2. DEPARTMENT OF AGRICULTURE

Maryland Agricultural Cost-Share Program- Additional Funding

Recommendation: That the Board of Public Works approve granting additional general obligation bond proceeds to four grantees under the Maryland Agricultural Cost-Share Program.

Amount: \$21,313.67

Fund Source: MCCBL of 2018: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 18274

County	Recipient	Agreement #	Amount
Baltimore	Thomas D. Morris	RS-2022-2055	\$1,841.32
Frederick	Martha M. Zecher Revocable Living Trust	MP-2022-2430	\$168.80
		MP-2022-2434	\$4,613.84
		MP-2022-2446	\$1,632.67
Montgomery	Eleanor M. Leak	AT-2022-2214	\$11,913.66
Queen Anne's	C. Temple Rhodes, Jr	AT-2022-2506	\$1,143.38

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

Additional funds are requested for these projects to offset additional costs realized at the completion of the project. These additional costs are a result of design changes required based on site conditions encountered during construction.

5. BONDS

Recommendation: The Treasurer recommends that the Board of Public Works adopt resolutions concerning the sale of State of Maryland General Obligation Bonds in book entry form for the purpose of funding the State's capital program; making certain determinations regarding the consolidation of loans, the methods of sale, and the structure of the Bonds; authorizing the publication of the required Summary Notices of Bond Sale; and obligating the State of Maryland to provide continuing disclosure as required under applicable securities regulations and to comply with applicable provisions of the Internal Revenue Code. The total that will be offered for sale is up to \$500,000,000* of new money bonds, issued in one or more series, for the capital program.

Denomination: \$5,000 per bond, or integral multiples thereof

Maturities: To be determined by the Treasurer, not to exceed 15 years.

Title: State and Local Facilities Loan of 2023, First Series

Amount and Form: As determined by the Treasurer, to include:

First Series A – up to \$450,000,000* Tax-Exempt Bonds (Competitive in two bidding groups) for the Capital Program (Series A Bonds”).

First Series B – up to \$50,000,000* Taxable Bonds (Competitive) for the Capital Program (“Series B Bonds” and together with the Series A Bonds, the “New Money Bonds”).

***Methods and
Dates of Sale:***

2023 First Series A (Tax-Exempt) – Public Competitive Sale of up to \$450,000,000*, in maturities and amounts to be determined by the Treasurer, on Wednesday, March 15, 2023 by electronic bid and subject to the approval of the Board. Provided, however, depending upon market conditions and at the discretion of the Treasurer, the sale of the Series A Tax-Exempt may instead be offered for sale at a date and time to be determined by the Treasurer, subject to approval by the Board at that time.

2023 First Series B (Taxable) – \$50,000,000* – Public Competitive Sale of up to \$50,000,000*, in maturities and amounts to be determined by the Treasurer, on Wednesday, March 15, 2023 by electronic bid and subject to the approval of the Board. Provided, however, depending upon market conditions and at the discretion of the Treasurer, the sale of the Series B Bonds may instead be offered for sale at a date and time to be determined by the Treasurer, subject to approval by the Board at that time.

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
February 15, 2023

5. **BONDS** (cont'd)

Settlement: On or about March 29, 2023

Use of Proceeds: Various State loans and installments, combined and consolidated.

Notices of Bond Sale: Summary notices of sale for bonds sold on a competitive basis shall be published in the *Bond Buyer* on a date to be determined by the Treasurer not later than that required by Section 8-123 of the State Finance and Procurement Article of the Annotated Code of Maryland, and in such other electronic and print media as determined appropriate by the Treasurer.

Remarks: The date of sale of the New Money Bonds may be postponed at the discretion of the Treasurer in response to market conditions. The method of sale, the size and maturities of any of the Bonds may be adjusted by the Treasurer to respond to prevailing market conditions.

The highlighted may be revised before the February 15, 2023 BPW Meeting.

* Preliminary, subject to change

6. BOARD OF PUBLIC WORKS
Compensation to Erroneously Confined Individual
Lamar Johnson

Recommendation: That the Board of Public Works modify the previously approved payment schedule for Mr. Lamar Johnson to pay him \$10,000 upon approval of this item and adjust remaining payments accordingly.

Authority: State Finance & Procurement Article, § 10-501(e)

Prior Approval: Secretary's Agenda, Item 20 (10/30/2019)

Amended Payment Schedule:

Payment	Date	Amount
5b	Within 30 days of Board approval	\$ 10,000
6	7/31/2023	\$ 126,239
7	7/31/2024	\$ 136,239
8	7/31/2025	\$ 136,239

Fund Source: BPW Settlements and Judgements

D05E01.15

Remarks: Background. In 2017, the Circuit Court for Baltimore City granted Mr. Lamar Johnson a writ of actual innocence pursuant to § 8-301(h) of the Criminal Procedure Article and set aside his 2005 conviction for first-degree murder and use of a handgun in commission of a felony. The Baltimore City State's Attorney subsequently entered a *nolle prosequi* having determined Mr. Johnson is factually innocent of the charges. In 2019, Mr. Johnson was one of the initial five compensatees granted relief under the expanded provisions of State Finance and Procurement Article § 10-501. The Board of Public Works granted Mr. Johnson total compensation of \$953,762, to be paid in eight installments. Three payments are still pending.

Request. On January 24, ²⁰²³~~2022~~, Mr. Johnson requested by email that he be advanced \$10,000 from his remaining compensation balance due to an unforeseen need to receive some of his compensation earlier than expected.

See next page for Record Correction
Letter dated 11/6/24

The above amended payment schedule was drafted in consultation with the Department of Budget and Management.

8. **BOARD OF PUBLIC WORKS**

***Wetlands License -- #21-1524 – Daniel Paluchowski
Mitigation***

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license to mechanically dredge an area, and
2. Require mitigation in the amount of \$1,506.72 for impacts to submerged aquatic vegetation resulting from new dredging.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- | | |
|---------------------------------|-------------------|
| • Application received | December 21, 2021 |
| • Public comment period ended | September 1, 2022 |
| • MDE Report and Recommendation | January 11, 2023 |

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: Mechanically dredging the area will result in new impacts to 292 square feet of submerged aquatic vegetation (SAV). MDE recommends that the Licensee mitigate for the 292 square feet impact to SAV at a 3:1 ratio (COMAR 23.02.04.11.B) by paying \$1,506.72 into the MDE Tidal Wetlands Compensation Fund.

292 square feet x 3 (3:1 mitigation ratio) x \$1.72 per square foot = \$1,506.72

ANNE ARUNDEL COUNTY

21-1524 **DANIEL PALUCHOWSKI** – To improve navigable access by mechanically dredging two new areas, transporting dredged material to a disposal site, and providing for periodic maintenance dredging for six years.

Arnold, Dividing Creek

Special conditions: Time of year restriction. Requirements for dredge material transport and disposal, maintenance dredging, staking dredged area, post dredge bathymetric survey, and payment into MDE Tidal Wetland Compensation Fund.

9. **BOARD OF PUBLIC WORKS**
***Wetlands License -- #21-1513 – Michael Replogle
Mitigation***

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license to mechanically dredge an area, and
2. Require mitigation in the amount of \$1,050.92 for impacts to shallow water habitat resulting from new dredging.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- Application received December 21, 2021
- Public comment period ended September 1, 2022
- MDE Report and Recommendation January 17, 2023

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: Mechanically dredging an area will result in new impacts to 611 square feet of shallow water habitat. MDE recommends that the Licensee mitigate for the 611 square feet of impact to shallow water habitat at a 1:1 ratio (COMAR 23.02.04.11.B) by paying \$1,050.92 into the MDE Tidal Wetlands Compensation Fund.

$$611 \text{ square feet} \times \$1.72 \text{ per square foot} = \$1,050.92$$

ANNE ARUNDEL COUNTY

21-1513 **MICHAEL REPLOGLE** – To improve navigable access by mechanically maintenance dredging an area, mechanically dredging a new area, transporting dredged material to a disposal site, and providing for periodic maintenance dredging for six years.

Arnold, Dividing Creek

Special conditions: Time of year restriction. Requirements for dredge material transport and disposal, maintenance dredging, staking dredged area, post dredge bathymetric survey, and payment into MDE Tidal Wetland Compensation Fund.

bill.morgante@maryland.gov*

10. BOARD OF PUBLIC WORKS
Wetlands License -- #20-0546 – Kirk Simpkins
Mitigation

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license to construct and backfill a new bulkhead, and
2. Require mitigation through construction of a 91.46 square feet marsh establishment mitigation site to offset filling impacts to 43.68 square feet of open water.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- | | |
|---------------------------------|------------------|
| • Application received | July 14, 2020 |
| • Public comment period ended | November 1, 2022 |
| • MDE Report and Recommendation | January 18, 2023 |

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: Constructing and backfilling a new bulkhead will result in permanent impacts to 43.68 square feet of open water. As mitigation for the open water impacts, MDE recommends the licensee construct a 91.46 square foot marsh establishment area. The marsh establishment area is considered “out-of-kind” mitigation and is stipulated by regulation to occur at a ratio of 2:1 (COMAR 23.02.04.11.B). The proposed 91.46 square feet of marsh establishment area creation exceeds the mitigation requirement.

$$43.68 \text{ square feet} \times 2 \text{ (2:1 ratio)} = 87.36 \text{ square feet}$$

**11. DEPARTMENT OF NATURAL RESOURCES
*Oyster Restoration***

Recommendation: That the Board of Public Works approve the expenditure of general obligation bond proceeds as described.

Contract ID: Large-Scale Oyster and Habitat Restoration in Maryland Sanctuaries 2023-2025

Description: Purchase and collect oyster substrate and plant hatchery-reared oysters for oyster reef construction in large-scale oyster restoration tributaries.

Award: Chesapeake Appreciation/Oyster Recovery Partnership, a § 501(c)(3) organization

Authority: § 8-301, State Finance & Procurement Article, Annotated Code of Maryland
§4-1014, Natural Resources Article, Annotated Code of Maryland

Procurement Exemption: § 11-203(a)(xviii), State Finance and Procurement Article, Annotated Code of Maryland

Amount: \$9,110,004*
*see remarks in Background

Contract Term: 3/1/2023* – 12/31/2025 (*or earlier upon Board approval)

Incumbent: Same

Background: This contract is part of a project to construct and restore oyster reefs in direct support of the 2014 Chesapeake Watershed Agreement that calls for restoring native oyster habitat and populations in five Maryland water bodies: Harris Creek, Little Choptank, Tred Avon, St. Mary's, and Manokin.

The Department seeks approval of the full contract award amount. At this time \$5,000,000 in capital funds have been appropriated. The Department will return to the Board of Public Works for approval to encumber future year capital funds under this contract once this funding becomes available.

DNR's Oyster Restoration Program seeks to enhance native oyster populations through restoring oyster habitat. Enhancing oyster habitat was identified as one of the strategies for re-establishing a self-sustaining oyster population in the Chesapeake Bay and supports the stated goals of the Chesapeake Bay Watershed Agreement 2014, as well as Maryland's Oyster Restoration and Aquaculture Development Plan.

12. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Bay Restoration Fund

Recommendation: That the Board of Public Works approve further funding as described.

Authority: Maryland Water Quality Financing Administration Act
§§ 9-1601--9-1622, Environment Article, Annotated Code of Maryland.

Project: Twin Cities Wastewater Treatment Plant Biological Nutrient Removal (BNR) and Enhanced Nutrient Removal (ENR) Upgrade

Recipient: Town of Secretary

Amount: Up to \$17,407,447

Location: Dorchester County/Legislative District 37B

Project Description: The project entails the planning, design & construction of biological and enhanced nutrient removal upgrades at the Twin Cities Wastewater Treatment Plant (WWTP) at an approved design capacity of 0.281 million gallons per day. Upon completion of the upgrades, Twin Cities WWTP will be capable of achieving effluent concentration goal of 3.0 mg/l for Total Nitrogen (TN) and 0.3 mg/l for Total Phosphorus (TP). This will allow 83% reduction in TN and 90% reduction in TP thereby reducing nutrients discharged to Choptank River and ultimately the Chesapeake Bay. This board action is for the construction of the WWTP upgrade. This project will be constructed in accordance with coastal and noncoastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

13. MARYLAND ENVIRONMENTAL SERVICE
Point Lookout State Park, St. Mary's County

Construction Contract: Point Lookout State Park Water and Sewer Rehabilitation Project
MES Project # 1-23-2-15-5

Description: Rehabilitation of the water distribution and collection systems at
Point Lookout State Park.

Procurement: Competitive Sealed Bids

Award: Stormwater Management Solutions, LLC

Amount: \$8,999,999

Term: 730 Calendar Days

Bids:	Stormwater Management Solutions, LLC, Leonardtown, MD	\$8,999,999
	Schummer Inc. Mayo, MD	\$14,653,055

MBE Participation: 19%

Remarks: The proposed project shall consist of the replacement and/or rehabilitation of the water and sanitary sewer system piping networks within the Park. In addition to these improvements, this project will include the upgrading of the accompanying wastewater pump stations. The upgrades are needed to eliminate problems associated with frequent water main breaks, flooding of pump stations during storm events and aging electrical components.

This procurement has been reviewed and approved by the MES Board of Directors.

14. **MARYLAND ENVIRONMENTAL SERVICE**
Sandy Point State Park, Anne Arundel County

A/E Contract: WATEK Engineering Corporation
MES Project # 1-23-2-44-3

Description: Design a new water tower and upgrades to the existing water treatment plant at Sandy Point State Park. Prepare a Preliminary Engineering Report (PER) reviewing the existing sewer collection and water distribution systems and provide a preliminary design.

Procurement: Architectural and Engineering Shortlist

Award: WATEK Engineering Corporation, Gaithersburg, MD

Amount: \$ 323,514

Term: 24 Months from Notice to Proceed

MBE Participation: 29%

Remarks: The existing water treatment plant and water tower provide potable water and fire protection for the Park and the State Highway Facility at the Bay Bridge. The water tower, distribution system, and collection systems were installed in the 1950's. The tower footings are cracking and spalling, weakening the structural integrity. MES received a memo from MDE on December 28, 2022 recommending immediate action on the tower. The water treatment plant is aged and much of the equipment is obsolete; the plant needs to be updated to maintain high quality drinking water for the Park.

The MES Board of Directors has reviewed and approved this procurement.

**15. MARYLAND STADIUM AUTHORITY
*Real Property - Surplus***

Recommendation: That the Board of Public Works declare as surplus the property located at 100 Summit Avenue, Hagerstown, Washington County.

Authority: § 10-305(b) State Finance & Procurement Article; COMAR 34.02.02.04

Remarks: The Hagerstown Multi-Use Sports and Events Facility Act (the “Act”) was enacted as Chapter 353 of the Acts of 2021 by the Maryland General Assembly and codified in the Economic Development Article under Title 10 subtitle 6. Subject to the terms and conditions set forth in the Act, MSA is authorized to acquire any site and to construct the Hagerstown Multi-Use Sports and Events Facility as defined in the Act or any segment thereof (the “Facility”). 100 Summit Avenue (the “Property”) in Hagerstown, Washington County was one of four parcels MSA identified as necessary for the construction of the Facility. Specifically, the Facility requires the use of the existing parking lot on the southern portion of the Property. The Herald Mail Building (the “Building”) on the northern portion of the Property is not required for the construction of the Facility. The former owner refused offers to establish an easement, right-of-way, or other means to ensure access to parking short of purchasing the entire Property which includes the Building. The Property was purchased for \$5,236,529.63 with funds appropriated in the State Budget for fiscal year 2022 (*see Ch. 357, 2021 Regular Session, Secretary’s Agenda, Item 11 [1/26/22], and Secretary’s Agenda, Item 32 [6/8/22]*)

On December 2, 2022, in accordance with COMAR 34.02.02.04, MSA requested that the State Clearinghouse in the Department of Planning undertake the procedure for reporting and processing of excess State-owned property in connection with the Property.

Pending the Board of Public Works declaring the Property surplus, MSA intends to market the Property for sale subject to all necessary easements, rights-of-way or other legal requirements. Any sale of the Property will also include any conditions set forth in the State Clearinghouse Recommendation Letter dated January 24, 2023. MSA shall submit any contract it entertains for the sale of the Property to the Senate Budget and Taxation Committee for disposition approval and the Board of Public Works for final approval of sale.

State Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project under MD20221205-0932. It has recommended that the northern portion of the property be declared surplus to the needs of the State, upon consideration of the Maryland Department of the Environment’s and the Maryland Department of Transportation’s qualifying comments. The change in use for the southern portion of the property is consistent with qualifying comments.

16. MORGAN STATE UNIVERSITY
Improvements – Hurt Gymnasium

Contract ID: OES-HURT-23-10o-MCEC

Recommendation: Approve the construction services contract to continue the improvements and renovations of the interior spaces and building systems of Hurt Gymnasium.

Prior Approval: Secretary's Agenda, Item 11 (3/23/2022) (Capital Purchases)
OES-HURT-22-10k-MCEC

Procurement Method: Request for Qualifications, procured by the Maryland Clean Energy Center

Award: Siemens Group USA,
Baltimore, MD

Amount: \$12,924,563

Contract Term: 18 Months from issuance of Notice to Proceed

MBE Participation: 37.00%

Fund Source: Historically Black College and University Capital Financing Loan Program (HBCU CAP FIN Loan)

Remarks: This is the continuation of the significant improvements in Morgan's Hurt Gymnasium. This is phase II of a two-part construction project. Specifically, this project includes structural repairs and the replacement of building finishes and equipment (including but not limited to paint, flooring, walls, ceilings, lights, security repairs to structure furniture/equipment, etc.). This trade work was competitively bid by Siemens and their construction manager, Mahogany, Inc. (an MBE contractor).

The initial contract was approved at the March 23, 2022 Board of Public Works meeting, Agenda Item 11. The initial work (Phase I) included upgrading and replacing mechanical, electrical, plumbing, fire systems, roof (and any miscellaneous work).

Each task order has its own separate MBE participation goal. A 30.00% MBE participation goal was established for Secretary's Agenda Item 11 (3/23/22). To date, Siemens has achieved 13.90% on Task Order 10k.

BOARD OF PUBLIC WORKS

ACTION AGENDA
February 15, 2023

REVISED

16. MORGAN STATE UNIVERSITY (cont'd)

Remarks (cont'd):

The University has partnered through a Memorandum of Understanding with the Maryland Clean Energy Center (MCEC), an instrumentality of the State with the mission to advance the adoption of clean energy products, services, and technologies that create jobs and positive environmental benefits for Maryland. MCEC is tasked with assisting the University in engaging appropriate and qualified vendors and contractors to achieve the desired outcomes associated with this initiative.

At the request of MSU, MCEC developed and executed a Request for Qualifications process to identify and select a vendor with the appropriate experience to enter into a Master Services Agreement (MSA) with MCEC to provide services to MSU.

Only the nine vendors pre-qualified for the State of Maryland Indefinite Delivery Contract (IDC) were invited to respond to the RFQ process. All nine companies responded with written proposals. Those proposals were considered through a rigorous evaluation process to narrow the field to three vendors invited to give an oral presentation. Representatives from MSU and MCEC were included on the evaluation committee. This committee selected Siemens as the most qualified among the final three vendors.

MCEC is contracting with Siemens on behalf of MSU to perform various tasks, along with design and execution, to accomplish the campus-wide comprehensive energy and sustainability plan. It includes this Task Order to perform work at the Hurt Gymnasium. This task-order system enables the University to effectively address long overdue deferred maintenance to enhance reliability and minimize disruptive failures.

In addition, through its procurement process, MSU hired an engineering consulting firm to review and benchmark the project at the request of MSU. This firm, NV5, is also contracted with DGS. While commending the design and benefits of the project, NV5 has provided excellent advice and experience in ensuring that pricing is competitive and in line with the expectations of the MCEC and MSU.

17. ST. MARY'S COLLEGE OF MARYLAND
Capital Improvements Contract

Recommendation: That the Board of Public Works approve St. Mary's College of Maryland awarding a contract for the renovation of the Andrew J. Goodpaster Hall to consolidate and add lab space for the College's chemistry program.

Authority: Section 11-203 and Section 8-301, State Finance and Procurement Article, Annotated Code of Maryland

Description: Construction services for the renovation of the Andrew J. Goodpaster Hall building for the chemistry program.

Procurement Method: Invitation for Bid

Award: S.E. Davis Construction, LLC (MBE)

Term: 2/16/2023 - 08/25/2023

Amount: \$1,746,539.10

Bids:

<i>Firm</i>	<i>Financial Proposal</i>	<i>Overall Ranking</i>
S.E. Davis Construction, LLC, LaPlata, MD	\$1,746,539.10	1
W.M. Davis, Leonardtown, MD	\$1,974,290.00	2
Matos Builders, LLC, Baltimore, MD	\$2,229,863.00	3
J.A. Scheibel, Inc., Huntingtown, MD	\$2,359,000.00	4

MBE Participation: 100%

MBE Waiver: 50%

Fund Source: MCCBL 2022 (140)

Appropriation Code: 622

Remarks: The renovation of the Andrew J. Goodpaster Hall building will address instructional and research lab and office space deficiencies for STEM disciplines. Since knowledge of basic chemistry is essential for several majors including Biology, Biochemistry, Environmental Studies, and a new Neuroscience major, continued demand for chemistry lab classes is anticipated. The creation of a flexible-use lab addresses the requirements of accommodating

BOARD OF PUBLIC WORKS

17. ST. MARY'S COLLEGE OF MARYLAND (cont'd)

Remarks (cont'd):

several STEM disciplines in one space, assuring effective time utilization of that space. In addition, expanding research lab space for Chemistry faculty and SMCM seniors working on their final projects will enhance the program and help retain and attract talented faculty and students.

The solicitation contained a 18% MBE goal. W.M. Davis, Inc. and J.A. Scheibel, Inc. stated that they could not meet the goal and did not request a waiver. S.E. Davis Construction stated that they could not reach the 18% goal, but as they were a woman owned firm they could meet a 9% goal and requested a waiver for the remaining 9%. S.E. Davis Construction provided documentation showing their efforts to attain the full goal. Based upon the documentation a waiver was granted by the College. The only firm to meet the MBE goal was Matos Builders, LLC. The Matos Builders bid price was \$483,324 higher than that bid of S.E. Davis Construction.

18. ST. MARY'S COLLEGE OF MARYLAND
Rowing Center Naming

Recommendation: The Board of Trustees of St. Mary's College of Maryland requests approval to name the Rowing Center as the **William E. Seale Rowing Center**.

Background: The St. Mary's College of Maryland Rowing Center primarily houses the intercollegiate rowing program, including team meeting spaces, dedicated space for the rowing shells and other equipment, and other support spaces, to include space provided for the intramural windsurfing club. Additionally, the Rowing Center provides critical storage space for Waterfront gear, such as sails, equipment for the keelboats, offshore sailing team gear, and off-season storage of dingy equipment.

William E. Seale has been a valued advocate, proponent, advisor, mentor, and contributor to the vision and mission of St. Mary's College of Maryland. From 2012-2015 he served on the St. Mary's College of Maryland Foundation Board of Directors and has served as a member of the College's Board of Trustees since 2019.

His philanthropy, along with his wife Marguerite Pelissier, is recognized in the College's prestigious Trustees Circle (\$1M+). His numerous contributions have included the President's Vision Fund to assist in jumpstarting transformational initiatives, the Seale Scholarship Fund, the William E. Seale Professor of Business Fund, and the William E. Seale Teaching and Learning Fund. Solely because of Mr. Seale's donations, the College was able to build the track and field infrastructure at the Jamie L Roberts Stadium that now is home to a new track and field athletic program.

Mr. Seale has lent considerable expertise to the College from his career experiences. He is a partner in the ProFunds Group, the parent of ProShare Advisors LLC and Profund Advisors LLC. Over his more than 10 years as chief investment officer, he developed the financial models and investment techniques that direct investments of over 200 ProShares and ProFunds, managed a portfolio of 35, and oversaw the funds' trading. He is a professor emeritus of finance at George Washington University, where, prior to the formation of ProFunds, he was chair of the department of finance and senior associate dean of the business school. He is a longtime member of the Washington government and business community, having served a five-year term as a commissioner on the Commodity Futures Trading Commission, among other experiences.

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
February 15, 2023**

18. ST. MARY'S COLLEGE OF MARYLAND (cont'd)

Background (cont'd):

In naming the Rowing Center in honor of Mr. Seale, the College not only wishes to acknowledge the impact he has made on curricular and co-curricular initiatives, but also wishes to honor his passion. In 2012, Mr. Seale, a yachtsman, donated his sailing vessel "Riptide" to benefit the College's waterfront program, providing access for the College community to learn to sail and opportunities to appreciate the St. Mary's River. Five years later, he provided the funding for the rowing team to purchase an eight-person shell, a gift that went a long way in helping grow a team only in its second year as a varsity sport. It ensured the team had top equipment in which to compete and seats for all who wanted to row.

For his cumulative generosity and mark on St. Mary's College, it is fitting to honor Mr. Seale's passion for the College's waterfront programs by naming the Rowing Center the William E. Seale Rowing Center.

The Board of Trustees met on October 14, 2022 and unanimously approved the naming.

19. **DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES**
General Miscellaneous

Recommendation: The Maryland Department of Public Safety and Correctional Services, through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorneys' fees, against defendant in the matter of *Othella Gough v. Mark Semexan*, United States District Court for the District of Maryland, No. 21-14-BPG.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: \$30,000

Fund Source: 100% General Funds

Appropriation Code: Q00A0101

Requesting Agency's Remarks: The Department of Public Safety and Correctional Services and the Office of the Attorney General recommend paying \$30,000.00 to settle all claims, including attorneys' fees, as in the best interest of the State.

If this settlement is approved a check should be issued payable to "Othella Gough and The Law Office of Andrew B. Saller" in the amount of \$30,000.00. The check should be delivered to James Pasko, Assistant Attorney General, Office of the Attorney General of Maryland, 6776 Reisterstown Road, Suite 311, Baltimore, Maryland 21215, who will deliver it to plaintiffs' attorney and ensure that all of the necessary documentation and releases are complete.

20. **DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES**
General Miscellaneous

Recommendation: The Maryland Department of Public Safety and Correctional Services through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorneys' fees, against defendant in the matter of *Amber Maree Canter v. J. Michael Zeigler, et al.*, United States District Court for the District of Maryland, No. 8:17-cv-00908-GJH.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: \$92,000

Fund Source: 100% General Funds

Appropriation Code: Q00A0101001

Requesting Agency's Remarks: The Department of Public Safety and Correctional Services and the Office of the Attorney General recommend paying \$92,000 to settle all claims, including attorneys' fees, as in the best interest of the State.

If this settlement is approved, payment will be made by the Department via electronic deposit directly into Ms. Canter's institutional financial account. Damon A. Pace, Assistant Attorney General, Office of the Attorney General of Maryland will ensure that all of the necessary documentation and releases are complete.

A1. COMPTROLLER OF MARYLAND

Contract Title: 2023 Income Tax Coupon Books and Instructions
ADPICS NO. E00P3600247

Contract Type: Commodities

Contract Description: Purchase of income tax coupon books for Maryland taxpayers to use to pay their estimated income taxes and submit their payments timely. The booklets are sent to approximately 85,000 Maryland residents.

Procurement Method: Emergency

Bids: NPC, Inc.; Claysburg, PA \$56,745.00

Award: NPC, Inc.; Claysburg, PA

Amount: \$56,745.00 (Includes estimate for freight and delivery)

Term: 11/17/2022 – 06/30/2023

Date Emergency Declared: 10/26/ 2022

Contract Award Date: 11/17/2022

Date Emergency Reported: 01/11/2023

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Remarks: Nature of Emergency: The Department of General Services (DGS) Office of State Procurement (OSP) initially conducted a procurement for the Comptroller of Maryland to purchase income tax coupon books, with the solicitation published on October 4, 2022 and bids due October 26, 2022. Bids were anticipated to be less than \$50,000. Only one bid was received with a price of \$378,510. The Comptroller's Office instructed DGS OSP to reject the bid due to the cost. There was not enough time to re-procure the booklets as 120 proofs were needed to be received by the Comptroller's Office by November 18, 2022 and finalized booklets must be mailed out by January 15, 2023. DSG OSP granted the emergency procurement request and the Comptroller's Office declared an emergency in order to procure and mail the income tax booklets in a timely manner.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
February 15, 2023

APP 2

A1. COMPTROLLER OF MARYLAND (cont'd)

Remarks (cont'd):

If the Comptroller's Office were to go through another normal procurement process, mailing of the income tax booklets would be significantly delayed. Taxpayers would not have the necessary forms to submit their income tax, and revenue to the State will be delayed. The longer the delay, the greater amount of revenue that would be delayed.

Basis for Selection: The Comptroller's Office reached out to the previous contractor, NPC, Inc. who did not submit a bid, to acquire a quote. NPC, Inc. supplied a quote and an acceptable time frame. NPC, Inc. is a vendor with whom the Comptroller's Revenue Administration Division (RAD) has successfully worked with in the past for the printing of the income tax booklets and instructions.

Reason for Late Report: This emergency procurement award was reported late due to DGS being in transition and not getting required signatures back in time to meet the 15 day reporting deadline after contract award.

Tax Compliance No.: 22-5891-0110

Resident Business: No

A2. DEPARTMENT OF HUMAN SERVICES
Social Services Administration (SSA)
Foster Care Maintenance Payments Program

Contract Title: Emergency Residential Child Care Services
SSA/RCCDD-23-014, ADPICS # N00B3600257

Contract Type: Services

Contract Description: Emergency placement of one youth.

Procurement Method: Emergency

Award: Dockings Healthcare Services, Inc.
Baltimore, MD

Amount: \$143,022 (not to exceed)

Term: 9/26/2022 – 3/31/2023

Date Emergency Declared: 9/26/2022

Contract Award Date: 9/26/2022

Date Emergency Reported: 1/24/2023

MBE/VSBE Participation: N/A / N/A

Fund Source: 100% General Funds

Appropriation Code: N00G0001

Remarks: Nature of Emergency: Emergency placement of an 18-year-old youth diagnosed with Autism Spectrum Disorder (ASD), Attention-Deficit/Hyperactivity Disorder (ADHD), Combined Presentation, and Unspecified Schizophrenia Spectrum and Other Psychotic Disorder, and has a history of multiple psychiatric hospitalizations due to his aggressive behaviors and therapeutic needs.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
February 15, 2023

APP 4

A2. DEPARTMENT OF HUMAN SERVICES (cont'd)

Basis for Selection: Due to the unique and emergent needs of the youth, it was determined by the Local Department of Social Services that Dockings Healthcare Services, Inc., is the most appropriate placement as they provide development and maintenance of skills related to activities of daily living through application of a formal teaching method in a community residential setting.

Dockings Healthcare Service, Inc. provides a wide array of individually designed services to youth that have autism spectrum disorder (ASD), Attention-Deficit/Hyperactivity Disorder (ADHD), Combined Presentation, and Unspecified Schizophrenia Spectrum and other psychotic disorders.

The proposed price for this contract is fair and reasonable because the price is set by Maryland State Department of Health, Developmental Disabilities Administration, using the same established methodology in price setting for all In-State providers.

Reason for Late Report: This emergency procurement award is also being reported late due to recent administrative issues that delayed approval. Due to the nature of the placement and the youth's behavioral needs, it was in the best interest of the youth to be placed immediately with the identified provider. While the Department failed to meet the reporting requirement, this youth's well-being was imperative and continued overstay in a hospital setting could further traumatize and be a detriment to the youth's wellbeing. Additionally, processes have been implemented to ensure that notifications are submitted timely to the central procurement unit to ensure timely notification.

A3. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Contract Title: Emergency Procurement to Repair Underground Hot Water Leaks at Maryland Correctional Institution-Jessup (MCI-J)
ADPICS NO. Q00P3602723

Contract Type: Maintenance

Contract Description: Immediate repair to address underground hot water line leaks. The areas affected by these line leaks are the school and chapel walkway which have no hot water.

Procurement Method: Emergency

Bids:

M&M Welding & Fabricators, Inc. Baltimore, MD	\$168,400.00
Maryland Mechanical Systems, Inc. Baltimore, MD	\$174,209.00

Award: Maryland Mechanical Systems, Inc.; Baltimore, MD

Amount: \$174,209

Contract Term: Fourteen days from Notice to Proceed (NTP)

Date Emergency Declared: 1/03/2023

Contract Award Date: 1/11/2023

Date Emergency Reported: 1/13/2023

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General
FY22 PCA S1410 AOBJ 8124

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
February 15, 2023

APP 6

A3. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Remarks: *Nature of Emergency:* There is an urgent need to address multiple underground hot water leaks, replacement of spence valves, and restoration of heating to the facility's chapel. These leaks constitute a potential threat/hazard to institutional/general safety, security, and health as well as a possibility of compromising the integrity of nearby adjoining structures. The leaks have adversely affected the effectiveness of the heating system through regular loss of pressure and failure of essential equipment.

Basis for Selection: This work is time sensitive in that a lack of hot water represents a health and sanitation hazard. To be competitive, calls for quotes were made to at least two vendors that are known to respond as soon as possible and were familiar with the Department's facilities and security protocols. These repairs are vital to maintain a safe and healthy environment for the inmate population. Two quotes were received. The lowest quote, from M&M Welding & Fabricators, Inc., could not complete the entirety of the repair until April. The second vendor, Maryland Mechanical Systems, Inc., was able to immediately begin the complete repair of the system.

5A. RURAL LEGACY PROGRAM FUNDS
Harford County

Recommendation: Approval to grant \$125,570.00 to **Harford County** from Rural Legacy Funds to acquire a 22.79-acre conservation easement.

Deer Creek Rural Legacy Area – Hills and Hollows, LLC

Prior Approval: Rural Legacy Area Grant for easement acquisitions:
DNR-RP Item 12A (10/21/2020) \$2,092,249 for FY 2021
DNR-RP Item 15A (10/12/2022) \$1,295,664 for FY 2023

Project Description: Acquisition of this conservation easement will protect forest lands, as well as provide approximately 1,200 linear feet of forested stream buffers to the Deer Creek state-designated scenic river and unnamed tributaries. This Rural Legacy easement, RL No. 13736, will be held by Harford County. The county is not requesting administrative, incidental, and program compliance costs.

Easement Value: \$148,102.50 (\$6,500.00 per acre)

Purchase Price: \$125,570.00 (\$5,511.08 per acre)

Total Other DNR Costs:	Administrative:	\$0.00

**2-C. UNIVERSITY OF MARYLAND, COLLEGE PARK for
SALISBURY UNIVERSITY
*Blackwell Hall Renovation***

Contract ID: Design-Build Construction Contract, Blackwell Hall Renovation
Salisbury University, RFP No. 12537-MG

Recommendation: Award of Design-Build Contract

Contractor: The Whiting Turner Contracting Co., Salisbury, MD

Project Description: The proposed project is for the design and renovation of the 67,300 GSF/42,000 NASF Blackwell Hall for student services functions. The program also includes an approximately 6,000 GSF entrance addition. The former library, Blackwell Hall, will be renovated to become a Student Services Center. Student service departments, including the Registrar, Financial Aid, Academic Advising, Career Services, Bursar, Admissions, Counseling Center, Health Center, and Disabilities Resource Center units will be combined into one building to create a one-stop shop for student services.

The University anticipates the final value of this contract, after award of all Bid Packages, will be approximately \$43 million.

Contract Term: Sixty-Eight months from design notice to proceed (includes warranty period)

Amount: \$3,482,605 (design and pre-construction services)

Procurement Method: Competitive Sealed Proposals - Qualification Based Selection

Proposals:

Technically-Qualified Proposers	Rank
The Whiting Turner Contracting Co., Salisbury, MD	1
Bancroft Construction, Salisbury, MD	2

Fund Source: General Funds (FY 2023 PayGo Funds) \$1,940,000

Note: The University is requesting approval for the entire design and preconstruction contract, which exceeds currently available funding. The University will return to the Board to authorize FY 2024 funding when available. Until further funding is available, the University will authorize the contractor to only perform work that does not exceed available funds.

Board of Public Works
University System of Maryland
Supplement
February 15, 2023

2-C. **UNIVERSITY OF MARYLAND, COLLEGE PARK for
SALISBURY UNIVERSITY (cont'd)**

MBE Participation: Overall: 13.40% (See Requesting Institution Remarks)

Performance Security: Equal to contract amount

Requesting Institution Remarks: This solicitation was advertised on the eMaryland Marketplace Advantage website. Two technical proposals were received and evaluated by the University of Maryland Qualifications Committee. All proposers were deemed technically acceptable and thus susceptible of award. The Qualifications Committee selected The Whiting-Turner Contracting Company as the top technically-ranked proposer.

This University is requesting approval of the award of pre-construction and professional design services. Whiting Turner's design team is led by Hord, Coplan & Macht (HCM), Baltimore, MD. The agreement includes professional design and preconstruction services, general conditions, and construction services fees for a total negotiated amount of \$8,593,003.

If the University and contractor agree to construction costs following the solicitation of trade contracts, the University will return to the Board with a recommendation to modify the contract to include the actual construction costs in the form of Bid Packages, general conditions, and the construction services fee.

The MBE Participation Goals established for this contract are as follows: Overall-20%; Subgoals: African American-8% and Female-11%. The 13.40% goal referenced above is for the pre-construction and design phase of the contract. Once trade contract packages are solicited for the construction phase of the project, the University will return to the Board requesting approval of the bid package along with the MBE participation commitment.

Sustainability: This project will comply with the Maryland State High Performance Green Building Program. The project will include features such as energy efficient mechanical equipment chosen based on life cycle cost analysis, water saving plumbing fixtures, and selection of building materials with a low environmental impact. The Design-Build Contractor will perform a feasibility study to assess geothermal potential to meet building heating and cooling loads.

3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK
Field Hockey and Women's Lacrosse Complex Expansion;
Bid Package 2 of 3

Contract ID: Design/Build Services for the Field Hockey and Women's
Lacrosse Complex Renovation, Task Order No. 93147

Recommendation: Award Construction Bid Package 2

Contractor: Jeffrey Brown Contracting, Towson, MD

Prior Approval: USM Item 6-C (5/10/2017)
USM Item 5-C-OPT (4/24/2019)
USM Item 2-C-OPT (5/6/2020)
USM Item 7-C (4/21/2021)
USM Item 2-C-BP (8/10/2022)

Project Description: The Field Hockey and Women's Lacrosse Complex at the University of Maryland, College Park will be renovated and expanded to provide a 15,340 GSF building. The existing 6,195 GSF facility will be partially demolished for the incorporation of new Physical Training and Sports Therapy areas, new team lounges, upgraded locker rooms, new lobby and Hall of Fame entrance. A second floor will be added to the existing structure to support the Head Coaches and Assistant coaching staff, offices, conference room, and support spaces.

The projected construction cost for this project is \$15.4 million. The overall project estimate (design, construction, equipment) is \$17.3 million.

Bid Package Description: Bid Package 2 consists of mechanical, electrical, interior framing and shop drawings.

Contract Term: Fifty-One months from notice to proceed (including warranty period)

This Bid Package Amount: \$2,093,856

Current Contract Amount: \$8,801,444

Revised Contract Amount: \$10,895,300

Fund Source: Institutional Funds

Board of Public Works
University System of Maryland

February 15, 2023

3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont'd)

MBE Participation Goal: Overall: 21%; Sub-goals: 8%-African American: 11%-Women

MBE Compliance: Overall: 22.20%%; Sub-goals: 1.68%-African American: 7.25%-Women

Performance Security: Equal to contract amount

Requesting Institution Remarks: This contract was initially awarded for the pre-construction and design phase only. As design progressed and design information became available, the contractor sequentially and competitively bid construction packages. This is the second of three Bid Packages; it is for the materials and trade work needed to continue with construction.

The MBE Compliance is based actual payments to MBE contactors. The prime contractor is expected to exceed the MBE goals established for the project.

Sustainability: The design of the project complies with the Maryland State High Performance Green Building Program and will achieve a LEED Silver rating. The project includes the following sustainable features: high efficiency HVAC system, energy efficient LED lighting, water-saving plumbing fixtures, low VOC emitting materials, reflective roofing, high R-value building envelope, and high-performance glazing.

1-E. MARYLAND AVIATION ADMINISTRATION
Equipment Contract

Contract ID: Mallaghan Lift for Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; *BWI22013-C*
EPICS No.: BWI22013C

Contract Description: Purchase and delivery of one Mallaghan Medical Lift for BWI Thurgood Marshall Airport.

Award: Mallaghan (GA), Inc.; Newnan, GA

Contract Term: 03/02/2023* - 03/01/2024 (**or earlier upon BPW Approval*)

Amount: \$234,085

Procurement Method: Competitive Sealed Bidding (*Single Bid Received*)

MBE/VSBE Participation: 0% / 0%

Incumbent: N/A

Performance Security: None

Requesting Agency Remarks: This re-solicitation was advertised on eMaryland Marketplace Advantage and the Maryland Aviation Administration's (MDOT MAA) website. MDOT MAA directly solicited eight prospective bidders. A single bid was received. The procurement officer reached out to the prospective bidders to ascertain reasons for not bidding and found bidders could not supply the equipment needed.

In the event of an emergency requiring the deplaning and enplaning of passengers when planes are parked in remote paved areas and for diversions that cannot be parked at a gate, the medical lift is required to assist passengers needing special assistance including utilizing a wheelchair or stretcher. Additionally, the medical lift is essential to address ADA concerns during emergency events.

MDOT MAA previously advertised a solicitation for a medical lift in October 2021. Two bids were received on December 23, 2021. A review of the bids revealed errors made by both bidders; therefore, the bids were rejected, and the procurement was cancelled. No protests were filed.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
February 15, 2023

1-E. MARYLAND AVIATION ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

The re-solicitation was readvertised in February 2022. Two bids were received on March 31, 2022. One bid did not include pricing for all required items and conditioned the bid. The second bid proposed an equal to the medical lift that did not meet the requirements set forth in the solicitation. Again, MDOT MAA rejected all bids and cancelled the procurement. No protests were filed.

The third attempted solicitation for this equipment resulted in a single bid that does meet all requirements set forth in the IFB. In comparing the price to the 2021 bids to the pricing in this procurement (3rd solicitation) Mallaghan (GA), Inc. increased it's pricing by 5%. Additionally, the second bidder's price from 2021 was \$275,000.00, which is higher than Mallaghan's price for this procurement. Therefore, MDOT MAA determined the price to be fair and reasonable.

2-E. MARYLAND AVIATION ADMINISTRATION
Equipment Contract

Contract ID: Vammas B750 Blowers for Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; *MAP6304785*
EPICS No.: MAP6304785

Contract Description: Purchase and delivery of two Vammas B750 Blowers for BWI Thurgood Marshall Airport.

Award: FortBrand Services, LLC; Plainview, NY

Contract Term: 03/02/2023* - 04/01/2023 (**or earlier upon BPW Approval*)

Amount: \$1,750,000

Procurement Method: Intergovernmental Cooperative Purchase (ICPA # 212545)

MBE/VSBE Participation: 0% / 0%

Performance Security: None

Incumbent: N/A

Requesting Agency Remarks: The Maryland Department of Transportation Maryland Aviation Administration (MDOT MAA) is requesting to replace two 17-year-old Vammas Snow Blowers with two new Vammas B750 Blowers. The current Blowers have surpassed their serviceable life. Due to the age of the units, MDOT MAA has experienced extended downtime for mechanical breakdowns, failing electronics, and extreme difficulty procuring parts. Additionally, rust and body structural deterioration are becoming a concern as BWI Thurgood Marshall Airport does not have indoor storage for this equipment. The equipment is subject to outdoor elements, which taxes all the rubber and soft compound materials. As a result, the equipment has already lost two windshields (soft seals failed and glass hazed over obscuring visibility) because of this. To provide uninterrupted services, the blowers must be maintained in superior operating condition and should be promptly replaced when adequate performance levels can no longer be assured.

The Vammas Blower units are a major part of BWI Thurgood Marshall Airport Snow Removal Plan responding to airport/aircraft emergencies during inclement weather. The vehicles are subject to above normal wear because of the requirement to operate in the Airport Operations Area (AOA). Operating in the AOA requires continuous running of the engine to operate the beacon and radios, which are required to maintain contact with the FAA Control Tower.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
February 15, 2023

2-E. MARYLAND AVIATION ADMINISTRATION (cont'd)

Agency Remarks(cont'd):

The replacement of the equipment is essential to the safe and efficient operation of BWI Thurgood Marshall Airport. Not replacing the units may cause severe safety issues and inefficiencies in assigning and performing work by the MDOT MAA Office of Grounds Maintenance Staff. Failure to clear the airfield and taxiways during emergency snow operations could have a severe impact on aircraft safety and operations.

Contract No. 212545 between the State of Minnesota, and FortBrand Services, LLC is effective May 1, 2022, through April 30, 2023. The contract provides the Vammas B750 Blowers at a base price of \$1,039,813 with a discount of \$184,813 per unit for a total configured price of \$855,000 each. The freight is \$20,000 per unit. The lead time of this equipment is 30 days after receipt of order.

Through market research MDOT MAA found a similar unit from MB Companies for a cost of \$861,729.60. The lead time is approximately 15 months. The cost from the MB Companies is more expensive and takes much longer for delivery when compared to the price of \$855,000 and the 30-day duration for delivery from the State of Minnesota intergovernmental contract that MDOT MAA is requesting to utilize. Therefore, the Procurement Officer considers the State of Minnesota intergovernmental price fair and reasonable.

The contract with FortBrand Services, LLC has been negotiated per COMAR 21.05.09, Intergovernmental Cooperative Purchasing. Utilizing this procurement method will allow MDOT MAA to realize savings in time and money in obtaining the Vammas B750 Blowers.

3-E. MARYLAND AVIATION ADMINISTRATION
Equipment Contract

Contract ID: Vammas PSB 5500 Multi-Task Snow Equipment for Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; MAP6044330
EPICS No.: MAP6044330

Contract Description: Purchase and delivery of two Vammas PSB 5500 Multi-task snow equipment for BWI Thurgood Marshall Airport.

Award: FortBrand Services, LLC; Plainview, NY

Contract Term: 03/02/2023* - 11/30/2023 (*or earlier upon BPW Approval)

Amount: \$2,510,000

Procurement Method: Intergovernmental Cooperative Purchase (ICPA # 212545)

MBE/VSBE Participation: 0% / 0%

Performance Security: None

Incumbent: N/A

Requesting Agency Remarks: The Maryland Department of Transportation Maryland Aviation Administration (MDOT MAA) is requesting to replace two 17-year-old multi-task snow equipment with two new Vammas PSB 5500 Multi-task units. The current multi-task units have surpassed their serviceable life. Due to the age of the units, MDOT MAA has experienced extended downtime for mechanical breakdowns, failing electronics, rust, and body structure deterioration. To provide uninterrupted services, the units must be maintained in superior operating condition and should be promptly replaced when adequate performance levels can no longer be assured.

The Vammas PSB 5500 is a 3-in-1 multi-task unit that contains a plow, sweeper, and blower all in one. The PSB 5500 will be highly effective as part of the snow removal plan for BWI Thurgood Marshall in that a single piece of equipment offering three snow removal functions will minimize runway occupancy times and keeps the airfield open for longer periods of time.

The Vammas PSB 5500 units are a major part of the BWI Thurgood Marshall Airport Snow Removal Plan when clearing runways and taxiways during inclement weather. The vehicles are subject to above normal wear because of the requirement to operate in the Airport Operations Area (AOA). Operating in the AOA requires continuous running of the engine to operate the

beacon and radios, which are required to maintain contact with the FAA Control Tower. The replacement of the equipment is essential to the safe and efficient operation of BWI Thurgood Marshall Airport. Not replacing the units may cause severe safety issues and inefficiencies in assigning and performing work by the MDOT MAA Office of Grounds Maintenance Staff. Failure to clear the airfield and taxiways during emergency snow operations could have a severe impact on aircraft safety and operations.

Contract No. 212545 between the State of Minnesota, and FortBrand Services, LLC is effective May 1, 2022, through April 30, 2023. The contract provides the Vammas PSB 5500 Multi-Task snow units at a base price of \$1,230,000 per unit and freight at \$25,000 per unit.

Through market research MDOT MAA found Boston Logan International Airport purchased one (1) Vammas PSB 5500 multi-task snow vehicle in early 2022 from FortBrand Services, Inc. configured to the same specifications at the same price of \$1,230,000. MDOT MAA explored purchasing three separate units (one blower, one sweeper, and one plow) and found purchasing the equipment as separate units, would cost \$4,120,000.

BWI Thurgood Marshall is being quoted the same price per unit that Boston Logan paid in early 2022. Therefore, the Procurement Officer considers the price from the State of Minnesota intergovernmental contract to be fair and reasonable.

The contract with FortBrand Services, LLC has been negotiated per COMAR 21.05.09, Intergovernmental Cooperative Purchasing. Utilizing this procurement method will allow MDOT MAA to realize savings in time and money in obtaining the Vammas PSB 5500 Snow Units.

4-GM. MARYLAND AVIATION ADMINISTRATION
General/Miscellaneous - Lease Agreement

Contract ID: Lease Agreement with the Federal Aviation Administration (FAA); *MAA-LC-23-016*

Contract Description: Lease contract to lease space to FAA in the Terminal Building for the Power Conditioning System (PCS) room at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport.

Contractor: Federal Aviation Administration; College Park, GA

Contract Term: 03/01/2023 – 09/30/2027

Contract Amount: \$85,832.00 per annum
Contractor pays rent for space in the BWI Thurgood Marshall Terminal Building in the amount of \$413,497.

Requesting Agency Remarks: The Maryland Department of Transportation Maryland Aviation Administration (MDOT MAA) leases space facilities to the FAA, to house the back-up electrical power generators that provides uninterrupted power to the air traffic control tower systems at BWI Thurgood Marshall.

The prior contract was approved by the Board of Public Works (BPW) on DOT Agenda 08/16/2017, 24-GM, which expired September 30, 2022, and is currently month-to-month. Under this new contract, FAA will continue to lease a total of 762 square feet of space in the Terminal Building. The rental rates for the four-year, seven-month term are based on the published standard rates and fees at BWI Thurgood Marshall for the initial year, increased by CPI for each subsequent year of the lease term.

This federal government contract is exempt from the applicability of the State Procurement Law under COMAR 21.01.03.01. However, the contract and any modifications to it must be approved by the BPW because entering the contract constitutes a disposition of State Property under State Finance and Procurement Article, §10-305.

5-C-MOD. MARYLAND PORT ADMINISTRATION
Modification: Construction Contract

Contract ID: Comprehensive Paving – Agency Wide; 519802
EPICS No.: CO404303

Contract Approved: MDOT 13-C, 07/24/2019

Contractor: P. Flanigan & Sons, Inc. (Flanigan); Baltimore, MD

Contract Description: Provide comprehensive paving for the Maryland Department of Transportation Maryland Port Administration (MDOT MPA) on an as-needed, work-order basis.

Modification Description: Increase the contract value and extend the term by 92 calendar days to allow for paving needed at 2001 Broening Highway in Baltimore, Maryland.

Original Contract Term: 08/15/2019 – 08/14/2022

Modification Term: 05/01/2023 – 07/31/2023

Original Contract Amount: \$8,000,000 NTE

Modification Amount: \$1,100,000 NTE

Prior Mods/Options: \$ 0 (Mod #1: Extend term (08/15/22 - 04/30/23) to complete a new procurement; Delegated Authority – MPA, 04/28/2022)

Revised Contract Amount: \$9,100,000

Percent +/- Change: 13.75%

Overall Percent +/-: 13.75%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 20.01% / 1%

MBE/VSBE Compliance: 13.46% / 0% (See Agency Remarks)

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
February 15, 2023

5-C-MOD. MARYLAND PORT ADMINISTRATION (cont'd)

Requesting Agency Remarks: This modification is necessary to complete full-depth pavement repairs and a site-wide asphalt overlay of a leased area, 2001 Broening Highway, that is currently not adequate to support the tenant's container operation. Five percent of existing asphalt paving in the 13-acre lot has deteriorated to the extent that it cannot currently be used safely for the tenant's container-handling operation. The remaining 95% of the lot requires an asphalt overlay to strengthen the current pavement section to prevent the area from deteriorating further. If the paving overlay improvements are not performed promptly, the leased area will be severely damaged or deteriorated within two years, making the area unsafe for the tenant's container-handling operation. Performing the asphalt overlay will extend the life of the lot's paving by approximately 20 years. The remaining contract value is insufficient for this work order. MDOT MPA is requesting permission to increase the contract value and extend the contract time to complete this work. MDOT MPA cannot complete the required paving within the time required by the tenant if the work must be procured under a new contract.

The MBE participation to date is 13.46%. Three of Flanigan's MBE subcontractors are utilized for hauling of millings and delivering asphalt when the tonnage is 500 tons or more. In 2021 and 2022, MDOT MPA assigned only five projects of over 500 tons, so that MBE participation in the hauling was not feasible. Flanigan utilizes another MBE firm for concrete work. That MBE firm is currently awaiting a payment from Flanigan, which will increase the overall MBE participation to 16.8%. MBE participation in this modification will be approximately \$200,000, increasing the overall MBE compliance to 17.32%. Flanigan's VSBE subcontractor is utilized for electrical work accessory to paving; however, work orders assigned by MDOT MPA to date have not required significant electrical work, nor will the work to be performed under this modification. Flanigan has engaged the VSBE subcontractor when appropriate and will continue to work towards a reportable and compliant participation.

The Maryland Port Commission approved this modification on February 7, 2023.

Incumbent: N/A

Requesting Agency Remarks: This solicitation was published on eMaryland Marketplace Advantage (eMMA) on August 16, 2022. A total of 34 firms were notified via eMMA and five firms were directly solicited. A total of two bids were received, and TTA Systems, LLC was the lowest bidder.

MDOT MTA currently operates 94 Metro railcars in revenue service. Each railcar has two truck assemblies. According to the Original Equipment Manufacturer's specifications, the Metro truck assemblies must be, among other things, overhauled every five years to ensure that they remain in a state-of-good-repair.

**DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
February 15, 2023**

6-M. MARYLAND TRANSIT ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

The Metro railcar truck assemblies are now due for the scheduled 5-year overhaul service to include the following:

- frame inspection;
- new wheels;
- gearbox and brake equipment overhaul;
- traction motor overhaul; and
- miscellaneous component renewals.

An MBE participation goal of 5% has been established for this contract and TTA Systems, LLC has committed to meeting the goal. No VSBE participation goal has been established for this contract.

This contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in Board Advisory 1995-1.

*General/Miscellaneous Contract***

Contract ID: Utility Relocation Services MARC Martin Airport Facility; OPS-23-036-CN
EPICS No.: OPS23036CN

Contract Description: Provides the Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) with delivery and installation of five raised power poles at the MARC Martin Airport Facility.

Award: Baltimore Gas and Electric Company; Baltimore, MD

Contract Term: 03/02/2023* – 12/31/2024 (*or earlier upon BPW approval)

Amount: \$342,849.00

Procurement Method: Sole Source

MBE/VSBE Participation: 0% / 0%

Incumbent: N/A

Requesting Agency Remarks: MDOT MTA's MARC Martin Airport Facility requires installation of raised power poles to accommodate electrical clearances associated with catenary infrastructure installation. This project is part of the MARC Martin Airport Facility improvement project.

As a Maryland Public Utility, Baltimore Gas and Electric Company (BGE) is obligated to provide electric and gas service for this region. Additionally, BGE is required to provide utility service work pursuant to COMAR 20.50. Therefore, BGE is the sole provider able to relocate this utility service.

BGE's pricing is subject to compliance with the Public Service Commission. Therefore, MDOT MTA has determined that the price offered is fair and reasonable.

ACTION AGENDA
February 15, 2023

9-AE. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks: On June 04, 2021, the solicitation was advertised in The Daily Record, MDOT SHA's web page, and eMaryland Marketplace Advantage. The advertisement was for two contracts for \$500,000 each not to exceed \$1 million for Traffic Engineering Services, District 6 - SBE for MDOT SHA. A total of 211 firms were notified via eMMA. MDOT SHA received seven expressions of interest and invited six firms to submit technical proposals. Five firms submitted technical proposals. MDOT SHA used qualifications-based selection and found two consultants eligible for contract award. There were no protests for this contract.

Two of the three incumbents were not eligible to participate on this contract as they are not certified small businesses. The third incumbent is the recommended awardee for this contract.

These contracts will be used to conduct assigned and on-call traffic engineering services, including traffic studies, preparation of conceptual traffic control and geometric designs to address operational deficiencies at congested or high crash locations, and support for traffic control plan design milestone reviews.

<i>Offerors</i>	<i>Technical Proposal Ratings (Max 100) (Rankings)</i>	<i>Awards</i>
Barton & Loguidice, P.C. A/K/A Barton & Loguidice, D.P.C. Eldersburg, MD	35.99 (9)	

DBE/VSBE Participation: 25% / 0%

Incumbents: Rummel, Klepper & Kahl, LLP; Wallace Montgomery & Associates LLP/Wetland Studies and Solutions, Inc. (JV)

Requesting Agency Remarks: On November 22, 2021, the solicitation was advertised in The Daily Record, MDOT SHA's web page, and eMaryland Marketplace Advantage. The advertisement was for two contracts for \$6,000,000 each not to exceed \$12 million for Environmental Permit Compliance Services, Statewide for MDOT SHA. A total of 734 firms were notified via eMMA. MDOT SHA received nine expressions of interest and invited nine firms to submit technical proposals. MDOT SHA used qualifications-based selection and found two consultants eligible for contract award. There were no protests for this contract.

The purpose of this contract is to establish five-year agreements with two consultant firms to assist MDOT SHA regarding compliance with various regulations pertaining to federal, State, and local government pollution and sediment reduction efforts by providing technical expertise in construction inspection and monitoring of projects on a statewide basis. To provide environmental permit compliance services and activities (inspection, analysis, and monitoring) of active MDOT SHA projects to meet State and Federal regulatory requirements. Activities include, but are not limited to construction monitoring and inspection services for pre-construction, active construction, and postconstruction for erosion and sediment control, storm water management, NPDES, waters and wetlands, MS-4/TMDL, and water quality permit compliance, and wetland and stream restoration and compensatory mitigation monitoring.

11-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: Brush and Tree Cutting and Stump Removal at Various Locations for the Fairland Shop in Montgomery County; 42915F1425
EPICS No.: 42915F1425

Contract Description: Provide brush and tree cutting and stump removal at various locations for the Fairland Shop in Montgomery County, Maryland.

Awards: Landsdown Tree Services, LLC; Upper Marlboro, MD
(Certified Minority Business, Certified Small Business)

Contract Term: 03/02/2023* – 12/31/2025 (*or earlier upon BPW approval)
(2 years 9 months 29 days)

Amount: \$775,840.00 NTE

Procurement Method: Competitive Sealed Bidding

Bids:

<i>Bidders</i>	<i>Amounts</i>
Landsdown Tree Service, LLC; Upper Marlboro, MD	\$ 775,840.00
Asplundh Tree Expert LLC; Philadelphia, PA	\$1,243,976.83
McKenzie Contracting, LLC; St. Leonard, MD	\$1,770,100.00
PLWMS DBA Patriot Natural Resources; Beallsville, MD	\$2,435,125.00

Living Wage Eligible: Yes

MBE/VSBE Participation: 100% / 0% (Limited Subcontracting Opportunities)

Performance Security: Annual-Renewable Payment and Performance Bonds for 100% of the award amount exists for this contract.

Incumbent: Excel Tree Expert Co.; Jessup, MD

Requesting Agency Remarks: This contract was advertised on eMaryland Marketplace Advantage on March 22, 2022, notifying 73 potential contractors, four of which were MDOT-certified Minority Business Enterprises (MBEs). Five bids were received and opened on April 28, 2022.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
February 15, 2023

11-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

The original apparent low bidder was rejected in accordance with COMAR 21.06.02.03B(3) because the bid price is unreasonable. The apparent low bid failed to adequately demonstrate how required operations could be sustained at the bid price. There were no protests filed for this contract.

Labor & Equipment rates and fuel costs associated with travel distance accounted for the disparity in bid price for the third, fourth and fifth bidders.

The incumbent did not bid for a lack of manpower required to perform the work for this contract.

The Maryland Department of Transportation State Highway Administration has confirmed The Landsdown Tree Service, LLC's bid price. Although no MBE participation goal was established for this contract; the work to be conducted will be performed wholly by a certified Minority Business Enterprise and State-certified Small Business; therefore, the MBE participation is 100%.

14-RP. STATE HIGHWAY ADMINISTRATION
Real Property – Disposition

Recommendation: That the Board of Public Works approve the Maryland Department of Transportation State Highway Administration (MDOT SHA) disposing real property as it is excess to the agency's needs.

Authority: Transportation Article, § 8-309(f)(1)(ii)
Annotated Code of Maryland

Property: MC# 22-2765
Robert J. Patrick & Mildred M. Patrick (0.037 acres ±), located south of I-70, adjacent to 11227 Albeth Road in Marriottsville, Howard County

Grantor: State of Maryland, MDOT SHA

Grantee: Timothy E. Schott and Jerrie L. Schott, Tenants by the Entirety

Consideration: \$4,000

Appraised Value: \$5,000 – Mohammad Akbarieh (Selected)
Wesley A. Barkley, Review Appraiser

Requesting Agency Remarks: MDOT SHA acquired the subject property in 1966 as part of a highway improvement project for I-70. The property is no longer needed by MDOT SHA. MDOT SHA proposes to convey the parcel to the adjoining owners, Timothy E. Schott and Jerrie L. Schott, through a competitive sealed bid sale of \$4,000, which is 80% of the appraised value.

Wes Moore, Governor | Aruna Miller, Lt. Governor | Atif Chaudhry, Secretary

January 9, 2026

Accepted 1/9/2026- JTG

A handwritten signature in black ink that reads "John Gontrum".

John Gontrum, Esq.
Secretary to the Board of Public Works
Louis L. Goldstein Treasury Building, Room 117
Annapolis, Maryland 21401-1991

SUBJECT: Record Correction – February 15, 2023 - Board of Public Works Agenda

Dear Mr. Gontrum,

This is to advise you of the following changes to the Board of Public Works Action Agenda Item previously approved by the Board of Public Works.

BPW – February 15, 2023, DGS 9-CGL.

DGS 22-456
Office of Procurement

FROM: DGS Recommendation: **Administrative Fix to Grantee Name**

Pursuant to Section 1(3)(9)(b) of Chapter 720, Act of 202, DGS is administratively correcting the grantee name ***County Executive and County Council of Howard County***

TO: DGS Recommendation: ***Howard, County, Maryland***

REASON: Clerical Error: The requested change is needed to provide consistency with the required documents provided to the Assistant Attorney General's office for approval of the grant agreement.

Regards,

Kara Savage
Regional Grant Administrator

30-CGL. CAPITAL GRANTS AND LOANS
Department of Health

Recommendation: That the Board of Public Works approve a grant of \$140,000.00 to *Housing Unlimited, Inc. (Montgomery County)*.

Project: The acquisition of a real property located at 8179 Front Street, Rockville, MD 20855. This project will provide housing for three individuals with psychiatric disabilities.

	Contract of Sale	\$205,393.00
Appraisals:	Laura G. Lamb	\$210,000.00
	H. Virginia Timian	\$205,393.00
	DGS accepted appraisal	\$205,393.00
	Eligible Cost	\$206,243.00*

*Includes the lesser of the DGS accepted value or the contract price at \$205,393.00, and the cost of the appraisals at \$850.00

Fund Source: The Maryland Department of Health has determined the grantee is responsible for providing 25% of the eligible project cost.

Total Project Cost	\$206,243.00
Eligible Project Cost	\$206,243.00
State Share (67.9%)	\$140,000.00
Grantee Share (32.1%)	\$ 66,243.00 DHCD
This Action	\$140,000.00 (MCCBL 2021 CB-20810-01, 2023 Appropriation)

Remarks:

1. Grantee is a nonprofit organization and provides housing for individuals with psychiatric disabilities who are able to live independently and have annual incomes below 30% of area median income.
2. In accordance with § 24-606(d) of the Health-General Article of the Annotated Code of Maryland, the Board's approval is further contingent upon the State's right of recovery being recorded among the Land Records of Montgomery County.
3. No State funds will be disbursed until the grantee has presented suitable evidence to the Office of Facilities Management and Development that it has expended the required matching funds.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
February 15, 2023

35-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

A single proposal was received and determined to be reasonably susceptible of being selected for award. The Oyster Recovery Partnership opted not to submit a proposal due to other commitments. Due to the urgency of this project and the limited number of vendors capable of doing the work needed, the decision was made to move forward with the proposal received.

In verifying whether the price was fair and reasonable, DNR reviewed projected funds, and the projected estimated caseload for the vendors for these services, also taking into consideration the limited number of vendors available for this level of work. DNR's Oyster Reef Restoration Projects are funded by requesting capital funds from DBM. DBM provides funding to DNR after reviewing the project description and budgetary needs.

The single bid received provided a cost per unit of work at \$159.33 per acre survey and \$4,359.50 per million of oysters produced and planted. DBM has approved \$1 million in FY23 funding to conduct work in the base year thus work conducted in the base year will be capped at \$1 million. DNR has and will continue to request funding for the optional years and will come back to the board for approval.

DNR reviewed the other ongoing oyster projects to determine if the price provided in the proposal was fair and reasonable but would be locked into a specified amount of spending per year as stipulated by DBM. It was concluded that the proposal's financial bid was within the range of similar projects being funded by DNR at this time and is fair and reasonable.

Due to the technical survey work required for this project, a search of the MDOT MBE site yielded two vendors who were capable of providing biological science services but none capable of specifically providing the work needed for the Oyster Reef project. The Procurement Review Group (PRG) team at DGS agreed with the findings and approved the solicitation being advertised with 0% MBE Participation.

DNR initiated the Eastern Bay Project as a means of bringing together the three main partners in oyster restoration - sanctuaries, the public fishery, and aquaculture - and to enhance the oyster population in Eastern Bay. The project was presented to the Oyster Advisory Commission who included it as a priority commitment under their legislatively mandated consensus process. DNR is conducting restoration in the Eastern Bay region sanctuaries of the Chesapeake Bay. Restoration activities include bay bottom surveys to determine suitability for restoration, and planting hatchery-reared oyster spat-on-shell on those sites deemed suitable. This activity, in conjunction with increased replenishment oyster shell and spat-on-shell plantings on public fishery bottom and aquaculture activities, is aimed at increasing oyster populations and reproductions throughout the region. This project was legislatively mandated during the 2022 General Assembly session (SB830/HB1228).

Requesting Agency Remarks: A notice of availability of an Invitation for Bids (IFB) was posted on eMaryland Marketplace Advantage (eMMA) on August 14, 2022. Copies of the solicitation were sent directly to 70 prospective vendors. A Minority Business Enterprises (MBE) participation was not established for this contract because there are no subcontracting opportunities available. Eight bids were received and opened on September 23, 2022. One bidder was permitted to withdraw its bid under COMAR 21.05.02.12C for Baltimore, Harford, Anne Arundel counties and Baltimore City, due to a mistake in the bid. A second bidder was rejected because they used the wrong bid form and did not provide unit pricing. Eleven jurisdictions received no bids: Allegany, Caroline, Dorchester, Garrett, Kent, Queen Anne's, Somerset, Talbot, Worcester, Washington, and Wicomico counties. A new procurement will be conducted for these jurisdictions.

These contracts will provide specialized psychotherapeutic services and supervision of sexual offender inmates throughout the State. Specialized sexual offender assessment and treatment are essential elements of the containment approach to sexual offender management and will enable parole and probation agents to develop appropriate supervision plans and implement effective supervision strategies.

37-S. SERVICES CONTRACT (cont'd)

Requesting Agency Remarks: For FY23, the Maryland General Assembly appropriated \$110 million as PAYGO funds to The Department of General Services. The funds are to be used specifically for the Facility Renewal Program to help reduce the backlog of facility related construction projects. As a result of the appropriation, DGS has identified 243 projects for FY23 from the back log and has assigned project managers to utilize those funds. As a point of reference, DGS typically receives an average of \$25,000,000 annually for the Facility Renewal Program to address the backlog which translates to approximately 60 projects. As a result of the additional funding, DGS is able to quadruple the number of projects it would normally assign. The funds are treated as operating funds, but they do not need to be encumbered by the end of this Fiscal year.

A notice of the availability of the Request for Proposals (RFP) was advertised on *eMaryland Marketplace Advantage* (eMMA) on May 19, 2022. Two proposals were received in response, and both were determined to be reasonably susceptible of being selected for award. A scoring system was used to rank the technical proposals. For this contract there is no MBE or VSBE goal as some parts of this is a proprietary work product in addition to being a single element of work.

A financial best and final offer was opened on August 4, 2022. After reviewing the final technical and financial rankings, the evaluation committee found The Gordian Group, Inc.'s proposal to be the most advantageous to the State. Gordian has successfully provided Job Order Contracting (JOC) services for over 32 years, and it continues to be their primary business. Gordian provides JOC services directly to more than 250 clients and over 900 additional agencies using cooperative contracts. Gordian's staff has decades of experience implementing and supporting successful JOC programs across North America.

The dollar amounts are an evaluated bid price. The amounts are based on a JOC Project Value of \$10,000,000. This was used for evaluation purposes only. The estimated contract value is based on an estimated value of projects in the amount of \$10,000,000 per year and assumes that the maximum level of performance is required. This is a not to exceed figure and DGS believes that the actual expense will be less than stated. The percentages are Consultant Commission Fees charged by the Offerors. The State will directly pay Gordian their percentage fee based on the level of service provided on JOC program work orders.

The Gordian Group, Inc.'s pricing is a commission fee for their three tiers of service:

Job Order Project Administration Commission Fee: 2.57%
 Job Order Development and Procurement Support Fee: 2.65%
 JOC Construction Management Fee: 5.00%

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
February 15, 2023**

37-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

This award recommendation is the first of two parts of the JOC program. Once this part is awarded, the contractor will create the unit price book. This price book will then be incorporated into the solicitation for contractors to bid and subsequently perform the work of construction and capital maintenance services. The services provided by the JOC Consultant are crucial to efficiently and effectively leverage the PAYGO funding into the increased number of deferred maintenance projects the General Assembly intended to complete with this funding. DGS intends to use the JOC program to complete Facility Renewal Program construction projects.

Work orders are anticipated to be issued to the successful contractors on a rotational basis. DGS will have access to The Gordian Group, Inc. software, which can track work orders and determine exactly how much spend has been run through the JOC program. DGS also has the option to establish standard reports that can be delivered at any desired interval to track spend through the program. The award recommendation(s) for the construction and capital maintenance services will be brought back to the Board of Public Works for approval in 2023. The total estimated amount for the JOC program is \$100 million, from which the \$10 million NTE for the consultant will come. DGS intends to run JOC contracts through the Small Business Reserve Program which is in line with HB389 from 2022 which codified the requirement to set aside contracts between \$50 and \$500,000 for the SBR program. This will afford MBEs the opportunity to participate in the JOC program as both subcontractors and prime contractors. Furthermore, DGS intends to direct-solicit SBR and MBE firms. DGS will submit a report to the Board of Public Works on all JOC program work orders detailing MBE goals and compliance.

This contract is exempt from §13-401 of State Personnel and Pensions Article (SPP) of the Annotated Code of Maryland because this work will not be performed on state property.

38-S-OPT./MOD. SERVICES OPTION/MODIFICATION
Department of General Services

Contract ID: Real Estate Brokerage, Transaction Management, and Strategic Planning Services; 001IT820981
ADPICS No.: CTR001248-1

Contract Approved: DGS 8-S, 04/01/2020

Contract Description: Real estate brokerage, transaction management, and strategic planning services for the DGS Office of Real Estate.

Option Description: Exercise sole renewal option.

Modification Description: Add funding to provide consulting services that are within the scope of the contract but were not included in the original approval.

Award: CBRE, Inc.; Washington, DC

Original Contract Term: 05/01/2020 - 04/30/2023 (w/one 2-year renewal option)

Option Term: 05/01/2023 - 04/30/2025

Modification Term: 02/16/2023 - 04/30/2025

Original Amount: \$4,000,668.70 Contractor / \$1,714,573.00 Rebate
The contractor will pay a 30% rebate to the State on commercial office lease commissions for all existing locations. This is a revenue generating contract. The rebate for agencies moving from State-owned properties to commercial leased spaces will be between 30% and 58%, depending on the overall commission amounts for those transactions.

Option Amount: \$8,440,009.45 Contractor / \$2,532,002.84 Rebate
The original estimated option amount has been increased based on the current projection of leases to be completed during the option term.

Mod. Amount: **\$1,245,000.00**

Prior Options/Mods: No

38-S-OPT./MOD. SERVICES OPTION/MODIFICATION (cont'd)

Total Contract Amount: \$13,685,678.15

Percent +/- (This item): 242.08%

Total Percent Change: 242.08%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 35% / N/A

MBE/VSBE Participation: 34.961% / N/A

Performance Security: No

Requesting Agency Remarks: The purpose of this contract is to obtain real estate support services to identify and acquire suitable leased space, to assist in the strategic planning with departments, and provide lease administration services in conjunction with the DGS Office of Real Estate (ORE). The Contractor identifies industry best practices related to real estate portfolio management that could be beneficial to ORE in the management of its real estate assets.

CBRE, Inc. has performed well and has provided additional services even beyond those outlined in the solicitation. They have worked diligently with DGS staff to upload lease documentation and code the Visual Lease software correctly with the lease information. They have nearly met the MBE goal and are on track to meet the full 35% goal by the end of the contract term. CBRE has provided significant expertise for the relocation and negotiation of the new lease relocation rates. CBRE, Inc. has provided expert guidance in moving the lease procurement process forward.

Based on the move of state agencies out of State-owned space at State Center into leased space it was anticipated that during the contract term, DGS Office of Real Estate (ORE) would require staffing beyond its internal resources. The contract included consultant services to be provided by the contractor upon the request of the State for additional staff positions at hourly rates for any services within the overall scope of work that are not provided elsewhere in the contract. Those positions include Project Executive, Program Manager, Project Manager and Assistant, Cost Estimator, Scheduler, Space Planner, and Transition Manager. ORE now anticipates utilizing consulting services for the State Center moves. These services include space program review and audit, facility condition assessment of proposed buildings, review and assistance with space planning, and review and assistance with project management as directed by DGS ORE and DGS Construction. These are move management consultant services for all of the agencies leaving State Center. The consultant services will also be used by agencies seeking to reduce their space needs in existing leases.

MBE/VSBE Participation: 29% / 1%

MBE/VSBE Compliance: 51.834% / 3.111%

Performance Security: \$10,000 per incident (Fidelity Bond)

Hiring Agreement Eligible: Yes

Requesting Agency Remarks: DHS intends to complete the new procurement process and award a new contract for the operation of the Baltimore City Office of Child Support Services and advertise it by the end of March 2023. The delay in completing the procurement process was due to a change in staff during the review process, changes to procurement template, and missed timelines.

Veritas HHS, LLC has consistently performed well. In the past federal fiscal year for 2022, the company met three out of four performance goals. The fourth performance goal was current support collections, which the company has increased over the prior year even though current support fell statewide due to COVID pandemic impact.

MBE/VSBE Participation: N/A / N/A

MBE/VSBE Compliance: N/A / N/A

Requesting Agency Remarks: Early detection through COVID-19 sequencing is important to monitor emerging variants that could lead to increased hospitalizations. It is important that the State sustain a surveillance system to identify the presence of emerging variants as early as possible so that appropriate actions can be taken.

That State's targeted volume of all public and private sequencing in Maryland requires contracting with third-party laboratories to conduct sequencing on the State's behalf beyond what can be conducted at the State Public Health Laboratory. The Johns Hopkins University (JHU) continues to demonstrate the capability to conduct sequencing on behalf of the State.

42-IT. INFORMATION TECHNOLOGY
Department of General Services, Federal Surplus Property Division

Contract ID: Federal Surplus Property Program Software System; CTR008868

Contract Description: Web-based software application to manage the surplus property management process.

Award: Web Data Corporation; Gordonsville, VA (SBE)

Contract Term: 02/15/2023 - 02/14/2028

Amount: \$27,500 (First year and installation)
\$14,500 (Annual maintenance)
 \$85,500 Total

Procurement Method: Competitive Sealed Proposals
(Single Qualified Proposal Received)

MBE/VSBE Participation: N/A / N/A

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on *eMaryland Marketplace Advantage* (eMMA) on April 22, 2022. Two companies were directly solicited, one was a Maryland registered Small Business Enterprise (SBE). Market research was conducted to find companies that had a web-based operational software application to manage the surplus property management process, and only two companies were identified. A Minority Business Enterprises (MBE) participation was not established for this contract because there are no subcontracting opportunities available. Two proposals were received and opened on May 18, 2022. One was deemed reasonably susceptible of being selected for award. A protest was filed on August 24, 2022 and DGS issued a response denying the protest on September 15, 2022. There is no pending appeal filed with the MSBCA.

Web Data Corporation's proposal met all requirements and was determined to be in the best interest of the State. The pricing provided by Web Data Corporation is comparable to pricing they provide other states, with the overall pricing (year one and annually) being lower than pricing offered to other states.

42-IT. INFORMATION TECHNOLOGY (cont'd)

Agency Remarks (cont'd):

The Maryland State Agency Surplus Property (MDSASP) receives federal surplus property from the federal government donation program. These donated items are offered to those who meet eligibility requirements. An accurate inventory of donated items is critical to the success and continuation of the program, there are a limited number of companies that offer this type of software while adhering to Federal requirements, the State's technology security policies, and Maryland contract terms and conditions.

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on *eMaryland Marketplace Advantage* (eMMA) on October 27, 2021. There were no MBE or VSBE goals established for this solicitation because it is a cloud-based solution and there are no subcontracting opportunities available. Copies of the solicitation notice were sent directly to approximately 100 prospective vendors. A pre-proposal conference was held on November 9, 2021, and eight vendors attended. Four proposals were received and opened on February 10, 2022. Two were deemed not reasonably susceptible of being selected for award because the offerors submitted proposals that did not comply with the requirements. Two proposals deemed reasonably susceptible of being selected for award. Hancock Software, Inc.'s proposal was determined to be in the best interest of the State and selected for award.

Total Percent Change: 158.33%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: N/A / N/A

MBE/VSBE Compliance: N/A / N/A

Requesting Agency Remarks: Originally, the contract was extended to complete a new procurement using an Intergovernmental Cooperative Purchasing Agreement (ICPA) with NASPO. On January 10, 2022, DGS OSP decided to change from using the NASPO contract to obtaining a new contract from the General Services Administration (GSA) due to lower prices. DGS OSP is in the process of obtaining a new Salesforce contract using the GSA Multiple Award Schedule and expects to have a new contract in place by August 31, 2023.

There are multiple State Agencies using this contract, each agency obtains their own Salesforce.com product and specifies how many licenses are needed for each. The information for each type of license and the quantity is not being tracked at the master contract level at this time.

MBE/VSBE Compliance: N/A / N/A

Requesting Agency Remarks: This Contract provides enterprise-wide eGovernment (eGov) services that are available for all State agencies, boards, and commissions. The eGov contract provides for the design, development, hosting, operation, and maintenance of eGov products and services. Agencies have used the eGov contract to accept electronic payment for records and services, enabling them to provide services more efficiently to the public.

A solicitation was released, proposals have been received and are in evaluation. Award is anticipated in the Summer of 2023. This extension will allow time to complete the procurement process and transition to the new contract. NICUSA, Inc. is the only contractor that can provide operation and maintenance services for the applications given that they are confidential and proprietary.

This is to advise you of the following ADPICS change to the Department of Public Safety and Correctional Services' (Department) action agenda item previously approved by the Board of Public Works on February 15, 2023.

DPSCS Agenda 02/15/2023, Item 48-IT 1.2

Item 48-IT 1.2 submitted and approved by the Board of Public Works on February 15, 2023, is a three-year IT contract to purchase Rubrik Data Protection System, a cybersecurity system that will protect and monitor the Department's data for risks. It was incorrectly submitted with a purchase order identified, instead of the correct blanket purchase order number. The newly created Blanket Purchase Order Q00B3600093 will replace Purchase Order Q00P3601070. The Department regrets the error.

Thank you for your attention to this matter. If you need further information, please contact Joseph Sedtal at 443-469-5864, joseph.sedtal@maryland.gov.

ACTION AGENDA
February 15, 2023

REVISED

48-IT. INFORMATION TECHNOLOGY (cont'd)

1.0 *Hardware/Associated Equipment & Services 2012 (cont'd)*

Bids:

<i>Bidders</i>	<i>Amounts</i>
CAS Severn, Inc.; Laurel, MD	\$6,969,808.00
En-Net Services, LLC; Frederick, MD	\$7,002,786.56
HCGI Hartford Inc.; Columbia, MD	\$7,037,000.00
IP Data Systems; Ellicott City, MD	\$7,044,000.00

Amount: \$6,969,808

Term: Anticipated delivery date - 03/13/2023
(Includes 5-year warranty)

MBE/VSBE Participation: N/A / N/A

Resident Business: Yes

Fund Source: 100% Special (Transportation Trust)

Agency Remarks: This hardware purchase provides no subcontracting opportunities and therefore, no MBE or VSBE participation has been established for this contract. The 5-year warranty will commence upon receipt of the hardware.

1.4 *Using Agency:* Department of Public Safety and Correctional Services
Description: Purchase and installation of IBM FlashSystem equipment to provide data protection capabilities, increased storage capacity, and infrastructure flexibility at the Pikesville and Hagerstown locations. Also includes three years of support; Q00P2602836.

Award: CAS Severn, Inc.; Laurel, MD (*SBE*)

Number of Qualified

Master Contractors: 14

Number of Bids: 1

Amount: \$248,140

Term: Anticipated delivery - 04/01/2023

MBE/VSBE Participation: 10% (FA IV, Installation Labor) / N/A

Resident Business: Yes

Fund Source: 100% General

Agency Remarks: DPSCS has determined the hourly rate for the Subject Matter Expert (SME) position to provide support to be fair and reasonable. CAS Severn provided DPSCS with an hourly rate of \$175 per hour. Compared to a similar contract through the Comptroller of Maryland's Office (Comptroller), the Subject Matter Expert (SME) position through the Comptroller's Office has an hourly rate between \$169 to \$175.86 per hour. DPSCS' hourly rate is slightly higher, but that is attributed to the fact that the DPSCS project is for a shorter term 300-hour long project, compared to the Comptroller's 2,200-hour long project.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
February 15, 2023

REVISED

48-IT. INFORMATION TECHNOLOGY (cont'd)

2.0 Master Contract: *Public Branch Exchange (PBX) IV Telecommunications Equipment and Services*

Contract No. 001B0600162

Approved: DGS 26-IT, 07/22/2020

Term: 01/01/2021 - 12/31/2030

***As of publication, the remaining balance of this master contract is \$43,858,712.*

2.1 Using Agency: MDOT Maryland Transit Administration

Description: Provide maintenance, hardware and software support services for all Maryland Department of Transportation Maryland Transit Administration (MDOT MTA) offices and locations over three telecommunications platforms. The platforms consist of seventeen Voice Over Internet (VoIP) enabled Private Branch Exchange (PBX) systems, ISI Cloud Services (Infotel Call Accounting/Trunk Watch) and Interactive Voice Response (IVR) systems. Includes integration of the three platforms to provide voice communication, software applications, a centralized voicemail system and call monitoring services; J05B1600024.

Award: NEC Corporation of America, Irving, TX

Master Contractors: 4

Number of Bids: 1 (Single Proposal Received)

Amount: \$1,458,947.00

Term: 02/23/2023 - 02/22/2027

MBE/VSBE Participation: 25% / 2%

Resident Business: No

Funding Source: 100% Special (Transportation Trust)

Agency Remarks: NEC Corporation of America is the manufacturer of the product and the only offeror to submit a proposal. The other three master contractors did not submit proposals because they cannot offer pricing that can compete with the manufacturer. MDOT MTA has determined the prices offered are fair and reasonable based on historical pricing. The current one year contract (AGY-21-047-IT) was awarded for \$372,256 and this four year contract is for \$1,458,947. MDOT MTA is getting a better value by executing a long- term contract and will save \$30,077 over four years.

49-RP. REAL PROPERTY
Department of General Services

Recommendation: Approve acquisition of property

Property: 500 N. Hilton Street, Baltimore MD 21229

Grantor: Maryland Economic Development Corporation

Grantee: State of Maryland, to the use of the Department of General Services

Prior BPW Actions: DGS 23-L, 09/23/1992
 DGS 4-L, 11/24/1993
 DGS 19-L, 11/02/1994

Remarks: Approval is requested to approve the transfer of the Hilton Street complex to the Department of General Services. The property was acquired by MEDCO in 1994. MEDCO issued Series 1994A Bonds in the amount of \$2,150,000, and Series 1994B Bonds in the amount of \$665,000 for the purpose of acquiring, reconstructing, extending, enlarging, altering, repairing and improving the property located at 500 N. Hilton Street, Baltimore City, Maryland 21229. The property was leased to the State in 1994 for the use of the Departments of Human Services and Juvenile Services. The Lease was amended in 2003. In May 2003, MEDCO issued Series 2003A (tax-exempt) Bonds in the aggregate principal amount of \$2,500,000 and Series 2003B (taxable) in the principal amount of \$290,000, to refinance the 1994 Bonds. All rents have been paid to retire the bonds and the property is to be conveyed to DGS.

Appraised Value: No appraisals were obtained for this acquisition due to the prior agreement with MEDCO that the property would be transferred to the State upon payment of the rent, termination of the lease, and retirement of the bonds.

Consideration: Retirement of Bonds as above

Legislative Notification: Notice was sent to the Legislative Policy Committee on December 30, 2022.

Statutory Authority: State Finance & Procurement 10-305

**50-RP. REAL PROPERTY
*Department of Natural Resources***

Recommendation: Declare property surplus.

Property: 33.0096+/- acre fee simple disposal and a companion 199.0525+/- acre
Avigation Easement to Wicomico County, Salisbury-Ocean City:
Wicomico Regional Airport.

Grantor: The State of Maryland to the use of the Maryland Department of Natural
Resources.

Remarks: Approval is requested to declare a 33.0096+/- acre parcel, as well as the
199.0525+/- acre Avigation Easement to Wicomico County surplus to the needs of the State of
Maryland. DNR Forestry is proposing disposition of 33.0096+/- acres in fee simple, and a
companion 199.0525+/- acres via an Avigation Easement of Chesapeake Forest Lands to
Wicomico County, as required by the Federal Aviation Administration for a proposed Runway
Extension Project that is planned for the Salisbury-Ocean City: Wicomico Regional Airport.

State Clearinghouse: The Clearinghouse conducted an intergovernmental review of the project
under MD20211108-0871. It is recommended to declare the 33-acre property surplus to the needs
of the State, and to approve the 199-acre avigation easement to sell/grant to Wicomico County as
required by the Federal Aviation Administration for a proposed runway extension project that is
planned for the Salisbury-Ocean City: Wicomico Regional Airport, contingent upon consideration
of the Maryland Department of the Environment's requirements. Aside from Wicomico County's
known interest, none of the local or state agencies that provide review comments expressed an
interest in acquiring the properties.

ACTION AGENDA
February 15, 2023**

51-LT. TENANT LEASE (cont'd)

Remarks: On May 5, 2021, the Board of Public Works approved an emergency report for a short-term Warehouse Service's Agreement for storage space through August 31, 2021, which was subsequently extended through July 31, 2022, and then through February 28, 2023. The warehouse space continues to be needed for the storage of palletized personal protective equipment and medical equipment. There is a shortage of warehouse space in the Baltimore Metropolitan area. The amendment provides for an extension of the existing lease term under the same terms and conditions in the original warehouse services agreement.
