**Authority:** "Cost-Sharing-Water Pollution Control,” §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

**Remarks:** The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.
2. BONDS

**Recommendation:** The Treasurer recommends that the Board of Public Works adopt resolutions concerning the sale of State of Maryland General Obligation Bonds in book entry form for the purpose of funding the State’s capital program; making certain determinations regarding the consolidation of loans, the methods of sale, and the structure of the Bonds; authorizing the publication of the required Summary Notices of Bond Sale; and obligating the State of Maryland to provide continuing disclosure as required under applicable securities regulations and to comply with applicable provisions of the Internal Revenue Code. The total that will be offered for sale is up to $1,250,000,000* of new money bonds, issued in one or more series, for the capital program.

**Denomination:** $5,000 per bond, or integral multiples thereof

**Maturities:** To be determined by the Treasurer, not to exceed 15 years.

**Title:** State and Local Facilities Loan of 2022, First Series

**Amount and Form:** As determined by the Treasurer, to include:

- First Series A – up to $1,100,000,000* Tax-Exempt Bonds (Competitive in three bidding groups) for the Capital Program (“Series A Bonds”).

- First Series B – up to $150,000,000* Taxable Bonds (Competitive) for the Capital Program (“Series B Bonds” and together with the Series A Bonds, the “New Money Bonds”).

**Methods and Dates of Sale:**

- **2022 First Series A (Tax-Exempt)** – Public Competitive Sale of up to $1,100,000,000*, in maturities and amounts to be determined by the Treasurer, on Wednesday, June 8, 2022 by electronic bid and subject to the approval of the Board. Provided, however, depending upon market conditions and at the discretion of the Treasurer, the sale of the Series A Bonds may instead be offered for sale at a date and time to be determined by the Treasurer, subject to approval by the Board at that time.

- **2022 First Series B (Taxable)** – Public Competitive Sale of up to $150,000,000*, in maturities and amounts to be determined by the Treasurer, on Wednesday, June 8, 2022 by electronic bid and subject to the approval of the Board. Provided, however, depending upon market conditions and at the discretion of the Treasurer, the sale of the Series B Bonds may instead be offered for sale at a date and time to be determined by the Treasurer, subject to approval by the Board at that time.
2. **BONDS** (cont’d)

*Settlement:* On or about June 22, 2022

*Use of Proceeds:* Various State loans and installments, combined and consolidated.

*Notices of Bond Sale:* Summary notices of sale for bonds sold on a competitive basis shall be published in the *Bond Buyer* on a date to be determined by the Treasurer not later than that required by Section 8-123 of the State Finance and Procurement Article of the Annotated Code of Maryland, and in such other electronic and print media as determined appropriate by the Treasurer.

*Remarks:* The date of sale of the New Money Bonds may be postponed at the discretion of the Treasurer in response to market conditions. The method of sale, the size and maturities of any of the Bonds may be adjusted by the Treasurer to respond to prevailing market conditions.

*Preliminary, subject to change*
3. BOARD OF PUBLIC WORKS
Wetlands Licenses

**Recommendation:** The Board of Public Works Wetlands Administrator recommends that the Board grant licenses for projects involving filling and dredging in the navigable waters of Maryland.

**MDE:** The Maryland Department of the Environment concurs with this recommendation.

**Authority:** Section 16-202, Environment Article, Annotated Code of Maryland: “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.

**ANNE ARUNDEL COUNTY**

20-1550 YACHT HAVEN OF ANNAPOLIS, LLC – To improve navigation by mechanically dredging two new areas and allowing for six years of periodic maintenance dredging.

Annapolis, Spa Creek

Special conditions: Requirements for transport of dredge material, disposal of dredge material, staking of dredged area, post dredge bathymetric survey, and maintenance dredging.

**CALVERT COUNTY**

21-0698 PLUM POINT CORPORATION – To maintain an existing beach through nourishment and to reduce shoreline erosion by depositing clean sand.

Huntingtown, Chesapeake Bay

Special conditions: Time of year restriction. Requirements for notifying the Maryland Department of the Environment, Water and Science Administration, turbidity curtain, compliance with County Soil Erosion and Sediment Control Plan and Calvert County Department of Planning and Zoning, clean substrate fill material, and clean fill.

**THIS ITEM WAS:**

APPROVED DISAPPROVED DEFERRED WITHDRAWN WITHOUT DISCUSSION

WITH DISCUSSION
4. BOARD OF PUBLIC WORKS

Wetlands License - #21-1460 – Leonard Urban

Compensation

Recommendation: The Board of Public Works’ Wetlands Administrator recommends the Board: (1) grant a wetlands license for a project involving construction of a stone revetment; (2) assess annual compensation of $150 to be deposited into the MDE Wetlands and Waterways Program Fund; and (3) ratify Emergency License 21-1460EX issued on December 21, 2021 for this work.

MDE: The Department of the Environment concurs with this recommendation.

- Application received: January 12, 2022
- Comment period closed: April 1, 2022
- MDE Report and Recommendation received: April 20, 2022

Authority: Section 16-202, Environment Article, Annotated Code of Maryland. “The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.” See also COMAR 23.02.04.01.C. and COMAR 23.02.04.12.E.

Compensation: This license contains a recommendation that the Board assess compensation. The licensee seeks to construct 50 feet of stone revetment with 87 square feet of new impact to shallow water habitat. The Wetlands Administrator recommends annual compensation of $150 calculated as follows:

87 square feet x $1.72 per square foot of tidal wetland impact = $150.

ANNE ARUNDEL COUNTY

21-1460 LEONARD URBAN – To reduce shoreline erosion by constructing 50 linear feet of stone revetment.

Pasadena, Chesapeake Bay

Special conditions: Requirements for design and construction of the stone revetment, and payment of annual compensation. Restrictions on use of asphalt rubble.

5. **BOARD OF PUBLIC WORKS**  
**Wetlands License - #19-1083(R2) – Bay Ridge Civic Association**  
**Modification**

**Recommendation:** The Board of Public Works Wetlands Administrator recommends the Board approve a modification to Tidal Wetlands License 19-1083(R1).

**MDE:** The Department of the Environment concurs with this recommendation.

**Authority:** Title 16, Environment Article, Annotated Code of Maryland; COMAR 23.02.04.17D.

**ANNE ARUNDEL COUNTY**

19-1083(R2) BAY RIDGE CIVIC ASSOCIATION—To nourish a beach and reduce shoreline erosion by filling and grading with sand and expanding an existing stone groin. Annapolis, Chesapeake Bay Special Conditions: Time-of-year restriction. Requirement for clean substrate fill material, turbidity curtain use, and compliance with County Soil Erosion and Sediment Plan.

**Modification:** This proposed modification includes additional filling and grading with sand and expanding an existing groin.

**Original Approval:** Secretary’s Agenda, Item 2 (2/19/2020) in which the Board authorized the Licensee filling and grading with approximately 10,000 cubic yards of sand along 1,400 feet of eroding shoreline to nourish a community beach near Bay Drive, extending a maximum of 66 feet channelward of the mean high-water line.

**Prior Modification:** Secretary’s Agenda, Item 7 (7/1/2020) in which the Board authorized the Licensee adding a second beach nourishment location at community beach near River Drive.

6. ADMINISTRATIVE OFFICE OF THE COURTS

Circuit Court Clerks Salaries

Recommendation: The State Court Administrator recommends that the Board of Public Works increase the salaries for the Clerks of the 24 Circuit Courts effective December 1, 2022.

Authority: Section 2-504(a), Courts and Judicial Proceedings Article, Annotated Code of Maryland

Chapter 188 and 189 of the 2022 Laws of Maryland: “The clerk of each circuit court shall receive an annual salary of not more than [$124,500] $146,500 as set by the Board of Public Works on the basis of the relative volume of business and receipts in the clerk’s office.”

Circuit Court Clerk salaries may increase only every four years upon each election. Maryland Constitution Article III, § 35.

6. **ADMINISTRATIVE OFFICE OF THE COURTS** (cont’d)

**Background:** The Board of Public Works last approved an increase in salaries of the Circuit Court Clerks on November 14, 2018 (Secretary’s Agenda, Item 1). The proposed revisions are offered after a comprehensive review of the volume of business and receipts in each Circuit Court jurisdiction. The goal of the proposed recommendation is to reflect the very high volume of cases and the collection of significant funds, both for the State and local jurisdictions, for which Circuit Court Clerks are responsible, as well as the quality of services provided.

The increase for the elected Clerks will not be provided until December 1, 2022, however, other Judiciary salaries are tied to these increases which normally would be provided by July 1. The General Assembly has funded these increases in the Fiscal Year 2023 budget.

The salary recommendations for each jurisdiction are tiered according to population size and the relative volume of business and receipts per large, medium-large, medium, and small court classifications established by the Comptroller’s Office some time ago. While there are several statutory functions that all Circuit Court Clerks must perform, quantitative differences exist in the volume of their daily work. Larger volumes of workload generally require more staff, thus increasing the managerial responsibility of Circuit Court Clerks in large jurisdictions. Larger jurisdictions also typically have more judges, magistrates, and courtrooms, all of which result in greater clerical workload. Yet, unlike Circuit Court Clerks in larger jurisdictions, Circuit Court Clerks in smaller jurisdictions may have to assume at any time the duties of any position in the office due to staff absences and vacancies.

The Circuit Court Clerks are a critical component, not only of the operation of the Circuit Courts, but of the overall criminal and civil justice systems in Maryland.
7. DEPARTMENT OF INFORMATION TECHNOLOGY
Resource Sharing Agreement, RSA Program

**Recommendation:** The Board of Public Works approve the State amending its resource sharing agreement with Fiberlight LLC to allow an expansion of its fiber optic network within the State right of way by 4,102 linear feet in exchange for one-time monetary compensation to the State. No additional changes to terms or conditions of the agreement.

**Authority:**
Section 3A-307, State Finance & Procurement Article, Annotated Code of Maryland

**Original Approval:**
DoIT Item, 1-GM (4/6/2011)

**Prior Modifications:**
DoIT Item, 1-GM (8/14/2019)
DoIT Item, 8-SA (3/24/2021)

**Contractor:**
Fiberlight, LLC, Alpharetta, GA (Local office Greenbelt, MD)

**Property:**
I-195, US 29, US 1, Selford Rd, MD 198,193,175,100

**Original Contract Term:**
04/07/2011 – 04/06/2031

**Amendment Term:**
05/11/2022 – 04/06/2031

**Original Value:**
$ 1,157,000.00

**Option Years Value:**
$ 1,622,500.00

**Amendment #1 Value:**
$ 468,846.65

**Amendment #2 Value:**
$ 98,280.00

**Amendment #3 Value (this Item):**
$ 137,962.00

**Total Value:**
$ 3,484,588.65

**Requesting Agency Remarks:** Approval of this revenue generating transaction results from a resource sharing agreement between Maryland Department of Transportation State Highway Administration, the Department of Information Technology and Fiberlight LLC. The original agreement contemplated a non-exclusive use of the State right of way to construct a multiple-conduit, fiber-optic system to benefit the State as well as the private industry partner. Approving this amendment will allow the Fiberlight LLC to expand its use of the State right of way in exchange for one time monetary compensation to the State. The Parties continue all other parts of their mutually beneficial, non-compulsory agreement whereby the State continues its use of forty strands of Fiberlight LLC dark fiber and Fiberlight LLC continues its use of the State right of way in Anne Arundel, Baltimore, Howard Counties for the remainder of the agreement term.
7. DEPARTMENT OF INFORMATION TECHNOLOGY (cont’d)

Requesting Agency Remarks (cont’d):

Because the value of this Amendment exceeds $100,000, this transaction was submitted to the Legislative Policy Committee for review and comment and was posted on eMaryland Marketplace.

8. DEPARTMENT OF INFORMATION TECHNOLOGY
Resource Sharing Agreement, RSA Program

Recommendation: The Board of Public Works approve the State entering into a resource sharing agreement.

Authority: Section 3A-307, State Finance & Procurement Article, Annotated Code of Maryland

Award: WBOC, Inc.

Term: 05/11/2022 – 05/10/2027 (5-year base)
05/11/2027 – 05/10/2032 (Option 1)
05/11/2032 – 05/10/2037 (Option 2)
05/11/2037 – 05/10/2042 (Option 3)

Amount: Value of Agreement over twenty years = $580,400.09

Compensation to State
$114,677.33 (5-year base)
$132,942.46 (Option 1)
$154,116.75 (Option 2)
$178,663.55 (Option 3)
$580,400.09

Property location: 310 Deers Head Boulevard, Salisbury, Wicomico County

Requesting Agency Remarks: This revenue generating transaction results from a resource sharing agreement between Maryland Public Television and WBOC, Inc. For this proposal, the benefit to the State is the monetary compensation for use of tower space in support of telecommunications antennas located at 310 Deers Head Boulevard, Salisbury, Wicomico County. Since the monetary value of the lease over the 20-year term is more than $100,000, this item was submitted to the Legislative Policy Committee for review and comment and was posted on eMarylandMarketplace.

9. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Bay Restoration Fund

**Recommendation:** That the Board of Public Works approve new funding as described.

**Authority:** Maryland Water Quality Financing Administration Act §§ 9-1601--9-1622, Environment Article, Annotated Code of Maryland.

**Project:** Union Bridge Wastewater Treatment Plant ENR Upgrade

**Recipient:** Town of Union Bridge

**Amount:** Up to $99,800

**Location:** Carroll County/Legislative District 5

**Project Description:** The proposed project entails the planning, design and construction of an Enhanced Nutrient Removal (ENR) upgrade for the Union Bridge Wastewater Treatment Plant. Upon completion of the upgrade, the plant will be capable of achieving effluent concentration goals of 3.0 mg/l for Total Nitrogen and 0.3 mg/l for Total Phosphorous. This will allow 83% reduction in nitrogen and 92% reduction in phosphorous, thereby reducing nutrients discharged to the Little Pipe Creek and ultimately to the Chesapeake Bay. This Board of Public Works action is to prepare a Preliminary Engineering Report for the planning phase of the project. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

**Project Funding Source:** Special Funds- Bay Restoration Fund Grant BR-NR 05.15

$ 99,800

**State Clearinghouse:** MDE has determined that its recommendation is consistent with Maryland's State Clearinghouse comments and recommendations.

**Recipient:** Allegany County

**Location:** Allegany County/Legislative District 1B

**Amount:** Up to $5,445,701

**Project Description:** This is a project consisting of three contracts to replace two deteriorated sewage pumping stations with one regionalized pump station and to rehabilitate the aging sewage force main to convey sewage from the Braddock and Jennings Run area to the City of Cumberland for treatment at the Cumberland Wastewater Treatment Plant in Allegany County. Contract S-85 of this project will involve the construction of a new Locust Grove Pump Station that will handle flows currently received from the two existing pump stations thereby preventing overflows from occurring. The two existing pump stations at Locust Grove and LaVale are 40 to 50 years old and are to be demolished. Contract S-90 of this project includes abandonment of the LaVale Pumping Station and construction of a gravity sewer line to the proposed Locust Grove Pump Station. Contract S-91 of the project involves replacement of a 24” force main which will convey flow from the upgraded Locust Grove Pump Station to the City of Cumberland Wastewater Treatment Plant. Contract S-91 will also replace a deteriorated and aged water transmission main along the Wills Creek and Route 40 Corridor in Allegany County. This BPW action is for Contract S-91. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

**Financing Description:**

A. **Additional Loan** (up to) **$510,535** – Water Quality State Revolving Loan Fund

*Term.* Period not to exceed 30 years following project completion

*Rate.* Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11- Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2021 loan recipients received an interest-rate of 0.40%.)

*Security.* Borrower will deliver its bond, along with its full faith credit endorsement, to the Maryland Water Quality Financing Administration.
10. **MARYLAND DEPARTMENT OF THE ENVIRONMENT** (cont’d)

Financing Description (cont’d):

B. **Additional Loan Forgiveness** (up to) **$170,178** – Water Quality State Revolving Loan Fund

   This funding is provided under the Water Quality State Revolving Loan Fund Program disadvantaged-community criteria. The principal forgiveness loan terms/grant conditions are enforceable should grantee default.

C. **Additional Grant** (up to) **$4,764,988** – Bay Restoration Fund

11. **MARYLAND DEPARTMENT OF THE ENVIRONMENT**  
*Maryland Drinking Water State Revolving Loan Fund*

**Recommendation:** That the Board of Public Works approve new funding as described.

**Authority:** Maryland Water Quality Financing Administration Act  

**Project:** Braddock Run and Wills Creek Water Utility Improvement / LaVale Water Main

**Recipient:** LaVale Sanitary Commission

**Amount:** Up to $1,526,408

**Location:** Allegany County/Legislative District 1B

**Project Description:** The proposed project involves the replacement of an aging water transmission main along Wills Creek and the Route 40 corridor in Allegany County. The existing waterline has exceeded its useful life and is experiencing failures. The deteriorated waterline is in need of replacement. The proposed improvements will provide residents with safe and adequate drinking water, including fire protection. This project is also a part of the Braddock and Jennings Run Sewage Conveyance Improvements Contract S-91 project which involves replacement of a 24” force main conveying flow from the upgraded Locust Grove Pump Station to the City of Cumberland Wastewater Treatment Plant. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

**Financing Description:**

A. **New Loan** (up to) $763,204 – Drinking Water State Revolving Loan Fund  
   *Term.* Period not to exceed 40 years following project completion  
   *Rate.* Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2021 loan recipients received an interest rate of 0.40%).  
   *Security.* Borrower will deliver its bond, along with its full faith and credit endorsement, to the Maryland Water Quality Financing Administration.

B. **New Loan Forgiveness** (up to) $763,204  
Complies with Drinking Water Revolving Loan Fund Program’s disadvantaged-community criteria. Principal forgiveness loan terms/grant conditions are enforceable should Recipient default.

12. **MARYLAND ENVIRONMENTAL SERVICE**  
**Eastern Correctional Institution, Somerset County**

**Construction Contract:** ECI Cogeneration Plant Boiler Fuel Conversion  
MES Project # 1-22-4-07-5R

**Description:** Perform boiler and room modifications, install natural gas equipment, and tie into the new natural gas distribution point.

**Procurement Method:** Competitive Sealed Bids

**Bids:**
- W. M. Schlosser Company, Inc., *Hyattsville, MD* $9,895,000  
- Riggs Distler Company, Inc., *Cherry Hill, NJ* $12,234,190

**Award:** W. M. Schlosser Company, Inc.

**Amount:** $9,895,000

**Term:** 7 months

**MBE Goal:** 17%

**Remarks:**
The Eastern Correctional Institution (ECI) cogeneration plant is converting both existing high-pressure boilers from firing wood chips and No. 2 fuel oil to fire natural gas and No. 2 fuel oil. The construction efforts will entail modification to the internal boiler configuration and boiler room to include removal of equipment no longer required for operation; modification to existing catwalks; installation of burners, economizers, and ancillary equipment; installation and programming of boiler instrumentation and controls; and installation of piping that will safely direct natural gas from the distribution point outside of the plant to the burner for each boiler.

This is the result of a second public solicitation for bids, as the first public solicitation resulted in a single bid. To promote bidder participation and foster competition, 31 firms were invited to bid, and all firms were contacted by MES to ensure they had received notice and access to download the bid documents.

Funding for this project is coming from multiple sources. In addition to capital funds appropriated for this project in previous fiscal years, the MES Board of Directors also approved the establishment of a Reserve Fund in the amount of $1,659,203. Senate Bill 290 (FY 23 Operating Budget Bill) contains a FY 2022 deficiency appropriation of $7,284,815 for this project. The Maryland Energy Administration has notified MES of their intent to award MES a grant in the amount of $525,000.

13. **MORGAN STATE UNIVERSITY**  
*Real Property Acquisition – Lake Clifton High School and Associated Properties*

**Contract ID:** ACQUI-LCHS-22

**Recommendation:** That the Board of Public Works approve Morgan State University acquiring the Lake Clifton High School and associated property from the City of Baltimore.

**Contract Description:** Purchase the Lake Clifton High School at Lake Clifton and the surrounding property totaling 58.9249 acres.

**Owner/Grantor:** City of Baltimore

**Grantee:** State of Maryland for the use of Morgan State University

**Amount:** $93,652.80

**Appraisals:** $2,000,030 Barry L. Colen for Morgan State University  
$4,300,000 Lipman Frizzell & Mitchell for the City of Baltimore

**Fund Source:** University Operating Budget

**Remarks:** With the University being landlocked, the Lake Clifton High School property will allow for a significant expansion of Morgan State University’s campus. A multi-purpose educational convocation center, mixed-use, academic, research, and residential facilities are anticipated to be developed. The property is less than 1.5 miles from Morgan State University’s Campus. The properties consist of three components totaling approximately 58.9249 acres:

1. 4801 Saint Lo Drive, the former Lake Clifton High School, about 44 acres  
2. 2803 Saint Lo Drive, the Valve House, about .65 acres  
3. Approximately 14.1 acres adjacent to the school

In November of 2019, the Space Utilization Committee of the City of Baltimore declared Lake Clifton High School, located at 4801 Saint Lo Drive (approximately 44 acres), as surplus property.

The payment by Morgan State University of $93,652.80 is to pay off the remaining balance owed by the City of Baltimore to the State of Maryland.
13. **MORGAN STATE UNIVERSITY** (cont’d)

*Remarks (cont’d):*

On April 6, 2022, the City of Baltimore’s Board of Estimates approved the sale of the Lake Clifton High School and associated parcels to Morgan State University. The Morgan State University Board of Regents approved the proposed acquisition at its May 3, 2022, meeting.
14. **MARYLAND STADIUM AUTHORITY**  
*Baltimore City Public Schools*  
*Cross-Country Elementary/Middle School, Bid Package 3*

**Contract ID:** BCS-02-007-GMP

**Recommendation:** Approve the award of Guaranteed Maximum Price (GMP) Bid Package 3.

**Contractor:** Turner Construction Company, Inc. Baltimore, MD 21227

**Prior Approvals:** Secretary’s Agenda, Item 10 (12/19/2018)  
Secretary’s Agenda, Item 19 (10/06/2021) (Bid Package 1)  
Secretary’s Agenda, Item 14 (02/19/2022) (Bid Package 2)

**Project:** 94,000 +/- school building renovation/addition located at 6100 Cross Country Blvd., Baltimore, MD 21215

**Bid Package Description:** Remaining packages to complete the project.

**Pre-Construction Amount:** $147,728  
**Bid Package 1 Amount:** $1,399,852  
**Bid Package 2 Amount:** $11,885,143  
**Bid Package 3 Amount (this Item):** $37,098,292  
**Revised Amount:** $50,531,015

**Term:** 10/2021 – 12/2024

**MBE Goal:** 30%

**Subgoals:** African American 8%  
Women 11%

**Remarks:** As identified in the prior approved recommendations, MSA outlined the intent to return with phased GMP packages. This recommendation represents the remaining trade packages for completion of the project.

Construction packages were advertised and documents were issued by the CM for trade contractor participation on January 14, 2022 in the following publications: eMaryland Marketplace, MSA’s website, the CM’s website, Maryland Washington Minority Companies Association, as well as directly solicited to numerous trade contractors.
14. **MARYLAND STADIUM AUTHORITY (cont’d)**

**Remarks (cont’d):**

MSA and the CM conducted pre-bid and site visit meetings at the project site, and all attendees were provided with summary project information and afforded the opportunity to tour the project site. Additionally, outreach and networking opportunities were conducted virtually on January 25, 2022. These were attended by MSA, numerous trade contractors, and other representatives regarding contracting, MBE participation, and local hiring opportunities.

On February 23, 2022, competitive, sealed trade contractor bids were received and opened at the CM’s offices in Baltimore, Maryland. Post-bid scope review meetings were conducted virtually, and all bid openings and scope reviews were attended by MSA. Additionally, the CM directly solicited 370 firms, resulting in 107 bid submissions for the thirty-one packages advertised.

Efforts to maximize Maryland's commitment to protecting the environment and incorporating green building standards to reduce the effects on climate change resulted in the project attaining 30% water use reduction, 27% site storm water runoff reduction, and 32% energy savings by using efficient MEP systems, fixtures, and equipment.

16. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

General Miscellaneous

Recommendation: The Maryland Department of Public Safety and Correctional Services, through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorney’s fees, against defendant State personnel in the matter of *Grant Holley v. Kevin Foxx, et al.*, United States District Court for the District of Maryland, Case No. PX-17-3141.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: $45,000

Fund Source: 100% Agency Funds

 Appropriation Codes: Q00A0101

Requesting Agency’s Remarks: The Department of Public Safety and Correctional Services and the Office of the Attorney General recommend paying $45,000 to settle all claims, including attorneys’ fees, as in the best interest of the State.

If this settlement is approved a check should be issued payable to “Grant Holley” in the amount of $45,000. The check should be delivered to Robert A. Scott, Assistant Attorney General, Office of the Attorney General of Maryland, 200 Saint Paul Place, 20th Floor, Baltimore, Maryland 21202 who will deliver it to plaintiff’s attorney, and ensure that all of the necessary documentation and releases are complete.
17. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

General Miscellaneous

Recommendation: The Maryland Department of Public Safety and Correctional Services, through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorney’s fees, against defendant State personnel in the matter of Bryan Sheppard v. Martins Aito, et al., United States District Court for the District of Maryland, Case No. PX-17-3140.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: $40,000

Fund Source: 100% Agency Funds

Appropriation Codes: Q00A0101

Requesting Agency’s Remarks: The Department of Public Safety and Correctional Services and the Office of the Attorney General recommend paying $40,000 to settle all claims, including attorneys’ fees, as in the best interest of the State.

If this settlement is approved a check should be issued payable to “Bryan Sheppard” in the amount of $40,000. The check should be delivered to Robert A. Scott, Assistant Attorney General, Office of the Attorney General of Maryland, 200 Saint Paul Place, 20th Floor, Baltimore, Maryland 21202 who will deliver it to plaintiff’s attorney, and ensure that all of the necessary documentation and releases are complete.
A1. **DEPARTMENT OF HUMAN SERVICES**  
*Social Services Administration (SSA)*  
*Foster Care Maintenance Payments Program*

**Contract ID:** Emergency Out of State Residential Child Care Services  
SSA/OOS-22-048, ADPICS # N00B2600371

**Contract Type:** Services

**Contract Description:** Emergency placement of one youth.

**Procurement Method:** Emergency (Sole Source)

**Award:** Grafton School, Inc.  
Winchester, VA

**Amount:** $79,120 (not to exceed)

**Term:** 03/31/2022 – 09/30/2022

**Date Emergency Declared:** 03/31/2022

**Contract Award Date:** 03/31/2022

**Date Emergency Reported:** 04/20/2022

**MBE/VSBE Participation:** N/A / N/A

**Fund Source:** 100% General

**Appropriation Code:** N00G0001

**Remarks:** Nature of Emergency: A twelve-year-old youth diagnosed with Disruptive Mood Dysregulation Disorder, Attention Deficit Hyperactivity Disorder, Fetal Alcohol Syndrome, and Hypothyroidism was emergently placed with this provider to better meet the mental health needs of the youth.

**Basis for Selection:** Due to the unique and emergent needs of the youth, it was determined by the Local Department of Social Services that Grafton Schools, Inc., was the most appropriate placement as it is a Residential Treatment Center that provides services to children, adolescent and adults who have issues with overcoming emotional, behavioral or developmental challenges.
A1. **DEPARTMENT OF HUMAN SERVICES (cont’d)**

**Remarks (cont’d):**

The Maryland State Department of Education (MSDE) is the State Agency responsible for setting rates for facilities that serve Maryland youth which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services (DSE/EIS), Nonpublic Special Education Section provides oversight for this work.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions.

*Reason for Late Report:* This emergency procurement award is being reported late due to the time needed for finalizing proper documentation and obtaining internal approvals.

A3. **DEPARTMENT OF NATURAL RESOURCES**  
*Maryland Park Service*

**Contract Title:** Assateague State Park Janitorial Services  
ADPICS NO. K00B2600116

**Contract Type:** Services

**Contract Description:** Daily cleaning of nine campground bathhouses which serve 342 camp sites, one marina comfort station, and one day-use bathhouse.

**Procurement Method:** Emergency

**Bids:**  
- Brightside Services, LLC  $390,000.00  
  Reisterstown, MD

**Award:** Brightside Services, LLC

**Amount:** $390,000

**Term:** 04/25/2022 – 10/31/2022

**Date Emergency Declared:** March 16, 2022

**Contract Award Date:** April 5, 2022

**Date Emergency Reported:** April 20, 2022

**MBE / VSBE Participation:** 0% / 0%

**Fund Source:** 100% Special Funds (Forest and Park Reserve)

**Appropriation Code:** K00A0401
A3. DEPARTMENT OF NATURAL RESOURCES (cont’d)

Remarks: Nature of Emergency: After issuing an Invitation for Bid in November 2021 for janitorial services and only receiving a single bid from Spectacular Onsite Staffing, a Baltimore, MD company, it soon became evident that the bidder was not equipped to carry out the necessary work. As a result, the bidder withdrew from the procurement process. In January, efforts were made to hire seasonal workers to take care of the cleaning needs at Assateague State Park; twelve cleaners were needed but only three seasonal cleaners accepted job offers by mid-March 2022. Due to the unsuccessful procurement and the failed attempts to hire seasonal workers, it became apparent that there was an emergency situation at Assateague Park. Assateague serves 2.1 million visitors annually and generates a significant portion of the Maryland Park Service’s camping revenue. Given the upcoming campground opening and the fact that Assateague offers over three hundred and forty-two (342) camp sites, one marina comfort station and one day-use bathhouse, an emergency procurement became the only viable solution to procure janitorial services in time.

Basis for Selection: After contacting several janitorial vendors who appeared to be capable of handling the scope of work needed at Assateague State Park, Brightside Services LLC was selected because Brightside was the only vendor that could meet the needs of the park and already had a team in place. This vendor has also provided services at the Sandy Point State Park in Maryland.

Tax Compliance No.: 22-2209-1111

Resident Business: Yes
A4. DEPARTMENT OF HEALTH
Potomac Center

Contract Title: Visual Communication/Deaf Interpreter Services for MDH Potomac Center
ADPICS No.: N/A

Contract Type: Services

Contract Description: On-site visual communication services for a deaf resident of the Potomac Center with an intellectual disability. An interpreter is required to provide services during the individual’s waking hours, from 6:00 AM to 10:00 PM. The service is broken down into two shifts. These services are required seven days a week, including holidays.

Procurement Method: Emergency

Bids: WeInterpret.net; Columbia, MD $87.50/hour + mileage fee
iYellow Interpreting; Silver Spring, MD $99/hour + $297-327 fee

Award: Maryland Interpreting Services Inc, DBA WeInterpret.net
Columbia, MD

Amount: $214,098.43 (total of direct voucher payments)

Contract Term: 10/05/2021 – 02/28/2022

Date Emergency Declared: October 1, 2021

Contract Award Date: October 5, 2021

Date Emergency Reported: April 25, 2022

MBE/VSBE Participation: N/A / N/A

Fund Source: General Funds, 100%

Approp. Code: 13.07.01
A4. DEPARTMENT OF HEALTH (cont’d)

Agency Remarks: Nature of Emergency: A deaf individual with an intellectual disability transferred to the Potomac Center on October 6, 2021 from the Sheppard Pratt Hospital System. Pursuant to federal regulations by the Centers for Medicare and Medicaid Services (CMS), 42 C.F.R. § 483.430 and 42 C.F.R. § 483.440, Maryland is required to provide sign language translation services for any deaf or hard of hearing person residing at the facility during the individual’s waking hours (approximately 6 AM - 10 PM).

Unlike the individual’s prior placement, the Potomac Center does not have a Visual Communications service provider on staff and there are no current/active statewide contracts or emergency contracts/suppliers for Visual communication/ASL interpreter services that could provide these services in the Hagerstown area. Typically, Potomac Center’s residents are generally at the Center for 1-2 years to receive the necessary clinical services.

On October 1, 2021, upon notification of the individuals’ pending admission, the Potomac Center began searching State resources for Visual Communication Services. Potomac Center contacted DBM (Contract Management), DGS (Office of State Procurement - OSP), and the Governor’s Office of the Deaf and Hard of Hearing (ODHH) for guidance. Potomac Center notified BMO, MDH Director of OCMP and MDH Director of Facility Finances of the Emergency while gathering information. ODHH provided contact information for HASA/CIRS, but this provider was unable to meet the need due to the lack of interpreters in the Hagerstown area and the type of request (I/DD individual with diminished language skills, requiring Visual Communication services during all waking hours). OSP provided a list of sign language interpreter companies to be used on a case-by-case basis or for Small Procurement assistance, but noted that since there is no longer a Statewide contract, pricing and terms/conditions are completely up to each company’s discretion. Four of the local companies were contacted with the scope, and two responses were received in time. Of those two responses, WeInterpret was the lowest bid that could meet the scope of work and time constraint. The Potomac Center signed a temporary agreement with WeInterpret to assure that services were procured in time to meet the Emergency need.

The intent was to secure services from WeInterpret under the Small Procurement delegation of $50,000 for an approximate one month-long term while a simultaneous Emergency Procurement for a service agreement for a one-year term was submitted to MDH Leadership for approval. 12-18 months is the estimated length of time needed to pursue a traditional large standard competitive procurement through OCMP, so an Emergency procurement action was the only way to solidify the agreement for the necessary amount of time. However, before the month was over, WeInterpret stated that they would not be able to extend the required one-year agreement as proposed by the Center, because WeInterpret was in the process of being purchased.
A4. **DEPARTMENT OF HEALTH (cont’d)**

The Emergency justification had to be rewritten to support an award to another vendor, however the Potomac Center could not discontinue the services for the deaf individual in the meantime. The Potomac Center directly solicited (second round) to the list of sign language interpreter companies in November 2021 for interest and bids. WeInterpret was paid through direct voucher for services until the new Procurement Officer’s Determination (POD) could be approved by the necessary parties. Potomac Center paid $214,098.43 to WeInterpret during the life of the contract (October 6, 2021 to February 28, 2022).

*Basis for selection:* WeInterpret was selected given the scope of work parameters and the fact that they were the lowest bidder to respond to communication/correspondence who could meet the need (service area, type of assignment, time frame) in time for the resident’s admission to the facility the following day (10/6/2021).

*Reason for Late Report:* It took time for MDH to confirm a vendor was able to meet the requirements of the services after several vendors initially agreed and then realized they were unable to meet the need of the individual at Potomac Center. The third contractor was finally able to confirm they would be able to meet the requirements and was ready to begin providing the service on March 1, 2022 (*see companion emergency report, A5, on this BPW Agenda*).

*Resident Business:* Yes

*MD Tax Clearance:* 22-0960-0001

A5. **DEPARTMENT OF HEALTH**  
*Potomac Center*

**Contract Title:** Visual Communication/Deaf Interpreter Services for MDH Potomac Center  
ADPICS No.: M00B2600414

**Contract Type:** Services

**Contract Description:** On-site visual communication services for a deaf resident of the Potomac Center with an intellectual disability. An interpreter is required to provide services during the individual’s waking hours, from 6:00 AM to 10:00 PM. The service is broken down into two shifts. These services are required seven days a week, including holidays.

**Procurement Method:** Emergency

**Bids:**  
- Birnbaum Interpreting Services; Chevy Chase, MD $484,768  
- Dream Management, Inc.; Baltimore, MD $554,800  
- iYellow Interpreting; Silver Spring, MD $737,600  
  + fees  
- WeInterpret.net; Columbia, MD $511,000  
  + fees (could not extend full year contract)  
- Interpreters Unlimited; San Diego, CA $367,920  
  (could not honor price/withdrew)

**Award:** Stuart B. Consultants, Inc. d/b/a Birnbaum Interpreting Services; Silver Spring, MD

**Amount:** $484,768.00

**Contract Term:** 03/01/2022 – 02/28/2023

**Date Emergency Declared:** October 1, 2021

**Contract Award Date:** March 1, 2022 (start of services; contract signed April 4, 2022)

**Date Emergency Reported:** April 4, 2022
A5. **DEPARTMENT OF HEALTH** (cont’d)

**MBE / VSBE Participation:** N/A / N/A

**Fund Source:** 100% General Funds

**Approp. Code:** 13.07.01

**Agency Remarks:** *Nature of Emergency:* A deaf individual with an intellectual disability transferred to the Potomac Center on October 6, 2021 from the Sheppard Pratt Hospital System. Pursuant to federal regulations by the Centers for Medicare and Medicaid Services (CMS), 42 C.F.R. § 483.430 and 42 C.F.R. § 483.440, Maryland is required to provide sign language translation services for any deaf or hard of hearing person residing at the facility during the individual’s waking hours (approximately 6 AM - 10 PM).

Unlike the individual’s prior placement, the Potomac Center does not have a Visual Communications service provider on staff and there are no current/active statewide contracts or emergency contracts/suppliers for Visual communication/ASL interpreter services that could provide these services in the Hagerstown area. Typically, Potomac Center’s residents are generally at the Center for 1-2 years to receive the necessary clinical services.

The Maryland Department of Health (MDH) reached out to the Departments of Budget and Management, General Services (Office of State Procurement - DGS OSP), and the Governor’s Office of the Deaf and Hard of Hearing (ODHH) for guidance on obtaining and procuring these services. DGS OSP provided a list of sign language interpreter companies to be used on a case-by-case basis or for Small Procurement assistance but noted that since there is no longer a Statewide contract, pricing and terms/conditions are completely up to each company’s discretion.

In October, four of the local companies were solicited and provided the anticipated scope of work, and two timely responses were received. Of those two responses, WeInterpret was the lowest bidder that could meet the scope of work and time constraint. The Potomac Center signed a temporary (approximately one-month) small procurement agreement (valued less than $50,000) with WeInterpret on October 6, 2021 to ensure that services were procured timely to meet the immediate need for the patient.

MDH’s original intent was to secure services from WeInterpret under the Small Procurement delegation authority of $50,000 for an approximate month-long term while a simultaneous Emergency Procurement for a one-year service agreement with the same vendor was submitted to MDH Leadership for approval. The estimated length of time needed to pursue a regular procurement through the state’s procurement approval process is 12-18 months. As such, an emergency action was the only way to obtain the needed patient services in a timely manner. However, before the month was over, WeInterpret stated that they would not be able to extend a one-year agreement because they were in the process of being purchased.
A5. **DEPARTMENT OF HEALTH** (*cont’d*)

The Potomac Center continued to utilize WeInterpret until after a new emergency contract was awarded. The Potomac Center directly solicited the list of sign language interpreter companies in November 2021 for interest and bids. WeInterpret was paid through direct voucher for services until the contract to Stuart B. Consultants, Inc. d/b/a Birnbaum Interpreting Services was awarded. Potomac Center paid $214,098.43 to WeInterpret during the life of the contract (October 6, 2021 to February 28, 2022) - see companion emergency report, A4, on this BPW Agenda.

While still awaiting approval to award/notify the vendor, the new (second) apparent awardee for the Emergency Contract (Interpreters Unlimited) asked to be withdrawn from consideration for the project because they could no longer honor the quoted price. A final revision was submitted to support an award to Birnbaum Interpreting Services. MDH Leadership met with Potomac Center on February 25, 2022, and Potomac Center was directed to terminate services with WeInterpret as of February 28, 2022.

Authorization was given to award the Emergency Contract to Birnbaum Interpreting Services effective 3/1/2022. A standard request for proposals (RFP) is in the process of being developed at MDH. The emergency contract with Birnbaum Interpreting Services was signed on April 4, 2022 by the vendor and MDH.

*Basis for selection:* Birnbaum Interpreting Services was selected for award given the scope of work parameters and the fact that they were the lowest bidder to respond to our communication/correspondence who could meet the need (service area, type of assignment, time frame).

*Reason for Late Report:* It took time for MDH to confirm a vendor was able to meet the requirements of the services after several vendors initially agreed and then realized they were unable to meet the need of the individual at Potomac Center. The third contractor was finally able to confirm they would be able to meet the requirements and was ready to begin providing the service on March 1, 2022.

8A. CONSERVATION RESERVE ENHANCEMENT PROGRAM
Sword Property, Washington County

Recommendation: Approval to grant $988,541 to Washington County from Program Open Space Stateside Funds to acquire a 202.18 acre Conservation Reserve Enhancement Program easement.

Background/Prior Approvals: Reference is made to Program Open Space Agenda, Item 9A (September 16, 2009) in which the Board of Public Works approved the Conservation Reserve Enhancement Program (CREP) easement acquisition program and authorized the use of Program Open Space funds to be used for acquiring permanent conservation easements on stream side forests, natural areas and wetlands.

Project Description: Acquisition of this CREP easement permanently protects water quality by requiring approximately 8,200 linear feet of forested stream buffers to unnamed tributaries to the Potomac River. As part of the transaction, the landowner will be donating 105.49 acres of the property into the easement for 307.67 acres of total protection. The easement, CREP No. 13435 and POS No. 13436, will be held by Washington County and the Maryland Department of Natural Resources.

Easement Value: $932,559.86 ($4,613 per acre)
Purchase Price: $932,559.86 ($4,613 per acre)

Total Other Costs
Administrative: $ 27,976.80
Incidentals: $ 14,015.94
Compliance: $ 13,988.40
$ 55,981.14

Total Amount Requested: $988,541.00

CREP Targeting: The CREP easement program focuses its efforts on “Target Level 1” and “Target Level 2” counties where the easement practices will have the greatest impact on water quality. Targeting for CREP was a multiagency and conservation partnership organization effort that utilized nine high priority, science based, data sets and areas of special consideration developed from the past 10 years of research and study of water quality and natural resource conditions in the State’s 134 watersheds. Washington County is a Target Level 2 county.
8A. **CONSERVATION RESERVE ENHANCEMENT PROGRAM (cont’d)**

*Easement Valuation System:* DNR uses an easement evaluation system based on:

1. whether the property is located within a “Target Level 1” or “Target Level 2” county;
2. the width of the buffers; and
3. the amount of land in the CREP contract that will be covered by the easement.

The program seeks to retain conservation practices beyond the 10- to 15-year contract period available under the federal CREP rental program. The easement acquires development rights and a portion of the agricultural production value beginning at the end of the federal contract term and continuing into perpetuity.

**Fund Source:** Institutional Funds

**MBE Participation:** None

**Requesting Institution Remarks:** In February 2020, Bowie State University issued a formal solicitation for Enrollment Management Recruitment and Marketing Services. The solicitation was advertised on eMaryland Marketplace Advantage, and on the University’s Procurement website. Only one firm, EAB Global (EAB) responded to the Solicitation. The University awarded a contract to EAB, and has been working with EAB for the past twenty-one months. The University of Baltimore has been working with EAB for a similar period of time.
1-S. **BOWIE STATE UNIVERSITY AND THE UNIVERSITY OF BALTIMORE**

*(cont’d)*

**Requesting Institution Remarks (cont’d):**

During this time Bowie State University has seen a significant growth in the number of Freshmen, Transfer, and Total Undergraduate students that have applied to, and been accepted as first-time students. University of Baltimore, saw a 33% increase in the number of Graduate applicants for Spring 2022 since EAB’s campaign launch in May of 2021. EAB clients on average will see a 5 to 1 return on investment with EAB by year three.

As a comprehensive approach to smart enrollment growth, EAB’s Adult Learner Recruitment Services (ALR) are completely unique in the market. There are no known providers of any similar offering that integrates full-service execution and strategy services as part of a holistic approach to enrollment. A competitive bidding process would yield no additional vendors capable of providing the complete scope of services supplied by ALR and required by both Bowie State University and the University of Baltimore. It is due to the uniqueness of ALR that this sole source procurement is justified.

Bowie State University is using “Historical Price” to determine the Price Reasonableness of this new three year sole source contract with EAB. The University is currently in the second year of a two-year agreement paying EAB $505,147 for their services. The proposed price for the first year of the new three-year agreement with EAB is $486,922, which is $18,225 less than what the University is currently paying for the same services. Additionally, University of Baltimore evaluated and compared pricing for other institutions of similar-size and found EAB’s pricing consistent with their pricing methodology and market value increases. Moreover, EAB also extended an additional discount of 5% in year-one.

### 2-S. UNIVERSITY OF MARYLAND, BALTIMORE

**Service Contract**

**Contract ID:** Management/Operation of the UMB Student Dental Clinics

**Contract Description:** Manage and operate School of Dentistry student clinics as directed by the University System of Maryland Board of Regents.

**Contractor:** U.M. FDSP, Assoc., P.A. Baltimore, MD

**Term:** 6/1/2022– 5/31/2027

**Contract Amount:** $69,096,240

**Procurement Method:** Sole Source

**MBE Participation:** 3%

**Performance Security:** None

**Requesting Institution Remarks:** This contract will meet the on-going need to provide management and operation of the Dental School Student Clinics. Daily services include providing non-faculty support (dental assistants, hygienists, sterilization staff, clerical staff) for meeting patient needs, scheduling patient visits, collection of fees charged to patients for services provided at the clinic and providing materials for the operations.

**Board of Regents:** Since the inception of U.M. FDSP, Assoc., P.A., the tax-exempt faculty practice group, the Board of Regents has directed the University to award this contract. The USM Board of Regents approved the contract on April 29, 2022.

**Fund Source:** Current Unrestricted Funds

**Resident Business:** Yes

3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK
Construction Management at Risk Services Task Order

**Contract ID:** Construction Management at Risk Services for Woods Hall and Jimenez Hall South Wing HVAC Renovations. RFP# 112184-F

**Recommendation:** Award of Bid Package 1

**Contractor:** DPR Construction, Columbia Maryland

**Prior Approval:**
- USM Item 1-C (12/7/16)
- USM Item 2-C-OPT (12/19/18)
- USM Item 7-C-OPT (11/20/19)
- USM Item 2-C-OPT (11/18/20)
- USM Item 3-C (10/20/21)

**Project:** The project will complete an HVAC upgrade in sections of Woods and Jimenez Halls. This is a partial HVAC renovation for both buildings replacing all HVAC equipment serving 20,202 GSF in Woods Hall and 15,761 GSF in Jimenez Hall.

The overall project estimate is $10.1 million (including equipment).

**Bid Package Description:** This bid package includes demolition, concrete, masonry structural steel, doors, drywall and rough carpentry, mechanical and plumbing and electrical and fire alarms.

**Contract Term:** 46 months from notice to proceed (including warranty period).

**This Bid Package Amount:** $3,789,385

**Current Contract Amount:** $348,000

**Revised Contract Amount:** $4,137,385

**Funding:** MCCBL 2021: *Provide funds to design, construct, and equip campus-wide infrastructure improvements at the College Park campus.* Item # 21-509

**MBE Participation:** Overall: 29%; Subgoals: African American Owned: 8%; Women Owned: 11%
3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont’d)

**Performance Security:** 100% performance bond is required.

**Requesting Institution Remarks:** This Construction Management at Risk contract was initially awarded for pre-construction services through the design phase. As design progresses and design information becomes available, the contractor sequentially and competitively bids construction packages. This is the first of two bid packages anticipated for this project.

The overall estimated project cost increased due to current construction market conditions and the University’s decision to install a new sprinkler system in Woods Hall to increase the safety of the building, which was not included in the original scope.

**Sustainability:** The design of the project will comply with the Maryland State Energy Code and include sustainable features such as the following: HVAC airflow reduction based on occupancy, variable frequency drive motors, energy efficient LED lighting fixtures with occupancy sensor controls, and water-saving plumbing fixtures.

**Resident Business:** Yes

ACTION AGENDA
May 11, 2022

Maryland Transit Administration (MTA) 1 – 3
State Highway Administration (SHA) 4 – 15
The Secretary’s Office (TSO) 16 – 18
Task Order Agreements (TOA) 19
1-GM.  MARYLAND TRANSIT ADMINISTRATION
General/Miscellaneous Contract

Contract ID:  Mobility Hybrid SUVs; MOL-22-020-EQ
ADPICS No.: MOL22020EQ

Contract Description: This contract provides the Maryland Department of Transportation
Maryland Transit Administration’s (MDOT MTA) Mobility Division with Hybrid Ford Escape
SUVs.

Award:  Sonny Merryman, Inc.
Evington, VA

Contract Term:  06/09/2022* – 12/08/2023 (*or earlier upon BPW approval)

Amount:  $3,970,725

Procurement Method:  Competitive Sealed Bidding

Bids:
Sonny Merryman, Inc.  $3,970,725
Evington, VA

Pacifico Ford, Inc  $4,156,500
Philadelphia, PA

OBOSE Tech, LLC  $4,978,500
Greenbelt, MD

DBE/VSBE Participation:  0% / 0% (See Requesting Agency Remarks)

Incumbent:  None

Requesting Agency Remarks:  This solicitation was published on eMaryland Marketplace
Advantage (eMMA) on January 21, 2022, notifying 134 vendors. The bid opening was conducted
on April 5, 2022.

This contract provides for the vendor to supply 75 new Ford Escape Compact SUV Hybrid All
Wheel Drive vehicles (SUVs.)  MDOT MTA’s Mobility fleet includes approximately 550
paratransit vehicles used to transport customers for work or medical appointments in order to
comply with Americans with Disabilities Act requirements.  These SUVs will be used both to
replace vehicles that have reached their end of useful life and to expand the fleet.  The SUVs will
come equipped with specified Mobility radio and computer devices, and the exterior will display
the MDOT MTA logo and numbering.
1-GM. MARYLAND TRANSIT ADMINISTRATION (cont’d)

Requesting Agency Remarks (cont’d):

Originally, a DBE goal of 3% was established for this contract; however, vendor feedback indicated that there was no sub-contractable work to meet the DBE requirement. To avoid a failed solicitation, the Procurement Review Group re-evaluated and removed the DBE goal prior to the bid due date. An amendment to the solicitation was posted on eMMA.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in the Board of Public Works (BPW) Advisory 1995-1 found on the BPW website.

2-RP.  MARYLAND TRANSIT ADMINISTRATION
Real Property – Acquisition

Recommendation: That the Board of Public Works approve the Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) acquiring real property.

Authority: Transportation Article, § 7-204 (d) (1);
          Annotated Code of Maryland

Property: MTA RE #0936.12
          Temporary Construction Easement (± 2,466 square feet), located at Lot B2 Creighton Center Front Ave., Lutherville, MD 21093

Grantor: Spring House Parcel, LLC (formerly 1403 Front, LLC)

Grantee: State of Maryland, MDOT MTA

Consideration: $3,500

Appraised Value: $1,650 – Bruce Dumler (Selected)
                  $1,400 – Melville Peters (Approved)
                  Casey Fitzpatrick, SHA Review Appraiser

Special Conditions: None

Fund Source: 100% Special Funds (Transportation Trust Fund)

Requesting Agency Remarks: MDOT MTA requires the acquisition of a Temporary Construction Easement (TCE) for access to repair Light Rail Bridge No. 545-N in Baltimore, Maryland. In January 2022, the property owner rejected a written offer in the amount of $1,650.00. The owner rejected the offer because of the loss of parking spaces, and the 10-foot-wide temporary road would have on his ability to rent office space in the future. After additional negotiations, an Option Contract was signed on February 21, 2022, for $3,500. MDOT MTA determined that the counteroffer of $3,500 was fair and reasonable. MDOT MTA proposes to acquire the subject property through a negotiated settlement.

**Incumbent:** Adezia  
Columbia, MD
6-M. STATE HIGHWAY ADMINISTRATION (cont’d)

Requesting Agency Remarks: This contract was advertised on eMaryland Marketplace Advantage on August 31, 2021, notifying 607 potential contractors, 105 of which were MDOT-certified Minority Business Enterprises (MBEs). Bids were opened on September 2, 2021.

The incumbent stated that they did not place a bid on this contract because they were unaware the contract was out for bid.

The apparent lowest bidder withdrew their bid due to an error they made in factoring the number of 5-person crews for its bid price. The second-lowest bidder was rejected because an analysis of their Experience & Equipment Statement revealed that they did not plan to provide the required crew and equipment needed to execute this contract successfully. An MDOT SHA District 7 representative reached out to the contractor via phone and email to explain its findings in detail to provide an opportunity for the contractor to meet the contract requirements and never received a response. The third lowest bidder was rejected because a detailed analysis of their bid revealed that they did not meet the Tier 1 Living Wage minimum for the litter pickup crew.

The Maryland Department of Transportation State Highway Administration has confirmed Unified Solution Services LLC’s bid price. The MBE goal for this contract is 0%; however, the work conducted on this contract is performed 100% by a Certified Minority Business Enterprise; therefore, the MBE participation is 100%.

Maryland Works, Inc. provided a waiver for the contract.

7-M. STATE HIGHWAY ADMINISTRATION (cont’d)

Performance Security: None

Incumbent: Just Business, Inc.
Baltimore, MD

Requesting Agency Remarks: This contract was advertised on eMaryland Marketplace Advantage on August 31, 2021, notifying 112 potential contractors, 23 of which were MDOT-certified Minority Business Enterprises (MBEs). Bids were opened on September 30, 2021.

The incumbent did not bid because they were terminated for default for the previous contract after several unsuccessful attempts were made by MDOT SHA to contact them regarding their performance of work, lack of payment to employees, and missing monthly payment invoices.

Upon opening of bids, the apparent low bid of $377,400 was an anomaly or error. The contractor requested in writing that its bid be withdrawn. The next apparent low bid of $490,620 was rejected because the contractor made an error in factoring in an hourly wage of $8.50 an hour instead of the Tier 1 Living Wage of $14.55 an hour. The next 5 bids received ranged from $821,400 to $3,418,800. The highest bid of $739,969,512 was due to typographical errors in the contractor’s bid. Line 4001 notes labor costs of $16,665.99 per hour. MDOT SHA spoke with the contractor and confirmed that they knew the bid requirements and realized their error.

The Maryland Department of Transportation State Highway Administration has confirmed Adezia’s bid price and work conducted on this contract is performed 100% by a State-certified Small Business.

Maryland Works, Inc. provided a waiver for this contract.

5-CGL. CAPITAL GRANTS AND LOANS
   Department of Health

Recommendations: That the Board of Public Works approve the following for:
   Main Street Housing, Inc. (Howard County)
   7310 Esquire Court, Unit 6
   Elkridge, MD 21075

"Release of the Right of Recovery dated December 6, 2002."

Background: Main Street Housing, Inc. ("Grantee") is a non-profit organization and provides
safe and affordable housing for people living with mental health disabilities.

On November 20, 2002 (DGS Agenda Item 22-CGL), the Board of Public Works approved a
grant of $123,033 for Grantee, to assist Shore Alliance for Independent Living, Inc. (SAIL) in
the acquisition and renovation of 514 Market Street, Denton, MD (the "Property").

In accordance with Subtitle 6 of Title 24 of the Health-General Article of the Annotated Code of
Maryland, SAIL recorded a State's Right of Recovery (the "ROR") in the amount of $114,472
among the Land Records of Caroline County, in Liber 467, at Page 158. Said ROR will expire on
January 31, 2034.

By Deed dated June 6, 2007, SAIL granted to Grantee, the property, subject to the State’s Right
of Recovery.

On March 22, 2022, Grantee entered into a Contract of Sale for the sale of the Property. To clear
the title on the Property, Grantee has repaid the grant amount of $114,472, subject to the ROR, to
the Maryland Department of Health and is now requesting the release of the Right of Recovery.

Remarks:
1. Grantee is a nonprofit organization.
2. Grantee provides safe and affordable housing for people living with mental health
disabilities.

6-CGL. **CAPITAL GRANTS AND LOANS**  
Department of Health

**Recommendations:** That the Board of Public Works approve the following for:  

*Community Housing Associates, Inc. (Baltimore City)*  
2828 Loch Raven Rd.; Baltimore, MD 21218

**Background:** Community Housing Associates, Inc. (“Grantee”) is a non-profit organization and provides services to mentally ill men and women. The subject property is used as a daytime drop-in center (the HOPE Center) for the homeless and mentally ill population in Baltimore City.

On January 20, 2010 (DGS Agenda Item 28-CGL), the Board of Public Works approved a grant of $381,775 for Grantee, to assist in the acquisition and renovation of 2828 Loch Raven Rd. Baltimore, MD 21218 (the “Property”).

In accordance with Subtitle 6 of Title 24 of the Health-General Article of the Annotated Code of Maryland, the Grantee recorded a State's Right of Recovery (the “ROR”) among the Land Records of Baltimore City, in Liber 12414, at Page 315. Said ROR will expire on January 26, 2040.

On January 26, 2010, the Grantee entered into a Deed of Trust with the Community Health Facilities Fund, Inc., (“CHFF”) for the amount of $185,000 to finance the purchase of the property.

On January 20, 2010 (DGS Agenda Item 28-CGL), the Board of Public Works agreed to subordinate its legal and equitable rights under the Declaration to the lien of CHFF’s Deed of Trust, which subordination has been recorded among the Land Records of Baltimore City, in Liber 12471, Page 337.

On February 23, 2022, CHFF requested the refinance of the loan that is subject to the Deed of Trust. Grantee is refinancing with City First, and City First is now requesting that the Grantee seek a Waiver of Priority of Declaration and Subordination Agreement for the Right of Recovery dated January 26, 2010.

**Remarks:**  
1. Grantee is a nonprofit organization.  
2. Grantee provides services to the homeless and mentally ill men and women.

7-C. CONSTRUCTION CONTRACT

Department of General Services

Contract ID: Electrical Upgrades at Jessup Correctional Complex; KJ-000-170-D01
ADPICS No.: 001B2600445

Contract Description: Construct electrical infrastructure system for the correctional facilities, supporting operations, and offices in the Jessup region. The Jessup electrical infrastructure system provides power to six correctional institutions, Maryland Environmental Services facilities, and a firing range, all located in Anne Arundel County. The existing grid is owned by the Department of Public Safety and Correctional Services and supports over 120 buildings. The project is needed because the existing infrastructure can neither provide reliable uninterrupted power, nor support any additional buildings.

Award: Dvorak, LLC; Baltimore, MD (VSBE)

Contract Term: 720 Calendar Days

Amount: $23,977,000

Procurement Method: Competitive Sealed Bidding

Performance Security: Performance and payment bonds for 100% of contract amount.

Incumbents: N/A

Requesting Agency Remarks: A notice of availability of an Invitation for Bids (IFB) was posted on the DGS website and eMaryland Marketplace Advantage on October 1, 2021. Six bids were received and opened on January 14, 2022. Dvorak, LLC has been found responsible and its bid responsive. The bid pricing has been confirmed.
7-C. CONSTRUCTION CONTRACT (cont’d)

Agency Remarks (cont’d):

The SB 290/Budget Bill - Capital Appropriations of 2023, and the SB 291/Maryland Consolidated Capital Bond Loan Preauthorization Act of 2023, will not be Chapter enabled until June 2022 for the MCCBL, and July 2022 for the CA funds. The remaining funds in the MCCBL 2021/Item 112 balance ($3,681,000) will be used for ancillary design and construction factors (AE fee mods, construction contingency, CITS, CPM scheduling, etc.) after the construction contract is awarded.

Fund Source:

- MCCBL 2019 Provide funds to continue design and begin construction of upgrades to the electrical infrastructure servicing correctional facilities, support buildings, and offices in the Jessup region, provided that notwithstanding Section 6 of this Act, work may commence on this project prior to the appropriation of all funds necessary to complete this project. Item 302 ($7,930,000)
- MCCBL 2020 Provide funds to continue the construction of upgrades to the electrical infrastructure servicing correctional facilities, support buildings, and offices in the Jessup region, provided that notwithstanding Section 6 of this Act, work may commence on this project prior to the appropriation of all funds necessary to complete this project. Item 116 ($994,000)
- MCCBL 2021 Provide funds to continue design and begin construction of upgrades to the electrical infrastructure servicing correctional facilities, support buildings, and offices in the Jessup region, provided that notwithstanding Section 6 of this Act, work may commence on this project prior to the appropriation of all funds necessary to complete this project. Item 112 ($1,312,000)
- SB 290/CA 2023 Provide funding to the Department of Public Safety and Correctional Services to continue construction of the Jessup region electrical infrastructure upgrade project. ($4,352,000)
- SB 291/MCCBL 2022 Provide funds for the completion of construction of upgrades to the electrical infrastructure servicing correctional facilities, support buildings, and offices in the Jessup region. ($9,389,000)

8-C. CONSTRUCTION CONTRACT
Department of Natural Resources

Contract ID: Replace Floating Dock at Deep Creek Lake State Park; P-008-210-010
ADPICS No.: 001B2600450

Contract Description: Replace existing docks, Discovery Center, and Waterfront Way Boat Ramp at the Deep Creek Lake State Park in Garrett County.

Award: Lakeside Dock Sales & Service, LLC; McHenry, MD (SBE)

Contract Term: 180 Calendar Days

Amount: $247,200

Procurement Method: Competitive Sealed Bidding (SBR-Designated)
(Single Bid Received)

MBE/VSBE Participation: N/A / N/A

Performance Security: Performance and payment bonds for 100% of contract amount.

Incumbent: N/A

Requesting Agency Remarks: A notice of availability of an Invitation for Bids (IFB) was posted on the DGS website and eMaryland Marketplace Advantage on January 28, 2022, with a Small Business Reserve (SBR) designation. One bid was received and opened on March 9, 2022. Lakeside Dock Sales & Service, LLC has been found responsible and its bid responsive. The bid pricing has been confirmed.

The contract price was determined to be fair and reasonable based on a cost analysis. The components of the floating docks are mainly aluminum for the structure, vinyl for the decking, and HDPE for the floats. The vinyl and HDPE are both oil-based products and were trading around $60/barrel last year and are currently $110/barrel, an 83% increase.
8-C. CONSTRUCTION CONTRACT (cont’d)

Agency Remarks (cont’d):

The individual items, 3’x4’ floats were $82.50 last year and are now selling for $123.00 this year; roughly a 50% increase. Vinyl decking has increased from $2.24 to $3.10 per foot, approximately a 40% increase. Aluminum is currently trading at $3,530 per ton versus $2,130, a 66% increase; and aluminum manufacturers will not quote the fabricators a price until it is delivered to the site. The bid price of $247,200 exceeds the DGS estimate by 65% from last year which is in line with the increases noted above. Additionally, reissuing the solicitation to attempt further competition will likely result in increased pricing and, due to the specialized nature of the work and the location, competition is unlikely.

10-S. SERVICES CONTRACT (cont’d)

MBE/VSBE Participation: 15% / 0.5%

Performance Security: $300,000 Security Bond

Hiring Agreement Eligible: Yes

Incumbents: Harris & Harris; Chicago, IL

Requesting Agency Remarks: A notice of the availability of a Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA), notifying 240 potential vendors on August 19, 2021. The solicitation was also posted on the Comptroller’s procurement website and listed in the contract brochure which is distributed at various procurement and MBE outreach events throughout the year. The RFP was directly emailed to 45 prospective offerors including 16 Maryland firms and seven MBEs.

Ten proposals were received in response and one proposal was determined not to be reasonably susceptible of being selected for award for failing to provide a complete technical proposal. Penn Credit ranked first overall with the third highest technical proposal and the second lowest commission rate and are recommended for award because the firm provided the most advantageous offer to the State.

The Comptroller of Maryland competitively acquires the services of both a primary and secondary collection service, awarded as separate contracts. The primary collection contractor is given the first opportunity to collect against the delinquent tax accounts and only if they are unsuccessful is the account given to a secondary collection contractor.

The anticipated collection during the contract term is estimated to be $46,000,000. The estimated revenue generated for the State is approximately $38,000,000. Penn Credit will receive 4.74% of each collection as a commission and an incentive award each year if a pre-established collection threshold is met.

11-S. SERVICES CONTRACT
Department of Human Services, Social Services Administration

Contract ID: Out-of-State Residential Child Care Services; SSA/OOS-22-042
ADPICS No.: N00B2600341

Contract Description: Continued out-of-state placement services for one youth currently placed with this provider.

Award: Pharos Group, LLC dba Lifeskills South Florida; Deerfield Beach, FL

Contract Term: 06/01/2022 – 05/31/2024 (w/one 1-year renewal option)

Amount: $ 676,175 (Base: 2-years)
       $ 337,625 (Renewal Option: 1-year)
       $1,013,800 Total

Procurement Method: Sole Source

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent: Same

Requesting Agency Remarks: This contract was originally initiated as an emergency procurement on the February 16, 2022, Secretary’s Agenda, item A10. This is for a 19-year-old youth diagnosed with Major Depressive Disorder, recurrent severe without psych features; Post-Traumatic Stress Disorder, unspecified; Child Sexual Abuse confirmed subsequent encounter; Autism Spectrum Disorder, Attention Deficit Disorder (ADHD), unspecified; Nicotine Dependence, and Cannabis abuse. This youth is being recommended for out-of-state placement because this vendor meets the unique qualifications to provide the necessary services.

It was determined by the Local Department of Social Services that Pharos Group dba Lifeskills South Florida continues to be the most appropriate placement as they are a Residential Treatment Center that provides services to males and females, ages 18 and over who have difficulties in some area or areas of their lives related to substance abuse and/or mental health diagnosis and meet Lifeskills’ established criteria for a 24-hour, 7 days a week setting.
11-S. **SERVICES CONTRACT (cont’d)**

The Maryland State Department of Education is the State Agency responsible for setting rates for facilities that serve Maryland youth which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services, Nonpublic Special Education Section provides oversight for this work.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions.

12-S. SERVICES CONTRACT
Department of Natural Resources, Maryland Park Service

Contract ID: Greenbrier State Park Concession Services; K00R2600092
ADPICS No.: K00B2600124

Contract Description: Concession services at Greenbrier State Park. This is a revenue generating contract that runs from Memorial Day weekend through Labor Day each year for five years.

Awards: Jay Vending Company; Crofton MD

Contract Term: 05/27/2022 – 09/30/2026 (4-years, 4-months, 4-days)

Amount: $1,000,000

Procurement Method: Competitive Sealed Bidding

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbent: Same

Requesting Agency Remarks: A notice of the availability of the Invitation for Bids (IFB) was advertised on eMMA on February 2, 2022. Copies of the solicitation notice were sent directly to three prospective vendors, including two Maryland firms.

Two bids were received and both were found to be responsive. Jay Vending Company has been found responsible and its bid responsive. The bid pricing has been confirmed. The price has been deemed fair and reasonable based on historic commission rates for this contract and other concession contracts within the same region of the State.
12-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

This contract is an important source of revenue for DNR and provides an important service to the park patrons who visit Greenbrier State Park. The Concession Program provides visitors with access to a beach store, snack bar, and boat rentals. The contract is revenue generating and the contractor receives the proceeds from these purchases and rentals, and DNR receives 32.0% commission of all gross revenues.

It is important to note that while a 32% commission may appear to be high, the vendor is not engaging in price gouging, as this is only about 6% higher than the previous contract which began in 2017. The amount of the contract is the projected gross revenue amount for the length of the contract term. The incumbent’s commission for the last contract was 24.1%.

The sales for years 2017 - 2021 are below:

- 2017 - Sales were $141,909.65 and commission was $34,200.23.
- 2018 - No commission was received due to the low levels of the lake, which affected the number of visitors to the park, translating to very low sales.
- 2019 - Sales were $100,383.00 - commission was $20,763.20 (The commission was reduced to 20% as the lake level was low and so was the visitor count.
- 2020 - Sales were $195,712.00 – commission was $47,166.59
- 2021 - Sales were $191,433.27 - commission was $46,135.42

Greenbrier State Park is a multi-use park open year-round that provides a variety of recreation options for visitors. The 44-acre man-made lake and beach draws many visitors who enjoy swimming, boating, hiking, picnicking, fishing, and hunting. The busiest season for the park is during the summer from Memorial Day through Labor Day. However, the campground is open through the end of October.

No MBE or VSBE participation goals were established for this contract based on the limited subcontracting opportunities available. Additionally, there are few or no MDOT certified minority businesses or verified veteran-owned firms available.

*Department of the Environment*

**Contract ID:** Construction Monitoring Contract; U00B2600008  
ADPICS No.: U00B2600008

**Contract Description:** Statewide professional services for monitoring construction activities. Includes estimating contractor’s completed work in place, reviewing daily logs, and schedules to determine the progress to release payments.

**Awards:**  
- Straughan Environmental, Inc.; Columbia, MD *(Central & Eastern)*  
- Phoenix Engineering, Inc.; Parkton, MD *(Western)*  
- Stratified, Inc; Pasadena, MD *(Southern)* *(MBE, SBE)*

**Contract Term:** 11/01/2022 – 10/31/2027 (5-years)

**Amount:** $3,000,000 NTE

**Procurement Method:** Competitive Sealed Bidding *(SBR-designated)*

**Bids:** See Attachment I

**MBE/VSBE Participation:** 25% / 0.5%

**Performance Security:** N/A

**Incumbents:** Straughan Environmental, Inc.; Columbia, MD

**Requesting Agency Remarks:** A notice of the availability of the Invitation for Bids (IFB) was advertised on eMaryland Marketplace Advantage on September 8, 2021 with a Small Business Reserve (SBR) designation. Three bids were received and opened on October 8, 2021.
13-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

MDE divided the State into four Construction Monitoring Regions:

1. Central Region: Baltimore City, Anne Arundel, Baltimore, Carroll, Cecil, Harford, Howard and Montgomery Counties;
2. Eastern Region: Caroline, Dorchester, Kent, Queen Anne’s, Somerset, Talbot, Wicomico and Worcester Counties;
3. Southern Region: Calvert, Charles, Prince George’s and St. Mary’s Counties; and

Bidders could bid on any region but were required to submit a separate bid for each one. A total of five bidders responded to the IFB, submitting 18 bids between the four regions. Four bids were received for the Central Region; four bids were received for the Eastern Region; five bids were received for the Southern Region; and five bids were received for the Western Region.

Straughan Environmental, Inc. has been found responsible and its bid responsive for the Central and Eastern regions. The bid pricing has been confirmed.

Phoenix Engineering, Inc. has been found responsible and its bid responsive for the Western region. The bid pricing has been confirmed.

Stratified, Inc. has been found responsible and its bid responsive for the Southern region. The bid pricing has been confirmed.

The award amount is a not-to-exceed amount for the entire State. The bid amounts are the fully loaded fixed prices per site visit.

MDE provides financial assistance in the form of grants and loans to local governments and other grant/loan recipients for the construction of drinking water, wastewater and nonpoint source projects. MDE is required to monitor funded projects in order to release loan and grant payments.

Two of the contractors are Maryland-certified MBE firms and all work assigned to Straughan Environmental and Phoenix Engineer will be performed by an MBE.

14-S. SERVICES CONTRACT
Department of Health

Contract ID: Specialized Vaccination Clinic Services for Individuals with Developmental, Behavioral, or Brain-Related Disabilities; OCMP 22-00002
ADPICS No.: M00B2600401

Contract Description: Specialized COVID-19 vaccination clinics for individuals of all ages with developmental disabilities and disorders of the brain, spinal cord and musculoskeletal system.

Award: Kennedy Krieger Institute; Baltimore, MD
Contract Term: 05/12/2022 – 12/31/2022 (7-months, 19 days)
Amount: $500,000 NTE

Procurement Method: Sole Source
Living Wage Eligible: Yes
MBE/VSBE Participation: N/A / N/A
Performance Security: N/A
Incumbents: N/A

Requesting Agency Remarks: The Maryland Department of Health seeks to provide clinics that remove barriers to vaccinations for certain populations. These barriers can include accessible websites, registration processes, and vaccine sites not able to accommodate the needs of the individuals who are unable to mask and who present severe behavioral challenges. Specialized COVID-19 vaccine clinics that provide a sensory-friendly environment, with minimal sights and sounds, are needed to accommodate those who are sensitive to noise and light and those who would benefit from on-site professional behavioral support staff members.

Individuals with disabilities with significant behavioral needs, fear and anxiety around medical treatments, and who require specialized support can be accommodated at the Kennedy Krieger Institute COVID-19 Vaccination Clinic as well as through specialized teams to partner with the State’s mobile vaccination clinics to serve Marylanders with significant disabilities who are unable to receive a vaccination at other clinic sites.

According to the Department of Disabilities, MDH Behavioral Health Administration and MDH vaccination personnel who must refer these populations elsewhere, KKI is the sole provider of these specialized vaccination services.
Per MDH vaccination policy, MDH vaccination personnel may not use any type of restraint, which is necessary for some individuals in the above-described populations. Because MDH’s vaccination policy does not allow restraints, the Department refers individuals to KKI as the only known provider of specialized vaccination services for individuals of all ages with developmental disabilities and disorders of the brain, spinal cord and musculoskeletal system and others that need special accommodations. The Department needs both to ensure a vaccination clinic that has the ability to use restraints appropriately is available for those needing them in Maryland and that enough clinic hours exist for these patients, especially given recent authorizations for vaccines for ages 5 and up. Furthermore, because the Department’s policy does not allow the use of restraints, it is not enough for the Department to train existing MDH vaccination clinic providers because they would not be able to provide the full scope of services needed for these specialty vaccine clinics.

Additionally, because providing specialty vaccination clinics for certain disabled populations is resource-intensive on account of the behavioral staff needed and due to providers of these specialty vaccination clinics spending as much as 30 minutes per patient in contrast to the 3 minutes per patient at a traditional vaccination clinic, providing these specialty vaccination clinics is not a service that many providers can or are willing to undertake. As a result, no other providers within Maryland offer these vaccination clinic services, according to the Department of Disabilities and Department of Health personnel. Because these services are part of KKI’s mission to serve these populations, KKI is providing them and, incidentally, the single available provider of these services to Marylanders.

Kennedy Krieger Institute is the sole source provider of specialized vaccinations clinics for populations with these disabilities, including sensory disabilities, which preclude them from receiving vaccinations from typical vaccination delivery methods. KKI has staff with a specialized set of skills needed for facilitating successful vaccinations in this population.

15-S. SERVICES CONTRACT
Department of Health, Potomac Center/Secure Evaluation & Therapeutic Treatment

Contract ID: Physician Services for MDH Potomac Center and Secure Evaluation & Therapeutic Treatment Facilities; OCMP 22-18892
ADPICS No.: M00B2600403

Contract Description: Physician services of a physician licensed by the Maryland Board of Physicians to practice medicine under MD State Law. The Physician will provide somatic medical treatment to the individuals served at the Potomac Center and Secure Evaluation & Therapeutic Treatment (SETT) facilities with intellectual or developmental disabilities. Services will be provided on site for two (2) days per week, for 3-hours on each of those days. The Physician will also be required to provide on-call coverage for emergencies. Site location is 1380 Marshall Street, Hagerstown, MD.

Award: Royal Homecare and Staffing, LLC; Odenton, MD (SBE)

Contract Term: 05/15/2022 – 05/14/2025

MBE/VSB Participation: N/A

Performance Security: None

Incumbents: Dr. Farid Murshed; Hagerstown, MD

Requesting Agency Remarks: On December 29, 2021, an Invitation for Bid (IFB) was published on eMaryland Marketplace Advantage (eMMA). The solicitation due date was on January 28, 2022. A total of four bids were received; however, two bids were determined to be not reasonably susceptible of being selected for award for failing to provide proof of insurance as required in the solicitation.
15-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

This procurement secures acute-care physician services for individuals with intellectual disabilities at the Potomac Center and the Secure Evaluation and Therapeutic Treatment (SETT) facilities in Hagerstown, Maryland. These physician services are provided to comply with federal and state licensure, certification, and accreditation requirements for these facilities.

No MBE or VSBE goals were established for this contract as it provides physician services by an individual physician to the Potomac Center/SETT.

Performance Security: N/A

Incumbents: N/A

Requesting Agency Remarks: These contracts were issued outside of the normal procurement approval process due to time constraints for immediate and urgent need for mobile testing during the winter COVID-19 case surge.
16-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

The Department sought mobile testing services to establish multiple testing delivery methods for COVID-19 testing to ensure all Marylanders could receive testing. These three contractors were able to provide testing support to existing testing sites to allow COVID-19 testing to be more accessible to identified populations and places, particularly for populations that are underserved, hard to reach, and experiencing outbreaks. These support services also reduced the burden on hospital emergency rooms that were inundated by the individuals requesting testing during the Omicron surge.

The Department issued these contracts to three vendors already under contract with the State to provide vaccination services because of the emergent need and that these contractors were the only available source to meet the immediate demand for mobile testing services support. Any additional mobile COVID-19 testing services needed in the future will be procured competitively.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

17-S. SERVICES CONTRACT
RETROACTIVE Maryland State Department of Education, Division of Support, Academic Enrichment, and Educational Policies

Contract ID: Technical Assistance for Maryland Public Charter Schools and Charter School Developers; R00B9400024
ADPICS No.: R00B2600067

Contract Description: RETROACTIVE approval to provide technical assistance to public charter schools and charter school developers within the State of Maryland.

Awards: Maryland Alliance of Public Charter Schools, Inc.; Baltimore, MD

Contract Term: 06/01/2021 – 05/11/2022 (Retroactive: 1-year)
05/12/2022 – 05/31/2024 (Proactive: 2-years)

Amount: $167,755 (Retroactive)
$355,854 (Proactive)
$523,609 Total

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: 8.05% / N/A See Agency Remarks.

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: The previous contract expired without an extension on July 31, 2021, due to managerial oversight during the COVID-19 pandemic and Maryland Alliance of Public Charter Schools (MAPCS) continued to provide necessary services. MSDE is satisfied with MAPCS’ performance. MAPCS plays an important role in the success of MSDE adhering to meeting the United States Department of Education Charter Schools Program’s grant goals, which MSDE manages. Non-renewal of the contract could jeopardize MSDE’s Division of Support, Academic, Enrichment, and Educational Policies’ ability to comply with their mission and United States Department of Education USDE’s Charter School Program reporting requirement.
17-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

MSDE has taken steps to ensure this does not happen in the future by reorganizing the entire procurement staff and putting contract management tools in place to prevent any lapses in contracts. MSDE is currently rolling out a process with all of the MSDE departments by using ServiceNow to track incoming procurement requests. MSDE is also looking at a contract management tool to help in tracking the expiration dates of existing contracts. Also, strengthening relationships between MSDE programs ensures all MSDE partners understand the procurement process and time needed to address their needs.

MSDE compared the pricing to the previous contract and it was historically consistent with the current pricing. MSDE believes that this price analysis based on historical prices meets the criteria for fair and reasonable pricing.

MSDE provides technical assistance, which may include professional development to existing charter schools and charter school development teams. Technical assistance activities may include workshops for one or more schools, webinars, and other activities approved by the MSDE. The scope of work for this contract includes a wide range of technical assistance services, including, but not limited to, workshops and individual consulting to support the charter school developers and to operate charter schools within the state of Maryland.

An MBE goal of 8.05% has been established for this contract. To date, the vendor has met 5%MBE compliance and continues to work towards the established participation goal.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

RETROACTIVE - Department of Education, Division of Rehabilitation Services

Contract ID: Statewide Vending and Interstate Welcome Center/Rest Stops For The Maryland State Department of Education/Division of Rehabilitation Services/Maryland Business Enterprise Program for the Blind; DORS-FY20-0008
ADPICS No.: R00B2600082

Contract Description: RETROACTIVE approval to provide day-to-day operation and servicing of vending machines located in various State Department of General Services (DGS) owned and operated facilities throughout the State of Maryland.

Award: Frontline Food Services LLC; Baltimore, MD

Contract Term: 10/01/2021 – 05/11/2022 (Retroactive: 7-months, 11-days)
05/12/2022 - 09/30/2024 (Proactive: 2-years, 4-months, 19-days)

Amount: $1,692,000.00 (Revenue)
Commission Rate for Rest Stops/Welcome Centers: 32.50% (Paid on Gross Sales without deduction of taxes or other fees)
Commission Rate for State Buildings 30.00% (Paid on Gross Sales without deduction of taxes or other fees)

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: 15% / N/A

Performance Security: N/A

Incumbents: Accent Foods; Pflugerville, TX

Requesting Agency Remarks: The prior contract with Accent Food Company was voided as Accent Food Services was transferred to Frontline. Frontline would not novate the agreement without renegotiation of terms due to the loss in revenue due to the Covid 19 pandemic. This contract reflects Frontline’s new contract to provide services for Region I, II, and IV.
18-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

This contract is in accordance with 20 U.S.C. §107, Code of Federal Regulations 34, Part 395-Vending Facility Program for the Blind, Public Law 97-424-Jan., 6, 1983, 23 USC 111 The Highway Improvement Act of 1982; and the Master Agreement for Kennelly Project by and between the Maryland State Department of Education, Division of Rehabilitation Services (MSDE/DORS) and the State Highway Administration (SHA), a model administration of the MD Department of Transportation (MDOT), Department of Public Safety and Correctional Services (DPSCS), Department of Juvenile Services (DJS), Department of Housing and Community Development (DHCD), Department of Human Services (DHS), the Motor Vehicle Administration (MVA), Department of General Services (DGS) controlled, and other State owned facilities. The Vending Facility Program for the Blind is operated by the DORS, MD BEP, in collaboration with the Maryland Committee of Blind Vendors, on behalf of blind vendors participating in the MD BEP.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204( c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

19-S. SERVICES CONTRACT
RETROACTIVE - Department of Education

Contract ID: MSDE Grants AFR Migration
ADPICS No.: R00P1600420

Contract Description: RETROACTIVE approval to provide expertise to rewrite and migrate the legacy Grants AFR application.

Awards: Jehovah Jireh Solutions, Inc.; Ellicott City, MD (SBE)

Contract Term: 09/01/2020 – 05/11/2022 (Retroactive: 8-months, 11-days)
05/12/2022 - 06/30/2022 (Proactive: 1-month, 20-days)

Amount: $73,600 (Retroactive)
$26,400 (Proactive)
$100,000 Total

Procurement Method: Sole Source

MBE/VSBE Participation: N/A / N/A

Performance Security: None

Incumbents: None

Requesting Agency Remarks: The Annual Financial Reporting (AFR) System is a customized web-based management system proprietary to the MSDE. The AFR is a required tool used by the MSDEs accounting department and grant sub-recipients for managing grant payments to the Local Educational Systems within the State. Jehovah Jireh, as the vendor, who customized the system and has a vast understanding of programming, is the only resource able to oversee the data migration process to ensure that the data is migrated successfully. If the service were to lapse, the project progress would stall.

The MSDE needed a vendor to assist with rewriting and migrating the legacy Grants AFR application and upgrading the architecture to the current version of Windows Server, Oracle WebLogic Server, Oracle Database Server, IBM Cognos BI Analytics and Informatica. The resource works in cooperation with the MSDE Office of Information Technology personnel familiar with the existing application and the expected outcomes. The scope of work included Grants AFR application functionalities and no new functionalities were developed.
19-S. **SERVICES CONTRACT** (cont’d)

*Agency Remarks (cont’d):*

This contract was not properly approved by the MSDE and did not obtain approval from the proper control agency. The MSDE is satisfied with Jehovah Jireh’s performance. Not having this contract in place is detrimental to the agency in order to get the Grants AFR application upgraded and the previous information to get migrated to the new environment. It could potentially cause a disruption to MSDE if the application does not properly get upgraded.

MSDE has taken steps to ensure this does not happen in the future by reorganizing the entire procurement staff, putting contract management tools in place to prevent any lapses in contracts. Also strengthening relationships with MSDE programs to ensure they begin the procurement process early enough and allow time for any approvals required.

**DGS OSP Remarks: RETROACTIVE** approval requested pursuant to § 11-204( c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

20-S. SERVICES CONTRACT
RETROACTIVE - Maryland State Department of Education

Contract ID: Audiobooks and Digital Reading Support for Learning Loss; R00P2600703
ADPICS No.: R00P2600703

Contract Description: RETROACTIVE sole-source contract is to request approval from the Office of State Procurement for services previously rendered and satisfied for the purchase of audio and Nook digital reading materials.

Awards: Barnes & Noble, New York, NY

Contract Term: 09/03/2021-12/31/2021 (Retroactive: 4-months)

Amount: $168,336.00 (Retroactive)

Procurement Method: Sole Source

Living Wage Eligible: No

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: This contract is being requested to receive the proper approval from the Board of Public Works for the past purchase of digital reading materials for the Maryland State Department of Education (MSDE). Due to the age of the materials originally purchased, a significant portion of the original library collection subscriptions needed to be renewed and new materials added to maintain functional utility as a reading resource for students in the Juvenile Services Education System (JSES) program. With the award of funds provided by the U.S. State Government under the Coronavirus Aid Relief and Economic Security Act for technology investment in education, JSES purchased Nook tablets and eReaders for students within the Juvenile Services Education program, as a part of its digital library system.

This contract is retroactive due to contract management oversight by the MSDE. MSDE accepts responsibility for this oversight and has taken appropriate steps to ensure that this does not happen again.
20-S. SERVICES CONTRACT (cont’d)

Agency Remarks (cont’d):

MSDE compared the pricing to the previous contracts that MSDE has entered into for the digital textbooks with Barnes and Noble, and [..] it is historically consistent with the current pricing that MSDE received. MSDE believes that this price analysis based on historical price meets the criteria for fair and reasonable pricing.

The approval of this retroactive contract will allow the agency to properly document the purchase of the digital reading materials.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204( c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

21-S-MOD. SERVICES MODIFICATION
Department of Health, Developmental Disabilities Administration

Contract ID: Management Consulting and Program Management for Continued Development of DDA Functionality in Long Term Services and Support (LTSS); OPASS 19-17976
ADPICS No.: COJ52529

Contract Approved: DBM 12-S, 8/1/2018

Contract Description: Obtain management consulting and program management services to provide oversight and project management for the transition to LTSS and to provide technical support for the transformation activities. The contractor will support the re-engineering and implementation of complex business processes, work effectively with information technology vendors to translate business process needs into system specifications and manage dependencies related to multiple transformation efforts which include the implementation of a new information technology solution, programmatic and payment system.

Modification Description: Extend the contract term to support the definition and development of functionality in LTSS as well as programmatic, operational, and financial transformation initiatives.

Awards: Alvarez & Marsal Public Sector Services, LLC; Washington, DC

Contract Term: 09/01/2018 – 08/31/2020 (w/one 1-year renewal option)

Modification Term: 07/01/2022 – 02/28/2023

Original Amount: $3,939,480.00

Modification Amount: $1,720,000.00

Prior Options/Mods: $2,042,680.00 (Renewal Option #1: 09/01/20 – 08/31/21; DGS 36-S-MOD, 8/12/2020)
$ 0.00 (Mod. #1: Changes to MBE/VSBE subcontractors; Delegated Authority - MDH, 06/10/2021)
$ 0.00 (Mod. #2: Extends contract term through 09/30/2021; Delegated Authority – MDH, 08/17/2021)
$1,875,153.39 (Mod #3 Extends contract term through 06/30/2022; DGS 62-S-MOD, 09/01/2021)

Total Contract Amount: $9,577,313.39
21-S-MOD. SERVICES MODIFICATION (cont’d):

Percent +/- Change (this item): 43.66%

Total Percent +/- Change: 143.11%

Procurement Method: Competitive Sealed Proposal (Single Proposal Received)

MBE/VBE Participation: 5% / 1%

MBE/VBE Compliance: 5% / 1%

Performance Security: N/A

Requesting Agency Remarks: MDH’s Developmental Disabilities Administration (DDA) is requesting a contract modification to:

- Extend the current contract for eight months from July 1, 2022 to February 28, 2023 in order to complete, award, and transition (if applicable) an active request for procurement (RFP); and

- Add additional funds to continue LTSSMaryland transition work while (1) is being completed.

The new RFP for this contract is currently posted on eMMA with a closing date of April 22, 2022, and the process will likely not be completed in time for the Board’s consideration before the current contract’s June 30, 2022 expiration date for the continuation of services under the scope of the current contract and potential transition time for the incumbent and awardee. The rates under this contract remain unchanged. Extending the contract term would be most advantageous to the DDA LTSS program as the contract provides critical support to the development and functionality of the LTSS program oversight and management.

23-S-MOD.  SERVICES - MODIFICATION (cont’d)

Requesting Agency Remarks: Chapter 14 of Maryland Law of 2018 required the Interagency Commission on School Construction (IAC) to engage a contractor to perform an initial assessment of the condition and educational sufficiency of 1,400 public school facilities. The data would be required to be no more than four years old. The contract was advertised after being transferred to DGS OSP following an unsuccessful procurement attempt in January of 2020. The contract was awarded by the Board of Public Works in September of 2020 after several protests filed from one vendor that stalled the procurement process. The IAC has now requested a modification to the contract due to a need for updated timelines and costs.

The baseline assessment could not begin until November 2020 following continued workgroup sessions including the Legislature and the program. Various elements were introduced in House Bill 1290. The baseline schedule was compressed to finish in August of 2021. The compressed schedule, along with the changed and augmented requirements imposed by their Workgroup prevented the IAC from timely hiring in-house staff as well as training of staff during the appropriate periods within the baseline cycle. As a result, the IAC lacks the trained staff necessary to meet the Chapter 14 data requirement and this change order is necessary to become compliant with the Chapter 14 four-year data requirements as follows:

Task 1 requirements are for the facility reassessments, school facility condition summary reports and biweekly project status reports. The Contractor will be standardizing the protocols. The cost includes assessment and consultation. It will be updated for conditions to include remaining life and depreciation value. Data provided by the State and the Local Education Agencies (LEA) will be used to update external data related to demographics and projected enrollment.

Task 2 requirements are to include a Senior Program Lead Support as well as briefings to the Commission and/or General Assembly. It contains Information Technology support to reflect evolution of the model, reporting and integration of data between AssetCalc, Asset Essentials, and Qlik.

Although a 17% MBE participation goal was established for this contract, the contractor has committed to exceeding the goal by 3% to meet 20% MBE participation. The contractor will continue to partner with their subcontractors through the contract term.

**Performance Security:** None
24-S-MOD  SERVICES MODIFICATION (cont’d)

Requesting Agency Remarks: The Department of Health seeks additional funding for phlebotomy and laboratory services that exceeded the initially anticipated volume when the original contract was awarded. Additionally, the Department has determined that some laboratory services that were previously provided on an as-needed basis and billed at the ‘current market rate’ would better serve the State and its citizens as fixed-price services through this contract vehicle. These services are crucial and needed for the continued patient care at the facility. The Finan Center is satisfied with UPMC’s performance and is confident in company’s future performance. The Department is working on a new procurement (IFB) to replace this contract at its expiration in December 2022.

Approval of this retroactive modification will allow compensation to and continued services by UPMC Western Maryland, which has diligently worked on behalf of the State to provide laboratory and phlebotomy services to support the health and well-being of the patients at the Thomas B. Finan Center.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

Contract ID: Acquisition and Relocation Service; SHA-ORE-2015
ADPICS No.: COJ19168

Contract Approved: DBM 4-S, 06/07/2017

Contractor(s): Johnson, Mirmiran and Thompson; Sparks, MD
Diversified Property Services, Inc.; Timonium, MD (MBE)
O.R. Colan Associates, LLC; Fairview Park, OH

Contract Description: Multiple awards to provide right-of-way acquisition and relocation services on an as-needed, work order basis for the Office of Real Estate and additional critical support in the various districts where the anticipated workload may increase.

Option Description: RETROACTIVE approval is requested to exercise a 1-year renewal option mistakenly not reported on the original agenda item presented to BPW in 2017. Both the agency and vendor have acted in good faith, based on the contract documentation.

Modification Description: Extend the contract by 6-months to complete a procurement for a replacement contract.

Original Contract Term: 06/22/2017 – 06/30/2021
Renewal Option Term: 07/01/2021 – 05/11/2022 (Retroactive: 10-months, 11-days)
05/12/2022 – 06/30/2022 (Proactive: )
Modification Term: 07/01/2022 - 12/31/2022 (Proactive Extension)

Original Contract Amount: $2,000,000
Modification Amount: $0
Prior Mods/Options: N/A
Total Contract Amount: $2,000,000

Percent +/- (This Item): N/A
Total Percent Change: N/A

Original Procurement Method: Multi-Step Competitive Sealed Bidding

MBE/VSBE Participation: N/A / N/A

MBE/VSBE Compliance: N/A / N/A
25-S-MOD. SERVICES MODIFICATION (cont’d)

Requesting Agency Remarks: The Maryland Department of Transportation State Highway Administration (MDOT SHA) inadvertently failed to include reference to a 1-year renewal option when the original contract was presented to the Board of Public Works (approved as DBM 4-S, 06/07/2017); however, the option was included in each of the three awarded contracts.

The vendors and MDOT SHA exercised the renewal option periods which extended the contracts through June 30, 2022. No additional funds were required, and all parties operated in good faith based on the original contract documents.

MDOT SHA is seeking retroactive approval for the 1-year renewal option period, as well as proactive approval to extend the contract term through December 2022 while a replacement procurement is completed.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204( c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

26-S-MOD. SERVICES MODIFICATION (cont’d)

Total Contract Amount: $41,332,466

Percent +/- Change (this item): 13.95%

Total Percent +/- Change: 13.27%

Procurement Method: Competitive Sealed Proposals

Living Wage Eligible: No

MBE/VSBE Participation: 6% / N/A

MBE/VSBE Compliance: 2% / N/A

Performance Security: None

Requesting Agency Remarks: The High School Assessments are designed to ensure Maryland High School graduates are prepared to pursue higher education and career paths. These rigorous assessments in Government and Science determine the student’s knowledge of skills and serve as graduation requirements in Maryland. The assessments are administered three times per year.

Cognia, Inc., and the Division of Assessment, Accountability, and Performance Reporting made these changes in the scope of work for the retroactive modification in order to benefit the students in Maryland but did not realize that these changes required a formal modification through the Procurement Officer. The retroactive modification is due to managerial oversight during the COVID-19 pandemic and the impact that COVID-19 has on the assessment development timeline.

Cognia, Inc., continued to provide necessary services and MSDE is satisfied with its performance. Cognia, Inc., plays an important role in the success of MSDE’s assessment program meeting all of the United States Department of Education (USDE)’s requirement for peer review for State assessment systems. In addition, the company’s services meet and remain consistent with all Federal, State, and local laws, regulations, and guidelines that pertain to the needs of student populations, including special student requirements.

MSDE has taken steps to ensure this does not happen in the future by reorganizing the entire procurement staff, implementing contract management tools to prevent any lapses in contracts. The department is working on strengthening the relationships with MSDE programs to ensure they begin the procurement process early enough and allow time for any approvals required.
26-S-MOD. SERVICES MODIFICATION (cont’d)

Agency Remarks (cont’d):

These modifications did not add any additional tasks to the scope of work but were a change in the deliverables schedule that was originally awarded.

The reason for the modification is:

- **Credit to MSDE Due to COVID-19 Stopped Work in FY2020** – This credit is due to MSDE since the agency stopped performing tests during COVID-19. The unused money for development is now a credit to MSDE.

- **Test Development Change** - Cognia is shifting its development of the Maryland Integrated Science Assessment in High School (HS MISA) from an integrated multi-domain Science Assessment in High School to an assessment focused solely on a Life Sciences Integrated Assessment (LS MISA).

- **Travel Reductions / Virtual Meetings** – Due to the impacts of the COVID-19 global pandemic, MSDE elected to change all meetings between July 1, 2020, and June 30, 2021, from live to virtual ones. This change resulted in a cost reduction, which is now a credit to MSDE.

- **Increase in Stipend** - Cognia will also increase the stipend paid to Maryland educators who participate in content review committees.

- **Extended Spring Government Test Window** - Cognia opened the assessment window for HSA government early on February 22, 2021, to allow students to begin testing as close to the completion of their government course as possible through June 4, 2021. This change resulted in additional costs to MSDE in order to open the testing window early and keep it open longer for the students.

- **Additional Early Fall Administration** - The additional Early Fall Administration will be conducting a testing from September 13, 2021, to October 22, 2021, which will result in added costs for scoring/reporting, administration, and production/distribution support. Cognia will implement a pre-ID window to allow additional enrolled students and for the development and printing of necessary remote testing administration ancillary materials.

- **Transition to End Course Assessment for Science** – Cognia will transition the current MHSA to Life Science End of Course Assessment (LS MISA).

- **Transition to End Course Assessment for Government** – Cognia will build the grade conversion scale and letter grade mapping. This will result in an increase of the budget.

The total of these consolidated changes including defined credits results in a $0 budget adjustment through the end of the base year contract.
26-S-MOD. SERVICES MODIFICATION (cont’d)

Agency Remarks (cont’d):

The Division of Assessments, Accountability, and Performance Reporting is currently working on drafting the scope of work for a comprehensive Maryland assessment procurement, which is the reason for requesting approval of the extension request in advance. The program wants the contract with Cognia and the three other contracts for the Maryland Comprehensive Assessment Program (MCAP) to end at the same time, in order for the replacement contract to begin and allow enough for transition time.

An MBE goal of 6.39% (FA1) and 4.12% (FA2) were established for these contracts. To date, the vendor has met 3% (FA1) and 2% (FA2) MBE compliance rates. The MBE Participation Goals have not been met due to the delay caused by the COVID-19 pandemic. ETS is working to increase the MBE participation goals before the contract expires by fulfilling the contract deliverables.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

Requesting Agency Remarks: The Maryland State Department of Education (MSDE) is seeking approval of a retroactive modifications for two (2) contracts that the MSDE holds with Educational Testing Services (ETS) to develop content for assessments for grades 3-11 for the Maryland Comprehensive Assessment Program (MCAP) for Functional Area 1: English Language Arts and Mathematics and Functional 2: Science and Social Studies. ETS develops and administers mandatory computer adaptive testing (CAT) for summative assessments in English Language Arts and Mathematics, and a fixed form Science and Social Studies assessment delivered online and paper-based to students in grades 3-8, as well as high school end of course assessments (ECA) for Algebra I, Geometry. Algebra II, and English 10. These summative assessments comprise assessments in grades 3-8 and high school as part of the Career and College Readiness aligned to the Maryland State Standards across grades 3-8 and high school.

The MCAP will continue to assess student performance in compliance with the Maryland College and Career Readiness Standards. The MCAP program will continue to improve Maryland’s assessment program by focusing more directly on Maryland students and provide shorter assessments on a consolidated platform for administering the tests. This will improve the efficiency of Maryland tests.

Maryland has administered the State assessments since the 1970s for the purpose of ensuring that every child, regardless of the attending district or school, race, ethnic group, gender or family income, is receiving an equitable education. The State assessment program serves this purpose by providing an independent insight into each child’s progress, as well as each school’s progress. The State assessments are codified in both the State and federal law and are a required part of the MSDE’s Accountability program.
27-S-MOD. SERVICES MODIFICATION (cont’d)

Agency Remarks (cont’d):

ETS and the Division of Assessment, Accountability, and Performance Reporting made these changes in the scope of work for the retroactive modification in order to benefit the students in Maryland but did not realize that these changes required a formal modification through the Procurement Officer. The reason for retroactivity for these contract modifications is due to the impact that the COVID-19 pandemic had upon the contract timeline. These modifications are not scope of work changes of the deliverables from the original contract. The MSDE accepts responsibility for this oversight and has taken steps to ensure that this does not occur in the future. The modifications made were:

- The scope of work was increased to develop a new early fall diagnostic assessment
- The cost was covered by modifying the locations of meetings to virtual rather than in person which allowed for funds appropriated to travel to be used
- In addition, the stipend for educator participants was increased from $125 to $150
- Adjustments to the development of practice tests for all areas were also made
- Due to the cancellation of the Spring 2020 assessments, the lease with New Meridian for assessment items expired. The lease of items needed to be extended
- To cover this cost, location of meetings was extended to virtual, and a reduction was made to the number of days used for item writer training and content review committees
- Due to the cancellation of the Spring 2021 assessment and early fall assessment needed to be developed.
- The United States Department of Education (USED) allowed states to extend their testing window into the fall of the 2021-2022 school year
- An Early Fall 2021 Assessment for ELA, mathematics, and science was developed
- An Early Fall 2021 Remote Assessment for ELA, mathematics, and science was developed
- Changes to the format of the mathematics test were needed due to the use of calculators by item rather than by section
- The continuation of an increased stipend for educators
- Changes to accessibility for presentations were needed due to WCAG and MSDE rules
- The addition of a Form H grade 3 practice test was needed for English Language Arts Literacy
  - This form is used by students who are deaf or hard of hearing
- To compensate for this development, the ETS/MSDE planning meeting is now virtual

ETS continued to provide necessary services and MSDE is satisfied with its performance. ETS plays an important role in the success of MSDE’s assessment program meeting all of the USED's requirements for the State assessment systems. In addition, ETS’ services meet and remain consistent with all federal, State, and local laws, regulations, and guidelines that pertain to the needs of student populations, including special student requirements.
27-S-MOD. SERVICES MODIFICATION (cont’d)

Agency Remarks (cont’d):

It has been determined that it would be advantageous to the State to continue with the services provided through this contract with ETS.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204( c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

28-S-MOD/OPT. SERVICES MODIFICATION / OPTION
Department of Health

Contract ID: Mobile Vaccination Services; MDH/OCMP #22-19376
ADPICS No.: COJ52322

Contract Approved: Secretary’s Agenda A3, 11/3/2021

Contract Description: To provide turnkey COVID-19 mobile vaccination teams to administer vaccinations across Maryland to ensure vaccine access to all Marylanders.

Modification Description: Modification to ensure sufficient funding for this essential work through the end of the base period of June 30, 2022.

Option Description: Exercise renewal option for three of four COVID-19 mobile vaccination contractors.

Awards: Ambulnz Holdings, LLC; New York, NY*
Spartan Medical, Inc.; Rockville, MD (VSBE)
LongView International Technology Solutions, Inc. d/b/a LTS; Herndon, VA
Matrix Clinical Solutions, LLC; Scottsdale, AZ

*Not selected for renewal.

Contract Term: 09/20/2021- 03/20/2022 (w/three 6-month renewal options)

Modification Term: 05/12/2022 – 06/30/2022

Option Term: 07/01/2022– 12/31/2022

Original Contract Amount: $22,496,500.00

Modification Amount: $4,000,000

Option Amount: $22,516,500.00

Prior Options/Mods: $ 0 (Mod #1: Extend term through 06/30/2022; Delegated Authority – MDH, 03/20/2022).

Total Contract Amount: $49,013,000
**28-S-MOD/OPT. SERVICES MODIFICATION/ OPTION (cont’d)**

**Percent +/- Change (this item):** 117.87%

**Total Percent +/- Change:** 117.87%

**Procurement Method:** Emergency

**Living Wage Eligible:** Yes

**MBE/VSBE Participation:** N/A / N/A

**Performance Security:** N/A

**Requesting Agency Remarks:** The Department seeks two actions with this item: (1) a modification to add funds and (2) to exercise the first and only option. The modification to the three mobile vaccination contracts will increase funding to cover services through the modified base term of the contracts at the contract rates. These contracts provide fully staffed mobile units to sites targeting underserved and strategic vaccination locations around Maryland. The services are critical to the State’s commitment to provide continued support of COVID-19 vaccination as part of Maryland’s coordinated response to COVID-19. MDH previously executed a $0 modification to extend this contract. At the time of modification MDH believed there was a sufficient capacity remaining within the contract. However, increased utilization in response to the winter COVID-19 surge increased the contract spending significantly.

The option will continue the mobile vaccination services for the six-month period beginning July 1, 2022 through December 31, 2022. Exercising these options allows MDH to continue its vaccination mission through multiple channels, including mobile delivery of vaccines. This will help to ensure that all Marylanders can access COVID-19 vaccines to maintain protection against COVID-19 and its variants. The contractors are prepared to continue providing this critical service to protect the health of Marylanders. MDH had determined that there is not a need to exercise the option for Ambulnz Holdings, LLC.

29-IT. INFORMATION TECHNOLOGY CONTRACT
Comptroller of Maryland

Contract ID: IBM Mainframe Software Maintenance; COM-IT 042722
ADPICS No.: E00B2600026

Contract Description: Provide the State with software maintenance and support services for IBM's mainframe software products. The software and support services are used by the Annapolis Data Center and its customer agencies to maintain critical applications, systems, and operational functions that are the backbone of the data center.

Awards: IBM Corporation; Baltimore, MD

Contract Term: 07/01/2022 - 06/30/2024

Amount: $6,123,380.68

Procurement Method: Sole Source (Proprietary)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: The subject software currently runs the Annapolis Data Center's IBM z15 mainframe. IBM is the developer of the software and, as such, retains the proprietary and copyright privileges associated with the software. Under these circumstances, IBM Corporation is the only vendor that can provide the requested software maintenance and support services. A price comparison was completed for the software products being supported by IBM, comparing the price offered to IBM's published price list for its GSA customers. The price was $6,123,380.68 or about 1% above IBM’s GSA pricing and the pricing is determined to be fair and reasonable.

30-IT. INFORMATION TECHNOLOGY CONTRACT
Comptroller of Maryland

Contract ID: Mainframe Software Maintenance; COM-IT 042722
ADPICS No.: E00B2600022

Contract Description: Provide the State with software maintenance and support services for six Levi, Ray & Shoup, Inc. (LRS) software products that are currently installed on the ADC mainframe. These software products support the operational functions of the ADC’s mainframe computer system and the continued service and support of its customer agencies.

Awards: Levi, Ray, Shoup, Inc.; Springfield IL

Contract Term: 06/20/2022 - 06/19/2027

Amount: $771,943.04

Procurement Method: Sole Source (Proprietary)

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: The contract agreement will provide the State with maintenance and support for six LRS software products that are currently installed on the ADC mainframe. The software products Dynamic Report System (DRS), VPS/Email, VPS/PDF, VPS/ Secure, VPS/ TCPIP, and VTAM Printer Support are used by the Annapolis Data Center for configuring secure transmission of data to remote customers. The State has licensed the products since June 2002. LRS is the manufacturer and distributor of the software and maintains its proprietary and copyright. The price is determined to be fair and reasonable. The Comptroller is receiving a $30,533 reduction over the list price or a 21.2 % discount compared to GSA pricing for the first year. Over the 3-year contract period the total approximate savings would be $91,600 assuming the same 21.2% discount each year.

Fund Source: 100% Reimbursable (ADC mainframe agencies)

Approp. Code: E00A1001

31-IT. INFORMATION TECHNOLOGY

Comptroller of Maryland

Contract ID: Software Maintenance and Support Services; COM-IT 070122
ADPICS No.: E00B260024

Contract Description: Software maintenance and support services for the SAS Institute’s mainframe software products used by the Annapolis Data Center and its customer agencies to maintain critical applications, systems, and operational functions that are the backbone of the data center.

Awards: SAS Institute, Inc.; Cary, NC

Contract Term: 07/01/2022 - 06/30/2025

Amount: $524,757.24

Procurement Method: Sole Source

MBE/VSBE Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: The Annapolis Data Center (ADC) functions as a Data Processing Service Bureau for many State agencies and departments. To support that effort, the ADC obtains and manages licenses and maintenance services for numerous mainframe software products including SAS Institute products. SAS provides the use and maintenance for Base SAS, SAS Graph and SAS/ETS. The software serves as analytical tools used primarily by the ADC’s customer agencies. The software allows programmers to read, format, analyze and report on data quickly, regardless of format. SAS is the developer of the software and retains the proprietary and copyright privileges associated with the software. Under these circumstances, SAS Institute, Inc. is the only known vendor that can license and maintain the mainframe software. According to SAS, Pricing Analyst for State & Local Government Operations, the contract is in line with other like sized organizations with similar mainframe capacity. SAS software installed is not available on GSA. SAS has provided the Comptroller with a discount of 20% for both the renewal and upgrade items. This 20% discount roughly approximates the average discount for GSA customers for other SAS products.

MBE/VSBE Participation: N/A / N/A

Incumbents: Deloitte Consulting LLP; Minneapolis, MN

Requesting Agency Remarks: On April 26, 2017, the BPW approved DoIT entering into an agreement to procure Amazon Web Services (AWS) for the Department of Human Resources’ MD THINK program. The vehicle for that agreement with Deloitte Consulting LLP is an intergovernmental cooperative purchase agreement (ICPA) procured by NASPO.
32-IT. INFORMATION TECHNOLOGY

Agency Remarks (cont’d):

On May 24, 2017 the BPW approved DoIT entering into a separate agreement with Deloitte LLP through an ICPA to provide AWS services to State agencies on an as-needed basis. Agencies currently using the AWS services include the MD THINK tenants such Department of Human Services, Maryland Health Benefit Exchange, Maryland Department of Health and Department of Juvenile Service and DoIT tenants including the Department of Budget and Management, DoIT, Maryland Department of Transportation Headquarters, Motor Vehicle Administration, Maryland Department of Education and the College Savings Plan.

With both agreements coming to the end of term, DoIT made the determination to combine the requirements under one agreement through the NASPO ValuePoint Cloud Solutions purchase agreement. This is the most appropriate way to provide Statewide access to AWS while realizing significant cost-benefits through pre-negotiated volume pricing. The NASPO ValuePoint ICPA for cloud services is the result of a competitive procurement process, developed and led by the State of Utah with a team of procurement and IT professionals from eight states. That process resulted in awards to 38 companies to provide cloud infrastructure services.

The Contractor will provide the State with AWS account(s) to permit Client to order, access, and use Cloud Services, for its business purposes. Cloud Services may include but are not limited to public-facing portal; storage; archiving; web services and web application runtime environments; relational and non-relational databases; infrastructure-as-a-service, platform-as-a-service, and software-as-a-service for Linux and Windows based computing resources; networking; storage and related technology services; and associated development and testing environments.

The State has been utilizing the AWS platform with a focus in IaaS delivery services. The State is currently hosting a variety of different systems in the AWS Cloud that provide different functions back to State agency networks via private lease connections into multiple AWS Direct Connects for fault tolerance and redundancy purposes.

DoIT reached out to the providers on the NASPO ValuePoint Cloud Solutions Contract requesting information regarding their offerings under the NASPO Contract and how those offerings would meet the State’s needs and requirements. Six providers submitted responses. The evaluation of the offerings was based on the following criteria:

1. Product portfolio sold: Amazon Web Services products/services sold and discount level
2. Cost: service/support prices, labor prices
4. Services provided: DevOps, infrastructure, experience with Microsoft products, automation, agile development, cloud migration services, and training
32-IT. INFORMATION TECHNOLOGY

Agency Remarks (cont'd):

Three of the six providers did not meet the State’s requirements. The three remaining providers were evaluated further, and the evaluation team determined that Strategic Communications presented the most advantageous offer to the State agencies and MD THINK both technically and financially.

33-IT. INFORMATION TECHNOLOGY
Maryland Transportation Authority

Contract ID: MDTA Civil Rights and Compliance Information Management Software Solution (IMSS)
ADPICS No.: J01B1600006

Contract Description: Provide PRiSM Compliance Management Solution (PRiSM) for the MDTA’s Division of Civil Rights and Fair Practices. PRiSM is a socioeconomic contract and program compliance management software solution that streamlines and automates federally mandated data-gathering, tracking/monitoring, reporting, vendor management, and compliance administrative process.

Award: Insight Public Sector, Inc.; Tempe, AZ

Term: 06/09/2022* - 06/08/2027 (w/one 2-yr renewal option)
(*or earlier upon BPW approval)

Amount: $638,826.78 NTE (5-year Base Contract)
$158,131.64 NTE (2-year Renewal Option)
$796,958.42 NTE Total (5 Years plus 2 Year Renewal)

Procurement Method: Intergovernmental Cooperative Purchasing Agreement
(State of Utah/NASPO ValuePoint Cloud Solutions 2016 – 2026)
(Single Response Received)

Bids: Insight Public Sector, Inc.; Tempe, AZ $796,958.42

MBE Participation: None

Requesting Agency Remarks: This contract was procured as an Intergovernmental Cooperative Purchasing Agreement using the National Association of State Procurement Officials (NASPO) ValuePoint Cloud Solutions Intergovernmental Cooperative Purchasing Contract. Two Master Contractors authorized to supply PRiSM products were requested to submit quotes; one firm responded. The second offeror provided limited responses to the Procurement Officer’s requests for a “No-Bid” notice and offered no valuable feedback as to why they chose not to submit a proposal. The Procurement Officer performed a price analysis on Insight Public Sector’s (Insight) proposal and determined the recommended awardee’s price to be fair and reasonable as it was 15.83% lower than the PRiSM developer’s listed pricing. MDTA’s Evaluation Committee reviewed the proposal and determined Insight to be technically capable and susceptible for award.

34-IT. INFORMATION TECHNOLOGY
Department of Transportation Maryland Transit Administration

Contract ID: Metro Track Intrusion Detection System; MTR-22-011-EQ
ADPICS No.: J05B26000012

Contract Description: Pilot program for a Metro SubwayLink track intrusion detection and operator notification system to improve safety and mitigate accidents on the track right-of-way.

Award: Harsco Rail, LLC; Camp Hill, PA

Contract Term: 06/09/2022* - 12/08/2024 (*or earlier upon BPW approval)

Amount: $965,025

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: N/A / N/A

Incumbent: None

Requesting Agency Remarks: This contract provides the Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) with a track intrusion detection system to mitigate the danger of people or obstacles in the rail right of way. Previously a very limited trial on Track 1 platform at Upton Station proved to be successful in notifying the rail operators of intrusion on the rails much earlier than simple visual observation, allowing time to slow and stop the train. The platform and all Metro Rail Cars utilized a Light Detection and Ranging equipment system. This contract will expand it to include Platform 2 at Upton Station and Lexington Market, Penn North, Shot Tower, and Mondawmin Metro Stations.

The Federal Transit Administration (FTA) National Transit Database from 2019 reports that 47% of all public transportation fatalities are caused by heavy rail systems. Following an accidental death in January 2019 at Metro’s Upton Station, MDOT MTA’s Chief Safety Officer and Systems Engineering worked on a solution to address the increasing illegal entry onto the trackway. After the successful limited trial at Upton Station, the MDOT MTA initiated this pilot program and filed an application for an FTA Safety Research and Demonstration Grant for Safety Improvements. The grant required a partnership with a supplier to be considered for the award.
34-IT. INFORMATION TECHNOLOGY (cont’d)

Agency Remarks (cont’d):

MDOT MTA has partnered with Harsco Rail, LLC (Harsco) as their technology provides instant alerts to the train operator via the Protran Protracker that is mounted inside the Metro Rail Car cab. For this pilot program Harsco is the only vendor that meets MDOT MTA’s needs and requirements and has the only system compatible with the system installed in the trial program.

MDOT MTA has determined that the price offered is fair and reasonable using the other reasonable basis justification. Accidental deaths are not only tragic for family members, but they are also traumatic for the operators and costly for MDOT MTA. This life-saving track intrusion detection project is a first in the country and findings will be reported to the American Public Transportation Association conference. The success of our initial one station pilot program drew the interest of the FTA who offered substantial grant funding for an expanded pilot testing and reporting on the Harsco Protran system. Additionally, the vendor is contributing to the overall cost of the project. These unique factors and the financial contributions made by FTA and the vendor reasonably justify the State dollars being spent.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in the Board of Public Works (BPW) Advisory 1995-1 found on the BPW website.

**Fund Source:** 80% Federal, 20% Special Funds (Transportation Trust Fund)

35-IT INFORMATION TECHNOLOGY
RETROACTIVE - Department of Education

Contract ID: Audiobooks and Digital Reading Support for Learning Loss, R00P2600704
ADPICS No.: R00P2600704

Contract Description: RETROACTIVE approval is requested for the purchase of Chromebooks and tablets as part of the Juvenile Services Education System (JSES) digital library system without appropriate authority and failing to seek approval from the Department of General Services’ Office of State Procurement.

Awards: Overdrive Marketplace; Cleveland, OH

Contract Term: 06/30/2021 - 08/31/2021 (Retroactive: 2-months)

Amount: $170,000 (Retroactive)

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSE Participation: N/A / N/A

Performance Security: N/A

Hiring Agreement Eligible: Yes

Incumbents: Same

Requesting Agency Remarks: This contract is being requested to receive the proper approval from the Board of Public Works for the past purchase of digital reading materials for the Maryland State Department of Education (MSDE). In January 2019, the JSES purchased Chromebooks and tablets as a part of its digital library system, which includes the Sora app that allows Chromebooks to provide a digital reading platform for E-books. The Sora platform enables Chromebook owners to access digital reading materials, including newspapers, magazines, and other reading materials utilizing the Sora Reading app. MSDE's failure to make periodic additions to the Chromebooks digital library will reduce the collection's relevant materials for the people being served. A lack of investment in the present digital library collection accessed by these devices will cause them to lose their utility among the people being served. Over time, the lack of
35-IT INFORMATION TECHNOLOGY (cont’d)

Agency Remarks (cont’d):

investment in new materials causes the utility of the devices to deteriorate, leaving MSDE with devices that are not used for their purchased purpose. MSDE presently has deployed 320 Chromebooks to students within the Juvenile Services education. The approval of this retroactive contract will allow the agency to properly document the purchase of the digital reading materials.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

Contract ID: Sole Source P3 CAMPUS NAVIGATE 360 LLC
ADPICS No.: R00P2600327/R00B2600089

Contract Description: The retroactive sole-source contract maintains the P3 Tips (P3 Campus), a state-of-the-art cloud-based tip acquisition and tip management solution. The technology allows individuals to submit anonymous tips on a broad range of concerning behaviors in accordance with the SafeSchools Maryland initiative.

Awards: Navigate 360, LLC; Richfield, OH

Contract Term: 08/08/2021 - 05/11/2022 (Retroactive)
05/12/2022 - 08/07/2023 (Proactive)

Amount: $90,000 (Retroactive)
$90,000 (Proactive)
$180,000

Procurement Method: Sole Source

MBE/VSB Participation: N/A / N/A

Performance Security: N/A

Incumbents: Same

Requesting Agency Remarks: The Navigate 360, LLC contract is a crucial safety component for MCSS and the State. The scope of work for this contract includes an anonymous tip line software that allows students, family members, parents, teachers, administrators, and other community members to report information to Safe Schools Maryland anonymously. This is a Software-as-a-Service (SaaS) solution that provides MCSS with the ability to receive, track, and route school-related anonymous tips from individuals regarding mental health concerns, bullying, drugs, and threats of violence within the K-12 and higher education community in Maryland. The original replacement contract was canceled in the award phase by the Office of State Procurement due to issues in the procurement process. Currently, MSDE is working with Doit and MCSS to complete a new solicitation.
DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

Total Percent +/- Change: 102.95%

Procurement Method: Emergency Procurement

Requesting Agency Remarks: Maryland Department of Labor (LABOR) is seeking to exercise the one-year renewal option for Lexis Nexis to provide identity verification services for Unemployment Insurance Benefits. If approved, the renewal period would start on May 19, 2022, to May 18, 2023. In addition, by exercising the option it would increase the contract amount by $3,692,640 for a total overall contract amount of $7,279,440.
37-IT-OPT. INFORMATION TECHNOLOGY OPTION (cont’d)

Agency Remarks (cont’d):

The current contract was awarded to Lexis Nexis as a result of an emergency RFP due to the COVID 19 Pandemic. The emergency RFP was issued on 12/20/2020. A total of eight proposals were received in response to the RFP and all offerors were deemed reasonably susceptible of being selected for award. An evaluation team of three members was formed to evaluate the proposals. After a thorough evaluation of both the technical and financials, the committee selected Lexis Nexis as the awardee for their impressive solution to the Emergency Identity Verification Service RFP. If the renewal option is approved by the Board of Public Works, Lexis Nexis would continue to verify claimants’ identities and assist citizens with their Unemployment Insurance Benefits quickly and securely.

39-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont’d)

Requesting Agency Remarks: The Skills Manager software houses over 16,000 police officer and over 12,000 correctional officer records relating to officer certification, training completed (both academic and firearms). It is mandated by Police Training and Standards Commission and Correctional Training Commission regulations. This software was specifically developed to work directly with Law Enforcement, Fire and EMS training organizations across the country.

Blue Peak Logic is the sole provider of software, maintenance and support of these software systems, and as such, these services cannot be provided by any other vendor. The conversion to another software system would require significant installation time, substantial costs for implementing the new system, and would result in significant delays in training. Without the added software, these records will need to be tracked by employees searching paper files maintained in storage facilities. Searching and tracking of this volume of data without this critical software would be ineffective and inefficient.

This modification will add additional software users and data sets.

Prior to the expiration of this contract, the Department will begin negotiating a new long-term agreement encompassing all software identified in this agenda.

It is in the best interest of the State to approve this modification. It will not only save time negotiating an additional contract for this software and services, but also time managing this new contract.

**FROM:**

Total Contract Amount: $1,281,157.40

**TO:**

Total Contract Amount: $1,281,177.40

Reason: Clerical Error.

Sincerely,

Yasin Mohammed

Yasin Mohammed
Director, Procurement Operations Bureau
DGS, Office of State Procurement
40-IT-OPT. INFORMATION TECHNOLOGY OPTION (cont’d)

MBE/VSBE Compliance: N/A / N/A See Agency Remarks

Requesting Agency Remarks: This request is to exercise the final option to retain the services of one (of two) personnel providing services under the contract. The contractor has satisfied all deliverables under the contract and have met or exceeded all expectations. It is critical that this individual continues to provide the services and it is in the best interest of the State to exercise the final option to allow time for the re-procurement and award of a new contract.

Although no MBE and VSBE participation goals were established for this contract, Blue Collar Objects, LLC is a certified MBE. As such, all work performed under this contract will be competed by an MBE firm.

Recommendation: That the Board of Public Works approve the following Task Orders/Purchase Orders under a previously approved Master Contract.

Authority: State Finance and Procurement Article
Annotated Code of Maryland, § 13-113; COMAR 21.05.13.06

Procurement Method: Task Order/Purchase Order under Master Contract

1.0 Master Contract: Consulting and Technical Services Plus (CATS+)
Contract No.: 060B2490023
Approved: DoIT 3-IT, 04/03/2013
Term: 04/22/2013 - 04/21/2028

**As of publication, the remaining balance of this master contract is $375,462,911

1.1 Using Agency: Department of Transportation, The Secretary’s Office
Description: Resources to help manage and enhance emerging and existing software technology business needs and support APS CASE-Generated COBOL, primarily utilized for the Employee Management Information System (EMIS), the Department’s Payroll system. Also seeking support for Software Configuration Management (SCM) for various Software-as-a-Service (SaaS)/Platform-as-a-service (PaaS) and on-premises software systems including physical and virtual servers such as IBM ClearCase, Salesforce, Microsoft Azure, Web Microfocus Applications, and other emerging software technologies; J01B2600008.
Award: SNAP, Inc.; Chantilly, VA

Number of Qualified Master Contractors: 483
Number of Bids: 3
Amount: $5,782,845.28
Term: 07/01/2022 - 06/30/2027
MBE/VSBE Participation: 30% / N/A
Resident Business: Yes
Fund Source: 100% Special (Transportation Trust)
Agency Remarks: Contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in the Board of Public Works (BPW) Advisory 1995-1 found on the BPW website.
41-IT. INFORMATION TECHNOLOGY (cont’d)

1.0 Master Contract: Consulting and Technical Services Plus (CATS+)

1.2 Using Agency: Department of Human Services
Original Description: Management support for the Enterprise Project Management Office, staff augmentation with advanced project management skills to implement and management critical projects.
Modification Description: Extend task order. The extension is necessary for the continuance of managed services and support for the Enterprise Project Management Office and staff augmentation to implement and manage technical projects and contract oversight. During the extension period applications will be migrated to the MDTHINK platform; OTHS/OTH5-14-015-A7
Award: Momentum, Inc.; Camp Hill, PA (MBE, SBE)
Original Amount: $9,497,760
Modification Amount: $3,250,520
Prior Options/Mods:
- $4,183,063 (Mod. #1: Additional staff; Delegated Authority - DoIT, 06/29/2017)
- $7,724,760 (Renewal Option #1: Delegated Authority - DoIT, 05/29/2018)
- $0 (Mod. #2: Replace VSBE subcontractor, Delegated Authority - DHS 10/01/2018)
- $3,250,520 (Renewal Option #2: DoIT 9-IT-OPT, 05/08/2019)
- $3,250,520 (Mod. #3, Extension 06/01/2020 - 05/31/2021; DGS 24-IT 1.4, 05/20/2020)
- $3,250,520 (Mod # 4, Extension 06/01/2021 - 05/31/2022; DGS 39-IT 1.1, 05/05/2021)
Total Contract Amount: $34,407,663
Original Term: 06/01/2015 - 05/31/2018 (w/two 1-year renewal options)
Modification Term: 06/01/2022 - 05/31/2023
MBE/VSBE Participation: 35% / 1%
MBE/VSBE Compliance: 76% / 0.01%
Resident Business: No
Fund Source: 31% General, 65% Federal (EUSP, LIHEAP); 4% Special (MEAP)
Agency Remarks: The VSBE Compliance is low because the subcontractor did not continue and was not replaced. However, Momentum has provided a Corrective Action Plan(CAP), describing the necessary corrective actions that will be taken to achieve the target VSBE goal of 01%. Momentum plans to remedy this issue immediately by assigning a resource to the VSBE participation, which will meet and possibly exceed the VSBE goal.
2.0 Master Contract: Delivery Program Management Services; F50B0600039
(Secondary Master from CATS+ 060B2490023)
ADPICS # BPO # F50B2600008
Approved: DGS 41-IT, 1.0 and 1.4; 07/28/2021
Term: 08/21/2021 - 08/11/2024
**As of publication, the remaining balance of this master contract is $86,710,381

2.1 Using Agency: Department of Information Technology
Description: Task Order Request released under Category 1 – Program/Project Management to provide IT Technical Project Manager services for the Maryland Department of Education in support of their IT initiatives, F50B0600039-12.

The Senior Project Manager: implements established policies, system monitors and controls to ensure the successful management and reporting of all initiatives in the Program. • Supervises and leads the program to oversee the impacts and interdependencies between programs and works to ensure initiatives meet the Maryland State Department of Education (MSDE) goals and objectives of the executive leadership team. • Provides both verbal and written communications regarding project status, risks, and issues, and makes recommendations on project decisions to MSDE’s Office of Performance Reporting and Accountability and Chief Information Officer. • Manages allocation of resources within the program(s) to meet work fluctuations, budget and time constraints in the delivery process. • Serves as subject matter expert, providing technical and analytical guidance to the program and project teams. • Manages all aspects of the project: cost benefit analysis, work plans, functional and technical designs, construction, testing and implementation. Ensures efficient and high-quality installation of new software and/or systems and monitors all technical aspects of implementing projects. • Provides support to the MSDE IT Leadership in identifying appropriate solutions required by the user areas; assists MSDE IT Leadership in performing a needs analysis of the relevant business areas and in matching user needs to system capabilities to ensure the new system is easily and quickly integrated into the client's business environment • Works with MSDE’s divisions to provide support and coordination to ensure adoption of new systems and business processes in the MSDE environment. • Manages contracts and vendors assigned to delegated initiatives included in the assigned program(s).
Award: Navitas Business Consulting, Inc.; Herndon, VA (MBE)
Number of Qualified Contractors: 3 (Category 1)
Number of Bids: 3

42-RP. REAL PROPERTY

Department of Agriculture

File # 03-81-01Aex2

Recommendation: Approve a release of ±.12 acre of land from the operation and effect of the existing agricultural preservation easement in exchange for ±.12 acre of contiguous land to be encumbered by an agricultural preservation easement.

Releasor: The State of Maryland, to the use of the Maryland Agricultural Land Preservation Foundation of the Department of Agriculture

Releasee: Clear Pond Farm, LLC

Property: ±.12 acre

Grantor: Clear Pond Farm, LLC

Grantee: The State of Maryland, to the use of the Department of Agriculture on behalf of the Maryland Agricultural Land Preservation Foundation

Property: ±.12 acre

Consideration: No Monetary Consideration

Remarks: Approval was given to the Maryland Agricultural Land Preservation Foundation (hereinafter, “MALPF”) to acquire an agricultural preservation easement on ±293.85 acres of land for $248,082.21. Purchase of the easement was completed on December 30, 1982. The farm was agriculturally subdivided in 2001, creating a ±230-acre farm and a ±62-acre farm. The ±.12 will be released from the easement encumbering the ±62-acre farm.

Board of Public Works Approval is requested to grant a release wherein the State of Maryland, to the use of MALPF, will release a ±.12-acre area of land from the operation and effect of the Easement in exchange for a ±.12-acre parcel of contiguous land of equal soils to be encumbered by an agricultural preservation Easement. This request is being made to correct an existing violation of the Easement. A previous owner constructed a detached garage, and a portion of the garage inadvertently encroaches onto the easement property by ±.12 acre of land. The Maryland Agricultural Land Preservation Foundation’s Board of Trustees has approved the transaction. A survey depicting the exchange of land is attached hereto. The appraisal unit of the Department of General Services has found that the exchange will have a net neutral effect on the value of the existing easement. Costs associated with this transaction will be paid by the landowners.

43-RP. REAL PROPERTY

Department of Agriculture, Maryland Agricultural Land Preservation Foundation (MALPF) and Agricultural Land Preservation Easements

Reference: Approval is requested for the Maryland Agricultural Land Preservation Foundation, Department of Agriculture, to accept option contracts for the purchase of agricultural preservation easements on the following properties. All purchases outlined below have been reviewed and approved by the MALPF Board.

Special Conditions: Grantor relinquishes all rights to develop or subdivide the land for industrial, commercial, or residential use. Land shall be preserved solely for agricultural use in accordance with provisions of the Agricultural Article. No commercial signs or billboards are permitted, and there shall be no dumping on land except as is necessary to normal farming operations. Grantor shall manage the property in accordance with sound agricultural practices. Grantee shall have the right to enter land for inspection. No public rights are granted. The term of these easements shall be in perpetuity pursuant to Agriculture Article Section 2-514.1.

A) As to items 1 through 4, pursuant and subject to the provisions of Agriculture Article Section 2-513, Grantor has elected to reserve the right to apply for release of a lot to convey to himself or his children for the purpose of constructing a dwelling for personal use as follows: one lot of one acre or less if the subject property is at least 20 acres, but less than 70 acres, two lots of one acre or less if the subject property is at least 70 acres, but less than 120 acres, or three lots of one acre or less if the subject property is 120 acres or more.

B) As to items 5 through 18, pursuant and subject to the provisions of Agriculture Article Section 2-513, Grantor has elected to reserve to himself, and his assigns, the right to apply for release of one unrestricted lot, that may be conveyed to himself or others. Note that as to Items 15 and 16, the unrestricted lot will be a building envelope that will not be subdivided from the farm.

C) As to items 19 through 22, the Grantor is waiving the right to request any additional lots.

44-RP. REAL PROPERTY
        Department of Agriculture

File # 18-21-01 - St. Mary’s County

Recommendation: Approval is requested for the Maryland Agricultural Land Preservation Foundation, Department of Agriculture, to accept the donation of an agricultural preservation easement on the following described property.

Owner/Donor: David Lloyd Abell, Jr.

Grantee: The State of Maryland, to the use of the Department of Agriculture on behalf of the Maryland Agricultural Land Preservation Foundation

Consideration: No Monetary Consideration – donation by Owner/Donor

State Income Tax Credit: Section 10-723, Tax General Article, Annotated Code of Maryland provides that “An individual . . . may claim a credit against the State income tax . . . for an easement conveyed to the . . . Maryland Agricultural Land Preservation Foundation . . . if the [perpetual] easement is accepted and approved by the Board of Public Works.”

Property: ±1.12-acre parcel that is across the farm lane from an 87.083-acre property that will be protected by an agricultural land preservation foundation easement held by the Foundation. 43696 Abell Farm Way, Valley Lee, MD 20692 (See background information and aerial photo attached); St. Mary’s County Tax Map 56, Parcel 113.

**Termination for Convenience Clause:** Yes

**Procurement Method:** Sole Source  
See COMAR 21.05.05.02.D; DGS Space Mgmt. Manual 6-605 E

**Remarks:** This space has been used since 2012 as the Anne Arundel County Juvenile Services office. This is an administrative and client contact office for counseling and follow-up services for pre-adjudicated youth. The lease renewal provides the agency time to relocate the office into smaller space within the Annapolis area.

46-LT. TENANT LEASE
Department of General Services

Recommendation: Approve a Reciprocal License Agreement

Prior Board Actions: DGS 16-L, 07/16/2008

Landlord/Owner: Meza Holdings, LLC, 7410 S. Ritchie Highway, Glen Burnie, MD 21061

Property Location: 7410 S. Ritchie Highway (Parking Area “A”) 7500 Ritchie Highway (Parking Area “B”)

Space Type: Parking (Overflow Lot)

Lease Type: Reciprocal License Agreement

Term: June 1, 2022 – May 31, 2032

Annual Rent: No Cost

Utilities/Custodial Responsibility: N/A

Termination for Convenience Clause: N/A

Procurement Method: Sole Source
COMAR 21.05.05.02A(1) and COMAR 21.05.05.02D and DGS Space Mgmt. Manual ¶6-605E.

Remarks: The District Court has been utilizing 160 parking spaces under a Reciprocal License Agreement since November 10, 1982, for the purpose of an overflow lot. In return, La Fontaine Bleu utilizes 200 parking spaces at no charge at the Glen Burnie Multi-Service Center located at 7500 Ritchie Highway. There is no monetary consideration under this agreement. La Fontaine Bleu shall maintain comprehensive liability insurance and property damage in the amount of $500,000, naming the State as an additional insured. Either party shall have the right to temporarily suspend this agreement by providing 72 hours advance notice.

MBE/VsBE Compliance: 10% MBE of Up-Front Expense Fee / N/A

Requesting Agency Remarks: Request approval to increase grant funding in the amount of $13,500,000 to the eight (8) incumbent Fund Managers. In fiscal year 2022, an appropriation of $17.2 million was approved. As such, the Department invited all eight existing fund managers to reapply for additional funds and prepared a Request for Proposal (RFP) to invite new fund managers to apply for SMWOBA funds. All eight existing fund managers reapplied and were selected to receive additional funds.

The purpose of the additional grant funding is to provide monies to the Fund to be used and administered, managed, and accounted for by the Fund Manager on behalf of the Fund and for the benefit of the State of Maryland to make loans to or investments in Eligible Targeted Businesses located in the State of Maryland.

BPW retained the right to approve additional grant funding to the Fund Managers and the BPW approved contracts were constructed to allow disbursement of additional funds without modifying the contract. Formerly exercised grants are outlined on Attachment I.

**August 17, 2016: The Department of Housing and Community Development (DHCD) was designated by BPW as a Fund Manager to assist with the Ellicott City flood. As such, DHCD was awarded $2,500,000. The funding came from a proportional reduction of the 2016 awarded amounts listed above.**
49-LT. TENANT LEASE
Department of Human Services

Recommendation: Approve new lease of office space for the Department of Human Services.

Landlord: 25 South Charles, LLC
25 S Charles Street, Ste 1002A; Baltimore, MD 21201

Property Location: 25 S Charles Street; Baltimore, MD 21201

Space Type: Office (149,024 sq. ft.)

Lease Type: New Lease

This Term: 09/01/2022 – 08/31/2032 (w/ standard 6-month holdover)

Future Option Term: One (1) Five (5) year option

Annual Rent: $3,651,088.00  Sq. Ft. Rate: $24.50
Fund Source: 65% General, 35% Federal  Approp. Code: PCA E1910

Utilities/Custodial Responsibility: Landlord
Termination for Convenience Clause: Yes

Procurement Method: Competitive Sealed Proposals
See COMAR 21.05.03; DGS Space Mgmt. Manual 6-605D

Remarks: The Department of Human Services is transitioning from their State-owned headquarters building located at 311 W Saratoga Street to leased space at 25 S Charles Street in accordance with the initiative to relocate State agencies into the Baltimore City central business district (CBD). This new location will provide a modern, efficient, safe workplace for staff to operate. There are no utility or janitorial passthroughs, and the construction of the space will be delivered turnkey. Additionally, the agency has reduced their space requirement from the current headquarters’ location by 30%.

50-LL.  LANDLORD LEASE
State of Maryland to the use of the University System of Maryland for the use and benefit its constituent institution, University of Maryland, Baltimore County

Recommen_dation: Approve new lease for property and buildings at Spring Grove Hospital Campus.

Tenant: Maryland Department of Health

Property Location: 55 Wade Avenue, Catonsville, MD 21228

Space Type: Spring Grove Hospital Center Campus

Lease Type: Hospital Campus with an estimated 175 acres and 77 buildings

Term: Ten (10) years with two renewal options of up to five (5) years each

Annual Rent: $1.00

Remarks: This is a companion item to 51-RP contained in this agenda, which seeks approval for the transfer of the Spring Grove Hospital Center campus from the Maryland Department of Health (MDH) to University of Maryland, Baltimore County (UMBC). This lease aligns with the implementation of the MDH 2041 Facility Master Plan and will allow MDH to continue to operate and maintain the property for the foreseeable future. Once MDH has vacated all buildings on the campus, which can occur at any point during the lease term, the lease will terminate, and the property will be used by UMBC.

51-RP. REAL PROPERTY
Department of Health

Recommendation: Transfer Spring Grove Hospital Center from Maryland Department of Health to the use of the University System of Maryland for the use and benefit of its constituent institution, the University of Maryland, Baltimore County.

Property: +/- 175 Acres with 77 Buildings and Minor Structures Totaling 1 million Square Feet known as the Spring Grove Hospital Center, located at 55 Wade Avenue, Catonsville, MD 21228 in Baltimore County.

Grantor: The State of Maryland to the use of the Maryland Department of Health

Grantee: The University System of Maryland on behalf of its constituent institution, the University of Maryland, Baltimore County

Remarks: Approval is requested to transfer the Spring Grove Hospital Center property from the Maryland Department of Health (MDH) to the University System of Maryland for the use and benefit of the University of Maryland, Baltimore County. MDH has determined that the property is excess to its needs, in accordance with its 2041 Facilities Master Plan.

MDH’s clinical facilities on-campus are functionally obsolete, and the cost to re-capitalizet these facilities would be cost-prohibitive. To begin the process of exiting the campus and providing UMBC ample time for future planning, MDH has elected to transfer the campus with a ten-year lease-back agreement for existing operations. (See companion item 50-LL on this agenda.)

MDH will continue to operate and maintain the property for the foreseeable future while exploring the use of currently available excess bed capacity at other regional facilities.

Consideration: $1.00

Appraised Value: $1.00 – per Staff Appraisal prepared by William Beach – dated 04/26/22

State Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project under MD20211104-0865. It is recommended to declare the Spring Grove Hospital Center Campus +/- 189* acres with 77 buildings and minor structures totaling 1 million square feet excess
51-RP. REAL PROPERTY (cont’d)

State Clearinghouse (cont’d):

to the needs of the Maryland Department of Health. The University of Maryland, Baltimore County (UMBC) has expressed an interest in acquiring the property, and the Maryland Department of General Services has initiated conversations with UMBC to discuss an inter-agency transfer. None of the other local or state agencies that provided review comments expressed an interest in acquiring the property.

*A recent survey of the property has confirmed the acreage for the Spring Grove Hospital Center Campus as 175 acres.

Authority: State Finance & Procurement, 10-305

*Approved 2-1, Comptroller voted No
52-IT. INFORMATION TECHNOLOGY  
Department of Information Technology

Contract ID: Cloud Solutions Contract (NASPO Contract)  
ADPICS No.: F50B2600050

Contract Description: Provide Okta product and services to State agencies.

Award: Carahsoft Technology Corporation; Reston, VA

Contract Term: 05/16/2022 – 06/30/2023 (w/two 1-year renewal options)

Amount: $10,000,000 (Base: 13.5 months)  
$15,000,000 (Renewal Option #1: 1-year)  
$15,000,000 (Renewal Option #2: 1-year)  
$40,000,000 Total

Procurement Method: Intergovernmental Cooperative Purchase Agreement  
Contract: State of Utah/NASPO ValuePoint Cloud Solutions  
#AR2472

MBE/VSBE Participation: N/A / N/A

Incumbents: None

Requesting Agency Remarks: The State of Maryland, through the Department of Information Technology (DoIT), seeks to execute a participating addendum (Participating Addendum) with Carahsoft Technology Corporation under the National Association of State Procurement Officials Cloud Solutions Contract (NASPO Contract). NASPO strives to make the governmental procurement process more efficient by establishing competitively priced contracts. This NASPO Contract is available to State agencies nationwide, institutions of higher education, cities, and counties. It has been awarded by a public competitive procurement process that is compliant with Maryland State statutes. In addition, Carahsoft Technology Corporation is the only authorized reseller of Okta products and services under the NASPO Contract (supporting documentation has been provided by Okta).

Under the Participating Addendum, Carahsoft would provide the State with implementation and support services, hosting, user licenses and limited access for Okta. In addition to DoIT, Department of Public Safety and Correctional Services, Maryland Department of Transportation, Department of Human Services, Maryland State Police, and Maryland Department of Health will make purchases of Okta from the Participating Addendum.
52-IT. INFORMATION TECHNOLOGY (cont’d)

Agency Remarks (cont’d):

DoIT manages technology which allows more than 60,000 Maryland employees and contractors across the State to access systems and resources through their maryland.gov accounts. These systems, which are largely hosted within DoIT’s server environment, collectively form an Identity and Access Management (IAM) system which provides basic levels of security and control of access for the participating agencies to the integrated applications and networks, such as Google Workspace, Workday, eMMA, and others.

While this configuration has generally been sufficient up to this point, any further expansion is untenable due to the increasing difficulty of developing new connections which work with the complex custom integrations between the core systems, which were built over time and in ways that are now increasingly costly to support. Additionally, the IAM system operated by DoIT is only one of many differently configured solutions across the State.

At the same time and in response to Executive direction and recent cybersecurity events, the State and DoIT are seeking ways to enhance IT security. Having a single statewide source of employee Identity and Access for IT systems is a foundational component of a modern cybersecurity strategy. The key barriers to such a system include the difficulty of linking the multiple solutions in the statewide environment and the inability to expand the DoIT system.

While this procurement will provide the functionality to replace what is in place for DoIT today, it will also provide the foundation for a true statewide IAM platform that will integrate with the systems in place at other agencies without necessarily requiring those systems also be under DoIT management. This will allow employees and contractors to be more mobile, productive, and secure while helping Maryland contain costs associated with existing licensing models, inefficient administration requirements, complex integrations, and security incident responses.
