SUPPLEMENTAL

68-IT. INFORMATION TECHNOLOGY (continued)

Agency Remarks: MBE and VSBE participation were not established for this contract because there were no subcontracting opportunities.

Under Code of Maryland Regulations 21.05.13.06 D, secondary competition awards to master contractors may not exceed the period of performance of the particular master contract from which the secondary competition was solicited unless the master contract is modified to be extended for a period of time to allow for a task order to continue beyond the term of the original master contract, and that period of time is no longer than one-third of the base term of the original master contract. The contract was modified on April 1, 2025, to include the provision.
