**2. DEPARTMENT OF AGRICULTURE
*Maryland Agricultural Cost-Share Program- Additional Funding***

Recommendation: That the Board of Public Works approve granting additional general obligation bond proceeds to eight individual grants under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$55,063.36

Fund Source: MCCBL of 2018: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms. Item 18274*

County	Recipient	Agreement #	Amount
Carroll	William A. Kowaleski	PB-2023-2757	\$332.50
Cecil	John R. Zartler	AT-2024-2267-R	\$1,059.30
Dorchester	Neil T. D'Adamo	CR-2024-2134	\$2,094.96
Frederick	Robert J. Kline	MP-2024-2631	\$3,216.15
		MP-2024-2632	\$4,865.15
	Tyler R. Nowell	MP-2024-2576	\$12,353.70
Howard	John F. Sharpe	PA-2022-2094	\$2,339.24
St. Mary's	Jeffrey Raley, Jr.	PA-2024-2470	\$28,802.36

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. The project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

Additional funds are requested for these projects to offset additional costs realized at the completion of each project. These additional costs are a result of design changes required based on site conditions encountered during construction.

5. **BOARD OF PUBLIC WORKS**
Wetlands Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board grant a license for projects involving filling in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

22-1295 *HERRINGTON HARBOUR INC* – To reduce shoreline erosion and remove unauthorized sand by installing stone, adding stone to existing breakwaters, installing stone breakwaters/wave screens, depositing sand fill to create a tombolo, removing sand from a portion of the beach, and maintaining or adding warning markers on poles.

North Beach, Herring Bay

Special conditions: Requirements for conducting a post-construction topographic survey, submitting and receiving approval for a beach topography monitoring plan, and constructing beach nourishment.

24-0490 *FISHING CREEK FARM HOMEOWNERS ASSOCIATION* – To stabilize an eroding shoreline by filling and grading with sand and planting marsh vegetation.

Annapolis, South River

Special conditions: Time of year restriction. Requirements for construction of marsh establishment area.

Wetlands Created: 21,857 square feet

8. **MARYLAND DEPARTMENT OF TRANSPORTATION**
State Highway Administration

Recommendation: That the Board of Public Works create 20 positions.

Authority: Section 7-236, State Finance and Procurement Article, and Section 34 of Chapter 716 of 2024 (Budget Bill for FY 2025)

Amount: \$0

Fund Sources: N/A

Appropriation Code: J00B01.01; J00B01.02

Requesting Agency Remarks: Section 34 of Chapter 716 of 2024 (Budget Bill for FY 2025) authorizes the Board of Public Works to create additional positions beyond the Rule of 100 provided that 1.25 full-time equivalent (FTE) contractual positions are abolished for each regular position added and there is no increase in agency funding in the current budget or the next two budgets.

The Maryland Department of Transportation requests 20 new positions via contractual conversions to support the critical work required to maintain State Highway Administration (SHA). These positions are 100% funded by available special funds within MDOT's Transportation Trust Fund. The 20 positions created are within the following State Highway Administration units based on the priorities as outlined:

1. Three Office of Finance (OOF) PINs for management of the Local Public Agency (LPA) program, Transportation Alternatives Programs (TAP), and the Carbon Reduction Program (CRP)/PROTECT program.
2. Twelve District Construction Inspectors to reduce reliance on consultants and implement the Governor's Work Zone Safety Work Group recommendations.
3. One Multi-Modal Safety Coordinator to manage the Pedestrian Safety Action Plan (PSAP) and the Vulnerable Road User (VRU) assessment plus the anticipated new Complete Streets policy requirements.
4. One Program Manager Senior in the Chief Engineer's Office to manage SHA's project portfolio, provide training and oversight, identify process improvements, manage project quality and risk, and maintain a lessons-learned register.
5. One Procurement Review Group and MBE/DBE Participation Plan Role in the Office of Equal Opportunity (OEO). In 2022 SHA transferred the Procurement Review Group (PRG) and Minority and Disadvantaged Business Enterprise (MBE/DBE) functions from the Office of Construction (OOC) to OEO. OEO requires an additional PRG support position.

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
August 28, 2024**

**8. MARYLAND DEPARTMENT OF TRANSPORTATION (cont'd)
*State Highway Administration***

Requesting Agency Remarks (cont'd):

6. Two Highway Operations Technicians (HOTs) in the Office of Transportation Mobility and Operations to meet the 30 permanent positions needed to maintain current operations. In 2021, the Office of Transportation Mobility and Operations (OTMO) abolished 40 contractual HOT positions but only received 28 permanent positions. The remaining 2 PINs are intended for the I-695 Part-Time Shoulder Use project in 2026.

The Department identified 25 contractual FTE to be abolished to create the 20 regular positions listed above. This is a ratio of 1.25 contractual FTE abolished to 1.0 regular positions created.

DBM Remarks: The Secretary of the Department of Budget and Management has certified that the FY 2025 budget includes the contractual positions to be abolished and that funds are available for the new positions for which approval is requested.

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
August 28, 2024

Contact: Larry D. Unger 410-581-4141
larry.unger@mpt.org

9. **MARYLAND PUBLIC TELEVISION**
Administration and Support Services, Broadcasting, Content Enterprises

Recommendation: That the Board of Public Works create four positions.

Authority: Section 7-236, State Finance and Procurement Article, and Section 34 of Chapter 716 of 2024 (Budget Bill for FY 2025)

Amount: \$0

Fund Sources: 100% Special Funds (Viewer Support Fund)

Appropriation Code: R15P00.02, R15P00.03, and R15P00.04

Requesting Agency Remarks: Section 34 of Chapter 716 of 2024 (Budget Bill for FY 2025) authorizes the Board of Public Works to create additional positions beyond the Rule of 100 provided that 1.25 full-time equivalent (FTE) contractual positions are abolished for each regular position added and if there is no increase in agency funding in the current budget or the next two budgets.

Under state law, a contractual employee is considered a temporary employee. In several cases, however, contractual employees have been employed by MPT for many years. They remain loyal to MPT but are awaiting the opportunity to be assigned a regular, permanent PIN position. The requested positions can be fully covered with special funds from the Viewer Support fund source (R15.307). The following new positions are requested to be created:

1. One MPT Associate Producer I position for a current employee of over 2.5 years. This position plays a key part in producing local and national programs for on-air fundraising.
2. One MPT Manager for digital fundraising, given that MPT raised \$2.3 million in FY 2023. The current employee has been on contract for almost 2 years and there are no other staff members to assist with these duties.
3. One MPT Specialist III position for a current contractual employee who has been on contract for over 6 years. This position fulfills MPT donor obligations that allow us to grow MPT's membership base and raise funds for MPT.
4. One MPT Editor to edit weekly episodes of MotorWeek. This PIN has traditionally been designated as a permanent PIN but MPT could only assign a contractual position due to growth. An additional MotorWeek Editor position is a permanent PIN, creating an internal equity issue due to both positions reporting to the same executive producer. This position is notoriously difficult to recruit and maintain employees in due to marketplace competition.

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
August 28, 2024**

9. MARYLAND PUBLIC TELEVISION (cont'd)
Administration and Support Services, Broadcasting, Content Enterprises

Requesting Agency Remarks (cont'd):

The Department identified 1.15 additional contractual FTE to be abolished, along with the four conversions, to create the four regular positions listed above. This is a ratio of more than 1.25 contractual FTEs abolished for every 1.0 regular PIN created.

DBM Remarks: The Secretary of the Department of Budget and Management has certified that the FY 2025 budget includes the contractual positions to be abolished and that funds are available for the new positions for which approval is requested.

Regular Positions to be Created

	FTE	Position Title	Class Code	Grade/Step	Salary and Fringe

10. **DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT**
***Baltimore Regional Neighborhood Initiative Fund and
National Capital Strategic Economic Development Fund
FY 2025 Awards***

Recommendation: The Department of Housing and Community Development recommends that the Board of Public Works approve 21 total projects for the Baltimore Neighborhood Initiative and National Capital Strategic Economic Development Fund for Fiscal Year 2025.

Authority: Maryland Consolidated Capital Bond Loan (MCCBL) 2024, Chapter 720, SA24 (A) and (D)

Awards: \$9,050,000 (Baltimore Regional Neighborhood Initiative)
\$15,000,000 (National Capital Strategic Economic Development Fund)
\$24,050,000 (Total)

Fund Source: MCCBL 2024

Background: The Baltimore Regional Neighborhood Initiative program aims to demonstrate how strategic investment in local housing and businesses can lead to healthy, sustainable communities with a growing tax base and enhanced quality of life within Baltimore City and the inner beltway of Anne Arundel and Baltimore counties.

The National Capital Strategic Economic Development Fund supports commercial and residential activities within the target revitalization areas of Prince George's and Montgomery counties. Both programs focus on areas where modest investment and a coordinated strategy will have an appreciable neighborhood revitalization impact. This item contains \$24,050,000 in directed funds as detailed in the 2024 State Budget.

11. DEPARTMENT OF INFORMATION TECHNOLOGY
Resource Sharing Agreement, RSA Program

Recommendation: The Board of Public Works approve the State entering into a resource sharing agreement.

Authority: Section 3.5-307, State Finance & Procurement Article, Annotated Code of Maryland

Property location: 48011 Mattapany Road, St. Mary's City, St. Mary's County

Award: Network Tower II, LLC

Term: 8/28/2024 – 8/27/2034 (10-year base)
8/28/2034 – 8/27/2039 (Option 1)
8/28/2039 – 8/27/2044 (Option 2)
8/28/2044 – 8/27/2049 (Option 3)
8/28/2049 – 8/27/2054 (Option 4)

Amount: Projected Value of Agreement over thirty years = \$1,998,167.46

Compensation to State
\$481,482.93 (10-year base)
\$299,671.45 (Option 1)
\$347,401.35 (Option 2)
\$402,733.37 (Option 3)
\$466,878.36 (Option 4)
\$1,998,167.46

Requesting Agency Remarks: This revenue-generating transaction results from a resource sharing agreement between Historic St. Mary City Commission and Network Tower II, LLC. For this proposal, the State receives the benefit of monetary compensation for use of ground and tower space in support of telecommunications antennas located at the 48011 Mattapany Road, St. Mary's City, St. Mary's County. Since the monetary value of the lease over the 30-year term is more than \$100,000, this item was submitted to the Legislative Policy Committee for review and comment and was posted on *eMarylandMarketplace*.

12. **MARYLAND DEPARTMENT OF THE ENVIRONMENT**
***Small and Disadvantaged Communities Drinking Water Grant Program - Water
Infrastructure Improvements for the Nation (WIIN) Grant***

Recommendation: That the Board of Public Works approve further funding as described.

Authority: Maryland Water Infrastructure Financing Administration Act
Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland

Project: Pocomoke City Water Line Improvements – Market Street CIPP Water
Main Lining Phase I

Recipient: Worcester County

Amount: Up to \$777,000

Location: Worcester County/Legislative District 38A

Project Description: This multi-phase project entails planning, design, and construction of improvements to the water transmission and distribution system in Pocomoke City. The work consists of cleaning, inspecting, lining, and replacing water mains, replacement of pipes, fittings, and various valves, and all associated appurtenances in various locations in Pocomoke City. Phases 1 and 2 deal with cured-in-place pipe (CIPP) lining and Phases 3 and 4 deal with replacements of distribution lines. This project will improve the water quality and remove high levels of rust and contaminants from the City's water system thereby facilitating compliance with the Safe Drinking Water Act (SDWA). This board action is for Market Street CIPP Water Main Lining Phase 1 which entails lining of water main along Market St. from Old Virginia Road to Eighth Street. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

13. **MARYLAND ENVIRONMENTAL SERVICE**
Cheltenham Youth Facility, Prince George's County

Contract ID: Cheltenham Youth Facility Water System Improvements
MES Project # 1-23-2-26-3

Original Approval: Secretary's Agenda, Item 14 (12/21/2022)

Contract Description: Design, bidding, and construction management services for upgrades to the water treatment facility serving the Cheltenham Youth Facility

Modification Description: This modification is for design, bidding, and construction of a new well for Cheltenham Youth Center and isolation and improvement of the irrigation water supply to the Cheltenham Veteran's Cemetery.

Award: WATEK Engineering Corporation, Gaithersburg, MD

Original Contract Term: 30 Months

Modified Contract Term: N/A

Original Contract: \$333,565.00

Previous Modification: \$0.00

This Modification: \$98,187.00

Revised Amount: \$431,752.00

Percent +/- Change: 29.44%

MBE Goal: 15%

MBE Compliance: 21.10%

Fund Source: General Funds (FY 2023 PAYGO Funds)

Remarks: The Youth Center and the Veteran's Cemetery are currently served by a common well for domestic water use and irrigation. Proposed under this modification are the design and construction of a new well to serve the domestic water needs of the youth center and cemetery, and a new water main and metering to provide domestic water supply to the cemetery. The existing well will be converted to be solely for irrigation water to the Cemetery.

14. **MORGAN STATE UNIVERSITY**
Real Property Lease – Marble Hall Garden Apartments Lease

Recommendation: That the Board of Public Works approve Morgan State University entering into a lease to provide additional student housing to meet the University's student housing demand.

Lessor: HH Marble Hall Property, LLC d/b/a Marble Hall Gardens

Lessee: Morgan State University, an agency and instrumentality of the State of Maryland

Property: Marble Hall Garden Apartments
4430 Marble Hall Rd #387, Baltimore, MD

Term: Seven years (August 1, 2025 to July 31, 2032) plus three 1-year options.

Rent: 554 beds with annual rent of \$6,400,000 with a greater of 4% or CPI escalator annually.

Fund Source: Auxiliary (Unrestricted)

Remarks: MSU is expecting a continuation of its historic enrollment for the fall 2025 semester, which is expected to exceed 10,000 students. This record enrollment includes continued enrollment of freshman classes averaging in excess of 2,250 students over the last three years and strong retention rates of prior year freshmen, sophomore and junior classes.

This lease is required to maintain MSU's current housing capacity plan of 5,200 for on and off-campus sponsored housing to accommodate enrollment, and the high level of interest among students for residing in university owned or affiliated housing. Continued strong housing demand is expected to exceed current capacity planning of on-campus and off-campus beds of 5,200 for the fall 2025. Further, privatized housing facilities are expected to reach full capacity for the upcoming academic year.

Morgan's Office of Residential Life has recommended that the University add additional housing beds in a location it can control in terms of a safe and healthy college environment and this facility has been identified as a potential location to house students at terms agreeable to the University.

Sub-goals: 8% African American; 11% Women-Owned

MBE Compliance: 17.99%

Remarks: Reference is made to Secretary's Agenda, Item 13 (5/17/2023) in which the Stadium Authority stated that it "[I]ntends to return with a recommendation to award several Guaranteed Maximum Price contracts providing pre-construction performance is satisfactory."

The procurement process for GMP Package #9 proceeded as follows:

Starting on February 10, 2024, Gilbane advertised the project for trade contractor participation in the following publications/services: eMaryland Marketplace Advantage, Maryland Stadium Authority website, Maryland Washington Minorities Companies Association, and via direct solicitation. An MBE outreach event was previously conducted by Gilbane and a pre-bid site walkthrough was held at M&T Bank Stadium. Attendees were provided with summary project information.

Gilbane advertised for bids on construction packages for site utilities / site demo / earthwork, and tele-data / audio visual / security. Competitive bids were received between March 15th and July 2nd on various due dates by representatives from Gilbane.

Post-bid scope review meetings with selected trade contractors began on April 9th, 2024 to ensure that the bids were both responsive and complete. Post bid scope review meetings were conducted virtually, and Gilbane and MSA representatives were in attendance.

Gilbane submitted GMP #9 Package on July 27th, 2024

Future GMP Package(s) will be presented to the Board of Public Works for approval.

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
August 28, 2024

REVISED

15. **MARYLAND STADIUM AUTHORITY** (cont'd)
Renovation Projects at M&T Bank Stadium Construction Management (CM) Services

Remarks (cont'd):

The overall MBE participation goal for the construction phase of this project was set at 35% with sub-goals of 8% African American-owned and 11% Women-owned. The MBE goal for this project is a total goal inclusive of all GMPs. There are no GMP specific goals. This is the ninth of several anticipated GMPs.

Gilbane has demonstrated the good faith effort required to satisfy the goals of the MBE program and remains committed to meeting the MBE participation goals established for the Project.

16. **DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES**
General Miscellaneous

Recommendation: The Maryland Department of Public Safety and Correctional Services, through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorneys' fees, against defendant in the matter of *George Bobbitt v. Maryland Department of Public Safety and Correctional Services, et al.*, United States District Court for the District of Maryland, No. 8:20-cv-00648-JRR.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: \$25,000

Fund Source: 100% General Funds

Appropriation Codes: Q00A0101

Requesting Agency's Remarks: The Department of Public Safety and Correctional Services and the Office of the Attorney General recommend paying \$25,000.00 to settle all claims, including attorneys' fees, as in the best interest of the State.

If this settlement is approved a check should be issued payable to "George Bobbitt" in the amount of \$25,000.00. The check should be delivered to Teresa Kelly, Assistant Attorney General, Office of the Attorney General of Maryland, 200 Saint Paul Place, Baltimore Maryland, 21202, who will deliver it to plaintiffs' attorney and ensure that all of the necessary documentation and releases are complete.

17. **SALISBURY UNIVERSITY**
General Miscellaneous

Recommendation: Salisbury University, through the Office of the Attorney General, requests approval to pay a settlement of all claims, including claims for attorneys' fees, against the University in the matter of *Kathleen Sterling v. Salisbury University*, Circuit Court for Wicomico County, No. C-22-CV-23-000142.

Authority: Sections 12-404 and 12-501, State Government Article, Annotated Code of Maryland

Request Amount: \$55,000 (plus forgiveness of \$21,537.20 Ms. Sterling owes the University)

Fund Source: 100% General Funds

Appropriation Codes: R30B29.00

Requesting Agency's Remarks: Salisbury University and the Office of the Attorney General recommend paying \$55,000 (plus forgiveness of \$21,537.20 Ms. Sterling owes the University), to settle all claims, including attorneys' fees, as in the best interest of the State.

If this settlement is approved, a check should be issued payable to "Kathleen Sterling and John Stolarz, Esq." in the amount of \$55,000. The check should be delivered to Alyson Sandul, Assistant Attorney General, Office of the Attorney General of Maryland, 200 St. Paul Place, 17th Floor, Baltimore, MD 21202 who will deliver it to plaintiffs' attorney and ensure that all necessary documentation and releases are complete.

A1. DEPARTMENT OF JUVENILE SERVICES

Contract Title: Emergency Residential Treatment Services – Out-of-State
Contract ID# 25-PD-009,
ADPICS No: V00B5600002

Contract Type: Services

Contract Description: Emergency placement in residential treatment services for two
Department of Juvenile Services youth.

Procurement Method: Emergency

Bids: Wayne Halfway House Inc., Waynesboro, TN \$496,612

Award: Wayne Halfway House Inc., Waynesboro, TN

Amount: \$496,612

Term: 7/25/2024 - 6/30/2025

Date Emergency Declared: 6/26/2024

Contract Award Date: 7/25/2024

Date Emergency Reported: 8/07/2024

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: E0101

Remarks: *Nature of Emergency:* The Department has placed two youth in residential treatment via an emergency procurement based on the current lack of residential treatment program providers in Maryland who are equipped to provide the required level of necessary care. This emergency placement will provide care in an environment that meets the standards of the Department.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
August 28, 2024

APP 2

A1. **DEPARTMENT OF JUVENILE SERVICES** (cont'd)

Remarks (cont'd):

Basis for Selection: Numerous referrals for placement were made on behalf of both youth to in- and out-of-state residential programs. These referrals were denied by all programs, including the only in-state provider able to provide appropriate treatment. Wayne Halfway House Inc. was the only residential treatment program who was willing and able to provide the required service to the two youth. The Department's current resources are unable to meet the needs particularly of young people who display high levels of aggression towards peers and staff.

The Department of Juvenile services has issued a Standard Per Diem contract for the services to be performed by Wayne Halfway House Inc. No MBE or VSBE participation goals were established for this contract since there are no subcontracting opportunities as the entire specialized core services (psychiatric services/evaluations, case management, therapy, recreational therapeutic programs, educational services) needed for the youth are available within the facility and require specialized training, certification, and clearances.

A2. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Contract Title: Emergency Replacement of Air Conditioning Unit at Patuxent Institution (PATX)
ADPICS No.: Q00P5600213

Contract Type: Maintenance

Contract Description: Emergency services to replace an air conditioning (AC) unit at the PATX Transportation Unit building.

Procurement Method: Emergency

Bids: Maryland Mechanical Systems, Inc. \$76,000
Baltimore, MD
(Single Bid received)

Award: Maryland Mechanical Systems, Inc., Baltimore, MD

Amount: \$76,000 NTE

Term: 7/17/2024 - Mid-August 2024 (expected completion)

Date Emergency Declared: 7/08/2024

Contract Award Date: 7/15/2024

Date Emergency Reported: 7/30/2024

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: Q00T0406

Remarks: Nature of Emergency: The Transportation Unit for PATX is located in a building at 319 W. Monument Street. The AC unit on the first floor no longer works which has created an unsafe environment for the staff that work in that unit, especially with the heat that Maryland has been experiencing this summer. The Department of Public Safety & Correctional Service (DPSCS) completed an assessment and learned that the AC unit is beyond its life expectancy and that it would be more cost effective to replace the AC unit than repair it.

A2. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Remarks (cont'd):

Basis for Selection: In order to solicit competition, DPSCS contacted two vendors to obtain quotes. Two specific vendors were contacted because of their record of responsiveness, their familiarity with the building and DPSCS's security protocols, and the outstanding work they have done in the past. M&M Welding and Fabricators Inc. responded back, but unfortunately, were unable to take on any additional work at that time. Maryland Mechanical Systems, Inc. responded back with a quote and were able to start working on July 17, 2024. As a result, an award was made to Maryland Mechanical Systems, Inc. on July 15, 2024.

A3. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Contract Title: Emergency Rental of A/C Units at Patuxent Institution (PATX)
ADPICS No.: Q00P5600324

Contract Type: Maintenance

Contract Description: Emergency services to provide rental air conditioning (A/C) units to the acute mental health unit within M4 tier at PATX.

Procurement Method: Emergency

Bids: JPG Plumbing and Mechanical, Inc., Jessup, MD \$88,344
(Single Bid received)

Award: JPG Plumbing and Mechanical, Inc., Jessup, MD

Amount: \$88,344 NTE

Term: 7/17/2024 – 9/30/2024

Date Emergency Declared: 7/15/2024

Contract Award Date: 7/17/2024

Date Emergency Reported: 8/01/2024

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: Q00D0001

Remarks: *Nature of Emergency:* On July 15, 2024, the Director of Mental Health at PATX determined that the excessive heat wave was causing a health and safety hazard issue for incarcerated individuals in the M4 tier unit at PATX. Individuals within the M4 tier unit have acute mental health illnesses and are easily susceptible to the heat. As a result, an emergency declaration was issued to rent additional AC units as necessary to ensure the health and safety of incarcerated individuals within the M4 tier.

A3. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Remarks (cont'd):

Basis for Selection: Due to the critical and sensitive nature of the emergency, only one vendor was contacted. JPG Plumbing and Mechanical, Inc. was selected for their previous work with the facility, availability, and familiarity with the facility and its security protocols.

Competition was not sought due to the potential threat to life and public health this emergency posed to incarcerated individuals with acute mental health illnesses. The excessive heat wave had the potential to exacerbate symptoms and the rental of A/C units was secured in a timely manner to prevent further illnesses.

A4. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Contract Title: Emergency Repairs for Door Controls at Baltimore Central Booking and Intake Center (BCBIC)
ADPICS No.: Q00P5600052

Contract Type: Maintenance

Contract Description: Services to replace door controls system equipment at BCBIC.

Procurement Method: Emergency

Bids: Cornerstone Detention Products, Inc. \$351,475.78
Montgomery, AL
(Single Bid received)

Award: Cornerstone Detention Products, Inc., Montgomery, AL

Amount: \$351,475.78 NTE

Term: 07/12/2024 - 11/01/2024

Date Emergency Declared: 07/12/2024

Contract Award Date: 07/15/2024

Date Emergency Reported: 07/30/2024

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: Q00T0404

Remarks: Nature of Emergency: On Saturday, July 6, 2024, the Department determined that door control system equipment in one of the units at BCBIC was non-operational. Outdated locking mechanisms may be vulnerable to tampering or manipulation by incarcerated individuals and this not only compromises the security of the facility but also exposes correctional facilities to potential liability. Old or broken locking mechanisms in jail cell doors can pose significant challenges for corrections officers, maintenance staff, and jail administrators alike. On Monday, July 8, 2024, Cornerstone Detention Products, Inc. (Cornerstone) inspected the equipment and determined that the equipment was in need of repair and upgrades.

A5. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Fund Source: 100% General Funds

Appropriation Codes: R0301
S0301
T0301

Remarks: Nature of Emergency: The DPP experienced the horrific loss of Agent Davis Martinez on May 31, 2024, while in the line of duty. In response to his death, the American Federation of State, County, and Municipal Employees (AFSCME) requested security measures for all DPP field offices, and the Department met with the Governor's Office to discuss increased security measures to implement at DPP field offices. As a result of these discussions, the Department determined that it is necessary and essential to obtain armed guard services to ensure the health, safety, and welfare of the Department's DPP agents at field offices. This decision not only strengthens the physical security of the premises, but also serves as a deterrent against potential threats and unauthorized access.

Several DPP field offices already had unarmed guards through Statewide contracts. To increase security, the Department reached out to the three Statewide contractors on the Statewide Armed and Unarmed Uniformed Guard Services contract (BPO Nos. 001B3600361, 001B3600362, & 001B3600363) and the Department's own Unarmed Uniformed Guard Services contractor (BPO No. 001B2600401) to modify the contracts from unarmed to armed guards, and to inquire if additional armed guard services could be provided to the remaining DPP field offices. The three Statewide contractors can provide modified services, but require additional time to recruit and train candidates to become armed guards. As a result, this emergency request is to cover the DPP field sites that the Statewide contracts cannot cover in a timely manner.

Basis for Selection: Direct solicitations were made to 37 vendors. For each of the 14 DPP field offices, a range of four to eight bids were received for each one (see Attachment I). The awardee for each DPP field office was selected based upon the available start date and then the lowest hourly rates for each DPP field office jurisdiction. Four different vendors were selected as the awardees.

A6. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES

Contract Title: Emergency Replacement of MCE Woodshop Roof at Jessup Correctional Institution
ADPICS No.: Q00P5600438

Contract Type: Maintenance

Contract Description: Emergency services to remove and replace the damaged roof of the Maryland Correctional Enterprise's (MCE) Woodshop located at the Jessup Correctional Institution (JCI).

Procurement Method: Emergency

Bids: Hann & Hann Inc., Rockville, MD \$793,258.00

Award: Hann & Hann Inc.

Amount: \$793,258

Term: 45 Days from Notice To Proceed (NTP)

Date Emergency Declared: 07/24/2024

Contract Award Date: 07/29/2024

Date Emergency Reported: 08/13/2024

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: Q00S0201

Remarks: Nature of Emergency: The roof of MCE's Woodshop located at the Department of Public Safety & Correctional Services' (DPSCS) JCI is in critical condition and requires immediate repair. DPSCS first became aware of the roof's deterioration and began plans to repair the roof in 2023. The Department of General Services (DGS) completed an assessment and has plans to add it to their list of capital maintenance projects, but this project did not make it onto the FY 2025 list. With the uncertainty of whether DGS would select the project for an upcoming fiscal year, DPSCS determined an emergency declaration was necessary.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
August 28, 2024

APP 19

A6. DEPARTMENT OF PUBLIC SAFETY AND CORRECTIONAL SERVICES
(cont'd)

Remarks (cont'd):

The MCE Woodshop employs a significant number of incarcerated individuals to create furniture and other items. However, MCE has had to close the Woodshop due to safety concerns for the incarcerated individuals as the roof's deterioration has allowed rain to leak into the building. DPSCS is also concerned about the building's electrical systems and Woodshop equipment, as the damaged roof makes the interior of the building susceptible to the elements. It is in the Department's best interest to repair the roof as quickly as possible, since a damaged roof will only worsen over time and cause bigger structural issues to arise as a result.

Basis for Selection: DPSCS had previously obtained quotes from vendors when the roof's deterioration was first discovered in 2023. After the emergency declaration was declared, DPSCS reached out to the vendor who had previously provided the Department with the lowest quote.

Resident Business: Yes

Recommendation: Approval to grant \$800,000 to **Frederick County** from Rural Legacy Funds to acquire a 250.09-acre conservation easement.

Carrollton Manor Rural Legacy Area –Koogle Properties, LLC

Prior Approval: Rural Legacy Area Grant for easement acquisitions:
 DNR-RP Item 15A. (8/23/2023) \$3,135,000 for FY 2024

Project Description: Acquisition of this conservation easement will protect 250.09-acres that provide significant natural habitat for sensitive species and Forest Interior Dwelling Species of birds. The easement will protect approximately 7,700 linear feet of forested buffers on Bennett Creek and the Monocacy River in the Potomac River watershed. This Rural Legacy easement, RL No. 35289, will be held by Frederick County. The county is contributing \$833,830 towards the cost of the easement and not seeking reimbursement for incidental, administrative, and program compliance costs.

Easement Value: \$1,633,830 (\$6,532.96 per acre)

Purchase Price: \$1,633,830 (\$6,532.96 per acre)

Funding Sources: \$800,000 DNR

14A. RURAL LEGACY PROGRAM FUNDS
Baltimore & Harford Counties

Recommendation: Approval to grant \$1,054,527.57 to **The Manor Conservancy, Inc.**, from Rural Legacy Funds to acquire a 108.45-acre conservation easement.

Manor Rural Legacy Area – Blue Jar PTC LLC, Trustee

Prior Approval: Manor Rural Legacy Area Grant for easement acquisitions:
 DNR-RP Item 13A (10/04/2017) \$1,949,000 for FY 2018
 DNR-RP Item 15A (10/12/2022) \$666,611 for FY 2023
 DNR-RP Item 15A (8/23/2023) \$1,215,200 for FY 2024

Project Description: Acquisition of this conservation easement will protect 108.45-acres of farmland, woodlands, and wetlands, and preserve scenic views along Old York Road, which is a historic byway. This easement will contribute towards the permanent preservation of a large block of land within the historic My Lady’s Manor which is a 10,000-acre area listed on the National Register of Historic Places, and protect approximately 4,500 linear feet of stream buffers along unnamed tributaries and the Little Gunpowder Falls. This Rural Legacy easement, RL No. 35296, will be held by the Department of Natural Resources and The Manor Conservancy, Inc.

Easement Value: \$983,845.05 (\$9,071.88 per acre)

Purchase Price: \$983,845.05 (\$9,071.88 per acre)

Piney Run Rural Legacy Area – Basignani Property

Prior Approval: Piney Run Rural Legacy Area Grant for easement acquisitions:
 DNR-RP Item 15A (8/23/2023) \$2,818,675 for FY 2024

Project Description: Acquisition of this conservation easement will protect productive agricultural and forest lands, as well as protect approximately 2,390 linear feet of forested and grass stream buffers along unnamed tributaries and the Indian Run. Indian Run ultimately drains into Loch Raven Reservoir, an important source of drinking water for the Baltimore Metropolitan Area. This Rural Legacy easement, RL No. 34893, will be held by the Department of Natural Resources and The Land Preservation Trust, Inc.

Easement Value: \$515,571 (\$8,654.88 per acre)

Purchase Price: \$515,571 (\$8,654.88 per acre)

Total Other DNR Costs:

Administrative:	\$15,467.00
Incidental:	\$24,997.50
Compliance:	<u>\$ 7,733.00</u>
	\$48,197.50

Amount Requested: \$563,768.50

16A. RURAL LEGACY PROGRAM GRANTS
Fiscal Year 2025

Recommendation: The Department of Natural Resources recommends that the Board of Public Works approve:

- 1) Allocation of \$15,329,028 in FY 2025 Grant Awards (Sub-Items 1-7, & 9 -15);
- 2) Three (3) Rural Legacy Area Boundary Changes (Sub-Items 5, 8 & 15); and
- 3) Designation of one (1) new Rural Legacy Area (Sub-Item 4).

Background: The Rural Legacy Program is designed to preserve large blocks of contiguous open space that are among the State's most valuable because of the existence of a multitude of agricultural, forestry, natural and cultural resources. To protect these resources, the Rural Legacy Program, acting through local government or private land trust sponsors, purchases conservation easements from willing property owners, based on Rural Legacy Plans that have been reviewed by the Rural Legacy Advisory Committee and approved by the Rural Legacy Board.

The Rural Legacy Program Fiscal Year 2025 grant awards total \$15,329,028. DNR will submit individual contracts to purchase conservation easements to the Board of Public Works as the specific transactions arise.

Authority: Subtitle 9A - Rural Legacy Program, Natural Resources Article, Annotated Code of Maryland.

1. Agricultural Security Corridor - Eastern Shore Heartland Rural Legacy Area:
Caroline, Dorchester, and Talbot Counties

Grant: of \$1,205,070.00 to acquire conservation easements to protect a range of resources that includes forests, farmlands, wetlands, historic sites, and endangered species habitat in the Agricultural Security Corridor in three counties on the Eastern Shore. Conservation of property in this Area will support the local resource-based economy, including agricultural production of grains, hay, dairy, beef and poultry operations. The Board approved the designation of the Agricultural Security Corridor Rural Legacy Area encompassing five counties in 1998 and split it into three separate and distinct RLAs in January of 2020.

16A. **RURAL LEGACY PROGRAM GRANTS** (*cont'd*)
Fiscal Year 2025

2. Agricultural Security Corridor - Harvest Crescent Rural Legacy Area:
Cecil and Kent Counties

Grant: of \$1,295,502.00 to acquire conservation easements to protect a range of resources that includes forests, farmlands, wetlands, historic sites, and endangered species habitat in the Agricultural Security Corridor in two counties on the Eastern Shore. Conservation of property in this Area will support the local resource-based economy, including agricultural production of grains, hay, dairy, beef and poultry operations. The Board approved the designation of the Agricultural Security Corridor Rural Legacy Area encompassing five counties in 1998 and split it into three separate and distinct RLAs in January of 2020.

3. Anne Arundel South:
Anne Arundel County

Grant: of \$891,655.00 to acquire conservation easements to protect agricultural, woodland, natural and cultural resource values and tributaries to the Chesapeake Bay and Patuxent River. The Board approved the designation of the Anne Arundel South Rural Legacy Area in 2000.

4. Bishopville-Showell Rural Legacy Area:
Worcester County

Designation of the **11,743-acre** Bishopville-Showell Rural Legacy Area in Worcester County. This new Rural Legacy Area includes a portion of the northern most coastal bays watersheds in Maryland and the last remaining contiguous area of farmland in the northern coastal bays watershed, an area that continues to be under the most intense development pressure in Worcester County. It includes portions of Birch Branch, Middle Branch, Carey Branch, Slab Bridge Prong and Bishopville Prong, tributaries of the St. Martin River. The Bishop-Showell Rural Legacy Area is highly productive, with over one-third of the area determined to be prime farmland. Local agricultural and forestry industries rely on this expanse of land for productivity and viability. Additionally, protecting the area provides access to local farm products, beautiful vistas, and preservation of a rich farming history. Twenty-two historic sites, including houses, churches, and stores, dot the landscape. The Bishopville and Showell villages are also a part of the rural fabric, and their integrity will be enhanced by preserving land in their surrounds. Protecting the land will also help keep impervious surface low, thereby protecting water quality in the Isle of Wight and Assawoman Bays.

Grant: of \$800,000.00 to acquire conservation easements to preserve prime farmland, forests, and vistas of an historic landscape surrounding the unincorporated rural villages of Bishopville and Showell, which are part of the rural fabric of this region of the County. The Area contains the last remaining contiguous area of farms and forests in the northern coastal bays' watershed. Conservation of land in this Area will protect water quality in the Isle of Wight and Assawoman Bays.

16A. **RURAL LEGACY PROGRAM GRANTS** (*cont'd*)
Fiscal Year 2025

5. **Deer Creek Rural Legacy Area:**
Harford County

Grant: of \$1,060,500 to acquire conservation easements within the watershed of Deer Creek River, a State-designated Scenic River, and adjacent to Rocks and Susquehanna State Park to protect historic farmland, forests, natural and cultural areas. This Area is located within the Lower Susquehanna Heritage Greenway, a certified Maryland Heritage Area. The Board approved the designation of the Lower Deer Creek Rural Legacy Area in 1999.

- **Expansion:** of 31,323.73 acres that will expand the boundary north of the current Rural Legacy Area to Pennsylvania and follow the historic Mason-Dixon Line east to the shores of the Susquehanna River. The expansion includes additional land within the Deer Creek & Conowingo Dam Susquehanna River Watersheds, as well as the entire Harford County portion of the Broad Creek Watershed. Within the expansion area are highly valuable agricultural, ecological, historical, and cultural resources that are at risk due to increasing development pressure.

6. **Dividing Creek Rural Legacy Area:**
Somerset and Worcester Counties

Grant: of \$585,000.00 to acquire conservation easements to protect significant woodland, farmland and wetlands. The Area includes one of the most pristine and ecologically significant watershed basins on the mid-Atlantic. It includes exemplary plant and wildlife habitat, prime farmland, large blocks of working forests, and over 10 miles of shoreline of Dividing Creek. The Board approved the designation of the Dividing Creek Rural Legacy Area in 2008.

7. **Fair Hill Rural Legacy Area:**
Cecil County

Grant: of \$1,009,720.00 to acquire conservation easements to protect farmland, forests, natural areas and historic sites in the northeast corner of Cecil County contiguous to Fair Hill Natural Resources Management Area. Conservation of property in this Area will support the local resource-based economy, including equestrian activities. The Board approved the designation of the Fair Hill Rural Legacy Area in 1999.

16A. **RURAL LEGACY PROGRAM GRANTS** (*cont'd*)
Fiscal Year 2025

8. Gunpowder Rural Legacy Area:
Baltimore County

- **Expansion:** of 7,560 acres that largely follows watershed boundaries, encompassing Bee Tree Run and 4th Mine Run in Northern Baltimore County. The Area was chosen to provide connectivity of key resources that includes headwater streams that impact the water quality of the Gunpowder River and the Loch Raven Reservoir, and the Torrey C. Brown Rail Trail that provides recreational opportunities for large portions of the Mid-Atlantic region. The expansion places virtually the entire length of the trail (18 of the 21 miles of the trail) within the Gunpowder Rural Legacy Area.

9. Huntersville Rural Legacy Area:
St. Mary's County

Grant: of \$1,080,000.00 for partnership with the U.S. Navy's Readiness and Environmental Protection Integration (REPI) funds to acquire conservation easements to protect forests, natural and archeological areas, farmland, and historic sites. Portions of the Area are designated by the Smithsonian Center for Natural Areas as critical wildlife habitat in need of protection. The Board approved the designation of the Huntersville Rural Legacy Area in 1998.

10. Harriet Tubman Rural Legacy Area:
Dorchester County

Grant: of \$1,200,000.00 to acquire conservation easements to protect farmland, woodland, natural and historic landscapes associated with the legacy of Harriet Tubman and the history of the Underground Railroad. The Board approved the designation of the Harriet Tubman Rural Legacy Area in 2018.

11. Lands End Rural Legacy Area:
Queen Anne's County

Grant: of \$1,062,189.00 to acquire conservation easements to protect environmentally significant tributaries of the Chester River, the Corsica River, and Southeast Creek, including farmland, forested lands, wetlands, and wildlife habitat. The Board approved the designation of the Lands End Rural Legacy Area in 1998.

August 28, 2024

16A. **RURAL LEGACY PROGRAM GRANTS** (*cont'd*)
Fiscal Year 2025

12. **Little Pipe Creek /Upper Patapsco Rural Legacy Areas:**
Carroll County

Grant: of \$877,500.00 to acquire conservation easements to protect farmland, woodland, natural and cultural land within the Little Pipe Creek and upper Monocacy River Watersheds. Conservation within the Area will provide water quality benefits not only for the two watersheds, but also for the underground aquifers that supply many residents with drinking water. The Board approved the designation of the Little Pipe Creek Rural Legacy Area in 1998 and Upper Patapsco Rural Legacy Area in 2004.

13. **Mid-Maryland Frederick/Carrollton Manor Rural Legacy Areas:**
Frederick County

Grant: of \$1,299,892.00 to acquire conservation easements to protect farmland, forestland, Civil War historic sites and a greenbelt around the historic Town of Burkittsville. Conservation of property in the Area will protect the view surrounding the Appalachian Trail and South Mountain Battlefield State Park, which are nationally significant natural and cultural resources. The Board approved the designation of the Mid-Maryland Frederick Rural Legacy Area in 1998 and the Carrollton Manor Rural Legacy Area in 2004.

14. **Mid-Maryland Washington Rural Legacy Area:**
Washington County

Grant: of \$1,544,000.00 to acquire conservation easements to protect farmland, forests and Civil War sites within view of Washington Monument State Park, South Mountain Battlefield State Park, Antietam National Battlefield and its approaches. Conservation within the Area will provide water quality benefits to the Potomac River, a Maryland designated Scenic River. The Board approved the designation of the Mid-Maryland Washington Rural Legacy Area in 1998.

Supplement
August 28, 2024

16A. **RURAL LEGACY PROGRAM GRANTS** (cont'd)
Fiscal Year 2025

15. **Piney Run Rural Legacy Area:**
Baltimore County

Grant: of \$1,418,000.00 to acquire conservation easements to protect farmland, forests, natural areas and historic properties within and near National Register Historic Districts. Conservation within the Area will provide water quality benefits to the Prettyboy and Loch Raven Reservoirs, two of the drinking supply reservoirs for the Baltimore Metropolitan Area. The Board approved the designation of the Piney Run Rural Legacy Area in 1998.

- **Expansion:** of 16,210 acres in two new areas. The first is north of Shawan Road and West of Cuba Road, which is an area under significant development pressure due to proximity to Hunt Valley Town Center. The second area is north of the current Rural Legacy Area boundary and extends to the Prettyboy Reservoir. Preservation in this area will protect the Reservoir, which is a significant water source for a large portion of the Baltimore Metropolitan Area.

17A. PROGRAM OPEN SPACE STATE SHARE
Howard County (Egrie)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This mostly forested property is adjacent to Patuxent River State Park with public road frontage on Mullinix Mill Road and will be managed by the Maryland Park Service as an addition to the park. Acquisition will increase access to underutilized areas of the park, providing parking and safer access to natural resources for hunting, fishing, and trail usage, including a new connection to the Seneca Greenway Trail. The property includes a portion of an unnamed branch of the Patuxent River and acquisition will protect water quality in the Brighton Dam watershed, including habitat for a wild reproducing population of brown trout and other cold-water fish species. Acquisition will also protect habitat for Forest Interior Dwelling Species.

POS Scoring System: 84 out of 100

Targeted Ecological Area: Yes

Grantor: Paul Gary Egrie

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 42.26+/- acres, unimproved, POS No. 34877

Price: \$675,000

Appraisals: \$676,000 (4/19/2024) – Stacy A. Harman
\$651,000 (5/20/2024) – Terence W. McPherson

18A. PROGRAM OPEN SPACE STATE SHARE
St. Mary's County (PBNJ Trust)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This unimproved, wooded, and waterfront property is located along Point Lookout Creek and will be managed by Maryland Park Service as an addition to Point Lookout State Park. Acquisition will expand public recreational opportunities providing an opportunity to extend an existing water trail, expand waterfowl hunting, and widen buffers to Point Lookout Creek which flows into the Potomac River and then to the Chesapeake Bay. Areas along the shoreline where natural habitats occur, such as marshes and coastal forests, have the potential to reduce the impact of coastal hazards (flooding and erosion) to adjacent coastal communities by dampening waves, stabilizing sediment, and absorbing water. Natural features can also adapt to changing conditions within dynamic coastal environments, and thus have the ability to provide climate change resiliency benefits over the long term.

POS Scoring System: 67 out of 100

Targeted Ecological Area: No

Grantor: Richard L. Patrick Johnson and Jean S. Luning-Johnson, Trustees of PBNJ Trust

Grantee: The State of Maryland to the use of the Department of Natural Resources

**19A. PROGRAM OPEN SPACE STATE SHARE
*Frederick County (Catoctin LLC)***

Recommendation: That the Board of Public Works approve:

- 1) DNR accepting assignment of an Agreement of Sale for purchase of the property from Catoctin Land Trust, Inc. and acquisition of the property; and
- 2) The reimbursement of incidental costs expended by Catoctin Land Trust, Inc.

Description: This entirely forested property is located along Mink Farm and Catoctin Hollow Roads and will be managed by Maryland Park Service as an addition to Cunningham Falls State Park. Acquisition will expand public recreational opportunities for hiking, fishing, birding, and hunting and protect Forest Interior Dwelling Species habitat along the Catoctin Greenway, an important route for migratory birds. The property includes numerous rock outcroppings that provide habitat for state endangered species as well as sections of Buzzard Branch and Little Hunting Creek, both of which support wild trout populations. Acquisition will protect water quality in the Upper Monocacy River watershed.

POS Scoring System: 100 out of 100 **Targeted Ecological Area:** Yes

Background: The Board of Public Works approved DNR to accept a donated conservation easement on 17.9 acres of the Catoctin LLC property as DNR Item P-7 (June 25, 1976). The Board of Public Works approved DNR to accept a donated conservation easement co-held by Catoctin Land Trust on 442.21 acres of the Catoctin LLC property as DNR Item 12 (August 9, 2006).

Grantor: Catoctin LLC

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 668.10+/- acres, improved, POS No. 13637

Price: \$1,950,000

20A. TIMBER SALE
Garrett County

Recommendation: That the Board of Public Works approve this timber sale of 171,260 board feet of sawtimber, and 165 cords of pulpwood, which will be conducted in Compartment 24 off Wallman Road in Potomac State Forest.

Potomac-Garrett State Forest
22 acres / Compartment 24 (PG-01-25)

Description: This is a regeneration harvest in Compartment 24. Conditions at this time are favorable for the oak regeneration here, and the goal of the harvest is to release this established oak regeneration from competition. Several legacy trees will be retained to serve as a seed and wildlife food sources. After the harvest, the stand will be left to regenerate naturally.

No bond money was used in the purchase of this land.

2-GM. GENERAL MISCELLANEOUS

Recommendation: That the Board of Public Works approve revisions to the USM Procurement Policies and Procedures.

Authority: Education Article, Annotated Code of Maryland, §12-112.

Remarks: The University System of Maryland requests Board of Public Works (BPW) approval for revisions to its Procurement Policies and Procedures. A workgroup was established in the fall of 2023 to undertake a comprehensive review of these policies and make recommendations for revisions. The workgroup was comprised of procurement officials from four USM institutions, the System Office and the Office of Attorney General. The proposed revisions were reviewed and approved by all USM procurement directors, institution vice presidents for administration and finance and the presidents of all USM institutions. Notification was also sent to the Joint Committee on Administrative, Executive & Legislative Review of the Maryland General Assembly. There were no comments received from the Committee.

The major changes include:

- 1) clarified that any revisions to these policies require BPW approval and the requirement for seeking BPW approval for contracts that fall under an exclusion—only Intercollegiate Athletics and High Impact Economic Development Activities related contracts do not require BPW approval;
- 2) added two new exclusions for utilities and accreditation fees;
- 3) added a provision allowing for the cancellation of solicitations;
- 4) added the existing USM Policy on Service Contracts to the USM Procurement Policies and Procedures consistent with a formal opinion of the Office of Attorney General; and
- 5) added a provision on Liquidated Damages per statutory requirement.

Board of Regents Approval: June 14, 2024

This item was withdrawn from the July 3, 2024 Board of Public Works meeting (Item 2-GM).

3-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont'd)
Construction Management at Risk Services Task Order Bid Package 2 of 2

MBE Participation Goal: Overall: 30%; Sub-goals: 8% African American; 11% Women

MBE Compliance: Overall: 26.20%; Sub-goals: 13.10% African American; 2.32% Women

Performance Security: Equal to contract amount

Requesting Institution Remarks: This contract was initially awarded for preconstruction services (USM Item 2-C approved on 12/7/2022). As design progressed and design information and construction funding became available, the contractor competitively bid the first construction bid package (USM Item 3-C-BP on 2/14/2022). This is the second and final Bid Package anticipated for this project.

Sustainability: The design and construction of the project complies with the Maryland State Energy Code and includes sustainable features such as the following: HVAC airflow reduction based on occupancy, variable frequency drive motors, energy efficient LED lighting fixtures with occupancy sensor controls, and water-saving plumbing fixtures.

Resident Business: Yes

MD Tax Clearance: 24-3214-1010

*On-Call General Contracting Services***

Contract ID: On-Call General Contracting Services, RFP #91105 MC

Contract Description: Labor, materials, equipment and supervision for general construction projects for facilities and operations of University System of Maryland institutions, primarily in the Baltimore region, on an as-needed basis.

Awards:

A.R. Marani, Inc. (SBR)	Baltimore, MD
Brawner Builders, Inc.	Hunt Valley, MD
Emjay Engineering & Construction Co., Inc.	Baltimore, MD
Hayes Construction (SBR)	Phoenix, MD
Oak Contracting, LLC	Towson, MD
Wohlsen Construction Company	Baltimore, MD

Procurement Method: Competitive Sealed Proposals

Contract Term: 9/1/2024 – 8/31/2027
(3-year base term with one 2-year renewal option)

Amount: \$120,000,000 (not to exceed) (3-year base term)
\$ 90,000,000 (not to exceed) (2-year renewal option)
\$210,000,000 (not to exceed) Total

Proposals:

<i>Firm</i>	<i>Technical Ranking</i>	<i>Price Proposal</i>	<i>Overall Ranking</i>
Emjay Engineering & Construction Co., Inc.	1	\$1,638,318	1
A.R. Marani, Inc.	4	\$1,650,351	2
Brawner Builders, Inc.	5	\$1,613,058	3
Oak Contracting, LLC	3	\$1,797,576	4

Corenic Construction Group	6	\$1,817,279	7
Keller Brothers Inc.	7	\$1,782,436	8

Fund Source: Fund Source will be identified on any task order exceeding \$1 million requiring Board of Public Works approval

4-C. UNIVERSITY OF MARYLAND, BALTIMORE (cont'd)
On-Call General Contracting Services

MBE Participation: MBE Participation shall be determined for task orders over \$200,000

Performance Security: 100% performance bonds for construction projects \$100,000 or greater

Requesting Institution Remarks: The solicitation was advertised in *eMarylandMarketplaceAdvantage* and the University's eBid Board. Twenty-one (21) proposals were received. The proposals were evaluated by an Evaluation Committee which included representatives from UMB's Design and Construction group, UMBC's Department of Facilities Management and TU's Department of Facilities Management. After review by the Evaluation Committee, eleven (11) firms were shortlisted to move on to Phase 2 of the technical evaluation, which included oral interviews. Eight (8) firms were requested to submit price proposals consisting of hourly rates for key personnel, material mark-up, subcontractor mark-up and equipment mark-up. Eight (8) firms were requested to submit their Best and Final Price Proposal. The price proposal consisted of three sample projects, the proposed hourly rates and proposed markups were plugged into those three sample projects provided in the price proposal to constitute an overall evaluated price. The (6) six firms that are recommended for award had a combination of technical and financial rankings that represent the best value to the University.

As projects arise, the University will compete each project greater than \$200,000 among the six awarded on-call general contracting firms. These firms will be required to use the hourly rates as well as the mark-ups that were quoted in their proposal. The University may elect to rotate among the selected on-call contractors for projects that are under \$200,000. Hourly rates may increase in the renewal option term based on increases in the Consumer Price Index (CPI). The percentage mark-up for material, subcontractors, and equipment rental will remain the same in the renewal option terms.

Opportunities for sustainability will be identified on a task order basis, including all economically feasible or mandated energy conservation, sustainable, and green building features, such as construction materials, construction recycling, special demolition considerations and potential special construction sequencing issues.

5-C-BP. UNIVERSITY OF MARYLAND, COLLEGE PARK
On-Call Design-Build Services-Task order, Baseball Player Development Facility- Bid Package 3 of 3

Contract ID: Design-Build Construction Contract for the Baseball Player Development Facility-University of Maryland College Park: RFP No. 136859

Recommendation: Award of Bid Package 3

Contractor: J. Vinton Schafer Construction, LLC, Abingdon, MD

Prior Approval: USM Item 2-C (8/2/2023) Preconstruction and design services
USM Item 2-C-BP (5/15/2024) Bid Package 1
USM Item 4-C-BP (7/3/2024) Bid Package 2

Project Description: The proposed project is for the design and construction of an approximately 7,900 GSF player development facility for the baseball team. The structure (adjacent to the Varsity Sports Team House and Bob “Turtle” Smith Stadium at Shipley Field) will include practice facilities for both pitchers and hitters with state-of-the-art technology for performance analytics.

The University anticipates the final value of this contract, after award of all Bid Packages, will be approximately \$8.5 million.

Bid Package Description: Bid Package 3 includes general trades tasks such as installing insulation, waterproofing, ceiling tiles, doors, and roofing, as well as framing, drywall, and finishes.

Contract Term: Forty-One (41) months from Notice to Proceed (includes warranty period)

This Bid Package Amount: \$1,001,169

Current Contract Amount: \$6,232,957

Revised Contract Amount: \$7,234,126

Fund Source: Institutional Funds

MBE Participation Goal: Overall: 29%; Subgoals: 8% African American-Owned, 11% Women-Owned

MBE Compliance: Overall: 27.80%; Subgoals: 10.57% African American-Owned, 9.61% Women-Owned

Performance Security: Equal to contract amount

Requesting Institution Remarks: This contract was initially awarded for preconstruction and design services (USM Item 2-C approved on 8/2/23). As design has progressed and design information and construction funding became available, the contractor sequentially and competitively bid construction packages. This is the third and final Bid Package anticipated for this project.

Sustainability: This project will comply with the Maryland State High Performance Green Building Program through adherence with the International Green Construction Code (IgCC). The IgCC compliance checklist will be followed and provided with respect to sustainability and energy efficiency. This project will follow the performance path under ASHRAE (American Society of Heating, Refrigeration and Air Conditioning Engineers) to meet the energy code, and the energy code report will include lighting power density calculations, all required mechanical calculations confirming equipment does not exceed load requirements, and architectural calculations confirming building envelope insulation values are met. Building envelope air-tightness testing and commissioning requirements will be confirmed.

6-C. UNIVERSITY OF MARYLAND, COLLEGE PARK
ICA Basketball Practice Facility

Contract ID: ICA Basketball Practice Facility RFP# 151931-W

Recommendation: Award construction contract.

Contractor: Clark Construction Group LLC, Bethesda, MD

Project Description: To provide for the construction of specific divisions of work on the ICA Basketball Practice Facility Project. Inclusive of wood athletic flooring, lockers, gymnasium equipment, hydrotherapy equipment, landscape and asphalt paving.

Contract Term: 36 months from notice to proceed (including warranty period)

Amount: \$2,491,690

Procurement Method: Competitive Sealed Proposals-Singel Proposal Received (See Requesting Institutions Remarks)

Proposals:

Company	Amount
Clark Construction Group LLC	\$2,491,690

Funding: MCCBL 2020: *Provide funds to design, construct, and equip a new Maryland Basketball Performance Center at the University of Maryland, College Park Campus.; Item 603.*

MBE Participation 20.8%

Performance Security: Equal to contract amount

Requesting Institution Remarks: This solicitation was advertised on eMaryland Marketplace Advantage. Two (2) firms responded to the solicitation. After review of technical proposals by the evaluation committee, one (1) firm was deemed susceptible for award. Award is recommended to the lowest price, technically-acceptable offeror. Pursuant to BPW-Advisory 2016-1, a Price Analysis method was used to determine the proposal to be fair and reasonable. A detailed estimate was completed that took into account the current construction market conditions which were used to ensure that the price proposal was fair and reasonable.

6-C. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont'd)
ICA Basketball Practice Facility

Sustainability: The Contractor will perform the work utilizing sustainable design and construction principles. The design of the project complies with the Maryland State High Performance Green Building Program and will achieve a LEED Silver rating.

*Smith Hall Renovation and Reconstruction Architecture/Engineering Services***

Contract ID: Design Services for the Smith Hall Renovation and Reconstruction Project, RFP #22-333 AE-ML, University Contract #C-00932

Recommendation: Approve expenditure of funds appropriated as MCCBL 2024 to previously approved A/E design services contract for the Smith Hall Renovation and Reconstruction Project.

Amount: \$2,834,778

Fund Source:: MCCBL of 2024: *Provide funds to complete design and continue construction of the partial demolition, renovation, and reconstruction of Smith Hall for the College of Fine Arts and Communication, provided that notwithstanding Section 6 of this Act, work may continue on this project prior to the appropriation of all funds necessary to complete this project.* Item 114, \$32,474,000

Contractor: Johnson, Mirmiran & Thompson, Inc. (JMT Architecture), Hunt Valley, MD

Prior Approval: USM Item 2-AE (8/31/2022)
USM Item 3-GM (8/2/2023)

Background: Reference is made to USM Agenda Item 2-AE (8/31/2022) in which the Board of Public Works previously approved the University awarding an A/E design service contract to the contractor for a total contract amount of \$11,030,484. At the time of award, funds in the amount of \$6,066,000 only were available and with the remaining funds authorized for FY 2024 (\$4,308,000) and FY 2025 (\$3,714,000). The initial contract was issued for the Concept/Program Verification and Design Development design phases (\$4,193,229), amended for Construction Documents and Bidding phase services (\$4,002,477) after BPW Item 3-GM (8/2/2023), and will be subsequently amended for Construction Administration and Post Construction phase services (\$2,834,778) after Board approval of this item.

*Sherman Hall Renewal Project***

Contract ID: Construction Management at Risk Services for Sherman Hall Renewal;
University Contract #C-00883

Recommendation: Approve expenditure of funds appropriated as MCCBL 2024 to previously approved Bid Package 4 for the University of Maryland, Baltimore County's Sherman Hall Renewal Project.

Amount: \$16,754,000

Fund Source: MCCBL of 2024: *Provide funds to continue construction and begin equipping of the renovation of Sherman Hall that notwithstanding Section 6 of this Act, work may continue on this project prior to the appropriation of all funds necessary to complete this project.* Item 122: \$18,265,000.

Contractor: The Whiting Turner Contracting Company, Baltimore, MD

Prior Approval: USM Item 2-C-BP (12/13/2023) Bid Package 4

Background: Reference is made to USM Agenda Item 2-C-BP (12/13/2023) in which the Board of Public Works previously approved the University awarding Bid Package 4 for \$61,994,382, with the understanding that \$23,839,000 had been appropriated and construction work would not exceed that amount. This Item is to approve expending \$16,754,000 now available through the MCCBL 2024 Funds. The University will return to the Board of Public Works to authorize the use of additional funding when the funds become available.

UNIVERSITY OF BALTIMORE
*Learning Commons Basement Fit-Out for Baltimore Police Academy***

Contract ID: On-Call Construction Management at Risk Services for the Learning Commons Basement Fit-Out for BPA, RFTOP #24-327 ML, University Contract #C-00990

Prior Approval: USM Item 3-C (1/5/2022)
USM Item 3-C-OPT/MOD. (1/3/2024)

Recommendation: Task Order Award (Pre-Construction Services)

Contractor: James G. Davis Construction Corporation, Rockville, MD

Project Description: This project is for the renovation of the Learning Commons basement to provide the lease tenant, the Baltimore Police Academy (BPA), a physical fitness/tactical training space. The project is to build-out a space meeting BPA training requirements (coordinated through the University of Baltimore and the Baltimore City Police Department). The completed facility will consolidate the academy within one (1) campus building and allow the current Academic Center Recreation Center to be repurposed.

Contract Description: This item recommends award for pre-construction services only; the University anticipates that it will present to the Board one bid package to be awarded to the contractor during the construction phase.

Contract Term: Nine (9) months from issuance of notice to proceed

Procurement Method: On-Call CM Contract Task Order Invitation for Bid

Proposals:

Firm	Price
James G. Davis Construction Corporation	\$372,682
J. Vinton Schafer & Sons, Inc.	\$451,044
Plano Coudon Construction, LLC	\$466,880
DPR Construction	\$574,818

Amount: \$10,000 (Pre-Construction Services Only)

Fund Source: Auxiliary Revenue Bonds

MBE Participation: 0% Pre-Construction Services (See Requesting Institution Remarks)

10-C. **UNIVERSITY OF MARYLAND BALTIMORE** for
UNIVERSITY OF BALTIMORE (cont'd)
Learning Commons Basement Fit-Out for Baltimore Police Academy

Performance Security: 100% performance bond is required.

Requesting Institution Remarks: The solicitation was issued to the five (5) On-Call Construction Management contractors that had been awarded by the University of Maryland, College Park On Call Construction Management at Risk Services Contract, RFP 111876-W. This Item recommends award for pre-construction services only. As design progresses and information becomes available, the contractor will bid the construction package. If the University and the Contractor agree to a cost for the construction, the University will return to the Board with a recommendation to modify the contract to include the actual construction costs, which includes the CM's construction services fee. While there is no MBE participation in the pre-construction phase of this project, the overall MBE goal is 12%. Once trade packages are solicited for the construction phases of the project, the University will return to the Board requesting approval of the bid packages along with the MBE participation commitment.

Sustainability: Opportunities for environmentally sustainable materials and systems will be identified and explored throughout the design process and into construction by the construction manager, design team and the University. The HVAC system upgrades will be designed to increase system efficiency in an effort to achieve overall energy goals for the University.

EPICS No.: MAAMC24013

Contract Description: Provide all necessary supervision, labor, materials, equipment, tools, experience, and expertise to perform inspections, repairs and maintenance to various hangar doors and overhead roll up doors for the Maryland Aviation Administration (MAA) located at MTN Airport.

Award: National Door Services, Inc., Baltimore, MD
(Certified Small Business)

Contract Term: 09/12/2024 – 09/11/2027 (Three Years)

Amount: \$522,380.00

Procurement Method: Competitive Sealed Bidding *(Single Bid Received)*

Bid:

<i>Bidder</i>	<i>Amount</i>
National Door Services, Inc. Baltimore, MD	\$522,380.00

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Hiring Agreement Eligible: Yes

Incumbent: Same

Requesting Agency Remarks: The solicitation was advertised as a Small Business Reserve (SBR) Procurement on November 30, 2023, via eMaryland Marketplace Advantage notifying 64 potential contractors, the MAA website, and by way of direct solicitation to four prospective bidders. One bid was received on February 27, 2024.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
August 28, 2024

MDOT 2

1-M. MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

Historically, there has been limited competition for these services due to the specialized nature of work. MAA previously advertised Inspection, Repair and Maintenance of Hangar Doors at MTN in 2022, in which two bids came in over the estimated budget. Due to lack of interest in the project, the MAA removed the SBR designation via Addendum on December 11, 2023, directly solicited additional potential bidders, and extended the bid due date several times. MAA reached out to the previous bidders and potential bidders to inquire if the firms planned to bid or to request No-Bid Feedback notices. A prior bidder advised that after careful consideration they would not be bidding on the project; no other feedback was provided.

In an effort to determine if the single bid price is fair and reasonable, the Procurement Officer compared the single bid pricing to the 2017 awarded Hangar Door contract bid costs. The Procurement Officer discovered that the new labor rates are only averaging 5% higher than the 2017 bid, however the inspection and maintenance costs are 20% higher. This increase is consistent with the inspection and maintenance pricing received for the 2022 cancelled Hangar Door project. Based on the market and the specialized nature of maintaining the aging doors, the MAA considers the price fair and reasonable.

The MAA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE goals, as well as a Small Business Reserve designation. The procurement was designated Small Business Reserve however, the designation was removed to increase competition. While the Small Business Reserve designation was removed, National Door Services, Inc. is to a certified small business. No MBE / VSBE participation goals were established due to the project having a single element of work.

This contract includes a provision authorizing an extension for a reasonable, limited, and defined period of time to spend the funds remaining on the contract as provided in Board Advisory 1995-1.

Requesting Agency Remarks: These six consulting contracts encompass comprehensive preliminary and final design services associated with the preparation of construction contract plans and documents as directed by MDTA.

MDTA is requesting approval of this essential modification to ensure the continuation of services for existing assigned tasks, including design and preliminary engineering services for the construction of capital projects, as well as inspection, evaluation, and engineering studies for strategic efforts to maintain MDTA's assets. Additionally, the funding is needed for other critical ongoing tasks. Governor Moore signed an Executive Order on November 17, 2023, that authorizes Project Labor Agreements (PLA) for construction projects. The decision to require the use of a PLA is made on a project-by-project basis after a feasibility study is performed. At the time that this contract series was developed, the number of projects MDTA considered for a project labor agreement was small, determined on a case-by-case basis, and outside of the standard project development process. The Executive Order requires that a larger pool of projects consider use of a PLA, becoming a standard consideration in the development of construction projects. Studies performed to consider the use of and demonstrate the benefit of a PLA were not contemplated at the time of contract award and resulted in an increase in contract spend. New regulatory changes in environmental permitting, including resiliency reviews, have necessitated more extensive designs, reviews, and coordination for both new and existing construction projects. There have also been increased wage rates for architectural and engineering design services.

REVISED

2-AE-MOD. MARYLAND TRANSPORTATION AUTHORITY (cont'd)

Requesting Agency Remarks (cont'd):

Furthermore, there is a heightened focus on project communication for public outreach across various media platforms, leading to increased project development costs. MDTA has determined that the funding for the existing contracts will be depleted before the new contracts are procured, with an anticipated award date of 2025.

Per BPW Advisory 2001-1, the MDTA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goals. A 24% MBE and 1% VSBE goal was established for each contract. Whitney, Bailey, Cox & Magnani, LLC/Dewberry Engineers, Inc. (JV) are currently exceeding the goal to achieve participation compliance of 30.26%.

Rummel, Klepper & Kahl, LLP, Johnson, Mirmiran & Thompson, Inc, and Whitman, Requardt & Associates, LLP, and AECOM Design Services, Inc./Wallace, Montgomery & Associates, LLP, and WSP USA Inc./Prime A/E Group, Inc. are on target to reach the MBE goal with 17.39%, 20.09%,17.34%, 12.14%, and 12.92% compliance respectively.

Work to be conducted by the certified VSBE subcontractors has yet to be assigned and will occur later on each contract.

3-GM-MOD. MARYLAND TRANSIT ADMINISTRATION

General/Miscellaneous Contract

Contract ID: Commuter Bus Services; Multiple Contracts (*see Attachment 1*)
 Multiple Commuter Bus Contracts (*see Attachment 1*).

Contract Description: Bus company operations of Maryland Transit Administration's (MTA) commuter bus services for multiple routes.

Modification Description: These modifications reduce vehicle requirements and reduce the required performance bond amount of the current contracts.

Awards:

- Academy Express, LLC.; Hoboken, NJ
- Atlantic Coast Charters, Inc.; Linthicum, MD
- Dillon's Bus Service, Inc.; A Coach USA Company; Hanover, MD
- Eyre Bus Service, Inc.; Glenelg, MD
- Keller Transportation, Inc.; Waldorf, MD
- Gold Line, Inc.; Hyattsville, MD

Original Contract Terms: *See Attachment 1*

Modification Terms: 09/01/2024 – Contract Expiration Date, *See Attachment 1*

Original Contract Amounts: *See Attachment 1*

Modification Amounts: \$0

Prior Mods/Options: \$0

Revised Contract Total: *See Attachment 1*

Percent +/- Change: 0%

Overall Percent +/-: 0%

Original Procurement Method: Competitive Sealed Bids

REVISED

3-GM-MOD. MARYLAND TRANSIT ADMINISTRATION (cont'd)

MBE/VSBE Participation: See Attachment 2

MBE/VSBE Compliance: See Attachment 2

Requesting Agency Remarks: This modification requests approval for MTA to increase vehicle maturity from 7 to 10 years and increase the maximum odometer reading from 800,000 to 1,000,000 miles. MTA will continue to reserve the right to remove any motor coach from service if it does not meet MTA safety standards or DOT inspection requirements. The MTA also requests a reduction to the required performance bond to \$100,000 for each contract for the remaining term of the various contracts. The modification to the performance bond gives rise to a material change in the contract. (See Attachment 1).

Per BPW Advisory 2001-1, the MTA Procurement Review Group reviewed each contract scope of work to determine the potential for establishing MBE and VSBE participation goals, as well as a Small Business Reserve designation. The MBE subcontractors provide fuel to the Commuter Bus Contractors and as a commodity, the 60% rule is applied to each contract. Each of the vendors committed to meet the MBE goal for each contract subcontracting participation goal as provided in the IFB with the goal subject to the 60% rule (See attachment 2). The certified subcontractor hired by all Contractors lost its MBE certification in October 2022. MTA required all Contractors to submit updated MBE forms B and D with its new certified MBE provider.

The modification for these contracts will assist the Contractors with loss of revenue due to the reduction in services for each contract due to the state’s new Commuter Bus Plan, effective July 1, 2024.

EXECUTIVE MEMORANDUM

TO: EXECUTIVE SECRETARY JOHN GONTRUM
FROM: MDOT MTA OFFICE OF PROCUREMENT; ACTING DIRECTOR WILLIAM PARHAM
SUBJECT: NOTICE OF CORRECTION – 8/28/2024, BPW MEETING
DATE: OCTOBER 9, 2024

PURPOSE OF MEMORANDUM

To advise the BPW Staff of a correction to the referenced Action Agenda Item.

The basis for change: The correction is in an amount immaterial in relation to the total item amount and, the error is clearly clerical.

MTA is requesting to make a correction to the Maryland Department of Transportation action agenda item previously approved by the Board of Public Works. See the table below with the updated base contract total to match EPICS. All of these amendments were on the same agenda item.

MDOT Agenda 8/28/2024, Item 3-GM-MOD

ACTION AGENDA
 August 28, 2024

4-AE. STATE HIGHWAY ADMINISTRATION *(cont'd)*

DBE / VSBE Participation: 28% / 0%

Incumbents: Whitman Requardt & Associates LLP; McCormick Taylor, Inc.

Requesting Agency Remarks: On November 11, 2021, the solicitation was advertised in The Daily Record, SHA’s web page, and eMaryland Marketplace Advantage (eMMA). The advertisement was for two contracts for \$3 million each not to exceed \$6 million for Survey & Engineering Services, District 2 for SHA. A total of 946 firms were notified via eMMA. SHA received 17 expressions of interest and invited six firms to submit technical proposals. SHA used qualifications-based selection and found two consultants eligible for contract award. No protests were filed.

This survey and engineering services contract includes preparing geometric design, resurfacing design, capacity design, safety and spot improvement design, sidewalk design, drainage design, concept development studies, environmental and NEPA permitting, Right of Way plat preparation, and other design services as required by SHA. Survey and engineering will primarily be performed in SHA District 2, but some tasks may be requested in other areas of the state or for other MDOT modal administrations. The type and number of specific project assignments will depend upon the district’s needs during the life of the contract, but they are expected to include providing on-site staffing.

A 28% DBE participation goal was established for each contract within this award series based on the minimal number of DBE firms available to perform the work. No VSBE goal was established for this contract.

5-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: Brush and Tree Cutting and Stump Removal at Various Locations in Washington County - District 6; 4292161426
 EPICS No.: 4292161426

Contract Description: Provide brush and tree cutting and stump removal at various locations in Washington County (District 6).

Award: PLWMS DBA Patriot Natural Resources; Beallsville, MD
(Certified Small Business)

Contract Term: 09/12/2024* – 12/31/2026 *(*or earlier upon BPW approval)*
 (2 years, 3 months, 19 days)

Amount: \$610,335.00

Procurement Method: Competitive Sealed Bidding

Bids:

<i>Bidders</i>	<i>Amounts</i>
PLWMS DBA Patriot Natural Resources; Beallsville, MD	\$610,335.00
EZ Out Inc.; Cumberland, MD	\$717,780.00

Living Wage Eligible: Yes

MBE/VSBE Participation: 2% / 0%

Performance Security: None

Incumbent: Same

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage (eMMA) on March 26, 2024, notifying 405 potential contractors, 78 of which were MDOT-certified Minority Business Enterprises (MBEs). Three bids were received and opened on May 16, 2024.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
August 28, 2024

5-M. STATE HIGHWAY ADMINISTRATION *(cont'd)*

Requesting Agency Remarks *(cont'd)*:

The initial apparent low bidder's bid was deemed non-responsive at the time of bid because the firm that was submitted to fulfill the goal was not a certified MBE and as a result their bid was rejected. The State Highway Administration (SHA) moved forward with the second apparent low bidder. There were no protests filed for this contract.

This project is to support the SHA's Brush and Tree program to promote safety for the traveling public by controlling undesirable brush and trees; and maintaining adequate sight distances.

The SHA has confirmed PLWMS DBA Patriot Natural Resources bid price and the work conducted on this contract is performed 100% by a State-certified Small Business.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal as well as a Small Business Reserve designation. A 2% MBE goal has been set for this project based on the certified MBE firms available within the work area, who are certified to perform the work. No VSBE participation goal was set due to a lack of certified firms to perform these services.

6-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: Litter Pick-Up at Various Locations in Carroll County – District 7;4320671425SB
EPICS No.: 4320671425

Contract Description: Providing litter pick-up at various locations in Carroll County (District 7.)

Award: Waste Collection Reserve, LLC; Baltimore, MD
(Certified Small Business)

Contract Term: 09/12/2024* – 12/31/2025 (*or earlier upon BPW approval)
(1 years, 3 months, 19 days)

Amount: \$249,850.00

Procurement Method: Competitive Sealed Bidding (Single Responsive Bid)
(SBR-designated)

Bid:

<i>Bidder</i>	<i>Amount</i>
Waste Collection Reserve, LLC; Baltimore, MD	\$249,850.00

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: None

Incumbent: None

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage (eMMA) on March 26, 2024, notifying 470 potential contractors, 97 of which were MDOT-certified Minority Business Enterprises (MBEs). Maryland Works granted a one-Year Waiver. Three bids were received and opened on April 25, 2024. There were no protests filed for this contract.

The second and third bidders were deemed non-responsive at the time of bid because they did not acknowledge receipt of addendum number one, which revised the line item numbering, and this resulted in a single responsive bid.

REVISED

6-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

There was a total of six plan holders for this contract, three of which did not place a bid. SHA contacted the three plan holders and one stated that they did not place a bid due to prior commitments that would prevent them from submitting a competitive bid and the other two did not respond.

In previous years the SHA has performed this work using their own workforce. This contract will be used to supplement the litter pick-up operations in the Westminster Shop Area of Carroll County.

District 7 compared the single bid to similar projects in Carroll, Frederick and Howard County, which were used to establish the bid cost for this project. The single bid was found to be fair and reasonable.

The State Highway Administration has confirmed Waste Collection Resolve, LLC's bid price and the work conducted on this contract is performed 100% by a State-certified Small Business.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal as well as a Small Business Reserve designation. A 0% MBE goal was set for this project based on the minimal number of MBE firms available within the work area certified to perform the work. No VSBE participation goal was set due to a lack of certified firms to perform these services.

11-M-MOD. MARYLAND AVIATION ADMINISTRATION
RETROACTIVE Modification - Maintenance Contract

Contract ID: Installation and Maintenance of 800 MHz Radio Communication System at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) and Martin State (MTN) Airports; *MAA-MC-13-018*

EPICS No.: CO420709

Contract Approved: MDOT Agenda Item 8-M 03/19/2014

Contract Description: Provides maintenance of the BWI Thurgood Marshall and MTN State Airports digital trunked radio system. The system provides emergency communications for all first responders at the airports including fire, emergency medical services, airport police, security, operations, and other emergency response personnel during declared airport emergencies.

Modification Description: Part A: RETROACTIVE – Modification No. 2 provides for 62 days of retroactive services and funding in the amount of \$179,594.20 for maintenance provided to the BWI Thurgood Marshall and MTN State Airports digital trunked radio system. Maryland Aviation Administration (MAA) is requesting the Board of Public Works (BPW) to ratify payment of compensation to the awardee, Motorola Solutions, Inc. who provided services beyond the contract authority.

Part B: PROACTIVE - Continue to provide services for an additional 303 days and add funding in the amount of \$897,971.00, while MAA executes the new contract.

Contractor: Motorola Solutions, Inc.; Linthicum Heights, MD

Contract Term: 04/01/2014 - 03/31/2019 (five years)

Modification Term: **Part A:** 07/01/2024 – 08/31/2024 (**Retroactive: 62 days**)
Part B: 09/01/2024 – 06/30/2025 (Proactive: 303 days)

Original Amount: \$6,517,791.00

Modification Amount: **Part A:** \$ 179,594.20 (**Retroactive**)
Part B: \$ 897,971.00 (**Proactive**)
 \$1,077,565.20 (Total)

Prior Options/Mods: \$ 4,582,132.00 (Renewal Option No. 1: for a five-year term from 04/01/2019 - 03/31/2024; MDOT 2-M-OPT; 03/19/2019)

11-M-MOD. MARYLAND AVIATION ADMINISTRATION (cont'd)
Prior Options/Mods (cont'd):

\$ 0 (Mod No. 1: Contract extension for continuity of service, 04/01/2024 – 06/30/2024; Delegated Authority – MAA, 03/29/2024)

Total Contract Amount: \$12,177,488.20

Percent +/- Change (this item): 16.53%

Total Percent +/- Change: 86.83%

Procurement Method: Sole Source

Living Wage Eligible: No

MBE/VSBE Participation: 6.01% / 0%

MBE/VSBE Compliance: 2.38% / 0%

Performance Security: No

Hiring Agreement Eligible: No

Requesting Agency Remarks: MAA seeks approval of a retroactive contract modification to pay the awardee for services provided beyond contract authority. Additionally, MAA seeks approval of a proactive modification for a term of 303 days as outlined below.

MAA was in the process of completing a modification to contract MAA-MC-13-018, Installation and Maintenance of 800 MHz Radio Communication system at BWI Thurgood Marshall and MTN Airports when errors with the MBE Plan were discovered. Motorola Solutions, Inc. submitted a request to revise its MBE Participation Schedule. The contract expiration date was quickly approaching before the issues could be resolved; therefore, MAA extended the contract to avoid contract expiration while MAA worked on resolving the MBE errors.

Motorola Solutions, Inc., is continuing to provide crucial services to MAA, therefore, MAA is submitting this request to seek approval of this modification with both retroactive and proactive terms. The MAA has since approved Motorola Solutions, Inc. MBE Participation Schedule Amendment. Motorola Solutions, Inc. has committed to achieving the 6.01% goal with its new MBE Subcontractor during the modification period.

11-M-MOD. MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

MAA has provided guidance internally with staff on the importance of timely requests of contracts/modifications, and to only utilize a contract within the period of performance and spending authority. The pricing for this contract modification is \$1,077,565.20, which is a 7.98% increase from the last year of the renewal option exercised March 6, 2019. Therefore, MAA deems the price fair and reasonable.

The radio communications system is the only system that can ensure compatibility and direct interoperability of BWI Thurgood Marshall 800 MHz system with surrounding local jurisdictions. The system includes all required preventative maintenance, repairs, modifications, parts, upgrades, and labor as required to fully maintain this “mission critical” radio system. MAA leverages this Motorola System to meet security, public safety, life safety and federal requirements mandated by agencies such as the Transportation Security Administration, Federal Aviation Administration, and Customs and Border Patrol. This Motorola system supports airfield Fire Station functions, life safety alerting, emergency call taking and dispatching functions for Police, Fire, Emergency Medical Services and Airport Security

Retroactive approval is being requested pursuant to State Finance & Procurement Article §11-204(c). This contract should be treated as voidable, rather than void, because: 1) all parties have acted in good faith; 2) ratification of the procurement contract would not undermine the purposes of the procurement law; and 3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the procurement law.

5-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works to certify matching funds and enter into a grant agreement for the following grant:

The Board of Directors of Greater Baltimore Medical Center, Inc.

Greater Baltimore Medical Center (Baltimore County)

“to assist in the design, construction, renovation, and equipping of the renovation of the Wound Center, subject to the requirement that the grantee provide an equal and matching fund for this purpose. Notwithstanding Section 1(5) of this Act, the matching fund may consist of funds expended prior to the effective date of this Act.”

*Maryland Consolidated Capital Bond Loan of 2022 (MISC– Chapter 344, Acts of 2022)
DGS Item 22-G001, (SL-306-220-038) **\$ 600,000***

Matching Fund: The MCCBL requires the grant recipient to provide a matching fund no later than June 1, 2024, and the Board of Public Works to certify a matching fund Greater Baltimore Medical Center, Inc. has submitted documentation that has over \$600,000 in a financial institution to meet the matching requirement for this project.

Background:	Total Project	\$ 6,485,005
	22-G001 (This Action)	\$ 600,000 (Match)
	Local Cost	\$ 7,085,005

(Prior Actions: None)

Remarks:

1. This action is in accordance with the enabling legislation and complies with the tax- exempt bond provisions of the Internal Revenue Code.
2. The grant recipient shall consult with the Maryland Historical Trust pursuant to Sections 5A-325 to 328, State Finance and Procurement Article, Annotated Code of Maryland, and convey a perpetual preservation easement pursuant to the terms of the enabling legislation.
3. Procurement/Contracts should be submitted to the Department of General Services for eligibility determination.
4. The Office of Comptroller may not disburse State funds until after it verifies that the grant recipient has expended the matching fund and the required amount for reimbursement.
5. DGS is administratively correcting the project name and the grantee name, pursuant to Section 1 (9) of Senate Bill 361, Acts of 2024.
6. This project may include the renovation of the Wound Center of the Greater Baltimore Medical Center.

12-CGL. CAPITAL GRANTS AND LOANS
Department of Health

Recommendation: That the Board of Public Works approve a grant of \$304,383 to *Tuerk House, Inc. (TH)* (Baltimore City).

Project: The design and construction of a real property located at 307 N. Exeter Street, Baltimore, Maryland 21202.

Funding Source: The Maryland Department of Health has determined the grantee is responsible for providing 30% of the eligible project cost.

Total Project Cost	\$ 434,833	
State Share (70%)	\$ 304,383	MCCBL 2023, CB 28109-02
Grantee Share (30%)	\$ 130,450	Foundations

Remarks:

1. Grantee is a nonprofit organization.
2. Grantee provides community support services to individuals with psychiatric disorders and/or co-occurring substance abuse disorders and other disabilities and/or disadvantages.
3. In accordance with § 24-606(d) of the Health-General Article of the Annotated Code of Maryland, the Board's approval is further contingent upon the State's right of recovery being recorded among the Land Records of Baltimore City.
4. No State funds will be disbursed until the grantee has presented suitable evidence to the Office of Facilities Management and Development that it has expended the required matching funds.

**13-CGL. CAPITAL GRANTS AND LOANS
*Department of Health***

Recommendation: That the Board of Public Works approve the following for:

Family Health Centers of Baltimore, Inc. (Baltimore City)
631 Cherry Hill Road
Baltimore, MD 21225

“Release of the Right of Recovery dated April 11, 2019”

Background: Family Health Center of Baltimore, Inc. (“Grantee”) is a non-profit organization operating as a Federally Qualified Health Center (FQHC) in the Baltimore City area.

On April 3, 2019 (DGS Agenda Item 21-CGL), the Board of Public Works approved a grant of Seventy-Eight Thousand Six Hundred Thirty-Eight Dollars (\$78,638.00) for Grantee to assist in the costs of renovation of the property located at 631 Cherry Hill Road, Baltimore, MD (the “Property”).

In accordance with Maryland Code Ann. Health General Article §24-1301 et seq., on April 11, 2019, Grantee recorded a State's Right of Recovery (the “ROR”) in the amount of Seventy-Eight Thousand Six Hundred Thirty-Eight Dollars (\$78,638.00) among the Land Records of Baltimore City, in Book 21026, Page 405. The ROR is to expire on April 11, 2049.

In December of 2023 Grantee reported the closure of the Property. MDH determined that the closure resulted in the facility ceasing to be a FQHC under Maryland Code Ann. Health General Article §24-1301 et seq.

To facilitate the sale of Property, Grantee has requested a release of the Right of Recovery, contingent on Grantee’s repayment to the State Seventy-Eight Thousand Six Hundred Thirty-Eight Dollars (\$78,638.00).

Remarks:

1. Grantee was a nonprofit, federally qualified health center providing primary care services.
2. The release of the State’s Right of Recovery is contingent upon the repayment of the grant amount.

**19-S. SERVICES CONTRACT
*Department of Human Services, Social Services Administration***

Contract ID: Residential Child Care Services; SSA/RCCSS-25-002
ADPICS No.: N00B5600026

Contract Description: Residential Child Care (RCC) for four Group Home program beds to increase in-state residential capacity to mitigate the loss of group home beds.

Award: The T.I.M.E. Organization, Inc.; Baltimore, MD

Contract Term: 09/01/2024 - 06/30/2025

Amount: \$876,991

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Hiring Agreement Eligible: Yes

Incumbent: N/A

Requesting Agency Remarks: This Residential Child Care (RCC) Provider can clinically address the specialized needs of the youth. The Department utilizes RCC Programs for those children whose needs cannot be met in a family based foster care setting. Contracting with this provider will increase in-state residential capacity to ensure youth receive appropriate clinical services to prevent hospitalizations and provide services for youth currently in hotels and hospital overstays. The provider currently has one site, licensed for four beds. All four beds are being placed under contract. The last monitoring visit was March 29, 2024, and no deficiencies were found.

If the youth is discharged prior to the end of the contract term, there is no additional cost to the State as these are reimbursement contracts and providers are paid solely for the actual number of youths placed with them during each year, and then only for the actual number of days each child is actually placed with the provider.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024**

19-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Youth are monitored via monthly caseworker visits and case reviews to assess progress, readiness for discharge, and permanency goals. The provider's performance and compliance is also reviewed at the monthly Children's Check-In call, facilitated by the Maryland Department of Health (MDH) Office of Health Care Quality, which includes representatives from other state agencies. The youth's plan is reassessed by the Local Department of Social Services monthly for placement into stepped down care.

No MBE or VSBE participation goals were established for this contract since the specialized core services (psychiatric services/evaluations, case management, therapy, recreational therapeutic programs, educational services etc.) are available within the facility and require specialized training, certification, and clearances.

The proposed price for this contract is fair and reasonable because the price is set by the Interagency Rates Committee (IRC), using the same established methodology in price setting for all in-State providers.

22-S. SERVICES CONTRACT
Department of Public Safety and Correctional Services

Contract ID: Correctional Accreditation Audit Services; *SRV*FY24005
 ADPICS No.: Q00B5600001

Contract Description: Accreditation and re-accreditation audit services at all 18 facilities.

Award: American Correctional Association, Inc.; Alexandria, VA

Contract Term: 10/01/2024* - 09/30/2029 (*Or earlier upon BPW approval)

Amount: \$437,500

Procurement Method: Sole Source

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbent: Same

Requesting Agency Remarks: The American Correctional Association, Inc. (ACA) is the only accrediting body in the corrections industry. ACA collaborates with federal, state, and local correctional institutions nationwide, setting rigorous standards to elevate the quality of correctional facilities.

DPSCS currently has ten facilities accredited by the ACA. Accreditation through ACA benefits the State by ensuring adherence to operational and safety standards, limiting liability due to unsafe or hazardous conditions, reducing insurance premium costs, and insulating DPSCS from potentially costly litigation. DPSCS has determined that the price offered is fair and reasonable for the services based on historical pricing.

This contract is a consolidation of many small contracts that had been procured as small procurements at the facility level. The previous pricing structure varied based on the scope of each small procurement. The cost of the small procurements ranged from \$14,100 to \$16,200, depending on the facility and travel requirements for employees to attend the conference. ACA has streamlined pricing in the new contract to maintain consistency across facilities, Audits for all facilities will cost \$16,450 each.

23-S. SERVICES CONTRACT (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on April 19, 2024. A total of 15 potential contractors were directly solicited. Nine proposals were received and three were determined to be reasonably susceptible to being selected for an award. Six were deemed not reasonably susceptible of being selected for award because they did not have analytical, research, and reporting capabilities, and did not have experience collecting and analyzing Medicare and Medicaid claims, all-payer claims databases, and federal and state survey and administrative data. They also lacked experience implementing payment innovation models developed by the Centers for Medicare and Medicaid Innovation Center in states and supporting large-scale state health policy initiatives and did not have strong experience in the Maryland Total Cost of Care (TCOC) model. Mathematica, Inc. was determined to be most advantageous to the State as its proposal was both ranked highest technically and highest overall.

In evaluating the offeror's proposal related to the economic benefit to the State, consideration was given to awarding this contract to the firm that will have the most direct and indirect benefits to the State of Maryland's economy. The awardee has five members of their proposed project team residing in Maryland, who pay state and local income taxes. The subcontractors are headquartered in Maryland and purchase supplies, equipment, and services in the state.

AHEAD is a state-based total cost of care model that aims to improve access to healthcare, drive population health and health equity improvements, and curb healthcare costs for all payers (i.e. Medicare, Medicaid, and commercial insurers).

AHEAD is a Centers for Medicare and Medicaid Services (CMS) model whereby CMS collaborates with states to curb healthcare cost growth; improve population health; and advance health equity by reducing disparities in health outcomes. CMS will support participating states through various AHEAD Model components that aim to increase investment in primary care, provide financial stability for hospitals, and support beneficiary connection to community resources.

24-S. SERVICES CONTRACT (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on April 16, 2024. A total of 15 potential vendors were directly solicited. Five proposals were received and three were determined to be reasonably susceptible of being selected for award. Two were deemed not reasonably susceptible of being selected for award because they did not have a long-standing relationship with hospitals and did not demonstrate experience with the current Annual Filing Tool. Also, they did not have expertise in taking legacy systems and moving them into newer user-friendly tools. The recommended offeror hMetrix, LLC was determined to be most advantageous to the State as its proposal was both ranked highest technically and highest overall. hMetrix's proposal included superior analytical, research, and reporting capabilities, strong experience working with Maryland's Total Cost of Care model and other State models implementing hospital global budgets

In evaluating the offeror's proposal related to the economic benefit to the State, consideration was given to awarding this contract to the firm that will have the most direct and indirect benefits to the economy. The awardee's subcontractor partnerships will provide direct and indirect services for this contract are located in Maryland.

**26-S. SERVICES CONTRACT
*RETROACTIVE - Department of Human Services, Social Services Administration***

Contract ID: Out-of-State Residential Childcare Services; *SSA/OOS-24-014*
ADPICS No.: N00B5600072

Contract Description: *RETROACTIVE* approval for placement of one youth and to add four additional beds.

Award: Riverview Behavioral LLC; Texarkana, AR

Contract Term: 06/01/2024 - 08/28/2024 (**Retroactive**)
08/29/2024 - 05/30/2026 (Proactive)

Amount: \$ 374,000 (**Retroactive**)
\$2,728,500 (Proactive)
\$3,102,500 Total

Procurement Method: Sole Source

MBE/VSBE Participation: 0% / 0%

Incumbent: N/A

Requesting Agency Remarks: This contract is retroactive because the DHS Social Services Administration's Contracts and Performance Monitoring Team, which is to be notified so that a contract can be put into place, was notified of the placement of the first youth, at Riverview Behavioral Health, LLC, on June 1, 2024, prior to the development and submission of this contract to BPW for approval. DHS determined that it was in the clinical best interest of the youth to place them with this provider. Three additional youths are pending placement with this provider.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024**

26-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

The Baltimore City Department of Social Services determined that Riverview Behavioral Health, LLC is the most appropriate placement as they provide a comprehensive continuum of psychiatric and behavioral health treatment services for adolescents ages 13-17 at a subacute level. It is in the best interest of the State to approve this contract as it will enable DHS to continue to deliver the support and services to the youth that we serve. DHS recognizes that retroactive procurements are not desirable. Approval of this contract will enable DHS to continue providing vital services to the youth we serve.

The youth is currently stable as this out-of-state provider can clinically address their specialized needs. When clinically appropriate, the youth will transition to a less restrictive placement. The Provider's performance and compliance is reviewed by the State of Arkansas and SSA Contract and Placement Units. The last monitoring visit for this provider was conducted on January 19, 2024. A virtual visit was scheduled for July 10, 2024, and the next scheduled in person visit was scheduled for August 26, 2024.

No MBE or VSBE participation goals were not established for this contract since the specialized core services (psychiatric services/evaluations, case management, therapy, recreational therapeutic programs, educational services etc.) are available within the facility and require specialized training, certification, and clearances.

The Maryland State Department of Education (MSDE) is the State Agency responsible for setting rates for facilities that serve Maryland youth which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services (DSE/EIS), Nonpublic Special Education Section provides oversight for this work.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with Procurement Law.

Requesting Agency Remarks: The Department of General Services tracks the energy consumption and cost for all utility accounts. Launched in 2008, the State Energy Database is a comprehensive large-scale utility management system, the database provides access, accountability, and utility metrics for 52 State entities including all Executive Agencies and the University System of Maryland.

The State Energy Database supports a variety of programs including energy efficiency initiatives, Energy Performance Contracts, energy reduction reporting, deregulated energy procurement, energy planning, and utility bill analysis.

The database serves a critical function in the State's compliance on energy efficiency in State buildings and Maryland's commitment to the Department of Energy's Better Buildings Challenge and Better Climate Challenge. It is used to confirm data with agencies, create baselines of usage, track progress towards the goals, and develop reports.

The program is finalizing the RFP for the replacement contract with an updated scope of work. The new procurement is on schedule to be completed by the end of the requested extension.

MBE/VSBE Participation: 0% / 0% (See remarks)

MBE/VSBE Compliance: Determined by Task Order

Performance Security: No

Requesting Agency Remarks: Since these master contracts began, there has been a steady and consistent increase in usage by all State Agencies, local governments and municipalities, and Maryland non-profit organizations. The audit services master contractors have provided services as anticipated under the contract for an entire agency, a specific program, or other component of an agency, or a contract being performed for an agency or component program. Therefore, it is in the best interest of the State to continue to utilize these services that allow State agencies to obtain the performance of an audit in order to correct any identified deficiencies and otherwise incorporate recommendations for improvement in the performance of an agency, program, or contract.

A 30% MBE goal and a 5% VSBE participation goal were established for the master contract, of which each master contractor committed to meeting the goals established at the task order level. Each task order request for proposal is reviewed by DGS for MBE and VSBE participation based on the scope of work.

30-S-MOD. SERVICES MODIFICATION (cont'd)

Performance Security: No

Hiring Agreement Eligible: Yes

Requesting Agency Remarks: Mercy Healthcare Resources, Inc. currently has one youth who was placed via an emergency procurement (SEC-A1, 04/19/2023). A Sole Source contract, (DGS-18-S, 09/06/2023) was then made to provide continuity of care of the child beginning October 1, 2024.

The youth currently placed, continues to require services to address their developmental disabilities. The youth is currently stable in this placement. Based on the current clinical plan, it is likely that this youth will remain with this provider until they age out of the child welfare system and transition to services provided by the Maryland Department of Health Developmental Disabilities Administration. The provider can meet the specialized needs of the youth as they transition to adulthood and after.

The Department is requesting to add five beds at three new locations:

1. 9111 Thistledown Rd, Apt. 190 Owings Mills, MD 21117, 2 Beds;
2. 9222 Appleford Cir. Apt 214, Owings Mills, MD 21117, 2 Beds; and
3. 9402 Owings Heights Cir., Apt 102, Owings Mills, MD 21117, 1 Bed.

The last monitoring visit was completed on June 5, 2024, and no deficiencies were found.

If the youth are discharged prior to the end of the contract term, there is no additional cost to the State as these are reimbursement contracts and providers are paid solely for the actual number of youths placed with them during each year, and then only for the actual number of days each child is actually placed with the provider.

Youth are monitored via monthly caseworker visits and case reviews to assess progress, readiness for discharge, and permanency goals. The provider's performance and compliance are reviewed at the monthly Children's Check-In call, facilitated by the Maryland Department of Health (MDH) Office of Health Care Quality, which includes representatives from other state agencies. The youth's plan is reassessed by the local department of social services monthly for placement into stepped down care.

30-S-MOD. SERVICES MODIFICATION (cont'd)

Agency Remarks (cont'd):

No MBE or VSBE participation goals were established for this contract since the specialized core services (psychiatric services/evaluations, case management, therapy, recreational therapeutic programs, educational services etc.) are available within the facility and require specialized training, certification, and clearances.

The proposed price for this contract is fair and reasonable because the price is set by the Maryland State Department of Health, Developmental Disabilities Administration, using the same established methodology in price setting for all In-State providers.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024

31-S-MOD. SERVICES MODIFICATION (cont'd)

Performance Security: No

Requesting Agency Remarks: Maryland joined RGGI as a member state on April 20, 2007, as required by the Maryland Healthy Air Act of 2006. RGGI is a market-based CO₂ cap and trade program designed to reduce CO₂ emissions from fossil fuel-fired power plants. The regulatory program was implemented by the participating states in January 2009, using a regional auction of CO₂ allowances. The regional auction is supported by an emissions and allowances tracking system and verified through an independent market monitoring system. A multi-state regional auction allows states to use a successful common auction platform and tracking system and allows for the administration of a uniform offsets program. Presently RGGI consists of eleven Northeast and Mid-Atlantic States: Connecticut, Delaware, Maine, Maryland, Massachusetts, New Hampshire, New Jersey, New York, Rhode Island, Vermont, and Virginia.

RGGI, Inc. is a non-profit, non-stock corporation that provides technical, scientific, and auction support services to the RGGI states in the development and implementation of the multi-state cap and trade, greenhouse gas control program. RGGI, Inc. subcontracts for several specific services: auction platform design and implementation; emissions and allowance tracking system; auction verification and market monitoring; and offset system development. Each RGGI state is responsible for its share of RGGI Inc.'s expenses based on the percentage of that state's annual allocation from the regional CO₂ allowance cap. Maryland is responsible for funding approximately 15% of RGGI, Inc.'s annual budget, including operating expenses and support of vendor contracts. Most states, including Maryland, will use auction revenue to pay for its share of RGGI, Inc. expenses.

Currently, the Pennsylvania court system prohibits the Pennsylvania Department of Environmental Protection from participating in the program. Pennsylvania would have the largest allowance in the allocation of funds from the regional CO₂ allowance cap. Additionally, Virginia has ongoing litigation and currently is not participating in the program. MDE has completed a significant amount of electrical sector (IPM) modeling as well. These factors have contributed to increased costs that MDE has had to absorb.

MDE will continue to complete IPM modeling and complete the program review which will decrease the modeling costs on the future contract.

A replacement procurement for this contract is currently underway.

There is no MBE or VSBE participation established for this contract because MDE does not have discretion over the subcontractors that Regional Greenhouse Gas Initiative, Inc utilizes for the nine Northeast and Mid-Atlantic States cooperatives.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024

32-S-MOD. SERVICES MODIFICATION (cont'd)

Hiring Agreement Eligible: Yes

Requesting Agency Remarks: During the procurement process for the replacement contract, multiple protests were received regarding the specifications. As a result, MVA extended the procurement several times to allow time to respond to the protests and to complete the procurement. Although an appeal has been filed with the Board of Contract Appeals, MVA anticipates the new contract will be in place and presented to the BPW within the term of this modification. MVA will terminate this extension for convenience after the award of the new replacement contract and the transition period.

Since 1984, the VEIP contract has been a cornerstone program for Maryland's air quality efforts and has been very effective in advancing the state's significant progress towards achieving its air quality goals. VEIP identifies and ensures that vehicles emitting excessive levels of pollutants are repaired. Pursuant to Maryland Transportation Article 23-202, an emissions control program shall be established in the State in accordance with the Federal Clean Air Act. Furthermore, 23-202 through 23-404 of the Maryland Transportation Article stipulates the emissions control program requirements, which includes testing requirements on vehicles that must be tested and the testing frequency.

During the pandemic, VEIP stations were closed and used for COVID testing centers for several months following March 2020, which had a negative impact on MBE participation. Envirotest Corporation has worked closely with MVA to continue the efforts outlined in their Corrective Action Plan. These efforts include aggressively recruiting and increasing technician staffing with expanded weekend and evening coverage utilizing MBE firms. Since the previous extension began, in September of 2022, Envirotest Corporation has been paid \$17.4 million and has paid MBE subcontractors \$7.7 million, or 44%, increasing their overall compliance by 1.503%.

**33-IT. INFORMATION TECHNOLOGY
*Department of Education***

Contract ID: Microsoft 365 Licenses; *FY25-OIT-002*
ADPICS No.: R00B4600190

Contract Description: Microsoft 365 Licenses.

Award: Bell Techlogix; Indianapolis, IN

Contract Term: 09/01/2024 - 08/31/2025

Amount: \$234,852.45

Procurement Method: Intergovernmental Cooperative Purchasing Agreements (ICPA)
(Maryland Education Enterprise Consortium, 12477)

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbent: Same

Requesting Agency Remarks: The Maryland State Department of Education (MSDE) seeks approval to renew its Microsoft Office Product licenses through the Maryland Educational Enterprise Consortium (MEEC) contract, facilitated by an Intergovernmental Cooperative Purchasing Agreement (ICPA). The MEEC Consortium, in collaboration with the University of Maryland, was competitively bid and enabled MSDE to secure educational pricing at a highly competitive rate. MSDE explored the possibility of using the DoIT master contract with Microsoft and found that the products on the contract cater to governmental users, not educational users.

MSDE has been using Bell Techlogix to purchase the Microsoft 365 licenses since approximately 2017. MSDE compared the price quotes from 2019 to 2023 and the prices for each line item remain consistent as in the previous year.

MBE and VSBE participation was not established for this contract because there were no subcontracting opportunities.

34-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION
RETROACTIVE - Maryland Transportation Authority

Contract ID: Electronic Toll Collection System (ETC 3G) Customer Service Center Services; MA-2868-0000

ADPICS No.: COK48774

Contract Approved: DoIT-7-IT, 02/21/2018

Contract Description: Second of two Contracts for the replacement of the MDTA's existing Next Generation Toll Collection Contract. This Contract is the Third Generation Electronic Toll Collection for the Customer Service Center Services. The Contractor provides customer services related to electronic toll collection including call center, web site, mobile application, account management, video tolling systems, toll enforcement, mail and print services, email and text communications, communications services, transponder management, inter-agency reciprocity, financial and audit systems, and disaster recovery.

Modification Description: **RETROACTIVE** approval to increase the Operation & Maintenance (O&M) line items for years 3 and 4 in the amount of \$5,200,000 due to the conversion from cash to All Electronic Tolling (AET), an error in Pre-registered Account (E-ZPass) quantities in the Request for Proposal (RFP), and additional customer communication and services. Also proactively add \$45,182,892.19 and return \$1,223,624 in unused funds from Mod, #1.

Award: TransCore LP.; Nashville, TN

Original Contract Term: 02/22/2018 - 07/29/2027*
(*Inclusive of Transition, Acceptance testing, and Base term phases)

Modification Term: 03/01/2024 - 08/28/2024 (**Retroactive**)

\$ 44,317,717.58 (Mod. #2: Additional time for the transition and acceptance testing phases which also requires an extension due to transition delays. Also increase funding to operations and maintenance line items due to the deletion of cash operations, the move to All Electronic Tolling (AET), and the transition of backlog transactions due to transition delays. DGS-36-IT-MOD, 07/05/2023)

Total Contract Amount: \$357,012,569.56

Percent +/- (This Item): 24.53%

Total Percent Change: 78.12%

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 15.5% / 1%

MBE/VSBE Compliance: 10.41% / 0.31%

Performance Security:

- Initial Performance Bond 100% of value of two construction phases:
- Phase I–Design, Manufacturing, Factory Acceptance Test; and
- Phase II–Installation, Testing, Transition, Acceptance.
- Payment Bonds are 50% of the value of each phase described..

Hiring Agreement Eligible: Yes

Requesting Agency Remarks: This retroactive modification is due to the magnitude of changes to the RFP which could not be completed before March 1, 2024, which was the start of O&M years 3 and 4. With the reality of the additional time required to incorporate all contract requirement changes and running out of funding on the line items, it was decided that it was in the State's best interest to complete two modifications. This modification addresses the urgent need of additional funding, and three contract requirements changes to protect the State's interests that include increasing the Performance bond, amending the punch list timeframe, and amending the data storage requirements from one year to four years.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024**

34-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Agency Remarks (cont'd):

The work under this contract is being handled as “phases”, the MBE and VSBE participation cannot yet be met as the portion of the work that the subcontractors would be utilized has not yet occurred or is incomplete.

The Maryland Transportation Authority (MDTA) is an independent State agency that acts on behalf of the Maryland Department of Transportation (MDOT). The MDTA is responsible for financing, construction, operating, and maintaining Maryland’s toll facilities. It also provides MDOT with conduit financing for other revenue producing transportation projects.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with Procurement Law.

37-M-OPT. MAINTENANCE OPTION (cont'd)

MBE/VSBE Participation: 25% (Subgoal: 8% African-American) / 5%

MBE/VSBE Compliance: 11.333% / 5%

Requesting Agency Remarks: The Maryland Military Department is satisfied with the contractor's performance in providing armed uniformed guard services at three of its installations and wishes to exercise the first final renewal option. The vendor met its VSBE goal through self-performance and submitted a corrective action plan to restore compliance with its MBE goal. The contractor is certified in both the MBE and VSBE programs. They met the 5% VSBE goal through self performance. The contractor has not achieved its MBE participation due to their MBE subcontractor discontinuing services on the contract, and the prime contractor has not been able to replace them. The corrective action plan is to achieve MBE compliance by continuing the search for a replacement subcontractor, and counting a portion of their performance as a self-performing MBE prime. DGS has determined that it is in the best interests of the State to exercise this renewal option.

**39-EX. EXPEDITED PROCUREMENT REQUEST
*Department of Labor***

Recommendation: Approval to use the Expedited Procurement method as per the Code of Maryland Regulations (COMAR) 21.05.06.03.

Description: The Maryland Department of Labor (LABOR), Division of Unemployment Insurance (UI), is undergoing a multi-phased, multi-project telecommunications upgrade. The goal is to procure a state-of-the-art Commercial-Off-The-Shelf (COTS) application, delivered as either premises based or Software as a Service (SaaS), omni-channel contact center solution including, but not limited to, IVR, agent desktop, (ACD), virtual assistant, knowledge base, workforce optimization, quality management, voice and agent desktop recording, transcription, and analytics. The modern contact center solution has been given the name LABOR Omni-channel Contact Center System (LOCCS). LOCCS will be the voice, email, chat, and web form interaction repository for all of LABOR/UI.

On September 20, 2023, a contract was presented before the Board of Public Works and awarded to the selected vendor. Shortly after, the vendor indicated that they could not meet the requirements of the contract and scope of work, including the assigned MBE goal.

The State of Maryland currently has an Intergovernmental Cooperative Purchasing Agreement in place, which was considered, but due to the cost of this project, the vendor cannot accommodate the magnitude of this project.

LABOR decided that conducting an Expedited Procurement for this vital service was in the best interest of the State.

On April 15, 2020, LABOR entered into a contract with Accenture for its call center capabilities and services to support the UI. This contract is set to expire in December 2024. Throughout the duration of the contract, the UI experienced a buildup of claimant issues due to inexperienced contractors handling claimant inquiries, leading to substantial delays in resolving claims and making payments. Furthermore, the costly contract had significantly impacted UI's bottom line. In State Fiscal Year 2024 UI expended \$35 million for services from Accenture.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024

39-EX. EXPEDITED PROCUREMENT REQUEST (cont'd)

For the program's benefit and to improve service for the people of Maryland, LABOR will transition these services to experienced in-house UI merit staff using LOCCS. With the purchase of the system (\$6 million for the first year) and the hiring of additional staff (\$5 million), LABOR expects to save over \$20 million annually. This cost-saving measure significantly reduces expenses and enables UI to provide high-quality service to the people of Maryland.

With the LOCCS procurement, Labor will have a new telecommunication/video system and will no longer use Accenture contractual staff to manage communications with unemployment assistance.

The LOCCS system will enable experienced state staff to promptly respond to claimants' inquiries, assist with filing claims, and explain and address complex unemployment issues that contractual staff are unable to handle. Currently, it takes several days for claimants to contact experienced unemployment staff. However, with LOCCS, claimants' inquiries will be addressed immediately.

The LOCCS telecommunication/video system and the in-house call center will enhance the program's quality. This will lead to more accurate claim filing, faster claim processing, reduced claim issues, and fewer repeat callers. Additionally, claimants will experience shorter wait times when seeking answers.

The in-house LOCCS system will allow UI to monitor real-time calls for quality assurance. This will improve customer service and provide UI with real-time data tracking through reports and dashboards, which will enhance our training and customer service.

Pursuant to Maryland State Finance & Procurement Article (SFP) § 13-108 (d)(1), LABOR's Procurement Officer with approval of the Agency Head has determined that this procurement should be expedited because: (1) urgent circumstances require prompt action; (2) an expedited procurement best serves the public interest; and (3) the need for the expedited procurement outweighs the benefits of making the procurement on the basis of competitive sealed bids or competitive sealed proposals. However, the procurement officer shall attempt to obtain as much competition as reasonably possible per SFP § 13- 108 (d)(2).

**40-LT-MOD. TENANT LEASE MODIFICATION
*Department of Health***

Recommendation: Approval is requested for a change order for audio visual and security design services

Landlord: Green Street Ventures, LLC., PO Box 196, Stevenson, MD 21153

Prior Board Actions: DGS 46-LT, 11/16/2022

Property Location: 300 - 400 N Greene St, Baltimore, MD 21290

Space Type: Office (463,000 sq. ft.)

Lease Type: Amendment

Change Order For Audio/Visual: \$86,450

Fund Source: 100% General Funds

Appropriation Code: 0873 / PCA A224S

Procurement Method: Competitive Sealed Proposals See COMAR 21.05.03; DGS Space Mgmt Manual ¶ 6-605 D

Remarks: DGS has coordinated with the landlord for a change order for audio visual and security design services to be provided through a proposal from Design Collective Inc. (DCI) for subconsultant work by Convergent Technologies Design Group. DCI is the landlord's selected architect preparing the construction drawings for the building. DCI obtained three quotes of which Convergent was the lowest of the three. The scope of work includes design and documentation for audio and visual systems for conference rooms including camera, video conferencing and audio systems, documentation, and coordination with the DGS team for security device locations (cameras card readers), and the coordination of construction activities for the low voltage, security and audio-visual systems with the tenant fit out. The change order will be issued to the landlord, Greene Street Ventures, LLC who has hired DCI for this work.

**41-S. SERVICES CONTRACT
*Department of Transportation***

Contract ID: Governor's Minority and Small Business Outreach Summit; *MDTODE2501*
ADPICS No.: J01B5600011

Contract Description: Facility in Central Maryland to conduct the 2024 Governor's Minority and Small Business Outreach Summit.

Award: Baltimore Hotel Corporation D/B/A Hilton Baltimore Inner Harbor,
Baltimore, MD

Contract Term: 11/18/2024 - 11/19/2024

Amount: \$221,067

Procurement Method: Sole Source

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbent: N/A

Requesting Agency Remarks: Venue to provide conference space and food/beverage services for a minimum of 850 attendees. The Department of Budget and Management's (DBM) Statewide Travel Management Services contract number 050B0600001 with Globetrotter Travel Management Services, Inc., was utilized to conduct research that would assist in securing a venue based on the technical requirements.

It was determined that four of the eight venues considered did not have the capacity to meet the participants requirement due to the growing interest of the outreach event. The Hilton Baltimore Inner Harbor (Hilton), located in Baltimore City, is the sole venue of the four remaining facilities that had date availability and met all technical requirements including venue access on the day preceding the event to successfully facilitate the summit.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
August 28, 2024**

SUPPLEMENTAL

41-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

The price has been determined to be fair and reasonable when comparing the cost of each of the three potential venues is 63.61% less, but the event has outgrown the available space and there would be significant cost and risk to the State associated with trying to create temporary space at the venue. The Gaylord National Resort in comparison is 29.67% less, however it offers 23.53% less meeting space which impacts the cost and offers only one date in the 2024 calendar year, which would cause scheduling conflicts for key guests. Lastly, the Baltimore Marriott Waterfront is 12.07% more and doesn't have sufficient space for breakout meeting rooms which was a primary consideration for the event. Given space and date availability, the Hilton is the only viable option.

MBE and VSBE participation were not established for this contract because there were no subcontracting opportunities. However, other associated State contracts will be utilized to provide support in the planning, management and facilitation of the Summit, resulting in MBE participation for the Summit overall.
