**1. DEPARTMENT OF AGRICULTURE
*Maryland Agricultural Cost-Share Program- Additional Funding***

Recommendation: That the Board of Public Works approve granting additional general obligation bond proceeds to one individual grant under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$1,205.50

Fund Source: MCCBL of 2018: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 18274

County	Recipient	Agreement #	Amount
Talbot	Lombardy 1669, LLC	CH-2022-2145	\$1,205.50

Remarks: The Maryland Department of Agriculture has determined that this project is eligible for cost-share funds. The project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

Additional funds are requested for this project to offset additional costs realized at the completion of the project. These additional costs are a result of design changes required based on site conditions encountered during construction.

3. **BOARD OF PUBLIC WORKS**
Wetlands Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board grant licenses for projects involving filling and dredging in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

22-0170 *RICHARD M. PETITBON*– To improve navigable access by mechanical dredging a new area, transporting dredge material to a disposal site, and providing for periodic maintenance dredging for six years.

Annapolis, Fishing Creek

Special conditions: Time of year restrictions. Requirements for dredge material transport and disposal, maintenance dredging, post dredge bathymetric survey, and notifying oyster leaseholder. Restrictions on anchoring construction vessels, barges, and other construction related equipment.

23-0648 *KEITH POLIZOIS* – To reduce shoreline erosion by replenishing a historical beach area with sand fill and installing a groin.

Severna Park, Magothy River

Special conditions: Time of year restriction. Requirements for downloading the USACE Maryland State Programmatic General Permit (MDSPGP) Category A permit and constructing beach nourishment area.

BALTIMORE CITY

23-0471 *CITY OF BALTIMORE* – To remove contaminated sediment and restore natural bathymetry by mechanically dredging an area, transporting dredge material to a disposal site, replacing excavated area with clean fill, and installing temporary marsh mats and a temporary diversion dam.

Baltimore, Middle Branch Patapsco River

Special conditions: Requirements for dredge material transport and disposal, staking dredged area, filling project area, post dredge bathymetric survey, project design and construction, site monitoring and report, and removing the dam. Restrictions on water filling of aquadam.

4. **BOARD OF PUBLIC WORKS**
Wetlands License -- #23-0577 – Karen S. Besson
Mitigation

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license to construct a stone revetment, and
2. Require mitigation in the amount of \$1,004.48 for impacts to shallow water habitat resulting from the revetment.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- Application received April 26, 2023
- Public comment period ended December 1, 2023
- MDE Report and Recommendation December 18, 2023

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: Constructing a stone revetment will result in permanent impacts to 584 square feet of shallow water habitat. MDE recommends that the licensee mitigate for the 584 square feet of impact to shallow water habitat at a 1:1 ratio (COMAR 23.02.04.11.B) by paying \$1,004.48 into the MDE Tidal Wetlands Compensation Fund.

$$584 \text{ feet} \times \$1.72 \text{ per square foot}^* = \$1,004.48$$

* Based on \$75,000/acre mitigation cost

ANNE ARUNDEL COUNTY

23-0577 *KAREN S. BESSON* – To reduce shoreline erosion by constructing a stone revetment.

Annapolis, Chesapeake Bay

Special conditions: Time of year restriction. Requirements for design and construction of revetment, and payment into Tidal Wetland Compensation Fund. Restrictions on use of asphalt rubble in revetment.

5. BOARD OF PUBLIC WORKS

Wetlands License -- #21-0761 – Moorings on the Magothy Condominium Council, Inc. Mitigation

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license to replace a pier, construct stone armor, replace a bulkhead, nourish a beach with sand fill, and
2. Require mitigation in the amount of \$756.80 for impacts to open water resulting from the stone armoring.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- Application received June 7, 2021
- Public comment period ended March 15, 2023
- MDE Report and Recommendation October 24, 2023

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: Constructing stone armor will result in permanent impacts to 440 square feet of open water. MDE recommends that the licensee mitigate for the 440 square feet of impact to open water at a 1:1 ratio (COMAR 23.02.04.11.B) by paying \$756.80 into the MDE Tidal Wetlands Compensation Fund.

$$440 \text{ feet} \times \$1.72 \text{ per square foot}^* = \$756.80$$

* Based on \$75,000/acre mitigation cost

ANNE ARUNDEL COUNTY

23-0577 *MOORINGS ON THE MAGOTHY CONDOMINIUM COUNCIL INC. – To reduce shoreline erosion, nourish a beach, and improve navigable access by replacing a pier with a swim platform and mooring piles, constructing stone armor, replacing a bulkhead, and nourishing a beach with sand fill.*

Arnold, Magothy River

Special conditions: Time of year restriction. Requirements for installing a silt fence, turbidity curtain, constructing beach nourishment area, construction of bulkhead prior to filling, design and construction of revetment, and payment into Tidal Wetland Compensation Fund. Restrictions on use of asphalt rubble in revetment.

6. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Recommendation: The Department of Housing and Community Development recommends that the Board of Public Works approve the Business Façade Improvement Program awards for Fiscal Year 2024. The Business Façade Improvement Program award total is \$1.5 million in general obligation bond proceeds.

Authority: Maryland Consolidated Capital Bond Loan (MCCBL) 2023, Chapter 102, SA24 (A)

Amount: \$1,500,000 (\$1.5 Million Bond Funds)

Fund Source: MCCBL 2023

Background: The Business Façade Improvement Program provides funding for capital costs related to the improvement of exterior facades for business buildings and facilities. The local government will apply to capitalize a grants fund and develop an application process for businesses to improve their building facades. Project should capitalize on the strengths of a community while addressing its challenges to revitalization and should help to achieve a local government’s Sustainable Communities Action Plan.

Awards:

	County	Organization Name	Project Name	Project Description	Capital Award Amount
1	Allegany	Cumberland, Mayor and City Council of	Mid-town Façade Grant Program	Implementation of a commercial façade improvement program for the mid-town commercial district.	\$50,000
2	Anne Arundel	Anne Arundel County, Maryland	Anne Arundel County Facade Improvement Program	Facade improvement programs in multiple Sustainable Communities located in Anne Arundel County.	\$150,000
3	Baltimore	Baltimore County Department of Planning	Liberty Road Facade Program	Implement facade improvements for businesses in Sustainable Communities in Baltimore County.	\$430,000

7. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT

Recommendation: That the Board of Public Works approve the establishment of an easement in favor of the adjoining property owner to construct and maintain a fence upon and across the Easement Area, which fence shall/shall not exceed 8 feet in height. The Easement area has a restricted width of 2 feet.

Loan Authority: Sections 4-401 *et seq.* of the Housing and Community Development Article of the Annotated Code of Maryland, as amended, and the regulations promulgated for the Multifamily Bond Program at COMAR Chapter 05.05.02

Project Addresses: 820 Motter Avenue, Frederick, MD 21701

Disposition Authority: Section 10-305, State Finance and Procurement Article, Annotated Code of Maryland

Consideration: \$0

Loan Amounts:

RHW Loan

Principle Loan Balance: \$2,500,000

Current Loan Balance: \$2,423,523

RHP Loan

Principle Loan Balance: \$806,680

Current Loan Balance: \$806,680

Remarks: On April 1, 2019, the Community Development Administration, (“CDA”), a unit of the Division of Development Finance of the Department of Housing and Community Development, a principal department of the State of Maryland (“DHCD”), provided the loans described above to Sharpe Square Pax Buckeye, LLC to assist in the acquisition and rehabilitation of Sharpe Square Apartment, a 86 unit affordable housing project in Frederick County.

The easement will be a perpetual easement to be established, upon, over and across that portion of Sharpe Square property for the purpose of constructing a privacy fence between the Sharpe Square Property and an adjacent property.

The easement will have no material impact on the value or use of the Project and the site work required for the easement will be paid for by the neighboring landowner, not from Project assets.

A1. MARYLAND DEPARTMENT OF HEALTH
Clifton T. Perkins Hospital Center

Contract Title: Clifton T. Perkins Hospital Center Heat Repair
OCMP #: 24-22233 / ADPICS: M00B4600515

Contract Type: Maintenance

Contract Description: Repair diagnosis and procurement of temporary support to ensure continued operation of the heating system for the Clifton T. Perkins Hospital Center

Modification Description: Procurement and installation of a temporary boiler to support the continued operation of the heating system for Clifton T. Perkins Hospital Center, including extension of emergency contract term.

Procurement Method: Emergency

Bids: Warwick Supply & Equipment T/A Warwick Construction, Hunt Valley, MD (Certified MBE)

Award: Warwick Supply & Equipment T/A Warwick Construction (Certified MBE) (*Single Responsive Bid*)

Original Contract Amount: \$ 554,000

Modification Amount: \$5,126,400

Revised Contract Amount: \$5,680,400

Original Contract Term: 12/01/2023 – 02/28/2024

Modification Term: 12/01/2023 – 09/30/2024

Date Emergency Declared: 11/30/2023

Contract Award Date: 12/01/2023

Modification Award Date: 12/20/2023

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA

January 17, 2024

APP 2

A1. MARYLAND DEPARTMENT OF HEALTH (cont'd)

Date Emergency Reported: 12/15/2023

Date Modification Reported: 12/21/2023

MBE / VSBE Participation: 100% / 0% (Awardee is a Maryland-Certified MBE)

Fund Source: 100% General

Appropriation Code: 320101002223

Remarks: Nature of Emergency (original emergency contract): On November 30, 2023, the Clifton T. Perkins Hospital Center (CTPHC) experienced a severe heating failure affecting multiple units across the hospital. Diagnosis of the needed repairs was beyond MDH's capabilities. CTPHC is the State's only maximum security forensic psychiatric hospital which has a capacity of 289 patients and currently maintains a waitlist. The MDH Healthcare System adult psychiatric facilities operate 1,056 beds at or near full capacity - patients from CTPHC can only be transferred to other MDH facilities subject to availability of beds and clinical stability of patients of medium/minimum security environments. Hospital licensure and accreditation standards require that patient care units and medication storage be at appropriate ambient temperatures.

Due to the nature of the patient population, and to mitigate serious damage to the health, safety and welfare of the patients within the care of CTPHC, MDH could not wait the requisite 48 hours for DGS Chief Procurement Officer approval and moved forward on December 1, 2023, with the retention of a vendor to diagnose the situation and to recommend a temporary solution.

Currently the system is operating on one of the three boilers and the operational boiler may fail at any time. As such, the contractor has provided an on-site stationary engineer to monitor the system 24/7 as failure of the one operating boiler in the middle of heating season would be catastrophic to the facility. The costs above represent the incurred costs to date, which includes the initial diagnosis and stationary engineer.

The contractor has determined that the boiler equipment on site is past its usable life and needs to be replaced. MDH is currently working with the contractor to define the costs of bringing temporary equipment onsite to provide redundant support if the remaining boiler fails. The initial contract cost represented in this report includes the cost of the stationary engineer to monitor and operate the existing boiler on site until the temporary boiler is in place to provide the redundant support. MDH plans to modify this emergency procurement to include the temporary equipment costs until replacement of the system can be completed in coordination with the Department of General Services. MDH anticipates awarding the temporary equipment contract the week of December 18, 2023 and will provide necessary updates to the BPW once awarded.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
January 17, 2024

APP 3

A1. **MARYLAND DEPARTMENT OF HEALTH** (cont'd)

Remarks (cont'd):

Basis for Selection: Single responsive bid from a responsible bidder. MDH selected a vendor that has experience with working with the State, including MDH facilities. Due to the urgent nature and the need to restore heat to the facility as soon as possible, MDH awarded this contract to the first responsive vendor. The selected vendor is also a certified MBE.

Update: Emergency Modification: In order to ensure redundancy and continued operation of the system until a full system replacement can be effectuated, MDH is leasing a temporary boiler to be installed. Additionally, due to the limited capacity in the MDH Healthcare System, the expedited installation of the boiler is required to ensure that MDH patients receive the care required.

**2-C. UNIVERSITY OF MARYLAND, COLLEGE PARK
*On-Call Construction Management Master Contracts –
Task Order-Bid Package 1 of 1***

Contract ID: Relocation of Utilities at Old Leonardtown, University of Maryland College Park, RFP No. 146587

Prior Approval: USM Item 3-C (1/5/2022)

Recommendation: Task Order Award (Construction)

Contractor: James G. Davis Construction Corp., Rockville, MD
(Single Proposal Received)

Project Description: Demolition and relocation of utilities in preparation for redevelopment of the Old Leonardtown residential area for the upcoming Graduate Student Housing project. The University is relocating utilities to create a developable area. Utilities included in the scope of work are: overhead electrical system, telecommunications duct bank, WSSC waterline, Comcast duct bank, Washington Gas line, and Pepco pole relocation.

The University anticipates the final value of this project to be approximately \$7 million.

Contract Term: Thirty (30) months from notice to proceed (includes warranty period)

Amount: \$4,762,886 (construction management and construction services)

Procurement Method: Competitive Sealed Proposals – CM Build On-Call Master Contract

Proposals:

Company	Amount
James G. Davis Construction Corp., Rockville, MD	\$4,762,886

Funding: MCCBL 2022: Provide funds to design, construct, and equip a graduate student housing project; Item 106. \$3,000,000
MCCBL 2023: Provide funds to design, construct, and equip a graduate student housing project; Item 108. \$1,762,886

Performance Security: Equal to contract amount

Board of Public Works
University System of Maryland

January 17, 2024

2-C. UNIVERSITY OF MARYLAND, COLLEGE PARK (cont'd)

MBE Participation: 28%

Requesting Institution Remarks: This solicitation utilized the University's On-Call Construction-Management Services master contracts. One (1) out of the five (5) firms holding master contracts responded to the solicitation. Award is recommended to James G. Davis Construction Corp. as the lowest priced responsive and responsible bidder.

This task order award is for construction management and construction services. The contractor competitively bid construction packages for surveying, earthwork and demolition, wet utilities, dry utilities, fence, site requirements, electrical, and telecommunications work. The proposed price of \$4,762,886 is within the cost estimate and funding in place for the project. This is the only bid package anticipated for this project.

The MBE goal on this task order was 15%. The contractor is exceeding this goal by 13% for a total MBE participation of 28%.

Sustainability: This project will follow the Campus and State initiatives that serve as the framework for the University's sustainable design expectations. The design follows the 2020 DCFS Sustainable Design section that outlines UMD's design standards related to the incorporation of sustainable criteria for the design and renovation construction projects.

The University and the contractor will incorporate, to the maximum extent possible, sustainable features consistent with current sustainable design standards that work within the constraints of the project program and budget. The contractor will perform the construction work utilizing sustainable construction principles.

**3-AE. UNIVERSITY OF MARYLAND BALTIMORE for
TOWSON UNIVERSITY
*Design Services for Cook Library HVAC and Data Center Replacement***

Contract ID: Task Order – Master On Call M/E Design Services for Academic Projects
C-00903

Project Description: This project is to upgrade/replace the HVAC within the Cook Library and campus data center. The HVAC system is outdated and can no longer support the current services the library provides to the campus community. This project will replace the existing HVAC system, with minor interior modifications to accommodate the HVAC system. The gross square footage of Cook Library is 180,356 and it is 5 stories tall. The current HVAC system is original to the building (late 1960s) and is failing. In addition, there have been numerous modifications to the library over the last twenty years resulting in less usable space. The current HVAC system is obsolete and does not accommodate modern space needs. The Cook Library Data Center (CDC) is located on the southwest corner of the first floor for the Office of Technology Services (OTS). The existing equipment within the CDC has long exceeded its life expectancy. The scope of work for this space will consist of expanding the CDC into adjacent space and replacing the existing cooling system.

Contract Description: Provide complete professional design services for all design phases including concept/program verification, schematic design, design development, construction documents, bidding and negotiation, construction administration and post construction.

Procurement Method: Task Order- Master On Call M/E Design Services for Academic Projects

Award: Mueller Associates, Inc., Linthicum, MD

Amount: \$1,801,294

Contract Term: 18 months from issuance of design notice to proceed:
30 months from issuance of construction notice to proceed

Fund Source: General Funds (FY 2023 PayGo Funds)

MBE Participation: 7.2%

Performance Security: None

Board of Public Works

**3-AE. UNIVERSITY OF MARYLAND BALTIMORE for
TOWSON UNIVERSITY (cont'd)**

Requesting Institution Remarks: The Master On Call M/E Academic Contract was utilized which is an indefinite delivery M/E service contract for full engineering services for University System of Maryland institutions in the Baltimore Region. Academic projects include academic buildings including libraries, residence halls and associated support areas. As projects arise, the University rotates among the eight awarded firms. The firm is required to use the fixed hourly rates established from the master contract as well as the approved team of consultants and subconsultants.

Sustainability: Opportunities for environmentally sustainable materials and systems will be identified and explored throughout the design into construction by the University and the firm. The new HVAC system will be a high efficiency system designed to assist in achieving the energy goals for the University.

ACTION AGENDA
January 17, 2024

1-M. MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks: Maryland Works granted a waiver for these services on May 8, 2023. This solicitation was advertised on July 21, 2023, via eMaryland Marketplace Advantage notifying 282 contractors, the Maryland Aviation Administration’s website, and by way of direct solicitation to twenty-two firms. Four bids were received on September 21, 2023. Two firms’ technical offers were found to be unacceptable in the first phase of the multi-step process as the firms did not meet the minimum qualifications. Therefore, the unopened pricing was returned to the firms that did not meet the qualifications. No protests were filed.

Per BPW Advisory 2001-1, the MAA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and/or VSBE goals, as well as a Small Business designation. The procurement was designated as a small business preference; however, no MBE nor VSBE participation goals were established due to the single element of work.

This contract includes a provision authorizing an extension for a reasonable, limited, and defined period of time to spend funds remaining on the contract as provided in Board Advisory 1995-1.

Incumbents: Gannett Fleming, Inc.; Whitman, Requardt & Associates, LLP; Rummell, Klepper & Kahl, LLP; Mead & Hunt, Inc.; A. Morton Thomas & Associates, Inc.; Johnson, Mirmiran and Thompson, Inc.

Requesting Agency Remarks: On April 7, 2022, the solicitation was advertised in The Daily Record, SHA’s web page, and eMaryland Marketplace Advantage (eMMA). The advertisement was for six contracts for \$6 million each not to exceed \$36 million for travel forecasting, traffic analysis & engineering services, statewide for SHA. A total of 861 firms were notified via eMMA and an additional 758 were directly solicited. SHA received 10 expressions of interest and invited 10 firms to submit technical proposals. SHA used a qualifications-based selection and found 6 consultants eligible for contract award. No protests were filed.

Services to be provided consist of travel forecasting, traffic engineering and analysis, and additional required traffic-related studies for the purposes of evaluating transportation projects during the various phases of MDOT SHA’s project development process. These phases or types of projects/studies could include, but are not limited to: long range planning, feasibility studies, project planning/NEPA studies, planning, and environmental linkages (PEL) studies, corridor studies, preliminary/final design phases, practical design studies, value engineering, transportation alternatives program, economic analysis studies, traffic impact studies, congestion management studies, before and after studies, scenario planning and analysis, etc. The work could include developing areawide travel demand models or modifying an existing

**DEPARTMENT OF TRANSPORTATION
ACTION AGENDA

4-AE. STATE HIGHWAY ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

Metropolitan Planning Organization (MPO) model or the Maryland Statewide Transportation Model (MSTM); providing traffic and technical support for corridor safety studies and/or the road safety audit (RSA) program; providing support for development and improvement of various travel forecasting and traffic engineering procedures, improving internal processes, and maintaining standard operating procedures (SOP's); performing state-of-the-art microscopic and/or mesoscopic model development and traffic analysis/simulation; providing support for SHA's mobility and congestion management strategies and performance measures; providing support and/or analysis in the areas of multimodal (freight, transit, pedestrian, bicycle, Park & Rides, etc.), Transportation Systems Management and Operations (TSMO), ITS initiatives, emerging transportation technologies (e.g. CAV's, machine learning models), Access Management, and land use development scenarios. Services could also include or necessitate various types of traffic data collection and familiarity with Big Data uses, analyses and platforms. Furthermore, the consultants should be able to deliver both written and verbal technical documentation/summaries to various appropriate audiences and be able to provide on-site technical assistance for all services previously listed.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing a DBE participation goal, as well as a Small Business Enterprise designation. A 20% DBE participation goal was established for each contract within this award series.

EXECUTIVE MEMORANDUM

TO: EXECUTIVE SECRETARY JOHN GONTRUM
FROM: SHA PROCUREMENT DIRECTOR JADA WRIGHT
SUBJECT: NOTICE OF CORRECTION – MDOT 4-AE, 01/17/2024 BPW MEETING
DATE: JUNE 30, 2025

PURPOSE OF MEMORANDUM

To advise the BPW staff of the following clerical error, a second appropriation code was inadvertently left off in the Department of Transportation’s Action Agenda item previously approved by the Board of Public Works.

MDOT Agenda 01/17/2024, Item 4-AE

Approved Approp. Code: J02B0101
Corrected Approp. Code: J02B0101 & J02B0102

Thank you for your attention to this matter. If additional information is required, please do not hesitate to contact me at (410) 545-0330 or jwright18@mdot.maryland.gov.

Requested by:

5-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: HVAC Services at various locations in District 5 (Anne Arundel, Calvert, Charles and St. Mary’s counties) for Maryland Department of Transportation, State Highway Administration. HVACD5AG26SB
EPICS No.: HVACD5AG26

Contract Description: Open-ended, on-call contract provides all labor, materials, and equipment necessary to perform heating, ventilation, and air conditioning (HVAC) services system including quarterly preventative maintenance (PM) services, seasonal with quarterly PM services, non-emergency call-in work, and emergency call-in work at various locations in (Anne Arundel, Calvert, Charles, and St. Mary’s Counties).

Award: POM Company, LLC; Temple Hills, MD
(Certified **Minority & Small Business**)

Contract Term: 2/01/2024 – 01/31/2027

Amount: \$414,648.00

Procurement Method: Competitive Sealed Bidding (SBR-designated)
(Single Bid Received)

Bid:

Bidder	Bid
POM Company LLC.; Temple Hills, MD	\$414,648.00

Living Wage Eligible: Yes

MBE/VSBE Participation: **100% (Certified MBE)** / 0%

Performance Security: None

Incumbent(s): Same

Requesting Agency Remarks: This solicitation was advertised as a Small Business Reserve (SBR) solicitation on eMaryland Marketplace Advantage (eMMA) on June 29, 2023, notifying 32 potential contractors. Bid opening was held on August 1, 2023, resulting in a single bid being received.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
January 17, 2024

REVISED

5-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Agency Remarks (cont'd):

On August 19th, 2023, SHA’s procurement official reached out to 17 of the solicited SBR vendors to inquire why none of them submitted bids. Four vendors responded; one vendor was not aware of the solicitation; the remaining three vendors could not provide the services as described in the Invitation for Bid (IFB). All bidders had a sufficient significant amount of time to respond.

POM Company, LLC submitted the only bid received. POM Company, LLC’s bid amount was found to be consistent with the pricing provided in State Highway Administration’s recent HVAC solicitations (HVCD6AG26-R3 & HVCD2AG26SB) for Maryland’s District 6 and District 2 locations, with comparable specifications. After comparing the single bid to other District’s similar projects, pursuant to COMAR 21.05.07.06.A(3), SHA finds POM Company LLC’s bid to be fair and reasonable, and fiscally advantageous to the state.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal, as well as a Small Business Reserve designation. Although no MBE participation goal was established for this contract, the work conducted on this contract is performed 100% by a Certified Minority and Small Business; therefore, the MBE participation is 100%. Due to the single element of work, no goal was established for this project.

Record Correction
Letter dated
10/9/25

Contract ID: Building Automation System (BAS) ~~MDOTTS 2232~~
EPICS No.: ~~MDOTTS2232~~
MDOFAS2331

Contract Description: Building Automation System (BAS) maintenance and on call hardware and software support services for the MDOT Headquarters (HQ) building in Hanover, Maryland.

Award: Control Sources; Baltimore, MD

Contract Term: 2/15/2024 – 2/14/2026 (w/three 1-year renewal options)

Amount: \$93,132.00 (Base: 2 years)
\$53,316.00 (Renewal Option #1: 1 year)
\$53,316.00 (Renewal Option #2: 1 year)
\$51,966.00 (Renewal Option #3: 1 year)
\$251,730.00

Procurement Method: Sole Source

MBE/VSBE Participation: 0% / 0%

Performance Security: None

Incumbent(s): Same

Requesting Agency Remarks: The Maryland Department of Transportation (MDOT), Office of Fleet, Facilities, and Administrative Services (OFFAS) requires a contract for Building Automation System (BAS) maintenance and on call hardware and software support services for The Secretary's Office. The BAS software system is designed to control major infrastructure within the MDOT Headquarters facility.

The BAS software is proprietary to Schneider Electric and, as such, can only be used by MDOT through a software license agreement with Control Sources, the only regionally authorized licensed vendor in the provision of this software in Maryland and regionally. Approval of this contract is critical to MDOT's ability to fulfill its responsibility for keeping the MDOT Headquarters building environment safe and adequately maintained.

Joy Abrams
Director
MDOT TSO, Office of Procurement

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
January 17, 2024

6-M. THE SECRETARY'S OFFICE (cont'd)

Agency Remarks (cont'd):

The BAS software system is critical to the daily operation and life safety systems within the Headquarters building. The systems supported include the heating and air conditioning system (HVAC), lighting, battery backup system, and generator. The BAS software system also monitors a standalone AC system and through Smart Technology, independently heats or cools different parts of the building, maximizing energy efficiency based on local factors like ambient temperatures and building occupancy. The BAS also controls the critical Life Safety Systems including all Fire and Smoke Alarms, sprinkler system, and Factory Mutual Fire Suppression System.

Per BPW Advisory 2001-1, the Maryland Department of Transportation Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal, as well as a Small Business Reserve designation. It was determined that this procurement has no MBE participation goals as it involves proprietary software requiring manufacturer authorization for resale and maintenance.

7-RP. STATE HIGHWAY ADMINISTRATION
Real Property – Disposition

Recommendation: That the Board of Public Works approve the State Highway Administration (SHA) disposing real property as it is excess to the agency’s needs.

Authority: Transportation Article, § 8-309(f)(1)(ii)
Annotated Code of Maryland

Property: MC# 20-2716
Montgomery County, Maryland – Parcel 1 (0.895 acres ±),
located at 5721 Josiah Henson Pkwy in Rockville, Montgomery County

Grantor: State of Maryland, MDOT SHA

Grantee: Peerless Rockville Historic Preservation LTD., a Maryland Corporation

Consideration: \$223,800

Appraised Value: \$292,350 – Thomas A. Weigand (Selected)
\$350,800 – Melville Peters
(Approved) Wesley Barkley, Review Appraiser

Special Conditions: Subject to a historic preservation easement

Legislative Notice: Notice was sent to the Senate Budget and Taxation Committee and the House Appropriations Committee of the General Assembly on August 10, 2022. The 45-day review period expired September 23, 2022.

Requesting Agency Remarks: This transaction was previously approved by the Board of Public Works under 24-RP on October 12, 2022. However, after approval from the BPW, SHA revised the deed due to a revision to the conveyance plat. The revision was to add a notation to the plat stating, “Right of Way established to provide access to MDOT SHA and surrounding properties”. This change was made to ensure that Peerless Rockville would have access to their property from the driveway that connects the Montrose Crossing Shopping Center to the Montrose School property.

18-CGL. CAPITAL GRANTS AND LOANS

Recommendation: That the Board of Public Works with respect to Grantee, Board of Directors of the Interfaith Works, Inc:

1. Consent to the Grantee to sublease grant-funded property; and
2. Allow the Grantee to retain rental proceeds.

Grantee: Board of Directors of Interfaith Works, Inc.

Project: Interfaith Works Vocational Services Center (Montgomery County)

Property: 981 Rollins Avenue, Rockville, MD 20852

Prior Actions: 04/19/2023 15-CGL (DGS Item 21-366) (\$350,000)

Background: The purpose of this request is to provide written Notice of the proposed subleasing of available space in the Interfaith Works Vocational Services Center, located at 981 Rollins Avenue, Rockville, MD 20852 (“Property”). This Notice is provided to the Board of Public Works pursuant to Section 13 (Disposition of Property) of the above-referenced grant agreement to the extent such Notice is required.

The total renovated space is 10,900 sq. ft. and the grantee is requesting permission to sublease approximately 840 sq. feet, which represents approximately 6 offices or 7% of the total project space. Sublessees will be other non-profit organizations or startup businesses that are serving citizens experiencing poverty in Montgomery County, MD similar to the mission of Interfaith Works, Inc. and are in line with the purpose of the legislation as referenced in the executed grant agreement (5/9/2023).

19-C-MOD. CONSTRUCTION CONTRACT MODIFICATION
Department of General Services

Contract ID: Maryland State House, Restoration of Exterior and Grounds; BA-491-160-001
ADPICS No.: H00B2600098

Contract Approved: DGS 15-C, 01/26/2022

Contract Description: Construction management services to restore the exterior of the Maryland State House and Grounds within State Circle, including stabilization and potential restoration of the Old Treasury Building. Perform the restoration work, provide constructability reviews, develop budgets for the specialized trades, procurement of long lead items, and project scheduling.

Modification Description: Provide a lump sum adjustment in the contract value to allow for on-going authorization of services to be awarded at the Department's discretion on a work order basis. The construction contract provides for a lump sum amount against which the general contractor will provide work order-based services on an on-call basis. Construction phase services will be work order-based for various design packages which will be issued by the State to implement the restoration effort.

Award: The Christman Company; Sterling, VA

Original Contract Term: 910 Calendar Days

Modification Term: No additional time is required.

Original Contract Amount: \$1,500,000

Modification Amount: \$3,000,000

Prior Options/Mods: \$19,500,000 (*Multiple Change Orders*)

Total Contract Amount: \$24,000,000

REVISED

19-C-MOD. CONSTRUCTION MODIFICATION (cont'd)

Original Procurement Method: Exempt – Renovation of Historic Structures
State Finance and Procurement Article 11-203 (a) (1)
(xviii)

MBE/VSBE Participation: 0% / 0%

Performance Security: Performance and payment bonds for 100% of contract amount.

Requesting Agency Remarks: The original contract provided a lump-sum amount against which the General Contractor can provide construction services on an on-call basis as directed by State Issued work orders. As the original lump-sum amount has been nearly exhausted, a modification is necessary to allow the State to continue issuing task-orders as required to complete the project.

This modification is required to increase the total value of the contract to allow the State to authorize additional scope required to complete the restoration. This contract was procured using historic exemption, SF&P 11-203(a)(1)(xvii). This current item is being submitted for BPW approval due to first use of FY24 MCCBL funds. **This project is funded via MCCBL and PAYGO funds. DGS will return to BPW for approval to use MCCBL funding as it becomes available.**

No MBE or VSBE participation was included because this was a Historic exempt procurement.

Fund Source: MCCBL 2023 *State House Exterior and Grounds Restoration. Provide funds to complete construction of the restoration of the exterior and grounds of the historic Maryland State House and Old Treasury buildings in the Annapolis State Government Complex. Item 165*

21-S. SERVICES CONTRACT (cont'd)

Contract Term: 01/18/2024 - 01/02/2029 (w/two 1-year renewal options)

Procurement Method: Competitive Sealed Proposals
(Single Susceptible Proposal Received for each Functional Area)

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbents: Parker Forestry Service, Inc.; Salisbury, MD (FA1)
NSF International; Ann Arbor, MI (FA2)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on February 17, 2023. A total of 94 potential contractors were solicited. This solicitation allowed for two Functional Areas to be awarded. Offerors could submit proposals for one or both Functional Areas. Functional Area 1 (FA1) consists of primary work categories number 1 and 2 detailed below, and Functional Area 2 (FA2) includes primary work category number 3 detailed below.

Three proposals were received for the two Functional areas. FA1 received one Proposal and FA2 received two Proposals on March 30, 2023. Of the two Proposals received for FA2, only one was deemed reasonably susceptible of being selected for award. One proposal was deemed not reasonably susceptible of being selected for award because the vendor failed to submit all required documentation. One incumbent, NSF International, missed the submission due date and was not considered.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
January 17, 2024**

21-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

The contractor is responsible for providing technical forest management and forestry assistance related to the sale of forest products, implementation of silvicultural activities, and adherence to Forest Certification protocols on the lands of Chesapeake Forest and Pocomoke State Forest, located in Caroline, Dorchester, Wicomico, Worcester, and Somerset Counties. These State Forests, and the majority of the State Forest system, receive dual certification in sustainable forestry practices from the Sustainable Forestry Initiative and the Forest Stewardship Council. These certifications are subject to regular review and audit in order to maintain said certifications. The Maryland Forest Service has developed an annual work plan with input from the public, and the contractor will provide the field support and management required to complete the activities designated in the plan. There are three primary work categories:

1. Forest Management: The Contractor will provide forest management services for managing timber resources on 95,000 acres of state forest lands within Chesapeake and Pocomoke State Forests. (FA1)
2. Data Collection/Forest Inventory, Modeling, Mapping & Annual Work Plans: The Contractor will develop maps, collect and maintain all relevant data identified within the Forest Management Services under this RFP. (FA1)
3. Forest Certification: The Contractor will follow the most recent Sustainable Forest Initiative and Forest Stewardship Council certification protocols in conducting forest certification audits for the approximately 217,000 acres of State Forest lands under dual sustainable certification. (FA2)

A price comparison for FA1 and FA2 was conducted against the previous awards for similar services. For FA1, the price proposed was lower than what would be paid for the previous contract that expired on August 31, 2023, when adjusted for the Consumer Price Index. In 2017, the price for the previous contract of five years was \$1,000,000. When adjusted for inflation from August 2017 to September 2023, the amount is \$1,253,626, which represents a 25.36% increase. The pricing received from Parker Forestry for the same base term is \$1,178,000, which shows 6.02% savings of \$75,626. For FA 2, the 2017 contract with the same base term was \$113,504. The Consumer Price Index adjusted for inflation for the same service and number of years is \$142,292. Bureau Veritas' current price is \$121,485, which showed savings to the State of 14.62% at \$20,807. Considering these points, the prices for FA1 and FA2 have been determined to be fair and reasonable.

MBE and VSBE participation were not established for this contract because there are no certified MBEs or VSBEs in this category of work.

Requesting Agency Remarks: The Department is statutorily mandated to ensure the provision of quality legal representation to children involved in Child In Need of Assistance (CINA), and indigent adults involved in Adult Protective Services (APS) proceedings statewide. Compensation must be provided to contractor attorneys for the representation of children who have been victims of abuse and/or neglect and alleged disabled individuals when the services are the responsibility of the Local Department of Social Services or Department of Aging. (See Courts and Judicial Proceedings Article, §3-813 and Family Law Article, §5-307 and Estates and Trusts Article, §13-705 or §13-709 and Family Law Article, §14-404 of the Annotated Code of Maryland). Effective October 1, 2023, the court shall appoint an attorney under contract with the Department to represent the alleged disabled person in protective proceedings for property. Estates and Trusts Article, §13-211.

The Maryland Legal Services Program (MLSP) at the Department of Human Services (DHS) was created to ensure quality and effective legal representation in State courts to Maryland's most vulnerable population. It is imperative to guarantee these CINA and indigent adult clients, equal legal representation under this program throughout the State of Maryland.

Contract ID: Mass Notification Platform and Dedicated Technical Account Manager;
F50B4600021

ADPICS No.: F50B4600021

Contract Description: Mass communication platform and associated professional services necessary to deliver timely and accurate information to agencies, employees, contractors, and the public.

Award: Carahsoft Technology Corp.; Annapolis, MD

Contract Term: 01/18/2024 - 09/15/2026

Amount: \$881,706.96

Procurement Method: Intergovernmental Cooperative Purchase Agreement (ICPA)
National Association of State Procurement Officials (NASPO)
Cloud Solutions (2016 - 2026) #AR2472

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbent: N/A

Requesting Agency Remarks: Everbridge is a software company that offers applications which provide information about critical events to help with personal safety and business continuity. As an authorized reseller, Carahsoft provides access to the Everbridge suite of products. The Department of Information Technology (DoIT) intends to use Everbridge's mass messaging systems, to send large scale notifications out to agencies, employees, contractors and/or the public before, during, and after outages, events, and other incidents to ensure the information provided is timely and informative. It is currently being used at the Maryland Department of Transportation (MDOT), Maryland Department of Emergency Management (MDEM), the Maryland Courts, and 15 of the 24 jurisdictions across the state, covering 65% of Maryland's population with this alerting platform. Using a single, unified platform across all state agencies is critical in this type of communication to maintain a consistent messaging source.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
January 17, 2024**

25-IT. INFORMATION TECHNOLOGY (cont'd)

Agency Remarks (cont'd):

DoIT anticipates additional units of State government will use this platform and its related modules to create a unified solution across the state. The Everbridge services include the capabilities below:

- **Mass Notification Pro** – Develop error-free communication workflows with form-driven templates to reach large and targeted audiences through multi-modal communication channels (SMS, phone, email, etc.)
- **Safety Connection** – Improve the reach and effectiveness of notifications, enhance employee safety with “last known location” targeting, and mobile panic buttons.
- **SnapComms** – Desktop communication, including full-screen emergency alerts, tickers, pop-ups, surveys, videos, screensavers, newsletters, etc.
- **Crisis Management** – Provide a unified solution for crisis response plans, including Dynamic Task Management, Mobile Response Plans, Executive View and Reporting, Custom from Builder.
- **xmatters** – Automate IT incident resolution through communication and workflow automation with out-of-the-box integrations and connectors to existing toolsets.
- **Signal** – Open-Source Intelligence tools that monitor surface web, social media, deep web, and dark web for threats that may impact the State.
- **Resident Connection Data** – Ability to alert approximately 70% of the adult population of the State to an imminent threat to life or property.
- **Professional Services/Technical Account Manager** – Provide technical support to the State based on modules in use or needed.
- **Additional Organizations** – Ability for segregated platforms.

DoIT intends to initially purchase Mass Notification Pro with unlimited messaging and the professional services of a Technical Account Manager. This will enable the State to achieve additional improvements in its critical communications on the Statewide Platform. DoIT’s evaluation of mass communication solutions focused on systems the State is already using to ensure consistency across Maryland.

The purchase of the Mass Notification Pro will align with these requirements and provide added benefits with the procurement of additional modules for all state agencies in the future. The Everbridge Suite platform received Federal Risk and Authorization Management Program (FedRAMP) authorization. FedRAMP is a standardized approach to security assessment, authorization and continuous monitoring for cloud products and services. Everbridge is currently being used by all Federal Agencies including The Department of Homeland Security and The Environmental Protection Agency, as well as various State and Local Agencies and Municipalities including Connecticut, Vermont, New York, and Massachusetts.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
January 17, 2024**

25-IT. INFORMATION TECHNOLOGY (cont'd)

Agency Remarks (cont'd):

DoIT contacted resellers for this product and services. A quote was received from one vendor for \$529,395 per year. Additionally, Everbridge's list pricing for one year is \$530,889.50. The NASPO Cloud Services Master Contract price for the same product, services, and user numbers is estimated total per year is \$529,388 with a slight savings over Everbridge's list pricing. NASPO's contract has been in place since 2016, and the current contract price was established at that time. These prices have been maintained despite supply chain uncertainty, labor shortages, and a rising inflation rate across industries. For these reasons, the price is considered fair and reasonable.

The use of this procurement method will provide administrative efficiencies by reducing the time between need determination and delivery of the solution and reducing the administrative burden on DGS. It will provide cost benefits by reducing the time-to-value for the State of Maryland, and by providing a price that is locked in for the term of the contract. NASPO is the nation's largest and most experienced cooperative purchasing organization for the public sector. All contracts available through NASPO are competitively solicited and publicly awarded by a lead agency, using a competitive solicitation process consistent with applicable procurement laws and regulations. In accordance with COMAR 21.05.09.04, it is determined that this ICPA will provide cost benefits to the State, will promote administration efficiencies, and promote intergovernmental cooperation. The ICPA is in the best interest of the State and is not intended to evade the purpose of Division II of the State Finance Procurement Article.

This contract does not have an MBE participation because it is an Intergovernmental Cooperative Purchasing Agreement (ICPA) from the National Association of Procurement Officers (NASPO) which does not have MBE participation.

Contract ID: Information Technology Research and Advisory Services; 001B4600127
ADPICS No.: 001B4600127

Contract Description: Information technology research and advisory services.

Award: Gartner, Inc., Arlington, VA.

Contract Term: 01/18/2024 - 01/17/2025 (w/one 1-year renewal option)

Amount: \$400,000 (Base)
\$400,000 (Renewal Option #1)
\$800,000 Total

Procurement Method: Intergovernmental Cooperative Purchasing Agreement (ICPA)
(Minnesota NASPO Valuepoint contract 186840)

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Incumbent: Same

Requesting Agency Remarks: The Intergovernmental Cooperative Purchasing Agreement procurement process is more efficient by establishing competitively priced contracts. This contract is available to State agencies nationwide, institutions of higher education, cities, and counties. Under the Participating Addendum, Gartner, Inc. will provide IT research and advisory services.

Gartner, Inc. is a qualified firm and has proven that it is capable of providing the required Information Technology and Advisory Services. The NASPO Valuepoint contract has been reviewed in comparison to the Maryland Statewide contract and has been determined to be most advantageous to the State.

MBE and VSBE participation were not established because no subcontracting opportunities are available.

OFFICE OF STATE PROCUREMENT
ACTION AGENDA
January 17, 2024**

28-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Percent +/- (This Item): 4.16%

Total Percent Change: 132.72 %

Original Procurement Method: Competitive Sealed Proposals

MBE/VSBE Participation: 0% / 0%

MBE/VSBE Compliance: 100% (Awardee is an MBE) / 0%

Performance Security: No

Requesting Agency Remarks: The integrated Statewide Personnel Management System (SPMS) (Workday) is a multitenant, cloud, subscription-based human capital management SaaS that the State is using to replace multiple existing systems: the current Statewide Personnel Management System, the Benefits Application System, various timekeeping systems, and numerous peripheral systems. SPMS is an integrated system processing HR/Compensation/Time Tracking/Absence/Benefits transactions online. Data is available in real-time for reporting purposes as soon as transaction processing is completed. Through the system, State employees directly access their own information using Internet or mobile applications. The system supports 50,000 + employees who use HR/Compensation/Time Tracking/Absence/Benefits and 50,000 + retirees and approximately 65,000 employees at the Universities, MDOT, the Judiciary, and the General Assembly.

Workday Learning is a module of the Workday system that has functionality for the administration, documentation, tracking, reporting, automation, and delivery of training, education courses, resource material and learning and development programs. State Personnel Management System (SPMS) agencies will have access to this LMS within Workday for their training needs once implementation has been completed. This will replace the current LMS used by SPMS agencies.

No MBE or VSBE participation was established because there are no subcontracting opportunities available. When the original contract was awarded in 2013 and in 2018 when the renewal option was exercised, Oakland Consulting, Inc. was a certified MBE. They graduated from the program during the option period and are no longer a certified MBE.

30-GM. GENERAL MISCELLANEOUS

Recommendation: That the Board of Public Works approve new funding for the following contracts.

Authority: §8-301, State Finance & Procurement Article, Annotated Code of Maryland

1.0 Agency: Department of General Services
Fund Source: MCCBL 2023 Provide funds to continue design of the new Therapeutic Treatment Center in Baltimore for the Department of Public Safety and Correctional Services. Item 179, and FY23 PAYGO-88573/1499

1.1 Contract ID: Design the Therapeutic Treatment Center in Baltimore;
KT-000-200-001
Description: Design package for construction of the new Therapeutic Treatment Center located in Baltimore City.
Procurement Method: Qualification Based Selection
Award: STV, Inc.; Owings Mills, MD
Amount: \$ 4,329,811.00 FY23 PAYGO-88573/1499
 \$12,611,000.00 MCCBL 2023 Item 179
 \$16,940,811.00 Total
MBE/VSBE Participation: 30% / 2%
MBE/VSBE Compliance: 24.661% / 3.339%
Resident Business: Yes

Fund Source: FY23-H00-88573/1499 - Provide funds to continue design of the new Therapeutic Treatment Center in Baltimore for the Department of Public Safety and Correctional Services, \$4,329,811.00. MCCBL 2023 - Provide funds to continue design of the new Therapeutic Treatment Center in Baltimore for the Department of Public Safety and Correctional Services. - Item 179, \$12,611,000.00.

Remarks: The contract was approved as DGS-45-AE, 10/12/2022 with an approved amount of \$33,996,281. There was a fee modification on January 31, 2023, for \$49,789, DPSCS operating funds. The total contract amount is now \$34,046,070. The initial encumbrance of \$5,555,296 was approved using MCCBL 2020, Item 606. DGS requests approval of \$16,940,811 in funding to continue the design. DGS will return to the BPW to request the remaining funds when they become available. STV is on track to meet the MBE participation goal by the end of the contract.

Department of Agriculture, Maryland Agricultural Land Preservation Foundation (MALPF) and Agricultural Land Preservation Easements (Various Properties)

Reference: Approval is requested for the Maryland Agricultural Land Preservation Foundation, Department of Agriculture, to accept option contracts for the purchase of agricultural preservation easements on the following properties. All purchases outlined below have been reviewed and approved by the MALPF Board.

Special Conditions: Grantor relinquishes all rights to develop or subdivide the land for industrial, commercial, or residential use. Land shall be preserved solely for agricultural use in accordance with provisions of the Agricultural Article. No commercial signs or billboards are permitted, and there shall be no dumping on land except as is necessary to normal farming operations. Grantor shall manage the property in accordance with sound agricultural practices. Grantee shall have the right to enter land for inspection. No public rights are granted. The term of these easements shall be in perpetuity pursuant to Agriculture Article Section 2-514.1.

As to item 1, the Grantor is waiving the right to request any additional lots.

SUPPLEMENTAL

36-S. SERVICES CONTRACT (cont'd)

Remarks (cont'd):

If the Clerk's office is unsuccessful and the party or other individual's address appears accurate, the OAG may attempt certified mail. Occasionally, the Sheriff's Office is used. If the home or work address appears accurate, the OAG and CCU will reissue the pleadings to have them served privately. ABC Legal Services, LLC will be paid a fixed unit price for each service.

No MBE or VSBE participation was included due to the limited number of certified MBE firms in this category of work. Three firms were contacted. Two in fact did not perform process serving services. One performed security services only, and the other pest control. The third firm was directly solicited but did not respond to the solicitation.

Utilities/Custodial Responsibility: Tenant/Landlord

Termination for Convenience Clause: No

Procurement Method: Sole Source
See COMAR 21.05.05.02.D; DGS Space Mgmt Manual 6-605 E

Remarks: This space has been used since 2002 as the headquarters for the Maryland Department of the Environment (MDE). A twenty-year lease has been negotiated in exchange for the landlord providing a renovation budget of \$10 million to completely renovate the MDE office space, convert the building to all electric infrastructure, and install solar panels (a photovoltaics array) which will provide energy credits to the State. The rent will escalate 3.45% annually. The termination for convenience has been waived due to the significant tenant improvement budget and the landlord's lender requirements.

April 10, 2025

Accepted 4/18/2025- JTG

John Gontrum, Esq.
Secretary to the Board of Public Works
Louis L. Goldstein Treasury Building, Room 117
Annapolis, Maryland 21401-1991

A handwritten signature in black ink that reads "John Gontrum". The signature is written in a cursive style.

SUBJECT: Record Correction – January 17, 2024-Board of Public Works Action Agenda Item

Dear Mr. Gontrum,

This is to advise you of the following change to the Board of Public Works Action Agenda Item previously approved by the Board of Public Works.

BPW – January 17, 2024

DGS 37-LT
Department of Environment/ MD
Energy Administration

FROM: **Term:** 2/01/2044 - 01/31/2049

TO: **Term:** 02/01/2044 – 01/31/2054

REASON: The DGS Office of Real Estate noticed a discrepancy in the attached item after its approval, where the “Future Option Term” section differed from the Procurement Officer’s Determination (POD) and the Renewal Lease Agreement. Both the POD and Lease accurately reflect the lease term of 20 years that commenced on February 1, 2024. Due to a clerical error, the “Future Option Term” of 5 years (02/01/2044 - 01/31/2049) was inaccurately depicted on the BPW Item and should be amended to reflect 02/01/2044 – 01/31/2054 (10 years).

If there are any questions concerning this correction, please do not hesitate to contact me.

A handwritten signature in black ink that reads "Wendy Scott-Napier". The signature is written in a cursive style.

Wendy Scott-Napier, Assistant Secretary
Office of Real Estate

SUPPLEMENTAL

38-S. SERVICES CONTRACT (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on December 12, 2022.

A total of 71 potential contractors were solicited. Four proposals were received on January 5, 2023 and three were deemed reasonably susceptible of being selected for award. One proposal was deemed not reasonably susceptible of being selected for award because the offeror did not submit a complete MBE Utilization and Fair Solicitation Affidavit & MBE Participation Schedule.

Gray, Kirk, VanSant Advertising (GKV) was selected by the evaluation committee and is one of Maryland's largest advertising firms with many clients from diverse sectors (government agencies, nonprofits/associations, financial services, health insurance etc.). GKV's technical proposal provided insights into the diverse Maryland media market and outlined different strategies that appeal to different audiences. They provided details on how they will implement their campaigns and collaborate with their various partners with different strengths and qualifications. They have previous understanding of tobacco control issues impacting Maryland audiences and the local media market and have fostered partnerships at the community level during their COVID 19 campaign across Maryland which will be beneficial for future tobacco control campaigns. They have extensive experience in developing targeted, culturally, and linguistically relevant media placements for different Maryland populations.

GKV detailed the items they considered while developing their budget including research activities, concepting, development and revision of creative materials, costs associated with royalty free photos and video footage, materials production. GKV took into consideration that newly developed campaigns require substantial investment in the initial stages to ensure development of quality products

The Centers for Disease Control and Prevention recommends mass-reach health communications as an essential evidence-based element of a statewide tobacco control program that also includes state and local level programming, cessation support, community-based programs, and other initiatives. Implementing these initiatives is a best practice comprehensive approach to reducing tobacco-related death and disease and eliminating health disparities.

A 10% MBE participation was established for this contract. GKV has committed to exceeding the goal to achieve 14% MBE participation.
