BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
April 2, 2025

*Contact: Jason Keppler 410-841-5864
jason.keppler@maryland.gov*

1. DEPARTMENT OF AGRICULTURE
Maryland Agricultural Cost-Share Program - Grants

Recommendation: That the Board of Public Works approve funding for 13 individual grants under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$390,900

Fund Source: MCCBL of 2022: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 22132

County	Grantee	Agreement #	Amount
Baltimore	BRF Farm LLC	RS-2025-2469	\$8,700
	Mark T. Duvall	RS-2025-2587-P	\$18,100
		RS-2025-2606	\$10,600
Caroline	Gregory Turner	CR-2025-2583	\$52,400
Carroll	Daniel W. Green	MP-2025-2584	\$24,000
	Richard B. Haines	MP-2025-2582	\$6,800
Frederick	Brad. Nevins & Herb Damazo Joint Agreement	MP-2025-2600	\$62,100
		MP-2025-2601	\$16,800
		MP-2025-2602	\$21,300
		MP-2025-2603	\$22,000
	Lucky Acres Farms LLC	MP-2025-2592	\$37,800
		MP-2025-2593	\$26,000
Washington	Denise D. Price	AT-2025-2591	\$84,300

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

2. DEPARTMENT OF AGRICULTURE
Maryland Agricultural Cost-Share Program- Reversion

Recommendation: That the Board of Public Works approve reverting the balances on 12 completed or canceled projects under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," §§ 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$153,885.59

Fund Source: MCCBL of 2021: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 21552

County	Recipient	Agreement #	Amount	Status
Carroll	Michael J. Johnson	MP-2024-2024	\$26,715.50	Canceled
	Tumbleweed Express, Inc.	RS-2024-2697	\$3,302.25	Completed
		RS-2024-2698	\$6,938.50	Completed
Frederick	Keith D. Wiles, Sr.	MP-2024-2276-C	\$45,906.06	Completed
Howard	Robert B. Bell	PA-2024-2056-R	\$20,000.00	Canceled
Kent	Thomas Barcroft Lloyd	AT-2025-2180	\$6,314.80	Completed
Queen Anne's	John F. Harper, III	AT-2024-2064	\$3,276.60	Completed
		AT-2024-2065	\$2,589.80	Completed
	Luke Sultenfuss	CH-2024-2777-C	\$11,424.18	Completed
	Mildred L. Bramble	CR-2024-2168	\$8,959.40	Completed
		CR-2024-2169	\$2,358.50	Completed
Talbot	Phillip J. Councell	CR-2025-2216	\$16,100.00	Canceled

Remarks: The Maryland Department of Agriculture has confirmed that each of these projects has either been completed or canceled by the recipient, and any unspent balance could be made available for others eligible for cost-share projects.

4. BOARD OF PUBLIC WORKS
Wetlands Licenses

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board grant a license for projects involving filling in the navigable waters of Maryland.

MDE: The Maryland Department of the Environment concurs with this recommendation.

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

ANNE ARUNDEL COUNTY

23-0496 *ANNAPOLIS DEPT. OF PUBLIC WORKS* – To improve navigational access by removing an existing geo-grid boat ramp and constructing a concrete boat ramp with stone flank wingwalls, a floating pier with a floating platform, a kayak launch, and a finger pier.
Annapolis, Weems Creek
Special conditions: Requirements for constructing a cofferdam or similar containment structure. Restrictions on total platform area and number of pier slips, lifts, or hoists.

BALTIMORE CITY

24-0811 *WAREFRONT PARTNERSHIP OF BALTIMORE INC.* – To improve navigable access by constructing a fixed access pier, metal access ramp, floating platform with storage racks, platforms, and kayak launches
Baltimore City, Baltimore Harbor
Special conditions: None.

QUEEN ANNE’S COUNTY

24-0326 *ALAN R. GRIFFITH* – To provide infrastructure for fire suppression by constructing a dry fire hydrant next to Reed Creek.
Centreville, Reed Creek
Special conditions: None.

5. BOARD OF PUBLIC WORKS

***Wetlands License -- #23-1108 – Maryland Department of Natural Resources
Mitigation***

Recommendation: The Board of Public Works Wetlands Administrator recommends that the Board:

1. Grant a tidal wetlands license for work at Elk Neck State Park in Cecil County to remove stone breakwaters, place stone to create a breakwater, construct a groin and stone revetment, hydraulically dredge two areas, restore historic beach with dredge material, and
2. Require mitigation for impacts to submerged aquatic vegetation (SAV) and open water habitat by converting uplands to open water and restoring existing, disturbed SAV beds.

MDE: The Maryland Department of the Environment concurs with the recommendations.

- Application received December 4, 2023
- Public comment period ended December 15, 2024
- MDE Report and Recommendation February 26, 2025
- MDE Report and Recommendation (revised) March 10, 2025

Authority: Section 16-202, Environment Article, Annotated Code of Maryland: “*The Board shall decide if issuance of the [tidal wetlands] license is in the best interest of the State, taking into account the varying ecological, economic, developmental, recreational, and aesthetic values [the] application presents.*” See also COMAR 23.02.04.

Mitigation: The below mitigation amounts were negotiated and agreed upon by NOAA Fisheries and MDE.

1) Hydraulic dredging will result in permanent impacts to 8,027 square feet of open water. MDE recommends that the licensee mitigate for the 8,027 square feet of impact to open water by removing 12,640 square feet of breakwater and converting 31,985 square feet of uplands to open water. This is a 5.5:1 mitigation ratio, exceeding the mitigation ratio requirement.

8,027 square feet of impact x 5.5 (5.5:1 ratio) = 44,148.5 square feet of mitigation
44,625 square feet of new open water (mitigation) provided

2) SAV impacts for the project total 53,589 square feet. MDE recommends that the licensee mitigate for the 53,589 square feet of impact to SAV at a 2:1 ratio (COMAR 23.02.04.11) by restoring 132,762 square feet of nearby, disturbed SAV, exceeding the 2:1 mitigation ratio requirement.

53,589 square feet of impact x 2:1 = 107,178 square feet of required SAV restoration
132,762 square feet of SAV restoration (mitigation) provided

BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
April 2, 2025

5. **BOARD OF PUBLIC WORKS** (cont'd)

CECIL COUNTY

23-1108 *MARYLAND DEPARTMENT OF NATURAL RESOURCES* – To redesign a breakwater system to allow seasonal accretion and erosion of sediment along the shoreline by removing stone breakwaters, placing stone to create a breakwater, constructing a groin and stone revetment, hydraulically dredging areas, removing 53,589 square feet (1.23 acre) of submerged aquatic vegetation (SAV) and restoring historic beach. Mitigation will be provided for impacts by creating open water from uplands and restoring disturbed SAV.

North East, Chesapeake Bay

Special conditions: Time of year restriction. Requirements for design and construction of revetment, maintenance dredging, dredge material transport and disposal, post dredge bathymetric survey, constructing DMP site if hydraulic dredging is performed, installing, marking, maintaining dredged material pipelines, if Licensee does not obtain U.S. Coast Guard approval, if the U.S. Coast Guard's approval alters the proposed pipeline route, dredge operator, protocol in event of an inadvertent release of dredge material, constructing beach nourishment, deploying and maintaining turbidity curtain, SAV restoration, and SAV monitoring reports. Restrictions on use of asphalt rubble in revetment.

6. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Maryland Drinking Water State Revolving Loan Fund

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Infrastructure Financing Administration Act
Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland.

Project: WC-1243 Cromwell Pump Station Improvements

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$ 9,757,500

Location: Baltimore County/Legislative District 8

Project Description: The purpose of the project is to rehabilitate and replace the equipment and systems of the existing Cromwell Pump Station. Work will include major upgrades to the pump system, disinfection feed, electrical components, mechanical equipment, facility security, site grading, building structure, and all appurtenances. The Cromwell Pump Station is aging and must be rehabilitated to maintain safe and reliable service to the water distribution system. This project is needed to maintain a reliable drinking water supply to the homes and businesses of Baltimore. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

Financing Description:

A. New Loan (up to) \$ 6,757,500 – Drinking Water State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Security. Borrower will deliver a revenue bond, secured by a subordinate pledge on the revenues of the drinking water system fund, to the Maryland Water Infrastructure Financing Administration.

B. New Loan Forgiveness (up to) \$ 3,000,000

Complies with Drinking Water State Revolving Loan Fund Program's disadvantaged-community criteria. Principal forgiveness loan terms/grant conditions are enforceable should Recipient default.

Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland.

Project: LCRR Compliance Program - Inventory - City of Baltimore

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$ 6,947,350

Location: Baltimore City/Legislative District 46

Project Description: This project entails contracting professional services to develop a Lead Service Line (LSL) Inventory for the City of Baltimore under the Lead and Copper Rule Revisions (LCRR), issued in December 2021. Scope of work will involve planning phase services, to conduct a lead service line inventory in compliance with EPA's LCRR. Scope involves historical records surveying, point investigations, inventory programming, predictive modeling of service line materials and other related work. Baltimore City currently services approximately 1.6 million users in its drinking water system, portions of which are up to 100 years old. Due to the age and size of this system, the potential of lead service lines would have significant impacts on users. Completing this inventory of service lines is the first step before LSL replacements and will have enormous public health and safety benefits for a large utility area. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

Financing Description:

A. New Loan (up to) \$ 3,265,254 – Drinking Water State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

8. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Maryland Water Quality State Revolving Loan Fund

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Infrastructure Financing Administration Act
Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland.

Project: SC-1004 Herring Run Sewershed Inflow & Infiltration Reduction - Area
A

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$22,916,182

Location: Baltimore City/Legislative District 43

Project Description: This project entails the rehabilitation and point repair of various sewer lines in the Herring Run Sewershed based on sewershed study reports. The work will involve cure-in-place pipe lining (CIPP), open cut point repairs, and sanitary house connection repairs, along with various sanitary sewer manhole rehabilitations. Completion of this project will reduce inflow and infiltration (I&I) for basins identified as high I&I sources under the Modified Consent Decree between Baltimore City and MDE/EPA. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

Financing Description:

A. New Loan (up to) \$19,416,182 – Water Quality State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Security. Borrower will deliver a revenue bond, secured by a subordinate pledge on the revenues of the wastewater system fund, to the Maryland Water Infrastructure Financing Administration.

B. New Loan Forgiveness (up to) \$ 3,500,000

Complies with Water Quality State Revolving Loan Fund Program's disadvantaged-community criteria. Principal forgiveness loan terms/grant conditions are enforceable should Recipient default.

Project: SC-946R Sanitary Sewer Collection System Improvements in the Jones
Falls Sewershed-Glen Avenue Subbasin

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$5,900,819

Location: Baltimore City/Legislative District 41

Project Description: This project entails the cleaning, repair, and CCTV inspection of the sewer system within the Glen Avenue Sub-basin originally installed between the 1920s and 1960s. Existing material is primarily vitrified clay and brick, which has deteriorated over time, leading to groundwater infiltration and overflow issues during heavy rain events. Completion of this work will include the removal of Sanitary Sewer Overflow #155, 9,300 LF of CIPP lining, and assorted point repair and replacement of old sewer line. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

Financing Description:

New Loan (up to) \$5,900,819 – Water Quality State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Project: Baltimore City MS4 Program

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$8,098,571

Location: Baltimore City/Legislative District 41, 43, 46

Project Description: This project entails the construction of nonpoint source water quality improvements for the City of Baltimore. This work is part of the overall restoration effort outlined in the City's Watershed Implementation Plan for achieving the 20% reduction equivalent requirement to meet the City's Municipal Separate Stormwater Sewer Systems (MS4) Permit. Specifically, the project includes stream restorations and Best Management Practice (BMP) facilities incorporating Environmental Site Design (ESD). The benefits are improvements in local water quality, nutrient reduction to the Chesapeake Bay, and permit compliance. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

Financing Description:

A. New Loan (up to) \$5,598,571 – Water Quality State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Security. Borrower will deliver a revenue bond, secured by a subordinate pledge on the revenues of the Stormwater Utility fund, to the Maryland Water Infrastructure Financing Administration.

Project: SC-938R Headworks Facilities Improvements at Patapsco WWTP

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$9,930,914

Location: Baltimore City/Legislative District 46

Project Description: This project entails upgrading the existing Grit Facility serving the Patapsco Wastewater Treatment Plant. Work will involve major rehabilitation of the grit building structure, converting the building to a canopy structure, rehabilitation of the grit tanks, new mechanical equipment replacements, and other related appurtenances. Completion of this work will increase reliability and operational consistency of preliminary treatment at Patapsco Wastewater Treatment Plant and support its Enhanced Nutrient Removal (ENR) treatment process. These improvements will help the plant achieve reliable treatment results and contribute to meeting treatment limits. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce climate change risks to such projects.

Financing Description:

A. New Loan (up to) \$8,430,914 – Water Quality State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Security. Borrower will deliver a revenue bond, secured by a subordinate pledge on the revenues of the wastewater system fund, to the Maryland Water Infrastructure Financing Administration.

B. New Loan Forgiveness (up to) \$ 1,500,000

Complies with Water Quality State Revolving Loan Fund Program's disadvantaged-community criteria. Principal forgiveness loan terms/grant conditions are enforceable should Recipient default.

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Infrastructure Financing Administration Act
Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland.

Project: SC-978 Small Diameter Sewer Main Replacement in Roland Park

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$10,557,454

Location: Baltimore City/Legislative District 40, 41, 43

Project Description: This project entails the rehabilitation of small diameter sewers in the Jones Falls Sewershed. Work will include cured-in-place pipe lining, open-cut replacements, pipe bursting, sanitary house connection repairs, and assorted manhole rehabilitation, along with related appurtenances. This contract is occurring in conjunction with the larger sanitary sewer overflow consent decree, as part of the City's small sewer mains assessment and renewal program & root control programs. Completion of this work will ensure concurrent repairs of the City's small diameter sewer lines (6") alongside the rest of the sanitary sewer repairs under the Modified Consent Decree, reducing sanitary sewer overflows in the Baltimore City sewer system. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

Financing Description:

New Loan (up to) \$10,557,454 – Water Quality State Revolving Loan Fund

Term. Period not to exceed 30 years following project completion

Rate. Disadvantaged community interest rate of 25% of the average of the Bond Buyer 11-Bond Index for the month preceding loan closing. (Based on this formula, in fiscal year 2024 loan recipients received interest rates ranging from 0.80% to 1.00%)

Women 11%

MBE Compliance (Construction Services): 0% (No construction phase billing to date.)

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
April 2, 2025**

16. MARYLAND STADIUM AUTHORITY (cont'd)

Remarks: The Board approved the contract with Gilbane Building Company for design and pre-construction services at its meeting on October 4, 2023 (Secretary's Agenda, Item 18). The Authority represented as part of that approval that it would return to the Board with a recommendation to modify the design and pre-construction contract upon negotiating an acceptable GMP.

The procurement process for this GMP proceeded as follows:

An onsite MBE outreach event was conducted at the project site on October 17, 2024 among the DB, the Authority, interested trade contractors and other representatives seeking contracting opportunities and MBE participation.

On November 8, 2024, Gilbane Building Company advertised the Landscaping packages for trade contractor participation in the following publications/services: eMaryland Marketplace Advantage, MSA's website, Maryland Washington Minority Companies Association (MWMCA) website and via direct solicitation. On February 22, 2025 Gilbane Building Company advertised the Concrete package for trade contractor participation in the following publications/services: eMaryland Marketplace Advantage, MSA's website, Maryland Washington Minority Companies Association (MWMCA) website and via direct solicitation.

On January 23, 2025 competitive sealed trade contractor bids for the Landscaping trade package were received and opened using the DB's online bidding system. On February 28, 2025, competitive sealed trade contractor bids for the Concrete trade package were received and opened using the DB's online bidding system. Starting March 4, 2025, post-bid scope review meetings were conducted to ensure the bids were both responsive and complete. The post bid scope review meetings were conducted virtually.

The identified MBE goals are for the construction phase as a whole and are not specific to just this GMP Package submission. Gilbane has a cumulative GMP commitment of 36.09% MBE participation (Combined GMP #1-5) for the construction phase of the Project. Gilbane continues to demonstrate the good faith effort required to satisfy the MBE participation goals established for the Project.

MSA anticipates this to be the last GMP submission for this project.

Authority: Chapter 61 Acts of 2022 as amended by Chapter 468 Acts of 2023, codified in par in Title 10 subtitle 6 of Economic Development Article, Annotated Code of Maryland.

April 2, 2025**

17. MARYLAND STADIUM AUTHORITY (cont'd)

Remarks: The Board of Public Works approved the contract with J. Vinton Schafer for design and pre-construction services at its meeting on October 4, 2023 (Secretary's Agenda, Item 19) and an early release package on January 29, 2025 (Secretary's Agenda, Item 19). The Authority represented as part of the early release package approval that it would return to the Board with a recommendation to modify the design and pre-construction contract upon negotiating an acceptable final GMP.

The procurement process for this GMP proceeded as follows:

On December 20, 2024, J. Vinton Shafer advertised the project with 17 bid packages to maximize trade contractor participation in the following publications/services: eMaryland Marketplace Advantage, MSA's website, J. Vinton Shafer's Smart Bid Platform and via direct solicitation.

On January 7, 2025 an onsite prebid meeting was held with all prospective bidders interested in the project.

On January 17, 2025, competitive sealed trade contractor bids for the project were received and opened using J. Vinton Shafer's online bidding system. Post-bid scope reviews were conducted to ensure the bids were both responsive and complete.

The contractor has exceeded the goal of 35% MBE with 35.88% total participation in GMP1 and GMP2 (this item).

MSA anticipates this to be the final GMP for the project

A1. DEPARTMENT OF GENERAL SERVICES
Office of Facilities Management

Contract Title: Data Center Pipe Burst - CTR022482

Contract Type: Services

Contract Description: Provide mitigation, remediation and restoration services for flooding in the Annapolis Data Center caused by an unexpected pipe burst. Includes installation of equipment to mitigate flooding and remediate all water damaged areas. Remediation to include installing industrial fans and dehumidifiers, deep cleaning, repeated moisture testing, carpet cleaning, replace drywall, paint and replace cove base.

Procurement Method: Emergency

Bids: Paul Davis Restoration, Cockeysville, MD \$19,883.75

Award: Paul Davis Restoration

Amount: \$19,883.75

Term: 2/20/2025 – 6/30/2025

Date Emergency Declared: 2/20/2025

Contract Award Date: 2/20/2025

Date Emergency Reported: 3/7/2025

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: H00C0101

Remarks: Nature of Emergency: Serious damage was caused by a heating supply pipe (water) split that resulted in flooding in multiple areas of the Annapolis Data Center. The leak occurred in the 104 suite breakroom ceiling and affected areas within the suite as well as under the raised floor. Water also found its way down to areas in the basement mechanical rooms and hallway.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
April 2, 2025

APP 2

A1. DEPARTMENT OF GENERAL SERVICES (cont'd)

Remarks (cont'd):

The flooding reached areas in the data center that are exposed to computers and electric wires that raised concerns about the welfare of individuals on-site inspecting and mitigating the damage. There was an immediate need to stop the flooding and prevent further damage to State information technology equipment and the building, and to eliminate the safety risks for staff members. An insurance claim has been filed.

Basis for Selection: Paul Davis Restoration was called in for emergency response and remediation. Paul Davis Restoration specializes in disaster restoration and emergency services and has provided these services to the State on multiple occasions resulting in minimizing losses to the State. There is confidence in their ability to meet the needs of the State and they were able to commit to an immediate response.

*On behalf of **Baltimore City Community College (BCCC)***

Contract Title: BCCC Life Science Building Fire Remediation, CC-000-210-003
ADPICS No: H00B5600061

Contract Type: Services

Contract Description: Provide emergency clean up, structural and electrical assessment, and environmental testing of the Life Sciences building after suffering a penthouse mechanical room fire.

Procurement Method: Emergency

Bids: Maryland Cleaning & Abatement, Baltimore, MD \$500,000.00

Award: Maryland Cleaning & Abatement

Amount: \$500,000

Term: 120 Days

Date Emergency Declared: 1/24/2025

Contract Award Date: 3/7/2025

Date Emergency Reported: 3/10/2025

MBE / VSBE Participation: 0% / 0%

Fund Source: General Funds- PAYGO (H00 24 88703 03 1499)

Appropriation Code: N/A

Remarks: Nature of Emergency: The building's HVAC system is currently under construction and the newly installed boiler #2 caught fire in the early morning hours of January 21, 2025. The resulting fire severely damaged the mechanical penthouse as well as adjacent equipment and other ancillary equipment. The Baltimore City fire department extinguished the flames and there was a substantial amount of water mixed with residual fuel oil and other contaminants that infiltrated the roof of the building and contaminated classrooms on the four floors below.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
April 2, 2025

APP 4

A2. DEPARTMENT OF GENERAL SERVICES (cont'd)

Remarks (cont'd):

Specifically, the site will require remediation to clean up the penthouse, four floors of residual water, fuel oil and other contaminants. Replacement of damaged ceiling tiles, and contaminated air filters in the air handling units. Perform environmental testing after the cleanup efforts to ensure the air quality is free from contaminants. Due to the extreme heat of the fire, a structural engineer will survey the integrity of the structural steel supporting the boilers and roof of the mechanical penthouse. Additionally, an electrical contractor will be required to clean/remove soot inside of the motor control center and the main distribution panel, test the integrity of the wiring and circuit breakers that were near the fire.

Basis for Selection: Reasonable efforts to obtain at least three oral quotes were NOT made due to the practicality of the building emergency requirements. Maryland Cleaning & Abatement Corporation has intimate working knowledge of the critical needs of this type of clean up and abatement and is the only firm with the ability and workforce to immediately initiate design. Maryland Cleaning & Abatement Corporation has worked directly with DGS who are involved in the project and who has knowledge of the building's requirements. Utilizing any other firm will delay the timeframe of the cleanup due to the procurement processes.

Contract Title: Emergency Repairs for Water Line Leak at Patuxent Institution (PATX)
ADPICS No.: Q00P5602824

Contract Type: Maintenance

Contract Description: Emergency services to repair underground water line leaks as necessary at Patuxent Institution.

Procurement Method: Emergency

Bids: The Dymond Group, LLC; Union Bridge, MD \$55,000.00
(Single bid received)

Award: The Dymond Group, LLC

Amount: \$55,000 NTE

Term: 2/19/2025 – 02/21/2025

Date Emergency Declared: 2/18/2025

Contract Award Date: 2/24/2025

Date Emergency Reported: 3/10/2025

MBE / VSBE Participation: 0% / 0%

Fund Source: 100% General Funds

Appropriation Code: Q00D0001

Remarks: Nature of Emergency: On February 18, 2025, a flooded gallery was discovered in the underground hallway that connects the DC and DD buildings of the Patuxent Institution. Initial investigation discovered that the water was coming through the wall of the facility from underground and the facility maintenance staff could not alleviate the issue. It was determined that a contractor would be needed to excavate the leaking water line and conduct the necessary repairs. These repairs were time sensitive and vital to ensure a safe and healthy environment for staff and the incarcerated population. Additionally, neglecting this issue could expose the Department and State to potential litigation.

Term: Fall Semester - 08/09/2024 - 12/15/2024
Spring Semester - 01/10/2025 - 05/18/2025

Date Emergency Declared: 07/30/2024

Contract Award Date: 08/9/2024

Date Emergency Reported: 11/14/2024 (Initial draft Report)

MBE / VSBE Participation: 0% / 0%

Fund Source: Parking Operation (Auxiliary Funds)

Appropriation Code: 12005-F0320-08999-80

Remarks: Nature of Emergency: Morgan State University conducted a competitive procurement for shuttle transportation in 2024. However, the procurement was canceled as none of the offerors submitted the required MBE documentation in compliance with MBE requirements. Due to the urgent need for shuttle transportation for the Fall and Spring semesters, an emergency procurement solicitation was issued.

BOARD OF PUBLIC WORKS
SECRETARY'S ACTION AGENDA
APPENDIX
April 2, 2025

A6. MORGAN STATE UNIVERSITY (cont'd)

Remarks (cont'd):

Three vendors submitted proposals: DTS Worldwide Transportation, Charter Linkz, and RTW Management. Notices of non-selection were sent to DTS Worldwide Transportation and Charter Linkz. DTS Worldwide Transportation's proposal was rejected for failing to include the required technical proposal, submitting only a price proposal. Charter Linkz's proposal was deemed nonresponsive and subsequently rejected.

The apparent recommended awardee, RTW Management, Inc., initially submitted a proposal priced at \$3,178,876, which was deemed excessive. In accordance with the solicitation, discussions were initiated regarding the offeror's proposed labor rates. As a result, the contractor agreed to reduce their labor rates, leading to a price reduction of \$324,000.

On August 22, 2024, Charter Linkz submitted the last of three timely protests. On November 7, 2024, the Director of Procurement issued a Final Decision denying all three protests. On November 12, 2024, Charter Linkz filed a Notice of Appeal of the Final Decision dated November 8., 2024. That same day, the appeal was docketed and assigned Docket No. MSBCA 3290. On December 5, 2024, the Agency Report was filed with the Board of Appeals.

On January 14, 2025, the appellant's attorney and the state discussed an agreement to dismiss the appeal once the re-compete for Shuttle Bus Service was issued. On January 31, 2025, a Joint Request to Place the Appeal in Suspension pending settlement negotiations was filed. On February 7, 2025, the re-compete RFP was released and sent to the appellant and other competing offerors. On February 27, 2025, the appellant filed a notice of withdrawal of the appeal.

Basis for Selection: The emergency solicitation was issued on July 31, 2024. The award was based on Low Price Technically Acceptable (LPTA) criteria. Four potential Offerors were contacted, but only three responded.

6A. CONSERVATION RESERVE ENHANCEMENT PROGRAM
Hays, David & Samantha, Washington County

Recommendation: Approval to grant \$653,387.79 to Washington County from Program Open Space Stateside Funds to acquire a 127.05-acre Conservation Reserve Enhancement Program easement.

Background/Prior Approvals: Reference is made to Program Open Space Agenda Item 14A (January 3, 2024) in which the Board of Public Works approved the Conservation Reserve Enhancement Program (CREP) easement acquisition program and authorized the use of Program Open Space funds to be used for acquiring permanent conservation easements on stream side forests, natural areas and wetlands.

Project Description: Acquisition of this CREP easement permanently protects water quality by retaining 6,400 linear feet of forested buffers along Conococheague Creek, Rush Run, and unnamed tributaries. As part of the transaction, the landowner will be donating 3.16 acres of the property into the easement for 130.21 acres of total protection. The easement, CREP No. 35444 and POS No. 35445, will be held by Washington County and the Maryland Department of Natural Resources.

Easement Value: \$615,347.62 (\$4,843.35 per acre)

Purchase Price: \$615,347.62 (\$4,843.35 per acre)

Total Other Costs	Administrative:	\$ 18,460.42
	Incidentals:	\$ 10,349.54
	Compliance:	<u>\$ 9,230.21</u>
		\$ 38,040.17

Total Amount Requested: \$ 653,387.79

DNR 9

6A. CONSERVATION RESERVE ENHANCEMENT PROGRAM (cont'd)
Hays, David & Samantha, Washington County

Easement Valuation System: DNR uses an easement evaluation system based on:

- (1) the amount of the property covered by the easement and extinguishment of development rights;
- (2) the width of the buffers; and
- (3) the amount of land in the CREP contract that will be covered by the easement.

The program seeks to retain conservation practices beyond the 10- to 15-year contract period available under the federal CREP rental program. The easement acquires development rights and a portion of the agricultural production value beginning at the end of the federal contract term and continuing into perpetuity.

7A. PROGRAM OPEN SPACE STATE SHARE
Somerset County (Legnaioli)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This entirely forested property of dense pine is adjacent to Chesapeake Forest Lands and will be managed by the Maryland Forest Service as working forest lands to produce sustainable forest products and provide for outdoor recreational opportunities, helping to sustain the local resource-based economy. Frontage on US Route 13 will provide improved access where it is currently limited.

POS Scoring System: 61 out of 100

Targeted Ecological Area: No

Grantor: Richard Legnaioli, Trustee of the R. Lance Legnaioli Revocable Trust

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 10.82+/- acres, unimproved, POS No. 35044

Price: \$55,000

Appraisals: \$49,000 (8/13/2024) – David E. Cadell
\$62,000 (8/14/2024) – William R. McCain

8A. PROGRAM OPEN SPACE STATE SHARE
Frederick County (Selock)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This mostly forested property will be managed by the Maryland Park Service as an addition to South Mountain State Park. Acquisition will enhance the buffer to the Appalachian Trail, add to a contiguous block of forest habitat protecting birds traveling along the Atlantic Flyway, and improve boundary line management.

POS Scoring System: 80 out of 100

Targeted Ecological Area: Yes

Grantor: Ian Selock

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 0.52+/- acres, improved, POS No. 13733

Price: \$32,000

Appraisals: \$32,000 (7/25/23) – Harry Begg
\$30,000 (7/7/23) – Beth A. Riedel
All appraisals reviewed by Dave Wallenberg, Chief Review Appraiser

Remarks: Appraisals are older than a year due to lengthy negotiations

Stabilization funds: \$3,200

Stabilization funds are authorized to stabilize the structural integrity of improvements existing on land at the time of acquisition, eliminate health and safety hazards, protect water quality, and provide public access. DNR intends to use a portion of the funds to dispose, by razing, certain current structures that would not be a part of the management plan for Maryland Park Service. See Natural Resources Article §5-903(f).

9A. PROGRAM OPEN SPACE STATE SHARE
Charles County (Stevenson Trust)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This forested property includes a portion of an unnamed tributary to Wards Run and will be managed by the Maryland Forest Service as an addition to Doncaster State Forest, one of four regional Demonstration Forests. Acquisition will provide a buffer for Forest Interior Dwelling Species habitat, protect water quality, and expand opportunities for silvicultural education, hunting, trapping, hiking and birding.

POS Scoring System: 93 out of 100

Targeted Ecological Area: Yes

Grantor: Heather Nixon Stevenson, Successor Trustee of the Lois Loucks Nixon Trust dated February 11, 1993, as amended, and as amended and restated by Amendment and Restatement of the Lois Loucks Nixon Trust dated September 22, 2017

Grantee: The State of Maryland to the use of the Department of Natural Resources

Property: 194.18+/- acres, improved, POS No. 35001

Price: \$951,000

Appraisals: \$924,000 (6/6/24) – LouAnne E.Cline

Construction Contract

Contract ID: Concourse D/E Patio Leak Repairs at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; *MAA-CO-25-003*
EPICS No.: MAACO25003

Contract Description: Provide all labor, supervision, equipment, materials, insurance, and expertise to replace six roof drains along the exterior curtainwall of Concourse D/E in the vicinity of the exterior patio area at BWI Thurgood Marshall Airport.

Award: Eastern Waterproofing & Restoration of Virginia, LLC
Beltsville, MD
(*Certified Small Business*)

Contract Term: 180 calendar days from Notice to Proceed

Amount: \$239,560.00

Procurement Method: Competitive Sealed Bidding (*SBR-designated*)

Bids:

<i>Bidders</i>	<i>Amounts</i>
Eastern Waterproofing & Restoration of Virginia, LLC Beltsville, MD	\$239,560.00
Baltimore Contractors, Inc. Glen Burnie, MD	\$505,364.35

MBE/VSBE Participation: 23% / 0%

Performance Security: 100% Payment and Performance Bonds

Hiring Agreement Eligible: No

Incumbent: None

Requesting Agency Remarks: The solicitation was previously advertised as a Small Business Reserve (SBR) Procurement on September 7, 2023, two bids were received on January 11, 2024. A review of the bid package submitted by Bidder one revealed that its bid did not conform in all material respects to the requirements contained in the Invitation for Bids.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
April 2, 2025

MDOT 2

1-C. MARYLAND AVIATION ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

Specifically, the bidder failed to meet the MBE Participation Schedule requirements set forth in the solicitation. Bidder two's bid exceeded the budgeted amount for the project. Therefore, the Procurement Officer determined that rejecting all bids and canceling the procurement was fiscally advantageous or otherwise in the State's best interest.

The amended solicitation was re-advertised as MAA-CO-25-003, Concourse D/E Patio Leak Repairs at BWI Thurgood Marshall Airport on July 30, 2024, as an SBR Procurement via eMaryland Marketplace Advantage notifying 150 potential contractors, the Maryland Aviation Administration's website, and by way of direct solicitation to six prospective bidders. Two bids were received on October 17, 2024.

MAA requested and reviewed the Schedule of Values for each bidder. It was determined that the variance in the bids was attributed to Eastern Waterproofing & Restoration of Virginia, LLC specializing in this type of work, so they were able to provide more competitive pricing. MAA reached out to the non-bidding vendors to ascertain why they did not bid. No responses were received.

The MAA Procurement Review Group (PRG) reviewed the contract scope of work for MAA-CO-25-003 to determine the potential for establishing MBE and Veteran-Owned Small Business Enterprise (VSBE) goals, as well as a Small Business Enterprise designation. A 23% MBE participation goal and a 1% VSBE goal were established for this contract. The project is designated as SBR.

On September 24, 2024, the MAA PRG revisited the contract scope of work for MAA-CO-25-003 based on a potential bidder requesting a reduction to the MBE goal due to the nature of the work and narrow scope. The MAA PRG reviewed the potential sub-contractable items and recognized the difficulty identifying subcontractors capable of meeting the 23% MBE participation goal and the 1% VSBE participation goal. In addition, the prior solicitation was cancelled in part due to the failure of a Bidder meeting the established MBE goal. As a result, the MAA PRG decided to isolate the MBE participation goal specifically on the installation of interior drywall and painting, which reduced the MBE participation goal to 10% and the VSBE goal to 0%. This approach was deemed feasible for achieving the revised target. Although the goal was reduced via Addendum to the solicitation, Eastern Waterproofing & Restoration of Virginia, LLC, has committed to exceeding the MBE goal by 13% to achieve 23% MBE participation.

2-GM. MARYLAND AVIATION ADMINISTRATION
Lease and Concession Contract

Contract ID: Lease and Concession Contract to manage and operate a Non-Exclusive Registered Traveler Security Screening Expedited Passenger (Registered Traveler) Program at Baltimore/Washington International Thurgood Marshall (BWI Thurgood Marshall) Airport; *MAA-LC-25-033*

Contract Description: Lease and Concession Contract granting the non-exclusive right to manage and operate a Registered Traveler Passenger Program at BWI Thurgood Marshall. Contractor shall provide expedited security screening to its customers using enrollment areas and dedicated lanes at each security checkpoint.

Contractor: Alclear, LLC; New York, NY

Contract Term: 05/01/2025 – 04/30/2030 (five years)

Amount: For each month of the Contract Term, Alclear shall pay the greater of a Minimum Monthly Guarantee (The Minimum Monthly Guarantee shall be based on an annual guarantee of One Million Dollars (\$1,000,000.00)).

Or

A Percentage Concession Fee of 11% of gross revenues generated from members living in the BWI Thurgood Marshall Airport catchment area.

If the sum of the Percentage Concession Fee does not exceed the Minimum Monthly Guarantee, the Minimum Monthly Guarantee will be paid in lieu of Percentage Concession Fee. In addition to the above fees, Alclear shall pay the standard rental rate of \$184.00 per square foot per year for 525 square feet of office space located in the BWI Thurgood Marshall Terminal Building. The contract is a five-year term, wherein Alclear provides the MAA a fixed MAG of \$1,000,000.00 for each contract year. Alclear is required to pay MAA a minimum of \$5,000,000.00 for the five-year term

Requesting Agency Remarks: This type of revenue-producing contract at a transportation facility is outside the scope of the State Procurement Law (State Finance and Procurement Article §11-202(3); COMAR 21.01.03.03.B(1)(d). However, the contract and any modifications must be approved by the Board of Public Works because the contract constitutes a use of State Property under State Finance and Procurement Article, §10-305.

MBE/VSBE Participation: 25% / 3% (AE-3127-0000)
27% / 2% (AE-3129-0000)

Hiring Agreement Eligible: No

Incumbent: O'Connell & Lawrence, Inc.; Olney, MD

Requesting Agency Remarks: On August 28, 2023, the solicitation was advertised in The Daily Record and on eMaryland Marketplace Advantage (eMMA). The advertisement sought two contracts, each valued at \$3 million, for construction management and inspection services for the MDTA. A total of 346 firms were notified through eMMA, and 106 received direct solicitations. The MDTA received 12 technical proposals. One firm's proposal was rejected in accordance with COMAR 21.11.03.09.C (6) because it omitted the Minority Business Enterprise (MBE) and Veteran Small Business Enterprise (VSBE) forms. For the 11 remaining firms, MDTA utilized the qualifications-based selection process, ultimately identifying two consultants as eligible for contract awards. No protests were filed.

The services to be provided include: constructability reviews, pre-construction conferences, monitoring and documenting contractor performance, detailed inspections of all construction work including erosion and sediment control, contract compliance, environmental project/program monitoring, review of contractor safety program and inspections, maintenance of traffic, scheduling and conducting progress meetings, detailed materials inspections and testing (this may include providing full service laboratory to conduct said testing), contract utility coordination and locating of existing facility utilities, , project critical path method and cash flow schedules, review and processing progress and final payments,

MDOT 8

3-AE. MARYLAND TRANSPORTATION AUTHORITY (cont'd)

Requesting Agency Remarks (cont'd):

utilizing Maryland Construction Management System, use of the eMaryland Construction Management System, or other construction management software approved by the MDTA, construction phase review services such as reviewing shop drawings and responding to Requests for Information, on-site program management support, and assist the MDTA compliance program officers with monitoring and enforcement of MBE goals.

The MDTA Procurement Review Group evaluated the contract's scope of work to determine the feasibility of establishing an MBE participation goal and a VSBE participation goal, along with a Small Business Reserve designation. It was determined that a 25% MBE participation goal and a 1% VSBE participation goal would be established for each contract. O'Connell and Lawrence have agreed to exceed the VSBE goal by 2%, resulting in a total VSBE goal of 3%. iCivil has committed to a 27% MBE goal and a 2% VSBE goal, surpassing the established MBE and VSBE goals by 2% and 1%, respectively.

This contract includes a provision authorizing an extension for a total period no longer than one-third the base term to spend funds remaining on the contract as provided in BPW Advisory 1995-1.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
April 2, 2025

MDOT 10

4-M-MOD. MARYLAND TRANSIT ADMINISTRATION (cont'd)

MBE/VSBE Compliance: 0% / 0%

MBE/VSBE Participation: 0% / 0%

Performance Security: No

Hiring Agreement: No

Requesting Agency Remarks: This contract provides for daily routine cleaning of the fleet of 36 Light Rail Vehicle cars. The scheduled vehicle cleanings consist of overnight and daytime shifts, the cleaning of seats, handrails, stanchions, windows and mirror cleanings, and removal of trash from passenger areas. Additional tasks include cleaning the operator's cab at both ends. Floors are also swept and mopped, and each vehicle is sanitized.

The new procurement started in April 2024 in collaboration with Maryland Works. As part of the process, Maryland Works conducted their fair market cost analysis and provided estimated figures for concurrence to the MTA in July 2024. Upon review of the figures, the MTA determined that the scope of work did not fully articulate all duties required and that a non-compensable time extension was necessary to provide time to update the specifications. A second non-compensable time extension was necessary to allow the MTA and Maryland Works the extra time to mutually agree on the requirements. Subsequently, concurrence was provided to Maryland Works in February 2025. As such, with the contract expiring in March, the remaining time was not sufficient to complete the contract approval process. For this reason, this modification adding funding and a three-month extension is necessary to continue services while the new contract is awarded.

On February 13, 2025, the Pricing and Selection Committee for the Employment Works Program (EWP) certified the price of \$394,958.64 as it is considered fair market value for the three-month modification. MBE/VSBE goals were not established for this preferred provider contract.

5-C. **MOTOR VEHICLE ADMINISTRATION** (cont'd)

Requesting Agency Remarks (cont'd):

This contract provides for the removal and replacement of the existing HVAC RTU, Energy Recovery Ventilator, controls, and associated components at the MVA White Oak Branch. Upon completion, all startup procedures will be performed under this contract to ensure the system operates at design conditions.

An MBE participation goal of 10% was established for this contract. However, no VSBE participation goal was set due to the absence of certified firms capable of performing the identified subcontracting categories, as determined by the MVA Procurement Review Group. The anticipated awardee has confirmed their commitment to meeting the established MBE participation goal.

Living Wage Eligible: Yes

MBE/VSBE Participation: 4.8% / 0%

6-M. MOTOR VEHICLE ADMINISTRATION (cont'd)**Performance Security:** Yes**Hiring Agreement Eligible:** No**Incumbent:** Control Sources, LLC; Essex, MD

Requesting Agency Remarks: A notice of availability of an Invitation for Bids was posted on eMaryland Marketplace Advantage November 22, 2024, with a Small Business Reserve designation and 11 vendors directly solicited via email. Six bids were received and opened on December 27, 2024. Patapsco Mechanical, LLC., has been found responsible, and its bid responsive. The bid pricing has been confirmed.

This contract provides HVAC maintenance, preventative maintenance, and controls services in accordance with the attached terms, specifications, and general conditions. Areas of work shall include all aspects of HVAC and control work, such as new installations, service of existing systems, and other related work at the Glen Burnie MVA facility.

The price has been determined to be fair and reasonable as it aligns with the general rise in costs due to inflation, as published by the Consumer Price Index.

An MBE participation goal of 4% was established for this contract. However, no VSBE participation goal was set due to the absence of certified firms capable of performing the identified subcontracting categories, as determined by the MVA Procurement Review Group. The anticipated awardee has confirmed their commitment to exceeding the established MBE goal by .8% for a total of 4.8%.

DBE / VSBE Participation: 0% / 0%

Incumbents: Pennoni Associates, Inc. / Volkert, Inc.; Century Engineering, Inc. / Greenman-Pedersen, Inc.; A. Morton Thomas & Associates, Inc./Whitney, Bailey, Cox & Magnani, LLC

Requesting Agency Remarks: On May 2, 2023, the solicitation was advertised in The Daily Record, SHA's web page, and eMaryland Marketplace Advantage (eMMA). The advertisement was for three contracts for \$7 million each not to exceed \$21 million for Construction Management & Inspection (CMI) Services, Statewide SBE for SHA. A total of 853 firms were notified via eMMA and an additional 2,874 DBE firms were directly solicited. SHA received 11 expressions of interest and developed a Reduced Candidate List. From the Reduced Candidate List, SHA invited six firms to submit technical proposals. SHA used qualifications-based selection and found three consultants eligible for the contract award. No protests were filed.

This contract is to provide construction management and inspection of all phases of construction and system preservation related operations on various projects. Services may be used in all districts statewide.

SHA has confirmed EBA Engineering, Inc.'s bid prices and the work conducted on this contract is performed by a State-certified Disadvantaged and Small Business Enterprise.

The SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing DBE and VSBE participation goals, as well as a Small Business Enterprise designation. A 0% DBE goal was set for this project based on the contract having a single element of work. No VSBE goal was established for this contract.

9-C-MOD. STATE HIGHWAY ADMINISTRATION
Modification: Construction Contract

Contract ID: Interstate 68 EB – Finzel Truck Weigh and Inspection Station Improvements;
GA4305123
EPICS No.: CO424551

Contract Approved: MDOT 15-C, 09/06/2023

Contract Description: This contract is for the construction of the upgrade and replacement of Truck Weigh and Inspection Station (TWIS) infrastructure and equipment (hardware and software) at the Finzel (1-68 Eastbound) Truck Weigh and Inspection Station. The work will be contained within the station limits between the physical gores for the off- and on-ramps from and to 1-68 Eastbound.

Modification Description: This modification is being requested to add money to the contract for work reflected in Redline Revision #1. This redline was issued by the State Highway Administration (SHA) Office of Traffic & Safety (OOTs) Motor Carrier Division on August 14, 2024. This revision is necessary to replace the deteriorated traffic barrier w-beam that was not included in the original project due to the limitation of disturbances under the project permit. In addition, several failing drainage structures are being replaced.

Contractor: First Fruits Excavating, Inc.; Ridgeley, WV

Original Contract Term: 09/08/2023 – 03/19/2026 (two years, six months, 12 days)

Modification Term: 04/24/2025* – 04/09/2026 (*or earlier upon BPW approval)

Original Contract Amount: \$1,831,422.75

Modification Amount: \$262,948.27

Prior Mods: \$68,613.86 (Mod. #1: Increased funding and extended time (03/20/2026 - 04/09/2026) for mold remediation; Delegated Authority, 05/02/2024)

\$80,000.00 (Mod.#2: Increased funding for additional Type II Concrete Pavement Repairs, Delegated Authority, 06/21/2024)

Requesting Agency Remarks: The project was approved by the BPW on September 6th, 2023, as item 15-C. This change order is necessary to cover work added by redline revision # 1 which was issued by the State Highway Administration (SHA) Office of Traffic & Safety (OOTs) Motor Carrier Division on August 14, 2024. This revision is necessary to replace the deteriorated traffic barrier w-beam that was not included in the original project due to the limitation of disturbances under the project permit. In addition, several failing drainage structures are being replaced. The existing drainage inlets were found to be collapsed and no longer functioning. Replacing these inlets will restore positive drainage, directing storm run-off to the stormwater management pond. The additional work has not yet been completed.

A 5% DBE participation goal was set for this contract based on the availability of DBE firms within the work area certified with the NAICS code(s) to perform the required work. Current compliance is 4.91%. No VSBE participation goal was set for this contract.

10-M. STATE HIGHWAY ADMINISTRATION
Maintenance Contract

Contract ID: Repair Minor Drainage Structures at Various Locations in Dorchester, Somerset, Wicomico and Worcester Counties, District 1; 440D11427
EPICS No.: 440D11427

Contract Description: Providing repairs to minor drainage structures at various locations in Dorchester, Somerset, Wicomico, and Worcester Counties (District 1).

Award: David A. Bramble, Inc.; Chestertown, MD

Contract Term: 04/24/2025* – 12/31/2027 (*or earlier upon BPW approval)
(two years, eight months, eight days)

Amount: \$2,731,332.00

Procurement Method: Competitive Sealed Bidding (*Single Bid Received*)

Bid:

<i>Bidder</i>	<i>Amount</i>
David A. Bramble, Inc.; Chestertown, MD	\$2,731,332.00

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Performance Security: Annual Renewable Performance & Payment Bonds for 100% of the award amount exists for this contract

Incumbent: Team Cam, LLC; Linthicum, MD

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage (eMMA) on November 12, 2024, notifying 653 potential contractors, 125 of which were MDOT-certified Minority Business Enterprises. Maryland Works granted a waiver for these services. SHA directly solicited eight contractors. A single bid was received and opened on December 12, 2024. SHA reached out to the vendors to inquire as to why they did not submit bids but has not received any response to date. There were no protests filed for this contract.

SHA performed aggressive outreach to eight businesses that executed work under the highway drainage commodity code. SHA believes the advertisement was competitive and the low bidder's total price accurately reflects the cost of performing the work.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
April 2, 2025

MDOT 23

10-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

The single bid received was compared to former bids, for similar projects within District 1, and was found to be comparable. Using the comparison and an additional review of previous work performed by David A. Bramble, Inc., within the District, the single bid was found to be fair and reasonable.

SHA and their contractors work together to select materials from the SHA Qualified Products List that are green, sustainable, and designed to minimize environmental impacts throughout their life cycle.

The State Highway Administration has confirmed David A. Bramble, Inc's bid price.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal, Small Business Preference as well as a Small Business Reserve designation. A 0% MBE goal has been set for this project based on the minimal number of MBE firms available within the work area certified with the NAICS code to perform the work. The following counties were included in this search: Dorchester, Somerset, Wicomico, and Worcester. No VSBE participation goal was set due to a lack of certified firms to perform these services.

11-RP. STATE HIGHWAY ADMINISTRATION
Real Property – Disposition

Recommendation: That the Board of Public Works approve the State Highway Administration (SHA) disposing of real property as it is excess to the Administration's needs.

Authority: Transportation Article, § 8-309 (f) (1) (ii)
Annotated Code of Maryland

Property: MC# 24-2881
Gilbert Jasinski & John/ Linda Schlogel (0.024 acres ±), located along the south side of U.S. Route 40 (Pulaski Highway), just west of Reames Road in Middle River, Baltimore County

Grantor: State of Maryland, SHA

Grantee: Reames Pulaski, LLC, a Maryland limited liability company

Consideration: \$6,750

Appraised Value: \$6,550 – Janet Dougherty (Approved)
Lisa Ward, Review Appraiser

Requesting Agency Remarks: In 2015, SHA acquired the subject property for the U.S. Route 40 (Pulaski Highway) Intersection Improvements at Mohrs Lane right-of-way project. SHA proposes to convey the "Extra Land Area" noted on plat no. 59644 to the adjoining owner through a sealed bid sale of \$6,750, which exceeds the appraised value.

18-AE. ARCHITECTURE AND ENGINEERING (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on July 22, 2024. Six proposals were received on August 26, 2024, and three were deemed responsibly susceptible of being selected for award. One did not submit the MBE subcontractors' percentages required to accomplish the 20% MBE goal nor a waiver request; one did not provide the supporting documentation required in Section 1 - Minimum Qualifications; and one did not submit the required MBE forms or a waiver request as well as failing to submit all the required supporting documentation with its proposal. DGS commenced fee negotiations with the three highest-ranked firms. The price proposal submitted by each firm reflected billing rates for each discipline required. The hours for each project/work order awarded under the agreement will be negotiated, and the individual work orders will be executed individually.

DGS will rotate work assignments among the awarded contractors using work orders in accordance with COMAR 21.12.02.06. No work is guaranteed to any awarded contractor as the contracts are Indefinite Quantity Contracts (IQC).

19-AE. ARCHITECTURE AND ENGINEERING (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on September 23, 2024. Eight proposals were received on October 28, 2024, and four were deemed responsibly susceptible of being selected for award. Three offerors did not provide Key Personnel in their proposals, and one offeror's Principal was not registered Professional Engineer in the State of Maryland. DGS commenced fee negotiations with the four highest-ranked firms. The price proposal submitted by each firm reflected billing rates for each discipline required. The hours for each project/work order awarded under the agreement will be negotiated, and the individual work orders will be executed individually.

DGS will rotate work assignments among the awarded contractors using work orders in accordance with COMAR 21.12.02.06. No work is guaranteed to any awarded contractor as the contracts are Indefinite Quantity Contracts (IQC).

The previous contract had a 30% MBE Participation; however the contract's scope and structure posed significant challenges in assigning MBE Participation at the work order level. Historically, the task orders under Commissioning have been issued as single elements of work, often with limited scope which typically did not provide the necessary opportunities for small and minority business participation. DGS-OSP determined that a more effective approach would be to utilize the Small Business Reserve (Certified Small Business) designation.

20-C. CONSTRUCTION CONTRACT

Recommendation: That the Board of Public Works approve the following Task Order under previously-approved Master Contracts.

Authority: State Finance and Procurement Article,
Annotated Code of Maryland, § 13-113; COMAR 21.05.13.06

Procurement Method: Task Order under Master Contract

1.0 Master Contract: HVAC/Boiler & Related Services
 Contract No.: DGS-19-301-IQC
Approved: DGS 1-C, 06/17/2020
Term: 06/03/2020 - 02/17/2027
**As of publication, the remaining balance of this master contract is \$10,384,795.00.*

1.1 Using Agency: Department of General Services
Description: HVAC Replacement at Hyattsville District Court in Prince George's County. Replace all existing mechanical equipment with new high-efficiency, energy-saving systems. This upgrade will enable the facility to adjust energy consumption based on factors such as occupancy, time of day, weather conditions, and demand response capabilities. The integration of these advanced technologies ensures the facility will meet or exceed energy performance standards while promoting sustainability and environmental responsibility, in compliance with the Maryland High Performance Green Building Program, the International Energy Conservation Code (IECC), as well as the Greenhouse Gas Reduction Act (GGRA) of 2009 and the Climate Solutions Now Act - SB 528 BC-225-220-002

Award: Denver-Elek, Inc.; Baltimore, MD

REVISED

21-S. SERVICES CONTRACT (cont'd)

Performance Security: No

Incumbent: N/A

Requesting Agency Remarks: A notice of availability of the Request for Proposals (RFP) was advertised on the eMaryland Marketplace Advantage (eMMA) on April 8, 2024. A total of 20 potential vendors were solicited. Five proposals were received and opened on May 29, 2024. The recommended offeror Market Decisions Research was determined to be the most advantageous to the State as its proposal was ranked highest technically and highest overall. This contract requires experience in a telephone call center to conduct interviews for the Pregnancy Risk Assessment Monitoring System (PRAMS) survey. Global Engagement's proposal price was significantly higher due to the high number of staff proposed compared to the other offerors.

MBE and VSBE participation was not established for this contract because there are no subcontracting opportunities available because the funding is for personnel who must meet stringent Centers for Disease Control and Prevention (CDC) protocol adherence and authentication in a unique database.

MBE/VSBE Participation: 30% / 5%

MBE/VSBE Compliance: 11.81% / 0.26%

Performance Security: No

Requesting Agency Remarks: Since these master contracts began, there has been a steady and consistent increase in usage by all State Agencies, local governments and municipalities, and Maryland non-profit organizations. The audit services master contractors have provided services as anticipated under the contract for an entire agency, a specific program, or other component of an agency, or a contract being performed for an agency or component program. Therefore, it is in the best interest of the State to continue to utilize these services that allow State agencies to obtain the performance of an audit in order to correct any identified deficiencies and otherwise incorporate recommendations for improvement in the performance of an agency, program, or contract.

The master contract established a 30% MBE goal and a 5% VSBE participation goal. Each master contractor committed to meeting the goals established at the task order level. Based on the scope of work, the DGS Procurement Review Group reviews each task order request for proposal for MBE and VSBE participation. Although the master-wide MBE/VSBE compliance is below the overall goal:

24-S-MOD. SERVICE MODIFICATION (cont'd)

Requesting Agency Remarks: This Out-of-State Provider is an adoptive resource for the Maryland youth and can clinically address the specialized needs of the youth and when clinically appropriate the youth will be transitioned to permanency in the form of adoption. The term of the contract is being extended to allow enough time to process the Interstate Compact on the Placement of Children request that will change the placement to an adoption.

The youth is currently stable. The Provider's performance and compliance is reviewed by the Colorado Office of Children, Youth, & Families, Division of Child Welfare and DHS, Social Services Administration Contracts and Placement Units. The last monitoring visit was conducted on December 17, 2024.

The Maryland State Department of Education (MSDE) is the State Agency responsible for setting rates for facilities that serve Maryland youth, which are located outside of the State of Maryland. The Division of Special Education/Early Intervention Services (DSE/EIS), Nonpublic Special Education Section provides oversight for this work.

Maryland rates are set to ensure equal rates are paid for equal services regardless of the placing agency, placing State, or location of the facility. All rates issued by Maryland must comply with all cost approval guidelines and instructions.

No MBE or VSBE participation was established for this contract since the specialized core services (psychiatric services/evaluations, case management, therapy, recreational therapeutic programs, educational services etc.) are available within the facility and require specialized training, certification, and clearances.

25-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Hiring Agreement Eligible: Yes

Requesting Agency Remarks: The Contract provides state agencies with a vehicle to provide call center services to State agencies to assist in the ever-evolving needs of the State. The increase is to accommodate each agency as work orders are submitted. The additional work orders were not accounted for in the original procurement. This increase will cover the current work orders waiting to be released for agency use, and the end of the base contract term.

MBE compliance is not yet available as this contract was approved on 12/18/2024. Work orders have been submitted but not yet approved.

Call-center services are established by work orders, based on the individual needs of each agency; The Contractor provides general program support and fulfillment services as they are related to the Call/Contact Center in various agencies. Services include distributing information packets to individuals who have contacted the Call Center. These call-center services allow agencies to enhance customer service to citizens through a toll-free number, and in some cases sending emails to a general email account. Under the call-center arrangement, citizens reach an answering point located in Maryland that is staffed between 8:00 AM and 8:00 PM Monday through Friday, except for State holidays. In addition, citizens are provided some information 24 hours per day, 7 days per week. This contract is used by several agencies including DBM, DHCD, MDH, MDOT, SBE, SRA, and the Governor's Office and each agency maintains their toll-free call center number independently.

26-IT-MOD. INFORMATION TECHNOLOGY MODIFICATION (cont'd)

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

MBE/VSBE Compliance: 0% / 0%

Performance Security: No

Requesting Agency Remarks: DHCD is undertaking two software integrations between the systems of Nortridge Software, LLC and Amerinational Community Services, LLC, DHCD's loan servicer and between Nortridge and ProLink Solutions, Inc., DHCD's asset management system software provider. Having the same entity developing both integrations will save time and money. Nortridge Software, LLC was chosen to perform the upgrade based on the technical advantages of an integration based around their system.

The ProLink Solutions, Inc. Multifamily Asset Management System is scheduled to go live in August 2025. Multiple functionalities include data related to loans, such as reserve balances, loan balances, and payment delinquencies. The integrations between the systems will allow this data to be updated at greater frequency, accuracy, and efficiency than if the data were entered by hand by DHCD staff.

Given the nature of the financial data involved, Nortridge Software, LLC must allocate senior-level developers with specialized expertise in both security and regulatory compliance. Unlike a routine upgrade, this project requires extensive coordination with external systems, increasing development time and complexity. To meet our August 2025 deadline, they will be prioritizing this work, which means reallocating resources and potentially delaying other projects.

MBE or VSBE participation was established for this contract because there are no subcontracting opportunities.

28-IT. INFORMATION TECHNOLOGY

Recommendation: That the Board of Public Works approve the following Task Orders/Purchase Orders under a previously approved Master Contract.

Authority: State Finance and Procurement Article
Annotated Code of Maryland, § 13-113; COMAR 21.05.13.06

Procurement Method: Task Order/Purchase Order under Master Contract

1.0 Master Contract: **Consulting and Technical Services Plus (CATS+)**
Contract No.: 060B2490023
Approved: DoIT 3-IT, 04/03/2013
Term: 04/22/2013 - 04/21/2028
***As of publication, the remaining balance of this master contract is \$441,351,503.*

1.1 Using Agency: Department of Transportation

Description: Provide business analysts to facilitate preparation, documentation, and approval of IT project requests, transition projects to the SHA project team, provide business analysis expertise, participate on project teams, and understand and advocate for the organization's business area.

Modification Description: Extend the contract to allow time to complete the new procurement; J02B8400025/COK77863

Award Viv Soft Technologies LLC (MBE)

Original Term: 04/25/2019 - 04/24/2024

Modification Term: 04/25/2025 - 04/24/2026

Original Amount: \$ 3,104,640.00

Modification Amount: \$ 1,144,248.00

Prior Options/Mods: \$ 2,245,212.00 (Mod. #1: Add three business analyst resources. DoIT 2-IT 1.3, 09/18/2019)
\$ 457,119.31 (Mod. #2: Extension 04/25/2024 - 04/24/2025. DGS 16-IT 1.2, 04/17/2024.)

28-IT. INFORMATION TECHNOLOGY (cont'd)

1.0 *Consulting and Technical Services Plus (CATS+) (cont'd)*

Agency Remarks: The new task order was ready to be published in June of 2024 but due to budget cuts, SHA determined that they needed to add federal funds. This required the solicitation and contract to be revised to add federal language, DBE requirements and DBE forms. A new PRG had to be completed, and the solicitation revisions then would need to be reviewed and approved by DGS.

In December of 2024, TSO was made aware that due to the type of SHA federal funding, that only SHA's Procurement office would be able to procure and manage this contract. These delays caused the need to initiate the proposed extension.

The MBE participation is high due to the prime contractor and the subcontractor both being MBE certified businesses. Up to 50% of the work performed by the prime contractor can be counted and 100% from the subcontractor.

2.0 *Master Contract: Commercial Off-the-Shelf Software (COTS) 2012*
 Contract No. 060B2490021
Approved: DoIT 6-IT, 09/19/2012
Term: 10/01/2012 - 09/30/2027
***As of publication, the remaining balance of this master contract is \$44,224,015.*

2.1 *Using Agency:* Department of Information Technology
Description: VMware virtualization and cloud computing virtualization software. VMware software allows you to run a virtual computer on your physical computer and it increases the efficiency of your computer system; *F50P5600404*.
Award: Applied Technology Services, Inc.; Middle River, MD (MBE) (Certified Small Business)

Term: 02/02/2025 - 04/02/2025 (**Retroactive**)

 04/03/2025 - 02/01/2028(Proactive)

MBE/VSBE Participation: 0% / 0%

Resident Business: Yes

Fund Source: 100% General Funds

Agency Remarks: The initial solicitation was issued on November 7, 2024, with a bid due date of November 18, 2024. During the bid review process, DoIT was notified by VMware that they provided the incorrect pricing to the responding master contractors.

After reviewing the \$4 million pricing discrepancy, it was determined best to cancel the solicitation. DoIT negotiated new terms and pricing and reissued the solicitation. This pricing error resulted in an unavoidable delay in the procurement process.

MBE and VSBE participation were not established for this contract because there are no subcontracting opportunities.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

33-S-MOD. SERVICES MODIFICATION
Department of Labor, Unemployment Insurance

Contract ID: Virtual Call Center Agent for Unemployment Insurance Division;
LABOR-FY2020-023
ADPICS No.: COK85794

Contract Approved: Secretary's Agenda A-6, 08/12/2020

Contract Description: Virtual call agents to assist the Unemployment Insurance Division during the COVID-19 pandemic.

Modification Description: Extend the contract to surge call center capacity for the Unemployment Insurance Division in anticipation of increased unemployment insurance claims from Marylanders impacted by federal budget reductions and layoffs.

Awards: Accenture; Austin, TX

Original Contract Term: 04/15/2020 - 12/31/2020

Modification Term: 04/24/2025 – 9/30/2025

Original Contract Amount: \$19,557,000

Modification Amount: \$3,859,570

Prior Options/Mods: \$ 2,802,500 (Mod. #1: Increase number of virtual call agents; Secretary's Agenda A6, 08/12/2020)
\$ 79,795,200 (Mod. #2 and #3: Increase number of virtual call agents and extend the contract 12/18/2020 - 08/31/2021; Secretary's Agenda A6, 02/24/2021)
\$ 6,826,254 (Mod. #4: Increase number of virtual call agents; Secretary's Agenda A3, 08/11/2021)
\$ 50,998,687 (Mod. #5: Extend contract 07/15/2021 - 12/31/2021; Secretary's Agenda A3, 08/11/2021)
\$98,298,750 MOD #6 (Extension 01/01/2022 - 06/30/2022)
DGS 52-IT-MOD, 12/15/2021)
\$97,759,100 (Renewal Option #1 07/01/2022 - 12/31/2022)
DGS 60-IT-OPT, 06/08/2022)

SUPPLEMENTAL

33-S-MOD. SERVICES MODIFICATION (cont'd)

-\$64,730,000 (Mod #8: Extension 01/01/2023 - 12/31/2023; DGS 38-S-MOD 12/07/2022)

\$0 (Mod. #9: Extension 01/01/2024 - 06/30/2024

Delegated Authority - LABOR, 11/08/2023)

\$13,103,000 (Mod #10: Extension 07/01/2024 - 12/31/2024 DGS 45-S-MOD, 06/05/2024)

\$0 (Mod #11; Extension 01/01/2025 - 01/14/2025 Delegated Authority - LABOR, 11/22/2024)

\$4,081,990 (Mod #12: Extension 01/15/2025 - 03/15/2025; DGS 18-S-MOD, 01/08/2025)

\$0 (Mod #13: Extension 03/16/2025 - 04/02/2025 Delegated Authority - LABOR, 03/07/2025)

\$0 (Mod # 14: Extension 04/3/2025 - 04/23/2025 Delegated Authority - LABOR, 03/18/2025)

Total Contract Amount: \$312,352,051

Percent +/- (This Item): 19.73%

Total Percent Change: 1,497.14%

Original Procurement Method: Emergency Procurement

MBE/VSBE Participation: 0% / 0%

MBE/VSBE Compliance: 0% / 0%

Performance Security: No

Requesting Agency Remarks: The contractor uses a conversational, self-service virtual agent to interface via the State's website. Ongoing support is still needed to handle the high volume of calls as well as assist with new claims that are being processed daily.

Since January 2025, the federal government has implemented a number of measures that have resulted in significant layoffs from federal agencies, as well as non-governmental entities to include nonprofit organizations, higher education institutions, and private sector businesses that received federal funding. Since January 21, 2025, MDL has received over 1,000 unemployment insurance claims related to federal government actions, a significant increase compared to just 129 claims in December 2024.

SUPPLEMENTAL

33-S-MOD. SERVICES MODIFICATION (cont'd)

Agency Remarks (cont'd):

The Unemployment Insurance Division is receiving higher volumes of unemployment insurance claims, resulting in higher call traffic to the Division's call center. In anticipation of continued increase in unemployment insurance claims being filed related to federal actions, this extension is necessary to ensure that MDL and the Unemployment Insurance Division are equipped with the appropriate level of call center agents to provide responsive assistance to Marylanders. Extending this contract will provide up to 75 agents to supplement existing in-house call center staff through the new Omni Channel Contact Call Center System (LOCCS).

This contract was originally entered into during the COVID-19 pandemic, when MDL experienced a historic increase in unemployment claims. In an effort to serve Maryland citizens effectively and quickly; MDL contracted with Accenture on April 13, 2020, under the emergency procurement process to serve Maryland citizens effectively and quickly. No MBE or VSBE participation was established at the time of the emergency contract award.

Fund Source: 100% Federal Funds

Approp. Code: P008Z801

Resident Business: No
