fit-up in order to move the agencies into their new locations. Consequently, this lease is the only viable alternative that the State has in moving the agencies to new locations.

3. This lease contains the standard 6 month hold over provision.

4. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 E., as authorized by COMAR 21.05.05.02D. The Department of General Services, in conjunction with the using Agency, recommends the approval of this item.

**Previous Board Actions**  
04/16/2014 – Item 6-LT

**Fund Source**  
100% General 17 ROO 5767 Obj. 0751

**Recommendation**  
Approval is requested for a two (2) year parking lease of 162 spaces at a rate of $130.00 per space for a total annual rent of $252,720. This parking lease renewal for a two (2) year term will expire on 10/31/2018 with no renewal option. Reference is made to item 6-LT, approved on 04/16/14, wherein the Board approved a two years and 6 months parking lease for the period 05/01/14 – 10/31/16 for 163 parking spaces with an option to renew for a two (2) year term.

**Remarks**
1. MSDE & MDVA had a total of 163 parking spaces which were relocated from 213 W. Fayette Street garage. MDVA closed its office and withdrew its only parking space, thus reducing the number of paid parking to 162 parking spaces.
2. The number of spaces complies with the 1:3 ratio established for this area.
3. The lease contains a termination for convenience clause.

Recommendation  Approval is requested for a three (3) year parking lease of 47 spaces at a rate of $55.00 per space for a total annual rent of $31,020.00, with one (1) renewal option for 2 years. The lease will be brought back to the BPW before exercising the future two year renewal option. Reference is made to item 7-LT-OPT, approved on 10/05/11, wherein the Board approved a five (5) year parking lease for the period 11/01/11 – 10/31/16 for 47 parking spaces. The prior agenda item dated 10/05/11 didn’t include a statement that the State had an option to renew.
TENANT LEASE

ITEM  11-LT (Cont.)

Remarks
1. These spaces have been used by employees of the Department of Labor, Licensing and Regulation (DLLR) located at 138 Baltimore Street and by employees of the Department of Assessments and Taxation (SDAT) located at 110 Baltimore Street.
2. Parking in downtown Cumberland where both DLLR and SDAT are located, consists of two city owned public parking garages and metered parking.
3. The rental rate will remain at $55/space/month through the 3 year lease term.
4. The lease contains a termination for convenience clause.
5. The agencies are in compliance with the 1:2 ratio established for this area.
6. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 E., as authorized by COMAR 21.05.05.02D. The Department of General Services, in conjunction with the using Agency, recommends the approval of this item.

ITEM 12-LT (Cont.)

Recommendation

Approval is requested for a two (2) year parking lease of 76 spaces at a rate of $130.00 per space for a total annual rent of $118,560.00, with one (1) renewal option. The lease will be brought back to the BPW before exercising the future renewal option. Reference is made to item 18-LT-OPT, approved on 09/03/14, wherein the Board approved a two year parking lease renewal for 39 parking spaces with no option to renew. Reference is also made to item 10-LT-MOD, approved on 05/13/15, for parking additional spaces to accommodate MSDE’s relocation of 37 fleet vehicles, which were parking at a surface parking lot located at 323-325 W. Baltimore Street, Baltimore City, which ceased operations.

Remarks

1. These spaces are used by employees of the OPC, PTAAB, MAIF, MSRP and DHMH located at 6 Saint Paul Street, Baltimore City for a total of 39 spaces and MSDE’s 37 fleet vehicles.
2. The lease contains a termination for convenience clause.
3. The agencies are in compliance with the 1:3 ratio established for this area.
4. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 E., as authorized by COMAR 21.05.05.02D. The Department of General Services, in conjunction with the using Agency, recommends the approval of this item.

<td>4,830</td>
</tr>
</tbody>
</table>

**Recommendation**
Approval is requested to modify the existing lease space by adding an additional 2,550 square feet of space to accommodate a call center that will include 25 full time staff. This request is also seeking approval for a new 10 year lease with the expanded square footage. The new lease is for 4,830 sf of office space at an average rate of $24.97 per square foot, and will begin on January 1, 2017 and terminate on December 31, 2026. The lease provides for one 5 year renewal option for which future BPW approval will be requested. Reference is made to item 14-LT approved on 3/20/13, wherein the Board approved a five year lease of 2,280 sf for the period 6/1/13 through 5/31/18, at an average rate of $19.58. The rental rate has increased due to the construction of the expanded work space for an additional 25 employees. The prior rental rate was below market and included construction expenses which the Landlord was able to wrap into a construction loan in order to keep the rental rate low. Unfortunately, for this request the Landlord will be covering the cost of the renovations directly and the rent has increased.
TENANT LEASE

ITEM 13-LT (Cont.)

Remarks
1. The Comptroller has occupied this location since June 1, 2013, providing taxpayer services to the residents of lower Eastern Shore.
2. The lease contains the standard 6 month hold-over provision.
3. The lease contains a termination for convenience clause.
4. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 E., as authorized by COMAR 21.05.05.02. The Department of General Services, in conjunction with the using Agency, recommends the approval of this item.

RECOMMENDATION That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

**Board of Directors of Empire Homes of Maryland, Inc.**

*Restoration Gardens 2 (Baltimore City)*

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, and capital equipping of the Restoration Gardens apartment building for at-risk youth, located in Baltimore City.”

$200,000.00

*Maryland Consolidated Capital Bond Loan of 2016 (LHI – Chapter 027, Acts of 2016), DGS Item G137; (SL-013-160-038)*

MATCHING FUND The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2018 and the Board of Public Works to certify a matching fund. The Board of Directors of Empire Homes of Maryland, Inc. has submitted evidence in the form of canceled checks and invoices that it has $197,971.12 in eligible expenditures and $66,251.38 in a financial institution for a total of $264,222.50 to meet the matching fund requirement for this project.

BACKGROUND

| **Total Project** | $7,172,110.00 |
| **16-G137 (This Action)** | $200,000.00 |
| **Local Cost** | $6,972,110.00 |

REMARKS

1. The grant agreement has been modified to include RG2, LLC as a “beneficiary” throughout the document.
2. This action is in accordance with the enabling legislation and complies with the tax-exempt bond provisions of the Internal Revenue Code.
3. The grant recipient shall consult with the Maryland Historical Trust pursuant to Sections 5A-325 to 328, *State Finance and Procurement Article, Annotated Code of Maryland*, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.

RECOMMENDATION That the Board of Public Works certify matching funds and enter into a
grant agreement for the following grant:

Board of Directors of the Samaritan Houses, Inc.
Samaritan House (Anne Arundel County)
“For the acquisition, planning, design, construction, repair, renovation,
reconstruction, and capital equipping of the Samaritan House project, located in
Anne Arundel County.”
$100,000.00
Maryland Consolidated Capital Bond Loan of 2015 (LSI – Chapter 495, Acts of 2015),
DGS Item G092; (SL-065-120-038)

MATCHING FUND The MCCBL requires the grant recipient to provide a matching
fund no later than June 1, 2017 and the Board of Public Works to certify a matching fund.
The Board of Directors of Samarian Houses, Inc. is utilizing the value of property as their
matching fund. The Department of General Services, Real Estate Office reviewed the
appraisal for 2610 Greenbriar Lane in Annapolis, and approved a value of $595,000.00 to
meet the matching fund requirement for this project.
