		AT-2021-1804	\$3,600.00
		AT-2021-1805	\$6,400.00
	Clyde Ellingsworth	CH-2021-1839	\$4,700.00
		CH-2021-1840	\$15,900.00
Talbot	Kenneth Cober	CR-2020-2454	\$12,700.00
Washington Co.	Brenda Griffith	UP-2021-1815	\$50,000.00

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
September 2, 2020

1. **DEPARTMENT OF AGRICULTURE** *(cont'd)*
Maryland Agricultural Cost-Share Program
Grants

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

**2. DEPARTMENT OF AGRICULTURE
*Maryland Agricultural Cost-Share Program- Additional Funding***

Recommendation: That the Board of Public Works approve granting additional general obligation bond proceeds to 5 grantees under the Maryland Agricultural Cost-Share Program.

Amount: \$ 3,988.11

Fund Source: MCCBL of 2017: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 17206

<i>County</i>	<i>Recipient</i>	<i>Agreement #</i>	<i>\$ Amount</i>
Frederick	Outback Dairy, LLC	MP-2020-2332	337.56
Garrett	Edward S. Wildesen	AT-2020-2281	315.16
Kent	McGuire Brothers, Inc.	CH-2019-2578	264.95
Queen Anne's	Thomas A. Jackson	CH-2019-2249	1,066.06
Talbot	Richard Anders	CR-2020-2453	2,004.38

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

Additional funds are requested for these projects to offset additional costs realized at the completion of the project. These additional costs are a result of design changes required based on site conditions encountered during construction, design changes to improve project effectiveness, or because the level of co-cost share funding originally anticipated was not available when the project was completed.

3. **BOARD OF PUBLIC WORKS**
Wetland Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board grant the licenses for projects involving dredging and filling in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

19-0706 *SHIPWRIGHT, LLC* – To place a revetment, improve navigable access and shoreline erosion control by mechanically or hydraulically maintenance dredging a marina area, transporting the dredged material and providing for a six-year dredging period.

Deale, Rockhold Creek & Tracey’s Creek

Special conditions: Time-of-Year restriction. Requirements for dredged material transport, staking, pipeline installation, marking and maintenance, maintenance dredging, post-dredge bathymetric survey, and revetment design, construction, content, and location.

20-0097 *MD DEPT. OF NATURAL RESOURCES* – To provide shoreline erosion control and coastal resilience by constructing a living shoreline including the construction of sand containment structures, a sill, breakwaters, a groin, and by placing sand and planting marsh vegetation.

Franklin Point State Park, Shady Side, Chesapeake Bay

Special conditions: Time-of-Year restriction. Requirements for scheduling of planting marsh establishment area, Marsh Establishment, Marsh Maintenance and Phragmites Control Maintenance Plans, photographic documentation, and Toxic Material Permit.

Wetlands created: 72,400 sf

3. **BOARD OF PUBLIC WORKS** (cont'd)
Wetland Licenses

ANNE ARUNDEL COUNTY (cont'd)

20-0143 *LONGVIEW CIVIC ASSOCIATION, INC.* – To provide shoreline erosion control, improve coastal resilience and improve habitat and water quality by removing a bulkhead, constructing stone armoring and stone groins, filling with sand, planting marsh vegetation, and constructing a soft kayak launch.

Arnold, Magothy River

Special conditions: Requirements for marsh establishment area, Marsh Maintenance Plan, photographic documentation, County review, and turbidity curtain use.

Wetlands created: 6,032 sf

19-1323 *ANNE ARUNDEL CO. DEPT. OF PUBLIC WORKS* – To provide improved navigable access by mechanically dredging two areas of Brady Cove and two areas of Old Glory Cove.

Pasadena/Glen Burnie area, Stony Creek at Brady Cove & Old Glory Cove

Special conditions: Requirements for dredged material transport and disposal plan, maintenance dredging, staking, and post-dredge bathymetric survey.

20-0003 *FREDERICK D. JOHNSTON* – To provide improved navigable access by mechanically dredging a spur channel.

Glen Burnie, Old Glory Cove

Special conditions: Time-of-year restriction. Requirements for dredged material transport and disposal plan, subsequent maintenance dredging, staking, and post-dredge bathymetric survey.

20-0011 *KENNETH J. WATT* – To provide improved navigable access by mechanically maintenance dredging a spur channel.

Pasadena, Brady Cove

Special conditions: Time-of-year restriction. Requirements for dredged material transport and disposal plan, subsequent maintenance dredging, staking, and post-dredge bathymetric survey.

20-0013 *PATRICK J. NUSSEAR* – To provide improved navigable access by mechanically maintenance dredging a spur channel.

Pasadena, Brady Cove

Special conditions: Time-of-year restriction. Requirements for dredged material transport and disposal plan, subsequent maintenance dredging, staking, and post-dredge bathymetric survey.

ANNE ARUNDEL COUNTY (cont'd)

- 20-0014 *KEITH E. DOMINIC* – To provide improved navigable access by mechanically maintenance dredging a spur channel.
Pasadena, Brady Cove
Special conditions: Time-of-year restriction. Requirements for dredged material transport and disposal plan, subsequent maintenance dredging, staking, and post-dredge bathymetric survey.

CHARLES COUNTY

- 18-0092(R4) *NICE-MIDDLETON BRIDGE* – To install a temporary conveyor belt structure to transport concrete from batch plant on the shoreline to vessels on the Potomac River.
Newburg, Potomac River
Special conditions: None.

QUEEN ANNE'S COUNTY

- 19-0587 *TOWN OF QUEENSTOWN* – To improve navigable access by dredging two areas, transporting dredged material, and providing for a six-year dredging period.
Queenstown, near First and Second streets, Queenstown Creek
Special conditions: Requirements for dredged material transport and maintenance dredging.

ST. MARY'S COUNTY

- 20-0168 *TAREK C. ABOUSHI* – To control shoreline erosion by constructing two stone groins.
Ridge, Chesapeake Bay
Special Conditions: Requirements for groin design and construction.

**4. BOARD OF PUBLIC WORKS
*Wetlands License -- #20-0010 – Adam R. Graybeal
Mitigation***

Recommendation: The Wetlands Administrator recommends granting a wetlands license to dredge a spur channel and additionally recommends compensatory mitigation in the amount of \$1,265 for new dredging impacts to 245 square feet of submerged aquatic vegetation (SAV).

MDE: The Maryland Department of the Environment concurs with this recommendation.

- Application received January 3, 2020
- Public comment period ended April 20, 2020
- MDE Report and Recommendation received July 30, 2020

Authority: The “Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” *Section 16-202, Environment Article, Annotated Code of Maryland*; see also COMAR 23.02.04.

Mitigation: The spur channel dredging will result in new impacts to 245 square feet of SAV. MDE recommends that the Licensee mitigate at a 3:1 ratio for impacts to a species in need of conservation by paying \$1,265 into the Tidal Wetlands Compensation Fund (COMAR 26.24.05.01.C.(1)(e)).

$$245 \text{ square feet} \times \$1.72 \text{ square foot} (43,560 \times \$75,000/\text{acre}) = \$1,265$$

ANNE ARUNDEL COUNTY

20-0010 ADAM R. GRAYBEAL – To provide improved navigable access by mechanically maintenance dredging a spur channel.
Glen Burnie, Old Glory Cove
Special Conditions: Time-of-year restriction. Requirements for payment into the Tidal Wetlands Compensation Fund, dredged materials transport and disposal plan, staking, maintenance dredging, and a post-dredge bathymetric survey.

5. **BOARD OF PUBLIC WORKS**
Wetlands License - #19-0460(R) - Queen Anne's Co. Dept. of Parks and Recreation Mitigation

Recommendation: The Wetlands Administrator recommends revising a wetlands license involving dredging in the navigable waters of Maryland and additionally accept proposed mitigation to offset tidal wetland impacts to shallow water habitat resulting from the dredging.

MDE: The Maryland Department of the Environment concurs with this recommendation.

- Application received March 2, 2020
- Public comment period ended June 15, 2020
- MDE Report and Recommendation received July 14, 2020

Authority: The “Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” *Section 16-202, Environment Article, Annotated Code of Maryland*; see also COMAR 23.02.04.

Background: The applicant seeks authorization to change the previously issued dredging license by deepening the dredging area by two feet and depositing the additional material at an approved dredge material disposal site. This authorization will result in new impacts to 32,902 square feet of shallow water habitat.

Mitigation: “The Board may require mitigation for unavoidable adverse environmental effects or loss of State wetlands caused by a licensed structure or activity.” *COMAR 23.02.04.14D*. MDE recommends that the applicant mitigate for the impact to 32,902 square feet of shallow water habitat by enhancing 1.51 acres of *Phragmites* dominated marsh. The proposed mitigation ratio for the shallow water (open water) impacts is assessed at a 1:1 ratio increased by a factor of 2 for enhancement of existing tidal wetlands, requiring mitigation for 65,800 square feet of *Phragmites* eradication (43,560 square feet to an acre x 1.51 = 65,800 square feet). *COMAR 26.24.05.01.C.(2)*

6. **BOARD OF PUBLIC WORKS**
***Wetlands License - #19-0899 – U.S. Department of the Navy
Mitigation***

Recommendation: The Wetlands Administrator recommends granting a wetlands license for a project involving filling in the navigable waters of Maryland, and that the Board accept proposed mitigation to offset impacts to shallow water habitat resulting from the filling.

MDE: The Maryland Department of the Environment concurs with this recommendation.

- Application received August 22, 2019
- Public comment period ended February 1, 2020
- MDE Report and Recommendation received August 11, 2020

Authority: The “Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” *Section 16-202, Environment Article, Annotated Code of Maryland*; see also COMAR 23.02.04.

Description: Applicant requests authorization to place stone revetment impacting 3,080 square feet of shallow water habitat.

Mitigation: “The Board may require mitigation for unavoidable adverse environmental effects or loss of State wetlands caused by a licensed structure or activity.” *COMAR 23.02.04.14D* MDE recommends that the applicant mitigate for the 3,080 square feet of shallow water impact by creating low marsh. Since the impacts are to shallow water habitat and the proposed mitigation is low marsh, the proposed mitigation is considered “out of kind creation” and must be compensated at a 2:1 ratio. *COMAR 26.24.05.01.C.(2)*. The required project mitigation is 3,080 square feet x 2 = 6,160 square feet of *Phragmites* dominated marsh. The area of eradicated *Phragmites* will be planted with native marsh vegetation.

Wetlands License – #19-0897(R) -- Brolley et al.
Modification

Recommendation: The Wetlands Administrator recommends modifying Tidal Wetlands License No. 19-0897 to add ten licensees and make corresponding changes to the license.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Title 16, Environment Article, Annotated Code of Maryland; COMAR 23.02.04.17D.

KENT COUNTY

19-0897(R) **BROLLEY ET AL.** – To provide shoreline protection by replacing an existing revetment and constructing a new rip-rap revetment.

Betterton, Sassafras River

Special conditions: Requirements for revetment design, construction, and content.

Original Approval: Secretary's Agenda, Item 2 (5/20/20) in which the Board authorized the following:

BROLLEY-BAYSIDE LIVING TRUST, PAULINE SCHNEIDER and DIANE CAMPER – To provide shoreline protection by replacing an existing revetment and constructing a new rip-rap revetment.

Betterton, Sassafras River

Special conditions: Requirements for revetment design, construction, and content.

Modified License: The scope of the licensed project and license conditions are unchanged. The modification updates the license title to reflect additional licensees, requires all twelve property owner licensees sign the license, and lists all 12 addresses: 9, 11, 13, 15, 17, 101, 103, 105, 107, 109, 111, and 113 Bayside Boulevard on the license.

*Construction Contract***

Contract Description: Design-build contract for the *Maryland Dove* Replacement, a reproduction seventeenth century sailing ship.

Recommendation: Approve the award of a contract to the Chesapeake Bay Maritime Museum to design and construct a replacement to the *Maryland Dove*.

Method: Competitive Sealed Proposals (Single proposal Received)

Proposals: Chesapeake Bay Maritime Museum, St. Michael's, MD

Award: Chesapeake Bay Maritime Museum

Term: 1,100 Calendar Days

Amount: \$5,000,000

Fund Source:

MCCBL 2017	\$ 500,000
MCCBL 2018	\$ 2,000,000
MCCBL 2019	\$ 2,500,000

MBE/VSBE Participation: None **Performance Bond:** None

Remarks: Reference is made to the DGS Agenda, Item 12-GM (7/19/18) in which the Board of Public Works approved the Department of General Services transferring procurement authority for the *Maryland Dove* Replacement design and construction project to the Historic St. Mary's City Commission. The *Maryland Dove* Replacement will be certified by the U.S. Coast Guard to carry passengers and will be used for educational programs at Historic St. Mary's City.

The Commission published a notice of Request for Qualifications in *eMaryland Marketplace*. Five responses were received. Chesapeake Bay Maritime Museum was the only vendor to meet all project criteria. The Commission and Museum reached agreement on the design-build contract.

Resident Business: Yes **MD Tax Clearance:** 20-2476-1110

**9. MARYLAND DEPARTMENT OF THE ENVIRONMENT
*Bay Restoration Fund***

Recommendation: That the Board of Public Works approve further funding as described.

Authority: Maryland Water Quality Financing Administration Act
§§ 9-1601--9-1622, Environment Article, Annotated Code of Maryland.

Project: Carroll County Stormwater Management Restoration (Woodsyde)

Recipient: Carroll County

Amount: Up to \$833,739

Location: Carroll County/Legislative District 5

Project Description: As part of Carroll County’s efforts to improve water quality in the local receiving streams as well as the Chesapeake Bay, and also to comply with the County's MS4 permit, the County has identified stormwater projects that aim to reduce the impact of stormwater runoff at urban centers in Carroll County. The work consists of the retrofit of existing stormwater management facilities, the creation of new stormwater management facilities, and stream restoration. This project consists of four contracts: The Greens of Westminster (within Westminster); Woodsyde Estates (in Eldersburg); Prospect Road (in Mt. Airy); and Trevanion Terrace (in Taneytown). The Board previously approved funding for the Greens of Westminster. This Board action is for the Woodsyde Estates contract. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

Project Funding Sources:

Bay Restoration Fund Grant BR-SW 01.07 (This Action)	\$ 833,739
Bay Restoration Fund Grant BR-SW 01.07 (prior approval Sec 3 [6/3/20])	\$ 347,340
Bay Restoration Fund Grant BR-SW 01.07 (Future Action)	\$ 1,293,921
Local Share	<u>\$ 2,475,000</u>
Total Estimated Project Cost:	\$ 4,950,000

Bay Restoration Fund

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Quality Financing Administration Act
§§ 9-1601--9-1622, Environment Article, Annotated Code of Maryland.

Project: WSSC Sewer Basin Reconstruction Program
Northeast Sewer Basin PGC, Section 1
Lower Anacostia Sewer Basin PGC, Section 1

Recipient: Washington Suburban Sanitary Commission

Amount: Up to \$9,154,250

Location: Prince George's County
Legislative Districts: 21, 22, 23A, 24, 47A, 47B

Project Description: WSSC's Sewer Reconstruction Program includes the repair, replacement and rehabilitation of sewers and manholes located on or near state, local and county road right-of-ways throughout Prince George's County and Montgomery County. Trenchless technologies such as grouting and the installation of structural liners will be predominantly used for the repair and rehabilitation activities. Additionally there will be some open cut, and sewer manhole replacement projects that will require ground disturbance. This program includes all projects in Sewer Basins identified as Sections 1, 2, 3 and 4. The sanitary sewer basins located in Prince George's County funded under this loan are the Beaverdam Basin, Broad Creek Basin, Lower Anacostia Basin, Northeast Branch Basin, Northwest Branch Basin, Oxon Run Basin, Paint Branch Basin, Parkway Basin, Piscataway Basin, Sligo Creek Basin, and Western Branch Basin. The sanitary sewer basins located in Montgomery County funded under this loan are the Cabin John Basin, Little Falls Basin, Muddy Branch Basin, Northwest Branch Basin, Paint Branch Basin, Rock Creek Basin, Seneca Creek Basin, Sligo Creek Basin, and Watts Branch Basin. **This approval is for the Northeast Sewer Basin, Section 1 and the Lower Anacostia Sewer Basin, Section 1, both located in Prince George's County.** These projects are consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

**11. MARYLAND DEPARTMENT OF THE ENVIRONMENT
*Bay Restoration Fund***

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Quality Financing Administration Act
§§ 9-1601--9-1622, Environment Article, Annotated Code of Maryland.

Project: Region V (Tilghman Island) Wastewater Treatment Plant Enhanced
Nutrient Removal Upgrade

Prior Approvals: None

Recipient: Talbot County

Amount: \$28,990

Location: Talbot County/Legislative District 37B

Project Description: The proposed project entails the planning, design and construction of an enhanced nutrient removal upgrade of the existing Region V (Tilghman Island) wastewater treatment plant at an approved capacity of 0.150 million gallons per day. Upon completion of the improvements, the Region V wastewater treatment plant will be capable of achieving an effluent concentration goal of 3.0 mg/L Total Nitrogen and 0.3 mg/L Total Phosphorus. These improvements will result in 83% reduction in Total Nitrogen and 90% reduction in Total Phosphorus in the wastewater treatment plant discharge to the Chesapeake Bay. This BPW action is for the planning portion of the project. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

Project Funding Sources:

Bay Restoration Fund Grant BR-NR 06.21 (this Item)	<u>\$ 28,990</u>
Total Estimated Planning Cost:	\$ 28,990

State Clearinghouse: MDE has determined that its recommendation is consistent with Maryland's State Clearinghouse comments and recommendations.

12. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT**
Neighborhood Business Works

Recommendation: That the Board of Public Works approve the Department of Housing and Community Development's request to provide a loan for the project described below.

Loan Authority: Neighborhood Business Development Program
§§ 6-301 through 6-311, Housing and Community Development Article
Annotated Code of Maryland; COMAR 05.13.01

Established in 1995, the *Neighborhood Business Development Program (NBDP)*, now operating as *Neighborhood BusinessWorks (NBW)*, is a Smart Growth tool for revitalization through business creation or expansion in designated revitalization areas.

Borrower: Healthy East Baltimore, LLC

Project Property: 1801 E Oliver St. & 1731 Llewlyn St., Baltimore 21213
Baltimore City

Loan Amount: \$750,000

Fund Source: MCCBL of 2020: *Provide funds for grants and loans to fund community-based economic development activities in revitalization areas designed by local governments.* Item SA24(B).

Collateral: Second lien position Deed of Trust on project property

Project Description: The Baltimore Pumphouse formerly known as the Baltimore Food Hub is a large-scale mixed-use, \$27 million multi-phase historic renovation project that sits on a 4.1-acre campus containing 5 historic buildings. These buildings were previously used as the Baltimore City Water Works Pumping and Repair Station, but that use and property was abandoned in the 1990s. The Pumphouse is looking to co-locate food-related businesses as part of its vision to create accessible jobs and return traditional business and retail to a historically disinvested neighborhood. The construction of the project is proceeding in phases.

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
September 2, 2020

12. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT** *(cont'd)*
Neighborhood Business Works

The Project is part of a multi-stage renovation of five historic industrial buildings and stables located on the former City water pump station site in Broadway East, complemented by an already completed ground-up building on the site used by City Seeds, a culinary social enterprise. The first two stages involved extensive sitework, renovation of one building and construction of the new building for City Seeds. It was funded through a \$10.5 million New Markets Tax Credit project with significant state and city support, and was completed in 2018.

Overall, the Pumphouse Project is a \$27 million historic renovation. It is being executed in multiple stages. ACT (American Communities Trust) has sourced and expended \$10.5 million into the \$27 million project to date and includes approximately \$2.5 million of New Markets Tax Credit equity and approximately \$2 million of historic tax credits (state and federal). In addition, the State of Maryland has committed over \$3.5 million to the project to date between DHCD and General Assembly Bond Bill awards (not including the \$750,000 of debt contemplated in this transaction.) The proposed Phase 3 will be funded by DHCD as a \$750,000 NBW loan (this request) a \$750,000 grant from DHCD's Neighborhood Revitalization division and a \$1.4 million loan from the Neighborhood Impact Investment Fund (NIIF). Total funding for Phase 3 is \$2.9 million.

The current Phase 3 as proposed will provide construction jobs as well as 11 added jobs from Pitango and Greenleaf. Pitango operates 5 gelato and coffee shops and opened its first location in Fells Point in 2007. Greenleaf Construction founded in March 2007, is comprised of carpenters and craftsmen focusing on high quality residential renovations, will consolidate all operations at the Pumphouse to manufacture built-in cabinetry and woodworking products on site.

More importantly, Phase 3 will maintain the momentum of the overall \$27 million campus redevelopment. Upon full completion, the full campus will help create an estimated 340 permanent jobs over a seven year period. ACT estimates that nearly 80% of permanent jobs will be accessible to someone with less than a four-year degree. Without the proposed funding from DHCD and NIIF, construction on the project would be halted.

13. RESOURCE SHARING AGREEMENT
Department of Information Technology, RSA Program

Recommendation: The Board of Public Works approve the State entering into a resource sharing agreement.

Authority: Sec. 3A-307, State Finance & Procurement Article, Annotated Code of Maryland

Award: Cellco Partnership d/b/a Verizon Wireless

Term: 09/02/2020 – 09/01/2030 (10-year base with four 5-year renewal options)
09/02/2030 – 09/01/2035 (Option 1)
09/02/2035 – 09/01/2040 (Option 2)
09/02/2040 – 09/01/2045 (Option 3)
09/02/2045 – 09/01/2050 (Option 4)

Amount: \$577,779.52

Compensation to State
\$ 577,779.52 (10-year base)
\$ 359,605.74 (Option 1)
\$ 416,881.61 (Option 2)
\$ 483,280.05 (Option 3)
\$ 560,254.03 (Option 4)
\$ 2,397,800.95 over 30 years

Property location: – I 270 & Montrose Rd, Montgomery County

Requesting Agency Remarks: This revenue generating transaction results from a resource sharing agreement between Maryland Department of Transportation State Highway Administration and Cellco Partnership d/b/a Verizon Wireless. For this proposal, the benefit to the State is the continuing lease compensation for tower space in support of telecommunications antennas located along I 270 & Montrose Rd, Montgomery County, Maryland. Since the monetary value of the lease over the 30-year term is more than \$100,000, this item was submitted to the Legislative Policy Committee for review and comment and was posted on *eMarylandMarketplace*.

A1. DEPARTMENT OF GENERAL SERVICES
Maryland Department of Health

Landlord / Owner: Baltimore Convention Center

Property Location: One West Pratt Street; Baltimore, MD 21201-2499

Description: License of 185,000 sq. ft. to be used as a temporary field hospital location in Baltimore City. The premises shall house FEMA modular medical units, which will be used as an alternate care site providing treatment, isolation, and quarantine of patients afflicted with COVID-19.

Procurement Method: Emergency (Sole Source)

Date Emergency Declared: March 5, 2020

Award: Baltimore City Convention Center; *Baltimore, MD*

Award Date: March 23, 2020

Contract Amount: \$ 462,499.98 (6-month term)
\$ 331,500.00 (Estimated Utility Expenses, *see Remarks*)
\$ 390,704.09 (Additional Vendor Services, *see Remarks*)
\$1,184,704.07

Term: 03/23/2020 – 09/22/2020 (w/ two 3-month options)

Fund Source: 100% Federal (CARES Act)

Remarks:

Nature of Emergency: On March 5, 2020 Governor Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus. The Department of General Services (DGS), on behalf of the Maryland Emergency Management Agency (MEMA) and the Maryland Department of Health (MDH), serves as the primary procurement agency securing property required to mitigate the COVID-19 emergency.

A1. DEPARTMENT OF GENERAL SERVICES (cont'd)
Maryland Department of Health

Remarks (cont'd):

DGS' Office of Real Estate seek acceptance of the following emergency actions taken:

1. A license agreement for 6-month period ending September 22, 2020 at a monthly rent not to exceed \$5.00 per sq. ft. for 185,000 sq. ft. for a total of \$77,083.33 per month. The agreement also includes two 3-month renewal options to extend the agreement with the same terms and conditions.
2. Utility expenses for the State's use of the site which are estimated as follows:
 - a. \$15,500 for April 2020;
 - b. \$43,000 for May 2020;
 - c. \$64,000 for June 2020;
 - d. \$70,000 for July 2020;
 - e. \$75,000 for August 2020; and
 - f. \$64,000 for September 2020.

The increase in utilities is due to the site moving from an empty staged building to a fully occupied site and the need for cooling of the entire space through the summer months.

3. Services procured from vendor contracts already in place to support the Convention Center including: food, internet, telecommunications, electrical needs and audiovisual equipment:
 - a. Centerplate (Food & Beverage Cost) at \$180,913.89 for period 3/23/20 – 4/30/20;
 - b. Edlen (Electrical Setup Cost) \$180,678.20;
 - c. MC Dean (Telecommunications Cost) April 2020 \$24,150; and
 - d. Projection (Audio Visual Cost) \$4,962.

Basis for Selection: A single property was capable of providing the square-footage required and was based central to all major hospitals in Baltimore City. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 H., as authorized by COMAR 21.05.06.02 B.

A2. DEPARTMENT OF GENERAL SERVICES (cont'd)
Maryland Department of Health

Remarks: Nature of Emergency: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus. The Department of General Services (DGS), on behalf of the Maryland Emergency Management Agency (MEMA) and the Maryland Department of Health (MDH), serves as the primary procurement agency securing property required to mitigate the COVID-19 emergency. This license agreement is to erect an alternate care site location in Baltimore City. The premises shall be used for temporary housing for less critical patient care including treatment, isolation, and quarantine of patients afflicted with COVID-19. The site will support local hospitals.

Basis for Selection: Award was made to the offeror providing the lowest financial proposal, evaluated by MDH as having the most advantageous property for the State, and deemed conducive for treatment and isolation of COVID-19 patients.

Three hotels were directly solicited and provided proposals to DGS' Office of Real Estate, each providing the following pricing:

1. Lord Baltimore Hotel - Awardee
\$96.00 per room per day, 440 hotel rooms
2. Sheraton Inner Harbor Hotel
\$154.00 per room per day, 338 hotel rooms.
3. Hilton inner Harbor Hotel
\$6,000,000 per month, 757 hotel rooms
This hotel required a minimum of 3-months lease with their proposal.

Award: Hayes Construction Company; *Phoenix, MD*
(*Certified Small Business*)

Amount: \$183,214

Contract Award Date: April 24, 2020

Term: 04/24/2020 – 05/24/2020

MBE/VSBE Participation: N/A

Fund Source: 100% Federal (CARES Act)

Remarks: Nature of Emergency: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus. The Department of General Services' Office of State Procurement (DGS OSP), on behalf of the Maryland Emergency Management Agency (MEMA) and the Maryland Department of Health (MDH), serves as the primary procurement agency securing services as required to mitigate the COVID-19 Emergency. Such services include construction services to erect four large (50'x150') advanced- and triage-medical tents at the University of Maryland Prince George's Hospital to prepare for a possible surge during the COVID-19 epidemic.

A4. **DEPARTMENT OF GENERAL SERVICE** (cont'd)

Remarks (cont'd):

Basis for Selection: In July 2017, DGS advertised a solicitation for a master contract for General Construction and Related Services throughout Maryland. Upon evaluation, Hayes Construction Company was determined to be responsible and was approved as an awardee in Central and Southern Maryland on contract DGS-18-206-IQC (BPW 03/28/2018, DGS 3-C). Due to the emergent need for medical tents at the University of Maryland Prince George's Hospital, Hayes Construction Company was directly solicited and awarded this emergency procurement.

Agency Remarks: This emergency procurement was originally submitted for consideration with a compiled emergency report (*May 21, 31 days post award*); however, it was determined that all non-commodity emergency reports related to the COVID-19 pandemic would be reported individually. This agenda item supports that decision.

A5. DEPARTMENT OF HUMAN SERVICES

*Social Services Administration (SSA)
Foster Care Maintenance Payments Program*

Contract Title: Emergency Residential Child Care Services
SSA/COVID-20-001, ADPICS #N00B1600054

Contract Type: Human Services

Contract Description: To provide a residential child care facility with COVID-19 intake and observation services.

Procurement Method: Emergency

Date Emergency Declared: April 24, 2020

Award: Second, Family, Inc.
Landover, MD

Amount: \$1,470,848 (not to exceed)

Contract Award Date: April 24, 2020

Term: 4/24/2020 – 10/31/2020 (6 Months and 7 Days)

MBE Participation: None

Fund Source: 100% Reimbursable COVID-19

Appropriation Code: N00G0001

Remarks: Nature of Emergency: This emergency contract is for the placement of seven youth with the need for COVID-19 intake and observation services, effective April 24, 2020 through October 31, 2020. The contractor shall provide a safe, stable and appropriate setting, treatment modality and rehabilitation services to Maryland foster children with special needs in accordance with the contractor's program, the youths' Individual Education Plan (IEP), Individual Treatment Plan (ITP), Individual Service Plan (ISP), and Individual Health Plan (IHP).

A5. **DEPARTMENT OF HUMAN SERVICES** (cont'd)
Social Services Administration (SSA)
Foster Care Maintenance Payments Program

Remarks (cont'd)

Basis for Selection: Due to the unique and emergent need, it was determined by the Local Department of Social Services that Second Family, Inc. located in Landover, MD was the most appropriate placement for the youth as Second Family is a residential treatment center with COVID-19 intake and observation services in addition to providing residential and support services to individuals with COVID-19.

Reason for Late Report: The primary circumstances that contributed to the late reporting of this emergency procurement were: (1) delays in requesting additional FY 20 funding; (2) delays in handling and processing of the paperwork and placement of youth with Second Family, Inc. due to COVID-19.

A6. DEPARTMENT OF HUMAN SERVICES
Howard County Department of Social Services
Family Investment Administration

Contract ID: Jobs Program
HOW/SER FIA 18-001 A1; ADPICS No. N00B9400283

Contract Type: Services

Original Contract Description: Provide supportive employment services that help customers obtain full-time, unsubsidized employment that offers competitive wages, benefits, and career advancement.

Modification Description: This temporary modification instituted as a result of the COVID-19 emergency shutdown allows the vendor to use remote tools (software) instead of interacting with clients in a physical office environment as stated in the original agreement. The clients are Howard County Residents who receive Temporary Cash Assistance or are enrolled in the the Non-Custodial Parent Employment in Program or the Food Supplement Program.

Procurement Method (this action): Emergency Modification
Original Procurement Method: Competitive Sealed Proposals

Emergency Declared: April 1, 2020
Modification Award Date: April 1, 2020

Original Contract Award: America Works of Maryland, Inc., Baltimore, MD
(DBM Item 7-S Supplemental, 3/06/2019)

Original Contract Amount: \$2,412,250
Modification Amount: \$0 (Material Change to the Contract)
Prior Mods/Options: N/A

Revised Contract Amount: \$2,412,250

Percent +/- (This Modification): 0%
Overall Percent +/-: +0%

Original Contract Term: 04/1/2019 – 03/31/2024
Modification Term: 04/1/2020 – 03/31/2024 (or earlier depending on pandemic length)

APP 14

A6. DEPARTMENT OF HUMAN SERVICES (cont'd)
Howard County Department of Social Services (HCDSS)
Family Investment Administration (FIA)

Fund Source: 100% Federal Funds (TANF)

Remarks: Nature of Emergency: The COVID-19 emergency resulted in social distancing policies to limit the spread of the virus. Social distancing prevents clients from interacting with the contractor in a physical office environment. This temporary modification addresses these current circumstances. This is a temporary modification during COVID-19 that allows for the use of remote tools (software) by the vendor and clients who normally interact with each other in a physical office environment to continue to remotely receive job training services i.e, Enrollment/Wellness Check-In, Virtual Instruction/Job Readiness Workshops, Job Placement, and Retention to obtain fulltime employment.

Reason for Late Report: The reason for the delay in not submitting this report within 45 days of awarding the contract was due to the amount of time the Local Department and the vendor needed to evaluate the current processes, and for the vendor to provide an acceptable plan that outlined how it would engage customers remotely during the state of emergency, in addition to rolling out the new program tools to continue the services.

A7. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Division of Corrections

Contract # ID: Emergency Air Conditioning Installation at the Patuxent Institution – Women’s Building (PATX PIW), Jessup, Maryland
Contract No. KD-001-200-C03; ADPICS No. Q00P0607755

Contract Type: Construction

Description: Provide and install temporary air conditioning and generators to include eight (8) 25-ton air conditioners, one (1) 500 kw 480v generator and one (1) 80 kw 120/208 standby generators to include rentals of all equipment for three months to air condition the PIW building for COVID-19 patients.

Procurement Method: Emergency

Bidders: Maryland Mechanical Systems, Inc. \$339,026.00
Baltimore, MD

Emergency Declared: May 27, 2020

Award: Maryland Mechanical Systems, Inc.

Award Date: June 4, 2020

Amount: \$339,026.00

Fund Source: FY20 General Funds, PCA 41410 AOBJ 1415

Term: 10 Calendar Days

Remarks: Nature of Emergency: Due to the COVID-19 pandemic and subsequent State of Emergency declared by Governor Larry Hogan, the immediate need for air conditioning at the Patuxent PIW building was required for inmates in isolation and quarantine. This project is vital to the health and safety of inmates and staff in the Division of Corrections to provide an air-conditioned space isolated from the rest of the population.

A8. DEPARTMENT OF TRANSPORTATION
Maryland Transit Administration

Contract ID: Emergency Counseling Services for COVID-19
ADPICS No. AGY20013ER

Contract Type: Service

Description: Provide telephonic counseling services to Maryland Department of Transportation Maryland Transit Administration's (MDOT MTA) personnel.

Procurement Method: Emergency

Emergency Declared: March 17, 2020

Award: SRS, LLC, Baltimore, MD (*Certified Small Business & MBE*)

Award Date: June 17, 2020

Amount: \$69,000

Term: 06/17/2020 – 08/31/2020

MBE Participation: 0%

Fund Source: 100% Special (Transportation Trust Fund)

Remarks:

Nature of Emergency: On March 5, 2020 Governor Hogan declared a state of emergency to respond to the outbreak of the COVID-19 virus. MDOT MTA quickly identified that the agency needed to provide counseling services for its employees. The necessity to implement these services immediately made the use of normal procurement methods time-prohibited. It was determined that the appropriate solution was to obtain a proposal from a single reliable and available vendor.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX

APP 18

A8. DEPARTMENT OF TRANSPORTATION (cont'd)
Maryland Transit Administration

Remarks: (cont'd)

Basis for Selection: MDOT MTA contacted the State's current mental health contractor, PIVOT Occupational Health (PIVOT), through the Department of Budget & Management, to ensure that these services would be covered by the current contract in place. MDOT MTA discovered that these specific services were not provided. PIVOT recommended that MDOT MTA contact SRS, LLC, a subcontractor that features a workplace trauma related division.

MDOT MTA requested that SRS, LLC submit a proposal. SRS, LLC submitted a proposal to provide access to telephonic Critical Incident Stress Management counseling services for MDOT MTA personnel, addressing situations involving workplace trauma as a result of the COVID-19 pandemic. SRS, LCC will provide these services through clinical personnel with expertise in emotional and psychological trauma. These telephonic services will be available 24 hours a day, seven days a week on an as needed basis.

SRS, LCC is a State-certified Small Business and Minority Business Enterprise.

A9. STATE BOARD OF ELECTIONS

Contract Title: Personal Protective Equipment- Masks and Gloves
 ADPICS NO. D38P1600012

Contract Type: Commodities

Description: Purchase and delivery of 550,000 surgical facemasks with 98% filtration down to 0.1 micron, and 250,000 4 mil thickness, powder free, size large nitrile gloves. The masks and gloves are for voters, election judges, and the staff of the local boards of elections for the 2020 General Election. Shipment is via UPS to 25 locations (24 local boards and the State Board of Elections).

Procurement Method: Emergency

Bids: Gloves:

Vendor	Unit Cost	Total
Forward Science	\$0.14 per glove	\$35,000
98 Masks Full Blown Studio	\$0.1475 per glove*	\$36,875
Cetrix Technologies	\$0.19 per glove	\$47,500
Brucelli	\$0.25 per glove	\$62,500
Clear Ballot	\$0.36 per glove	\$90,000

** Robert Bell dba 98Masks Fullblown Studio has offered free shipping for gloves from Baltimore to the 25 locations, whereas the slightly lower bid would result in additional shipping fees. The Agency still must pay shipping to Baltimore at a total shipping cost of \$998.00.*

Masks:

Vendor	Unit Cost**	Total
98 Masks Full Blown Studio	\$0.58	\$319,000
Grayscale Labs	\$0.58	\$319,000
Asbury Marketing	\$0.60	\$330,000
Moss Face Masks	\$0.63	\$346,500
Cetrix Technologies	\$0.68	\$374,000
Forward Science	\$0.69	\$379,500
Clear Ballot	\$1.20	\$660,000

A9. STATE BOARD OF ELECTIONS (cont'd)

Date Emergency Declared: July 8, 2020

Award: Robert Bell d/b/a 98Masks Fullblown Studio***
Santa Clarita, CA
***Selected for award for both mask and glove purchases;

Amount: \$364,292.50 (grand total cost for both mask and glove purchases)

Contract Award Date: July 10, 2020

Term: July 10, 2020- November 3, 2020

MBE Participation: 0%

Fund Source: 100% Special
Appropriation Code: D38I0102- County Funds

Remarks:

Nature of Emergency: In response to the COVID-19 public health emergency, the Governor announced on July 8, 2020 that the 2020 General Election would be conducted in-person with an option for voters to apply for a mail-in ballot. In anticipation of the opening of voting locations statewide, the Governor also stated that personal protective equipment (PPE) is necessary for staff and volunteers and for voting location to follow CDC guidelines and public health protocols, including wearing face coverings. To comply with the Governor's July 8, 2020 letter and the Order of the Governor of the State of Maryland 20-07-29-01 (requiring individuals over the age of 5 to wear face coverings indoors in public establishments) and to help protect voters, election judges, and staff of the local boards of elections, SBE procured masks and gloves.

A large quantity of gloves and masks are necessary to ensure the voting locations are as safe as possible for the 2020 General Election. Although SBE received 480,050 masks and 650,000 gloves from MEMA, SBE and local boards of election determined that an additional 550,000 masks and 250,000 gloves were necessary based on the in-person format of the election. The masks will be used by election judges and offered to voters who do not arrive with a mask. The masks will also be used by the staff of the local boards of elections when they are conducting the election, including counting ballots.

BOARD OF PUBLIC WORKS

APPENDIX
September 2, 2020

APP 21

A9. STATE BOARD OF ELECTIONS (cont'd)

Remarks (cont'd)

Basis for Selection: SBE selected Robert Bell d/b/a 98Masks Fullblown Studio based on pricing, responsiveness, and ability to meet the delivery deadline in adequate time prior to the 2020 General Election. 98Masks Fullblown Studio was tied for the lowest priced bid for masks, and the second to lowest bid for gloves. Based on the State Board of Elections' experience with the vendor, and the fact that 98Masks Fullblown Studio was able to provide no shipping costs for the gloves (which will be shipped with the masks), the bid from 98Masks was actually the lowest for both masks and gloves. 98Masks Fullblown Studio performed successfully for both the 2020 Special General and 2020 Primary Elections.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
September 2, 2020

APP 23

A10. STATE BOARD OF ELECTIONS (cont'd)

Remarks (cont'd):

Nature of Emergency – COVID-19: To facilitate maximum voter participation in the 2020 Presidential General Election, the Governor's Office directed the State Board of Elections that efforts shall be conducted to promote early voting, mail-in voting and off-peak times to vote on election day. This effort includes sending a mail-in ballot application to all eligible voters and ensuring that every Maryland voter who wants to vote by mail is well informed and instructed on how to complete the application and the deadline by which to do so and other ways to vote safely and efficiently in the November election. The July 8, 2020 letter from the Governor to the State Board outlines the effort to promote safe and efficient voting options.

The messaging included in this contract includes information about voting locations, dates, times available, and COVID-19 safety precautions available at in-person voting locations. For the mail-in option, messaging will first provide voters with information about the application they will receive in the mail and how and when to return it to the election office. Additionally, there will be information on when voters should expect ballots in the mail, what to do if voters do not receive ballots, and how to return voted ballots. The public awareness campaign will also promote the locations and use of the ballot drop boxes. A substantial portion of the cost is associated with this contract is for media buys and a digital campaign as traditional voter outreach events are not possible during this health emergency. Also included in this contract are services for a targeted strategy for registration and voting information for African American, Hispanic, and other minority audiences.

Basis for Selection: SBE selected KO Public Affairs for the Public Outreach Campaign for the 2020 General Election. On July 2, 2020, SBE posted a solicitation on eMaryland Marketplace Advantage (#BPM020208) called Public Awareness Campaign for the 2020 Presidential General Election. In response to that solicitation SBE received 12 proposals, seven of which were deemed reasonably susceptible for award, and selected KO Public Affairs due to the quality of its proposal which included an extensive timeline for promotional actions to match the 2020 election administration tasks, election experience, significant Maryland media contacts to gain earned media opportunities, and reasonable pricing as compared to several other proposals received. KO Public Affairs' plan is wide-reaching and will target African American, Hispanic, Asian, rural, and other minority communities with messaging to reach specific demographic groups and hard to reach audiences and they will run an ADA-compliant statewide campaign. KO's proposal includes several subcontractors, including Sandy Hillman Communications, which is a woman-owned MBE, GreiBO, which specializes in strategic communications with African American communities, and Cool and Associates, which is a Hispanic owned MBE.

SECRETARY'S ACTION AGENDA
APPENDIX
September 2, 2020

APP 24

A10. STATE BOARD OF ELECTIONS (cont'd)

Remarks (cont'd)

Basis for Selection (cont'd)

There were two susceptible proposals that were lower in cost (Bayne and Integrated Designs). Integrated Designs' proposed digital campaign was significantly less comprehensive than a previous campaign this year and has no election experience. Bayne is not located in Maryland, and provided Washington DC election references that are not relevant to Maryland. KO is located in Baltimore, Maryland and their stakeholder contacts are ready to perform grassroots dissemination of information KO's Maryland media contacts are also extensive and provide for quickly getting a broad statewide message out or county by county messaging, which is often needed. Their election administration knowledge exceeds all other proposals. The remaining proposals received were higher in price than KO's proposals, and the services offered did not justify the additional costs, particularly given the quality of KO's experience.

A11. STATE BOARD OF ELECTIONS

Contract Title: Voting Mailboxes
ADPICS NO. D38P1600042

Contract Type: Supplies and Equipment (CSE)

Description: Manufacture and delivery of 202 ballot drop off boxes for the 2020 Presidential General Election. The ballot drop boxes provide an alternate way for voters to return voted ballots. This order supplements the inventory of 75 drop boxes SBE procured for the 2020 Special General Election and Primary Election. The contract includes the cost of design, manufacturing, graphics, lift kit, interior bins, and delivery costs.

Procurement Method: Emergency

Date Emergency Declared: July 8, 2020

Bids: Intercycle LLC dba Recyclingbin \$ 325,614.40
Washington, NC

Award: Intercycle LLC

Amount: \$ 325,614.40

Contract Award Date: August 14, 2020

Term: 08/14/2020 – 11/03/2020

MBE Participation: 0%

Fund Source: 50% General/50% Special (County Funds)
Appropriation Code: D38I0102

Remarks: Nature of Emergency: Due to the expected increase in the number of voters receiving a ballot by mail and the desire to provide voters with options for securely returning voted ballots, SBE consulted with the local boards of elections and determined that an additional 202 drop boxes were necessary to supplement the inventory procured in April 2020.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
September 2, 2020

APP 26

A11. STATE BOARD OF ELECTIONS (cont'd)

Remarks (cont'd):

For the presidential primary election on June 2, 2020, SBE deployed a quantity of 75 ballot drop boxes at specific locations throughout the State and received positive feedback from voters regarding this option. Over 15% of voters in the June 2 election used a ballot drop box to return voted ballots.

Basis for Selection: Intercycle, LLC was selected based on a competitive emergency procurement conducted in early April 2020 for the 2020 Special General and 2020 Primary Elections. SBE determined that the supplemental quantity for the 2020 General Election should also be from Intercycle, LLC to have consistency in specifications and appearance and because Intercycle, LLC was the lowest bidder in the recent competitive procurement. Since voters already know what the ballot drop boxes look like, it is important to use the same design. Maryland has also defined design enhancements that Intercycle, LLC was willing and able to provide.

SBE has confirmed that the pricing provided by Intercycle is very competitive, and in fact the lowest of all market options providing similar products. The unit cost per drop box from Intercycle is \$1,406, whereas the cost from American Security Cabinets is \$2,302, and Vote Armour is \$4,516. Recently, SBE identified another vendor which fabricates bins of similar dimensions. Their price is \$1,500.00 per unit, but that price does not include the necessary customizations.

A12. DEPARTMENT OF GENERAL SERVICES

Contract Title: COVID-19 Related Emergency Contracts - Commodities
ADPICS No: *See Attachment I.*

Contract Types: Commodities

Description: The Department of General Services' Office of State Procurement (DGS OSP), on behalf of the Maryland Emergency Management Agency (MEMA) and the Maryland Department of Health (MDH), serves as the primary procurement agency securing various commodities required to mitigate the COVID-19 Emergency declaration of March 5, 2020 by the Governor.

Procurement Method: Emergency

Date Emergency Declared: March 5, 2020

Awards: *See Attachment I*

Amounts: \$683,769,368

Award Dates: 03/05/2020 – 07/15/2020 (*See Attachment I*)

Term: Various

MBE Participation: 0% (*See Agency Remarks*)

Fund Source: 100% Federal (CARES Act)

Remarks:
Nature of Emergency: A State of Emergency was declared by Governor Larry Hogan on March 5, 2020 in response to the COVID-19 pandemic. This emergency required immediate action to protect the citizens, law enforcement officials, and medical staff of the State as the COVID-19 pandemic began spreading across Maryland. A comprehensive effort made by DGS, Maryland State Police, MEMA, the Maryland Department of Health, the Maryland Department of Public Safety and Correctional Services, and other State agencies has resulted in numerous emergency procurements included in this Report.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
September 2, 2020

APP 28

REVISED

A12. DEPARTMENT OF GENERAL SERVICES (cont'd)

Remarks (cont'd):

Basis for Selection: Due to the COVID-19 pandemic and subsequent State of Emergency declared by Governor Larry Hogan, the immediate need for various supplies and services did not allow for sufficient time to competitively procure necessary materials. DGS OSP compared available offers, terms, and pricing to market conditions and made procurement decisions to try to meet the overwhelming demand for the required items to mitigate the emergency.

Because of the emergent needs of the State, MBE goals were not established for the awarded procurements; however, three certified-minority business firms and two certified-small business firms were among those awarded emergency commodity contracts by DGS OSP; as well as, 33 resident businesses.

To date, DGS OSP has purchased and received over 170,000,000 pieces of Personal Protective Equipment (PPE) including: 13,400,000+ N95 masks; 45,900,000+ KN95 masks; 95,500+ gallons of hand sanitizer; 31,500,000+ surgical masks; 24,800,000+ gowns; 52,200,000+ gloves, 2,000,000+ face shields; 64,000+ containers of disinfecting wipes; 510,000+ goggles; 4,000+ Tyvek suits; and 200,000+ coveralls for use throughout Maryland.

Reason for Lateness: Due to the ongoing need for emergency procurements to supply needs and services to the State, as well as the maintenance of standard procurement processes outside of the State's Emergency status, some contracts are being reported after the 45-day period required by regulation.

Resident Business: See Attachment I.

3-C-OPT. UNIVERSITY OF MARYLAND, BALTIMORE (cont'd)
On-Call Minor General Contracting Services

Performance Security: 100% performance bond required for projects \$100,000 or greater

Requesting Institution Remarks: The University issued a no-cost bridge extension prior to the contract expiration through September 26, 2020 in order to permit time for consideration of the third renewal. The University seeks to exercise this option due to the anticipation of upcoming small renovation projects that require meeting short lead-times and quick responses. Hourly rates may increase in renewal option terms based upon minimum wage increases or increases in Consumer Price Index. The hourly rates for the option period remain unchanged from the initial contract rates. The percentage mark-up for material, sub-contractors, and equipment rental will remain the same for all renewal options.

4-GM. TOWSON UNIVERSITY
Phase II Soccer Field Improvements

Contract ID: Phase II Soccer Field Improvements, TU-2042

Recommendation: Authorize use of \$1million of funds appropriated in the 2020 MCCBL for a previously approved contract.

Contractor: A.R. Marani, Inc., Baltimore, MD

Amount: \$1,000,000

Fund Source: MCCBL 2020: *Provide funds to design, construct, and equip infrastructure improvements to the Towson University athletic fields.* Item 305

Contract Approval: USM Item 2-C (2/19/2020)

Project: The project is to construct facilities to enhance the experience of both patrons and users of the NCAA soccer field at Towson University. The project includes demolition of the field concourse and construction of men's/women's restrooms, a ticket office, a concession stand, and seating for 1,000 spectators.

Background: The Board of Public Works approved the award of project construction to A.R. Marani for the full amount of \$2,740,000 using Plant Funds (USM Item 2-C, 2/9/2020). This item requests authorization to use MCCBL funds which became available on June 1, 2020 to cover the remaining construction balance.

1-GM. MARYLAND AVIATION ADMINISTRATION
General Miscellaneous: Lease and Concession Contract

Contract ID: Lease of Land and Facilities and Conduct Commercial Aeronautical Activities;
MAA-LC-20-038

Contract Description: Lease of land and facilities to operate and maintain a corporate hangar and conduct commercial aeronautical activities including air taxi/charter, aircraft maintenance, and other aviation related sales and services provided at Martin State (MTN) Airport.

Contractor: Trident Aircraft
Baltimore, MD

Contract Term: 10/01/2020 – 09/30/2030

Amount: The contractor shall pay the greater of 1) a Minimum Monthly Guarantee of \$14,027.60, based on current fair market value land rental rate of \$0.6044 psfpa and facility rental rate of \$8.7769 psfpa or 2) the percentage of gross revenue applicable for commercial aeronautical activities conducted at MTN (currently 3% for air taxi/charter and aircraft maintenance and 2% for other aviation related sales and services). In the fifth year of the contract term, land and facility rental rates will be adjusted according to new fair market value appraisals. All rates are subject to annual Consumer Price Index (CPI) adjustments. An appraisal will be conducted to determine the Fair Market Value and the land and facility rental rates will be adjusted accordingly in Contract Year 5 and annually thereafter based on CPI adjustment.

Requesting Agency Remarks: The contractor shall be responsible for all costs and expenses associated with the operation and maintenance of the corporate hangar including the leased land and facility and the utility costs associated with their leased premises. Over the ten-year term of this contract, Maryland Department of Transportation Maryland Aviation Administration anticipates receiving approximately \$1.83 Million in revenues.

This type of revenue-producing contract at a transportation facility is outside the scope of the State Procurement Law (State Finance and Procurement Article §11-202(3); COMAR 21.01.03.03.B(1)(d)). However, the Contract and any modifications must be approved by the Board of Public Works because the contract constitutes a use of State Property under State Finance and Procurement Article, §10-305.

4-M-MOD. MARYLAND AVIATION ADMINISTRATION
Modification: Maintenance Contract

Contract ID: Terminal Building Janitorial Services at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; *MAA-MC-17-018*
ADPICS NO.: CO382582

Contract Approved: DOT Agenda 08/16/2017; Item 5-M

Contractor: The Chimes, Inc.
Baltimore, MD

Contract Description: This contract provides for cleaning/custodial services in the Terminal Building at BWI Thurgood Marshall Airport which consists of 1.8 million square foot domestic and international terminals. Work to be performed includes cleaning/trash removal/recycling in the following areas: ticketing concourses; baggage claim areas; public restrooms; Observation Gallery; Chesapeake Lounge; passenger hold-rooms and jetways; sterile corridors; stairwells; security checkpoints and TSA check baggage make-up areas; baggage tug lanes; glass cleaning; carpet cleaning; exterior ceramic tile and concrete floor and supporting surfaces; airline tenant offices and support areas; Federal Aviation Administration air traffic control and administrative offices; MdTA Police, Customs Border Protection Offices and Immigration secure areas; and Maryland Department of Transportation Maryland Aviation Administration offices.

Modification Description: Modification No. 8 provides for clarifications to the technical provisions and the shifting of \$2,000,000 (two million dollars) of unused funds from the cleaning component line items to the extra work allowance. This modification also provides for janitorial services for the 5 Gate Concourse A extension as provided for in the contract.

Original Contract Term: 09/07/2017 - 08/31/2022

Original Contract Amount: \$87,835,386

Modification Term: 09/24/2020* – 08/31/2022 (*or earlier upon BPW Approval)

Modification Amount: \$0.00

Revised Contract Amount: \$87,835,386
Percent +/- Change: 0% (Modification No. 8 this agenda item)
Overall Percent +/-: 0%
Original Procurement Method: Preferred Provider
Performance Security: None

Requesting Agency Remarks: Modification No. 8 was approved on July 28, 2020 by the Pricing and Selection Committee. Shifting the \$2,000,000 from line items to the extra work allowance will allow for additional cleaning services needed for the Coronavirus, as well as, any future unforeseen event(s) the Administration may experience. This services may include, but is not limited to: increased cleaning frequencies; additional touch point cleaning; additional and immediate sanitization, and disinfecting locations requested by the Administration; a change in chemicals used; purchasing Personnel Protective Equipment (PPE) for Contractor personnel; additional equipment; chemicals approved by the Center for Disease Control (CDC) and Environmental Protection Agency (EPA) for pandemic cleaning; and any other items needed that are necessary to properly clean the BWI Thurgood Marshall Airport for pandemic cleaning.

Modification No. 8 results in no additional cost to the contract.

REVISED

5-C- MOD. MARYLAND TRANSIT ADMINISTRATION (cont'd)

Requesting Agency Remarks: This contract allows for the design and reconstruction of an existing building to house a park maintenance facility as part of the Purple Line Light Rail project. The facility is a functional replacement for the Maryland National Capital Park and Planning Commission’s (MNCPPC) Northern Area Operations & Maintenance Facility at Glenridge.

This contract provides for the conversion of an existing warehouse building into a maintenance building to include maintenance areas, storage, indoor parking & office space, and roof repairs. Work to be performed includes the installation of windows, floors, ceilings, painting, signage, partitions, vehicle lifts, and bathrooms. Other systems that will be renovated and/or installed are fuel management, HVAC, plumbing, ventilation, fire suppression, and access control systems.

Additional contract authority is needed to ensure that the reconstruction of the Polk Street maintenance facility is completed.

Prince George’s County Planning Board has appropriated the required funding needed and the MNCPPC will reimburse the Maryland Department of Transportation Maryland Transit Administration.

6-GM. MARYLAND TRANSIT ADMINISTRATION
General Miscellaneous/Contract Settlement

NATURE OF REQUEST: Request to approve a Settlement Agreement between Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) and Siemens Mobility, Inc. (Siemens), formerly Siemens Industry, Inc.

Contract ID: Procurement of Eight Diesel Locomotive; *MRC-15-001-EQ*

Contract Description: This is an Intergovernmental Cooperative Purchasing Agreement between the Illinois Department of Transportation and MDOT MTA to purchase eight diesel locomotives.

Settlement Term and Amount: \$0 (see Requesting Agency Remarks)

Requesting Agency Remarks: Siemens Industry, Inc. was awarded Contract No. MRC-15-001-EQ at the September 16, 2015 Board of Public Works meeting with a contract term of five years from NTP. On February 25, 2020, Siemens Industry, Inc. transferred the contract to Siemens Mobility, Inc. (Siemens) through a novation agreement.

This contract provides for the purchase of eight Siemens Charger SC-44 diesel locomotives. Siemens delivered all eight locomotives to MDOT MTA between December 2017 and April 2018. Each locomotive's two-year warranty, which covered manufacturer defects, material failures, and other warranty issues, expired as of May 2020. Prior to the expiration of the warranties, MDOT MTA identified a cosmetic paint issue on the lower area of each locomotive. The issue does not affect the durability or the service life of the paint, and it does not alter the MARC branding on each locomotive.

Instead of removing the locomotives from service to repair the affected paint, MDOT MTA and Siemens have negotiated a settlement agreement for MDOT MTA to receive critical spare parts at no additional cost, in exchange for MDOT MTA accepting the cosmetic paint issues in its present condition and for MDOT MTA to self-perform a minimal amount of labor associated with the spare parts. MDOT MTA recommends the approval of the settlement agreement.

Maintenance Contract

Contract ID: Light Rail Landscaping Maintenance; LR-21-007-MT
ADPICS No.: LR21007MT

Contract Description: This contract provides the Maryland Department of Transportation Maryland Transit Administration’s (MDOT MTA) Light RailLink Division with landscaping maintenance.

Award: The ARC Baltimore, Inc.
Baltimore, MD

Contract Term: 09/24/2020* - 09/23/2025 (*or earlier upon BPW approval)

Amount: \$2,888,627

Procurement Method: Preferred Provider

Living Wage Eligible: N/A

MBE Participation: N/A

Incumbent: The ARC Baltimore, Inc.
Baltimore, MD

Requesting Agency Remarks: This contract provides for landscaping maintenance at MDOT MTA’s Light RailLink’s stations, selected right of ways, traction power substations, ancillary properties, and stormwater management ponds, between the months of March and November.

The contractor will provide the following services:

- grass mowing;
- edging & trimming;
- mulching;
- tree & shrub care; and
- weed control.

The Pricing and Selection Committee for Blind Industries and Services of Maryland and the Employment Works Program certified the price as fair market in value on July 25, 2020.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
September 2, 2020

8-C. MOTOR VEHICLE ADMINISTRATION (cont'd)

Requesting Agency Remarks: This Small Business Reserve procurement was advertised on eMaryland Marketplace Advantage on May 14, 2020. A total of 405 firms were notified via eMaryland Marketplace Advantage of which 90 were certified Minority Business Enterprises. The contract MBE participation includes a 7% African American and 4% Asian sub-goal. The contract awardee is a certified MBE and Small Business.

The scope of work consists of improvements and upgrades to curbs, sidewalks and drainage outlets, asphalt drilling and replacement, full depth pavement, installing detectable warning surfaces and manholes, remarking parking lines, reconfigured driver test courses, replacing light poles and installing power gated entrances to employee parking lot. It includes the removal and replacement of transformers and electrical switchgear and upgrades in the main building electrical room. And, provide water distribution piping and related components outside the building for water service and other miscellaneous repairs.

An allowance of \$142,628 was included in the IFB for miscellaneous work that may be determined necessary by the Project Manager during the construction period. This item will only be used if necessary and will not be used without prior approval of the Engineer.

17-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks: This contract was advertised on eMaryland Marketplace Advantage on February 25, 2020 notifying 112 potential contractors, 26 of which were MDOT-certified Minority Business Enterprises (MBE's). Bids were opened on April 2, 2020.

H.D. Myles, Inc. filed a protest to challenge the award of the contract to the apparent low bidder, stating they did not include the fixed priced for item 9001. This omission caused their bid to be extremely lower in comparison to the other 3 bidders and would not even cover the cost of the wage rates to pay their staff, as a result the low bidder withdrew their bid. H. D. Myles in turn withdrew their bid protest.

The Maryland Department of Transportation State Highway Administration has confirmed H. D. Myles, Inc.'s bid price. and work conducted on this contract is performed 100% by a State-certified Small Business.

20-RP. STATE HIGHWAY ADMINISTRATION
Real Property – Disposition

Recommendation: That the Board of Public Works approve the Maryland Department of Transportation State Highway Administration (MDOT SHA) disposing real property as it is excess to the agency's needs.

Authority: Transportation Article, § 8-309(f)(1)(ii)
Annotated Code of Maryland

Property: MC# 19-2643
Former Frances Shafer (0.402 acres ±), located on the east side of the ramp from U.S 50/301 to MD 70, Annapolis, Anne Arundel County.

Grantor: State of Maryland, MDOT SHA

Grantee: Michael S. Ostrowski

Consideration: \$100,675.89

Appraised Value: \$10,000 - Steve Muller, (Selected)
William Caffrey, SHA Review Appraiser

Special Conditions: N/A

Legislative Notice: N/A

State Clearinghouse: N/A

Requesting Agency Remarks: In 1985, MDOT SHA acquired the site in conjunction with a proposed project to upgrade U.S 50/301 to interstate standards between Annapolis and Washington D.C. The subject is no longer needed by MDOT SHA. MDOT SHA proposes to convey the subject property to the adjoining owner through a competitive sealed bid sale of \$100,675.89 which is well above the appraised value.

21-GM. THE SECRETARY'S OFFICE
General/Miscellaneous: Consolidated Transportation Bond Sale

Recommendation: That the Board of Public Works approve a request by the Maryland Department of Transportation (MDOT), made by the Secretary of Transportation, for the adoption of resolution authorizing the issuance and sale by MDOT of its Consolidated Transportation Bonds (CTBs), Series 2020 Issue at a public sale to occur on or before December 31, 2020, as determined by the Secretary, taking into account then current market conditions, such Bonds being authorized by Subtitle 2 of Title 3 of the Transportation Article of the Annotated Code of Maryland.

Amount: New Money Bonds in an amount not to exceed \$300,000,000

Anticipated Sale Date: October 7, 2020

Maturities: Not to exceed 15 years

Method of Sale: Public Competitive Sale by electronic bid

Use of Proceeds: To provide a portion of the capital funds needed for the Consolidated Transportation Program

Requesting Agency Remarks:

The maximum aggregate principal amount of CTBs that may be outstanding is \$4,500,000,000.

As approved by the General Assembly in the 2020 Session, the maximum aggregate amount of CTBs that may be outstanding as of June 30, 2021 are \$3,877,330,000.

**1-CGL. CAPITAL GRANTS AND LOANS
*Bond Bill Certification Extensions***

Recommendation: That the Board of Public Works unanimously grant a temporary exception for one year from the automatic termination of funds for the following bond bill authorization:

Authority: Maryland State Finance Law provides:

Section 8-128, State Finance and Procurement Article, Maryland Code. "Except to the extent that money authorized by an enabling act for a State project or program has been encumbered by the board, an authorization of State debt shall automatically terminate seven years after the date of the authorization, unless...the Board unanimously grants a temporary exception for 1 year."

The following authorizations were not fully encumbered within the 7-year time period, but the grantee has requested a 1-year extension to June 1, ~~2022~~: 2021:

**See Record Correction:
Secretary Item 20 (10/7/20)**

Grantee: Board of Directors of the Palmer Park/Landover Boys and Girls Club, Inc.

Project: Palmer Park/Landover Boys & Girls Club (Prince George's County)

Legislative District: 47A

MCCBL 2013: DGS Item G162
LHI - Maryland Consolidated Capital Bond Loan of 2013
(Chapter 424 of the 2013 Laws of Maryland)

Amount: \$50,000

Encumbered Amount: \$100,000

Remarks: Grantee did not meet the 7-year deadline before the authorization terminated because the project was delayed. A 1-year extension is appropriate because the Grantee plans to proceed with the project.

Grantee: County Executive and County Council of Baltimore County

Project: Baltimore County - War of 1812 Historic Sites (Baltimore County)

Legislative District: 42A

MCCBL 2013: DGS Item 029
MISC - Maryland Consolidated Capital Bond Loan of 2013
(Chapter 424 of the 2013 Laws of Maryland)

Amount: \$250,000

Encumbered Amount: \$250,000

Remarks: Grantee did not meet the 7- year deadline before the authorization terminated because the project was delayed. A 1-year extension is appropriate because the Grantee plans to proceed with the project.

1-CGL. CAPITAL GRANTS AND LOANS (cont'd)

Recommendation: That the Board of Public Work grant a temporary exception for one year from the automatic termination of this one authorization contained in the 2018 MCCBL (Ch. 09, 2018 Laws) totaling \$50,000.

Authority: State Finance and Procurement Article, Annotated Code of Maryland, § 8-128(a):
“If, within 2 years after the date of an authorization of State debt, evidence that a required matching fund will be provided has not been presented to the Board or no part of the project or program for which the enabling act authorized the State debt is under contract and the Board has not encumbered money for any part of the project or program, the authorization terminates unless:
1. The enabling act provides otherwise; or
2. In an emergency, the Board unanimously grants a temporary exception for a period of one year”.

Grantee:	<i>Board of Directors of the Glenn L. Martin Maryland Aviation Museum, Inc.</i>
Project:	Glenn L. Martin Maryland Aviation Museum (Baltimore County)
Legislative District:	7
MCCBL 2018:	DGS Item G042 LSI - Maryland Consolidated Capital Bond Loan of 2018 (Chapter 9 of the 2018 Laws of Maryland)
Amount:	\$50,000
Remarks:	Grantee did not meet the 2- year deadline before the authorization terminated because the grantee needs additional time to complete the grant application. A 1-year extension is appropriate because the Grantee plans to proceed with the project.

2-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

Board of Directors of the Edward A. Myerberg Senior Center, Inc.

Edward A. Myerberg Senior Center (Baltimore City)

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of the Edward A Myerberg Senior Facility, located in Baltimore City.”

*Maryland Consolidated Capital Bond Loan of 2019 (LHI– Chapter 14, Acts of 2019)
DGS Item G020, (SL-102-190-038) \$ 75,000*

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2021 and the Board of Public Works to certify a matching fund. The Board of Directors of the Edward A. Myerberg Senior Center, Inc. has submitted evidence that it has over \$75,000 in a financial institution to meet the matching fund requirement for this project.

Background:	Total Project	\$ 150,000
	19-G020 (This Action)	\$ 75,000 (match)
	Local Cost	\$ 75,000

Remarks:

1. This action is in accordance with the enabling legislation and complies with the tax- exempt bond provisions of the Internal Revenue Code.
2. The grant recipient shall consult with the Maryland Historical Trust pursuant to Sections 5A-325 to 328, State Finance and Procurement Article, Annotated Code of Maryland, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.
3. Procurement/Contracts should be submitted to the Department of General Services for eligibility determination.
4. The Office of Comptroller may not disburse State funds until after it verifies that the grant recipient has expended the matching fund and the required amount for reimbursement.

8-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

Maryland-National Capital Park and Planning Commission

South County Dog Park (Prince George's County)

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of a South County Dog Park.”

*Maryland Consolidated Capital Bond Loan of 2018 (LHI– Chapter 9, Acts of 2018)
DGS Item G150, (SL-112-180-038) \$ 250,000*

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2020 and the Board of Public Works to certify a matching fund. The Maryland-National Capital Park and Planning Commission has submitted evidence that it has appropriated \$325,000 in its fiscal year 2019 budget to meet the matching fund requirement for this project.

Background:	Total Project	\$ 500,000
	18-G150 (This Action)	\$ 250,000 (match)
	Local Cost	\$ 250,000

Remarks:

1. The grant agreement has been revised as follows: 16. Indemnification. To the extent permitted by law (including Courts and Judicial Proceedings Article, §5-301 et seq. the Local Government Tort Claims Act; Article §25A, 1A; and Courts and Judicial Proceedings Article, §5-509; Annotated Code of Maryland, as amended from time to time), and subject to the availability of appropriations, Grantee...
2. This action is in accordance with the enabling legislation and complies with the tax- exempt bond provisions of the Internal Revenue Code.
3. The grant recipient shall consult with the Maryland Historical Trust pursuant to Sections 5A-325 to 328, State Finance and Procurement Article, Annotated Code of Maryland, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.
4. Procurement/Contracts should be submitted to the Department of General Services for eligibility determination.

9-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

Board of Directors of The Training Source, Inc.

The Training Source (Prince George’s County)

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of The Training Source facility.”

*Maryland Consolidated Capital Bond Loan of 2018 (LHI – Chapter 9, Acts of 2018),
DGS Item G152; (SL-113-180-038) \$ 250,000*

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2020 and the Board of Public Works to certify a matching fund. The Board of Directors of The Training Source, Inc. is utilizing the value of property to meet their matching fund requirement for this project. The Department of General Services, Real Estate Office, reviewed the appraisal for 51 and 59 Yost Place, Capitol Heights, Maryland 20743 and accepted a value of \$475,000 to meet the matching fund requirement.

Background:	Total Project	\$ 314,000
	18-G152 (This Action)	\$ 250,000 (match)
	Local Cost	\$ 64,000

Remarks:

1. This action is in accordance with the enabling legislation and complies with the tax- exempt bond provisions of the Internal Revenue Code.
2. The grant recipient shall consult with the Maryland Historical Trust pursuant to Sections 5A-325 to 328, State Finance and Procurement Article, Annotated Code of Maryland, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.
3. Procurement/Contracts should be submitted to the Department of General Services for eligibility determination.

10-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

Mayor and City Council of the City of Salisbury

Truitt Street Community Center (Wicomico County)

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of the Truitt Street Community Center, located Wicomico County.”

*Maryland Consolidated Capital Bond Loan of 2019 (LHI– Chapter 14, Acts of 2019)
DGS Item G067, (SL-105-190-038) \$ 100,000*

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2021 and the Board of Public Works to certify a matching fund. The Mayor and City Council of the City of Salisbury has submitted evidence that it has appropriated \$100,000 in its fiscal year 2020 budget to meet the matching fund requirement for this project.

Background:	Total Project	\$ 200,000
	19-G067 (This Action)	\$ 100,000 (match)
	Local Cost	\$ 100,000

Remarks:

1. The grant agreement has been revised to include Devreco, LLC. as a “beneficiary” throughout the document.
2. The grant agreement has been revised as follows: 16. Indemnification. To the extent permitted by law (including Courts and Judicial Proceedings Article, §5-301 et seq. the Local Government Tort Claims Act; Article §25A, 1A; and Courts and Judicial Proceedings Article, §5-509; Annotated Code of Maryland, as amended from time to time), and subject to the availability of appropriations, Grantee...

12-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works approve the transfer and recordation of the rights of recovery for property located at 700 Hudson Avenue in Takoma Park, Maryland 20912 to property located at 635 Maryland Avenue, Rockville, Maryland 20866. This transaction does not alter any other existing agreements or relationships with the Board of Directors of Hearts and Homes for Youth, Inc. This transaction is cost neutral to the State of Maryland.

Grantee: **Board of Directors of Hearts and Homes for Youth, Inc.**

Authority: Maryland Code Annotated, Human Services Article, Title 9, Subtitle 4
Juvenile Services Facilities Capital Program
Juvenile Services Facilities Loan of 1989, Chapter 210,
Boys' and Girls' Homes Loan of 2001, Chapter 293

Prior Actions:

1. February 28, 1996 DGS Agenda Item 26-CGL: The Board approved \$252,000 grant to the Grantee to renovate and expand the Caithness Shelter Home located at 2710 Norbeck Road, Silver Spring, Maryland (later renamed the Harriet Tubman Shelter). The Grantee filed a Notice of Right of Recovery on behalf of the State in the Land Records of Montgomery County to ensure that the property is used for the grant purposes for 30 years (See attached – Exhibit A).
2. April 24, 2002, DGS Agenda Item 15-CGL – Item A: The Board approved \$100,000 towards the repair, renovation, reconstruction, and capital equipping of seven (7) group homes owned and operated by the Grantee. The project costs for the Caithness Shelter Home were \$48,200 and the State funds used towards the project totaled \$23,583. The Grantee filed a Notice of Right of Recovery on behalf of the State. (See attached – Exhibit B).
3. June 22, 2016, DGS Agenda Item 23-CGL – The Board approved the transfer of the above referenced grant obligations from the property located at 2710 Norbeck Road in Silver Spring to another property owned by the Grantee at 700 Hudson Avenue in Takoma Park to allow the movement of the shelter program to the Takoma Park facility. (See attached-Exhibit C).

Remarks:

The Grantee wishes to relocate the Helen Smith High Intensity Group Home from the property located at 700 Hudson Avenue in Takoma Park, Maryland 20912 to property that it owns located at 635 Maryland Avenue, Rockville, Maryland 20850. Relocation of the program is financially necessary if the Grantee is to continue to provide valuable residential child care services to the State's child serving agencies. The program intends to upgrade its services to become certified as a qualified residential treatment program (QRTP), thereby qualifying for additional federal funding. In order to receive certification, the program requires more physical space to accommodate health related services and additional social services.

The Grantee plans to move the residential child care program to a larger facility it owns, fee simple, in Rockville that is licensed by DHS. Relocation of the program will allow the grantee to continue to utilize this valuable program and to upgrade the program by obtaining certification as a QRTP entitled to federal financial participation under the Social Security Act's Title IVE funding program. The Rockville location will offer more space for youth and greater access to employment and public transportation.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
September 2, 2020**

12-CGL. CAPITAL GRANTS AND LOANS (cont'd)

Remarks (cont'd):

The Takoma Park property may be sold to assist the Grantee in recovering and restructuring as a result of losses sustained during the COVID-19 pandemic. DHS, the licensing agency, has approved the relocation of the program to Rockville. (See attached – Exhibit D). The Rockville property is not subject to any existing liens, mortgages or other encumbrances on the property. The Grantee is a non-profit organization serving youth with co-occurring mental health and substance abuse disorders.

*Higher Education Commission***

Recommendation: That the Board of Public Works authorize that funds be encumbered for the following grant:

Montgomery Community College - Takoma Park/Silver Spring

Catherine &Isaiah Leggett Math and Science Building - Construction

The project consists of demolition of Falcon Hall and the Science South Building to provide an adequate footprint for construction of a New Math and Science Center building. This building will house and support Science, Technology, Engineering and Mathematics (STEM) programs. The facility will also support the provision of general education courses required by all students.

Project sustainability will be achieved by managing utility demand and smart grid technology. Utilize sophisticated building automation systems to manage comfort and use of energy. Pursue sustainable procurement from start to completion of the construction process. The project Green Building goal is a LEED Silver rating.

MCCBL 2019 *Provides funds to continue the construction of the Catherine &Isaiah Leggett Math and Science Building.* Item 117 \$ 2,058,230

MCCBL 2020 *Provides funds to continue the construction of the Catherine &Isaiah Leggett Math and Science Building.* Item 121 \$ 16,236,770

\$18,295,000.00 (CC-01-MC17/18/19/20-458)

Matching Fund: Montgomery Community College – \$18,295,000.00. Cost sharing is 50.0% for the State, 50.0% local share and is in accordance with Section 11-105(j) of the Education Article.

Background:	Total Amount	State Share	Local Share
Total Project	\$ 59,866,000	\$ 29,933,000	\$ 29,933,000
This Action	\$ 36,590,000	\$ 18,295,000	\$ 18,295,000

14-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That Board of Public Works (BPW) approve the following:

Goodwill Industries of Monocacy Valley, Inc., Westminster, (Carroll County)

“A request by Goodwill Industries of Monocacy Valley, Inc. (the “Declarant”) to release the State’s Right of Recovery (ROR) on the Declarant’s property located at 200 Baltimore Boulevard, Westminster, MD 21157 to facilitate the sale of the Property. The release of the ROR is contingent upon the Declarant reimbursing the State \$479,250, the Right of Recovery amount”.

Prior Board Action:

June 2, 1999(DGS; 27-CGL) - BPW approved a grant of \$29,250 from the Maryland Consolidated Capital Bond Loan 1997, Community Mental Health, Addictions, and Developmental Disabilities Facilities Loan to assist the Declarant in the cost for design of improvements to 400 East Church Street, Frederick, MD 21701.

November 29, 2000 (DGS; 36-CGL) - The BPW approved an additional grant of \$450,000 from the Maryland Consolidated Capital Bond Loan 1999, Community Mental Health, Addictions, and Developmental Disabilities Facilities Loan to assist the Declarant in the cost of renovating a facility located at 400 East Church Street, Frederick, MD 21701. In accordance with *Subtitle 6 of Title 24 of the Health -General Article of the Annotated Code of Maryland*, the Declarant recorded a State's Right of Recovery on this property among the Land Records of Frederick County, in Book2678, at Page957. Said Right of Recovery is to expire on April 30, 2032.

December 20, 2017 (DGS; 26-CGL) -The BPW approved a request by the Declarant to release the State’s Right of Recovery on 400 East Church Street, Frederick, MD 21701contingent upon the recordation of a new State's Right of Recovery on 200 Baltimore Boulevard, Westminster, MD 21157. In accordance with *Subtitle 6 of Title 24 of the Health -General Article of the Annotated Code of Maryland*, the Declarant recorded a State's Right of Recovery on this property among the Land Records of Carroll County, in Book8935, at Page79. Said Right of Recovery is also to expire on April 30, 2032.

Current Status:

Declarant sold the property located at 400 East Church Street, Frederick, MD 21701and moved the services to 200 Baltimore Boulevard, Westminster, MD 21157 (the “Property”).

Currently the Declarant’s Board of Directors has an offer to sell the Property. In order to facilitate the sale, the Right of Recovery on the Property must be released contingent upon the repayment of the State’s Right of Recovery amount of \$479,250.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
September 2, 2020**

14-CGL. CAPITAL GRANTS AND LOANS (cont'd)

The Process for Potential Change:

In order to facilitate the release of Declarant's Right of Recovery on the Property, the Maryland Department of Health must seek approval from the BPW in accordance with §24-606(g)(2) of the Health-General Article of the Annotated Code of Maryland. The release of the Right of Recovery is contingent upon the repayment of \$479,250 by the Declarant, which is the Right of Recovery amount.

Remarks:

The Grantee has a contract for sale of the property, in the amount of \$479,250, and must obtain a release from the State prior to the sale of the property, and for the Department of Health to exercise its right to recover grant funds from the sale of the property. The sales transaction will be scheduled prior to 09/23/20.

*Department of Public Safety and Correctional Services***

Contract ID: Emergency Number Systems Board (ENSB) Support Services; *Q002 0010*
ADPICS No.: Q00B1600001

Contract Description: Improve the statewide status of the 911 telephone emergency system for all counties and Baltimore City.

Award: Mission Critical Partners, Inc.; Port Matilda, PA

Contract Term: 10/01/2020* - 01/21/2022 (w/one 6-month “no cost” option)
(*or earlier upon BPW approval)

Amount: \$572,400

Procurement Method: Intergovernmental Cooperative Purchasing Agreement # HP10-17
Houston, TX

MBE/VSBE Participation: N/A / N/A

Incumbents: N/A

Requesting Agency Remarks: The Department of Public Safety and Correctional Services (DPSCS) is requesting approval of an Intergovernmental Cooperative Purchasing Agreement as a result of the passage of Carl Henn's Law (Chapter 302/Senate Bill 339), which obligates DPSCS to expand the present system.

The “Commission to Advance NG911 Across Maryland” conducted a study of the statewide status of the 911 telephone emergency system. The final Commission report identified the following areas of substantive recommendations in addressing the emergency needs of today’s life environment:

- Establishing minimum standards for records security, retention, and disposal of records for 9-1-1 calls and data;
- Establishing training standards;

16-S. SERVICES CONTRACT

Department of Public Safety and Correctional Services, Division of Parole and Probation

Contract ID: Contractual Pre-Release Services; *Q00B1600024*
ADPICS No.: Q00B1600024

Contract Description: Operation of a 30-bed Community Adult Rehabilitation Center in Baltimore City, Maryland.

Award: Threshold, Inc.; Baltimore, MD

Contract Term: 10/01/2020 - 09/30/2025

Amount: \$3,925,528 NTE

Procurement Method: Sole Source

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Living Wage Eligible: Yes

Incumbents: Same

Remarks: The purpose of a Community Adult Rehabilitation Center (CARC) is to house and rehabilitate individuals who have been convicted of crimes, but who in the judgment of appropriate correctional personnel, can be best rehabilitated in community facilities without substantial danger to the community. Currently, Threshold is the only CARC in Baltimore City. This facility is presently in use with four occupants and anticipates adding more in the coming months.

Threshold, Inc. was opened in 1974 under the Community Correction Center Act. Since repeal of the Act in 1976, Threshold has operated as a CARC in accordance with the Community Adult Rehabilitation Center Act, Md. Code Ann., Corr. Serv. Art. § 11-301, *et seq.* The City of Baltimore requires that a special zoning ordinance be passed by the City Council and signed by the Mayor before a facility can be established to provide these services. The Commissioner of Correction determines inmate admission to Threshold pursuant to DOC regulations that set forth minimal eligibility criteria. The Department's Division of Parole and Probation provides contractual management of the services.

16-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd.):

DPSCS has provided the contractor with guidance to maintain a safe environment during the COVID-19 pandemic. DPSCS has negotiated a per diem occupied-bed rate of \$76.69 per day for up to 30 beds. DPSCS does not pay for unoccupied beds. Inmates earning income through Work Release pay a room and board recovery fee to Threshold which is deducted from the total amount invoiced to DPSCS on a monthly basis.

Threshold, Inc. has supported the Department of Public Safety and Correctional Services since 1977, providing contractual pre-release services to house and rehabilitate individuals who have been convicted of crimes, but who, in the judgment of the courts and appropriate correctional personnel, can be rehabilitated in a community facility. A cost analysis was performed and determined that the new rate of \$76.69 per day is a savings to the State, which currently pays between \$83.13 and \$89.88 per day for the same program for Women. The last increase, in FY2013, was determined to be nominal.

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on *eMaryland Marketplace Advantage* on January 17, 2020. The solicitation notice was sent directly to 53 prospective vendors, 20 Maryland firms, and ten MBE firms. Three proposals were received in response to the RFP, all of which were determined to be reasonably susceptible of being selected for award. Bureau Veritas Technical Assessments, LLC (BV) was ranked #1 overall with the highest technical proposal.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
September 2, 2020

REVISED

17-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

The lowest priced proposal was ranked second technically, but its price advantages did not outweigh the technical advantages.

Maryland has a substantial interest in ensuring that all its children receive an adequate education as required by the State Constitution. Part of meeting this requirement is having sufficient educational facilities that can support the educational programs required. However, the State currently lacks objective and comparable data on the condition and educational sufficiency of its \$55 billion-dollar portfolio of public-school facilities. This data is essential to the effective and efficient allocation of capital dollars to school construction projects. By law, the IAC is required to obtain such data by engaging a contractor to complete a statewide assessment of school facilities by July 1, 2019.

This contract for the assessment of all school facilities in the State will identify educational sufficiency needs and physical condition needs and will identify the schools with the highest overall need for investment. Quantifying the statewide need for capital investment in K-12 facilities will help inform the long-term planning of the Capital Debt Affordability Committee. The collection of this data will also arm Maryland with educational facility sufficiency facts for objective decision-making and help taxpayers feel more confident that they are achieving the greatest possible return on investment of their tax dollars, which is more critical than ever in times of economic constraint.

MSDE attempted to procure these services in 2018 but was unsuccessful. A protest had been filed by a firm determined to be a necessary exclusion as a competitor after providing assistance to the agency when creating the RFP. That protest had been denied and it was decided to re-advertise the contract. In 2019, the procurement role was transferred to DGS OSP, which released a second solicitation in January 2020. The same contractor filed a second protest with the procurement officer on January 24, 2020, which was denied on February 12, 2020. An appeal was filed with MSBCA on February 21, 2020. On August 17, 2020, MSBCA unanimously affirmed the procurement officer's denial (MSBCA Docket No. 3148).

17-S. SERVICES CONTRACT (cont'd)

MSBCA Docket No. 3148 denied the appeal, for reasons noted below:

"Because MGT never submitted a proposal in response to the 2020 RFP, it has no reasonable possibility of being awarded the contract even if it were successful in its protest...accordingly the only remaining question is whether MGT has been aggrieved and thus has standing. It has not been so affected. [...]"

Having already found as a matter of fact that the 2020 RFP was simply a re-issuance of the 2018 RFP with minor revisions, and having already determined in MGT I that MGT was prohibited from competing for the 2018 RFP, we conclude that MGT has not been aggrieved by the DGS Procurement Officer's determination that MGT should be prohibited from competing for the 2020 RFP. MGT's competitive position in this procurement is no different than its competitive position following our decision in MGT I. Since MGT never appealed the Board's decision in MGT I it became final, and MGT acquiesced to the validity of that decision. Accordingly the MGT I decision holding that MGT was precluded from competing for the 2018 RFP automatically applies to the re-issued 2020 RFP. Once the DGS PO determined that the 2020 RFP was a re-issuance of the 2018 RFP she made the difficult decision to preemptively send the January 17, 2020 letter notifying MGT that it remained excluded from participating in the 2020 RFP.

[...] once MGT allowed MGT I to become final, and once the Board found that the 2020 RFP was a re-issuance of the 2018 RFP with only minor revisions, MGT could not successfully argue that it was affected competitively and thus aggrieved by its continued exclusion from competition on the 2020 RFP. Accordingly the Board finds that MGT lacks standing to pursue this Appeal.

As a result...the Board is not required to address in any further detail; whether the decision to exclude MGT from competition in the 2020 RFP was arbitrary, capricious, unreasonable, or unlawful. However for similar reasons, we would have found that continued exclusion reasonable.

For the reasons set forth above the Board denies MGT's Appeal."

With school construction being a job-intensive component of Maryland's economy and school construction funds being widely distributed across the State, this contract supports Maryland in recovering economically from the COVID-19 pandemic.

REVISED

17-S. SERVICES CONTRACT (cont'd)

Awarding this contract now will also better equip State and local decision makers to protect existing and future capital assets. With State and local revenues being potentially constrained during FY 2021, FY 2022, and into the future, it is urgent that the data be collected and made available to decision makers as soon as possible. The agency finds that awarding the contract to BV is likely to best position the agency to provide the needed data to State and local decision makers.

Although a 17% MBE goal was established for this contract, Bureau Veritas Technical Assessments LLC has committed to exceeding the goal by 3%, (20% total).

Payment Bond - 30% of the Performance Bond

Requesting Agency Remarks: MDOT MVA anticipated presenting a new contract award to the Board of Public Works in January 2020. However, during the procurement process, MDOT MVA received three protests. MDOT MVA responded timely to each of the protests and an appeal was filed to the Maryland State Board of Contract Appeals. During litigation, MDOT MVA was requested to produce documents. In response to the document request, nearly 40,000 documents were provided by MDOT MVA and reviewed by the Attorney General's Office and responsive documents were produced on a rolling basis.

MDOT MVA received a letter stating that documents received from the State during the open BAFO, through the discovery process, contained proprietary and confidential commercial information that no other prospective offeror received. Upon review, MDOT MVA determined that the information contained in the documents included (a) financial information of other offerors for the 2018 VEIP solicitation; and (b) confidential information regarding MDOT MVA's financial evaluation methodology for the 2018 Vehicle Emission Inspection Program (VEIP). The 2018 VEIP solicitation was previously cancelled.

MDOT MVA determined the competitive field in this solicitation had been compromised and that the agency couldn't avoid, mitigate or neutralize the conflict that had arisen. As a result, MDOT MVA concluded that it was in the State's best interest to cancel the procurement.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
September 2, 2020**

19-S-MOD. SERVICES MODIFICATION (cont'd)

Agency Remarks cont'd:

Pursuant to COMAR 21.06.02.02 and §4.13.1 of the Request for Proposals (RFP), and after legal consultation, the Procurement Officer rejected all proposals after receipt in order to ensure a fair and equitable procurement process for all prospective offerors.

It is in the best interest of the State to approve this modification to extend the current contract to allow MDOT MVA sufficient time to complete the new procurement and ensure VEIP management and operations are not interrupted. The re-procurement is underway; and based on the procurement schedule, MDOT MVA anticipated presenting the new contract to the BPW for award in December 2021. The 2-year modification term is necessary to allow sufficient time for the redrafting of the RFP, and for transition time under the replacement contract since significant changes will be proposed. A termination for convenience clause is included should the solicitation be completed ahead of schedule.

MDOT MVA is working very closely with the Maryland Department of Health and the local health departments to determine the appropriate time to transition away from COVID-19 testing centers and return to emissions testing.

Envirotest has changed its name twice during the life of this contract: the first name was Environmental Systems Projects Holding, Inc., which occurred on January 31, 2012; the second name change was Envirotest Systems Projects Holding Corporation with a novation date of April 29, 2019.

Pursuant to Maryland Transportation Article 23-202, an emission control program shall be established in the State in accordance with the federal Clean Air Act. Furthermore, 23-202 through 23-404 of the Maryland Transportation Article stipulated the missions control program and requirement which includes testing requirements, vehicles that must be tested and the testing frequency. It is imperative that VEIP services are not interrupted.

20-IT. INFORMATION TECHNOLOGY
Comptroller of Maryland

Contract ID: Maintenance Install/1 CICS Software; SS-2016-02
ADPICS No.: E00B1600001

Contract Description: Ongoing maintenance for Install/1 Customer Information Control System software at the Annapolis Data Center mainframe.

Award: Proquire, LLC; Chicago, IL

Contract Term: 10/01/2020 - 09/30/2025

Amount: \$439,448

Procurement Method: Sole Source (Proprietary)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: Install/1 Customer Information Control System (CICS) provides an additional level of security beyond Access Control Facility (ACF2), the Annapolis Data Center mainframe (ADC) primary security program. ACF2 is a commercial, access control software security system developed for IBM mainframe operating systems. CICS is a transaction server that runs primarily on IBM mainframe systems under z/OS and z/VSE, types of IBM mainframe operating systems. CICS connects other software components and enterprise applications.

Proquire is the author of the software product and maintains its proprietary rights.

Proquire 's pricing to the Comptroller is based on an unpublished pricing schedule where annual software maintenance costs typically increase annually at a rate of 5%. Proquire has offered the Comptroller a five year contract with an annual price escalation increase of 2.9%. That is a potential savings of \$8,500 over the five year term.

The Proquire price quoted is consistent with the previous five year contract. Based on the price rate analysis, the prices proposed by the vendor are considered fair and reasonable.

21-IT. INFORMATION TECHNOLOGY
Department of Labor, Division of Unemployment Insurance

Contract ID: Project Management Office, Technical Analyst, Business Analyst and Testing Services; P00B1600010
ADPICS No.: P00B1600010

Contract Description: Core project management office and testing services for the Unemployment Insurance System Modernization (UIM).

Award: CSG Government Solutions; Chicago, IL

Contract Term: 10/01/2020 - 06/30/2021

Amount: \$1,186,572

Procurement Method: Sole Source (Continuity of Services)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent: Same

Requesting Agency Remarks: Project management office (PMO) services will be supported by one senior project manager, with additional support provided using a team of a technical analyst, business analyst, and a team of testers. Testers on the team test the applications being developed by Sagitec. External testers are necessary due to lack of internal staff available to complete the task. Project requires a comprehensive knowledge of working in an environment using the Neotrack Requirements Tool, Sagitec Development Platform and SharePoint.

Historical price. Proposed price is comparable to the price the agency has paid over multiple years, accounting for the applicable Consumer Price Index (CPI) and additional agency requirements (for example, new insurance requirements). Proposed price is comparable to price that resulted from a prior competitive procurement that received more than one bid, accounting for the labor rates used in the previous task order agreement.

22-IT. INFORMATION TECHNOLOGY
Department of Labor, Division of Unemployment Insurance

Contract ID: Project Manager Services; P00B1600011 ADPICS No.: P00B1600011

Contract Description: Provide mission critical application for collecting unemployment insurance taxes and administering unemployment insurance.

Award: N-3 Technologies, INC; Rockville, MD
(Certified-Minority Business Enterprise; Certified-Small Business)

Contract Term: 09/05/2020 - 09/04/2021

Amount: \$261,000

Procurement Method: Sole Source (Proprietary)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent: Same

Requesting Agency Remarks: Modernize mission critical applications, Maryland applied for federal funds and was granted appropriate funds to proceed with the modernization effort. Maryland completed the project to implement a common unemployment insurance (UI) tax, benefits and appeals solution. As part of the project management duties, the project contracted with N-3 Technologies to hire a Project Manager, who is integral to the implementation and production support for the project.

Resource is needed to maintain institutional knowledge acquired during time as project manager and ensure that BEACON project is implemented and provide production support.

Historical price. Proposed price is comparable to the price the agency has paid over multiple years, accounting for the applicable Consumer Price Index (CPI) and additional agency requirements (for example, new insurance requirements). Proposed price is comparable to price that resulted from a prior competitive procurement that received more than one bid, accounting for the labor rates used in the previous task order agreement.

*Department of Health, Office of Enterprise Technology***

Contract ID: Data Center Hosting
ADPICS No.: M00B1600104

Contract Description: Hosting, electrical, security, and environmental services for the Maryland Department of Health Data Center.

Award: TierPoint, LLC; Linthicum Heights, MD

Contract Term: 10/01/2020* - 09/30/2025 (*Or earlier upon BPW approval)

Amount: \$2,550,530

Procurement Method: Sole Source

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: Decommissioning the private data center requires the relocation of the department's virtual server and network attached storage hardware and up to 125 physical servers and other network infrastructure hardware currently located throughout the Baltimore-Metro region. Due to risks presented by the current private data center and the future relocation of the MDH Headquarters, the relocation is time sensitive.

The construction and implementation costs for building such high bandwidth NetworkMaryland connections to another private hosting location would add large upfront costs as well as greatly increased monthly utilization costs. Because all the infrastructure and bandwidth to NW MD are already in place at TierPoint, there is substantial cost savings.

TierPoint, LLC is the only known vendor capable of providing data center co-locations, where significant State fiber resources already exist and where a significant number of NetworkMaryland customers are already located. MDH has been directed by the Department of Information Technology (DoIT) to procure hosting at the TierPoint facility as part of a multi-agency relocation of agencies from the Baltimore State Center facility.

24-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Requesting Agency Remarks: Background This contract's intent was to replace the aging mainframe systems used to administer the Unemployment Insurance (UI) program and provide participating states with improved efficiencies and cost savings for the operations and maintenance of the system. Maryland was to serve as the consortium lead state and manage the vendor contracts and overall project budget. Contract P00B6400009 was initially approved at BPW as DoIT 5-IT on September 16, 2015; however, the initial item did not clearly define the contract term periods as outlined within the contract.

LABOR has continued to operate within the contract and mutual understanding with Sagitec Solutions, LLC that the reference to 'base period' included: design, development, implementation, performance and acceptance, and 12-months of warranty maintenance for the system. When various testing milestones and the 'Go-Live' date for the system was delayed by quality assurance issues and the COVID-19 pandemic; missing in the expected June 30, 2020 implementation; LABOR executed a no-cost extension to the 'base/implementation' period to avoid exercising 'option/maintenance' periods prematurely. Additionally, the extension through September 30, 2020 aligned the 'base/implementation' with the required liquidation of federal funding for this project.

Part A - Retroactive Request:

In addition to the clarification of the initial contract execution, several actions were taken by LABOR without Board approval. Retroactive approval is sought for the following contract modifications:

1. An initially unanticipated software purchase was required in December 2015, exceeding the agency's delegated authority.
2. In January 2016, it was determined that the West Virginia portion of the contract would require supplemental staff, not initially anticipated upon contract execution. This modification totaled \$455,455.
3. After entering abeyance, West Virginia requested to withdraw from the consortium upon which this contract was initially executed. In doing so, several factors of development and implementation were also negated. This change in scope reduced the contract base cost by \$1,960,852 and was exercised in April 2020 without BPW approval. *Additionally, with West Virginia's withdrawal, renewal option period costs were reduced for a potential savings of \$8,223,957, if future options are exercised.
4. Project changes created by IRS requirements and implementation of personally identifiable information security required additional hosting environments, which then required additional training. LABOR executed a \$2,465,155 modification to add hosting environments for development to the contract in July 2020.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
September 2, 2020**

24-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Agency Remarks (cont'd):

5. The establishment of the CARES Act required additional system enhancements, such as: moving the BEACON One Stop applications into the main BEACON system prior to the ‘Go-Live’ date, now September 30, 2020. BPW approved an emergency report (Sec. A4, 07/01/2020) to create a stop-gap intermediate application to address CARES Act claims, in addition to connecting that process to non-CARES Act claims. These enhancements totaled \$2,559,987 and were added to the contract scope in July 2020.

Part B - Proactive Request:

Furthermore, LABOR seeks approval to further modify this contract, as follows:

1. Extend the current contract period to include the 90-day period of Performance and Acceptance and the initial 12-month warranty period as part of the contract ‘base’. The contract will be extended through December 31, 2021; increasing the contract total by \$512,501. As a result, subsequent renewal option periods would not start prior to January 1, 2022 and would return to BPW for approval.
2. Provide additional funding for 5,200 hours of future enhancements, totaling \$724,613.
3. Add the future BEACON mobile application subscription for an 18-month period, totaling \$337,500. The application will allow claimants and employers to use smart devices to access BEACON in addition to web-based applications used on a computer.

These modifications total \$1,574,614, bringing the new contract amount for the ‘base/implementation’ period only to ~~\$54,424,874~~ **\$54,435,293**.

The liquidation deadline for the federal grants funding this project is September 30,2020. This project is 100% federally funded with Supplemental Budget Request grants from the United States Department of Labor (USDOL). This grant proposal and award was based upon several Unemployment Insurance Program Letters. Pursuant to applicable federal appropriations the funds are available for expenditure through September 30, 2020. Failure to meet such a deadline will have a tremendous negative impact on the State of Maryland creating a potential loss of \$13,000,000 in federal funding. (See Public Law 113-235 (December 16, 2014), Division G, Title I, SUIESO provision and Public Law 115-245 (September 28, 2018) Division B, Title I, section 114)

30-RP. REAL PROPERTY
Department of Natural Resources (DNR)

Recommendation: Approve permanent and temporary easements

Property: *Permanent Easement:* 0.44 acres on the southerly and easterly sides of Stafford Road in order to widen Stafford Road and install concrete terminal walls in order to remove and replace the bridge on Stafford Road which crosses Deer Creek.

Temporary Easement: 0.243 acres of land on the northerly and southerly sides of Stafford Road for the construction and installation of the new bridge

Grantor: The State of Maryland, to the use of the DNR

Grantee: Harford County, Maryland

Background: The subject property is located in the Susquehanna State Park. Harford County maintains a portion of the County Road known as Stafford Road, which runs through a portion of the State Park and a bridge which crosses Deer Creek. The bridge needs to be replaced. The County has requested a perpetual easement to widen Stafford Road at the bridge approaches, add concrete terminal walls, and maintain the new bridge. The County also is in need of temporary easement to construct and install the new bridge. The easement includes protection for fish in Deer Creek, tree mitigation, and procedures to minimize interference to Park operations.

Consideration: \$1,850

Appraised Values: \$1,850 – Stephen H. Muller, SRA, Independent Fee Appraiser
**Due to the value being below \$100,000, only one appraisal is required.*

Approved Value: \$1,850. – Stephen H. Muller, SRA

Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project under **MD20190801-0648**. It has recommended to grant easements to the Harford County Department of Public Works contingent upon consideration of the Maryland Department of the Environment’s qualifying comments.

**31-RP. REAL PROPERTY
*Department of Health (File # 00-8600)***

Recommendation: Approval of an Easement Agreement from the Department of Health to Owings Mills East, LLC, a Maryland Limited Liability Company wholly owned by Stevenson University

Property: Permanent Utility Easement: 1.163 acres
 Permanent Access Easement to Reisterstown Rd
 and Garrison Forest Rd.: 1.9924 acres
 Located at Rosewood Hospital, Owings Mills, Baltimore County, MD

Prior Approvals: DGS 6-RP, 06/07/2017; DGS 8-RP, 10/19/2016;
 DGS 13-RP, 10/16/2019; Secretary’s Agenda A24, 08/12/2020

Grantor: The State of Maryland, to the use of the Department of Health

Grantee: Owings Mills East, LLC

Background: Per Item 6-RP approved on 06/07/17, the closing for the transfer of Areas 1 and 2 of the Rosewood Hospital property is to occur on September 15, 2020. Three easements are requested for the following easement areas:

1. Access Easement to Reisterstown Road a perpetual easement for vehicular and pedestrian ingress, egress and access on, over and across a portion of State land;
2. Access Easement to Garrison Forest Road a perpetual easement for vehicular and pedestrian ingress and egress and access on, over and across all paved roads and walkways; and
3. 40-foot wide Utility Easement, a perpetual easement over, through, upon and across a portion of State Land for the purpose of installation, use, maintenance, repair, removal and replacement of public and private utilities to serve improvements.

The Purchase and Sale Agreement was approved as DGS 6-RP at the June 7, 2017 BPW meeting. The three easements were a condition of and outlined on page 4, Item (d) of the Agreement.

Consideration: \$10.00

**32-RP. REAL PROPERTY
*Department of General Services (File #00-867)***

Recommendation: Transfer real property from the State of Maryland to University of Maryland Baltimore County

Property: Improved 4.568 acres located at 900 Walker Avenue, Catonsville, Baltimore County (former Catonsville District Courthouse)

Grantor: The State of Maryland, to the use of Board of Public Works
Grantee: University System of Maryland for the use and benefit of the University of Maryland, Baltimore County

Consideration: No consideration
Authority: § 10-305, State Finance and Procurement Article, Annotated Code of MD

Remarks: This property was originally transferred to the University of Maryland in July 1965 as part of a 432-acre parcel. On December 3, 1976 Item P-7, the Board of Public Works approved the transfer of this +/- 4.568 ac. parcel from the University of Maryland back to the State of Maryland, as the site for the Catonsville District Courthouse. The University System of Maryland has requested that this parcel be returned to them, once the Catonsville District Courthouse moves into its new facility. While Baltimore County expressed an interest in acquiring this property, the property is not considered excess to the State’s needs and it is requested that the property be transferred to the University of Maryland, Baltimore County.

The Department of General Services anticipates the old Catonsville District Courthouse to be vacated within 4 - 6 months and the deed will be recorded as soon as the District Court vacates the property.

Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project under MD20200527-0412. It is recommended to declare the +/- 4.568 acres (improved) of the former Catonsville District Courthouse excess to the needs of the Department of General Services (Clearinghouse notes the intent to transfer the property to the University of Maryland, Baltimore County), contingent upon consideration of Baltimore County and the Maryland Department of the Environment’s qualifying comments. Baltimore County expressed an interest in acquiring the property.

33-LL. LANDLORD LEASE (cont'd)

Remarks (cont'd):

A Sublease between BCCC and Citicaster's Co. shall use the Premises, and the Equipment that is placed on the Leased Parcel only for FCC Licensed FM Radio transmission facilities. The Sub-Tenant shall be responsible for obtaining all permits, licenses, inspections and approvals required for its and occupancy of the premises. The Sub-Tenant shall maintain at its expense, throughout the term, insurance against loss or liability in connection with bodily injury, death, property damage or destruction, occurring within the Demised Premises. General Comprehensive Liability insurance will have a minimum coverage of \$1,000,000 combined single limit per occurrence and shall contain broad form GCL Endorsement or its equivalent. The Sub-Tenant shall indemnify and hold harmless the State of Maryland and Maryland Department of General Services against any and all liability or claim of liability (including reasonable attorney's fees), arising out of licensee's use and occupancy, conduct operation or management of the premises during the Term.

34-LT. TENANT LEASE
Department of Human Services, Office of Child Support

Recommendation: Approve a new lease agreement

Prior Board Action: DGS 11-LT, 04/30/2008

Landlord: Baltimore County Maryland
400 Washington Avenue; Towson, MD

Property Location: 401 Bosley Avenue, Suite G-10; Towson, MD

Space Type: Office Space

Lease Type: New (Continued Use of Property)

Term: 10/01/2020-09/30/2021 (w/standard 6-month holdover)

Annual Rent: \$18,403.32 **Rate/Month:** \$1,533.61
Fund Source: 100% General **Approp. Code:** PCA GF010

Utilities/Custodial Responsibility: Landlord
Termination for Convenience Clause: Yes

Procurement Method: Sole Source
See COMAR 21.05.05.02D; DGS Space Mgmt. Manual ¶ 6-605 E

Remarks: The agency currently leases 1,031 square feet of office space for the office of Child Support. The prior lease for this location expired on 4/1/2018; was in the initial 6-month holdover period from 05/01/2018 -11/30/2018; and has been in extended hold-over for the period 11/1/2018-09/30/2020. The holdover extension period occurred as a result of delays in negotiations with the landlord and DGS working with the Baltimore County Staff.

36-LT. TENANT LEASE
Department of Health, Developmental Disabilities Administration

Recommendation: Approve a new lease renewal of office space for the Maryland Department of Health.

Prior Board Action: DGS 15-LT, 05/20/2009

Landlord: Gaslight Square, LLC
1440 Chesapeake Avenue; Baltimore, MD 21226

Property Location: 1401 Severn Street, 2nd Floor; Baltimore, MD 21230

Space Type: Office Space (10,810 sq. ft.)

Lease Type: New (Continued Use of Property)

Term: 11/01/2020-10/31/2023 (w/standard 6-month holdover)

Annual Rent:	\$174,365.28	Rate/Month:	\$14,530.44
Fund Source:	57.5% General, 42.5% Federal	Approp. Code:	PCA 250G/25009

Utilities/Custodial Responsibility: Landlord
Termination for Convenience Clause: Yes

Procurement Method: Sole Source
See COMAR 21.05.05.02D; DGS Space Mgmt. Manual ¶ 6-605 E

Remarks: The agency currently leases 10,810 sq. ft. of office space for the Office of Developmental Disabilities Administration. The prior lease for this location expired on 07/31/2019 and was in the initial 6-month holdover period from 08/01/2019-01/31/2020. The lease has been in two extended hold-over periods between 02/01/2020-04/30/2020 and 05/01/2020-10/31/2020. The two extensions were due to delays in negotiations with the landlord.

37-LT. TENANT LEASE
District Court

Recommendation: 1. A request for correction to the originally approved agenda item (DGS 15-LT, 12/06/2017). A 5-year term was mistakenly listed; however, the lease was for 2-years with one five (5)-year renewal option.
2. Approve a 5-year lease option renewal.

Prior Board Action: DGS 15-LT, 12/06/2017

Landlord/Owner: Board of County Commissioners, 355 Montevue Lane
Frederick, MD 21702

Property Location: 7300 Marcies Choice Lane
Frederick, MD 21701

Space Type: Office (1,099 sq. ft.)
Lease Type: Renewal

Lease Term: 10/01/2020 - 09/30/2025 (5-years) (w/standard 6-month holdover)

Future Option Term: N/A

Annual Rent Office: \$9,907.44 **Monthly Rate:** \$825.62

Fund Source: 100% General **Approp. Code:** PCA 40601

Utilities/Custodial Responsibility: Landlord

Termination for Convenience Clause: Yes

Procurement Method: Sole Source
See COMAR 21.05.05.02.D; DGS Space Mgmt. Manual 6-605 E

Remarks: The Commissioner's Office has occupied this space since November 1999. The Commissioner's office is open for service on a 24/7 365-day schedule. The prior lease term ended on 12/31/2019; the six month hold-over period began on 1/1/2020 and ran through 6/30/2020; and a further hold-over extension was granted by the Landlord through 9/30/2020. The additional hold-over extension was requested due to delays in negotiations with the Landlord. The lease incorporates three (3) use-in-common parking spaces. This space was acquired by sole source in accordance with the DGS Space Management Manual, Paragraph 6-605 E., as authorized by COMAR 21.05.05.02D.

**39-LT-OPT. TENANT LEASE OPTION
*Department of Planning***

Recommendation: Approve a lease renewal option for the Maryland Department of Planning.

Prior Board Action: DGS 9-LT-OPT, 10/01/2014

Landlord: Town Center Development Group, LLC, 841 Windsor Rd.
Cumberland, MD

Property Location: 113-115 Baltimore Street, Room 302
Cumberland, MD

Space Type: Office Space (1,165 sq. ft.)

Lease Type: Renewal Option

Term: 10/01/2020 - 09/30/2025 (w/standard 6-month holdover)

Annual Rent: \$15,822.12 **Rate/Month:** \$1,318.51

Fund Source: 100% General **Approp. Code:** 10041

Utilities Responsibility: Landlord **Custodial Responsibility:** Tenant

Termination for Convenience Clause: Yes

Procurement Method: Sole Source
See COMAR 21.05.05.02D; DGS Space Mgmt. Manual ¶ 6-605 E

Remarks: This space has been used by the Maryland Department of Planning (MDP) as an administrative and client contact office since 2009. The lease also incorporates three use-in-common parking spaces at no cost. MDP provides legally mandated services such as land use planning and analysis, infrastructure planning, economic growth and resource protection analysis. The prior lease for this location expired on 10/31/2019; was in the initial 6-month holdover period from 11/01/2019 -04/30/2020; and has been in extended hold-over for the period 05/01/2020-10/31/2020. The holdover extension period occurred as a result of both delays in negotiations with the landlord and COVID-19.

42-LT. TENANT LEASE
Executive Department (Governor's National Relations Office, Washington D.C.)

Remarks: The space has been used since 1976 as the Governor's National Relations Office. This building is within short walking distance of the Nation's Capitol Building. The Sub-Lease does not contain a holdover period. A retroactive request is needed because of delays encountered in receiving and negotiating the sub-lease with the landlord. The delay was compounded due to the emergency reassignment of staff to respond to real estate demands of the COVID-19 state of emergency.

43-S. SERVICES CONTRACT
Maryland 529, Maryland Prepaid College Trust

Contract ID: Maryland Prepaid College Trust Forensic Audit; R60B1600001
ADPICS No.: R60B1600001

Contract Description: Provide forensic accounting and related services by a qualified and licensed Certified Public Accountant.

Award(s): Grant Thornton LLP; Arlington, VA

Contract Term: 09/24/2020* - 12/31/2020 (w/two 3-month renewal options)
(*or earlier upon BPW approval)

Amount: \$425,000 (Base, 3-months)
\$ 25,000 (Renewal Option No. 1, 3-months)
\$ 25,000 (Renewal Option No. 2, 3-months)
\$475,000 Total

Procurement Method: Sole Source (Confidential Privilege/Continuity of Service)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent(s): N/A

Requesting Agency Remarks: In December 2019, the Maryland Office of Legislative Audits (OLA) published an audit report recommending a forensic audit to further review certain findings related to the transition of long-serving executive staff.

Grant Thornton will review and analyze books, records, agreements and correspondence; collect evidence including electronic data; perform public record searches; and consult with Maryland 529 when subject matter assistance is required. The firm may also interview Maryland 529 employees and other related parties.

Noted findings in the OLA report occurred during a specific time period, in turn, the findings may be related to records analyzed as part of a previous review performed between Grant Thornton and the Office of the Attorney in 2014. Those records are confidential and subject to attorney client privilege. To maintain that privilege, this contract is being awarded as a sole source contract.

MBE/VSBE Participation: N/A / N/A

MBE/VSBE Compliance: N/A / N/A

Requesting Agency Remarks: This contract provides enterprise-wide eGovernment (eGov) services that are available for all State agencies, boards, and commissions. The predecessor eGov contract provided for the design, development, hosting, operation, and maintenance of eGov products and services. Agencies used the eGov contract to accept electronic payment for records and services, enabling them to provide services more efficiently to the public. At present, there are 122 active products provided under this contract, serving 26 governmental units and all twenty-four counties. The current contract provides for the continued provision of those services, as well as, continued hosting, management and maintenance. NIC is permitted to upgrade and enhance existing products and provide new services at no-cost to the State. The contract does not provide for the development of new services at cost to the State.

Two services that NIC added during the current contract include the “Your PassNow Pilot Project for Online Park Entrance Passes” for the Department of Natural Resources and the “S.A.V.E. Verification Webform” for the Department of Transportation Motor Vehicle Administration. Both services were developed at the contractor’s sole expense.

DoIT recommends exercising the sole renewal option for a 1-year period to continue the services being provided by NIC. This contract will continue to provide support for the many essential services and benefits to the State including:

- web servers for Maryland’s website (www.maryland.gov),
- transaction processing for a host of online forms and permit applications used by citizens and businesses, credit card processing, and
- interactive voice response technologies.

The renewal option will ensure various mission critical services used on a daily basis by State agencies and Maryland residents are maintained through August 2021, without interruption.
