BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
July 22, 2020

1. **DEPARTMENT OF AGRICULTURE** *(cont'd)*
Maryland Agricultural Cost-Share Program
Grants

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

2. **BOARD OF PUBLIC WORKS**
Wetland Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board grant the licenses for projects involving dredging and filling in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

19-1165 *ANNE ARUNDEL COUNTY DEPT. OF PUBLIC WORKS* – To improve navigable access by mechanically or hydraulically dredging a channel, depositing dredged material at an approved disposal site, and providing for a 6-year dredging period.

Churchton, Chesapeake Bay entrance to Deep Creek

Special conditions: Time-of-Year restriction. Requirements for dredge material transport; hydraulic dredging turbidity discharge thresholds, monitoring, pipelines, and observer; maintenance dredging; and post-dredge bathymetric survey.

18-1189 *CAPE ST. CLAIRE IMPROVEMENT ASSOCIATION* – To protect shoreline from erosion and provide resiliency from storm surge and climate change by constructing a groin, placing oyster reef clusters, inverted root wad clusters, and sand; planting low marsh and dune vegetation; and posting warning signage.

Annapolis, Deep Creek

Special Conditions: Requirements for signage, Marsh Establishment and Marsh Maintenance Plans.

Wetlands created: 5,227sf

20-0029 *FRANKLIN MANOR CITIZENS ASSOCIATION* – To control shoreline erosion by enlarging and combining two existing breakwaters, and filling, grading, and planting high and low marsh vegetation.

Churchton, Chesapeake Bay

Special conditions: Time-of-year restriction. Requirements for Marsh Establishment and Marsh Maintenance Plans, annual photographic verification, and Toxic Material Permit.

Wetlands created: 50,430 sf (1.16 acres)

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
July 22, 2020

2. **BOARD OF PUBLIC WORKS** (cont'd)
Wetland Licenses

CALVERT COUNTY

19-1084 *CALVERT COUNTY BOARD OF COUNTY COMMISSIONERS* – To provide beach nourishment and erosion control by constructing breakwater structures and filling, grading and planting with high marsh vegetation.

Breezy Point Park, Chesapeake Beach, Chesapeake Bay

Special Conditions: Time-of-year restriction. Requirements for Marsh Establishment and Marsh Maintenance Plans, annual photographic verification, and Toxic Material Permit.

Wetlands created: 61,855 sf (1.42 acres)

19-1220 *HOLLAND CLIFF SHORES CITIZENS ASSOCIATION* – To improve navigable access by mechanically maintenance dredging a cove, depositing dredged material at an approved site, and providing for a 6-year dredging period.

Huntingtown, Abington Cove

Special conditions: Requirements for dredge material transport, maintenance dredging, and post-dredge bathymetric survey.

DORCHESTER COUNTY

19-0355 *DELMARVA RC AND D, INC.* – To stabilize a shoreline, establish a stable entrance channel, and improve navigation by removing a pier, abandoning a channel, dredging a channel, depositing dredge material along the shoreline, constructing two jetties, a groin, and two breakwaters, grading and planting with marsh vegetation.

Cambridge, Choptank River at mouth of Hurst Creek

Special conditions: Exclusion of areas eligible for maintenance dredging including abandoned channel. Non-conveyance of ownership of State Tidal Wetlands resulting from marsh restoration. Requirements for Marsh Establishment Plan, Marsh Maintenance Plan, and local approval for work above Mean High Water.

Wetlands Created: 100,000 sf (2.3 acres)

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
July 22, 2020

2. **BOARD OF PUBLIC WORKS** (cont'd)
Wetland Licenses

HARFORD COUNTY

- 19-1093 *HARFORD COUNTY DEPT. OF PARKS AND RECREATION* – To improve navigable access by mechanically or hydraulically maintenance dredging eight channels and one new channel, and depositing dredge material at an approved site.

Edgewood, Bush River and Otter Point Creek

Special conditions: Time-of-Year restriction. Requirements for discarding previous dredged limits under WL 06-1681, maintenance dredging and notifications, staking, post-dredge bathymetric survey, dredge disposal site. Requirements for mechanical dredging transport. Requirements for hydraulic dredging including U.S. Coast Guard notification and approval, pipeline marking, radio communication during dredging, contingency plan for material release into State waters, and dredge material placement site construction.

- 19-1155 *U.S. ARMY, ABERDEEN PROVING GROUND* – To improve navigable access by reconfiguring a marina and maintenance dredging a boat ramp area by repairing, maintaining and/or replacing in-kind a revetment, bulkhead, and boat ramp; removing floating piers; constructing fixed piers, finger piers, and mooring piles; mechanically maintenance dredging an area near the boat ramp, disposing of dredge material at an approved site, and providing for periodic maintenance dredging for 6 years.

Spesutie Island Marina, Harford, Swan Creek

Special conditions: Time-of-Year Restriction. Requirements for subsequent maintenance dredging, MDE notification, staking, post-dredge bathymetric survey, dredge disposal and transport.

ST. MARY'S COUNTY

- 20-0231 *ANTHONY CAPOBIANCO* – To improve navigable access and control shore erosion by constructing a pier extension and a platform, installing boat lifts and jet-ski lifts, and a stone groin.

Hollywood, Patuxent River

Special conditions: Restriction on accessory platforms. Requirements for design and construction of stone groin.

- 20-0162 *RONALD A. HICKMAN* – To control shoreline erosion and improve habitat by constructing stone groins and placing an osprey pole.

Hollywood, Patuxent River

Special conditions: Requirements for design and construction of groins.

3. BONDS

Recommendation: The State Treasurer recommends the adoption of the attached resolutions concerning the sale of \$1,011,390,000 State of Maryland General Obligation Bonds, to be known as the State and Local Facilities Loan of 2020, Second Series, consisting of:

- Second Series A – \$540,000,000 Tax-Exempt Bonds (Competitive)

Second Series A Bidding Group 1 – \$290,080,000 Tax-Exempt Bonds (Competitive)

Second Series A Bidding Group 2 – \$249,920,000 Tax-Exempt Bonds (Competitive)

- Second Series B – \$115,770,000³ Tax-Exempt Refunding Bonds (Competitive)
- Second Series C – \$355,620,000⁴ Taxable Refunding Bonds (Competitive)

dated as of their date of delivery, expected to be August 5, 2020.

- Ratifying and approving:

- (i) The Preliminary Official Statement dated July 15, 2020.
- (ii) The Summary Notice of Sale for the Second Series A Bonds, Second Series B Bonds, and the Second Series C Bonds published in *The Bond Buyer* on July 10, 2020 and
- (iii) The resolutions authorizing the Bond Sale adopted on July 1, 2020.

- Accepting electronically transmitted bids for the purchase of the Second Series A Bidding Group 1 Bonds, the Second Series A Bidding Group 2 Bonds, the Second Series B Bonds, and the Second Series C Bonds.

- Determining the successful bidders and awarding sale of the Second Series A Bidding Group 1 Bonds, the Second Series A Bidding Group 2 Bonds, the Second Series B Bonds, and the Second Series C Bonds to the winning bidders.

- Ordering the sale and issuance of the Second Series Bonds, at the rates set forth in the successful bids.

- Authorizing and approving the issuance of the final Official Statement.

¹Winning bidder for Second Series A Bidding Group 1 – Tax-Exempt Bonds (competitive): Bank of America Merrill Lynch

²Winning bidder for Second Series A Bidding Group 2 – Tax-Exempt Bonds (competitive): Wells Fargo Bank, National Association

³Winning bidder for Second Series B – Tax-Exempt Refunding Bonds (competitive): Bank of America Merrill Lynch

⁴Winning bidder for Second Series C – Taxable Refunding Bonds (competitive): J.P. Morgan Securities LLC

6. **RESOURCE SHARING AGREEMENT**
Department of Information Technology, RSA Program

Recommendation: The Board of Public Works approve the State entering into a resource sharing agreement.

Authority: Sec. 3A-307, State Finance & Procurement Article, Annotated Code of Maryland

Award: Hubbard Radio Washington, DC, LLC

Term: 06/01/2020 – 05/31/2030 (10-year base with four 5-year renewal options)
06/01/2030 – 05/31/2035 (Option 1)
06/01/2035 – 05/31/2040 (Option 2)
06/01/2040 – 05/31/2045 (Option 3)
06/01/2045 – 05/31/2050 (Option 4)

Amount: Value of Agreement over thirty years: \$1,826,895.96.

Compensation to State
\$ 440,212.97 (10-year base)
\$ 273,985.33 (Option 1)
\$ 317,624.09 (Option 2)
\$ 368,213.37 (Option 3)
\$ 426,860.21 (Option 4)
\$1,826,895.96

Property location: – High Knob Area, Gambrills State Park, Frederick County

Requesting Agency Remarks: This revenue generating transaction results from a resource sharing agreement between Department of Natural Resources and Hubbard Radio Washington DC LLC. For this proposal, the benefit to the State is the continuing lease compensation for tower space in support of telecommunications antennas located in Gambrills State Park, Frederick County. Since the monetary value of the lease over the 30-year term is more than \$100,000, this item was submitted to the Legislative Policy Committee for review and comment and was posted on *eMarylandMarketplace*.

**7. MARYLAND DEPARTMENT OF THE ENVIRONMENT
*Mining Remediation***

Recommendation: That the Board of Public Works approve new grant funding as described.

Authority: Sections 15-1103, 15-1106, Environment Article, Annotated Code of Maryland.

Project: Upper Georges Creek Watershed Stream Sealing Design

Recipient: Allegany County Commissioners Department of Planning and Growth

Amount: \$ 209,504

Location: Allegany County/Legislative District 1B

Project Description: The overall project objective is to restore water flow to multiple sections of tributaries in Upper Georges Creek watershed with known water loss zones caused by subsidence. The proposed project will address a very significant problem in the Upper Georges Creek watershed. Historically, the Georges Creek watershed has been heavily surface and deep mined for bituminous coal. The normal stream hydrology of George’s Creek has been altered by subsidence from historic deep mining, allowing water to infiltrate into the deep mine and in some areas losing the entire stream flow. Acid mine drainage from the infiltrating stream water coming into abandoned deep mine coal seams can result in discharges that have the potential for low pH and high metals. This action is for the design of stream sealing several sections in Upper George’s Creek. This project is consistent with Maryland’s climate change adaptation and resiliency objectives by addressing the ongoing environmental impairments from legacy coal mining.

Project Funding Sources:

Mining Remediation, MCCBL, 2019-19334 (MN0801) (This Item)	\$ 109,503.72
Mining Remediation, MCCBL, 2020-20329 (MN0801) (This Item)	<u>\$ 100,000.28</u>
Total Estimated	\$ 209,504.00

State Clearinghouse: MDE has determined that its recommendation is consistent with State Clearinghouse comments and recommendations.

8. **MARYLAND ENVIRONMENTAL SERVICE**
Cunningham Falls State Park

A/E Contract: Cunningham Falls State Park Collection System Improvements
MES Project # 1-21-2-02-3

Description: Engineering Services for the preparation of a Preliminary Engineering Report to address the significant amount of Inflow and Infiltration in the State-owned sewer line from Cunningham Falls State Park to the Town of Thurmont.

Procurement: A/E SBR Shortlist

Award: WATEK Engineering Corporation, Gaithersburg, MD

Amount: \$44,096

Term: 12 months

MBE Participation: 0 %

Remarks: The State owns the existing sanitary sewer that runs along State Route 77 and conveys wastewater from Cunningham Falls State Park and Catoctin National Park to the Town of Thurmont for treatment and disposal. The line is more than 60 years old and appears to be in serious disrepair. Stormwater enters the sewer from broken or separated pipes and significantly increases the volume of wastewater conveyed to Thurmont. The Department of Natural Resources pays the Town of Thurmont for treatment based on the metered flows received at the Town's wastewater treatment plant, and this additional stormwater is seriously impacting the Park's budget.

The purpose of this project is to identify and begin preliminary design of the most cost-effective method for repair/replacement of the sewer line to minimize the inflow and infiltration, therefore reducing the cost of treatment the Park is currently charged.

Fund Source: MCCBL of 2015; *MES Infrastructure Improvement Fund (UB00)*

9. **MORGAN STATE UNIVERSITY**
Health and Human Services Center Phase II – AE Design Services

Contract ID: Health and Human Services Center Phase II - DCM-HHS-19-1AE

Recommendation: Approve the expenditure of \$5,164,763 appropriated in 2020 MCCBL to continue the design process. Morgan State University is also requesting approval of the full design contract amount of \$12,457,550. Morgan State University will return in the future, as funding is made available for additional funding expenditures.

Fund Source: MCCBL 2019: *Provide funds to begin the design of the new Health and Human Services Building. (full amount of appropriation) Item #348.*

MCCBL 2020: *Provide funds to continue the design of the new Health and Human Services Building, Item #342.*

Contractor: Hellmuth, Obata, and Kassabaum (HOK), Washington, DC

Prior Approvals: Secretary's Agenda, Item 7 (9/18/2019) \$2,872,251

Amount: \$ 5,164,763

Contract Term: 96 months from Notice to Proceed

Remarks: Reference is made to Secretary's Agenda, Item 7 (9/18/2019) in which the Board of Public Works approved the University awarding the contract for design and initial design phase funding. This request awards additional design phases through 50% construction documents in FY 2021 based upon available funding. Total anticipated contract amount is \$12,457,550.

Morgan State University's Health and Human Services Building is located at the corner of Hillen Road and Argonne Drive. The building will support the University's programs, services, and activities related to the School of Community Health and Policy, School of Social Work, Family and Consumer Sciences Department, Medical Technology Program, Prevention Sciences Research and Counseling Services. The project is striving to meet the LEED Silver certification.

10. **MARYLAND STADIUM AUTHORITY**
Camden Yards – Chesapeake Bay Trust Grant

Recommendation: That the Board of Public Works approve the acceptance by the Maryland Stadium Authority of a \$5,000 grant for Camden Yards made by the Chesapeake Bay Trust.

Authority Economic Development Article, Annotated Code of Maryland §10-614(4).

Background: In May 2016, the Maryland Stadium Authority, in cooperation with the National Wildlife Federation and the Baltimore Orioles, came up with a greening initiative for the garden areas behind the Veteran Memorial located in Maryland Square just south of Oriole Park at Camden Yards. This initiative included the planting of wildlife habitat that would educate our visitors about the various species of plants and shrubs that attract our state bird.

The Maryland Stadium Authority secured a \$5,000 grant from the Chesapeake Bay Trust. This money will be used for 15 community engagement maintenance events and the installation of educational signage.

11. MARYLAND STADIUM AUTHORITY (cont'd)
*Baltimore City Public Schools- Calverton Elementary/Middle School
 Construction Management at Risk- Bid Package # 2*

Remarks:

Construction packages were advertised and documents were issued by the CM for trade contractor participation on December 12, 2019, in the following publications: eMaryland Marketplace, MSA’s website, the CM’s website, the 21st Century Schools’ website, Maryland/Washington Minority Companies Association, and Construct Connect.

On, December 17, 2019, MSA and the CM conducted a pre-bid meeting. All attendees were provided with summary project information and afforded the opportunity to tour the project site. Additionally, the CM also hosted and attended numerous outreach events. On February 18th and March 5th, 2020, competitive sealed trade contractor bids were received and opened at the CM’s offices in Towson, Maryland. Post-bid scope review meetings were conducted with trade contractors to ensure that their bids were both responsive and complete. The CM solicited 167 firms and received 45 bids for the 18 trade packages advertised.

Efforts to maximize Maryland's commitment to protecting the environment and incorporating green building standards to reduce the effects on climate change resulted in the project attaining 31% water use reduction and 36% energy savings by using efficient MEP systems, fixtures, and equipment. Additionally, overall construction waste is being reduced 75% through adaptive and efficient building reuse.

12. **MARYLAND STADIUM AUTHORITY**
Baltimore City Public Schools
Robert W. Coleman Elementary School
Guaranteed Maximum Price (GMP) #2

Contract ID: BCS-02-016-GMP

Recommendation: Approve award MCN Build/Southway Builders LLC a GMP #2 contract in the amount of \$17,917,118

Contractor: MCN Build/Southway Builders LLC, Baltimore, MD 21224

Prior Approvals: Secretary's Agenda, Item 14 (7/13/19)
Secretary's Agenda, Item 23 (4/1/20)

Project: The Robert Coleman project is a 54,000+/- sq ft renovation located at 2400 Windsor Avenue, Baltimore City, 21216.

Recommendation to award MCN Build/Southway Builders LLC (CM) a GMP #2 contract in the amount of \$17,917,118 for the renovation of the above referenced project. Construction costs of \$16.42 million and contingencies of \$1.49 million are included in the recommendation to award. This GMP package represents the remaining construction trades for the project as outlined in the CM's GMP submission. As identified in the prior recommendation, MSA outlined the intent to return with a recommendation to award construction services if pre-construction performance is satisfactory and an acceptable Bid Package is negotiated.

Bid Package Description: Remaining construction trade packages for the project

Bid Package #2 Amount: \$ 17,917,118

Bid Package #1 Amount \$ 1,693,616.00

Pre-Construction Amount: \$ 113,561.00

Revised Amount: \$ 19,724,295.00

Term: 4/2020 – 12/2022

Remarks:

Remaining construction trade packages were advertised and documents were issued by the CM for contractor participation in on April 1, 2020 in the following publications: eMaryland Marketplace, MSA's website, the CM's website, Pipeline Bid Suite, the 21st Century Schools' website, as well as directly solicited to numerous trade contractors.

MSA and the CM conducted pre-bid and site visit meetings at the project site, and all attendees were provided with summary project information and afforded the opportunity to tour the project site. The CM began preparing the trade market well ahead of the bid advertisement participating in events in late fall 2019 through early 2020. All were attended by numerous trade contractors as well as Mayor's Office of Employment Development ("MOED"), MSA, and other representatives and agencies regarding contracting, MBE participation, and local hiring opportunities. On April 24th, May 15th, and May 22nd 2020 competitive, sealed trade contractor bids were received and opened at the CM's offices Baltimore, Maryland. The post-bid scope review meetings were conducted at the CM's offices in Baltimore, Maryland. The CM received 71 bids for the 22 trade packages advertised.

Efforts to maximize Maryland's commitment to protecting the environment and incorporating green building standards to reduce the effects on climate change resulted in the project attaining 36% water use reduction and 20% energy savings by using efficient MEP systems, fixtures, and equipment. Additionally, overall construction waste is being reduced 75% through adaptive and efficient building reuse.

13. **MARYLAND STADIUM AUTHORITY**
Baltimore City Public Schools
Northwood Elementary School
Guaranteed Maximum Price (GMP) #1

Contract ID: BCS-02-015-GMP

Recommendation: Approve to award Davis Construction a GMP #1 contract in the amount of \$27,840,394.00

Contractor: James G. Davis Construction Corporation, Rockville, MD 20852

Prior Approvals: Secretary's Agenda, Item 14 (7/13/2019)

Project: The Northwood project is a 111,254+/- sq ft replacement located at 5201 Loch Raven Boulevard, Baltimore, MD 21239.

Recommendation to award Davis Construction (CM) a GMP #1 contract in the amount of \$27,840,394.00 for the replacement of the above referenced project. Construction costs of \$26.4 million and contingencies of \$1.4 million are included in the recommendation to award. This GMP package represents 16 of the anticipated 44 trade packages for the project. MSA is planning to return later this summer with the final GMP #2 for the remainder of the construction packages. The Stadium Authority's initial estimates identified the total construction cost to be \$45.6 million. As identified in the prior recommendation, MSA outlined the intent to return with a recommendation to award construction services if pre-construction performance is satisfactory and an acceptable Bid Package is negotiated.

Bid Package Description: Demolition/abatement, sitework, utilities, concrete, steel, plumbing, mechanical, electrical, doors/hardware, and elevator packages

Bid Package Amount: \$ 27,840,394.00

Pre-Construction Amount: \$ 179,216.00

Revised Amount: \$ 28,019,610.00

Term: 7/2020 – 12/2022

Remarks:

Construction packages were advertised and documents were issued by the CM for trade contractor participation in on April 23, 2020 in the following publications: eMaryland Marketplace, MSA’s website, the CM’s website, Construct Connect, Construction Journal, Dodge Data, iSqFt the 21st Century Schools’ website, as well as directly solicited to numerous trade contractors. MSA and the CM conducted pre-bid and site visit meetings at the project site, and all attendees were provided with summary project information and afforded the opportunity to tour the project site. Additionally, the project was presented at the Schools Program outreach event hosted by MSA in March 2020, and attended by numerous trade contractors as well as Mayor’s Office of Employment Development (“MOED”), MSA, and other representatives and agencies regarding contracting, MBE participation, and local hiring opportunities.

On May 22nd and June 12th, 2020 competitive, sealed trade contractor bids were received and opened at the CM’s offices in Rockville, Maryland. Post-bid scope review meetings were conducted at the CM’s offices in Rockville, Maryland. All bid openings and scope reviews were attended by MSA. The CM solicited 273 firms and received 56 bids for the 16 bid packages advertised.

Efforts to maximize Maryland's commitment to protecting the environment and incorporating green building standards to reduce the effects on climate change resulted in the project attaining 32% water use reduction, 27% site storm water runoff reduction, and 28% energy savings by using efficient MEP systems, fixtures, and equipment. Additionally, overall construction waste is being reduced 75% through adaptive reuse and waste diversion.

Record Correction

Recommendation: That the Board of Public Works accept the following correction to the record in which the project sponsor was incorrectly listed as the borrower and the agency description incorrectly described households served.

Original Approval: Secretary Agenda Item 6 (6/17/20)
Project: Suitland Senior Apartments
2901 Toles Road Drive, Suitland 20746
Prince George's County

Original Borrower: Mission First Housing Development Corporation
Corrected Borrower: Suitland Senior, LLC

Corrected Requesting Agency description: The Project consists of the new construction of 137 unit elderly-housing development. The Project will be a six-story, elevator-serviced mid-rise structure. There will be 120 one-bedroom units and 17 two-bedroom units. The units will range in size from 646 square feet to 857 square feet. The Project site is currently undeveloped vacant land located northwest of the intersection of Suitland Road and Silver Hill Road. Suitland Senior Apartments is part of the master plan called Suitland Town Center. Seven of the total units will be designated for individuals with disabilities. All of the units will serve households with income at or below 60% of the Area Median Income (AMI). Of the 137 units, 117 units will serve households with incomes at or below 60% of the Area Median Income (AMI). There will be 16 units at 80% AMI and 4 units at Market Rate. The Project sponsor is Mission First Housing Development Corporation.

A1. DEPARTMENT OF GENERAL SERVICES

Contract Title: In-Home Medical Testing Services for COVID-19 on the behalf of MDH
ADPICS No.: M00B0600428

Contract Type: Services

Description: Provide services for in-home calls, temperature checks, and COVID testing services to address concerns over increases in COVID cases at homeless shelters and congregate senior living facilities. These services are required to mitigate serious damage to public health, safety and welfare by providing in-home medical testing services to prevent COVID infections from spreading in these areas and overload hospitals.

Procurement Method: Emergency (Sole Source)

Date Emergency Declared: March 5, 2020

Award: Ready Responders (National Capital Region), P.C.
Headquarters: New Orleans, LA
Local Office: Washington, DC

Amount: \$288,000

Contract Award Date: April 17, 2020

Term: 04/20/2020 – 06/03/2020

MBE/VSBE Participation: N/A

Fund Source: 100% General

Remarks:

Nature of Emergency – COVID-19: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus. There is an urgent need to start providing in-home medical services to provide support to the homeless shelters and congregate senior living facilities. The Department of General Services' Office of State Procurement (DGS OSP), on behalf of the Maryland Emergency Management Agency (MEMA) and the Maryland Department of Health (MDH), serves as the primary procurement agency securing services from Ready Responders required to mitigate the COVID-19 emergency.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
July 22, 2020

APP 2

A1. **DEPARTMENT OF GENERAL SERVICES** (cont'd)

Remarks (cont'd):

Basis for Selection: The Maryland Department of Health has vetted and determined Ready Responders to have the knowledge, expertise and capability perform these services and the ability to start services on Monday, April 20th. Ready Responders is currently working with Baltimore City, and this will allow MDH to coordinate with Baltimore City and the in-home provider (Ready Responders) directly to increase efficiency and effectiveness in providing services to the identified areas. MDH confirmed the vendor's capabilities and confirmed it is currently engaged with the City of Baltimore conducting similar medical services.

DGS OSP Remarks: This emergency procurement was originally submitted for consideration with a compiled emergency report on May 21, 31 days post award (within the 45 day period required by regulation); however, it was determined that all non-commodity emergency reports related to the COVID-19 pandemic would be reported individually. This Agenda Item supports that decision.

Office of Procurement and Support Services, Baltimore, Maryland

Contract Title: Testing Services for Poultry Workers
ADPICS NO. M00B0600469

Contract Type: Services

Description: COVID-19 diagnostic testing services for the poultry workers at the Amick Farms poultry processing plant in Hurlock, MD.

Procurement Method: Emergency

Date Emergency Declared: May 13, 2020

Award: Molecular Epidemiology, Inc.
Lake Forest Park, WA
(Local office: Annapolis Junction, MD)

Amount: \$130,000.00

Contract Award Date: May 13, 2020

Term: May 13, 2020 – December 31, 2020

MBE Participation: N/A

Fund Source: 100% Federal funds

Remarks: Nature of Emergency – COVID-19: On May 13, 2020 a Declaration of State of Emergency was issued due to serious reporting deficiencies at the laboratory originally contracted for COVID-19 diagnostic testing services for poultry workers. The fact that the use of other State diagnostic assets would negatively impact other vital COVID mitigation efforts mandated utilizing an alternative diagnostic lab for this testing

The services provided through this procurement will provide (SARS CoV-2) COVID-19 diagnostic testing services for the poultry workers at the Amick Farms poultry processing plant in Hurlock, MD as part of the MDH Poultry Task Force's initiative to address the outbreak of COVID-19 in Maryland's poultry processing plants.

A3. DEPARTMENT OF HEALTH
Office of Procurement and Support Services

This procurement is to address situations requiring all Maryland hospitals and other nursing and health facilities to substantially expand staffing (and replace existing staff who become ill) very quickly to enable them to adequately and safely care for those who are diagnosed with COVID-19. This procurement addresses the need to have a consolidated staffing source that could create a pool of candidates that could be immediately deployed through a central registry that processes individual hospital/facility staffing needs.

Work includes creation of a platform that 1) provides a portal for clinically training individuals to apply for positions; 2) pulls multiple staffing agencies together to create the pool of candidates across multiple medical disciplines and geographies; 3) feeds the Maryland Hospital Association's Chesapeake Registry, which already existed to receive staffing requests from hospitals

Allegis Global Solutions was positioned to create a platform that pulled multiple staffing agencies together to create the pool of candidates across multiple medical disciplines and geographies as well as the ability to have this collection of agencies feed the Maryland Hospital Association's Chesapeake Registry, which already existed to receive staffing requests from the hospitals.

Basis for Selection: Sole Source. Allegis Global Solutions is the only organization with the capability of pulling multiple staffing agencies together, building the portal and connecting with the Maryland Hospital Association's Chesapeake Registry.

Fund Source: 100% Federal

Remarks: *Nature of Emergency – COVID-19:* On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
July 22, 2020

APP 8

A4. DEPARTMENT OF HEALTH (cont'd)
Office of Procurement and Support Services

Remarks (cont'd):

The MDH Laboratory has been relying on three older Biomerieux EasyMAG automated nucleic acid extract platforms to shoulder part of the daily specimen processing burden of COVID-19 testing. These instruments are currently processing approximately a third to a half of the COVID-19 workload and all the annual influenza surveillance testing workloads (5,000-10,000 specimens annually) at the MDH Lab. Two of these instruments are more than a decade old and MDH has been informed by the manufacturer that the manufacturer plans to discontinue supporting the existing EasyMAG platforms soon. Therefore, MDH has replaced the three existing instruments with two new Biomerieux EMAG automated extraction platforms to sustain current COVID-19 testing capabilities and expand COVID-19 and other molecular diagnostic testing capacities into the future.

Basis for Selection: Sole Source. Biomerieux is the only manufacturer and sole distributor of this instrument.

A5. DEPARTMENT OF HEALTH
Office of Procurement and Support Services

Contract Title: Hologic Test Kits
ADPICS NO. M00P0606420

Contract Type: Commodity

Description: Purchase of 18,000 COVID-19 RNA detection test kits.

Procurement Method: Emergency (Sole Source)

Date Emergency Declared: May 7, 2020

Award: GenProbe, Inc.
San Diego, CA

Amount: \$504,520.00

Contract Award Date: May 18, 2020

Term: One-time purchase

MBE Participation: N/A

Fund Source: 100% Federal

Remarks: Nature of Emergency – COVID-19: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

MDH purchased reagents and supplies to run 18,000 COVID-19 RNA detection tests on an existing high-throughput automated instrument platform at the MDH Lab. These test kits will allow the MDH Lab to produce >750 additional tests per day using existing staff from another MDH Lab testing unit. The test is complete; no additional reagents are needed to process the specimens and the instrument requires minimal operator interventions. The price at approximately \$28.00 per test is considered to be fair and reasonable. The price reflects public health pricing which is a significant discount off the list price. The price is also justifiable as no separate expensive extraction methods are needed to run this assay. The extraction reagents are included in the price of the GenProbe/Hologic assay.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
July 22, 2020

APP 12

A6. DEPARTMENT OF HEALTH (cont'd)
Office of Procurement and Support Services

Remarks: *Nature of Emergency – COVID-19:* On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

The Maryland Department of Health (MDH) issued a request for proposals (RFP) to engage a communications firm to develop and execute a statewide, multi-platform communications campaign to inform and educate the public about the State's contact tracing program related to COVID-19. The largely expanded contact tracing process launched the week of May 25, 2020. This effort is one of four "building blocks" necessary to move Maryland into the recovery phase of the pandemic and allow the state to reopen.

As most Marylanders will not have been involved with contact tracing before, the campaign must address reservations about participating. The campaign will need to explain self-isolation as necessary to slow the spread of the disease. It will need to address potential cultural differences across urban, suburban and rural settings and among residents of different racial and ethnic backgrounds. People may be reluctant to participate for a variety of reasons – opposition to governmental interference, fear of being scammed and skepticism about the use of data collected. A significant and sustained outreach effort is needed to allay reservations and increase cooperation with the program. The expected duration of this campaign is 9 to 12 months. The first set of messaging across multiple platforms will need to be ready for public dissemination by May 25, 2020.

Basis for Selection: Proposals were evaluated on the following criteria: a) Documented success with similar communications projects; b) Documented success in developing content and messaging that resonates with target audiences; c) Ability to create effective content and outreach materials in a quick turnaround (initial messaging will need to be disseminated by May 25); d) Ability to update and alter messaging as needed as the program develops and circumstances surrounding the pandemic change; e) Ability to perform analytics to determine the effectiveness of the campaign; f) Consistency with the overall proposal and stated project goals; and g) Demonstrated ability to reach targeted demographics based on multimedia strategy and to provide benchmark statistics/analytics for comparable campaigns. The evaluation determined the awarded vendor to be the most advantageous to the State based on a combination of its technical proposal and pricing.

Contract Title: Personnel Requirements and Credentialing Services for COVID-19 Labor Support
ADPICS NO. M00B0600475

Contract Type: Services

Description: For the provision of staffing-related services, credentialing and pre-employment services for Classified Student Candidates during the COVID-19 pandemic.

Procurement Method: Emergency (Sole Source)

Date Emergency Declared: March 5, 2020

Award: Maxim Healthcare Staffing Services
Towson, MD

Amount: \$195,000.00

Contract Award Date: April 14, 2020

Term: 04/14/2020 – 12/31/2020

MBE Participation: N/A

Fund Source: 100% Federal

Remarks: Nature of Emergency – COVID-19: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

This procurement addresses the need to credential student nurses and respiratory therapy students in accordance with the Governor's order which expanded scope of practice for existing healthcare workers but also allowed for student nurses, respiratory therapists, and medical students to be credentialed at a level relative to where they were in their training program so they could be employed in positions in Maryland's hospitals and nursing facilities. Maxim Healthcare was able to provide credentialing and onboarding services for the students so they could be placed in the staffing portal for hire at the appropriate level and the hiring facilities could have confidence as to their qualifications.

The Chesapeake Registry Program (CRP), a subsidiary of the Maryland Hospital Association (MHA), is a unique repository of prospective nursing staff accessible to all member hospitals which MDH seeks to access by this procurement. This procurement is to address the situation when nursing home staff become sick with COVID-19 and are therefore forced to be absent from work, leaving the residents without sufficient coverage. MDH is creating "bridge teams" using this unique MHA staffing portal to be able to cover for shortages of nursing staff in a nursing home on a short term basis for four consecutive 24-hour days to carry a nursing home through any sudden staff shortage to afford the nursing home time to hire temporary staff to cover the 14-day isolation period for permanent staff before they may return to work. There are ~~240~~ **227** nursing homes across the State and we expect 60% will need this assistance, using the CRP as a sole source to identify such staff.

A13. DEPARTMENT OF HUMAN SERVICES
Social Services Administration (SSA)
Foster Care Maintenance Payments Program

Contract Title: Emergency Out-of-State Residential Child Care
SSA/OOS-20-011, ADPICS #N00B0600357

Contract Type: Services

Contract Description: Out-of-state placement of a youth with various diagnoses to include Mood Disorder, Autism Spectrum Disorder, Moderate Intellectual Disabilities, Bipolar Disorder, and Post-Traumatic Stress Disorder.

Procurement Method: Emergency (Sole Source)

Date Emergency Declared: February 11, 2020

Award: SF III TLF, LLC dba Lakeside Neurologic
Wauchula, FL

Amount: \$103,200

Contract Award Date: February 11, 2020

Term: 2/11/2020 – 7/31/2020

MBE Participation: None

Fund Source: 80% General; 20% Federal (Title IV-E)
Appropriation Code: N00G0001

Remarks: Nature of Emergency: A 15-year old youth was emergently placed with Lakeside Neurologic on February 11, 2020. This youth is the only Maryland youth in placement with Lakeside Neurologic at this time. He has been diagnosed with Mood Disorder, Autism Spectrum Disorder, Moderate Intellectual Disabilities, Bipolar Disorder, and Post-Traumatic Stress Disorder, General Anxiety Disorder, Nocturnal Enuresis, Diabetes Mellitus Two, Gerd, and Avoidant Restrictive Food Intake Disorder. The youth was recommended for Residential Treatment Care (RTC) placement but was denied placement by six in-State Providers due to her level of aggression, low IQ, intellectual disability, IEP needs, autism spectrum, too old for the program, and not gender appropriate. This youth was also denied placement by five out-of-State Providers due to her level of aggression, medical issues, autism spectrum disorder, homicidal ideations, and suicidal ideations.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX

APP 27

A13. DEPARTMENT OF HUMAN SERVICES (cont'd)
Social Services Administration (SSA)
Foster Care Maintenance Payments Program

Remarks (cont'd):

The Maryland State Department of Education is responsible for setting rates for facilities that serve Maryland youth which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services, Nonpublic Special Education Section provides oversight for this work. COMAR 14.31.01 sets forth the guidelines for Out-of-State placement of Maryland youth. Rates are set for facilities that provide private residential and nonpublic education services to youth aligned with the specific needs of the placed youth.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions. MSDE publishes the Cost Approval Process for Out-of-State Residential Providers and Individual Placements annually. These rates have been determined to be fair and reasonable.

Basis for Selection: The youth is known to be aggressive and was recommended for several Maryland-based RTCs but was denied. Prior to placing a youth with an Out-of-State Provider, regulations require the Local Department of Social Services (LDSS) to first pursue in-State placement options and document all efforts to do so. Multiple in-State, as well as out-of-State resources were explored by the LDSS and exhausted. It was determined by the Local Department of Social Services that Lakeside Neurologic was the most appropriate placement for this youth as it provides high quality, clinically relevant cost-effective brain injury rehabilitation. Through a family-centered approach, Lakeside Neurologic is dedicated to developing an individualized treatment program that is designed to teach children the skills necessary to live in a least restrictive environment, and successfully re-enter their home community and educational system.

Reason for Lateness: This emergency is being reported late due to untimely receipt of required contractual documents from the provider.

APP 29

A14. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

(cont'd)

Information Technology & Communications Division

Remarks:

Nature of Emergency – COVID-19: The Department of Public Safety and Correctional Services (the Department) has initiated this emergency procurement to quickly respond to the impact of the national coronavirus pandemic and the need for urgent medical care for inmates infected by COVID-19. Inmates in the Department's correctional facilities are particularly vulnerable to contracting COVID-19 and potentially infecting other inmates, correction's officers, and civilian staff where social distancing protocols are challenging to implement and enforce. Inmates experiencing the most severe symptoms of COVID-19 are completely isolated from the general inmate population and receive intensive emergency medical treatment. To reduce the risk of spreading COVID-19, the Department is housing infected inmates in secure temporary intensive care units (ICU) in tents outside of the walls of a facility on its secure campus.

Delivering intensive care, in part, via telemedicine, requires the temporary ICU's to be connected to the Department's IT network. Executing an emergency contract to acquire Cisco network switches and related equipment for delivery and installation in a very short period of time is critical for the temporary ICU's to be fully operational and providing care.

These network switches will be installed at ten temporary ICU tents at the Jessup Correctional Institution (JCI) and at the Maryland Correctional Institution – Hagerstown (MCI-H).

Basis for Selection: The Department selected Bogdan Computer Services, Inc. due to its lowest price and the quickest delivery time for the equipment, including some it had in inventory.

APPENDIX
July 22, 2020

APP 31

A15. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Remarks:

Nature of Emergency – COVID-19: The Department of Public Safety and Correctional Services (the Department) has initiated this emergency modification to quickly respond to the impact of the national coronavirus pandemic and the need to mitigate any potential threat and discontent among the inmate population in order to ensure the continuous safety and welfare of both the Department's personnel and inmate population.

Due to the emergency declaration, the Department cancelled all visitations for the inmate population and closed the facilities to outside visitors. The Department initiated several protocols to ensure continuous communications and accessibility between the inmate population and their families. The Department feels it is critical to allow inmates to maintain contact and human connection with their families given the halting of visitation under this unprecedented crisis.

One of these initiatives involved negotiations with GTL to provide free calling for the inmate population throughout this state of emergency. GTL agreed to provide each inmate in the Department's institutions five free phone calls per week, up to 15 minutes per free call. GTL will bill the Department the difference between the previous year's gross billed revenue and the current year's gross billed revenue for the month the calls are made. Additionally, GTL will credit for two free five minute calls per week based upon the current month's average daily population (ADP). If the total of the free call minutes combined with the paid minutes exceeds the total for the same month of the previous year, GTL will bill the Department at \$0.01 per minute for those excess minutes. The Department anticipates paying approximately \$50,000.00 per month. The funding for these expenses will be covered through the inmate welfare fund revenue (special funds) and not the State's general fund.

City of Greenbelt
POS #5661-16-727 MD20200506-0343

Background: Additional funding to improve the existing parking lot and entrance area that serves the 80± acre municipal Buddy Attick Park. Improvements include redesign of the existing parking lot, curb and gutter, park signage, landscaping, and bioretention areas. Emphasis will be placed on minimizing environmental impacts by using innovative materials (i.e., rain gardens, bioretention areas, etc.) and native plantings.

Prior Approvals: \$225,000 (DNR-RP Item 5A(2) [August 5, 2009])
*Note: City of Greenbelt previously reverted \$101,886 from this project.
The prior approved POS Local funding for this project is \$123,114.

4A. PROGRAM OPEN SPACE STATE SHARE
Frederick County (W. L. Waters, Inc.)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This entirely forested property is adjacent to South Mountain State Park and will be managed by the Maryland Park Service. Acquisition will provide a buffer for the Appalachian Trail, support a contiguous block of Forest Interior Dwelling Species habitat, and expand public recreational opportunities.

POS Scoring System: 76 out of 100 **Targeted Ecological Area:** Yes

Grantor: W. L. Waters Inc.

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 17.75+/- acres, unimproved, POS No. 5642

Price: \$112,500

Appraisals: \$117,000 (11/27/19) – James L. Randall

**2-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK for
UNIVERSITY OF MARYLAND EASTERN SHORE
School of Pharmacy & Health Professions
*Bid Package 2 of 3***

Contract ID: Construction Management at Risk Services for
UMES School of Pharmacy & Health Professions
RFP #58563-B

Recommendation: Award Construction Bid Package 2

Contractor: Gilbane Building Company Baltimore, MD

Prior Approval: USM Item 5-C (3/28/2018) (Pre-Construction Services)
USM Item 4-C-BP (1/8/2020) (Bid Package 1)

Project: The project is to construct a 120,000 GSF, 65,000 NASF new School of Pharmacy & Health Professions Building at the University of Maryland Eastern Shore. The School of Pharmacy & Health Professions Building facility is intended to: (1) accomplish the critically important consolidation of units that are widely scattered across campus; and (2) provide a Small Specialized Research Facility.

The University anticipates the final value of this contract will be approximately \$85 million.

Bid Package Description: This second bid package includes the balance of construction consisting of roofing, epoxy flooring, painting and wall coverings, audio visual systems, communications, and partial healthcare and laboratory equipment.

Contract Term: Seventy two (72) months, including preconstruction, construction and warranty period.

This Bid Package Amount: \$13,450,078

Current Contract Amount: \$63,725,454

Revised Contract Amount: \$77,175,532

Funding Source: Plant Funds: \$17,000,000 (See Requesting Institution Remarks)
MCCBL 2021- Preauthorized (Item# TBD) \$11,624,282

The University request Board approval of Bid Package 2, which exceeds currently available funding. The University will return to the Board to authorize FY 2022 funding when available. Until further funding is available, the University will authorize the contractor to perform only work that does not exceed currently available funds.

**2-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK for
UNIVERSITY OF MARYLAND EASTERN SHORE (cont'd)
School of Pharmacy & Health Professions
*Bid Package 2 of 3***

MBE Participation: Overall: 20%; Sub-goal: 7% African American

MBE Compliance: None (See Requesting Institution Remarks)

Performance Security: Equal to contract amount

Requesting Institution Remarks: This Construction Manager at Risk contract was initially awarded for pre-construction services early in the design phase. As design has progressed and funds become available, the contractor sequentially and competitively bids construction packages. This is the second bid package. One additional construction package is anticipated.

Initially the University was planning on submitting two bid packages. However, part of the funding to cover capital equipment to be installed by the contractor will not be available until June 2021. Since those funds are not preauthorized, the University will have to return to the Board next year to obtain approval for a third bid package consisting mainly of capital equipment. Although there is no MBE compliance to report to date, the MBE goal is expected to be met through this and the subsequent bid package for this project.

The Board of Public Works approved certain budget reductions on May 20, 2020 (Secretary's Agenda, Item 16-GM) resulting in a \$31 million reduction in MCCBL 2020 funds (Item #20-601). UMES and USM will provide any bridge funding that may be required to cover cash flow requirements in FY 2021 through the use of Plant Funds limited to \$17,000,000. UMES will seek restoration of the \$31 million in FY 2022 (MCCBL 2021), and the restored funds will reimburse the bridge funds used in FY 2021.

Sustainability: The project design complies with the Maryland State High Performance Green Building Program and will achieve a LEED Silver rating. The project includes the following sustainable features:

- High efficiency HVAC system with advanced energy metering
- Energy efficient LED lighting
- Water-saving plumbing fixtures
- Low VOC emitting materials
- Reflective roofing
- High performance building envelope
- Use of building materials having a low environmental impact.

The building will be operated and maintained using sustainable practices and permanently installed signage will educate visitors about the building's sustainable features.

A. James Clark Hall MRI Suite, Construction Management at Risk:
Bid Package 1 of 1

Contract ID: Construction Management at Risk Services for A. James Clark Hall MRI Suite:
RFP# 84966-B

Recommendation: Award of Sole Bid Package

Contractor: DPR Construction, Columbia, MD

Prior Approval: USM Item 2-C (7/24/2019) (Pre-construction services)

Project: The project is to complete the fit-out of the first floor MRI Suite at A. James Clark Hall. The contractor will coordinate construction work in the 2,000 GSF/952 NASF space designated for the MRI and associated equipment. Work includes all architectural, mechanical, electrical, structural and other construction work associated with installing a Bruker BioSpec 94/30 USR MRI. The University anticipates the final value of the construction contract will be \$1,600,000.

Bid Package Description: This Bid Package consists of all trade packages required to complete to complete the project.

Contract Term: 42 months from preconstruction NTP (including warranty period)

Bid Package Amount: \$1,065,323

Current Contract Amount: \$ 400,500

Revised Contract Amount: \$1,465,823

Fund Source: Non-Budgeted Funds (Gift Revenue -Foundation)

MBE Participation Goal: 10%

Performance Security: Equal to contract amount

Requesting Institution Remarks: This Construction Management at Risk contract was initially awarded for pre-construction early in the design phase. Once design was completed in its entirety, the contractor competitively bid the construction package. This will be the only bid package and includes all work required for the project.

**6-GM. UNIVERSITY OF MARYLAND BALTIMORE for
TOWSON UNIVERSITY
College of Health Professions Architecture / Engineering Services**

Contract ID: Design Services for the College of Health Professions, RFP #19-023 AE-ML

Recommendation: Approve expenditure of funds appropriated in 2020 MCCBL to previously-approved A/E design services contract.

Amount: \$7,522,702

Fund Source: MCCBL 2020, Provide funds to continue design of a new building for the College of Health Professions and demolition of Linthicum Hall and Dowell Health Center. Item 304

Contractor: Perkins + Will Inc., Washington, DC

Prior Approval: USM Item 1-AE (9/4/2019)

Project: The project involves the design of a new College of Health Professions building to consolidate the Dean’s Office and all Health Professions’ departments and units. The new facility will house the undergraduate and graduate programs of the College of Health Professions’ School of Nursing (presently Department of Nursing); Department of Audiology, Speech-Language Pathology, Department of Health Science, Department of Interprofessional Health Studies, Department of Occupational Therapy and Occupational Science Department, portions of the Department of Kinesiology; Collaborative Programs; and the Dean’s Office. The space currently occupied for the aforementioned programs is insufficient for current enrollment and projected growth.

Background: Reference is made to USM Agenda Item 1-AE (9/4/19) in which the Board of Public Works previously approved the University awarding an A/E design service contract to the contractor for a total contract amount of \$13,715,418. At the time of award, funds in the amount of \$5,266,000 only were available and with the remaining funds authorized for FY 2021 (\$6,437,000) and FY 2022 (\$3,691,000). The initial contract was issued for the Concept/Program Verification and Schematic design phases (\$2,838,241) and will be subsequently amended for the Design Development through Bidding and Negotiation phases (\$7,522,702) after Board approval of this Item. The University will return to the Board to authorize the remaining \$3,354,475 when funds become available.

7-RP. UNIVERSITY OF MARYLAND, COLLEGE PARK
Real Property Disposition

Recommendation: That the Board of Public Works approve the conveyance of two University of Maryland properties totaling approximately 0.24 acres located in College Park, Maryland to Core Campus Manager, LLC.

Properties: 4218 and 4220 Knox Road,
College Park, MD 20742

Grantor: State of Maryland for the University System of Maryland on Behalf of its
Constituent Institution, the University of Maryland, College Park.

Grantee: Core Campus Manager, LLC

Appraisals: Moroney & Associates, LLC \$373,000
Merit Real Estate Analysis, Inc. \$450,000

Price: \$2,100,000

Requesting Institution Remarks: The University intends to convey these properties to Core Campus Manager, LLC (or a designated controlled affiliate) via sale. Core Campus controls approximately 0.48 acres of adjacent property at 4210 through 4216 Knox Road and intends to consolidate these properties to construct a private undergraduate student housing project with street level retail, and parking. The proposed development immediately abuts the southern boundary of the University's campus and the University will retain approval rights of Core Campus's detailed site plan prior to closing.

The State Clearinghouse conducted an intergovernmental review of the project under MD20191112-0910. It is recommended to declare the +/-0.24 acres at the University of Maryland, College Park surplus to the needs of the State contingent upon consideration of the Maryland Department of the Environment's qualifying comments.

The Board of Regents of the University System of Maryland approved the sale of these properties on February 21, 2020 with subsequent approval of a contract amendment at its June 19, 2020 meeting.

Board of Public Works
University System of Maryland
Supplement
July 22, 2020

7-RP. UNIVERSITY OF MARYLAND, COLLEGE PARK
Real Property Disposition

The Board of Public Works approved the surplus declaration on March 18, 2020 (USM Item 2-RP). The University sent a letter dated March 30, 2020 to the Senate Budget and Taxation and House Appropriations Committees for review and comment on the disposition and no comments were received.

1-AE. MARYLAND AVIATION ADMINISTRATION (cont'd)

Incumbents: Airport Design Consultants, Inc., The Temple Group Inc., ED3 Consultants, Inc., and Brudis & Associates, Inc.

Requesting Agency Remarks: The solicitation was advertised on eMaryland Marketplace, in The Daily Record, and on the Maryland Department of Transportation Maryland Aviation Administration’s website on March 29, 2019. A total of six (6) consultant firms submitted technical proposals for this project.

Technical proposals were received January 7, 2020. A review of the technical proposals submitted by two (2) Offerors revealed the proposals did not conform in all material respects to the requirements of the solicitation. Those proposals were therefore rejected as not susceptible of being selected for award. No protests were filed.

The consultants shall assist in continuous CMI services at BWI Thurgood Marshall and MTN Airports. Typical tasks for this project may include, but are not limited to:

- CMI Services for various projects with an estimated construction cost of \$50 million or less.
- Building Permit Plan Review and Inspection services consisting of electrical, mechanical, plumbing and occasionally structural plan review.
- Fire Protection Inspections and Compliance Support conducting design reviews, fire protection shop submittal reviews, construction in-progress inspections, and construction final inspections and acceptance tests.
- MBE/DBE/VSBE Compliance Support at BWI Thurgood Marshall and MTN Airports. These services will consist of contract compliance support services to monitor MBE, DBE, and VSBE contract goals for assigned projects.

2-M-MOD. MARYLAND AVIATION ADMINISTRATION
Modification: Maintenance Contract

Contract ID: Solid Waste Removal and Recycling Services at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) and Martin State (MTN) Airports; *MAA-MC-20-001*; ADPICS NO.: CO379518

Contract Approved: Item 5-M, 05/22/2019

Contractor: Goode Companies, Inc.
Greenbelt, MD

Contract Description: This contract provides for collection, removal, and transport of solid waste and recyclables from BWI Thurgood Marshall and MTN Airports to appropriate facilities for disposal.

Modification Description: Modification No. 1 is a material change to the contract which provides for additional inspection services and adjustments to the equipment list.

Original Contract Term: 07/01/2019 - 06/30/2024

Original Contract Amount: \$8,633,309

Modification Term: 08/13/2020* – 06/30/2024 (*or earlier upon BPW Approval)

Modification Amount: \$0.00

Prior Mods/Options: None

Revised Contract Amount: \$8,633,309

July 22, 2020

2-M-MOD. MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks: Modification No. 1 provides for adjustments to the total number of compactors and dumpsters required for service at BWI Thurgood Marshall Airport, and to add a daily container inspection requirement. A change in the Administration’s recycling program from single stream to cardboard only due to recycling market decline, and high levels of contamination no longer being acceptable to Material Recovery Facilities, have resulted in the need to make adjustments to the total overall number of compactors and dumpsters at BWI Thurgood Marshall and the need for additional daily inspections.

Currently the contractor provides inspection services monthly. The contractor shall be compensated at \$40.00 per hour, an hourly rate agreed upon by the Administration and contractor. The new fully burdened hourly rate of providing an employee for this service is comparable to the current Container Cleaning rate.

Modification No. 1 results in no additional cost to the contract. All costs associated with this modification shall come out of the BWI Thurgood Marshall and Martin State Airports Extra Work Allowances.

5-C. **MARYLAND TRANSPORTATION AUTHORITY**
Construction Related Services

Contract ID: Wetland Mitigation and Stream Restoration Services; KH-3038-0000

Contract Description: This project is to provide Permittee-Responsible Mitigation (PRM) Services including the design and construction of Wetland and Stream Mitigation credits as part of the Express Toll Lanes (ETL) Northbound Extension Permit Process.

Award: NextEra Energy Marketing, LLC
Juno Beach, FL

Contract Term: 08/13/2020* - 08/12/2032 (*or earlier upon BPW approval)

Amount: \$23,500,000

Procurement Method: Sole Source

MBE/VSBE Participation: None

Performance Security: None

Requesting Agency Remarks: This is a sole source contract with NextEra Energy Marketing, LLC (NextEra) to provide the PRM services for the Eccleston Mitigation Site in Baltimore County. The Eccleston Mitigation Site will generate 9,738 stream mitigation credits (achieved by a combination of stream restoration, stream creation, stream preservation and stream buffer enhancement) and 14.50 wetland mitigation credits (achieved by a combination of wetland creation, wetland restoration and wetland enhancement). The mitigation credits proposed by NextEra will compensate for 72% of the total required compensatory stream mitigation and 88% of all wetlands mitigation required to mitigate for unavoidable impacts resulting from MDTA's I-95 ETL Northbound Extension Phase 2 Project from MD 152 to north of MD 24 in Harford County. NextEra owns the rights to perform the mitigation on the Eccleston site and the Maryland Department of the Environment (MDE) and the U.S. Army Corps of Engineers (USACE) agreed to use this site for part of MDTA's offsite mitigation.

NextEra will be responsible for the construction, monitoring and maintenance and will provide all financial and site protection assurances in perpetuity.

6-IT-OPT. MARYLAND PORT ADMINISTRATION (cont'd)

MBE Participation: 10%

MBE Compliance: 9.89% 217045A-IT
31.57% 217045B-IT

Requesting Agency Remarks: The contract is for information technology resources to further develop and maintain MDOT MPA's existing GIS interface and data management tools and to provide increased access to historical, ongoing and future engineering data to MDOT MPA's internal and external clients. The current GIS system and data serve as the geographic foundation for follow-on development to assist other MDOT MPA departments in providing more efficient management of resources.

The contractors and their resources have provided quality, consistent services to MDOT MPA at a good value. The MDOT MPA has been satisfied with the resources provided and the work accomplished. The hourly rates, which were agreed to at time of original award, are within the limits of the original DoIT contract.

The Maryland Port Commission approved these Renewal Options on July 7, 2020.

jthornton@marylandports.com*

**7-IT. MARYLAND PORT ADMINISTRATION
*Information Technology***

Contract ID: Project Management; 219047-IT
ADPICS No: P219047

Contract Description: This contract provides for one project manager to lead information technology initiatives of the Maryland Department of Transportation Maryland Port Administration (MDOT MPA).

Award: DK Consulting, LLC *(Certified Small Business and MBE)*
Columbia, MD

Contract Term: 08/13/2020 – 08/12/2025* *(with one, five-year renewal option)*
*(*or earlier upon BPW approval)*

Amount: \$1,058,554 (Base Term, Years 1 – 5)
\$1,137,504 (Renewal Option, Years 6 - 10)
\$2,196,058 (Total Award)

Procurement Method: Competitive Sealed Proposals *(Small Business Reserve)*

Proposals:

Offerors	Technical Rank	Financial Rank	Overall Rank
DK Consulting, LLC Columbia, MD	1	\$2,196,058 (1)	1
Elegant Enterprise-Wide Solutions Chantilly, VA	2	\$2,380,400 (2)	2

**Technical factors had greater weight than price in the overall ranking.*

MBE Participation: 100%

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage, which notified approximately 2,250 vendors. The solicitation was also shared with the Maryland Minority Contractors Association, the Md. Washington Minority Companies Association, and 254 additional contractors were directly solicited.

The Project Manager will manage MDOT MPA information technology projects, programs, and initiatives for facility expansion, security enhancement, and infrastructure upgrade, and will provide operations support for MDOT MPA’s facilities. The resource will work side-by-side

7-IT. MARYLAND PORT ADMINISTRATION (cont'd)

Agency Remarks: (cont'd)

and under the supervision of the Project Management Office of MDOT MPA's Information Services Division. The contract allows MDOT MPA to obtain additional resources after award by modification, subject to necessary approvals.

Thirty-three proposals were received. One of the proposals was deemed not reasonably susceptible of being selected for award for failure to include qualifications in the technical proposal, and the remaining 32 were evaluated. The Request for Proposals stated that if more than ten proposals were received only the top five technically ranked would be interviewed. Following interviews of those top five offerors, three were found not reasonably susceptible of being selected for award for failure to demonstrate required expertise. The next three ranked offerors were then interviewed, and they too were found not reasonably susceptible of being selected for award for failure to demonstrate required expertise. No further interviews were held due to time constraints.

Technical merit was given greater weight than price in the evaluation. Although the technical proposal of DK Consulting, LLC was ranked lower than that of Elegant Enterprise-Wide Solutions, Inc., the third best and final price of DK Consulting, LLC was within MDOT MPA's budget while the price of Elegant Enterprise-Wide Solutions, Inc. exceeded the budget. Therefore, DK Consulting, LLC was selected as the offer most advantageous to MDOT MPA. DK's proposed resource demonstrated a strong project management background in information technology, with relevant experience in physical security systems.

The financial ranking is based on evaluated prices derived from unit prices offered by offerors applied to estimated annual man-hours contained in the proposal form to allow for proper comparison among offerors. MDOT MPA will manage the project manager's hours to keep total payments under the contract within the approved contract value.

This award was approved by the Maryland Port Commission on July 7, 2020.

Requesting Agency Remarks: This solicitation was published on eMaryland Marketplace and in the Daily Record on January 10, 2019. A total of 260 firms were notified via eMaryland Marketplace of which 65 were certified DBEs. A total of 11 engineering consultant firms submitted technical proposals in response to the solicitation.

The contractors will perform architecture and engineering services for MDOT MTA's Facilities Engineering, ADA and Sustainability Division, on an as-needed task order basis. This will include services related to design and construction for MARC Train, Light RailLink, Metro SubwayLink, CityLink (Bus), LocalLink (Bus), Bicycle, MobilityLink, local transit systems, and other transit related facilities.

**DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
July 22, 2020**

8-AE. MARYLAND TRANSIT ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

These services may include the following types of tasks:

- civil engineering including utilities;
- architecture including interior design and historic preservation;
- structural, mechanical, plumbing, electrical, fire protection landscape and traffic engineering;
- mechanical and plumbing engineering;
- storm water management and erosion & sediment control;
- right-of-way plats and acquisition support;
- trackwork and railway engineering;
- Leadership in Energy and Environmental Design (LEED) analysis, sustainable strategies/energy saving technology reviews;
- traffic studies;
- architecture, landscape architecture, and urban design;
- regional planning assistance;
- mapping and GIS technical support.
- accessibility and ADA;
- provide and implement Quality Control/Quality Assurance, Quality Management plan;
- asset management; and
- construction related services.

The DBE goal established for these contracts is 25%. HNTB Corporation and WSP USA Inc. have committed to the DBE goal.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in Board Advisory 1995-1.

9-RP. STATE HIGHWAY ADMINISTRATION
Real Property – Disposition

Recommendation: That the Board of Public Works approve the Maryland Department of Transportation State Highway Administration (MDOT SHA) disposing real property as it is excess to the agency's needs.

Authority: Transportation Article, § 8-309(f)(1)(ii)
Annotated Code of Maryland

Property: MC# 19-2635
Former Albert J Groshans (0.249 acres ±), located on the south side of I-695 in Parkville, Baltimore County.

Grantor: State of Maryland, MDOT SHA

Grantee: Arachova LLC, a Maryland limited liability company

Consideration: \$85,000

Appraised Value: \$100,550 – Thomas Weigand (Selected)
\$152,000 – Melody Campbell (Approved)
Wesley Barkley, Review Appraiser

Special Conditions: N/A

Legislative Notice: Notice was sent to the Senate Budget and Taxation Committee and the House Appropriations Committee of the General Assembly on May 19, 2020. The 45-day review period expired on July 3, 2020.

State Clearinghouse: N/A

Requesting Agency Remarks: In 1959, MDOT SHA acquired the above property for the Roadway Improvements of I-695 Project. The subject property is no longer needed. MDOT SHA proposes to convey the subject property to an adjoining owner, Arachova LLC, through a negotiated sale of \$85,000 which is 85% of the appraised value.

17-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: HVAC Services at Various Locations in Anne Arundel, Calvert, Charles, and St. Mary's Counties (District 5); *HVCD5AG22SB*
ADPICS No: HVACD5AG22

Contract Description: This open-ended, on-call contract provides all labor, materials, and equipment necessary to perform HVAC services at various locations in Anne Arundel, Calvert, Charles, and St. Mary's Counties (District 5).

Award: POM Company, LLC (Certified Small Business)
Upper Marlboro, MD

Contract Term: 08/01/2020 – 07/31/2023

Amount: \$428,333 NTE

Procurement Method: Competitive Sealed Bidding (Small Business Reserve)

Bids:

POM Company, LLC \$428,333
Upper Marlboro, MD

RLS Mechanical, LLC \$480,075
Pasadena, MD

Kelly HVAC, Inc. \$530,310
Upper Marlboro, MD

Pride Mechanical, LLC \$564,160
Cockeysville, MD

Living Wage Eligible: Yes

MBE Participation: 0% (Limited Subcontracting Opportunities)

Performance Security: None

Incumbent: None

17-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks: This contract was advertised as a Small Business Reserve solicitation on eMaryland Marketplace Advantage (eMMA) on September 17, 2019, notifying 82 potential contractors. Five bids were received. The low bidder requested to withdraw their bid after it was determined they did not visit the performance sites, and as a result didn't have an accurate count of necessary material, nor did they include the cost of material in their bid price. SHA's Office of Attorney General (OAG) was consulted and determined that the vendor should be allowed to withdraw their bid. POM Company, LLC provided the next apparent low bid of \$428,333.

The Maryland Department of Transportation State Highway Administration has confirmed POM Company, LLC's bid price and 100% of the work conducted on this contract is performed by a State-certified Small Business.

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Allegany College of Maryland

Technology Building Renovation – Construction

The project is to renovate 36,728 NASF/46,516 GSF within Pods A and C of the 43-year-old Technologies Building on the main campus of Allegany College of Maryland (ACM). This project is the second phase of the renewal of this building and aims to create modern classroom and lab spaces. Renovating the building will rectify problems including the lack of natural light in classrooms, small student congregation areas, outdated equipment, poor building systems, and inadequate and old classroom spaces. Further, academic departments will merge small programs into more comprehensive degrees, unite faculty, and the project will provide faculty and support staff with functional office areas. Technology programs such as Cyber security and other Information Technology degrees find the current 1970's era building inadequate and unsuited for growth.

Project sustainability is achieved by installing LED light fixtures and use of natural light. Installation of high efficiency HVAC systems, electrical systems, and water reducing plumbing fixtures. The project goal is a LEED Silver status.

MCCBL 2019/ Item 117; (CC-10-MC16/18/19/20-443) \$2,934,000.00

Matching Fund: Allegany College of Maryland – \$1,305,855.00. Cost sharing is 69.2% for the State, 30.8% local share and is in accordance with Section 11-105(j) of the Education Article.

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Cecil Community College

Entrance/Roadway and Facility Maintenance Building– Design/Construction/Equipment

The scope of work for this project includes constructing a second, multi-lane entrance to the Cecil College campus and roadways within the campus to connect the campus core, opening the northern acres of the campus for vehicular and emergency services access while accommodating campus development, to include construction of a new 12,095 NASF/16,127 GSF Facilities Management building. The existing Facilities Management building, built in 1982, is outdated, undersized, in poor condition, and will be demolished following construction of the new Facilities Management building. The new building will contain the following Facilities Management Services functions: Maintenance, Grounds, Custodial, Fleet Services, Mail and Receiving, Duplication, and Capital Projects.

The sustainable features of the project are as follows: high-efficient soil removal and placement plan, which falls in line with Smart Growth requirements. The maintenance building has been designed with high-efficiency long-life expectant equipment; high-efficiency installations of HVAC and electrical systems. Installation of lighting technology; to minimize the need for artificial lighting which can decrease lighting energy use by 50-70%. The project goal is a LEED Silver status.

MCCBL 2020/ Item 121 (CC-13-MC20-469) **\$5,051,000**

Matching Fund: Cecil Community College – **\$3,283,984.00**. Cost sharing is 60.6% for the State, 39.4% local share and is in accordance with Section 11-105(j) of the Education Article.

Chesapeake College

IT-AV Infrastructure Campus Wide Project – Construction

The project is to upgrade and install new fiber network connections, network access switches, wireless network, and security cameras at the Chesapeake College campuses located in Wye Mills, MD and Cambridge, MD. The project encompasses upgrades to fourteen buildings as well as some exterior enhancements. Current and future student/faculty equipment is unable to function with the current infrastructure; the upgrades will allow a greater learning experience by the ability to enhance teaching technology.

Sustainability is achieved by Chesapeake College overseeing the project from conception to completion and eliminating the cost associated with having an owner representative manage the project.

MCCBL 2019/ Item 117; (CC-12-MC20-470) \$ 833,000

Matching Fund: Chesapeake College – \$277,000.00. Cost sharing is 75.0% for the State, 25.0% local share and is in accordance with Section 11-105(j) of the Education Article.

13-CGL. CAPITAL GRANTS AND LOANS
Higher Education Commission

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

College of Southern Maryland – Hughesville Campus

Hughesville Health Sciences Center – Construction/FF&E

The project is to construct a new Health Science Center on the Hughesville Regional Campus of the College of Southern Maryland. The new building will be centrally located to the three counties served by CSM and provide education for nursing and other health science professions. This will be the second building on CSM's Hughesville campus. Counties in Southern Maryland will help address transportation issues to and from campus by creating a mass transit hub nearby. The new building will correct the poor location of the current program (in La Plata, which serves predominantly Charles County residents) and lack of space in the current building. CSM anticipates that the new building will allow for higher enrollments in nursing, a key job growth area.

Sustainability is achieved by a better student utilization of programs and a completely up to date energy and maintenance efficient HVAC system; electrical system; and water efficient fixtures. The project goal is a LEED Silver status.

MCCBL 2013/ Item 018	\$ 1,235,298.12

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

**Community College of Baltimore County – Essex Campus
Wellness & Athletic Center Renovation– Design**

The scope of work for this project includes constructing an 8,500 GSF/6,100 NASF addition to the Wellness and Athletics Center (WELL) for the new Fitness Center and renovate approximately 11,500 GSF/7,000 NASF on the existing WELL mezzanine level to create two large dance studios with changing space and a small restroom plus two faculty offices for full time dance faculty. Renovation of approximately 7,000 GSF on the main level of the WELL will reorganize the Athletics Program Support Spaces, corridors, and lobbies to integrate with the new Fitness Center.

The sustainable features of the project as follows: Retention of the existing structure rather than relying on construction of an entire new facility, which provides a huge cost savings and making the project consistent with the Smart Growth policy. Provides a better student utilization of programs and a completely up to date energy and maintenance efficient HVAC system; electrical system; and water efficient fixtures. The project goal is a LEED Silver status.

MCCBL 2020/ Item 121 (CC-05-MC17-451) **\$230,000**

Matching Fund: Community College of Baltimore County – **\$230,000**. Cost sharing is 50.0% for the State, 50.0% local share and is in accordance with Section 11-105(j) of the Education Article.

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Frederick Community College

Linganore Hall (Building L) Renovation/Addition – Design/Construction/FF&E

The project will renovate and construct an addition to the 38,307 NASF/54,014 GSF Linganore Hall for a total of 47,307 NASF/70,014 GSF. Upgrades and improvements to the Allied Health and Nursing labs, enhance the Testing Center and locate it in proximity to Learning Support services, create additional general classrooms, provide collaborative student learning areas, and upgrade the data center. The renovated facility will rectify facility problems including inadequate and/or insufficient space for instruction, informal learning, meeting, building systems, and the data center.

Sustainability achieved by meeting to LEED requirements for indoor water use reduction with the use of water efficient fixtures, for optimized energy performance with the use of LED lighting and an energy-efficient Variable Air Volume (VAV) HVAC system throughout the building, for enhanced indoor air quality with the use of low emitting materials and an indoor air quality management plan, for sustainable materials with the selection of interior building materials that have verified improved environmental life-cycle impact and that are sourced in a responsible manner, and for construction waste management by separating construction debris and recycling of materials. The project goal is a LEED Silver status.

MCCBL 2019/ Item 117; (CC-06-MC19/20-467) \$3,334,000

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Howard Community College
Mathematics and Athletics Center – Design

The project will demolish the existing Athletic and Fitness Center and construct two new buildings totaling 122,104 NASF/193,075 GSF to contain the Mathematics and Athletics departments.

Sustainable features include a reduced annual maintenance cost by installing high efficiency electrical and HVAC systems. Innovative installations of site utilities, stormwater management and a highly efficient means for removal and placement of site soils. The new building complex will achieve a minimum of LEED Silver certification or other certification programs allowed by the State of Maryland and Howard County.

MCCBL 2019/ Item 117; (CC-14-MC19/20-466) \$4,235,000

Matching Fund: Howard Community College – \$4,235,000.00. Cost sharing is 50.0% for the State, 50.0% local share and is in accordance with Section 11-105(j) of the Education Article.

Background:	Total Amount	State Share	Local Share
Total Project	\$8,470,000	\$4,235,000	\$4,235,000
This Action	\$8,470,000	\$4,235,000	\$4,235,000

Remarks:

1. This action is in accordance with MHEC Construction and Space Allocation regulations, COMAR 13B.07.
2. The Maryland Higher Education Commission, the Department of Budget and Management and the Department of General Services recommend approval. All contracts will be awarded by Howard Community College and signed by local authorities.
3. The Office of the Comptroller may not disburse State funds until after the Department of General Services verifies that the grant recipient has expended the matching fund and the required amount for reimbursement.

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Wor-Wic Community College

Applied Technology Building– Design

The scope of work for this project includes the constructing a new 22,721 NASF/40,000 GSF Applied Technology (AT) building and associated road and parking lot improvements at Wor-Wic Community College (WWCC). The single-lane entrance road will be widened and extended around the new Applied Technology building, the parking lot adjacent to Brunkhorst Hall and the entrance road will be expanded, the North-South campus drive will be replaced by a fire lane/pedestrian way, and the exit road between Brunkhorst Hall and Maner Technology Center will be eliminated. The new building will house Supply Chain Management; Logistics; Transportation; Industrial Technology (HVAC, welding, electrical, plumbing, construction); and Alternative Energy programs and the College’s Information technology department.

The sustainable features of the project are as follows: Installations of high energy efficient performing HVAC, Electrical systems which includes a lighting system designed to save energy throughout the building. A sequence of a high-efficiency plan for removal and placement of site soils. The intent of the project design is to achieve a LEED Silver certification.

MCCBL 2020/ Item 121 (CC-17-MC20-471) **\$1,522,000**

Matching Fund: Wor-Wic Community College – **\$507,333.00**. Cost sharing is 75.0% for the State, 25.0% local share and is in accordance with Section 11-105(j) of the Education Article.

Background:	Total Amount	State Share	Local Share
Total Project	\$2,029,333	\$1,522,000	\$ 507,333
This Action	\$2,029,333	\$1,522,000	\$ 507,333

Remarks:

1. This action is in accordance with MHEC Construction and Space Allocation regulations, COMAR 13B.07.

19-S SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Three proposals were received; all of which were determined to be reasonably susceptible of being selected for award. Following evaluations and the receipt of Best and Final Offers (BAFO), Post & Schell was determined to have the most advantageous offer to the State.

The selected contractor will provide expert knowledge to the Commission's assigned Assistant Attorney General to propose changes that are necessary to modernize *COMAR 10.25.18, Health Information Exchanges: Privacy and Security of Protected Health Information* (regulations).

The objective is to align them with evolving national electronic health information policies and the current need of the expanded use during the COVID19 pandemic. The regulations were adopted in March 2014 and expanded upon privacy and security protections established by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), as amended by the Health Information Technology for Economic and Clinical Health Act (HITECH) in 2009. The Contractor will recommend modifications to the regulations based on consumer preference around privacy and security of electronic health information and existing technology capability.

**21-S. SERVICES CONTRACT
*State Department of Education, Division of Rehabilitation Services***

Contract ID: Vehicle Modification for DORS Client; CS 20-14
ADPICS No.: R00B0600084

Contract Description: Provide vehicle conversion and modifications for a Driver Rehabilitation and Vehicle Modification program client's vehicle to comply with the National Highway Transportation Safety Administration (NHTSA) and American Disabilities Act (ADA) regulations.

Award: Total Mobility Services, Inc.; Frederick, MD

Contract Term: 08/01/2020 - 02/28/2021

Amount: \$127,978

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: N/A

Requesting Agency Remarks: The Maryland State Department of Education, Division of Rehabilitation Services administers the Vocational Rehabilitation Program in Maryland in accordance with the Rehabilitation Act of 1973, as amended. The Division of Rehabilitation Services is a State-Federal program that provides services to eligible persons with disabilities in order to assist them in becoming or remaining employed and remaining independent in their living situation. The consumers with approved employment plans are afforded the opportunity to participate in the Driver Rehabilitation and Vehicle Modification Program. Subsequent to an evaluation and training on equipment, the consumer can have their vehicle modified.

Total Mobility Services Inc., the recommended contractor, is responsible and meets the technical requirements set forth in the statement of work and Vehicle Equipment Adaptation Prescription and Agreement (VEAPA).

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020**

21-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Vehicles can only be modified by vendors who are certified to meet Federal Motor Vehicle standards in compliance with the National Highway Transportation Safety Administration and maintain certification from the National Mobility Equipment Dealers' Association. Additionally, Total Mobility Services Inc. is the sole vendor in Maryland approved to buy and install the required equipment. The specifications called for a Joysteer – 4-way joystick system. The consumer took their driving exam at the MDOT MVA with the Joysteer equipment and their driver's license reflects this. Therefore, the consumer is required to drive with the 4-way joystick system by Joysteer.

Per the VEAPA submitted by the Certified Driving Rehabilitation Specialist, the recommended equipment meets the needs of the consumer, who has muscular dystrophy. The conversion and adapted driving equipment to the consumer's 2020 Chrysler Pacifica Maximum ST is required for the consumer's continued employment.

**22-S. SERVICES CONTRACT
*State Police Aviation Command***

Contract ID: Aircraft Sale Brokerage Service;
BPM018017 ADPICS No.: ~~W00R0600030~~ W00B1600003

See Record
Correction: Secretary
Item 19 (9/2/20)

Contract Description: Revenue-generating contract to sell its King Air B300 airplane.

Award: Avpro, Inc.; Annapolis, MD

Contract Term: 08/13/2020* - 02/12/2021 (w/one 6-month renewal option)
(*or earlier upon BPW approval)

Amount: \$75,000 (Estimated - contingent on final sale price)

Procurement Method: Competitive Sealed Bidding (*Single Bid Received*)

Bids: 4% Commission Fee of the Sale Price

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: N/A

Requesting Agency Remarks: The Maryland State Police Aviation Command (MSPAC) currently owns a King Air fixed wing airplane. At the direction of the Secretary of the Maryland State Police (MSP), the aircraft is to be sold. To facilitate the sale of the aircraft, MSPAC will be contracting a Broker service that specializes in aircraft sales to advertise, sell, and transfer the aircraft to a new owner.

A search for qualified Broker was conducted on eMaryland Marketplace Advantage and only found one. Overall, there are not many vendors that offer this service. MSP directly solicited six possible aircraft brokers. Of the seven companies solicited, a single bid was received.

The MSPAC recommends award of this contract to Avpro, Inc. The proposed commission is below the average fair market value commission for the sale of an aircraft of this age, make and model; which is usually 3% - 6%.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020**

24-S-MOD. SERVICES MODIFICATION (cont'd)

Percent +/- (This Item): 0%

Total Percent Change: 0%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 25% / 0.5%

MBE/VSBE Compliance: 13.4% / 4.4%

Requesting Agency Remarks: Will ensure the completion and filing of applications, as well as handle appeals for SSA Disability Benefits on behalf of potentially disabled individuals in DHS' foster care system. The targeted customers to be affected are adults who receive TDAP, TCA, PAA and TCA children benefits (collectively referred to as DHS Customers).

As a pay-for-performance contract, DHS will pay the contractor for customers who are referred to the Contractor for initial screening to be determined potentially eligible for Federal disability benefits and for any subsequent Federal disability benefit application or appeal submitted, and for any subsequent resulting award. When TDAP and PAA customers are approved for Federal Disability, the State may recover TDAP and PAA payments from the lump-sum Federal disability benefits. Customers awarded SSA benefits transition from State - funded programs, receive medical coverage and a substantially higher monthly grant than State public assistance. By extending services the program will be able to address and prioritize technological continuity during the implementation of a new statewide system to handle and manage its processing of benefit applications. That implementation of those systems overlaps with the extension period, and the current vendor is the only source that is capable of immediately stepping in to provide these services while a competitive solicitation is prepared.

DHS is responsible for approximately 4,600 children in foster care. The living expenses for these children are covered by Child and Family Services funding (awarded under Title IV-B of the Social Security Act), federal payments for foster care and adoptive assistance (awarded under Title IV-E of the Social Security Act), or State funds. The majority of children in foster care have their living expenses paid through the State funds. When possible, the State would like to offset this cost through SSA benefits, which are federal entitlement programs if the individual meets certain Federal eligibility conditions.

DHS also assists indigent, severely disabled Maryland adults through the TDAP, TCA, and PAA cash programs. DHS would like to transition recipients who are potentially disabled from these State funded programs to SSA benefits. This transition would allow the recipients to receive medical coverage as well as a significantly higher monthly grant than State public assistance.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020**

24-S-MOD. SERVICES MODIFICATION (cont'd)

Agency Remarks (cont'd):

TDAP and PAA are 100% funded through general funds; and TCA for cases with a long-term disabled adult is 100% federal funds. Additionally, transitioning recipients from State programs to federal programs allows the State to reallocate its public assistance funding to other vital programs and initiatives.

This modification will allow DHS customers to continue receiving uninterrupted assistance with their Federal disability applications and appeals. DHS is currently on track for a timely completion of a competitive solicitation.

These MBE compliance numbers appear to be unusually high because the subcontractors conduct the bulk of the work in the early stages of the contract. As more participants are found eligible to receive SSI/SSDI, the prime contractor will receive a higher amount of payments. The length of time required for an approval on a federal disability application varies from three months to 24 months.

Requesting Agency Remarks: The original award was made to four contractors; the options for the other two contractors were not exercised.

BCDSS is obligated under the Temporary Assistance for Needy Families (TANF) Block Grant to meet the federal Work Participation Rate (WPR). The WPR is calculated monthly and computes the percentage of work eligible TCA recipients who have met their work requirement. Maryland's TCA program includes a work requirement. The work requirement compels a TCA recipient to participate in an approved Work Activity (a training program or internship) for 30 work hours a week in order to maintain their eligibility for TCA. BCDSS reserves the authority to apply several exceptions to this rule. For example, TCA recipients who are over the age of 65 are exempt from the work requirement. On average, 50% of TCA caseload in Baltimore, or about 5,000 people, are obligated to complete this work requirement in order to maintain their eligibility. The Contracts allow placement of TCA recipients in full-time unsubsidized employment for a minimum of 16 consecutive weeks. BCDSS ensures that customers have the opportunity to meet the work requirement by providing assistance with child care, mental health supports, remedial education, skilled training, and job placement.

This extension is necessary to ensure the maintenance of critical services while providing the time required for BCDSS to develop a new workforce development program. Currently, BCDSS is working with a consultant to develop a more effective workforce program and the associated goals and performance metrics. The COVID-19 emergency and associated response necessitated delaying the consultation which was previously planned for March 2020. The current timeframe for the consultation is June 2020. The result of the consultation will be a new workforce program solicitation. Preparation of specifications will begin immediately thereafter with submission to DGS expected in July or August 2020.

25-S-MOD. SERVICES MODIFICATION (cont'd)

There were several compounding circumstances that contributed to this extension being retroactive. First, the circumstance was the change in the entire leadership at BCDSS resulting in a delay in completing a solicitation for new services and preparing the request for a modification extension. Second, the COVID-19 crisis limited the BCDSS procurement staff's ability to access equipment and systems needed to continue the procurement process. Third, the COVID-19 crisis necessitated emergency amendments to the work participation mandates in each current contract; and the time it took to coordinate the emergency amendments with another DHS Administration. Fourth, the COVID-19 crisis increased the time it took for vendors to review, sign and return procurement documents. Lastly, the procurement guidance received that resulted in the procurement documents having to be revised to create two separate modification submissions. One for the retroactive modification extension and one for the emergency pay-out points. All of the above described circumstances contributed to this being a retroactive modification.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance; Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

Contract ID: Public Branch Exchange (PBX) IV Telecommunications Equipment and Services
ADPICS No.: 001B0600162

Contract Description: Multiple award, master contract to provide PBX telecommunications equipment and related services for the State.

Awards: *See Attachment 1*

Contract Term: 01/01/2021 - 12/31/2030 (with no renewal options)

Amount: \$70,000,000

Procurement Method: Competitive Sealed Proposal (*Master Contract*)

Proposals: *See Attachment 1*

Living Wage Eligible: Yes

MBE/VSBE Participation: 25% / 2%

Performance Security: N/A

Incumbents: Alliance Technology Group, LLC; Altura Communication Solutions, LLC; Atlantech Online, Inc.; Carousel Industries; Chesapeake Telephone Systems, Inc.; ConvergeOne Systems Integration, Inc.; DISYS Solutions, Inc.; ePlus Technology, Inc.; ePlus Technology, Inc.; IPC Technologies, Inc.; Mitel Business Systems, Inc.; MS Technologies Corporation; NEC Corporation of America; Norstan Communications, Inc d/b/a Black Box network Services; Optus, Inc.; Presidio Networked Solutions, LLC; Skyline Technology Solutions, LLC; Telephonet Corporation; True Communications Inc.; Unify Inc.; Verizon Select Services, Inc.

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) and directly solicited 20 prospective master contractors on December 30, 2019.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020**

26-IT. INFORMATION TECHNOLOGY (cont'd)

Agency Remarks (cont'd):

A total of 16 proposals were received in response to the RFP. All were determined to be reasonably susceptible of being selected for the award. After evaluating the criteria in the RFP, only 14 were recommended for award. Nine are resident businesses and six are Minority Business Enterprise (MBE), and four are Small Business Reserve (SBR), as indicated in Attachment 1.

Additionally, since exceptions are currently being negotiated with two potential Offeror's, both Offeror's will be recommended for contract award if an agreement is reached and presented to the Board of Public Works (BPW) for approval at the next BPW Agenda Meeting.

This PBX IV Master Contract replaces the current PBX III Contracts that provide public branch exchange (PBX) telecommunications equipment and related services. This new Master Contract will provide State agencies with the flexibility of obtaining telecommunications equipment and services quickly and efficiently by issuing Purchase Order Requests for Proposals (PORFP) specific to their needs.

This Master Contract encompasses the following three functional areas:

- **Functional Area I – Hardware, Associated Peripherals and Software**
- **Functional Area II – Manufacturer's Extended Warranty and Maintenance Services**
- **Functional Area III– Time and Material Labor**

This new Master Contract is structured to be adaptable to rapidly changing technology by allowing Master Contractors the option to add additional manufacturers' product lines throughout the term of the Master Contract as they become authorized to sell those lines. There will be a second level of competition through a Purchase Order Request for Proposals (PORFP) sent to all Master Contractors awarded a Master Contract within the appropriate functional area who are authorized to provide the equipment and/or services for the requested manufacturer(s) product line.

Additionally, selected PORFPs can be designated as Small Business Reserve (SBR) competitions. For SBR designated PORFPs each Master Contractor that is a small business will be able to compete within its approved functional area.

Master Contractors affirmed that their prices for the PORFPs will not exceed the Manufacturer's Suggested Retail Price (MSRP) or GSA Schedule for the hardware, software, licenses and maintenance services being purchased for the term of the Master Contract in Functional Areas I and II., and it is expected that the competitive PORFP process will produce lower than MSRP/GSA Schedule pricing.

28-IT-OPT. INFORMATION TECHNOLOGY OPTION (cont'd)

Requesting Agency Remarks: This contract provides enterprise-wide eGovernment (eGov) services that are available for all State agencies, boards, and commissions. The predecessor eGov contract provided for the design, development, hosting, operation, and maintenance of eGov products and services. Agencies used the eGov contract to accept electronic payment for records and services, enabling them to provide services more efficiently to the public. At present, there are 122 active products provided under this contract, serving 26 governmental units and all twenty-four counties. The current contract provides for the continued provision of those services as well as continued hosting, management and maintenance of those services. It does not provide for the development of new services.

The Department of Information Technology recommends renewing the contract for the one and final option year of the Contract for continued provision of the services provided thereunder and for the continued hosting, management and maintenance of those services. This contract will continue to provide for the many essential services and benefits made available through the contract to the State, including but not limited to such things as the web servers for Maryland's website (www.maryland.gov), transaction processing for a host of online forms and permit applications used by citizens and businesses, credit card processing, and interactive voice response technologies. Please refer to the attached schedule for a detailed list. As such, this contract provides various mission critical services that governmental units utilize on a daily basis and that Maryland residents have come to rely on. It is therefore imperative that these services remain available without interruption.

For all the above reasons, the Department of Information Technology recommends that the BPW approve the exercise of the option year.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020**

29-IT-OPT. INFORMATION TECHNOLOGY (cont'd)

Requesting Agency Remarks: Metrc LLC provides the current Medical Cannabis Seed-to-Sale Tracking contract component at no upfront cost to the Maryland Medical Cannabis Commission. The funding of setup, ongoing maintenance and support to the State and industry are rolled into fees charged for tags to plants and packaged products payable by licensed growers, processors and dispensaries the Commission regulates.

Metrc is one of the most viable and well known seed-to-sale medical cannabis tracking and inventory systems in the market and they are operational in several states across the country. The tracking system is an integral part of the Commission's responsibility to ensure that medical cannabis and products will be safely monitored before sale throughout the State and a safeguard against diversion of cannabis products. All Commission licensees are required to participate in the Statewide tracking system program.

All licensees are required to use the Metrc tags. Each licensee is responsible for the cost of the tags and any associated vendor fees. This is unlike models in other states where the State pays for the cost of hosting the system while industry pays for plant and package tags, as well as a monthly user fee directly to Metrc. The no cost to the State aspect of the Metrc seed-to-sale tracking component in the present contract will be maintained.

The Commission believes it is in the best interest of the State for the Board to approve it exercising the renewal option:

- The Seed-to-Sale tracking component is functioning well; the Commission does not have adequate resources to acquire, customize and implement a different seed-to-sale tracking system at this time
- Major changes to the Commission's IT infrastructure over the next year may have an impact on the agent registration system, the extent of which is currently unknown, necessitating the continuation of the current system until a final Enterprise IT system solution is decided.
- Provides planning and implementation time for new Commission IT infrastructure while continuing operations without disruption, as required for daily ongoing activities.
- Since this is the final option and the services are integral to our operations, the Commission intends to undertake a competitive procurement within the next 12 months to avoid interruption of the services.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 22, 2020

REVISED

31-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Requesting Agency Remarks: MDOT MTA's Bus Fleet ITS and BSI database provides the following services for MDOT MTA's bus fleet:

- automated passenger counting;
- automated vehicle health monitoring;
- automated voice announcements;
- data transfers;
- route mapping;
- documentation management; and
- reporting

In order for MDOT MTA to maintain the integrity of these systems and comply with the Americans with Disabilities Act, regular hardware and software maintenance and support needs to continue for one additional year. This contract allows for the Bus Fleet ITS and BSI database to receive the following:

- inspections;
- preventive maintenance;
- on-site services;
- system delivery; and
- technical support

Once Bus Unified System Architecture (USA) is implemented on MDOT MTA's bus fleet, the Bus Fleet ITS and BSI database will no longer be used and therefore maintenance and support will no longer be needed. MDOT MTA anticipates that Bus USA will be fully implemented before the modification expires.

**35-RP. REAL PROPERTY
*Department of Agriculture, Maryland Agricultural Land Preservation
Foundation (MALPF) and Agricultural Land Preservation Easements
(Various Properties)***

Reference: Approval is requested for the Maryland Agricultural Land Preservation Foundation, Department of Agriculture, to accept option contracts for the purchase of agricultural preservation easements on the following properties. All purchases outlined below have been reviewed and approved by the MALPF Board.

Special Conditions: Grantor relinquishes all rights to develop or subdivide the land for industrial, commercial, or residential use. Land shall be preserved solely for agricultural use in accordance with provisions of the Agricultural Article. No commercial signs or billboards are permitted, and there shall be no dumping on land except as is necessary to normal farming operations. Grantor shall manage the property in accordance with sound agricultural practices. Grantee shall have the right to enter land for inspection. No public rights are granted. The term of these easements shall be in perpetuity pursuant to Agriculture Article Section 2-514.1.

A) As to items 1 through 4, pursuant and subject to the provisions of Agriculture Article Section 2-513, Grantor has elected to reserve the right to apply for release of a lot to convey to himself or his children for the purpose of constructing a dwelling for personal use as follows: one lot of one acre or less if the subject property is at least 20 acres, but less than 70 acres, two lots of one acre or less if the subject property is at least 70 acres, but less than 120 acres, or three lots of one acre or less if the subject property is 120 acres or more.

B) As to items 5 through 10, pursuant and subject to the provisions of Agriculture Article Section 2-513, Grantor has elected to reserve to himself, and his assigns, the right to apply for release of one unrestricted lot, that may be conveyed to himself or others. Note that as to Item 13, the unrestricted lot will be a building envelope that will not be subdivided from the farm.

C) As to items 11 through 16, the Grantor is waiving the right to request any additional lots.

35-RP. REAL PROPERTY (cont'd)

<i>Total Acres (TA):</i>	1481.8922
<i>TA Less Unpaid Acres and Dwellings:</i>	1449.2372
<i>Average Price per Paid Acre:</i>	\$ 4,707.93

Requesting Agency Remarks:

1. The Department of Agriculture recommends acceptance of these contracts.
2. The Department of General Services has reviewed the appraisals and has recommended that each appraisal "a." listed above be the fair market value of the land on which the easement is to be acquired.
3. Pursuant to Agriculture Article 2-511(e), the purchase price of each easement may not exceed 75% of the fair market value, or the owner's asking price, whichever is less.
4. Items 2 and 16, marked with a "^" are "insufficient funds offers". The Option Contracts for the insufficient offers specify that if additional funds become available during the due diligence period, the offer will increase to 75% of the fair market value, or the asking price, whichever is less. Any increase in purchase price will be subject to Board of Public Works approval.

37-LL. LANDLORD LEASE
Canal Place Preservation Development Authority

Recommendation: Approval of rent forbearance for non-government tenants, due to COVID-19

Background: The Canal Place Preservation and Development Authority (CPPDA) received a letter of request from the non-government tenants at Canal Place to be granted forbearance on their rents due to COVID-19. Since Canal Place is a State agency, the CPPDA closed its buildings and grounds in accordance with the Governor's directive. To date, most of the tenants affected remain closed. The tenants have requested rent forgiveness for the months of April, May, and June of 2020.

On May 26, 2020; CPPDA held a Board meeting, at which a motion to request the Department of General Services (DGS) submit a request to the Maryland Board of Public Works (BPW) to allow the CPPDA the authority to make decisions regarding to grant rent forgiveness on this for the months of April, May and June 2020 was approved.

Location	Tenants	Amount per month (April 2020 – June 2020)
Station, 3 rd Fl. Room 306	Stangel & Stangel Financial Services	\$449.08
Station, 2 nd Fl. Room 206	Western Maryland Scenic Railroad*	\$750.00
Station, 2 nd Fl. Room 206	Get Out and Play Outfitters	\$750.00
Station, 3 rd Fl. Room 303	Thrive Therapeutic Massage	\$625.00
Shops 14 Howard St., Unit A-1	Crabby Pig	\$1,996.90
Shops 14 Howard St., Unit A-2	Cumberland Trail Connection	\$2,099.53
Shops 17 Howard St., Unit C-1	European Desserts and More	\$348.91
Shops 16 Howard St, Units B-1,2,3	Charis Winery	\$1,619.00
Shops 17 Howard St., Unit C-2	Simplee Country	\$574.39
Shops 17 Howard St., Unit C-3	Dig Deep at Canal Place	\$190.00
<i>Total per month (April 2020 – June 2020)</i>		<i>\$9,352.35</i>
<i>Grand Total</i>		<i>\$28,057.05</i>
<i>Total w/est. Ridership</i>		<i>\$39,304.05</i>

*WMSR is \$750.00 base plus \$3.00 Ridership fee. CPPDA has missed out on fees for 3,749 due to the COVID-19 State of Emergency's impact on ridership. This totals \$11,247 of ridership fees.

**38-LT-OPT. TENANT LEASE OPTION
*District Court of Maryland***

Recommendation: Approve a 5-year lease option renewal

Prior Board Action: 11-LT dated 05/05/2010

Landlord/Owner: Board of Commissioners of Washington County
100 West Washington Street, Hagerstown, MD

Property Location: 500 Western Maryland Parkway
Hagerstown, MD

Space Type: Office (1,572 sq. ft.)
Lease Type: Renewal

Lease Term: 09/01/2020 - 08/31/2025 (w/standard 6-month holdover)
Future Option Term: N/A

Annual Rent Office: \$15,720 **Monthly Rate:** \$1,310
Fund Source: 100% General **Approp. Code:** B004 1301

Utilities/Custodial Responsibility: Landlord/Tenant
Termination for Convenience Clause: Yes

Procurement Method: Sole Source
See COMAR 21.05.05.02.D; DGS Space Mgmt. Manual 6-605 E

Remarks: The space provides office for three Commissioners and Central Booking. The office operates 24 hours a day, seven days a week. The Central Booking Office was constructed by Washington County as an addition to the existing Detention Center; which was built in 1984. The Central Booking program provides a reduction in cost and risk of transporting detainees.

**39-LT. TENANT LEASE
*Department of Transportation, Motor Vehicle Administration***

Recommendation: Approval to lease MDOT MVA's expansion space for continued use through December 31, 2020.

Prior Board Action: A3 Secretary's Agenda Item 09/14/2019

Landlord: CBC Dobbin, LLC;
4920 Elm St., Suite 325, Bethesda, MD

Property Location: 6490 Dobbin Rd, Columbia, MD

Space Type: Office (3,300 sq. ft.)

Lease Type: Renewal (Continuity of Use)

This Term: 08/01/2020 - 12/31/2020

Future Option Term: N/A

Annual Rent:	\$110,035.20	Square Foot Rate:	\$33.34
Fund Source:	100% Special	Approp. Code:	E0003

Utilities/Custodial Responsibility: Tenant

Termination for Convenience Clause: N/A

Procurement Method: Sole Source
See COMAR 21.05.05.02.D; DGS Space Mgmt. Manual ¶ 6-605 E

Remarks: MDOT MVA has utilized this expansion space since May 2019 to accommodate increased client volumes in response to Federal Real ID requirements. The number of customers began to exceed the Fire Marshall's posted capacity. Overcrowding created a threat to staff and customers in egressing the facility in case of fire or other emergency. This expansion space allows this branch to continue to operate in a safe manner, as the Real ID requirement deadline has been extended federally.

**40-LT. TENANT LEASE
*Department of State Police (Baltimore Regional Intelligence Center)***

Recommendation: Approve a new 5-year lease agreement

Prior Board Action: N/A

Landlord/Owner: Montgomery Park, LLC.,c/o Himmelrich Associates, Inc.
1340 Smith Avenue, Suite 200, Baltimore, MD 21230

Property Location: 1800 Washington Boulevard, Suite 310, Baltimore, MD 21215

Space Type: Office (10,107 sq. ft.)
Lease Type: New

Lease Term: 01/01/2021 - 12/31/2025 (w/standard 6-month holdover)
Future Option Term: 01/01/2026 - 12/31/2030

Annual Rent Office: \$241,540 (Avg.; 3% annual escalator)
SF Rate: \$24.15 (Avg.)
Fund Source: 100% General **Approp. Code:** 01.1808.1301.18081

Utilities/Custodial Responsibility: Tenant
Termination for Convenience Clause: No

Procurement Method: Sole Source
See COMAR 21.05.05.02.D; DGS Space Mgmt. Manual 6-605 E

Remarks: The Governor's Executive Order 01.012017.30, created the Governor's Council on Gangs and Violent Criminal Networks. This Council is composed of leaders from local, state and federal agencies focused on operations of gangs and violent criminal networks throughout the region. Pursuant to this Order, the Council developed a strategic plan to create both a special operations group (Baltimore Strike Force) and a comprehensive intelligence center to support that group (Baltimore Regional Intelligence Center – BRIC). For BRIC to support the Baltimore Strike Force, it must be co-located within the same building, 1800 Washington Boulevard. The rent begins at \$22.75per NUSF and escalates 3% annually during the term of the lease.

41-IT. INFORMATION TECHNOLOGY

Recommendation: That the Board of Public Works approve the following Task Orders/Purchase Orders under a previously-approved Master Contract.

Authority: State Finance and Procurement Article
Annotated Code of Maryland, § 13-113; COMAR 21.05.13.06.

Procurement Method: Task Order/Purchase Order under Master Contract

1.0 Master Contract: **Consulting and Technical Services Plus (CATS+)**
Contract No.: 060B2490023

Approved: DoIT 3-IT, 04/03/2013

Term: 04/22/2013 – 04/21/2028

****As of publication, the remaining balance of this master contract is \$680,712,551.**

1.1 Using Agency: Department of Health

Description: Medicaid Management Information System Resources (MMIS II). MMIS II processes all Medicaid claims and maintains files of approved providers of services and Maryland residents certified as eligible to receive services through the Medical Assistance Program (Medicaid). Operations and maintenance of the MMIS II subsystems constitute an ongoing challenge as shifting federal and state regulations require tailoring of services, eligibility and reimbursement. Enhancement and maintenance are required for all subsystems including Claims, Recipient, and Management Administrative Reporting Subsystem (MARS). The State owns the system, all hardware, software, databases, etc. The MMIS Resources contract provides personnel with the appropriate expertise to support development, enhancement and maintenance of the MMIS II application and supporting network applications

Option/ Mod. Description: Exercise the final option and modify contract to add six resources one Senior Systems Engineer to support the VMware platform and five Database Management Specialists four of which will assist the Department in performing tasks associated with the MMIS Modular Transformation (MMT) project and one to support tasks associated with the CMS required Transformed-Medicaid Statistical Information System (T-MSIS) functionality.

Award: Gantech Inc., Columbia, MD

Original Amount: \$8,950,012

Mod. Amount: \$4,253,517

Original Term: 08/08/2016 - 08/07/2019
