1. DEPARTMENT OF AGRICULTURE

Maryland Agricultural Cost-Share Program - Grants

Recommendation: That the Board of Public Works approve funding six individual grants under the Maryland Agricultural Cost-Share Program.

Amount: \$116,750

Fund Source: MCCBL of 2018: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 18274

County	Grantee	Agreement #	Amount \$
Carroll	Matthew Hoff	MP-2021-2260	\$ 3,900
		MP-2021-2262	\$37,700
		MP-2021-2261	\$ 8,400
Frederick	Thomas Ripley	MP-2021-2263	\$12,200
Wicomico	Samuel Parker	NW-2021-2250	\$10,800
		NW-2021-2249	\$43,750

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

3. BOARD OF PUBLIC WORKS

COMAR Title 21: State Procurement Regulations/FINAL Action

Recommendation: That the Board of Public Works take final action to adopt new regulations to COMAR Title 21, State Procurement Regulations to implement recently enacted legislation regarding the payment of employee health care expenses for state funded construction projects.

Proposal Approved: Secretary's Agenda, Item 3 (11/18/2020)

AELR Review: Complete

Proposal Published: 48 Maryland Register 21-22 (01/04/2021)

Public Comment: No public comments were received.

Final Action: Upon review of the proposal, the Procurement Advisor recommends that the Board adopt the proposal as published.

Implement new procurement laws from 2019 (CH687) and 2020 (CH264)

Add: 21.07.02.12 – Mandatory Construction Contract Clauses - Payment of Employee Health Care Expenses
21.11.15.01 – Definitions
21.11.15.02 – Payment of Employee Health Care Expenses
21.11.15.03 – Certification of Payment

5. BOARD OF PUBLIC WORKS
Wetlands Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board approve licenses for projects involving dredging and filling in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: "The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents." See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

20-0033 *SUNNY SHORES, INC.* – To enhance community access to the South River by removing and replacing a wooden jetty and pier extension, relocating mooring piles, reconfiguring a platform extension, widening a finger pier, extending a finger pier, constructing finger piers, and enlarging a boat ramp.

Annapolis, South River

Special conditions: Restrictions on vessel propeller dredging and general dredging.

BALTIMORE CITY

20-1171 *NATIONAL GYPSUM COMPANY* – To maintain navigable access at an existing ship berthing area by mechanically dredging an area and providing for a six-year dredging period.

Baltimore, Patapsco River

Special conditions: Requirements for transporting dredged material, a dredged material disposal plan, maintenance dredging, staking of dredged area with MDE's prior approval, and a post dredge bathymetric survey.

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
April 7, 2021

5. **BOARD OF PUBLIC WORKS** (*cont'd*)
Wetlands Licenses

KENT COUNTY

20-0696 *SAFE HARBOR MARINAS* – To provide beach nourishment and restore a historic beach by placing sand along the shoreline.

Chestertown, Fairlee Creek

Special conditions: Time of Year restriction. Requirements for sand grain size of all material placed at the beach, turbidity curtain use for hydraulic grading, and a Soil Erosion and Sediment Control plan for bank clearing and/or grading.

ST. MARY'S COUNTY

20-0418 *JOHN R. WHEELER* – To reduce shoreline erosion and improve navigable access by removing a bulkhead, pier/platform, piles, and dolphin piles; constructing a pier, platforms, boat lift, jet-ski lifts, various piles, and osprey pole; constructing stone revetments, groins, and a sill; and filling with sand, grading, and planting marsh vegetation.

Bullock Island, Saint Catherine Sound

Special conditions: Time of Year restriction. Requirements for design and construction of stone revetment, marsh establishment, Marsh Maintenance Plan, and pier removal. Restriction on accessory platforms.

6. BOARD OF PUBLIC WORKS

***Wetlands License -- #16-0271 – Kirk and Becky Main
Mitigation***

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board approve a wetlands license to dredge a spur channel, construct a pier extension and platform, and additionally recommends compensatory mitigation in the amount of \$6,038 for new dredging impacts to 3,510 square feet of shallow water habitat.

MDE: The Maryland Department of the Environment concurs with this recommendation.

- Application received March 18, 2016
- Public comment period ended June 15, 2016
- MDE Report and Recommendation received March 19, 2021

Authority: The “Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” *Section 16-202, Environment Article, Annotated Code of Maryland*; see also COMAR 23.02.04.

Mitigation: The spur channel dredging will result in new impacts to 3,510 square feet of shallow water habitat. MDE recommends that the Licensee mitigate at a 1:1 ratio for impacts to shallow water habitat (COMAR 26.24.05.01.C.(1)(a)), and pay \$6,038 into the Tidal Wetlands Compensation Fund.

$$3,510 \text{ square feet} \times \$1.72 (\$75,000/\text{acre} \div 43,560 \text{ square feet per acre}) = \$6,038$$

ANNE ARUNDEL COUNTY

16-0271 KIRK AND BECKY MAIN – To provide deep water for boating by mechanically dredging a spur channel, and to facilitate water access by constructing a pier extension and a platform.

Pasadena, Magothy River

Special Conditions: Time of year restriction. Requirements for dredge material transport, deposition location, staking of dredged area with MDE approval, post dredge bathymetric survey, and maintenance dredging.

*Wetlands License -- #16-0270 – Dewey and Angela Ward
Mitigation*

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board approve a wetlands license to dredge a spur channel and additionally recommends compensatory mitigation in the amount of \$3,669 for new dredging impacts to 2,133 square feet of shallow water habitat.

MDE: The Maryland Department of the Environment concurs with this recommendation.

- Application received March 18, 2016
- Public comment period ended June 15, 2016
- MDE Report and Recommendation received March 19, 2021

Authority: The “Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” *Section 16-202, Environment Article, Annotated Code of Maryland*; see also COMAR 23.02.04.

Mitigation: The spur channel dredging will result in new impacts to 2,133 square feet of shallow water habitat. MDE recommends that the Licensee mitigate at a 1:1 ratio for impacts to shallow water habitat (COMAR 26.24.05.01.C.(1)(a)) and pay \$3,669 into the Tidal Wetlands Compensation Fund.

$$2,133 \text{ square feet} \times \$1.72 (\$75,000/\text{acre} \div 43,560 \text{ square feet per acre}) = \$3,669$$

ANNE ARUNDEL COUNTY

16-0270 DEWEY AND ANGELA WARD – To provide deep water for boating by mechanically dredging a spur channel.

9. MARYLAND ENVIRONMENTAL SERVICE
Eastern Pre-Release Unit

Construction Mod: Wastewater Treatment Plant Upgrade
MES Project # 1-19-2-06-5R

Original Approval Secretary's Agenda, Item 5 (3/6/2019)

Award M2 Construction LLC, Landisville, PA

Contract Description: Construct membrane wastewater treatment plant and gravel access road; decommission existing lagoon.

Modification Description: Provide labor and material for additional insulation, heat tracing and control panel; remove and dispose an additional 117 dry tons of sludge from the wastewater lagoon.

Original Contract Term: 540 Calendar days from Notice to Proceed
Modified Contract Term: 781 calendar days

Original Contract Amount: \$6,092,000.00
Prior Modifications: \$ 657,205.50
This Modification: \$ 380,766.22
Revised Total Amount: \$7,129,971.72
Percentage Increase: 5.7%

MBE Goal: 7.6%
MBE Compliance: 5.4%

Remarks: The need for insulation and heat tracing became apparent this winter when the cold weather resulted in freezing the exposed pipes and equipment. An additional electrical control panel is needed for the heat tracing. The presence of more sludge at the bottom of the lagoon became apparent as the lagoon was partially drained. This material must be removed prior to closure of the lagoon.

A1. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
Division of Correction

Contract Title: MTC Electrical Repair
ADPICS No.: Q00P1605172

Contract Type: Maintenance

Description: Emergency contract to provide all labor, material, equipment, permits, PPE, testing and completion of all necessary repairs to and/or replacement of electrical wire to restore heat to the Metropolitan Transition Center in Baltimore City.

Procurement Method: Emergency

Date Emergency Declared: February 24, 2021

Bids: FCR Enterprises, Inc.
Parkville, MD (*certified small business*) \$51,838

Urban Francis, LLC
Baltimore, MD (*certified small business*) \$59,295

Award: FCR Enterprises, Inc.

Amount: \$51,838

Contract Award Date: March 4, 2021

Term: 30 Calendar Days from NTP

MBE Participation: None

Fund Source: 100% General Funds

Appropriation Code: V2410 AOBJ 8120

Remarks: Nature of Emergency: An electrical wire in the existing ductwork that feeds into the control panel, which controls all the heat to the Metropolitan Transition Center Hospital, was found to be damaged. An electrical wire needs to be repaired and/or replaced in order to operate the control panel to restore the heat in this area.

A2. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

(cont'd)

Division of Correction

Remarks: *Nature of Emergency* - This emergency procurement was required due to a security related incident in which several cell doors failed to operate, intercom system failed to operate, and CCTV cameras failed to operate as a result of key integration components of the system failing leading to complete system failure. This contract will immediately replace the security electronics system that is over 16 years, and for which components of the systems are no longer available; therefore, requiring a complete security system upgrade. This emergency contract includes providing all labor, materials, equipment, permits, testing and performing all work necessary to complete this Multi-Phase Emergency Security Electronics Upgrade at the North Branch Correctional Institution (NBCI), in strict accordance with the terms and conditions of the contract. The work will be divided into three phases and the combined contract duration will be set at two hundred and seventy (270) calendar days.

Basis for Selection: Cornerstone Detention Products, Inc.'s proposal fulfilled requirements for completion of the scope of work for this project and represented the lower bid of the two received.

A3. MARYLAND DEPARTMENT OF MILITARY

Contract # ID: Emergency Boiler and Related System Components Replacement Project / ADPICS No.: D50P1600129

Contract Type: Maintenance

Description: Emergency replacement of boiler 1 and boiler 2 at the 5th Regiment Armory

Procurement Method: Emergency (Designated SBR)

Bidders: East Coast Welding & Construction Company
Glen Burnie, MD \$182,646

M & E Sales
Hanover, MD \$266,388

Emergency Declared: December 10, 2020

Award: East Coast Welding and Construction Company
Glen Burnie, MD

Award Date: December 16, 2020

Amount: \$318,000 (\$200,000 original boiler replacement)

Term: Estimated installation completion by March 1, 2021,
with a 6-month maintenance service agreement

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Remarks: *Nature of Emergency:* Boiler # 1 began leaking leaving only one 32-year-old boiler to heat the 5th Regiment Armory. Boiler #2 is past it's life expectancy and while it was operational at the time boiler # 1 failed it also continues to have ongoing maintenance issues. DMIL determined it was in the State's best interest to replace both boilers with more energy efficient ones saving the state energy and maintenance costs. In addition, it was determined that

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
April 7, 2021

APP 6

A3. MARYLAND DEPARTMENT OF MILITARY (cont'd)

Remarks (cont'd):

the parts needed to be repaired had a 12-week lead time where the new boilers had a two-week lead time and a six-week lead time on the burners. The contractor was able to retro fit the old burners as a temporary fix until the new burners arrived.

While replacing the boilers and burners additional system components failed. These included holding tanks, pumps, shutoff valves, and control units. These additional components are needed to have a fully functioning heating system. Change orders were issued for the additional costs.

Basis for Selection: Lowest responsive bid from a responsible bidder.

Reason for Late Report: This emergency report was originally submitted to an incorrect email address. Once this error was discovered and the report sent to the correct email address, the report submission was late.

A4. MARYLAND DEPARTMENT OF MILITARY

Contract # ID: Emergency Boiler Repair
Project / ADPICS No.: D50P01600173

Contract Type: Maintenance

Description: Remove and replace two boilers in building 101 at Camp Fretterd Military Reservation

Procurement Method: Emergency (Designated SBR)

Bidders: East Coast Welding & Construction Company
Glen Burnie, MD \$ 98,664

M & E Sales
Hanover, MD \$127,105

Emergency Declared: 12/22/2020

Award: East Coast Welding & Construction Company,
Glen Burnie, MD

Award Date: 01/07/2021

Amount: \$110,000 (including final change order)

Term: Estimated installation completion by February 7, 2021,
with a 6-month maintenance service agreement

MBE/VSBE Participation: 0% / 0%

Remarks: Nature of Emergency: At the beginning of the heating season boiler #1 in building 101 at the Camp Fretterd Military Reservation began leaking. The backup boiler #2 had been removed due to severe leaks and rust. Department of Military (DMIL) issued a small procurement to have a contractor repair the leaks. Shortly after the work began it was discovered that the leaks were more extensive than originally thought and would require additional parts. The parts to repair the boilers were not readily available and had to be special ordered due to the age of the system. Once the contractor placed the order for the replacement sections it was discovered that due to COVID the replacement parts manufacturer had shut down and the lead time would be 12 weeks or longer. DMIL requested the contractor to provide an alternative

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
April 7, 2021

APP 8

A4. MARYLAND DEPARTMENT OF MILITARY (cont'd)

Remarks (cont'd):

solution as the building could not be left unheated for 12 weeks. The contractor provided a solution to replace both boiler systems. The replacement boiler systems were less expensive than the repair sections, with a faster delivery and DMIL would have two new complete energy efficient boiler systems instead of two old systems with new parts.

Basis for Selection: Lowest responsive bid from a responsible bidder.

A5. MARYLAND MILITARY DEPARTMENT

Contract Title: Staffing to Support the COVID Vaccination Initiative
ADPICS No.: D50P1600213

Contract Type: Services

Description: The Maryland Military Department, on behalf of the Maryland Emergency Management Agency (MEMA), procured services from Hagerty Consulting to provide staffing to cover at least six mass vaccination sites across the State of Maryland, as well as the Maryland Business Operations Center and the Maryland Joint Information Center. The contract with Hagerty Consulting provides services directly to MEMA to augment staff and provide consulting services for several key disaster response positions.

Procurement Method: Emergency (Sole Source)

Emergency Declared: January 19, 2021

Award: Hagerty Consulting
Evanston, IL

Contract Award Date: February 5, 2021

Original Contract Term: 02/05/2021 – 11/04/2021

Contract Amount: \$17,500,000 NTE

Remarks: Nature of Emergency – COVID-19: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

In March 2020, DGS supported MEMA in an emergency procurement for staffing to assist the State Emergency Operations Center (SEOC). This included many positions working in the SEOC as well as financial positions that have continued to assist us in the FEMA reimbursement process. As MEMA transitions to focusing on the vaccine initiative in Maryland, we again find ourselves in need of staffing support.

Remarks (cont'd):

Basis for Selection: MEMA has determined Hagerty Consulting to be the sole source for these services. Hagerty has provided COVID-19 consulting support services throughout the duration of the pandemic and the continuity of services to maintain these pandemic response services is critical to address the state's continued emergency response and maintain adequate coverage at response sites throughout the state as the pandemic response continues to evolve. It is imperative that Hagerty Consulting continues to serve in this staffing support role reimbursement project; they will assist with staffing all mass vaccination centers across the State. This includes both clinical and non-clinical roles. The State has determined that continued use of consulting services from Hagerty Consulting is in the state's best interests to ensure the best outcome as the state transitions COVID response to mass vaccination sites statewide.

The procurement officer conducted market research to determine that the hourly rates for Hagerty Consulting were fair and reasonable. The analysis of pricing conducted compared the rates proposed to the state of Maryland to the labor rates under existing Hagerty Consulting contracts with both GSA and HGACBuy Cooperative. The proposed labor rates from Hagerty are within the market range established by this analysis. Hourly rates for Hagerty Consulting staff are consistently between \$170 and \$140 per hour, which is in line with other vendors who deliver the same services. The overall \$17.5 million contract would cover the State for at least nine-months of staff at six mass vaccination sites, the Maryland Business Operations Center and the Maryland Joint Information Center. Each vaccination site will include a site manager, operations officer, safety officer, planning chief and logistics chief.

A6. DEPARTMENT OF TRANSPORTATION
Maryland Transit Administration

Contract ID: MTA TICC Maintenance; AGY-21-032-IT
ADPICS No.: P5107691

Contract Type: Information Technology

Description: This contract provides for telecommunications maintenance for the Maryland Department of Transportation Maryland Transit Administration's (MDOT MTA) Transit Information Call Center (TICC).

Procurement Method: Emergency (Sole Source)

Emergency Declared: December 17, 2020

Award: Unify, Inc., Boca Raton, FL

Award Date: January 25, 2021

Amount: \$129,311

Term: 01/25/2021 - 07/31/2021

MBE Participation: 0%

Fund Source: 100% Special (Transportation Trust Fund)

Remarks: Nature of Emergency: Although the Maryland Department of General Services' (DGS) PBX IV Telecommunications Equipment and Services master contract was awarded in July 2020, the Purchase Order Request For Proposals (PORFP) template and instructions were not available until September 2020. Additionally, the vendor who had been a single offeror for these services for several years is not a vendor on PBX IV. Knowing there would be difficulty obtaining full service from another vendor on this proprietary equipment and software packages which were custom tailored for MDOT MTA, the agency attempted to execute a sole source contract with the current services provider but that was rejected by DGS's Office of State Procurement (OSP). By that time, it was too late for MDOT MTA to submit the contract for a 2020 BPW meeting that would allow for a January 1, 2021 start. Knowing that the contract could not be executed by January 1, MDOT MTA was advised by DGS OSP that the agency could do a sole source bridge contract. The sole source vendor would not entertain a contract any shorter than six months. The vendor's pricing for six months exceeded MDOT MTA's sole source

BOARD OF PUBLIC WORKS

A6. DEPARTMENT OF TRANSPORTATION (cont'd)
Maryland Transit Administration

Remarks (cont'd):

delegated authority award value. As a result, this sole source contract would need BPW approval prior to award, which MDOT MTA could not obtain in time for a January 1st contract start date.

As these are crucial services that impact the welfare of the riding public, MDOT MTA chose to declare an emergency to ensure that services continued while going through the steps of completing a PBX IV PORFP. Since that time, the PORFP issued by MDOT MTA resulted in a single offeror by a vendor who could not perform the full scope of work and subsequently rescinded their offer. MDOT MTA has now gained the approval of the Department of Information Technology and DGS OSP to pursue a long-term sole source contract. This emergency contract will be terminated as soon as that long term contract is awarded after BPW approval. This emergency contract will allow MDOT MTA to ensure vital transit communications and information are available through the TICC, which is essential to the service and welfare of the riding public.

MDOT MTA's TICC is the general transit information call center for customers, receiving an average of 3,000 calls a day. MDOT MTA requires continuous system and software maintenance coverage for the embedded phone equipment and services. Ongoing maintenance and support are needed to prevent a disruption in service to the existing call center functions and applications for system performance.

The contractor provides phone system maintenance for hardware equipment, software, and applications for MDOT MTA's TICC. This includes preventative maintenance (on-site and remote), a 24/7 service desk accessible by phone, chat, & email, replacing broken/end of life equipment (including phones), configuration changes to the phone system or station equipment, and installing/programing additional phones.

Basis for Selection: Unify Inc. (an Atos IT Solutions and Services, Inc. company) is currently upgrading the phone systems and applications for MDOT MTA's TICC. This contractor is the only vendor that has access to the equipment and can perform the required maintenance while the upgrade project takes place. Unify Inc. was an approved master contractor on the PBX III Telecommunications Equipment and Services master contract.

A7. DEPARTMENT OF TRANSPORTATION
Motor Vehicle Administration

Contract ID: Temporary Staffing for COVID Screening
ADPICS No.: VMUL20093M

Contract Type: Maintenance

Description: Provide the Maryland Department of Transportation Motor Vehicle Administration (MDOT MVA) with staff to take the temperatures of individuals entering MDOT MVA facilities and branches.

Procurement Method: Emergency

Emergency Declared: July 30, 2020

Award: Abacus Corporation
Baltimore, MD

Award Date: August 25, 2020

Amount: \$100,000

Term: 08/03/2020 – 02/25/2021

MBE Participation: 0% (single element of work)

Fund Source: 100% Special Funds (Transportation Trust Fund)

Remarks: *Nature of Emergency – COVID-19:* Per the Maryland Department of Transportation's "Access Protocols for MDOT 24/7 Facilities and Identified Customer Service Facilities" (effective 07/30/2020), it was determined that MDOT MVA branches and facilities were required to take the temperature of employees, customers, and other persons entering the facilities due to the ongoing COVID-19 pandemic. This required staff to be positioned at the entrances of the facilities to take the temperatures to ensure persons are screened before entering the facility. Prior to the protocol being amended to require temperatures to be taken, MDOT MVA was utilizing its security guard services contract to perform the COVID-19 screenings. Due to the quick change in the protocol, normal procurement methods could not be used.

A8. DEPARTMENT OF HEALTH
Office of Procurement and Support Services

Contract Title: COVID-19 Testing Services
ADPICS No.: M00B0600475

Contract Type: Services

Description: Provide clinical laboratory testing diagnostic services, including COVID-19 test processing. The contractor will also provide collection kits for sample test collection, courier services for test collection and sampling, and reporting of test results.

Procurement Method: Emergency

Date Emergency Declared: May 1, 2020

Bids: N/A

Award: University of Maryland Pathology Associates, P.A. (UMPA)
Baltimore, MD

Amount: \$19,100,000

Contract Award Date: December 31, 2020

Term: 05/01/2020 – 04/30/2021

MBE Participation: N/A

Fund Source: 100% Federal

Remarks: Nature of Emergency – COVID-19: On March 5, 2020, Governor Larry Hogan issued a Declaration of State of Emergency and Existence of Catastrophic Health Emergency due to the outbreak of a severe respiratory disease, resulting in illness or death that is caused by the person-to-person spread of the novel coronavirus.

The State of Maryland has experienced a surge in COVID-19 cases of an unforeseen magnitude in the fall 2020. Since the week of November 1, the total increase in test volume was 150 percent. As a result of increased testing and cases, the State has exceeded its current capacity for clinical diagnostic laboratory testing. Left unchecked through adequate testing and subsequent treatment, the transmission of COVID 19 would threaten public health. University of Maryland Pathology Associates, P.A., (“UMPA”) has additional capacity for processing tests. The State

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX

APP 16

A8. DEPARTMENT OF HEALTH (cont'd)
Office of Procurement and Support Services

Remarks (cont'd):

can mitigate some of the impacts to public health through increased use of this contract to utilize UMPA's additional diagnostic capacity.

UMPA has demonstrated capability and capacity in assisting the State with COVID-19 testing. UMPA has additional capacity for processing tests and possesses the necessary expertise, equipment, and the materials needed to perform services immediately. The State laboratory is at capacity for test processing, and more capacity is needed to respond to the recent case surge.

Basis for Selection: A competitive solicitation for testing would jeopardize critical response time needed for the emerging surge.

Reason for Late Report: This report was submitted late due to the unprecedented number of emergency procurements which required immediate action. MDH is currently recruiting additional procurement staff. As a result, MDH was unable to prepare this report in a timely fashion.

3-S-MOD. UNIVERSITY OF MARYLAND, BALTIMORE
Emergency Service Contract Modification

Contract ID: Managed Care Advisors, Contract No. 88883

Contract Description: Extension of COVID-19 hotline contract for resources providing the intake, documentation, and reporting of potential exposures to COVID-19

Award: Managed Care Advisors, Bethesda, MD

Original Contract Term: 3/12/2020 – 3/31/2021

Prior Modification Term: 4/1/2021 – 4/30/2021 (No Cost)

This Modification Term: 5/1/2021 – 1/7/2022

Modification Amount: \$496,255

Previous Contract Amount: \$855,156 (see Requesting Institution Remarks)

Revised Contract Amount: \$1,351,411

Procurement Method: Emergency (Sole Source)

MBE Participation: 100%

Requesting Institution Remarks: Nature of Emergency – COVID 19

In March 2020, The University of Maryland, Baltimore (UMB) Department of Environmental Health & Safety (EHS) identified an urgent need to contract for COVID-19 hotline call center services in the interest of the welfare of faculty, staff, and students. The procurement of this service was designated an emergency under USM PP&P section V.E.2 (a), threatening the health of safety of any person(s). The COVID-19 pandemic met this criteria.

UMB engaged Managed Care Advisors (MCA) to provide a dedicated toll-free hotline 24/7/365 for UMB faculty, staff, and students in the support of intake, documentation, and reporting of potential exposures to COVID-19. MCA is HIPPA compliant and provides a fully developed, secure, web-based case management application that supports the entire lifecycle of patient inquiries.

3-S. UNIVERSITY OF MARYLAND, BALTIMORE (cont'd)
Emergency Service Contract Modification

Requesting Institution Remarks:(cont'd)

Monthly billing for services is based on actual utilization at a per call rate and rates for case managers as needed. When this contract was initially issued, UMB anticipated it would be needed for only a month or two with a low call volume. The initial contract was for \$48,200. As the pandemic progressed, the need for the service increased. UMB issued two change orders to increase the contract funding to meet the ongoing need for these services. The first change order was issued in May of 2020 for \$385,000 and the second change order was issued in January of 2021 for \$421,956. This request is to approve an additional \$496,255 to extend the contract to cover anticipated utilization from 4/8/21 through 1/7/22. With this third change to the contract, the cumulative total value of the contract will be \$1,351,411. Since the contract value now exceeds \$1 million in total, Board of Public Works approval is required.

The hotline has been critical to the effective management of COVID-19 cases and in preventing COVID-19 outbreaks at the University. At the time of the initial purchase of this service it was unclear how long UMB would require this service and it was not anticipated that the needs would continue as long as they have. Therefore, UMB needs to maintain this critical service through the end of 2021. UMB COVID-19 hotline has been essential in allowing UMB to continue to increase research, education, and services at the University.

2-GM. MARYLAND AVIATION ADMINISTRATION
General/Miscellaneous Contract: Lease and Concession Contract

Contract ID: Lease and Concession Contract; MAA-LC-21-053

Contract Description: Non-Exclusive Concession Contract to provide pre-arranged concierge passenger services to travelers using Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport.

Contractor: IW Group LLC d/b/a Perq Soleil
Dulles, VA

Contract Term: 05/01/2021* - 04/30/2026 (*or earlier upon BPW approval)

Amount: Contractor will pay 10% of gross revenues.

Requesting Agency Remarks: Perq Soleil has been providing premium traveler meet and greet services at BWI Thurgood Marshall since 2018 under Contract No. MAA-LC-18-021 (1-GM; 02/21/2018). Perq Soleil streamlines the passenger experience for VIPs, supports unaccompanied minors and seniors, allowing seamless, worry-free travel. The Maryland Department of Transportation Maryland Aviation Administration is ensuring that existing passengers have uninterrupted service and new passengers with interest in concierge services continue to have access to this established service provider.

This type of revenue-producing contract at a transportation facility is outside the scope of the State Procurement Law (State Finance and Procurement Article §11-202(3); COMAR 21.01.03.03.B(1)(d). However, the contract and any modifications must be approved by the Board of Public Works because the contract constitutes a use of State Property under State Finance and Procurement Article, §10-305.

3-M.

MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage and the Maryland Department of Transportation Maryland Aviation Administration's (MDOT MAA) website. The MDOT MAA directly solicited seven (7) prospective bidders. Six (6) bids were received on December 3, 2020.

A review of the bid packages submitted by the apparent lowest bidder, bidder no. 2, and bidder no. 5 revealed that the bids did not conform in all material respects to the requirements of the solicitation. Those bids were therefore rejected as not responsive. No protests were filed by the rejected bidders.

On December 17, 2020, BARCO Enterprises (BARCO) submitted a protest which raised issues of responsiveness regarding the low bidder, bidder 2, and bidder 3. Since MDOT MAA rejected the apparent low bidder and bidder 2's bid, BARCO's protest regarding the low bidder and bidder 2 was moot and not addressed. BARCO's protest regarding bidder 3 was denied January 29, 2021. No appeal was filed.

The contract award amount is based on the final budget amount. The contractor does not have a guaranteed minimum or maximum amount, except for the overall budget limitation. The total award issued under this contract will not exceed \$400,000. The representative pricing is based on all-inclusive fixed monthly rates and unit cost pricing that the contractor is bound by throughout the duration of the contract.

This contract includes a provision authorizing an extension for a reasonable, limited, and defined time to spend funds remaining on the contract as provided in Board Advisory 1995-1.

RETROACTIVE Modification: Service Contract

Contract ID: Educational Services; AD-3037

Contract Approved: N/A

Contractor: Strayer University, LLC
Herndon, VA

Contract Description: This contract allows for MDTA and, as amended, MDOT employees to participate in affordable, accredited and quality university programs at a reduced tuition rate.

Original Contract Term: 06/09/2017 – 06/08/2018 (Original)
06/09/2018 – 06/08/2021 (Renewal Option)

Modification Term: No change to contract term.

Original Contract Amount: N/A

Amendment One Amount: No amount listed on Amendment.

Amendment Two Amount: No amount listed on Amendment.

Revised Total Contract Amount: \$1,522,875

Percent +/- Change: 100%

Original Procurement Method: Memorandum of Understanding

MBE Participation: N/A

MBE Compliance: N/A

Requesting Agency Remarks: Retroactive approval is being requested pursuant to State Finance & Procurement Article §11-204(c). These contracts should be treated as voidable, rather than void, because: 1) all parties have acted in good faith; 2) ratification of the procurement contract would not undermine the purposes of the procurement law; and 3) the violation, or series of violations was insignificant or otherwise did not prevent substantial compliance with the procurement law.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
April 7, 2021

MDOT 6

4-S-MOD.

MARYLAND TRANSPORTATION AUTHORITY (cont'd)

Agency Remarks (cont'd):

On June 9, 2017, the MDTA entered into a Memorandum of Understanding (MOU) with Strayer University to allow MDTA employees to participate in affordable, accredited and quality university programs at reduced tuition rates. Amendment One, which was executed on January 29, 2018, revised the MOU so that MDTA is responsible for 100% of the costs for its eligible employee students. On June 6, 2018, the MOU was renewed for three (3) years through June 8, 2021. On September 18, 2018, MDOT amended MDTA's MOU with Strayer University to include all MDOT Business Units. Though the Assistant Attorney General (AAG) signed the original MOU, MDTA was later advised by the Maryland Department of Transportation's AAG that this contract should have been procured as a service contract because Strayer is a for-profit entity.

Subsequently, in an effort to provide educational opportunities, the MDTA has conducted a statewide services procurement and intends to award one (1) contract and four (4) Memorandums of Understanding with institutions of higher education as a result of their procurement. These institutions include Stevenson University, Anne Arundel Community College, Community College of Baltimore County, Morgan State University, and the University of Maryland Global Campus.

The total contract amount of \$1,522,875 as indicated above includes expenditures from the following MDOT business units:

MDTA	\$289,075
The Secretary's Office	\$158,875
SHA	\$186,000
MPA	\$ 27,900
MVA	\$254,975
MTA	\$606,050

5-AE. MARYLAND TRANSIT ADMINISTRATION (cont'd)

Requesting Agency Remarks: This solicitation was published on eMaryland Marketplace Advantage (eMMA) on March 6, 2020. A total of 244 firms were notified via eMMA of which 50 were certified DBEs. A total of six (6) engineering consultant firms submitted technical proposals in response to the solicitation.

The contractor will perform architecture and engineering services for MDOT MTA's Office of Systems and Equipment Engineering Division, on an as-needed work order basis. The contractor will provide technical support for various communications systems, Security and Surveillance systems, Signaling and Train control, Traction Power, Corrosion control, Supervisory and Data acquisition system, Fare Collection, Life Cycle Management, Transit Signal Priority, Broadband Wireless Network, Voice and Data Radio Network, Local Area Network, Wide Area Network Communications Systems, Automatic Vehicle Control System and Light RailLink and Metro SubwayLink Control Centers.

The DBE goal established for this contract is 30%. The prospective awardee has committed to the DBE goal.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in Board Advisory 1995-1.

MARYLAND TRANSIT ADMINISTRATION (*cont'd*)

Requesting Agency Remarks: This contract currently provides for staff to be stationed at MDOT MTA facilities and buildings to protect employees from individuals with COVID-19 or COVID-19 related symptoms by completing the following tasks:

- screening entrants;
- ask the initial screening questions;
- complete the brief questionnaire for every person entering the facility; and
- record & save the answers from the questionnaire.

The contractor also schedules, monitors, and supervises its staff.

In order for MDOT MTA to ensure that these essential services continue while a new procurement is completed, 143 additional days and additional contract authority are required.

November 17, 2025

John Gontrum, Esq.
 Secretary to the Board of Public Works
 Louis L. Goldstein Treasury Building, Room 117
 Annapolis, Maryland 21401-1991

SUBJECT: Record Correction – April 7, 2021 - Board of Public Works Agenda

Dear Mr. Gontrum,

This is to advise you of the following changes to the Board of Public Works Action Agenda Item previously approved by the Board of Public Works.

BPW – April 7, 2021, DGS 13-CGL.

DGS 20-297
 Office of Procurement

FROM: DGS Recommendation: **Administrative Fix to award number**

Pursuant to Section 1(3)(9)(b) of Chapter 720, Act of 202, DGS is administratively correcting the award number **20-297** listed and approved as the project.

TO: DGS Recommendation: correcting the award number to **20-279** to reflect the accurate project number.

REASON: Clerical Error: The requested change is needed to correct the error in the transposition of numbers for the referenced award.

Regards,

Dawn Wood
 Regional Grant Administrator
 Capital Grants Program

REVISED

14-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works with respect to Grantee, Catoctin & Frederick Soil Conservation District:

1. Consent to transfer the grant-funded real property
2. Forgive the Grantee repayment of the grant funds.

Grantee: Catoctin & Frederick Soil Conservation District

Property: 92 Thomas Johnson Drive, Suite 230 Frederick, MD 21702

Prior Actions: DGS Item 15-CGL (2/1/2006) \$300,000

Background:

The Grant. In 2006, the State, through its Capital Grant and Loan program, granted a total of \$300,000 in general obligation bond proceeds to the Grantee, Catoctin & Frederick Soil Conservation District., For the construction of an agricultural and education complex, located in Frederick. The grant funds were used for construction to the property. The Grantee intends to transfer the building to the Maryland **State Highway Administration (SHA)**

Grant Agreement. The grant agreement between the State and the Grantee states:

Disposition of Property. Grantee may not sell, lease, exchange, give away, or otherwise transfer or dispose of any interest in real or personal property acquired or improved with Grant funds unless the BPW gives prior written consent. This includes transfer or disposition to a successor on the merger, dissolution, or other termination of the existence of Grantee. Grantee shall give the BPW written notice at least 60 days before any proposed transfer or disposition. When consenting to a transfer or disposition, the Board of Public Works may in its sole discretion require the grantee to repay a percentage of the proceeds that are allocable to the grant.

Reason for Transfer. The Grantee has decided to transfer the building for economic reasons. The Grantee property has been identified as a parcel of land needed for an expansion of Maryland State Highway **Administration** Park and Ride. A mutual agreement has been reached instead of going through the eminent domain process. To date, all grant funds have been disbursed to the Grantee.

April 7, 2021

REVISED

14-CGL. CAPITAL GRANTS AND LOANS (cont'd)

Remarks (cont'd):

Proposed Transfer. Grantee seeks Board of Public Works approval to transfer the proposed grant-funded property to Maryland State Highway Administration, to not require the Grantee to repay any of the grant funds, and to not require the Grantee to accept any obligations under the grants.

15-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works certify matching funds and enter into a grant agreement for the following grant:

Board of Directors of Baker Park, Inc. and the Mayor and Board of Aldermen of the City of Frederick

Frederick Bocce Ball Courts (Frederick County)

“For the acquisition, planning, design, construction, repair, renovation, reconstruction, site improvement, and capital equipping of bocce ball courts, located in Frederick County.”

Maryland Consolidated Capital Bond Loan of 2019 (LSI—Chapter 14, Acts of 2019)
DGS Item G095, (SL-115-190-038) \$ 50,000

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2021 and the Board of Public Works to certify a matching fund. The Mayor and Board of Aldermen of the City of Frederick has presented evidence of in-kind contributions totaling \$11,696 and donations totaling \$38,305 for the cost of materials to meet the matching fund requirement for this project.

Background:	Total Project	\$ 254,000
	19-G095 (This Action)	\$ 50,000 – (Match)
	Local Cost	\$ 204,000

Remarks:

1. The grant agreement has been revised as follows: *Paragraph 16. Indemnification*. To the extent permitted by law (including Courts and Judicial Proceedings Article, §5-301 et seq. the Local Government Tort Claims Act; Article §25A, 1A; and Courts and Judicial Proceedings Article, §5-509; Annotated Code of Maryland, as amended from time to time), and subject to the availability of appropriations, Grantee...
2. This action is in accordance with the enabling legislation and complies with the tax-exempt bond provisions of the Internal Revenue Code.
3. The grant recipient shall consult with the Maryland Historical Trust pursuant to §5A-325 to 328, State Finance and Procurement Article, Annotated Code of Maryland, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.
4. Procurement/Contracts should be submitted to the Department of General Services for eligibility determination.

27-S. SERVICES CONTRACT (*cont'd*)

Agency Remarks (cont'd):

The Comptroller of Maryland, Compliance Division, Unclaimed Property Unit, is responsible for the administration of the Maryland Uniform Disposition of Abandoned Property Act. The law is custodial in nature and requires that the Comptroller take possession of the unclaimed property and attempt to locate the rightful owners.

Stock certificates are classified as unclaimed when the owner has not claimed it or corresponded in writing with the business association concerning it within three years after the date prescribed for payment or delivery. At that time, the property is presumed abandoned. This results in a large number of small stocks that must be sold.

This contract creates a large number of transactions, but each transaction consists of only a few shares of stock to be sold. Most firms do not have the capacity to handle the research to determine if the company is still in existence and the stock is still being traded. Much time and effort can be invested in the research, to find out in the end that there is no market for the stock. This causes significant expense with no guaranteed payment of commission. While we do believe a Minority Business Enterprise (MBE) or a Veteran-Owned Business Enterprise (VSBE) who provides these services could serve as a prime contractor on this contract, experience has shown that it is not feasible for an MBE or VSBE to serve as a subcontractor. PRG determined that no MBE, subgoals or VSBE goal be set for the contract.

28-S

SERVICES CONTRACT

***RETROACTIVE Department of Human Services, Social Services
Administration Foster Care Maintenance Payments Program***

Contract ID: Out-of-State Residential Child Care Services; SSA/ OOS-21-007
ADPICS No.: N00B1600357

Contract Description: RETROACTIVE approval to provide funds to cover the residential placement for psychiatric diagnosed youth who meet medical necessity until Maryland Medical Assistance (MA) payments begin. It will also provide continuation of care for two youth currently placed with the provider in out-of-state placement with various diagnoses to include Mood Disorder, Autism Spectrum Disorder, Moderate Intellectual Disabilities, Bipolar Disorder, and Post-Traumatic Stress Disorder.

Award: The Whitney Academy, Inc.; East Freetown, MA

Contract Term: 01/05/2021 – 01/04/2022 (w/one 1-year renewal option)

Amount: \$ 14,617 (Base, **Retroactive**, 3-months and 3-days)
\$ 41,543 (Base, **Proactive**, 8-months and 28-days)
\$ 56,160 (Renewal Option #1)
\$112,320 Total

Procurement Method: Sole Source (Continuity of Care)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A **Incumbents:** Same

Requesting Agency Remarks: This retroactive, sole source contract provides for the residential placement of youths with psychiatric diagnoses, who meet medical necessity until the Maryland Medical Assistance payments begin. Due to the reduction of normal business activities caused by the COVID-19 pandemic further resulting in administrative challenges; the process of obtaining various approvals and required signatures was not completed until recently.

The contract also provides continuation of care for two youth currently placed with the provider in out-of-state placement with various diagnoses to include Mood Disorder, Autism Spectrum Disorder, Moderate Intellectual Disabilities, Bipolar Disorder, and Post-Traumatic Stress Disorder. Both youths have been with The Whitney Academy for approximately one year and nine months.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021**

28-S. SERVICES CONTRACT (*cont'd*)

Agency Remarks (cont'd):

The Maryland State Department of Education is responsible for setting rates for facilities that serve Maryland youth which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services, Nonpublic Special Education Section provides oversight for this work. COMAR 14.31.01 sets forth the guidelines for Out-of-State placement of Maryland youth. Rates are set for facilities that provide private residential and nonpublic education services to youth aligned with the specific needs of the placed youth.

Maryland rates are set to ensure equal rates are paid for equal services; regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions. MSDE publishes the Cost Approval Process for Out-of-State Residential Providers and Individual Placements annually. These rates have been determined to be fair and reasonable.

It is in the best interest of the State to approve this retroactive Sole Source contract to continue to deliver the support and services that this contract provides.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021**

29-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Prometric LLC was ranked number one both technically and financially; although PearsonVUE can provide the services under the contract, their financial proposal was higher by \$35,000. Technical and financial factors were given equal weight in the overall determination.

This contract includes a \$100,000 contingency allocation for fees paid above the \$1,680,000 estimated award amount. The contract amount is an estimate (from historical Continuing Education and Continuing Education (CE) services), this contract is paid by the CE providers for the Continuing Education Course Approval, Renewals and Roster upload.

The Maryland Insurance Administration (MIA) is the state agency that regulates the insurance industry. Maryland law requires that individuals who act as insurance producers, public adjusters, Small Business Health Options Program (SHOP) Exchange Navigators, or SHOP Exchange Enrollment Permittees (Permittees) authorized to assist the SHOP Exchange receive continuing education (CE) as a condition of renewing or reinstating a license. CE is also required of certain nonresident title producers and public adjusters from nonreciprocal states. Annotated Code of Maryland, Insurance Article (Ins. Art.) §§ 10-116, 10-307 and 10-408. Code of Maryland Regulations (COMAR) 31.03.02.03 (Insurance Producers), 31.03.18 (Public Adjusters), 31.03.16.08 (SHOP Navigators), and 31.03.17.08 (Permittees). The MIA is authorized to contract with a vendor for licensing-related services, including the review and audit of courses, and banking and reporting of CE credits. Ins. Art. § 2-104(j). The vendor will assist the MIA with course review and auditing, as well as the banking and reporting of CE credits for licensed individuals.

SERVICES CONTRACT

RETROACTIVE - Social Services Administration, Local Department of Social Services Operations/Residential Child Care Maintenance Payment Program

Contract ID: Residential Child Care Services; SSA/RCCSS-21-004
 ADPICS No.: N00B1600071

Contract Description: **RETROACTIVE** approval for Residential Child Care (RCC) services for one youth diagnosed with Disruptive Behavior Mood Disorder, ADHD, Moderate Intellectual Disability, Sickle Cell Traits, Intermittent Asthma, and Anxiety with symptoms of paranoia.

Award: Quantum Leap, Inc.; Owings Mills, MD

Contract Term: 10/01/2020 - 06/30/2021

Amount: \$ 98,490 (**Retroactive**)
\$ 43,773 (**Proactive**)
 \$142,263 Total

Procurement Method: Sole Source (Continuity of Care)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: An administrative error at the Department resulted in a delay in the completion of contract negotiations with the provider.

The Maryland State Department of Health's Developmental Disabilities Administration (DDA) is the sole agency of the State responsible for setting rates for the DDA program services contracts to ensure that equal rates are paid for equal services regardless of the location of the facility. This is a not-to-exceed per diem contract where the provider is paid solely per child, per day. As such, DHS will not be charged for any unused capacity.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021

30-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Residential Child Care programs are defined in COMAR 14.31.02.03B(13) as “a program of care provided in a residential setting by a provider on a 24-hour basis for longer than 24 hours to a child or children unless otherwise provided by State law.” COMAR 14.31.06.01 articulates the standards that must be met and maintained by Residential Child Care programs for children and youth. These requirements are designed to protect the health, safety, and well-being of children placed in Residential Child Care programs.

According to the State Finance and Procurement Article Section 13-107 and COMAR 21.05.05.02A (Sole Source Contracts); in order to provide continuity of human or social services care to current clients, the procurement officer shall, before the contract with the current provider expires, attempt to negotiate a sole source contract with the current provider. Based on an assessment by a licensed or certified health practitioner, the head of a funding unit determines that a change in the human or social services provider would have a detrimental impact on those clients currently being served by the provider. The licensed or certified health practitioner shall be a psychologist, social worker, physician, nurse, or qualified developmental disabilities professional, as defined in COMAR 10.22.02.11A.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

31-S.

SERVICES CONTRACT

***RETROACTIVE - Department of Human Services, Social Services
Administration, Local Department of Social Services Operations, Residential
Child Care Maintenance Payment Program***

Contract ID: Residential Child Care Services; *See Attachment 1*
ADPICS No.: *See Attachment 1*

Contract Description: **RETROACTIVE** approval to provide residential childcare services through 31 separate contracts for approximately 578 clients currently placed at various locations throughout the State.

Awards: *See Attachment 1*

Contract Term: 07/01/2020 - 06/30/2022 (w/one 2-year renewal option)

Amount: \$ 57,268,296 (Base, **Retroactive**, 9-months)
\$ 99,307,943 (Base, Proactive, **1-year, 3-months**)
\$ 78,635,388 (Renewal Option #1, 2-years)
\$235,211,627 Total

Procurement Method: Sole Source (Continuity of Care)

Living Wage Eligible: Yes

MBE/VSBE Participation: *See Attachment I*

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: These contracts are retroactive because all these providers were under contract with the Department prior to July 1, 2020, when their prior contracts lapsed; the providers have continued to provide residential childcare services while the department worked to restore these contracts. The contract lapse resulted from administrative challenges associated with the pandemic and the concurrent disruption of business processes.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021

REVISED

31-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Restoration of these contracts was further delayed by a subsequent decision by the Department to withdraw the pending Request for Proposals for new Residential Child Care service contracts in Fall 2020, which required further revision, including having to re-create all new contract documents for the current providers, with additional delays in processing. The process of obtaining various approvals and required signatures was only recently completed.

This is a not-to-exceed per diem contract, the provider is paid solely per child, per day and DHS will not be charged for any unused capacity.

The Department utilizes RCC Programs for those children whose needs cannot be met in a family based foster care setting. The RCC services in Maryland are provided through five Program categories: Developmentally disabled Programs; Diagnostic Evaluation and Treatment Programs, Group Homes, High Intensity Group Home, and Medically Fragile.

The facilities are located throughout the State and serve foster care children under the care of the Department. It is in the best interest of the children and the State not to disrupt the current placement or change the existing provider for these youth.

The services of each contractor will be used at the sole discretion of DHS. DHS makes no guarantee as to the number of children/youths to be placed with any contractor. These are purchase of care contracts paid on a fee for service basis for the actual children/youth placed in a contractor's care, and then only for the actual number of days each child is with the contractor.

The proposed price for these contracts is fair and reasonable because the prices are set by Maryland State Department of Education (MSDE), Interagency Rates Committee (IRC), using the same established methodology in price setting for all In-State providers.

Residential Child Care programs are defined in COMAR 14.31.02.03B(13) as "a program of care provided in a residential setting by a provider on a 24-hour basis for longer than 24 hours to a child or children unless otherwise provided by State law." COMAR 14.31.06.01 articulates the standards that must be met and maintained by Residential Child Care programs for children and youth. These requirements are designed to protect the health, safety, and well-being of children placed in Residential Child Care programs.

According to the State Finance and Procurement Article §13-107 and COMAR 21.05.05.02A (Sole Source Contracts); in order to provide continuity of human or social services care to current clients, the procurement officer shall, before the contract with the current provider expires, attempt to negotiate a sole source contract with the current provider.

32-S-OPT. SERVICES OPTION

RETROACTIVE - Department of Human Services, Local Department of Social Services Operations Residential Child Care Maintenance Payments Program

Contract ID: Out-of-State Residential Child Care Services; SSA/OOS-20-006-A1
 ADPICS No.: N00B1600296

Contract Approved: DGS 3-S, 10/30/2019

Contractor: Laurel Oaks Behavioral Health Center, Inc.; Dothan, AL

Contract Description: Out-of-state placement services for a youth currently in placement with this provider who exhibits aggressive and assaultive behaviors.

Option Description: **RETROACTIVE** approval to exercise the final one-year renewal option.

Original Contract Term: 12/01/2019 - 11/30/2020 (w/one 1-year renewal option)

Option Term: 12/01/2020 - 11/30/2021

Original Contract Amount: \$155,125

Option Amount: \$ 90,490 (Retroactive)
 \$ 64,635 (Proactive)
 \$155,125 Total

Total Contract Amount: \$310,250

Prior Mods/Options: N/A

Percent +/- (This Item): 100%

Total Percent Change: 100%

Original Procurement Method: Sole Source (Continuity of Care)

MBE/VSBE Participation: N/A / N/A

MBE/VSBE Compliance: N/A / N/A

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021

32-S-OPT. SERVICES OPTION (cont'd)

Requesting Agency Remarks: The circumstances that contributed to this item being retroactive was the reduction of normal business activities due to the Covid-19 pandemic and other administrative challenges which delayed the process of finalizing this contract with the vendor, which was not completed until recently. A letter of intent to exercise the final option was sent to the vendor on September 4, 2020 prior to the expiration of the contract.

Prior to placing any youth with an out-of-state provider, the Local Department of Social Services (LDSS) is required to exhaust all in-state placement options and document all efforts to do so.

The youth was referred to several Maryland based RTCs for placement and was denied. LDSS looked at several out of state placement options. It was determined by the LDSS that the Laurel Oaks Behavioral Health Center, Inc. was the most appropriate placement as they provide treatment services for youth with severe psychiatric disorders, including those with additional challenges such as mild or moderate mental retardation or other cognitive delay, abuse and/or neglect victimization, substance abuse problems, and/or high-risk behaviors (i.e., suicidal/ self-harming, assaultive, running away, etc.).

This is a reimbursement not-to-exceed per diem contract where the provider is paid solely for the actual number of children placed with the provider during the year and then only for the actual number of days the children are with the provider. As such, DHS will not be charged for any unused capacity. The award amount for this contract is based upon the current youth in the program and the dates in which they age-out of the program. Additionally, the contract covers the potential for other youth to enter or exit the program during the term.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions. The Maryland State Department of Education (MSDE) publishes the Cost Approval Process for Out-of-State Residential Providers and Individual Placements annually.

For Out-of-State providers that have a government rate set by the home state, the provider is required to file a copy of the official letter from the home state or local agency which has approved the per diem and related service rate(s). Prior to approval, the MSDE will consider the home state government established rate. The MSDE does not guarantee that negotiated rates approved by other states will automatically be accepted for Maryland youth. Additional documentation may be required. Medical Assistance rates from the home state are considered government assigned rates and will be considered for the residential per diem rate. These rates have been determined to be fair and reasonable.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021**

32-S-OPT. SERVICES OPTION (cont'd)

Agency Remarks (cont'd):

Residential Child Care programs are defined in COMAR 14.31.02.03B(13) as “a program of care provided in a residential setting by a provider on a 24-hour basis for longer than 24 hours to a child or children unless otherwise provided by State law.” COMAR 14.31.06.01 articulates the standards that must be met and maintained by residential childcare programs for children and youth. These requirements are designed to protect the health, safety, and well-being of children placed in residential childcare programs.

According to the State Finance and Procurement Article §13-107 and COMAR 21.05.12.06C (Sole Source Contracts): in order to provide continuity of human or social services care to current third-party clients, the procurement officer shall, before the contract with the current provider expires, attempt to negotiate a sole source contract with the current provider if:

“(b) Based on an assessment by a licensed or certified health practitioner, the head of a funding unit determines that a change in the human or social services provider would have a detrimental impact on those clients currently being served by the provider. The licensed or certified health practitioner shall be a psychologist, social worker, physician, nurse, or qualified developmental disabilities professional, as defined in COMAR 10.22.03.01B(25).”

No MBE participation goal was established for this contract because the services are being provided at a facility located outside the State of Maryland.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

33-S-OPT/MOD. SERVICES OPTION/MODIFICATION

Department of Health, Developmental Disabilities Administration

Contract ID: Level of Need Assessments; *OPASS-17-15929*

ADPICS No.: M00B1600352

Contract Approved: DBM 4-S, 04/26/2017

Contractor: Telligen, Inc.; Des Moines, Iowa

Contract Description: Conduct Level of Need Assessments (LNA) Statewide that will be used to determine an appropriate level of individual reimbursement to people who utilize services funded by the Developmental Disabilities Administration (DDA).

Option Description: Exercise the third and final renewal option.

Modification Description: Increase funds for services through the end of the contract term.

Original Contract Term: 05/15/2017 - 05/14/2019 (w/three 1-year renewal options)

Option Term: 05/15/2021 - 05/14/2022

Modification Term: 04/22/2021* - 05/14/2022 (*or earlier upon BPW approval)

Original Contract Amount: \$2,779,500

Option Amount: \$1,508,500 (1-year)

Modification Amount: \$ 500,000 (1-year, 1-month)

Total Contract Amount: \$4,788,000

Prior Mods/Options: \$ 0 (Renewal Option #1: Delegated Authority, MDH 05/08/2019)

\$ 0 (Renewal Option #2: Delegated Authority, MDH 04/30/2020)

Percent +/- (This Item): 72.26%

Total Percent Change: 72.26%

Original Procurement Method: Competitive Sealed Proposals

33-S-OPT/MOD. SERVICES OPTION/MODIFICATION (cont'd)

MBE/VSBE Participation: 5% / N/A

MBE/VSBE Compliance: 7.7% / N/A

Requesting Agency Remarks: Based on the number of assessments completed to date and the number of assessments still required, the remaining balance left on the contract will not cover the entire performance period. When the agency exercised the option in May 2020, there were funds remaining from the previous contract years due to spending less than originally anticipated and these remaining funds were believed to be sufficient. During the past 10 months, the Developmental Disabilities Administration (DDA) worked with the vendor to improve their performance resulting in the increase in the number of assessments conducted. This caused more than anticipated spending but improved the quality of the service.

The Individual Indicator Rating Scale (IIRS) Level of Need Assessments for individuals who are newly deemed eligible for or entering services covered under the Fee Payment Systems, and the Supports Intensity Scale (SIS) for those who are already in DDA services. The services provided are to conduct level-of-need assessments which will be used to determine an appropriate level of individual reimbursement to people who utilize services funded by the Developmental Disabilities Administration (DDA) on a statewide basis.

Disruption in the services to people with Developmental Disabilities would be detrimental to the individuals, families and providers not having access to this critical step used to determine an appropriate level of individual reimbursement to the people who utilize services funded by the Developmental Disabilities Administration (DDA). DDA is in the process of developing a competitive sealed proposal with an estimated award date of a new contract prior to the end of this remaining contract option period.

34-S-MOD. SERVICES MODIFICATION

RETROACTIVE - Department of Human Services, Social Services Administration, Foster Care Maintenance Payments Program

Contract ID: Residential Child Care Services; *See Attachment I*
ADPICS No.: *See Attachment I*

Contract Approved: DBM 8-S, 06/12/2013 (2 providers)
DBM 4-S, 09/18/2013 (1 provider)
DBM 7-S, 6-S, and 10-S; 06/05/2019 (3 providers)

Contractors: *See Attachment I*

Contract Description: Residential Child Care (RCC) services for a total of 760 clients at various locations throughout Maryland through 44 separate RCC contracts. Includes services for four youth who have intellectual and developmental disabilities, five youth who have intellectual and developmental disabilities, eight youth diagnosed with Bipolar Disorder, ADHD, Autism, Anxiety Disorder, Sleep Disorder, Eating Disorder, Moderate MR, and Borderline Intellectual Functioning and 62 medically fragile (MF) clients.

Modification Description: RETROACTIVE approval to add funds to six contracts due to increased rates by the Inter-agency Rate Committee for the five remaining months of the contract term. The modifications also incorporate information regarding recent changes to the Departments practice principles, such as Integrated Practice Model for Child Welfare and Adult Services, data sharing, and non-disclosure agreements.

Original Contract Term: 07/01/2013-06/30/2016 (w/two 1-year options for 3 providers)
07/01/2019-06/30/2020 (for 3 providers)

Modification Term: 02/01/2020-06/30/2020

Original Contract Amount: \$31,608,655 (5-months) (*See Attachment I*)

Modification Amount: \$ 6,796,796 (Retroactive) (5 Months) (*See Attachment I*)

Prior Options/Mods: \$43,359,218 (*See Attachment II*)

Revised Contract Amount: \$81,764,669 (*See Attachment I*)

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
April 7, 2021**

REVISED

34-S-MOD. SERVICES MODIFICATION (cont'd)

Percent +/- Change: 22%

Overall Percent +/-: 94%

Original Procurement Method: Competitive Sealed Proposals (for 3 contracts)
Sole Source (for 3 contracts)

MBE/VSBE Participation: 5% (for one contractor) / N/A

MBE/VSBE Compliance: 4.61% / N/A

Requesting Agency Remarks: The primary circumstances that contributed to these modifications being retroactive is an approved increase in the providers' rates by the IRC which resulted in additional funds being needed to cover budget cost through the term of the contract. Initially, the procurement plan was to extend the term of the RCC contracts and add funding for 6 providers, due to the approved IRC rate increases. During the procurement process the Department was instructed to only process modifications to add the additional necessary funding. This change was attributed to the delays in processing these modifications. Providers receive new rates annually. However, Providers have the option of requesting reconsiderations of the rates approved by the IRC. If reconsiderations are approved, the provider is granted a new rate.

RCC programs are defined in COMAR 14.31.02.03B(13) as "a program of care provided in a residential setting by a provider on a 24-hour basis for longer than 24 hours to a child or children unless otherwise provided by State law." These contracts provide services to children whose needs cannot be met in a family based foster care setting. The RCC services in Maryland for these six (6) contracts are provided through the following program categories: Developmentally Disabled Programs, Diagnostic Evaluation and Treatment Programs, Medically Fragile, Group Homes and High Intensity Group Home Programs, which includes Therapeutic Group Homes. The facilities are located throughout the State and serve foster care children under the care of the Department. It is in the best interest of the children and the State not to disrupt the current placement or change the existing providers for these youth.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

35-IT.

INFORMATION TECHNOLOGY CONTRACT (cont'd)

Requesting Agency Remarks: A notice of availability of an Invitation for Bids (IFB) was posted on eMaryland Marketplace Advantage.com and the agency's website on October 1, 2020. The RFP was sent directly to 11 vendors, two were MBEs, and it was also sent to the Governor's Office of Minority Affairs. Two proposals were received, both were determined to be reasonably susceptible of being selected for award. IGT Global Solutions Corporation's proposal was ranked first technically and first financially and was determined to be overall the more advantageous to the State and is recommended for award.

There are presently only three companies supplying central monitor and control systems to lotteries in North America. Both proposals received were from companies with extensive business throughout North America. The third company has only a single known customer and although it was directly solicited it chose not to submit a proposal.

36-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION
RETROACTIVE - Department of Information Technology

Contract ID: Call/Contact Center Services 2015; 060B5400014
ADPICS No.: COJ10178

Contract Approved: DoIT 2-IT, 12/02/2015

Contractor: CMD Investment Group, Inc.; Baltimore, MD

Contract Description: General call center/contact center services for various State agencies.

Modification Description: RETROACTIVE approval for increased contract authority for the remainder of the current renewal option.

Original Contract Term: 01/01/2016 - 12/31/2020 (w/two 1-year options and one 6-month option)

Modification Term: 01/01/2021 - 12/31/2021

Original Contract Amount: \$3,500,000

Modification Amount: \$ 6,570.37 (Retroactive)
\$1,086,874.11 (Proactive)
\$1,093,444.48 (Total)

Prior Options/Mods:

\$	0 (Mod. #1: Add two elements for SHA's Task Order; Delegated Authority, DoIT 01/29/2018)
\$	0 (Mod. #2: Novation filed; Delegated Authority, DoIT 03/05/2018)
\$	0 (Mod. #3: Updated contractor information; Delegated Authority, DoIT 06/12/2018)
\$	0 (Mod. #4, Transfer of email inquiries; Delegated Authority, DoIT 08/27/2020)
\$	909,948 (Mod. #5: Increase NTE amount; DGS 29-IT-OPT/MOD, 11/18/2020)
\$	1,000,000 (Option #2: ; DGS 29-IT-OPT/MOD, 11/18/2020)

Total Contract Amount: \$6,502,992.82

Percent +/- (This Item): 20.21%

Total Percent Change: 85.81%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 10% / N/A

MBE/VSBE Compliance: 21.87% / N/A

Requesting Agency Remarks: Due to the presidential election and pandemic The State Board of Elections (SBE) spent more money than anticipated. SBE does not anticipate having a large work order again until the 2022 election cycle.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to §11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

39-IT. INFORMATION TECHNOLOGY CONTRACT

Recommendation: That the Board of Public Works approve the following Task Orders/Purchase Orders under a previously approved Master Contract.

Authority: State Finance and Procurement Article
 Annotated Code of Maryland, § 13-113; COMAR 21.05.13.06.

Procurement Method: Task Order/Purchase Order under Master Contract

1.0 Master Contract: *Consulting and Technical Services Plus (CATS+)*

Contract No.: 060B2490023

Approved: DoIT 3-IT, 04/03/2013

Term: 04/22/2013 - 04/21/2028

***As of publication, the remaining balance of this master contract is \$420,166,070.*

1.1 Using Agency: MDOT State Highway Administration (MDOT SHA)

Description: Provide two Computer Programmers (Senior) as Key Personnel to provide and support new development and maintenance of the current portfolio of custom computer applications supporting engineering data, and processes. In addition, the resources will support Traffic Engineering Design Division's (TEDD) efforts, including the organization and tracking and storage of project data, technical drawings, documentation, and correspondence; *J02B8400047*

Award: Serigor, Inc.; Baltimore MD (*MBE, SBE*)

39-IT. INFORMATION TECHNOLOGY CONTRACT

1.0 Master Contract: *Consulting and Technical Services Plus (CATS+)*

1.2 Using Agency: Maryland Department of Human Services (DHS)

Description: Multiple award Task Order to provide DHS with the ability to procure agile development resources and scrum teams with required professional expertise and skills to build and support the MD THINK platform, infrastructure, and program applications, including the new child welfare, benefits eligibility, and child support systems; create and support various data repositories, reports and dashboards; and perform other support activities related to data conversion and integration with MD THINK and other external systems; *COI10979*

Option/Mod. Description: Increase the NTE amount and exercise the first renewal option. The previous increase of the NTE amount for this contract covered only the remaining period of the base term of the contract; the NTE amounts for the option periods were not adjusted at that time, as the need was not known at that time. The current item is exercising the first option, with a concurrent adjustment to the NTE consistent with the current project budget and needs. The adjusted NTE for this first option year is equivalent to the activity level supported by the prior NTE increase.

LANDLORD LEASE

Department of Natural Resources Land and Property Management

Recommendation: That the Board of Public Works accept DNR's Report of Delegated Leases concerning current leases of State-owned dwelling houses, outbuildings, and agriculture lands that are located on State parks, forests, wildlife management areas, and other DNR-managed properties; and for hunting leases on Chesapeake Forest Lands.

Authority: BPW Advisory 2006-2, revised 1-8-2020 (citing State Finance and Procurement Article, §10-305, Annotated Code of Maryland).

Summary: This report lists each property that DNR had leased under its delegated authority from the Board of Public Works for Fiscal Year 2020. The next report will be submitted to the Board of Public Works within 90 days following June 30, 2021.

The 444 leased properties are located throughout the state and include 12,605.66 acres of crop and grazing land, and 37,182 acres for Chesapeake Forest Lands hunt club leases, producing annual revenues of \$2,703,826.60*.

The various types of leased properties under delegated authority are comprised of: 87 croplands; 16 grazing lands; 21 dwellings; 17 outbuildings; 83 operational employees' dwellings; and 220 hunt club leases.

* Revenue generated from Maryland Forest and Park Service properties is deposited in the State Forest and Park Reserve Fund. Revenue generated from the Wildlife and Heritage Unit properties is deposited in the Wildlife Management and Protection Fund.

LANDLORD LEASE

RETROACTIVE Department of Natural Resources

Recommendation: RETROACTIVE approval of a short-term lease.

Background: The Tenant was the existing tenant under a 41-acre agricultural lease that expired 12/31/2019 and was not renewed. This lease is for the purposes of providing out-buildings for the storage of farm equipment and to permit a mobile home (owned by the Tenant and located on the premises) to house a caretaker to provide security for the equipment and assist the Tenant in disposing of the equipment. The delegated authority under BPW Advisory 2006-2 does not cover mobile homes placed by tenants, which is why approval for a new lease is being requested. The Tenant will be required to remove the mobile home at their expense at the termination of the Lease.

Tenant: William Foulke

Property Location: North Point State Park consisting of 2.85 acres w/out-building and Tenant-owned mobile home.

Space Type: Land

Lease Type: New (RETROACTIVE)

Term: 07/01/2020 - 12/31/2021

Annual Rent: \$500 for the full term of the Lease

Termination for Convenience Clause: No

Procurement Method: Sole Source

Remarks: The Tenant was the existing tenant under a 41-acre agricultural lease that expired 12/31/2019 and was not renewed. This lease is for the purposes of providing temporary storage of farm equipment in outbuildings owned by the State and temporary housing (mobile home) for the tenant's caretaker to secure the property while relocation of the remaining farm equipment is pursued.

42-GM. GENERAL OBLIGATION BOND PROCEEDS

Recommendation: That the Board of Public Works approve use of general obligation bond proceeds for the following contract.

Authority: §8-301, State Finance & Procurement Article, Annotated Code of Maryland

1.0 Agency: Department of General Services

Fund Source: MCCBL 2020 *Provide funds to design and construct architectural upgrades at state-owned facilities to improve accessibility for persons with disabilities.* Item 101

1.1 Contract ID: HSMC-State House ADA Bathroom; SM-855-210-001

Description: Complete design package to replace the existing bathroom facilities at the Historic St. Mary's City State House in St. Mary's City. A new bathroom facility will be constructed complying with all ADA and Maryland Access Code requirements. A new path will be constructed from the State House to connect with the new facility and due to an elevation difference, a retaining wall will be constructed

Procurement Method: Qualification Based Selection

Award: Noelker & Hull Associates, Inc.; Frederick, MD

Amount: \$40,000

Resident Business: Yes

Remarks: The above amount shown will allow the start of design and the remaining fund (\$25,651.84) will be encumbered using FY22 funds. DGS will return to BPW once funds are available. Approval is requested for all phases of Design, \$65,651.84. However, due to limited funding at this time, the initial encumbrance will be for Schematics, Design Development, 50% of Construction Documents, and Bidding Phase, \$37,425.07. DGS will return to the Board for approval of the additional capital funding for the remaining phases when those funds are authorized.

43-IT. INFORMATION TECHNOLOGY CONTRACT
Department of Planning

Contract ID: MD Military Community Compatibility Website and Handbook Development;
MDP-001 ADPICS No.: D40B1600001

Contract Description: Website and handbook development for the Military working alongside the Department of Commerce. The compatible use website and handbook will be developed for the audiences of military installation, jurisdictional (county and municipal), state agency, community, and organizational representatives, staff, and leaders. It will be designed to promote and provide resources, data, examples, model processes, and best practices for how these audiences can collaborate to ensure that land use, economic, and community development benefit jurisdictions and maintain the mission readiness of Maryland's military installations. This collaboration will protect and enhance the vital economic benefits that military installations provide to the state and its communities.

Award: Spillman Consulting, Inc.; Olney, MD

Contract Term: 04/21/2021* - 04/20/2022 (w/one 1-year renewal option)
*(*or earlier upon BPW approval)*

Amount: \$299,875 (Base, 1-year)
 \$ 0 (Renewal Option #1, 1-year)
 \$299,875 Total

Procurement Method: Request for Proposals

Proposals:

<i>Offerors</i>	<i>Technical Rankings</i>	<i>Financial Offers/ Rankings</i>	<i>Overall Rankings</i>
Spillman Consulting, Inc. Olney, MD	1	\$299,875 (Base) \$ 0 (Option) \$299,875 Total / 2	1

43-IT. INFORMATION TECHNOLOGY CONTRACT (cont'd)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent: N/A

Requesting Agency Remarks: A notice of availability of a Request for Proposals (RFP) was posted on the eMaryland Marketplace Advantage on September 1, 2020. Proposals were due on October 2, 2020 and three proposals were received. Three proposals were received and determined to be reasonably susceptible of award.

After careful consideration and review of both the technical and financial proposals, the Maryland Department of Planning Procurement Director, along with the evaluation committee, determined that Spillman Consulting Inc. provided the most technically sound proposal containing the most military-specific experience. They presented their proposal most effectively, demonstrating a great understanding of the project and the ability to provide all services as explained in the Request for Proposals. Spillman Consulting, Inc. provided the 2nd lowest cost proposal and is recommended for award of this contract. The offer has been confirmed.

This grant is being awarded and has requested the Maryland Department of Planning on assisting with this portion of the grant.
