MEETING SCHEDULED TO BEGIN AT 1 P.M.

BOARD OF PUBLIC WORKS

AGENDA LISTING FOR

JUNE 12, 2013

I. SECRETARY’S AGENDA ..................................................................................................................... 1-31

SUPPLEMENT A – Department of Natural Resources-Real Property .................. 1A-2A

SUPPLEMENT B - Budget & Management................................................................. 1B-112B

SUPPLEMENT C - University System of Maryland ....................................................... 1C-11C

SUPPLEMENT D – Department of Information Technology ................................. 1D-14D

II. DEPARTMENT OF TRANSPORTATION AGENDA .................................................. 1-41

III. DEPARTMENT OF GENERAL SERVICES AGENDA ........................................ 1-38
# ITEMS SUBMITTED ON THE SECRETARY’S AGENDA

**Department of Agriculture**  
- Maryland Agricultural Cost-Share Program Grants .................................................. 1-5

**Board of Public Works**  
- Fiscal Year 2014 Grants:  
  - Historic Annapolis Foundation .................................................................................. 6  
  - The Maryland Zoo in Baltimore .................................................................................. 7  
  - Maryland Science Center ............................................................................................ 8  
- Bonds ............................................................................................................................ 9-11

**Department of the Environment** .................................................................................. 12-13

**Department of Housing & Community Development** ................................................. 14-17

**Morgan State University** ............................................................................................ 18-21

**Department of Planning/Maryland Historical Trust** .................................................. 22

**Department of Public Safety & Correctional Services** .............................................. 23

**St. Mary’s College of Maryland** .................................................................................. 24-27

**State Retirement Agency** .......................................................................................... 28

**Stadium Authority** ..................................................................................................... 29

**Board of Public Works**  
- Wetlands Licenses ........................................................................................................ 30-31

**APPENDIX** .................................................................................................................. A1-A2

## SUPPLEMENT A - DEPARTMENT OF NATURAL RESOURCES REAL PROPERTY

- Program Open Space ......................................................................................................... 1A
- Maryland Environmental Trust ........................................................................................ 2A

## SUPPLEMENT B - BUDGET AND MANAGEMENT

- Service Contracts ........................................................................................................... 1B-68B
- Service Contracts Renewal Options .................................................................................. 69B-76B
- Service Contracts Modifications ...................................................................................... 77B-97B
- General Miscellaneous .................................................................................................... 98B-106B
- Service Contract ............................................................................................................ 107B-109B
- Service Contract Renewal Option .................................................................................. 110B-111B
- General Miscellaneous .................................................................................................... 112B

## SUPPLEMENT C - UNIVERSITY SYSTEM OF MARYLAND

- Construction Contracts and Options ............................................................................... 1C-4C
- A/E Service Contract ....................................................................................................... 5C-6C
- Construction Contract Renewal Option .......................................................................... 7C-9C
- General Miscellaneous .................................................................................................... 10C-11C

## SUPPLEMENT D – DEPARTMENT OF INFORMATION TECHNOLOGY

- Information Technology Contracts and Options .............................................................. 1D-14D
1. **DEPARTMENT OF AGRICULTURE**  
*Maryland Agricultural Cost-Share Program Grant Requests*

**Recommendation:** That the Board of Public Works approves funding a total of 18 individual grants under the Maryland Agricultural Cost-Share Program.

Total submission amount: $303,706

**Authority:** "Cost-Sharing - Water Pollution Control" Sections 8-701 to 8-705, Agricultural Article, Maryland Code; COMAR 15.01.05

**Remarks:** The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the requisite cost-share agreement and accepts the grant conditions.

Additional funds are requested for these projects to offset additional costs realized at the completion of the project. These additional costs are a result of design changes required based on site conditions encountered during construction, design changes to improve project effectiveness, or because the level of co-cost share funding originally anticipated was not available when the project was completed.

---

**BOARD OF PUBLIC WORKS ACTION:** The above referenced item was: **APPROVED**
3. **DEPARTMENT OF AGRICULTURE**  
*Maryland Agricultural Cost-Share Program Reversion Requests*

**Recommendation:** That the Board of Public Works approves the **REVERSION** of the remaining balances of 84 projects cancelled or completed in accordance with the guidelines of the Maryland Agricultural Cost-Share Program.

A. Total submission amount: **$393,698.40**

**Fund Source:** MCCBL of 2010/Item 10077: Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.

**Authority:** "Cost-Sharing - Water Pollution Control" Sections 8-701 to 8-705, Agricultural Article, Maryland Code; COMAR 15.01.05
4. BOARD OF PUBLIC WORKS
Grant - Historic Annapolis Foundation (HAF) – Fiscal Year 2014

Recommendation: That the Board of Public Works amend the grant agreement between the State and the Historic Annapolis Foundation to award fiscal year 2014 grant funds to HAF.

Amount: $602,000 (to be disbursed in equal quarterly installments)

Fund Source: Budget Bill, Chapter 423 (2014 Laws of Maryland) (Pages 12 and 245)

Background: The State of Maryland owns various historic buildings in the City of Annapolis which the State leases to HAF for one dollar in consideration for HAF operating and maintaining the buildings. State properties operated and maintained by HAF include the William Paca House and Gardens, the Shiplap House, The Barracks, and The Found House. The State has also provided an annual grant to assist HAF in caring for these State properties for more than thirty years.
5. BOARD OF PUBLIC WORKS

The Maryland Zoo in Baltimore – Fiscal Year 2014 Grant Funds

Recommendation: That the Board of Public Works amend the grant agreement between the State and the Maryland Zoo in Baltimore to award fiscal year 2014 grant funds to the Zoo.

Amount: $5,175,218
(first disbursement of $4,925,218 upon approval and second disbursement of $250,000 in April 2014)

Fund Source: Budget Bill, Chapter 423 (2014 Laws of Maryland) (page 12)

Authority: “Any payments due by the State for the Baltimore Zoo under a lease or sublease agreement shall be included in the annual budget for the Board of Public Works.” State Finance and Procurement Article, Section 10-206, Maryland Code.

BOARD OF PUBLIC WORKS ACTION: THE ABOVE REFERENCED ITEM WAS:

APPROVED  DISAPPROVED  DEFERRED  WITHDRAWN

WITH DISCUSSION  WITHOUT DISCUSSION
6.  **MARYLAND ACADEMY OF SCIENCES dba MARYLAND SCIENCE CENTER**

   **Grant – Maryland Science Center (MSC) – Fiscal Year 2014**

**Recommendation:** That the Board of Public Works enter into a grant agreement with the Maryland Academy of Sciences d/b/a Maryland Science Center as directed by the 2013 General Assembly.

**Amount:** $465,283 (to be disbursed in equal quarterly installments)

**Fund Source:** Budget Bill, Chapter 423 (2014 Laws of Maryland) (Page 12)

**Background:** This is a new grant that the General Assembly authorized to assist the Maryland Science Center in a refinancing necessitated by the expiration of its line of credit.
7. **BONDS**

The Treasurer recommends that the Board of Public Works adopt resolutions concerning the sale of State of Maryland General Obligation Bonds in book entry form for the purpose of funding the State’s capital program and refunding certain bonds; making certain determinations regarding the consolidation of loans, the methods of sale, and the structure of the bonds; authorizing the publication of the required Summary Notices of Bond Sale; and obligating the State of Maryland to provide continuing disclosure as required under applicable securities regulations and to comply with applicable provisions of the Internal Revenue Code. The total that will be offered for sale is up to $975,000,000* of both new money bonds for the capital program and refunding bonds.

**AMOUNT:** Up to $975,000,000*

**DENOMINATION:** $5,000 per bond, or integral multiples thereof

**MATUREILITIES:** To be determined by the Treasurer, not to exceed 15 years.

**TITLE:**
- State and Local Facilities Loan of 2013, Second Series, consisting of:
  - Second Series A - $435,000,000* Tax-Exempt Bonds (Competitive)
  - Second Series B - $40,000,000* Taxable Bonds (Competitive)
  - Second Series C - up to $500,000,000* Tax-Exempt Refunding Bonds (Competitive)

**FORM:**
- Second Series B - Taxable Bonds for the Capital Program.
- Second Series C - Tax-Exempt Refunding Bonds.

**METHODS AND TIMES OF SALE:**
- **Second Series A (Tax-Exempt)** - $435,000,000* - Competitive Sale
  - Public competitive sale of $435,000,000* in maturities and amounts to be determined by the Treasurer, on Wednesday, July 24, 2013, at 11:00 a.m., by electronic bid. Provided, however, depending upon market conditions and at the discretion of the Treasurer, the sale of the Second Series A Bonds may be postponed and may instead be offered for sale at a date and time to be determined by the Treasurer, subject to approval by the Board at that time.

* Preliminary, subject to change
BOARD OF PUBLIC WORKS

JUNE 12, 2013

SECRETARY'S AGENDA

7. **BONDS** (cont’d)

Second Series B (Taxable) – $40,000,000* - Competitive Sale
Public competitive sale of $40,000,000* in maturities and amounts
to be determined by the Treasurer, on Wednesday, July 24, 2013,
at 11:15 a.m., by electronic bid. Provided, however, depending
upon market conditions and at the discretion of the Treasurer, the
sale of the Second Series B Bonds may be postponed and may
instead be offered for sale at a date and time to be determined by
the Treasurer, subject to approval by the Board at that time.

Second Series C (Refunding) – $500,000,000* - Competitive Sale
Pursuant to State Finance and Procurement Article, Section 8-131,
Public competitive sale of Refunding Bonds, in maturities and
amounts to be determined by the Treasurer, on Wednesday,
July 24, 2013, at 11:30 a.m. by electronic bid. Provided, however,
depending upon market conditions and at the discretion of the
Treasurer, the Refunding Bonds may instead be offered for sale at
a date and time to be determined by the Treasurer on a competitive
basis and subject to the approval of the Board at that time, or on a
negotiated basis to the retail and institutional markets, subject to
ratification by the Board at its next meeting.

SETTLEMENT: On or about August 6, 2013

USE OF PROCEEDS: Various State loans and installments, combined and consolidated,
and purchase of securities for deposit to a Refunding Escrow
Account.

PUBLICATIONS OF SUMMARY NOTICES OF SALE:
Second Series A, B and C Bonds (Competitive Sales):
In the *Bond Buyer* on a date to be determined by the Treasurer not
later than July 12, 2013 and in such other electronic and print
media as determined appropriate by the Treasurer.

* Preliminary, subject to change
7. **BONDS** (cont’d)

REMARKS: At her discretion, the Treasurer may postpone the sale of the 2013 Second Series Bonds in response to market conditions, including those relating to the national debt limit, the funding of U.S. government operations, proposed changes in the tax-exempt status of municipal bonds, and the sequestration of U.S. government funds. The Treasurer may adjust the method of sale, the size and maturities of any of the bonds to respond to prevailing market conditions and, with respect to the Second Series C Bonds (Refunding Bonds), to comply with benchmarks for debt service savings in the State’s Debt Policy. After receiving bids, the Treasurer may further adjust the size of the Second Series C Bonds by up to 15% to account for premium bid, if any, and savings realized from the purchase of open market securities for deposit to the Refunding Escrow Account.
8. MARYLAND DEPARTMENT OF THE ENVIRONMENT

**Recommendation:** That the Board of Public Works approve up to $15,733,000 in grant funding to upgrade On-site Disposal (Septic) Systems (OSDS) with best available technology (BAT) for nitrogen removal, using the Bay Restoration (Septic) Fund during FY 2014.

**Program Description:** The grant recipients will implement the OSDS-BAT program locally, consistent with MDE program guidance and prioritize projects as follows:

1. Failing OSDS in the Critical Areas
2. Failing OSDS outside the Critical Areas
3. Non-Conforming OSDS in the Critical Areas
4. Non-conforming OSDS outside the Critical Areas
5. Other OSDS in the Critical Areas, including new construction
6. Other OSDS outside the Critical Areas, including new construction

Residential OSDS owners are eligible for a minimum 50% and maximum 100% grant for the BAT cost, based on household income; business owners are eligible for 50% of the BAT cost as grant.

**Authority:** Sections 9-1601 through 9-1622 of the Environment Article, Maryland Code, known as the Maryland Water Quality Financing Administration Act.

The project is consistent with State Clearinghouse comments and recommendations.

MARYLAND DEPARTMENT OF THE ENVIRONMENT

Recommendation: That the Board of Public Works approve a new grant up to $385,700 to the Town of Oakland for the Oakland Water Meter Replacement project in Garrett County. This grant may involve multiple sources of funding including GO bonds as the required 20% State match of federal funds. (Legislative District 1A)

Project Description: This project is to install radio-read water meters throughout the Town of Oakland service area. This work involves the purchase and installation of meters and necessary accessories and appurtenances. The project is intended to promote water conservation by more accurately tracking water consumption and by helping to detect leaks. This grant is for the purchase of the water meters.

Project Funding Sources:
Drinking Water State Revolving Loan Fund – Green Grant (this action) $385,700
Local Funding $173,850
TOTAL ESTIMATED PROJECT COST: $559,550

Authority: Sections 9-1601 through 9-1622 of the Environment Article, Maryland Code, known as the Maryland Water Quality Financing Administration Act.

MDE has determined that its recommendation is consistent with Maryland's Priority Places Strategy in accordance with Executive Order 01.01.2003.33 and State Clearinghouse comments and recommendations.

10. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT**

**RECOMMENDATION:** That the Board of Public Works approve releasing the deeds of trust on six properties that received loans from DHCD’s Down Payment and Settlement Expense Loan Program. The deeds of trust are second mortgages; the borrowers are selling their property in lieu of foreclosure to pay off the first mortgage owed to DHCD, and the borrowers have requested a release of the deed of trust securing the second mortgage on the basis of a hardship (e.g., loss of income due to unemployment or illness). Borrowers will sign a promissory note in the amount of the outstanding principal of the second mortgage.

12. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

LOAN AUTHORITY: §§ 6-301 through 6-311 Housing and Community Dev't Article
Annotated Code of Maryland
COMAR 05.13.01

The Neighborhood Business Development Program operating as Neighborhood BusinessWorks, provides flexible gap financing to small businesses.

BORROWER: Honee, LLC
Wylie Funeral Home, PA
701 N. Mount Street, Baltimore City 21217

LOAN AMOUNT: $57,500

FUND SOURCE: MCCBL of 2012: Provide funds for grants and loans to fund community-based economic development activities in revitalization areas designed by local governments. Item SA24(B).

COLLATERAL: First Deed of Trust on 1608 N. Bentalou Street, Baltimore, 21216

RECOMMENDATION: That the Board of Public Works approve the Department of Housing and Community Development’s lending general obligation bond proceeds to fund construction as described.

PROPOSAL: Wylie Funeral Home, PA has operated in Baltimore City since 1993 and has developed into a two-location operation (one in the City and one in Baltimore County). The current City location at 638 N Gilmor Street in a row-house setting, is antiquated and inadequate to meet today’s needs. The project is to relocate the City operation to a 1.6 acre vacant lot at 701 N Mount Street in West Baltimore’s Harlem Park community. The site will be developed with new construction of a state of the art funeral home, comprising 10,847sq ft with 27,000sq ft of manicured landscaping. The structure will be a one floor design with on-site parking. The project will benefit the residential neighborhood by developing a vacant lot in a community and providing temporary construction jobs and ten permanent jobs. Mr. Albert Wylie owns the collateral.

13. MORGAN STATE UNIVERSITY  
Business Management Complex

CONTRACT ID: Construction Manager  
Business Management Complex  
Construction Manager's GMP - Phase III  
Project No. DCM-BCM-10-1CMAR

FIRM: Gilbane Building Company  
Laurel, Maryland 20707

CONTRACT DESCRIPTION: Construction Management at Risk services for Morgan State University’s Business and Management Complex Project. The project is a new building for the Business and Management Complex (School of Business) to be located at the Northwood Shopping Center (the site of the old Hechinger’s and Burlington Coat factory). The project will accommodate the graduate, undergraduate, executive educational and research programs services and activities related to the studies of Accounting and Finance, Business Finance, Business Administration, and Information Science and Systems. The facility will also accommodate an Entrepreneurial Development and Assistance Center as well as the Center for Entrepreneurship and Strategy. The project will bring these related units together in one building and will include classrooms and laboratory spaces, demonstration spaces supporting the Hospitality Management Program resource center, clinical support facilities, offices, conference rooms, student and faculty lounges typical building functions such as restrooms, mechanical and electrical and IT spaces, loading dock, and parking. The project is striving to exceed the minimum LEED Silver certification.

MODIFICATION DESCRIPTION: Award GMP III: Includes the remaining project work inclusive of framing, MEP, finishes, telecom, equipment, etc.

ORIGINAL APPROVAL: Secretary’s Agenda Item 10 (12/15/2010)

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Proposal

TERM: Through project completion

ORIGINAL CONTRACT AMOUNT: $193,150.00 (Pre-Construction Services)

THIS MODIFICATION AMOUNT: $43,496,050 (GMP-III)

PRIOR MODIFICATIONS: $ 3,921,515.00 (GMP-I) [Sec. 11 (10/3/12)]  
$ 7,882,128.00 (GMP-II) [Sec. 10 (12/5/12)]

*Design Services for Behavioral and Social Sciences Center*

**REMARKS:** The solicitation was advertised in *eMarylandMarketPlace*. Ten firms responded. The Qualification Review Committee reviewed the technical proposals and evaluated the oral presentations and then entered into fee negotiations with the highest ranked firm. The University recommends HOK for award. The HOK Design team comprises eleven firms, six of which are from Maryland.

Due to split funding, the University will award the design contract only through bidding; the Construction Administration and Post Construction Phases will be awarded at the Construction Phase, when the balance of the design funding is made available. The amount of this initial award is $3,964,808, with the full amount to be $5,091,320.

The Morgan State University Department of Design and Construction Management will manage the AE team’s work with procurement support provided by the University's Department of Procurement. This procurement was conducted pursuant to the provisions of Morgan State University Policies and Procedures Manual.

*Maryland Historical Trust*  
*MHT Historic Preservation Loan Program*

**PROJECT**  
204 West Lanvale Street, Bolton Hill, Baltimore City Rehabilitation

**LOAN AMOUNT**  
$151,000

**BORROWER**  
Bolton Hill Nursery, Inc.

**DESCRIPTION**  
Bolton Hill Nursery, Inc. proposes to use general-obligation bond proceeds to rehabilitate the Rolando-Thom House, located at 204 West Lanvale Street, Baltimore City. The Rolando-Thom House, a Gothic Revival cottage, was designed and built before 1848 by Robert Cary Long, Jr., Baltimore’s first professionally-trained native-born architect. The property has later additions and alterations by Edmund G. Lind, the British-born architect who designed the Peabody Institute and the Bolton Hill Memorial Episcopal Church.

Bolton Hill Nursery, in operation for nearly forty years and currently renting space in a neighborhood church, has been exploring options for expanding its physical space to accommodate more children. It purchased 204 West Lanvale from Family and Children’s Services in February 2013 for $550,000. The Nursery will use a bank loan and its own funds to demolish non-original interior partition walls, abate lead paint, make building systems repairs and improvements, and install a code-required second stairwell. The Nursery will use the MHT loan exterior carpentry and masonry repairs, repainting, accessibility improvements, and building systems repairs and improvements. MHT holds a perpetual preservation easement on the exterior of the building and on the property.

The MHT loan will be secured by a second lien mortgage (subordinate to the bank loan’s first lien). A promissory note will require monthly payments for twenty years at 2.455% interest. The property has an appraised after-rehabilitation value of $670,000 which indicates that the value of the property is adequate to secure the proposed loan.

18. **ST. MARY'S COLLEGE OF MARYLAND**  
*Anne Arundel Hall Replacement – Contract Modification*

**CONTRACT ID:** Construction Management at Risk Services for Replacement of Anne Arundel Hall

**CONTRACT APPROVED:** Secretary’s Agenda Item 19 (March 4, 2009)

**CONTRACTOR:** Gilbane Construction Company, Laurel

**CONTRACT DESCRIPTION:** Construction manager services during pre-construction and construction of 39,119 GSF academic building (replacing Anne Arundel Hall) and 249-car parking lot. The new building will house the departments of Anthropology, International Languages and Cultures, and Museum Studies; the Center for the Study of Democracy; the Historic St. Mary’s City’s Archaeology Department; and artifact storage.

**MODIFICATION DESCRIPTION:** Award GMP for Phase 1 construction which includes constructing a parking lot; demolishing the existing building; site and utility prep work; and all CM fees and allowances.

**ORIGINAL PROCUREMENT METHOD:** Competitive Sealed Proposals

**ORIGINAL TERM:** 24 month pre-construction phase (3/4/09 to 3/4/11)  
24 month construction phase (6/1/12 to 6/1/14)

**MODIFIED TERM:** Pre-Construction Phase: 51 months from notice to proceed.  
Construction Phase 1 Only: 12 months from notice to proceed.

**ORIGINAL CONTRACT AMOUNT:** $253,000 (pre-construction fees only)

**MODIFICATION AMOUNT:** $3,617,686

**PRIOR MODIFICATIONS AMOUNT:** ($8,966)

**REVISED TOTAL CONTRACT AMOUNT:** $3,861,720

**MBE PARTICIPATION:** 25%

**MBE COMPLIANCE PHASE 1 ONLY:** 10.4%

**PERFORMANCE BOND:** 100% performance bond
ST. MARY'S COLLEGE OF MARYLAND (cont’d)
Anne Arundel Hall Replacement – Contract Modification

REMARKS: Reference is made to Sec. Item 19 (3/4/09) in which the Board of Public Works approved this contract to include the pre-construction phase of both the Maryland Heritage Interpretive Center and Anne Arundel Hall; the College intended to construct both buildings simultaneously. That Item unintentionally omitted reference to the 249-car parking lot, part of the Anne Arundel Hall replacement project. The pre-construction phase for both buildings was completed.

This Item seeks approval to award only the GMP for Phase 1 construction services for Anne Arundel Hall as funding for the Maryland Heritage Interpretive Center construction has been deferred. The Anne Arundel Hall project originally was programmed as a single construction phase. In accordance with the approved Capital Improvement Program, the construction will now be done in two phases, lengthening the term of construction to 30 months.

The Anne Arundel Hall Phase 1 comprises demolition of the existing building; field archaeological work; replacement parking; and site infrastructure. Phase 2 construction – award anticipated next year – will be the actual construction of the new Anne Arundel Hall building. Estimated construction cost for the entire Anne Arundel Hall project is $29,960,000.

Because Phase 1 is limited to a parking lot and building demolition, subcontracting opportunities are limited. Gilbane will be required to meet an overall 25% MBE goal when Phase 2 is awarded.

*Baltimore Convention Center and Ocean City Convention Center*  
*Operating and Maintenance Budgeted Amount*

**Recommendation:** That the Board of Public Works approve the fiscal year 2014 Operating and Maintenance Budgeted Amount (OMBA) for the Baltimore Convention Center and for the Ocean City Convention Center as follows:

- Baltimore Convention Center: approximately $17.14 million
- Ocean City Convention Center: approximately $4.66 million

**Authority:** Sections 10-640(c) & 10-643(c) of the Economic Dev’t Article, Annotated Code of Maryland.

**Background:** Pursuant to Section 3.02 and 3.03 of the bond subleases for the convention centers, the Board of Public Works “shall approve an OMBA for the next succeeding fiscal year.”

A certificate of the proposed OMBA for both convention centers was delivered to the Board of Public Works on December 1, 2012, in accordance with the sublease agreements.

The Maryland Stadium Authority approved the OMBA for each convention center at its meeting on December 4, 2012.

REPORT OF EMERGENCY PROCUREMENT

ITEM: Appendix 1

DEPARTMENT OF HEALTH AND MENTAL HYGIENE
Maryland Health Care Commission

CONTRACT ID: Assessment and Measurement Support for Stakeholder Engagement and Planning Process for a Community Integrated Medical Home
MHCC 13-024 ADPICS No.: M00B3400623

CONTRACT TYPE: Service

DESCRIPTION: Assessment and measurement support for development of stakeholder engagement and program development services for the Community-Integrated Medical Home, a new multi-payer patient-centered medical home program.

PROCUREMENT METHOD: Emergency

DATE EMERGENCY DECLARED: March 11, 2013

PROPOSAL:
Discern, LLC $175,000
Baltimore

AWARD: Discern, LLC

AMOUNT: $175,000

AWARD DATE: May 1, 2013

TERM: 5/6/13 – 9/30/13

MBE PARTICIPATION: None

FUND SOURCE: 100% Reimbursable

APPROP. CODE: 32.18.01

PERFORMANCE SECURITY: None

INCUMBENT: None
REPORT OF EMERGENCY PROCUREMENT

ITEM: Appendix 1 (cont’d)

REMARKS:

Nature of Emergency: DHMH was awarded a State Innovation Model grant from the Centers for Medicare & Medicaid Services. The grant provides DHMH more than $2 million to develop a Community-Integrated Medical Home. A portion of the grant ($175,000) is to be used to provide a practitioner performance measurement system for the CIMH project. Because the federal money must be used in six months (ending September 30, 2013), an emergency procurement was necessary.

Basis for Selection: The Maryland Health Care Commission solicited offerors through eMaryland Marketplace, but only Discern submitted a proposal. Discern will devote a team of nine professionals to this contract, each an expert in some aspect of developing performance measurement systems, data systems, and requests for proposal. Discern provided a detailed budget included hourly rates for each deliverable. MHCC has determined that the budget submitted by Discern is fair and reasonable given the short performance period of less than six months.

ITEM 1A
PROGRAM OPEN SPACE STATE SHARE

Estate of Richard Edgar Hutzell - $25,000.00
Frederick & Washington Counties
POS #4444

Reference: That the Board of Public Works approve the acquisition in fee simple of 11 +/- acres located in Frederick and Washington Counties. The fully-forested parcel is located within the Fox’s Gap National Historic District and will serve as a buffer to the Appalachian Trail. The property is contiguous to other lands owned and managed by the Maryland Park Service and will become part of South Mountain State Park. Acquisition will increase recreational opportunities, including historic interpretation of Civil War events.

The property is located within the Target Ecological Area and scored 82 under the Program Open Space Targeting System. This project also meets criteria in accordance with Chapter 419, Laws of Maryland 2009 as it presents a unique acquisition opportunity as a result of its extraordinary location and the environmental value of the property,

Grantor: Estate of Richard Edgar Hutzell

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 11 +/- acres, unimproved

ITEM 2A
MARYLAND ENVIRONMENTAL TRUST

Recommendation: That the Board of Public Works ratify the following acquisition of a perpetual conservation easement:

Property: 94.676 acres, Anne Arundel County, Fairhaven Road
Map 0081; Parcel 0012, Legislative District 30B

Grantor: Colony Cove, LLC

Grantee: Maryland Environmental Trust and Scenic Rivers Land Trust, Inc.

Purchase Price: $75,000

Fund Source: The Wentz Holdings Inc. Charitable Remainder Unitrust in memory of Brice McAdoo Clagett, Esq. (100% private funds)

Estimated Value: $176,000

Note: Estimated easement value is an MET estimate only. To estimate the easement value, MET multiplies the number of acres in the proposed easement by the average per-acre value of easements MET accepted in that county or region in previous years. (The previous year's average per-acre value is derived by totaling the appraised values for MET easements in a region and dividing by the number of acres).

DEPARTMENT/PROGRAM: Health and Mental Hygiene (DHMH)
Office of Systems, Operations & Pharmacy

CONTRACT ID: DHMH/OPASS #;
Scanning Services for Claims Processing and
Recoveries
ADPICS # M00B4400048

CONTRACT DESCRIPTION: Contract to scan documents for storage and
retrieval, with information being sent to the Maryland Medicaid
Information System (MMIS) and/or a retrievable compact disk (CD)/Server.

AWARD: iScan, A Division of Humanim, Inc.
Columbia, MD

TERM: 7/1/2013 – 6/30/2014 (1 Year)

AMOUNT: $542,187

PROCUREMENT METHOD: Preferred Provider

BIDS OR PROPOSALS: N/A

MBE PARTICIPATION: 100% (Contractor is a Maryland Certified MBE)

PERFORMANCE SECURITY: None

INCUMBENT: Same
ITEM: 1-S (Cont.)

REQUESTING AGENCY REMARKS: The Office of Systems, Operations and Pharmacy (OSOP) must have their documents scanned for retrieval and storage purposes. iScan, a Division of Humanim, Inc., will scan, save and provide the Department access to records that must be kept for specific periods of time, without keeping the paper documents on site. By having the vendor handle this contract it relieves the Department of the responsibility of machine maintenance and supplies, plus the Department has not been able to hire enough staff to do this type of work on its own.

The Department has procured this type of service before and this Preferred Provider has made the scanning and retrieval of documents faster and more efficient with greater access to information. The machines, maintenance agreements, etc., are very expensive and this Contractor owns/rents the equipment and supplies the maintenance, which keeps the Department from purchasing the wrong equipment/software as it lacks expertise in this area. At the end of six months the Department will meet internally to decide whether to keep using this service beyond the one-year contract.

The contractor will scan: (1) current claims/attachments to a compact disk (CD) with multiple documents under one index number for storage and retrieval; and (2) closed recoveries files for retrievable documents for storage and easy access to client data.

In accordance with COMAR 21.11.05.04, on April 30, 2013 the Pricing and Selection Committee for the Employment Works Program certified the prices for this contract as fair market at a not-to-exceed value of $542,186.73 for providing optical scanning services.

BIDS OR PROPOSALS: N/A

MBE PARTICIPATION: None (See Requesting Agency Remarks below)

PERFORMANCE SECURITY: N/A

INCUMBENT: Same
ITEM: 2-S (Cont’d)  

REQUESTING AGENCY REMARKS: The Family Planning Council, Inc. (FPC) TRAINING3 (T3) is the Sexually Transmitted Disease (STD)-related Reproductive Health, Prevention, Training, and Technical Assistance Center for the U.S. Department of Health and Human Services (HHS) Office of Population Affairs (OPA) Region III (Delaware, District of Columbia, Maryland, Pennsylvania, Virginia and West Virginia). FPC T3 has provided training to all Title X recipients within Region III since 1981.

The Centers of Disease Control and Prevention (CDC) with HHS OPA supports a national network of regional STD-related Reproductive Health, Prevention, Training, and Technical Assistance Centers that provide technical assistance and training to state, local, territorial, and tribal STD and Title X Family Planning programs to strengthen program management and delivery of STD services and improve quality of reproductive-health-related STD services.

As the Title X Grantee for the State of Maryland, the Office of Family Planning and Home Visiting must ensure that delegate agencies receive training that meets the needs of Maryland family planning program recipients, as well as meets the training requirements set forth by HHS OPA.

FPC T3 is utilized to ensure that family planning and reproductive health professionals have the knowledge skills and attitudes necessary to deliver effective quality family planning and reproductive health services. Over the years, T3 has evolved into a comprehensive performance improvement center, identifying and responding to the job performance-related needs of a variety of family planning, health care and social service programs. This is achieved by designing, delivering and evaluating the most effective training and other performance improvement initiatives.

No MBE Participation Goal was established for this contract because there are no subcontracting opportunities available. The services provided under this contract (planning, implementation and evaluation of technical assistance and training needs) must be performed by the Title X Grantee, FPC T3, that serves the HHS Region III.

REQUESTING AGENCY REMARKS: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace and the DHMH web site. Additionally, a copy of the solicitation was emailed directly to eleven (11) prospective offerors, two of which are Maryland firms and none are MBEs. A notice was sent to the Governor’s Office of Minority Affairs.

Four proposals were received in response to the RFP, all of which were determined to be reasonably susceptible of being selected for award. The proposal from Food Management Services, Inc. t/a Lintons Managed Services, Inc. was ranked #1 overall with the highest ranked technical offer and the lowest price. Therefore, award is recommended to Food Management Services, Inc. as having the most advantageous offer for the State.

The Thomas B. Finan Center (the Center) operates an 88-bed psychiatric facility located in Cumberland, Maryland. The Center serves adult and aged populations in Allegany, Washington, Frederick and Garrett counties.

The incumbent has provided these services for more than 17 years for the Center, and has provided similar services to other DHMH facilities.

No MBE participation goal was established for this contract due to the limited subcontracting opportunities.

7/1/2013 – 6/30/2016 (w/1 two-year renewal option)

AMOUNT:
$4,710,800 (3 Years; Base Contract)
$3,263,400 (2 Years; Renewal Option)
$7,974,200 Total (5 Years)

PROCUREMENT METHOD:
Competitive Sealed Proposals

BIDS OR PROPOSALS:
Only One Proposal Received

MBE PARTICIPATION:
5% (See Requesting Agency Remarks below)
ITEM: 4-S (Cont.)

PERFORMANCE SECURITY: None

INCUMBENT: Same

REQUESTING AGENCY REMARKS: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace and the DHMH website. Copies of the solicitation notice were sent directly to five prospective vendors, none of which are Maryland firms, and included no MBEs.

One proposal was received in response to the RFP, and it was determined to be reasonably susceptible of being selected for award. In addition, the Offeror was determined to be responsible, the financial offer was considered fair and reasonable, and it was determined that other potential offerors had a reasonable opportunity to respond to the solicitation. Therefore, award is recommended to Health Management Systems, Inc. (HMS), the sole Offeror and incumbent.

HMS has been the incumbent for approximately 25 years, since the inception of the program. There were no “No Bid” Response forms received. It is believed that no other proposals were received because of the few organizations that provided these highly specialized technical services to government health care programs none of them could provide the requested services in a manner that would be profitable to them. Over the years, through robust growth and acquisitions HMS has become the largest of these specialized organizations.

The Third Party Liability (TPL) Identification & Recoveries Contract is vital to the Department in avoiding and recovering payments that are not the responsibility of Medical Assistance. Further, TPL determination and recovery activities are required by the Centers for Medicare and Medicaid Services (CMS) and by Federal law. This TPL Contract provides services that cannot be performed by the Department. Specifically, data agreements with more than a thousand insurers, third party administrators, and other potential responsible third parties are necessary to perform this service. Additionally, this TPL Contract provides the experience and IT infrastructure that enables the exchange of data between the Department’s Medicaid Management Information System (MMIS) and the Contractor to identify claims that are the responsibility of all of the potential responsible third parties.
ITEM: 4-S (Cont.)

The TPL Contract is revenue generating; it is an indefinite quantity, fixed unit price contract, whereby the Contractor is paid for the actual recovery amounts and at the unit prices (rates of recovery) that are fixed in the Contract. The costs avoided and the funds successfully recovered far exceed the cost of the Contract. All of these funds are returned to the General Fund less payments to the Contractor. (Funds recovered during the previous contract beginning in January 2010 to date are approximately $76,000,000.)

A 5% MBE participation goal was established for this contract based upon the determination that there were limited subcontracting opportunities available outside of the core services that are automated processes.

INCUMBENT: APS Health Care  
Baltimore, MD
ITEM: 5-S (Cont.)

REQUESTING AGENCY REMARKS: A notice of availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace and the DHMH web site. Additionally, a copy of the solicitation was emailed directly to four prospective vendors, all of which are Maryland firms and none are MBEs. A copy of the notice was also sent to the Governor’s Office of Minority Affairs.

One proposal was received in response to the RFP, and it was determined to be reasonably susceptible of being selected for award. In addition, the Offeror was determined to be responsible, the financial offer was considered fair and reasonable, and it was also determined that other potential offerors had a reasonable opportunity to respond to the solicitation. Therefore, an award is recommended to Support Network, Inc., the sole Offeror.

The Department received one response (from the Incumbent) as to why other vendors did not submit proposals stating that the “Bid/Proposal requirements (other than specifications) are unreasonable or too risky.” Additional comments indicated that “the direct labor costs are insufficient to cover the RFP requirements… without resulting in an excessive cost per unit.”

The purpose of this contract is to ensure that people who are entering and receiving DDA Fee Payment System (FPS) services have objective and un-biased assessments for their levels of need so that DDA can determine the proper rates of payments to the service providers.

Through this contract, Support Network, Inc. will conduct LNAs Statewide that will be used to determine an appropriate level of individual reimbursement to people who utilize services funded by the DDA to include:

- Completing a LNA for all people who are newly entering services covered under the Fee Payment System (FPS) using residential, day, and supported employment services; and

- Conducting a Supports Intensity Scale (SIS) interview for all people who are newly entering services covered under the FPS.
ITEM: 5-S (Cont.)

A 5% MBE participation goal was established for this contract based upon the limited subcontracting opportunities to provide data entry services and survey mailings. In addition, the Prime Contractor is a MBE.

CONTRACT ID: Residential Child Care Services  
APDICS # N00B4400053

CONTRACT DESCRIPTION: Approval request to enter into a sole source contract for developmentally disabled Residential Child Care (RCC) services to two autistic youth located in Montgomery County.

AWARD: Community Services for Autistic Adults & Children, Inc. (CSAAC)  
Montgomery Village, MD

TERM: 7/1/2013 – 2/24/2016 (2 Years, 8 Months, 24 days)  
(See Requesting Agency Remarks below)

AMOUNT: $483,889

PROCUREMENT METHOD: Sole Source

BIDS OR PROPOSALS: N/A

MBE PARTICIPATION: None (See Requesting Agency Remarks below)

PERFORMANCE SECURITY: None

INCUMBENT: Same
ITEM: 6-S (Cont.)

REQUESTING AGENCY REMARKS: Request for approval of a sole source contract to continue developmentally disabled (DD) Residential Child Care (RCC) services for two autistic youth that have been placed with the Provider since 2001 and 2002 respectively.

On September 17, 2012, DHR issued a RFP to acquire Residential Child Care (RCC) services in Maryland. Community Services for Autistic Adults & Children, Inc. (CSAAC), a provider of DD RCC services, responded to the RFP expressing that it only wished to continue DD RCC services with DHR until the two youth presently placed with the provider reach age 21. CSAAC also expressed that new placements from DHR would not be accepted once a vacancy existed in their RCC Program. As a result, DHR determined that a sole source contract with CSAAC was best to maintain the continuity of care for these two youth.

Residential Child Care programs are defined in COMAR 14.31.02.03B(13) as “a program of care provided in a residential setting by a provider on a 24-hour basis within a structured set of services and activities. COMAR 14.31.06.01 articulates the standards that must be met and maintained by residential child care programs for children and youth. These requirements are designed to protect the health, safety, and well being of children placed in residential child care programs.

The DD Group Home Program provides a stable setting for children with mild to severe developmental disabilities who require 24 hour supervision and intensive staff care to meet daily needs through a range of service levels. These two youth require extensive care and services due to their diagnosed autism. Some of the behaviors these youth exhibit are: self injurious, toilet stuffing, pica, property abuse, leaving the site, tantrums, sleep problems, and physical aggression. Both teens are on multiple psychotropic medications. It is critical for children with autism to have continuity of care with their caretakers, and a structured and stable environment in which to thrive. Autistic children have difficulty with change and do well with routine. CSAAC is one of only a very few service providers who specialize in autism in Maryland. The youth that CSAAC serve require specialized intensive residential supports. Once the youth reach age 21, both will be transitioned to an adult care program.
State Finance and Procurement Article Section 13-107 and COMAR 21.14.01.06C (Sole Source Contracts) states:

(1) In order to provide continuity of human or social services care to current third-party clients, the procurement officer shall, before the contract with the current provider expires, attempt to negotiate a sole source contract with the current provider. . . (b) Based on an assessment by a licensed or certified health practitioner, the head of a funding unit determines that a change in the human or social services provider would have a detrimental impact on those clients currently being served by the provider. The licensed or certified health practitioner shall be a psychologist, social worker, physician, nurse, or qualified developmental disabilities professional (QDDP), as defined in COMAR 10.22.03.01B(25).

For the reasons as stated above, it is believed to be in the State’s best interest to enter into this sole source contract.

The Governor’s Office for Children is the single point of entry for private providers interested in supplying care under approved negotiated rates for youth of the various State agencies. The rates for this provider have been approved by the Maryland State Department of Education (MSDE) Division of Special Education, Early Intervention Services Nonpublic Section.

No MBE participation goal was established for this contract because it does not meet the criteria for inclusion of a 5% MBE subcontracting goal as established by DHR that all foster care/per diem providers who have a capacity of 25 or more beds have a MBE participation goal.

(See Attachment and Requesting Agency Remarks)

PERFORMANCE SECURITY:
None
ITEM: 7-S (Cont.)

HIRING AGREEMENT ELIGIBLE: Yes for all

INCUMBENTS: Same (See Attachment)

REQUESTING AGENCY REMARKS: Request for approval of 45 contracts for Child Placement Agency (CPA) services for a total of 2,623 clients.

CPA Programs are defined in COMAR 07.02.21.03B (17) as a 24-hour substitute care program, operated by a licensed child placement agency or local department of social services, for children with a serious emotional, behavioral, medical, or psychological condition.

The total award amount of $129,578,422 for the base term assumes that each bed purchased will be occupied by a child for the full year of the Contracts. Based on history, this is unlikely to occur. These are reimbursements contracts. The Providers are paid solely for the actual children placed with them during the year, and then only for the actual number of days each child is with the Provider.

The amount for the option period is an estimated cost. The Interagency Rates Committee (IRC) does not issue the actual rates until June of each year.

State Finance and Procurement Article Section 13-106 and COMAR 21.14.01.04 (Non-Competitive Negotiated Procurement of Human, Social or Educational Services) provides for procuring certain human, social and educational services. CPA service providers in this request were obtained through a non-competitive negotiation process.

The Governor’s Office for Children (GOC) is the single point of entry for private providers interested in supplying care under approved negotiated rates for youth of the various State agencies. The Providers have rates that were approved by the IRC.
ITEM: 7-S (Cont.)

The procurement of these service providers has complied with the Law’s requirement for Non-Competitive Negotiated Procurement of Human, Social or Educational Services, because currently the number of children in need of placement exceeds the number of available beds. In accordance with COMAR 21.14.01.04, below are reasons for this method of procurement:

1. The procurement is to obtain therapeutic services for children and adolescents under a negotiated system adopted by regulation (COMAR 21.14.01.04B (1) and (2) (b) and (c) (iii)).

2. The services are treatment foster care and the licensing standards are found in COMAR 07.02.11, 07.02.13 and 07.02.21.

3. Neither DHR nor the GOC has the facilities or personnel to provide this type of service for the 2,623 youth committed to DHR to be served under these contracts. Therefore, it is in the best interest of the State that DHR contract for these services.

CPA Providers that have contracts with DHR for 25 or more beds are encouraged to strive for 2.6% MBE Participation (5% of Administrative Costs). There are 33 of the 45 CPA Providers that meet this criterion. CPA Providers make direct payments to foster parents.

SUPPLEMENT B
DEPARTMENT OF BUDGET AND MANAGEMENT
ACTION AGENDA

SERVICES CONTRACT

ITEM: 8-S  
Agency Contact: Sandy Johnson  
410-767-7408  
SJohnso5@dhr.state.md.us

DEPARTMENT/PROGRAM: Human Resources (DHR)  
Social Services Administration (SSA)

CONTRACT IDS: See Attachment 1;  
Residential Child Care Services  
ADPICS #s: See Attachment 1

CONTRACT DESCRIPTION: Approval request to provide Residential Child Care (RCC) services for a total of 760 clients at various locations throughout Maryland through 44 separate RCC contracts.

AWARDS: See Attachment 1

TERM: 7/1/2013 – 6/30/2016 (w/2 one-year renewal options)

AMOUNT: $213,554,413 NTE (3 Years; Base Contract)  
$74,773,285 Est. (1 Year; 1st Renewal Option)  
$76,642,663 Est. (1 Year; 2nd Renewal Option)  
$364,970,361 NTE Total (5 Years)

PROCUREMENT METHOD: Competitive Sealed Proposals

BIDS OR PROPOSALS: See Attachment 2

MBE PARTICIPATION: 7 of the 44 Providers are MDOT Certified MBEs;  
0% Subcontracting Goal (Providers with less than 25 beds) – 39 Providers (See Attachment 1)  
5% Subcontracting Goal (Providers with 25 or more beds) – 5 Providers (See Attachment 1)

PERFORMANCE SECURITY: None

HIRING AGREEMENT ELIGIBLE: Yes for all
ITEM:  8-S (Cont.)

INCUMBENTS:  See Attachment 1

REQUESTING AGENCY REMARKS:  A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace and the DHR website. Copies of the solicitation notice were sent directly to 74 prospective vendors, 73 of which are Maryland firms, and included eight MBEs.

In response to the RFP, 71 proposals were received from 58 Offerors. Of the 58 Offerors, the following actions occurred:

- One Offeror was purchased by another Offeror;
- Four Offerors’ proposals were determined not to be reasonably susceptible of being selected for award;
- Nine Offerors’ proposals were ranked technically lower than others and were not recommended for contract awards as the required number of beds for those particular programs was allocated and recommended for award to higher ranked Offerors; and finally,
- 44 Offerors with 47 proposals are being recommended for awards. Based upon the required number of beds needed for a particular program, some Offerors were awarded all beds proposed, while other Offerors received awards for fewer beds than proposed.

Offerors were allowed to submit Proposals for one or more regions/jurisdictions and/or programs. Each successful Offeror will receive one contract regardless of the number of programs it is awarded to serve.

Seven of the 44 successful Offerors are MDOT certified MBE Prime Contractors (see Attachment 1). Five of the 44 successful Offerors have 25 or more beds and are required to meet a 5% MBE participation goal.

In an effort to obtain the highest quality of Residential Child Care (RCC) services, DHR included performance measures and a performance report as part of the technical evaluation of the procurement. The performance report was considered substantially more important than all other evaluation criteria. Performance was rated in three areas: (1) child safety, (2) licensing and monitoring, and (3) child well-being. These measures were developed collaboratively with provider organizations through DHR’s Provider Advisory Council. Performance reports were issued for each licensed site location utilized by an existing RCC Contractor, since many providers have multiple locations. A number of Offerors have multiple site locations within a single geographical region (see Attachment 2).
ITEM:  8-S (Cont.)

Although the same technical proposal was used when an Offeror had multiple site locations, the performance report and per diem may have differed for each site location. Because performance reports were issued by site location, proposals were ranked and awards were recommended by site location. In addition, technical factors were weighted more than financial factors in the overall award determination.

If an existing RCC Contractor proposed a new program for which it had no past performance rating, the score from the existing RCC Contractor’s most similar program in scope with the new program was used for the performance rating in the proposal. For all other Offerors (licensed Providers who did not have an existing RCC contract with DHR) specific documentation was submitted with their proposals in order for DHR to prepare a performance report.

RCC services resulting from this RFP will be delivered through five distinct Programs as follows:

- Developmentally Disabled Program – To provide a stable setting for children with mild to severe developmental disabilities who require 24 hour supervision and intensive staff care to meet daily needs through a range of service levels.

- Diagnostic Evaluation and Treatment Program – To serve youth who are previously undiagnosed or severely disorganized, who due to trauma or mental illness are a danger to themselves and lack a treatment plan that will provide for stable placement in the community.

- Group Homes – To provide general care to youth for the purpose of ensuring their basic needs, well-being and preparing them for independence. Group Homes serve youth who require awake, overnight supervision and have exhibited behaviors that complicate family placement.

- High Intensity Group Homes – To serve children and youth presenting emotional and/or behavioral conditions requiring a higher level of structure, supervision, behavior management/modification, and clinical intervention.

- Psychiatric Respite – To serve youth who are discharged from a psychiatric hospitalization with a placement recommendation for a residential treatment center, less restrictive placement, or diversion from a psychiatric hospitalization.
SUPPLEMENT B
DEPARTMENT OF BUDGET AND MANAGEMENT
ACTION AGENDA

ITEM: 8-S (Cont.)

Two other RCC program categories were requested in the RFP, but resulted in no awards. One was a new program category for “Teen Girls w/Anti-social Behaviors”. No proposals were received for this program. The “Medically Fragile” RCC program only received one proposal that was determined not to be reasonably susceptible of being selected for award. The three RCC Contractors that currently provide medically fragile group home services failed to submit proposals within the time allowed for receipt of proposals. Therefore, these three contracts were extended for a six month period (3/6/2013 DBM BPW Agenda, Item 4-S-MOD) to allow DHR time to conduct a new procurement (General Expression of Interest) for these services.

The RCC facilities will be located in all jurisdictions throughout the State, serving children/youth committed to State custody. A roster of successful Offerors for each group home category and region/jurisdiction, ranked from highest to lowest, will be made available to each local Department of Social Services (LDSS) for referral purposes. The ranking is based upon the Technical Proposal and consideration of the Financial Proposal and rates approved by the Interagency Rates Committee (IRC) or the Maryland State Department of Education (MSDE) Division of Special Education, Early Intervention Services Nonpublic Section. The LDSS will exercise complete discretion to determine the most appropriate, most proximate and least restrictive placement that is available at the time the child/youth needs to be placed. The LDSS will take into consideration the individualized needs assessment of children/youth, proximity of the Program, availability of beds and the ability of the Program to meet the specific needs of the children/youth. Thereafter, those successful Offerors that meet the criteria for placement will be selected based upon their order of overall (combined technical and financial) ranking from highest to lowest.

The services of each Contractor will be used at the sole discretion of DHR. DHR makes no guarantee as to the number of children/youth to be placed with any Contractor. These are Purchase of Care contracts paid on a fee for service basis for the actual children/youth placed in a Contractor’s care, and then only for the actual number of days each child is with the Contractor.

The standards that must be met and maintained by residential child care programs for children and youth are delineated in COMAR 14.31.06.01. These requirements are designed to protect the health, safety and well being of children placed in residential child care programs.

COMAR 14.31.02.03B(13) defines RCC programs as “a program of care provided in a residential setting by a provider on a 24-hour basis for longer than 24 hours to a child or children unless otherwise provided by State law.”
ITEM: 8-S (Cont.)

Two Offerors filed Protests. One Offeror filed two Protests, which were denied by DHR. This Offeror has filed an Appeal with the Maryland State Board of Contract Appeals (MSBCA). The second Offerors’ Protest was also denied by DHR. This Offeror has also filed an Appeal with the MSBCA. DHR requests approval of the 44 contracts notwithstanding the Protests and Appeals in order to protect substantial State interests. The substantial State interests are the 760 children being served by these 44 RCC providers.

By approving this item, per COMAR 21.10.02.11.A, the Board of Public Works will be deemed to specifically find that execution of the 44 contracts without delay is necessary to protect substantial State interests and it will specifically be doing so notwithstanding the Protest and Appeal.

FUND SOURCE: 66% General; 34% Federal (Title IV-E)

APPROP. CODE: N00G0001

RESIDENT BUSINESSES: Yes for all

REQUESTING AGENCY REMARKS: The purpose of a Contractual Pre-release Service is to house and rehabilitate those individuals who have been convicted of crimes, but who, in the judgment of the courts and appropriate correctional personnel, can be best rehabilitated in community facilities without substantial danger to the community. Currently, Threshold Inc. is the only Contractual Pre-Release Service in Baltimore City.

Threshold, Inc. was established as a Contractual Pre-Release Service Center pursuant to an opinion of the Attorney General’s Office, 65 Op. Att’y Gen. 112 (1980). Further, the City of Baltimore requires that a special zoning ordinance be passed by the City Council and signed by the Mayor before a facility can be established to provide these services. Threshold, Inc. is the only Pre-release Centers authorized in Baltimore City.

The cost of funding for this contract is as follows:

\[30 \text{ beds} \times \$58.99 \text{ per day} \times 365 \text{ days} = \$54,650 \text{ Est. Room/board recovery} = \$591,291\]

This per-diem rate was increased by $0.81 on October 12, 2012. This is the first increase in the per-diem rate since FY2010.

The Inmate’s room/board recovery fee is paid by the Inmates that work outside the institution on Work Release. The Contractor collects the room/board recovery fee from the Inmates Work Release and other earnings. The fees collected are deducted from the total invoice amount billed to DPSCS. The fees are estimated and dependent upon the Inmates having employment.

Due to the nature of the services to be provided there are no subcontracting opportunities. However, the Contractor is a Maryland Certified MBE.

DIBATTIM@djs.state.md.us

DEPARTMENT/PROGRAM: Department of Juvenile Services (DJS)
Contractual Residential Operations

CONTRACT IDS: See Attachment

CONTRACT DESCRIPTION: Request for approval of 12 contracts for currently licensed contractors to provide residential and non-residential services for youth referred by DJS who are before the Juvenile Courts of the State of Maryland. The types of programs include: treatment foster care, therapeutic and regular group homes, residential schools, home based therapy or supervision, non-residential programs, and independent living programs.

AWARDS: See Attachment

TERM: 7/1/2013 – 6/30/2016

AMOUNT: $35,179,300 Grand Total (3 Years)
(See Attachment)

PROCUREMENT METHOD: Non-Competitive Negotiated Procurement of Human, Social, Cultural or Educational Services

BIDS OR PROPOSALS: N/A

MBE PARTICIPATION: 2 of the 12 Providers are MDOT Certified MBEs;
1 Provider is to strive for 3% MBE Participation;
1 Provider is to strive for 5% MBE Participation
(See Requesting Agency Remarks below)

PERFORMANCE SECURITY: None

INCUMBENTS: See Attachment
REQUESTING AGENCY REMARKS: DJS is required to provide both residential and non-residential services and programming for youth who are ordered by the Juvenile court to be placed in specific types of programs. Since DJS does not have a sufficient number of state operated programs, private providers have been relied upon to provide the majority of these services and programs. The types of residential programs include: treatment foster care, group homes, therapeutic group homes, shelter homes, residential treatment centers, residential educational programs or schools and independent living programs. Home based supervision treatment and therapy are also provided. There are approximately 526 youth in these programs daily.

For In-State providers, the State’s Office of Children, through the Interagency Rates Committee (IRC), sets standardized rates for these services. Similarly, for out-of-State providers a government organization in the provider’s state establishes or approves standardized rates (the rate setting authority). For both In-State and out-of-State providers, DJS determines the not to exceed amounts of each contract based upon an estimated number of youth that may require these services annually. Contractors are paid only for the youth placed in the program for the actual number of days they receive services. Daily or Per Diem rates are paid in accordance with the IRC (or the rate setting authority for out-of-State providers).

These services were procured through Non-Competitive Negotiated Procurement of Human, Social or Educational Services. (See State Finance and Procurement Article 13-106 and COMAR 21.14.01.03 G). The reasons for employing this method of procurement are:

- DJS’s Secretary and Procurement Officer have determined that two or more sources for the service are available but that because of the absence of effective competition, it is unreasonable to expect those sources to respond to an Invitation for Bids under COMAR 21.05.02 or Request for Proposals under COMAR 21.05.03;
- For these services, the recommended contractors have submitted an acceptable response to a Request for a General Expression of Interest (RGEI) that was last advertised through postal mailings on April 5, 2013.
- Under this procurement method, contractors that respond to the RGEI may be awarded contracts as the need arises, as determined by the Agency head. As stated above, the DJS Secretary has now made this determination; and,
- The Maryland Office of Children is the single point of entry for these services under approved negotiated rates for youth of the various State Agencies.
ITEM: 10-S (Cont.)

Out-of-State Contractors are used only when In-State Contractors are not available. Youth with special physical, mental or emotional needs or who do not meet the admission criteria of In-State Contractors, are placed with out-of-State Contractors.

All Contractors are reviewed individually to determine possible MBE participation goals of up to 5% depending on the licensing capacity. Most Contractors were not previously required to have a MBE participation goal, and they submitted their provider budgets to the IRC without any instructions towards developing a MBE participation goal. Two of the Contractors received MBE goals and are identified on the attachment.

In addition to the above outcomes, DJS is continuing to work with GOMA, DHR, MSDE, and DBM to develop a Statewide protocol for Per Diem Contractors to utilize for compliance with the MBE goal requirements, including placing language in the IRC Rate Application packet issued by MSDE annually.

SERVICES CONTRACT

ITEM: 11-S

DEPARTMENT/PROGRAM: Maryland Department of State Police (MDSP) Forensic Sciences Division (FSD)

CONTRACT ID: MDSP-QMDR3400052; Latent Print Services ADPICS # W00B3400079

CONTRACT DESCRIPTION: Provide latent print laboratory services for the Maryland Department of State Police Forensic Sciences Division.

AWARD: Ron Smith & Associates, Inc. Collinsville, MS

TERM: 6/13/2013 – 6/12/2018 (5 Years)

AMOUNT: $2,000,000 NTE

PROCUREMENT METHOD: Competitive Sealed Bidding

BIDS OR PROPOSALS: Only One Bid Received

MBE PARTICIPATION: 0% (See Requesting Agency Remarks below)

PERFORMANCE SECURITY: None

INCUMBENT: None

REQUESTING AGENCY REMARKS: A notice of the availability of the Invitation for Bids (IFB) was advertised in eMaryland Marketplace.
SUPPLEMENT B  
DEPARTMENT OF BUDGET AND MANAGEMENT  
ACTION AGENDA

ITEM: 11-S (Cont.)

Only one bid was received in response to this solicitation. The recommended contractor is responsible, and its bid meets the technical requirements set forth in the IFB. Moreover, the price has been deemed fair and reasonable, and it was determined that other prospective bidders had a reasonable opportunity to respond to the solicitation. Therefore, award is recommended to Ron Smith & Associates, Inc., the sole Bidder.

One potential bidder did submit the “No Bid” Response Form, citing that (1) Specifications are unclear, too restrictive, etc.; (2) Time allotted for completion of the Bid/Proposal is insufficient; and (3) Bonding/Insurance requirements are restrictive.

The purpose of this new contract is to provide latent print examinations, comparative services, and formal reports required for the Forensic Sciences Division to address the current backlog of approximately 1500 cases. Previously, this is work that would have been performed by employees of Maryland Department of State Police Forensic Sciences Division (MDSP-FSD). However, since there is a reduction in the number of in-house staff; the external support of Contractors is necessary.

The Contractor must be in compliance with the Health-General Article of Maryland Code, 17-02-01), which requires that after December 31, 2011 a forensic laboratory shall hold a license issued by the Secretary of DHMH before the forensic laboratory may offer or perform forensic analysis in the State. Forensic laboratory is defined to mean “a facility, entity, or site that offers to perform forensic analysis.”

The Contractor laboratory must be accredited or present their manuals for MDSP-FSD review. The review is needed to ensure that the Contractor is performing quality work and meets the criteria outlined in the ISO/IEC International 17025:2005 and the ASCLD/LAB Supplemental Requirements for the Accreditation of Forensic Science Testing Laboratories (2010). The MSP-FSD Quality Assurance Manual requires such a review if a no accredited Contractor is available.

Certification of Latent Print examiners by the International Association of Identification is required in order to ensure the competence and experience of the Contractor’s examiners. In addition, recent results from external proficiency test and court testimony experience were requested as an effort to demonstrate that the examiner is current and up to date with new procedures and requirements.
SUPPLEMENT B

twinston@dat.state.md.us

DEPARTMENT/PROGRAM: Assessments & Taxation (SDAT)
Information Technology

CONTRACT ID: DAT 0074;
Reproduction and Sale of DAT data
ADPICS # COF04070

CONTRACT APPROVED: 7/1/2009 DBM BPW Agenda Item 1-S

CONTRACTOR: SpecPrint, Inc.
Timonium, MD

CONTRACT DESCRIPTION: Approval request of a revenue-generating contract for the reproduction and sale of the Department’s master file data sets.

OPTION DESCRIPTION: Approval request to exercise the second and final one-year renewal option as contained in the original contract.

TERM OF ORIGINAL CONTRACT: 7/2/2009 – 7/1/2012 (w/2 one-year renewal options)

TERM OF OPTION: 7/2/2013 – 7/1/2014

AMOUNT OF ORIGINAL CONTRACT: $360,000 (3 Years)

AMOUNT OF OPTION: $120,000 (1 Year)

PRIOR MODIFICATIONS/OPTIONS: $120,000 (See Attachment)

REVISED TOTAL CONTRACT AMOUNT: $600,000
ITEM: 12-S-OPTION (Cont.)

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Proposals

MBE PARTICIPATION: 25%

MBE COMPLIANCE: 0% (See Requesting Agency Remarks)

REQUESTING AGENCY REMARKS: Request for approval to exercise the second and final one-year renewal option as contained in the contract to continue this revenue-generating contract for the reproduction and sale of the Department’s master file data sets to the general public. SpecPrint, Inc. collects fees from the customer, deducts their fees to prepare the data as requested, and forwards the remaining revenue to SDAT on a monthly basis along with a report of all transactions for the month, which generates revenue for the State of Maryland.

For over ten years, SpecPrint, Inc. has been SDAT’s partner in providing these services. Customers request data in different formats and/or layouts. SDAT does not have the staff to handle the volume of requests for data that SpecPrint, Inc. is able to process. SpecPrint, Inc. is familiar with the SDAT’s data and the needs of the customers. SDAT is pleased with the services provided by SpecPrint, Inc. and has received no complaints from any customers regarding services received from SpecPrint, Inc. There have been no known issues with the data prepared by SpecPrint, Inc.

SDAT believes it is in the best interest of the State to exercise this final one-year renewal option rather than to embark on a new procurement. This contract continues to be a good revenue generator for the State of Maryland. Since the beginning of this contract, it has brought in close to $360,000 in revenue.

A 25% MBE participation goal was established for this contract, and the Contractor made a good faith effort to try to obtain MBE participation before submitting its proposal to the State. However, shortly after contract award, the Contractor realized that the intended MBE arrangement was not a viable one for either the Contractor or the MBE. SDAT was not as attentive as it should have been to tracking and monitoring MBE activity during the base term of the contract. As a result, it was not until the first renewal option was being prepared for approval by the BPW that SDAT realized the 25% MBE participation goal was not appropriate, i.e., not reasonable or attainable, given the nature and scope of the work to be performed.
ITEM: 12-S-OPTION (Cont.)

At this time, SDAT believes it is in the best interest of the State to exercise the renewal option for this revenue-generating contract and will make sure to establish proper MBE goal setting for its contracts in the future.

Since this is the last renewal option for this contract the Department will re-solicit for these services during the renewal period. A new contract is expected to be in place prior to the expiration of this contract.

Medical Support Enforcement Services  
ADPICS # N00B4400052

CONTRACT APPROVED: 4/6/2011DBM BPW Agenda Item 3-S

CONTRACTOR: Health Management Systems, Inc. (HMS)  
New York, NY

CONTRACT DESCRIPTION: Approval request of a voidable contract to acquire medical support enforcement services from Health Management Systems, Inc. through the Arkansas Medical Support Services Consortium (MSSC) and exercise the first of six 12-month renewal options as contained in the original contract.

OPTION DESCRIPTION: Approval request to exercise the third of six 12-month renewal options as contained in the original contract.

TERM OF ORIGINAL CONTRACT: 5/1/2011 – 7/12/2012 (w/6 12-month renewal options)

TERM OF OPTION: 7/13/2013 – 7/12/2014

AMOUNT OF ORIGINAL CONTRACT: $991,667 (1 Year, 2 Months, 12 Days)

AMOUNT OF OPTION: $850,000 (1 Year)

PRIOR MODIFICATIONS/OPTIONS: $850,000 (See Attachment)
ITEM: 13-S-OPTION (Cont.)

REVISED TOTAL CONTRACT AMOUNT: $2,691,667

ORIGINAL PROCUREMENT METHOD: Intergovernmental Cooperative Purchase Agreement

MBE PARTICIPATION: None (See Requesting Agency Remarks)

REQUESTING AGENCY REMARKS: Request for approval to exercise the third of six 12-month renewal options to acquire medical support enforcement services from Health Management Systems, Inc. (HMS) through the Arkansas Medical Support Services Consortium (MSSC).

Federal law requires the Department of Human Resources/Child Support Enforcement Administration (DHR/CSEA) to determine the availability of health care coverage, to include provisions for health care coverage in child support orders, to maintain proof of coverage within the case file, and to enforce the provision when a custodial and/or non-custodial parent is required to provide coverage. Due to increase in the workload resulting from additional federal service mandates and increases in the demand for child support services, caseworkers are unable to provide the level and quality of service desired.

Not maintaining the Medical Support performance measure by the Federal Office of Child Support could negatively impact federal incentive funds DHR/CSEA receives based on performance and the reliability of data reported from its automated system, the Child Support Enforcement System (CSES). The only viable alternative to increasing both health care insurance coverage and medical support performance during Federal audits is to outsource medical support services.

At this time, DHR/CSEA requests approval to exercise the available option to continue the partnership with HMS to perform data clean-up services, as part of the National Medical Support Notice (NMSN) requirement and to assist DHR/CSEA in meeting federally required changes in medical support performance.
ITEM:  13-S-OPTION (Cont.)

DHR received approval to exercise the first 12-month renewal option at the same time as the base contract term in order to align the State of Maryland contract with the Intergovernmental Cooperative Purchasing Agreement between the State of Arkansas and HMS. The State of Maryland contract expires at the same time, which will be 7/12/2017, if and when all six renewal options are exercised.

This Agreement will continue to benefit Maryland because the MSSC has operated under Arkansas’ contract for almost seven years. It has extensive expertise in the total functionality of the NMSN process. HMS has demonstrated the ability to confirm insurance verification and NMSN processing upon receipt of State specific case files from its members. Membership with the consortium allows DHR/CSEA access to a wide range of services that are vital to meeting all of its federal mandates, along with maintaining CSEA’s ability to pass its own self assessments through data reliability.

AMOUNT OF MODIFICATIONS:  $120,000 (6 Months)
ITEM: 15-S-MOD (Cont.)

PRIOR MODIFICATIONS/OPTIONS: $0 (See Attachment)

REVISED TOTAL CONTRACT AMOUNTS: $290,000

OVERALL PERCENT +/- (THIS MOD): +70.6%

ORIGINAL PROCUREMENT METHOD: Emergency Procurement

MBE PARTICIPATION: None

REQUESTING AGENCY REMARKS: Maryland was at risk of violating a test in federal statute known as the "Medicare waiver." This federal statute provides Maryland the ability to waive Medicare payment rules; and instead, provides for the State to develop hospital payment rates for all payers. Maryland is the only state in the nation with such a waiver. A breach of the Medicare waiver would seriously disrupt the financing of the State's hospitals; would affect the cost of hospital services for most patients, as well as the incentive for hospitals to provide uncompensated care to patients who cannot afford to pay; and, as such, could have an adverse impact on the availability of health care across the State. This would present serious damage to public health, safety and welfare.

Officials from the federal Centers for Medicare and Medicaid Services (CMS) established a timetable and outline for rapid submission of a new approach to the Medicare waiver. While HSCRC staff are able to develop technical components of the application, State staff required an expert consultant to consolidate various elements and strategically advise on CMS demonstrations waiver applications. The compressed timeframe and the importance of preparing a successful application compelled the HSCRC to move forward with an emergency procurement understanding that failing to do so would pose an unacceptable risk to Maryland’s health care system and the millions of Marylanders who depend upon it.

HSCRC engaged Health Management Associates (HMA) as a uniquely qualified firm to provide these needed services on a timely basis. They have considerable current and relevant experience in assisting states with waiver applications to CMS. They also have members of their team with deep experience in hospital finance. The firm’s modeling experience greatly assisted HSCRC Staff.
ITEM: 15-S-MOD (Cont.)

HMA assisted DHMH and HSCRC staff in efforts related to the demonstration document submitted to the CMS in March 2013. While discussions on the application proceed, HSCRC, in consultation with stakeholders, is developing plans for implementation. This process must begin now because there will be only several months between approval of a new approach and its implementation. The HSCRC is committed to a public workgroup process to inform the HSCRC of necessary actions to implement aspects of the new demonstration. This modification will provide for continued support of waiver-related application and implementation efforts by the Contractor, HMA, on behalf of HSCRC. HSCRC’s modest-sized professional staff does not have the capacity to fully support this intense effort. Providing for continued support by HMA allows for sustained progress without disruption of this highly technical and specialized effort.

REVISED TOTAL CONTRACT AMOUNT: $295,041

OVERALL PERCENT +/- (THIS MOD): +50%

ORIGINAL PROCUREMENT METHOD: Emergency

MBE PARTICIPATION: None

REQUESTING AGENCY REMARKS: Request for approval to extend the contract by six months to provide treatment foster care services to a medically fragile child under the care of the Department until the youth turns age 21.

The Anne Arundel County Department of Social Services (AADSS), a local department of DHR, is the court-appointed guardian of a 20-year-old young man who is severely disabled and thus medically fragile. In 1995, the parental rights of the birth parents were terminated; and he was placed in, and has continuously resided in, a treatment foster care home. The Circuit Court for Anne Arundel County (Case No. A-1995-00057) ordered AADSS to secure private duty nursing 24 hours per day, 7 days per week due to extraordinary medical needs and granted the permanent foster care parents the authority to make medical decisions on behalf of the juvenile.

DHR has been contracting with MedSource Community Services, Inc. (MedSource) since 2006 to provide the nursing services for this child. MedSource receives the established Medicaid rate and an additional amount paid by the Department. The issue of whether the State may supplement the Medicaid rate was the subject of an administrative hearing. The Office of Administrative Hearings issued a proposed decision finding that the supplementation of Medicaid payments was illegal and in violation of Medicaid law that prohibits payments in excess of the Medicaid rate. A final decision is pending with the Department. Notwithstanding the pending litigation, the parties continue to work together to determine the best course of treatment for the youth.

In order to maintain the continuity of care for the youth until the determination of the final outcome of the litigation, DHR entered into an emergency procurement Contract with MedSource. Once the youth turns 21, the responsibility for his care will be coordinated through DHMH. This modification will allow for a continuity of care for the youth until that time.

ITEM: 17-S-MOD (Cont.)

On 11/27/2012, the Maryland State Board of Contract Appeals (MSBCA) issued an Order to vacating the State’s recommendation of award and ordering that DPSCS shall issue a new solicitation of the inmate pharmacy services contract. DPSCS and the recommended awardee of the new contract, Diamond Pharmacy Services (Diamond), filed Motions for Reconsideration with the MSBCA on 12/4/2012 requesting that the 11/27/2012 Order be withdrawn and the matter be heard on the merits of the procurement. On 1/10/2013, the MSBCA denied the State’s and Diamond’s Motions for Reconsideration of this Order; however, the Order was amended to strike the portion ordering the State to issue a new solicitation.

On 2/4/2013, the State filed a Petition for Judicial Review of the MSBCA decision in Baltimore City Circuit Court, and a motions hearing was scheduled for 5/24/2013 with a hearing on the merits following on 5/29/2013. It is anticipated that a decision by the Circuit Court will not be rendered on the State’s Petition for Judicial Review prior to expiration of the current extension of Correct Rx’s contract.

The modification amount reflects a 4% increase in the fixed monthly service fee. DPSCS has agreed to the Contractor’s request for the increase based upon the following reasons:
- The Contractor’s annual increased rent which has compounded each year;
- The Contractor’s utilities over the past 18 months have had two price increases;
- The Contractor’s medical insurance premiums rose 20% last year;
- The Contractor’s labor and packaging costs have increased due to the significant increase in the number of orders being processed every month; and
- Additionally, the Consumer Price Index (CPI) for Medical Care has risen 5.03%.

ITEM: 18-S-MOD (Cont.)

ORIGINAL PROCUREMENT METHOD: Non-Competitive Negotiated Procurement of Human, Social or Educational Services

MBE PARTICIPATION: 2%

MBE COMPLIANCE: 0.4%

REQUESTING AGENCY REMARKS: The Silver Oak Academy (SOA) is a staff-secure (non-fenced) residential program for boys that opened in July 2009 and is owned and operated by Rite of Passage, Inc. SOA provides a comprehensive program for male youth aged 14 to 18. The service components include: Education, Health Care, Cognitive Behavior Therapy, Family involvement, parent training, community service, restitution, recreation and aftercare planning. The Department of Juvenile Services (DJS) currently licenses this residential child care program to house up to 48 male youth.

DJS needs additional capacity within the State of Maryland for residential placements of youth who are court ordered to be placed in an appropriate residential program for treatment, education and care. Currently, there is an average daily population of 62 youth in detention facilities that are waiting for an available placement in staff secure programs.

DJS issued a Statement of Need (SON) to increase the licensed number of placements at the Silver Oak Academy (SOA) and published notice of the SON in the Maryland Register on November 2, 2012. DJS re-published the notice of a revised SON, which included additional data, on May 3, 2013. This SON is based on the need for intensive, highly structured, and therapeutic services, including after-care, for males between the ages of 14 and 21. These services will allow youth currently awaiting placement in detention around the State to be placed more quickly into a residential committed program, within the State of Maryland, that can safely and appropriately meet their therapeutic and security needs. The SOA filed an expansion request with the Governor’s Office for Children shortly after the notice was provided in the Maryland Register. The Governor’s Office for Children approved an expansion packet on November 27, 2012. Therefore, at this time, DJS is requesting approval to expand the capacity of the SOA program from 48 to 96 youth.

$ 323,469 (MVA)
$ 232,909 (MAA)

DESCRIPTION:
Approval request to create 24 federally funded positions and 15 special funded positions, pursuant to §7-236, State Finance and Procurement Article, and Section 32 of Senate Bill 150 (Budget Bill for FY 2013). This latter provision enables the Board of Public Works to authorize the creation of no more than 100 additional positions during Fiscal Year 2013. Twenty-four (24) of the requested positions are supported entirely with federal funds, which would be created outside the Rule of 100. These positions will be abolished when funds are no longer available. The other 15 positions will be created within the Rule of 100.
ITEM: 22-GM (Cont.)

REQUESTING AGENCY REMARKS: The State Highway Administration (SHA) is requesting 24 Federally Funded Positions under CFDA 20.205; Highway Planning and Construction for the Maryland Coordinated Highway Action Response Team (CHART).

SHA will be able to reduce traffic congestion and improve safety on weekends, evenings, and early morning hours in the state’s major metropolitan areas (Baltimore, Washington suburbs and Frederick) by increasing manpower resources dedicated to the Coordinated Highways Action Response Team (CHART). The CHART Program focuses on reducing the impact of non-recurring congestion and the occurrence of secondary incidents due to excessive delay and “rubbernecking” caused by initial accidents. Reducing these types of incident impacts through quick-clearance strategies and safety patrols will result in less traffic congestion and less unexpected delays while improving safety. The CHART Program has been an invaluable resource in reducing non-recurring congestion in the metro areas during traditional rush hour time periods. Non-recurring traffic congestion has expanded well beyond the traditional rush hour time frame. By expanding CHART patrols to 24/7 coverage in the state’s most congested traffic areas, SHA will be able to significantly reduce non-recurring traffic congestion during evening and weekends, improving citizen mobility and safety, and enhancing commerce throughout the state.

Key functions of the additional PINs:
Emergency Response Technician (ERT) – An ERT performs incident management/traffic congestion management duties, which include traffic control at incident scenes, assistance for disabled motorists, and reporting of real-time traffic information to the Statewide Operations Center (SOC) or Traffic Operations Center (TOC).

Highway Operations Technician IV (HOT IV) – The HOT IV is primarily a supervisor for the ERT’s and additional duties include overseeing incident operations, coordinating traffic system control, and providing incident/congestion management and communications.
ITEM:  22-GM (Cont.)

The Maryland Motor Vehicle Administration (MVA) is requesting 10 regular positions to implement Senate Bill 715 (MVA - Maryland Highway Safety Act of 2013) which was enacted during the 2013 Maryland General Assembly Session. The MVA is required to recover between 95% and 100% of operating and capital cost of the Motor Vehicle Administration through miscellaneous fees as set for in 12-120 (d).

Ten regular positions are requested to implement Senate Bill 715 (MVA - Maryland Highway Safety Act of 2013) which was enacted during the 2013 Maryland General Assembly Session. This bill expands the authority of the MVA to issue or renew a driver’s license, identification card, or moped operator’s permit. This bill repealed the sunset provision on the grandfathered products of House Bill 389 – (2009), allowing customers holding those products to renew indefinitely. In addition, the bill permits new applicants who cannot demonstrate lawful status but who have filed Maryland taxes for each of the preceding two years to receive a non-compliant product. The effective date of the legislation is January 1, 2014.

Regular full time merit positions

The ten positions will support key functions of the Maryland Department of Transportation – Motor Vehicle Administration:

- The 4 Customer Agents II positions will be needed to process the additional transactions created by the new driver license/identification card applicants.

- The 5 Driver's License Agent II positions will be needed to conduct the additional driving skills tests created by the new driver license applicants.

- The Administrator II position is needed to support/provide assistance to the MVA branch offices on various questions/issues related to the additional transactions resulting from this bill.
The Maryland Aviation Administration (MAA) is requesting 5 PINs to maintain service for expanded facility operations and passenger growth. The associated cost will be recovered by revenue received from increased passenger volume and related airline landing fees and facility charges paid by the commercial airlines that provide service to BWI Thurgood Marshall Airport as well as revenue from parking, rents and user fees, concession activity and fuel sales.

Overall staffing levels at MAA have decreased by 8% since 2008, while projected passenger traffic volume has increased 13%. In order to comply with federally mandated safety and security standards, maintain critical airport electrical grids at BWI Thurgood Marshall and Martin State Airports, grow market share and continue to provide a high level of customer service, MAA requires additional labor resources. These five additional positions will begin to address necessary staffing requirements to maintain current and projected electrical infrastructure supporting the increased airport capacity that the Maryland Aviation Administration has built as well as support the mission of the Office of Regional Aviation. The associated cost will be recovered by revenue received from increased passenger volume and related airline landing fees and facility charges paid by the commercial airlines that provide service to BWI Thurgood Marshall Airport as well as revenue from parking, rents and user fees, concession activity and fuel sales.

- The Skilled Trade Specialist III, Hi-Volt Electricians will work at BWI Thurgood Marshall and Martin State Airports responsible for maintaining critical safety and security related lighting and electrical circuitry in order to provide uninterrupted power to all parts of the terminals, airfields and surrounding grounds.

- The Airport Management Officer II will play a leading role in supporting the Statewide regulatory programs of MAA Office of Regional Aviation Assistance (RAA) including but not limited to inspection and licensing of over one hundred and forty landing facilities, obstruction evaluation, grant project inspection and management, budget oversight, aviation education outreach as well as supporting the Director of Regional Aviation in all statewide aeronautics duties.

| DEPARTMENT/PROGRAM: | Office of the Attorney General (OAG) |
|                     | Health Education and Advocacy Unit (HEAU) |

| CONTRACT ID: | OAGHEAU-1302; Print Media Purchasing for the Health Education and Advocacy Unit ADPICS # C81B3400008 |

| CONTRACT DESCRIPTION: | Provide for the placement of Print Advertisement (newspapers, magazines and other print media) for the Office of the Attorney General, Health Education and Advocacy Unit. |

| AWARD: | RetroBlue Agency |
|        | Baltimore, MD |

| AMOUNT: | $59,746 |

| PROCUREMENT METHOD: | Competitive Sealed Proposals |

| BIDS OR PROPOSALS: | Only One Proposal Received |

| MBE PARTICIPATION: | 5.4% (See Requesting Agency Remarks below) |

| VSBE PARTICIPATION: | 0% (See Requesting Agency Remarks below) |

| PERFORMANCE SECURITY: | None |

| INCUMBENT: | None |

| REQUESTING AGENCY REMARKS: | A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace and OAG’s website. Copies of the solicitation notice were sent directly to 52 prospective vendors, 38 of which are Maryland firms, 42 are certified MBEs, and 10 are VSBEs. A copy was also sent to the Governor’s Office of Minority Affairs. |
One proposal was received in response to the RFP, and it was determined to be reasonably susceptible of being selected for award. In addition, the Offeror was determined to be responsible, the financial offer was considered fair and reasonable, and it was determined that other potential offerors had a reasonable opportunity to respond to the solicitation. Therefore, award is recommended to RetroBlue Agency, the sole Offeror.

The Office of the Attorney General, Health Education and Advocacy Unit (HEAU) provides a range of services Statewide including, but not limited to:

- Assisting consumers with health insurance claim denials and appeals;
- Assisting consumers with disputes with private health insurance, group health plans [both private Employee Retirement Income Security Act (ERISA) and nonfederal governmental plans], Maryland’s high risk pool, preexisting condition insurance plans, or other public coverage;
- Assisting consumers in determining available health insurance options;
- Assisting consumers with medical and medical equipment billing disputes; and,
- Educating consumers about a myriad of health related issues, including, for example, the Affordable Care Act (ACA), how to read and understand medical bills and insurance forms, and consumer’s health insurance rights and responsibilities.

The HAU was cited as a model in Congressional testimony in support of early federal efforts to promote programs that would assist health care consumers, including the Health Care Consumers Assistance Fund Act of 2001. The HAU responds to approximately 2,000 written complaints and answers approximately 7,500 consumer hotline calls each year. It is believed that these numbers are low, and there are many more Maryland citizens who could utilize the types of assistance provided, if they knew the opportunity to obtain free assistance was available to them.

This contract is for print media buying services only. The HAU has an advertising campaign theme and graphic designs to be utilized for the campaign. The HAU received $60,000 through a grant from the Center for Consumer Information and Insurance Oversight (CCIIO) under the ACA to conduct a print media advertising and outreach campaign (such as newspaper, magazines and periodicals). All funds under the grant must be spent by August 22, 2013. The Contract provides for print media advertising services in newspapers and magazines throughout the State in the months of June and July.
ITEM: 23-S (Cont.)(SUPPLEMENTAL)

The only opportunity for MBE or VSBE subcontracting was determined to be the purchase of advertising space through minority-owned or veteran-owned publishers of newspapers and/or periodicals distributed in the State of Maryland. The print media campaign is also running simultaneously with a mass transit advertising campaign that is running in the jurisdictions where mass transit services are available. While it is desirable to reach all jurisdictions through the print media campaign there was a desire to focus on newspapers/periodicals with the largest distribution that would reach jurisdictions where there is little or no mass transit advertising opportunities.

There were five MBEs identified who publish newspapers/periodicals with the major distribution area being the in the Baltimore/Washington metropolitan areas where mass transit advertising will reach. Therefore, a 5% MBE participation goal was established to encourage the purchase of advertising services from the available MBEs and allow adequate funds available to better reach citizens in areas that would not be reached by other means. The recommended awardee has committed to a 5.4% MBE participation goal.

No VSBE participation goal was established since there are no registered Veteran-Owned Businesses that publish newspapers or other periodicals within Maryland. However, VSBEs were encouraged to participate as prime contractors.

DEPARTMENT/PROGRAM: Health and Mental Hygiene (DHMH)
Developmental Disabilities Administration (DDA)

CONTRACT ID: OPASS# 12-10716;
Quality of Life Survey
ADPICS # M00B4400118

CONTRACT APPROVED: 3/7/2012 DBM BPW Agenda Item 4-S

CONTRACTOR: Inclusion Research Institute
Washington, DC

CONTRACT DESCRIPTION: Provide an assessment of personal outcome
achievement and satisfaction of services for people with developmental disabilities receiving
funding from the DHMH Developmental Disabilities Administration (DDA).

OPTION DESCRIPTION: Approval request to exercise the single one-
year renewal option as contained in the original contract.

TERM OF ORIGINAL CONTRACT: 4/1/2012 - 6/30/2013 (w/1 one-year renewal
option)

TERM OF OPTION: 7/1/2013 – 6/30/2014

AMOUNT OF ORIGINAL CONTRACT: $463,962 (1 Year)

AMOUNT OF OPTION: $281,733 (1 Year)

PRIOR MODIFICATIONS/OPTIONS: None
ITEM: 24-S-OPTION (Cont.)

REVISED TOTAL CONTRACT AMOUNT: $745,695

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Bidding

MBE PARTICIPATION: 39%

MBE COMPLIANCE: 41%

REQUESTING AGENCY REMARKS: Request for approval to exercise the single one-year renewal option as contained in the original contract to provide services for administering the 2014 Quality of Life Survey to include conducting face-to-face surveys with adult consumers and mail-in surveys with their families and preparing the survey results for the web-based data entry system (ODESA).

During the base term of the contract, Inclusion Research Institute has performed the services as required in a satisfactory manner. Therefore, it is in the best interest of the State to exercise this renewal option.

Since this is the only available renewal option for this contract the Department will re-solicit for these services during the renewal period. A new contract is expected to be in place prior to the expiration of this contract.

410-767-6241
Izzy.pakoka@maryland.gov

DEPARTMENT:
Boards and Commissions - Community Initiatives (GOCI)

AMOUNT OF REQUEST:
$46,500

DESCRIPTION:
Additional funding is needed for the Maryland Governor's Office on Service and Volunteerism (GOSV), a unit of the Governor's Office of Community Initiatives (GOCI). In May 2013, the GOSV was notified by an AmeriCorps grantee, the Maryland Institute College of Arts (MICA) Community Art Collaborative program, that it had not received a $93,000 grant payment for the prior grant year (2011-2012) submitted in July 2012. MICA has been an AmeriCorps program funded through the GOSV for the last eight years, and it has been a high performing program. Once financial records were checked to confirm the payment had not been received by another unit at MICA, the Executive Director of GOCI met with MICA to form a joint solution. It was agreed that MICA and the State of Maryland would each participate at a 50% level. Therefore, the GOSV is requesting $46,500 from the Contingency Fund to contribute to resolve this issue.

FUND SOURCE:
FY2013 Contingent Fund

APPROP. CODE:
D05E01

REQUESTING AGENCY REMARKS:
The funding for this FY2013 deficiency amount is being requested from the FY2013 Contingent Fund. It is expected that MICA will also raise the same amount of funds, to resolve this issue. If approved, the funds will be transferred from the Contingent Fund to GOCI to provide funds to its AmeriCorps grantee.

DBM REMARKS:
The Secretary of Budget and Management has certified that funds are available from the FY2013 Contingent Fund.

ITEM:  2-C (continued)

MBE PARTICIPATION:  25%

PERFORMANCE BOND:  A 100% performance bond is required.

REQUESTING INSTITUTION REMARKS:  The solicitation was advertised in eMaryland Marketplace and distributed to the Office of Minority Affairs and other MBE associations. Six technical proposals were received of which four achieved the required minimum technical score and were invited to oral presentations. Following oral presentations the four proposers were invited to submit pricing. Award is recommended to Plano-Coudon who achieved the highest combined technical and financial score. Plano-Coudon presented an competent construction management team and demonstrated through their experience a strong understanding of the project.

The estimated construction cost for this project is $15,325,000. This Item recommends award for pre-construction services only. If the University and the Contractor agree to a Guaranteed Maximum Price for construction, the University will return to the Board with a recommendation to modify the contract to include the actual construction costs that will include the CM’s construction services fee.

CONTRACT ID:  Architectural and Engineering Design Services for  
H. J. Patterson, Wing 1, Floors 1, 2, 3 & 4  
Master Contract B-004665-N  
Project # 10-416-068-00

CONTRACT APPROVED:  IDC A/E services (USM Item 5-A/E [2/08/12])

CONTRACTOR:  Design Collective, Inc.  
Baltimore, MD 21202

CONTRACT DESCRIPTION:  Design services for renovation of approximately 37,000 nsf on the 1st, 2nd, 3rd and 4th floors of Wing #1 of H.J. Patterson Hall to assorted offices and meeting spaces for international program units. This work is the beginning of the International Center for the University. Space needs complete infrastructure renovation to include architectural, mechanical, electrical, plumbing, fire protection, and structural engineering services. The estimated construction cost for this project is: $12.7 million.

TERM:  Design Phase: 47 weeks  
Construction Phase: 52 weeks/12 months

AMOUNT:  $1,216,718

PROCUREMENT METHOD:  USM Procurement Policies and Procedures for Architectural and Engineering Services Selection (Task Order Issued under existing IDC AE Program)

MBE PARTICIPATION:  25%

PERFORMANCE SECURITY:  N/A
ITEM: 3-AE (continued)

REQUESTING INSTITUTION REMARKS: The Architect/Engineer has submitted an acceptable fee proposal and the University seeks Board approval to issue a task order under the existing IDC A/E contract with this firm. Approval is requested for all phases of the design. Design Collective was selected in the normal rotation among the A/E IDC firms. The A/E brings a strong, experienced, integrated design team to the process. Their proposal demonstrates the A/E’s understanding of the cost and schedule requirements for the project. Design Collective’s resume of completed projects indicates that they can complete the project successfully. Facilities Management/Department of Capital Projects at the University of Maryland, College Park will manage the Architect/Engineer’s work with procurement support from the University’s Department of Procurement and Supply.

ITEM 1-IT OPT (Cont’d)

REMARKS: The APRISS notification system provides:

- Protective order notifications
- Citizen notification (e-mail/phone) when sex offender movement within zip code.
- Victim notification when a specific sex offender changes addresses (including release from correctional facility).
- Justice exchange notification to state and local jurisdictions nationwide when offender is arrested or released from a correctional facility.

DPSCS has determined that continuation of this contract is needed because the proprietary Appriss software and processes are the only source that can achieve the required notifications. This service provides links to 65% of all jail systems in the country and no other service provides this level of connectivity. Appriss, Inc. has provided excellent service and continues to fulfill its contractual obligations. It is in the best interest of the State to exercise the remaining options. There are no elements of work on this proprietary technology service to subcontract; therefore no MBE participation.

*Option Approval:* Although this sole-source contract contained the two renewal options when it was entered into, the Agenda Item that the Board of Public Works approved stated that the contract had only a three-year base term, omitting any mention of the options. This was an error as the options should have been included.

CONTRACT DESCRIPTION:
On-site staff and support for the Maryland Automated Fingerprint Identification System.

AWARD:
Cogent Systems, Inc., Pasadena, CA

TERM:
November 1, 2013 – October 31, 2016

AMOUNT:
$1,530,437.00

PROCUREMENT METHOD:
Sole Source

MBE PARTICIPATION:
14%

INCUMBENT:
Same

REMARKS: This contract provides full-time, on-site staff and support to maintain and monitor the proprietary portion of the Maryland Automated Fingerprint Identification System (MAFIS), as well as general support for MAFIS operational processing. The support staff will monitor AFIS transactions, monitor hardware status, perform hardware maintenance, monitor and configure system performance, provide user support, and provide monthly performance reports. This staff will also implement changes to the MAFIS components. They will work a staggered schedule to provide maximum coverage and will be on call to provide 24 x 7 coverage. Occasional maintenance will be required for testing changes and upgrading the MAFIS system. Due to the proprietary hardware, software, and system design of the Cogent System, this work can only be done by Cogent Systems, Inc. Cogent Systems, Inc. has been performing this service for the Department of Public Safety and Correctional Services and has provided excellent customer service and fulfilled its contractual obligations.

PROCUREMENT METHOD:  Competitive Sealed Proposals
Single Proposal Received

PROPOSALS:  Pearson Educational Measurement

MBE PARTICPATION:  5.53 %

INCUMBENT:  None
ITEM 3-IT (Cont’d)

REMARKS: A notice of availability of the Request for Proposals was advertised at the website eMaryland Marketplace.com and a copy was sent to the Governor’s Office of Minority Affairs.

Of four proposals submitted, only one was susceptible for award. Award is recommended to Pearson Educational Measurement. Pearson demonstrated in-depth experience and expertise in developing a customized TIBS and CAT systems, and presented a favorable financial proposal.

This contract will support the State’s Race To The Top reform agenda by engaging an expert to implement the TIBS and CAT to share with the teachers, students, and administrators throughout the State. TIBS is an electronic repository for test items that are used by teachers to select items and create tests that are administered to students online. Score reports are generated immediately to show student performance on the test. CAT is a system that selects successive items based on how test taker answers previous items to maximize precision of test taker’s ability, in an efficient manner.

The CAT/TIBS system will provide Maryland teachers with diagnostic information and is expected to reduce the workload of teachers, improve teacher analysis of student instructional needs, and allow more time to be allocated to instructional delivery. Key benefits of the CATS/TIBS system include;

- Test can be taken anytime and anyplace
- Scores are available immediately
- Test can be individually paced to accommodate for learning and test styles
- Knowledge acquisition can be more fully analyzed on an individual basis
- Tests can be standardized using an item bank across teachers and classes

CONTRACT ID: IBML Scanners
IFB 1302; ADPICS No.: E00B3400075

CONTRACT DESCRIPTION: Provide and install two IBML scanners and related software and configuration to process paper tax returns, forms, payment coupons, checks using IBM’s Intelligent Forms Processing software and Fairfax Imaging’s Quick Models software.

AWARD: Fairfax Imaging, Rockville

TERM: 07/01/13 – 06/30/18

AMOUNT: $1,086,820.

PROCUREMENT METHOD: Multi-Step Competitive Sealed Bid

BIDS: Fairfax Imaging $1,086,820
EDAC $1,226,062

MBE PARTICIPATION: 0%

INCUMBENT: None

REMARKS: A notice of the availability of the Invitation for Bids was advertised on eMarylandMarketplace and the Comptroller’s website. Six authorized IBML resellers were directly solicited. Of the two technically-qualified bids received, Fairfax Imaging provided the lower price. The IBML scanners are available only from IBML (the original equipment manufacturer) or an IBML authorized reseller. Installation, customization, warranty, and maintenance support are only provided by the OEM, as the hardware and software are proprietary to IBML. While an IBML authorized reseller might be a MBE and awarded the contract as the prime contractor, the IBML scanners and supporting services will be provided by IBML, who under those circumstances would serve as a subcontractor; therefore, there are no MBE subcontracting opportunities.

DBE PARTICIPATION: 10%

PERFORMANCE SECURITY: Performance Bond at 100% of Contract Amount

REMARKS: The Engineer's Estimate for this contract was $1,790,700.

This Solicitation was advertised in eMaryland Marketplace and on MTA’s Web Site. One hundred and fourteen (114) firms received proposal packages; fifty one (51) were Maryland firms. Five (5) proposals were received.
This contract is for the installation of a chemical detection system to provide increased security at the Johns Hopkins Metro Station. The system alarms shall be integrated into the existing Johns Hopkins Station surveillance camera system, the Metro Operations Control Center (OCC), and the MTA Police Monitoring Facility (PMF). Appropriate software additions or modification shall be provided, as necessary, to enable these systems alarms and video images to appear within the existing monitoring system.

Through both their technical proposal and oral presentation, Federal Signal has demonstrated the capability to deliver a chemical detection system that meets the MTA’s requirements and for which can be delivered within the required time frame. The solution as offered by Federal Signal has a greater degree of flexibility in that it is modular which will provide easier and low cost maintainability. Their solution employs the easiest user interface and the greatest degree of scalability should the MTA need to add additional chemicals to its repertoire of agents for which it is sensitive. It was determined that the technical differences between the three offers did not offset the difference in price; therefore, award is recommended to Federal Signal as having the more advantageous offer for the State.

Baltimore County
ADPICS NO. CO294442

ORIGINAL CONTRACT APPROVED: Item 2-C, DOT Agenda 05/08/2011

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Bidding

CONTRACTOR: Tech Contracting Company, Inc.
Baltimore, Maryland

CONTRACT DESCRIPTION: Pursuant to § 11-204(c) of the State Finance and Procurement Article of the Annotated Code of Maryland, retroactive approval is requested for Modification No. 1. This modification is to provide non-compensatory additional time on a performance based contract to compensate the contractor for time delays beyond their control.

AMOUNT: $0

ORIGINAL CONTRACT AMOUNT: $2,783,900

REVISED CONTRACT AMOUNT: $2,783,900

PERCENTAGE INCREASE: 0%

TERM: 06/01/2011-09/30/2012
10/01/2012 – 12/31/2013 (Modification No. 1)

MBE PARTICIPATION: 20% (MBE Compliance 13.78%)

REMARKS: This Contract consists of construction of a new salt structure and brine manufacturing facility at SHA’s Rt. 7 maintenance yard.

Modification No. 1 is for a total of 14 months. 148 days were added to the contract for additional work and remaining days were added for administrative close-out of the contract. The additional work was due to the fact that the existing soil was unstable due to voids and waste roadway materials. The area was previously a dumpsite with tree stumps, tires, old concrete and metal pipe, guardrail, inlets and tree trimming and other organic materials.

### DBE PARTICIPATION:

- 32% (Contract A)
- 27% (Contract C, D & E)

### REMARKS:

The Solicitation was advertised in The Daily Record, eMaryland Marketplace, and on the SHA and MTA Web Sites. A total of eleven (11) engineering consultant firms were sent the Request for Proposals for these services. Eleven (11) Technical Proposals were received. All were Maryland firms.
The Consultants will provide project development and environmental planning for the MTA’s Office of Planning on an “as-needed” task order basis. These services would include, but are not limited to, project planning, environmental documentation, historic evaluation, conceptual design and preliminary engineering.

In addition, the services may include, but are not limited to the following project tasks: site selection and evaluation, site planning and design, conceptual engineering, preliminary engineering, environmental evaluations and documentation, traffic studies, alternatives analysis and feasibility studies, ridership forecasting, capital and operating cost estimates, public involvement, architectural/landscape architecture/urban design and other related services as required.

Each contract includes a provision authorizing an extension for up to one-third of the original term to spend funds remaining on the contract as provided in Revised Board Advisory 1995-1.

The DBE subcontracting goal established for these contracts is 27%. It should be noted that Contract A is committing to exceed the goal by 5%.

REMARKS: The Solicitation was advertised in The Daily Record, eMaryland Marketplace, and on the SHA and MTA Web Sites. A total of three (3) engineering consultant firms were sent Request for Proposals for these services. Three (3) Technical Proposals were received. All were Maryland firms.

The Consultant will provide rolling stock for the MTA’s Systems Engineering Division on an “as-needed” task order basis. These services will provide support for the procurement of locomotives, buses, paratransit and rail passenger vehicles to be operated on various MTA service routes. The Consultant will also assist in managing technical programs primarily requiring vehicle, electrical/electronic and mechanical engineering expertise.

These services may also include, but are not limited to the following tasks: initial planning, product research, preliminary engineering and specification development, final design engineering, systems integration engineering, revenue support services, safety and systems assurance, configuration management engineering, commissioning and testing, procurement and warranty support, manufacturing and in-plant vehicle or equipment inspections, maintenance engineering support, rolling stock related technical and support tasks, management of fleet retrofits/modifications, vehicle inspections and test personnel qualification criteria and other related services as required.

Each contract includes a provision authorizing an extension for up to one-third of the original term to spend funds remaining on the contract as provided in Revised Board Advisory 1995-1.

The DBE subcontracting goal established for these contracts is 28%. It should be noted that Contract B is committing to exceed the goal by .75%.

REMARKS: The Solicitation was advertised in The Daily Record, eMaryland Marketplace and SHA web page. A total of fifteen (15) engineering consultant firms submitted technical proposals for this project, of which all are Maryland firms.
The Consultant shall perform various traffic engineering studies, analysis, or design services as applicable to the project assignments made by the District. Services furnished by the Consultant may be for the accomplishment of SHA’s Candidate Safety Improvement, Congested Intersection Improvement, and Quick Action Projects Programs.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term on the original contract to spend funds remaining on the contract as provided in Board Advisory 1995-1.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA

CONTRACT MODIFICATION: (Architectural and Engineering Services)

ITEM: 9-AE-MOD

MARYLAND TRANSIT ADMINISTRATION

CONTRACT ID: MTA-1265A
On-Call General Engineering Consultant (GEC) Services
ADPICS NO. CO292762

ORIGINAL CONTRACT APPROVED: Item 27-AE, DOT Agenda 09/22/10

ORIGINAL PROCUREMENT METHOD: Architectural and Engineering Services Act

MODIFICATION: Modification No. 1 provides for an increase in funds to continue various ongoing projects throughout the final design of the contract for the MTA’s Transit Development and Delivery Division. This contract supports the Baltimore Red Line Project.

CONTRACTOR: PB Americas, Inc./Rummel, Klepper & Kahl, LLP – Joint Venture
Baltimore, Maryland

AMOUNT: $112,600,000

ORIGINAL CONTRACT AMOUNT: $80,000,000

REVISED CONTRACT AMOUNT: $192,600,000

PERCENTAGE INCREASE: 141% (Modification No. 1)

TERM: 09/23/10 – 09/22/18 (Original)

DBE PARTICIPATION: 25% (DBE Compliance 20.27%)

REMARKS: The MTA is requesting additional contract authority in the amount of $112,600,000.

Using State Highway Administration (SHA) and Maryland Transportation Authority (MdTA) management of large projects as a model, MTA elected to utilize a two-tier structure in which Program Management Consultants (PMC) would perform management and quality assurance functions as extensions of MTA staff and oversee the work of General Engineering Consultants (GEC). The scopes of work were broadly written without reference to specific projects. With a value of $60 million each for two PMC contracts and $80 million each for two GEC contracts, the four contracts were the largest awarded by the MTA. (See related Item 10-AE-MOD)
The value of the contract in 2008 did not contemplate full, timely funding of the New Starts projects. However, by the time the contracts were awarded in 2010, MTA had selected the Locally Preferred Alternatives for the Red Line and had begun Advanced Conceptual Design in preparation for federal approval of preliminary engineering (PE). By 2010, it was clear that the value of the contract would not be enough to complete design, and MTA expected to return to the Board of Public Works for additional contract authority. PE approval was granted in 2011, and that work is underway now with State funding.

The combination of timely PE approval and full State funding has quickly exhausted the contract value of the GEC ($77.8 million of the Contract value of $80 million).

Although this is a significant contract modification, MTA has determined that is in the State’s best interest and that it would be infeasible to procure new contracts to complete the design work for the Baltimore Red Line for the reasons below.

Staff continuity through the design process is critical. The project is highly complex in terms of its design elements, including stakeholder, railroad, and utility coordination, as well as scheduling and contract packaging. The project teams are well established with substantial investments in staff relocation, project orientation, training, and document control procedures. The project would incur significant costs, schedule days and additional risk if we were to transition to new teams.

Substantial progress has been made on design drawings. By the time current contract value is expended, MTA expects to have completed the PE phase, with drawings at an average of 30 percent depending on the project element. For professional liability reasons, new consultants would expect to be compensated to review and sign off on prior work as their own. FTA oversight of the projects includes an evaluation of the technical capability and experience of the project team. Prior to PE approval, MTA submitted detailed resumes for the key consultant staff and FTA followed up with interviews. With new contracts, this process would have to be repeated. If MTA was to begin a new procurement now, new contracts would not be available in time to avoid a period when no work could occur. Based on an 18-month procurement schedule this gap would be six months which is enough to delay completion of the projects for one year.

Escalation associated with a one-year delay is approximately $75 million per project. Because of the PMC/GEC structure, current PMC firms would be precluded from proposing for the project to which they are already assigned. This would limit the pool of capable firms, particularly MBEs. This request provides for contract authority through Final Design of the project which is expected to be completed in 2016.

The DBE goal for this project was set at 25%. By the end of FY 2013, the contract will have attained 23% once the invoices are processed.

ACTION AGENDA

CONTRACT MODIFICATION: (Architectural and Engineering Services)

ITEM: 10-AE-MOD

MARYLAND TRANSIT ADMINISTRATION

CONTRACT ID: MTA-1264B
On-Call Program Management Consultant (PMC) Services
ADPICS NO. CO292734

ORIGINAL CONTRACT APPROVED: Item 12-AE, DOT Agenda 02/24/10

ORIGINAL PROCUREMENT METHOD: Architectural and Engineering Services Act

MODIFICATION: Modification No. 2 provides for an increase in funds to continue various ongoing projects throughout the final design of the contract for the MTA’s Transit Development and Delivery Division. This contract supports the Baltimore Red Line Project.

CONTRACTOR: Jacobs/STV – Joint Venture
Baltimore, Maryland

AMOUNT: $33,500,000

ORIGINAL CONTRACT AMOUNT: $60,000,000

REVISED CONTRACT AMOUNT: $93,500,000

PERCENTAGE INCREASE: 56% (Modification No. 2)

TERM: 03/01/10 – 02/28/18 (Original)

DBE PARTICIPATION: 25% (DBE Compliance 18.73%)

REMARKS: The MTA is requesting additional contract authority in the amount of $33,500,000.

Using State Highway Administration (SHA) and Maryland Transportation Authority (MdTA) management of large projects as a model, MTA elected to utilize a two-tier structure in which Program Management Consultants (PMC) would perform management and quality assurance functions as extensions of MTA staff and oversee the work of General Engineering Consultants (GEC). The scopes of work were broadly written without reference to specific projects. With a value of $60 million each for two PMC contracts and $80 million each for two GEC contracts, the four contracts were the largest awarded by the MTA. (See related Item 9-AE-MOD)
The value of the contract in 2008 did not contemplate full, timely funding of the New Starts projects. However, by the time the contracts were awarded in 2010, MTA had selected the Locally Preferred Alternatives for the Red Line and had begun Advanced Conceptual Design in preparation for federal approval of preliminary engineering (PE). By 2010, it was clear that the value of the contract would not be enough to complete design, and MTA expected to return to the Board of Public Works for additional contract authority. PE approval was granted in 2011, and that work is underway now with State funding.

The combination of timely PE approval and full State funding has exhausted 50% of the PMC’s contract value of $60 million, three years into the eight year duration of the contract.

Although this is a significant contract modification, MTA has determined that is in the State’s best interest and that it would be infeasible to procure new contracts to complete the design work for the Baltimore Red Line for the reasons below.

Staff continuity through the design process is critical. The project is highly complex in terms of its design elements, including stakeholder, railroad, and utility coordination, as well as scheduling and contract packaging. The project teams are well established with substantial investments in staff relocation, project orientation, training, and document control procedures. The project would incur significant costs, schedule days and additional risk if we were to transition to new teams.

Substantial progress has been made on design drawings. By the time current contract value is expended, MTA expects to have completed the PE phase, with drawings at an average of 30 percent depending on the project element. For professional liability reasons, new consultants would expect to be compensated to review and sign off on prior work as their own. FTA oversight of the projects includes an evaluation of the technical capability and experience of the project team. Prior to PE approval, MTA submitted detailed resumes for the key consultant staff and FTA followed up with interviews. With new contracts, this process would have to be repeated. If MTA was to begin a new procurement now, new contracts would not be available in time to avoid a period when no work could occur. Based on an 18-month procurement schedule this gap would be six months which is enough to delay completion of the projects for one year.

Escalation associated with a one-year delay is approximately $75 million per project. Because of the PMC/GEC structure, current PMC firms would be precluded from proposing for the project to which they are already assigned. This would limit the pool of capable firms, particularly MBEs. This request provides for contract authority through Final Design of the project which is expected to be completed in 2016.

The DBE goal for this project was set at 25%. By the end of FY 2013, the contract will have attained 22% once the invoices are processed.

CONTRACT MODIFICATION:

ITEM: 16-M-MOD

MARYLAND PORT ADMINISTRATION

CONTRACT ID: 212016-S
Hazardous and Nonhazardous Waste Management
ADPICS NO. CO295702

ORIGINAL CONTRACT APPROVED: Item No. 6-M, DOT Agenda 8/1/12

ORIGINAL PROCUREMENT METHOD: Competitive Sealed Bidding
(One Bid Received)

CONTRACTOR: ELK Transportation, Inc.
Reading, PA

MODIFICATION: Pursuant to § 11-204(c) of the State Finance and Procurement Article of the Annotated Code of Maryland, retroactive approval is requested for Modification No. 1. This modification is a credit for $129,938 for a reduction in prices for transporting nonhazardous soil.

AMOUNT: ($129,938)

ORIGINAL CONTRACT AMOUNT: $9,936,108

REVISED CONTRACT AMOUNT: $9,806,170

PERCENTAGE DECREASE: -1.31% (Modification No. 1)

TERM: 9/22/12 - 9/21/15 (Original)
3/08/13 - 9/21/15 (Modification No. 1)

MBE PARTICIPATION: 5 % (MBE Compliance 0 %)

REMARKS: This contract provides for waste management services for MPA, including transportation, storage, disposal, testing, and treatment of hazardous wastes (as defined by federal and Maryland state law) and nonhazardous wastes located on MPA property. The waste may be in a liquid, slurry, sludge, or solid form. The original bid included a single line item for transporting both hazardous and nonhazardous waste, requiring the contractor to bid the same price for transporting nonhazardous material as for hazardous. As of March 8, 2013, the Contractor agreed to reduce the price for transporting nonhazardous soil.
This contract requires 5% MBE participation. To date no payments have been made to the MBE subcontractor because less than $31,000 of the work has been assigned by MPA. The MBE subcontractor’s gross share of that $31,000 of work to date would be worth $1,500 at most (assuming the MBE sub could participate to a full 5%), an insignificant amount. The contractor will start to meet its MBE goal of 5% as soon as MPA requires substantial removal of chrome-contaminated soil from Dundalk Marine Terminal.

CONSTRUCTION CONTRACT

ITEM 1-C

DEPARTMENT OF GENERAL SERVICES Statewide, Maryland

CONTRACT NO. AND TITLE Project No. DGS-12-308-IQC
Indefinite Quantity Contract to Provide Statewide Boiler Repairs & Related Work in the Central Region, Eastern Region, Southern Region and Western Region; for Multiple Electrical Projects with Fees $200,000 or less.

DESCRIPTION – Approval is requested for an Indefinite Quantity Contract (IQC) to provide statewide on call service for the repair and related work for boiler services for various State agencies contracted through the Maryland Department of General Services in four (4) regions (eastern, central, southern and western), on an as needed basis and provide all labor and materials for projects on a fixed price basis in accordance with pre-approved labor rates. The contracts will be effective for three (3) years plus time required for completion of task orders issued prior to the completion date. Individual projects awarded under this IQC may not exceed $200,000; however, the aggregate fee for the total number of projects awarded to any one firm in each region may not exceed $500,000. Individual task orders under this IQC will be competitively bid among all qualified firms.

CONSTRUCTION CONTRACT

ITEM 1-C (Cont.)

REMARKS – A notice of the availability of the Request for Proposal (RFP) was advertised on eMarylandMarketplace (eMM) and the DGS Bid Board on April 27, 2012. One hundred and eighty five (185) vendors were contacted through eMM for this solicitation. Seven (7) firms submitted technical proposals by the June 1, 2012.

The Evaluation Committee convened on June 7, 2012 through August 27, 2012 to evaluate the technical proposals of the seven (7) firms. Each member of the Committee read and evaluated each proposal. Criteria considered in the evaluation process included: general competence based on evaluation of resumes of key personnel proposed for each firm; firm experience, experience as demonstrated by providing similar services on three (3) representative projects; past performance by the firm, company profile and annual sales volume.

On October 5, 2012, a request for price proposals was sent to the qualifying firms, with a due date of October 25, 2012. The Qualification Committee convened on November 7, 2013 through February 1, 2013 to review the price proposals and five (5) firms were within the maximum allowable percentage. Two (2) firms were requested to complete a Best and Final Officer (BAFO); with one firm to be considered unacceptable for award.

This contract will allow DGS to more rapidly respond to critical repair needs at State facilities when the use of competitive sealed bidding is not possible due to time required or, when emergency conditions exist that may subject the State to inflated pricing.

MBE Participation will be established by each task order.

MAINTENANCE CONTRACT

ITEM  7-M (Cont.)

REMARKS

A notice of availability of an Invitation for Bids (IFB) was posted on DGS Web Site, Bid Board, and eMaryland Marketplace.com with a 10 % Minority Business Enterprise goal. Five bids were received for the bid opening on March 26, 2013.

All bids received in response to the Invitation To Bid exceeded the agency’s budget with no additional funds to permit the purchase and to adjust quantities to come within available funds. For this reason, all bids were rejected and the solicitation was conducted as Negotiated Award After Unsatisfactory Competitive Sealed Bidding.

On April 18, 2013 four of the five bids were determined responsive and responsible and those bidders were invited to submit a revise bid under revised specifications, which reduced the work hours. Of the four bids returned, one bidder declined to submit a revised bid, two bids again exceeded the agency’s budget, and one bid came in within the agency’s budget.

The recommended contractor, BTI Security, Inc. has been found responsive and responsible and has confirmed their bid.

DEPARTMENT OF GENERAL SERVICES
ACTION AGENDA

EQUIPMENT

ITEM 9-E (Cont.)

REMARKS (Cont.)

The Invitation to Bid (ITB) consisted of three (3) line items, (A) one (1) Truck, Cab and Chassis with (B) Aerial Bucket & (C) Rail Gear

(A) One (1) Three (3) Man Line Body/Rotating Aerial Platform and Railgear
(B): One (1) Three (3) Man Aerial Utility Line Vehicle with Railgear
(C): One (1) Two (2) Man Aerial Utility Line Vehicle with Railgear

Maryland Transit Administration (MTA) authorities reviewed product information submitted with the apparent low bid for Item (A), from Western Star Trucks of Delmarva, of Mardela Springs, MD (Western Star) and determined that the truck being offered met specifications.

MTA authorities reviewed product information submitted with the apparent low bid for Line Items (B) and (C), from Western Star and determined that the equipment being offered did not meet specifications for the following reason:

The specifications called for the rail gear (the mechanism by which the truck is able to travel on light rail tracks) to be that of the manufacturer Mitchell Equipment Corporation (Mitchell), or a State approved equal. The rail gear offered by Western Star is manufactured by Diversified Metal Fabricators, Inc. (DMF), and was determined to not be equal to that of Mitchell. Furthermore, this fact was acknowledged after the bid opening by the representative from Western Trucks, in correspondence sent to the Procurement Officer and MTA Authorities.

After review of the product information submitted by the second low bidder – Beltway International Trucks, LLC, of Baltimore, MD (Beltway), for Line Items (B) and (C) MTA authorities determined that the trucks being offered did not meet specifications because Beltway was also offering DMG rail gear.

Based on the above, the Procurement Officer recommends award of Item (A) to Western Star, and rejection of all bids for Items (B) and (C).

MBE PARTICIPATION  
None (See Requesting Agency Remarks below)

INCUMBENT  
Same

AGENCY REMARKS  
By legislative mandate (HB860) effective July 1, 2004, MSDE assumed the operation of the Educational Program at the Charles H. Hickey, Jr. School (Hickey School), located in Baltimore County, Maryland, which is a State-owned facility operated by the Department of Juvenile Services (DJS) for the rehabilitation of male youth offenders.
EQUIPMENT LEASE

ITEM 10- E (Cont.)

AGENCY REMARKS (Cont.)
The school space at the Hickey School used by the MSDE to conduct classes are in leased relocatable buildings. The size of the buildings (15,120 square feet) was based on providing instruction and support services for 48 to 72 students. Currently, the student population ranges between 56 to 72. Furthermore, about 50% of the student population is special education. Students who often require special instruction for part or all of their class work on a daily basis, to meet the legal and educational needs of these students, it has been necessary to continue this program with the leasing of these classrooms. These classrooms were obtained from an intergovernmental cooperative purchasing agreement through an existing Baltimore County Public Schools competitively bid contract. Until permanent classrooms are made available for the education program, the only alternative is to continue to lease the modular classrooms to accommodate the education program of the youths.

Since this is a lease with a single vendor, there are no opportunities for MBE subcontracting goal.

RECOMMENDATION:
That the Board of Public Works authorize that funds be encumbered for the following grant:

Montgomery College
Rockville – New Student Services Center - Design
The new 125,000 GSF Student Services Center will provide one stop shopping for student and administrative services including Admissions and Registration, Financial Aid, Cashier, Student Development, Bookstore, Food Service, Provost, and School of Education. These functions and departments are scattered among nine different buildings currently. Bringing the functions together in one location will improve operational efficiencies for the students.

RECOMMENDATION:
That the Board of Public Works authorize that funds be encumbered for the following grant:

Montgomery College
Germantown - Science and Applied Studies (SAS) Building Renovation/Addition - Design

The renovation of the 71,082 GSF Science and Applied Studies Building and construction of a 27,500 GSF addition will provide upgraded and modernized classrooms, labs, offices, and support spaces for the Physics, Engineering, and Mathematics departments. This will provide support for ongoing workforce needs and will enhance the State’s continued focus on science, technology, engineering, and mathematics (STEM) education.

ITEM  19-CGL

DEPARTMENT OF HEALTH AND MENTAL HYGIENE

NAME OF GRANTEE/BORROWER  Supported Housing Developers, Inc.
1421 Madison Park Drive
Glen Burnie, MD 21060

PROJECT NO. AND TITLE  Project No.: MHA-CB-08807-05;
Acquisition: 10 Silverwood Circle #11
Annapolis, Maryland 21403

DESCRIPTION  Approval is requested for:
1. A State grant of $106,361.00 to assist Supported Housing Developers, Inc. in the cost of acquiring a two-bedroom and two bathroom home at 10 Silverwood Circle #11, Annapolis, Maryland 21403. The home will provide housing for two persons with severe and persistent mental illness.

2. A Waiver of Priority Declaration and Subordination Agreement. Grantee has been approved for a first priority mortgage loan of $39,339.00 from Sandy Spring Bank to acquire 10 Silverwood Circle #11, Annapolis, Maryland 21403, contingent on the Department of Health and Mental Hygiene (DHMH) subordinating its right of recovery to the Sandy Spring Bank loan.

APPRAISALS  The contract price for the property is $145,000.00. Two appraisals were obtained as follows:

$150,000.00  Jason D. Lewis, Treffer Appraisal Group, Arnold, MD
$152,000.00  Frederick S. Lewis III, Tidewater Properties Appraisals, Queenstown, MD

Based on a review of these appraisals, the Department of General Services, Real Estate Office approved a fair market value of $150,000 State participation is limited to the lesser of the value approved by the Department of General Services or acquisition cost.

AWARD AMOUNT  $145,700.00*

*Eligible project costs include $145,000.00 for acquisition and $700.00 for appraisals for a total of $145,700.00. The State is participating in 73% of the total eligible project costs or $106,361.00.

ITEM 19-CGL (Cont.)

REMARKS

Supported Housing Developers, Inc. is a nonprofit organization incorporated in 1994 that provides quality, low-cost housing units throughout Anne Arundel County to individuals with severe and persistent mental illness and co-occurring disorders.

The Waiver of Priority Declaration and Subordination Agreement has been reviewed and approved for legal sufficiency by an Assistant Attorney General for the Department of Health and Mental Hygiene.

In accordance with Subtitle 6 of the Health-General Article of the Annotated Code of Maryland, the Board’s approval is further contingent upon the State’s right of recovery being included in the Deed(s) or otherwise recorded among the Land Records of Anne Arundel County.

No State funds will be disbursed until the grantee has presented suitable evidence to the Office of Comptroller that it has expended the required matching funds for this project. After the grantee has met this requirement, all future invoices will be submitted to the Office of Comptroller, who will disburse the State portion in amounts equal to the invoices submitted.

ITEM 21-E

MARYLAND TRANSIT ADMINISTRATION (MTA)

CONTRACT NO. AND TITLE  ADPICS# 001P3100100 – One (1) Diesel Truck, Cab and Chassis with Aerial Bucket & Rail Gear

DESCRIPTION  Board of Public Works approval is requested for the purchase of one (1) Truck, Cab and Chassis with Aerial Bucket & Rail Gear

PROCUREMENT METHOD  Competitive Sealed Bids

BIDS OR PROPOSALS

Western Star Trucks – Mardela Springs, MD  $ 349,046.00
Beltway International, LLC – Baltimore, MD  $ 373,046.00

AWARDS  Western Star Trucks – Mardela Springs, MD

AMOUNT  $349,046.00 (Line Item #1)

TERM  One Time Purchase

MBE PARTICIPATION  0%

PERFORMANCE BOND  N/A

HIRING AGREEMENT ELIGIBLE  N/A

REMARKS  The Department of General Services (DGS) advertised this solicitation on eMaryland Marketplace on March 7, 2013; thirty four (34) vendors were solicited. At the time of bid opening (April 9 at 2 p.m.), DGS received two (2) responses to this solicitation.

The Invitation to Bid (ITB) consisted of three (3) line items, each a Catenary Truck, Cab and Chassis with Aerial Bucket Bodies:

Line Item #1:  One (1) Three (3) Man Line Body/Rotating Aerial Platform and Railgear
Line Item #2:  One (1) Three (3) Man Aerial Utility Line Vehicle with Railgear
Line Item #3:  One (1) Two (2) Man Aerial Utility Line Vehicle with Railgear.
EQUIPMENT

ITEM 21-E (Cont.)

REMARKS (Cont)

Maryland Transit Administration (MTA) authorities reviewed product information submitted with the apparent low bid for Line Item #1, from Western Star Trucks of Delmarva, of Mardela Springs, MD (Western Star) and determined that the truck being offered met specifications.

MTA authorities reviewed product information submitted with the apparent low bid for Line Items #2 and #3, from Western Star and determined that the truck being offered did not meet specifications for the following reason:

The specifications called for the rail gear (the mechanism by which the truck is able to travel on light rail tracks) to be that of the manufacturer Mitchell Equipment Corporation (Mitchell), or a State approved equal. The rail gear offered by Western Star is manufactured by Diversified Metal Fabricators, Inc. (DMF), and was determined to not be equal to that of Mitchell. Furthermore, this fact was acknowledged after the bid opening by the representative from Western Trucks, in correspondence sent to the Procurement Officer and MTA Authorities.

After review of the product information submitted by the second low bidder – Beltway International Trucks, LLC, of Baltimore, MD (Beltway), for Line Items #2 and #3, MTA authorities determined that the trucks being offered did not meet specifications because Beltway was also offering DMG rail gear.

Based on the above, the Procurement Officer recommends award of Line Item #1 to Western Star, and rejection of all bids for Line Items #2 and #3.
