TO: Interested Persons in the Subject Application
for a State Wetlands License

RE: Tidal Wetlands Case No. 16-0525

You are receiving this letter because the Maryland Department of the Environment (MDE) has identified you as an interested person with respect to the Gianmarco Martuscelli application to the Board of Public Works for a tidal wetlands license. As you may know, this application seeks authorization from the Board of Public Works to construct a covered 1,000 square foot platform over the tidal waters of Back Creek. The platform will provide additional seating space for the existing marina-restaurant.

MDE has prepared a Report and Recommendation (R&R) for the Board of Public Works that recommends granting the license. A copy of the R&R is enclosed with this letter together with project plans, the public hearing report, and the summary of comments from the May 16, 2017 public meeting.

Please review the enclosed documents. If you take exception and would like new comments taken into account by the Board of Public Works, you must notify this office no later than **December 27, 2017**. (COMAR 23.02.04.08B(3)).

Written comments should be sent to: William Morgante, Wetlands Administrator
Maryland Board of Public Works
80 Calvert Street, Room 117
Annapolis, MD 21401 or to
bill.morgante@maryland.gov

After the deadline, we will notify you of the date of the Board of Public Works meeting at which the application is scheduled to be considered and let you know how to request a personal appearance at the Board meeting, if you desire. The Board meeting date to review this application is not currently set. (COMAR 23.02.04.09.)

Sincerely,

William Morgante
Wetlands Administrator
