TO: Vulcan Construction Materials, LLC And Persons Interested in the Subject Application for a State Wetlands License

RE: Tidal Wetlands Case No. 16-0889

You are receiving this letter because the Maryland Department of the Environment (MDE) has identified you as an interested person with respect to Vulcan Construction Materials' application to the Board of Public Works for a tidal wetlands license. As you may know, this application seeks authorization from the Board of Public Works to perform maintenance dredging and replace structures at a commercial waterfront facility on the Tred Avon River in Easton.

MDE has prepared a Report and Recommendation for the Board of Public Works that recommends granting the license, a copy of which is enclosed with this letter. Some of you provided correspondence outlining your concerns about this project, which we have reviewed. Thank you for taking the time to provide comments.

Please review the enclosed MDE Report and Recommendation. If you take exception and would like your comments taken into account by the Board of Public Works, you must notify this office no later than **October 10, 2017**. (COMAR 23.02.04.08B(3)).

Written comments should be sent to:	William Morgante, Wetlands Administrator Maryland Board of Public Works 80 Calvert Street, Room 117 Annapolis, MD 21401 or to
	bill.morgante@maryland.gov

After the deadline, we will notify you of the date of the Board of Public Works meeting at which the application is scheduled to be considered and let you know how to request a personal appearance at the Board meeting, if you desire. The Board meeting date to review this application is not currently set. (COMAR 23.02.04.09.)

Sincerely,

William Morgante Wetlands Administrator
