**1. DEPARTMENT OF AGRICULTURE
*Maryland Agricultural Cost-Share Program - Grants***

Recommendation: That the Board of Public Works approve funding for eleven individual grants under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," Sections 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$117,100

Fund Source: MCCBL of 2019: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 19344

County	Grantee	Agreement #	Amount
Anne Arundel	Stephanie Tadlock Senserini	AT-2025-2922-SF	\$4,500
Carroll	James H. Belt, Jr.	MP-2025-2813-SF	\$1,000
		MP-2025-2814-SF	\$2,100
		MP-2025-2815	\$1,400
		MP-2025-2816	\$500
		MP-2025-2817	\$600
		MP-2025-2818	\$1,100
		MP-2025-2819	\$1,300
	Snader Farms, Inc.	MP-2025-2927	\$36,700
Howard	Clover Luck Stables LLC	PA-2025-2837	\$20,500
Washington	David A. Hays	UP-2025-2481	\$47,400

Remarks: The Maryland Department of Agriculture has determined that each of these projects is eligible for cost-share funds. Each project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

2. DEPARTMENT OF AGRICULTURE

Maryland Agricultural Cost-Share Program- Additional Funding

Recommendation: That the Board of Public Works approve granting additional general obligation bond proceeds to one individual grant under the Maryland Agricultural Cost-Share Program.

Authority: "Cost-Sharing-Water Pollution Control," Sections 8-701 to 8-705, Agriculture Article, Annotated Code of Maryland; COMAR 15.01.05

Amount: \$809.20

Fund Source: MCCBL of 2018: *Provide funds for assistance for the implementation of best management practices that reduce soil and nutrient runoff from Maryland farms.* Item 18274

County	Recipient	Agreement #	Amount
Carroll	Jerry L. Watt	MP-2025-2253	\$809.20

Remarks: The Maryland Department of Agriculture has determined that this project is eligible for cost-share funds. The project has received technical certification from the appropriate Soil Conservation District Office. The farmer has signed the cost-share agreement and accepts the grant conditions.

Additional funds are requested for this projects to offset additional costs realized at the completion of the project. These additional costs are a result of design changes required based on site conditions encountered during construction.

**5. DEPARTMENT OF BUDGET AND MANAGEMENT
*Budget Amendment 25R-043***

Description: Approve July 2025 meeting reimbursable fund budget amendment.

Authority: Section 7-209(e), State Finance & Procurement Article, Annotated Code of MD, requires Board of Public Works approval of the reimbursable fund budget amendment.

Amount: \$950,266

Amount \$950,266 TOTAL

The contributing (funding) agency has appropriated funds to pay for FY 2026 services provided by the receiving agency for FY 2025 as follows:

<i>Funding Agency</i>	<i>Agency Providing Services [Receiving Funds]</i>	<i>Services</i>	<i>Amount</i>
H00D01.01 Department of General Services <i>Procurement and Logistics</i>	H00J01.01 Department of General Services <i>Office of External Affairs</i>	The amendment will transfer a reimbursable fund appropriation within DGS to fund the Office of External Affairs approved by DBM for FY 2025.	\$950,266
Total			\$ 950,266

DBM Remarks: This amendment will provide the Reimbursable Fund appropriation needed to reflect the realignment of funds from the Department of General Services' Procurement and Logistics program (H00D01.01) to the agency's Office of External Affairs (H00J01.01).

This amendment is required and will realign reimbursable funds from the Office of State Procurement to the newly-created Office of External Affairs. The Office of External Affairs was created in FY 2024 to manage communications, marketing, public outreach, audits, legislative affairs, and records management among other duties. However, the request was approved by DBM in FY 2025 and should be included in the appropriation before the closing of FY 2025.

6. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT
Rental Housing Works Program

Recommendation: That the Board of Public Works approves lending general obligation bond proceeds as described.

Borrower: Belvedere Place LLC

Project: Belvedere Place Apartments
3101 West Belvedere Place
Baltimore MD 21215

Rental Housing Works Authority: Sections 4-401 et seq. of the Housing and Community Development Article of the Annotated Code of Maryland, as amended, and the regulations promulgated for the Multifamily Bond Program at COMAR Chapter 05.05.02

The Rental Housing Works Program finances rental housing that will be occupied by individuals with incomes of 60% and below area median income.

Loan Amount: \$3,500,000

Fund Source: MCCBL 2024 - *Rental Housing Works Program*

Collateral: Deed of Trust

Description: Belvedere Place Apartments project entails the construction of an 83-unit general occupancy rental community in Baltimore City. The project will include 83 units that are affordable to households with incomes at 30%, 50%, and 60% of area median income. A combination of CDA resources will be used including long-term and short-term tax-exempt bonds, a 4% Low-Income Housing Tax Credits, Rental Housing Works funds, and Multifamily Capital Funds. Additional funding sources include Baltimore City Housing Trust Funds, Baltimore City Housing HOME Funds, a BRIDGES Subordinate Loan, MEEHA and BGE Rebates, and deferred developer fee.

The developers are Winn Development Company L.P. BRIDGES Community Development Corporation and Unity Properties Inc.

**BOARD OF PUBLIC WORKS

6. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT (cont'd)

Pursuant to Maryland's commitment to reducing greenhouse gas emissions, conserving water resources, and enhancing Maryland's environment, the project scope of work includes the following:

1. The project complies with Green Building standards criteria from Green Building Initiatives to obtain a 'Silver' certification.
2. Air sealing and insulation testing will be conducted by Pando Alliance, a State-recognized RESNEC consultant.
3. All faucets and bath fixtures will use 'WaterSense' labeled products.
4. All appliances will be Energy Star Rated including refrigerators, ranges, bath exhaust fans as well as 'in-unit' individually metered washers and dryers for electricity.
5. All floorings will be quality and durable floor coverings.
6. All cabinetry to be durable hardwood quality.
7. Energy Star-rated lighting fixtures will be installed in all units and common areas.
8. The mechanical systems are designed to be highly efficient, with 15+ SEER ratings, programmable thermostats, and insulated plumbing pipes.

There are no recognized environmental conditions requiring remediation on the Project. However, the handling of future mold, moisture, and mildew is addressed within the design documents and the specifications.

Sources	Amount
Rental Housing Works (<i>this Item</i>)	\$3,500,000
Multifamily Capital Fund	\$6,000,000
MTEB	\$7,000,000
BRIDGES Subordinate Loan	\$6,000,000
Low Income Housing Tax Credit Proceeds	\$17,700,000
Deferred Developer Fee	\$847,367
Accelerator/HOME-ARP grant	\$2,000,000
Baltimore City HTF grant	\$1,000,000
MEEHA and BGE Rebates	\$76,775
Total Sources of Funds	\$44,124,142

The Maryland Department of Planning reviewed and approved the project for consistency with the Economic Growth, Resource Protection, and Planning Policy on October 29, 2024.

7. DEPARTMENT OF HOUSING AND COMMUNITY DEVELOPMENT
Shelter and Transitional Housing Facilities Grant Program

Recommendation: That the Board of Public Works approve the Department of Housing and Community Development lending general obligation bond proceeds as described.

Borrower: Family and Children's Services of Central MD dba Springboard Community Services

Project: Springboard Youth Training Center
206-210 E Lexington St,
Baltimore MD 21202

Authority: Section 2-102(a)(7), Housing and Community Development Article, Annotated Code of Maryland, as amended; Ch. 9, Laws of 2018; Ch. 14, Laws of 2019; Ch. 537, Laws of 2020; Ch. 63, Laws of 2021.

Shelter and Transitional Housing Facilities Grant Program (STHFGP) shall provide capital grant financing, in the amount of \$3,500,000 for local governments and nonprofit organizations to develop shelter, transitional, and other housing facilities for homeless individuals and families.

Repayment of the capital assistance is not required and is forgiven if the project is used as a shelter, transitional housing, or other housing facility for homeless households for 15 years.

Amount: \$3,500,000

Fund Source: MCCBL 2024 - *Shelter and Transitional Facilities Grant Program*

Collateral: Deed of Trust

Description: The Springboard Youth Training Center project consists of rehabilitation and adaptive use of 206-210 E. Lexington Street, Baltimore, MD 21202 into an approximately 20,000 square foot youth training center. The project will provide vocational and supportive services to 80 youths annually; onsite permanent supportive housing for six youths annually; and emergency shelter beds for twenty youths. The Shelter and Transitional Housing Facilities Grant (STHFG) will be used to finance eligible pre-development and construction costs.

The Maryland Department of Planning reviewed and approved the project for consistency with the Economic Growth, Resource Protection, and Planning on July 20, 2023.

Pursuant to Maryland's commitment to reducing Greenhouse Gas Emissions, conserving water resources, and enhancing Maryland's environment, the Project includes the following:

1. Mechanical systems will be high efficiency units with programmable thermostats.
2. All appliances will be Energy Star qualified.
3. All windows will be Energy Star qualified
4. All faucets and bath fixtures will use water sense labeled products.

There are no Recognized Environmental Concerns requiring remediation on this project.

8. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Bay Restoration Fund

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Maryland Water Infrastructure Financing Administration Act
Sections 9-1601--9-1622, Environment Article,
Annotated Code of Maryland

Project: Sudlersville Wastewater Treatment Plant ENR Improvements

Recipient: Town of Sudlersville

Amount: Up to \$93,360

Location: Queen Anne's County/Legislative District 36

Project Description: This project entails the planning, design, and construction of improvements to the Sudlersville Wastewater Treatment Plant (WWTP) at an existing design capacity of 0.200 million gallons per day (mgd). Though this facility underwent an Enhanced Nutrient Removal (ENR) upgrade that was completed in 2016, it has continuously struggled to meet its permit limits for a variety of reasons, resulting in a Consent Order executed on September 20, 2021. This project aims to correct the problem by rehabilitating portions of the existing plant and adding post-anoxic reactors to provide a more reliable means of nitrogen removal. Upon completion of these improvements, the plant will achieve its original goal of 83% reduction in nitrogen and 90% reduction in phosphorus. This will reduce nutrient loading to Red Lions Branch, a tributary of the Upper Chester River, which ultimately flows to the Chesapeake Bay. It will also help to resolve a compliance action. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce risks to such projects. This board action provides funding for planning and design. A future action will address construction.

Project Funding Sources:

Bay Restoration Fund Grant BR-NR 06.18 (<i>this Item</i>)	\$ 93,360
Local Share	<u>\$ 30,420</u>
Total Estimated Planning and Design Cost	\$ 123,780

Comprehensive Flood Management Grant Program
Section 5-803, Environment Article, Annotated Code of Maryland

Project: Smith Island Clean Water Project

Recipient: Somerset County Sanitary District

Amount: Up to \$893,423

Location: Somerset County/Legislative District 38A

Project Description: This multi-phase project entails the planning, design, and construction of a new Enhanced Nutrient Removal (ENR) wastewater treatment plant (WWTP) at a design capacity of 40,000 gallons per day (gpd) and the upgrade of the wastewater collection and conveyance system. Upon completion of the ENR facilities, the new WWTP, located in Ewell, will be capable of achieving an effluent concentration goal of 3.0 mg/L for Total Nitrogen and 0.3 mg/L for Total Phosphorus. This will allow 83% reduction in nitrogen and 90% reduction in phosphorus, reducing nutrients to the Frances Gut and ultimately to the Chesapeake Bay. In addition, the project includes decommissioning of the existing Tylerton WWTP, an overhaul of three existing pumping stations, and the construction of a new sanitary force main for the conveyance of wastewater from Tylerton to the new Ewell WWTP. This project is being constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce risks to such projects.

Project: Calvert Hills/College Park Storm Drain Improvements

Recipient: Prince George's County

Amount: Up to \$5,000,000

Location: Prince George's County/Legislative Districts 21-22

Project Description: Prince George's County, in collaboration with College Park, is proposing a storm drain improvement project to alleviate systemic flooding problems in the Calvert Hills area of College Park. The proposed project includes the following components: adding new storm drain pipes and systems, installing a new underground stormwater storage vault, upgrading current road culverts, and improving and maximizing conveyance of flows and stormwater runoff capacity in the existing open channels and drainage systems. This project is consistent with Maryland's climate change adaptation and resiliency objectives through the reduction of runoff that is exacerbated by increased precipitation or flooding events.

12. MARYLAND DEPARTMENT OF THE ENVIRONMENT
Comprehensive Flood Management Grant

Recommendation: That the Board of Public Works approve new funding as described.

Authority: Comprehensive Flood Management Grant Program
Section 5-803, Environment Article, Annotated Code of Maryland

Project: Frederick Avenue High Water Warning & Detection System

Recipient: Mayor and City Council of Baltimore

Amount: Up to \$221,250

Location: Baltimore City/Legislative District 41

Project Description: The project involves the mitigation of flood risk in the Frederick Avenue corridor by the posting of flood warning signage. Flood events over the past years have adversely impacted residences and businesses located here. Scope will include installation of solar powered high water sensors, signal transmitters, and signaled warning signage to deter motorists and road users. Completion of this work will provide early warning to travelers and residents of possible flood conditions on the portion of Frederick Avenue historically affected by flood events. This project will be constructed in accordance with coastal and non-coastal resiliency guidelines developed as part of the Coast Smart Program to reduce risks to such projects.

Project Funding Sources:

Comprehensive Flood Mgt Grant FMG 01.03 MCCBL 2021-21536 (this Item)	\$ 221,250
Local Share	<u>\$ 98,750</u>
Total Estimated Project Cost	\$ 320,000

State Clearinghouse: MDE has determined that its recommendation is consistent with Maryland's State Clearinghouse comments and recommendations.

**13. MARYLAND ENVIRONMENTAL SERVICE
Jessup Correctional Institution, Anne Arundel**

Construction Contract: JCI Boiler Controls Upgrade
MES Project # 1-25-4-47-5

Description: Upgrade of the boiler control system for the four boilers at the Jessup Correctional Institution steam plant.

Procurement: Competitive Sealed Bids

Bids: Power and Combustion, Inc.; Baltimore, MD \$1,382,900
American Combustion Industries; Glenn Dale, MD \$1,755,099

Award: Power and Combustion, Inc.

Amount: \$1,382,900

Term: 11 months from Notice to Proceed – June 26, 2026

MBE Participation: 15%

Remarks: The boiler controls have aged and become obsolete since they were automated in 2012. A 2016 notification from the Original Equipment Manufacturer of the control system noted a lack of repair part component availability and expiring electrical approvals as the reason for product retirement. This poses a challenge in the event of an unscheduled control system outage where a suitable long term repair option is unlikely. The purpose of this contract is a full boiler control system upgrade to resolve the challenges associated with operating an obsolete system. The upgrade will address service delivery deficiencies, optimize system performance, increase system reliability, and assure compliance with applicable safety and industry standards.

14. MARYLAND STATE RETIREMENT AGENCY

Recommendation: The Board of Trustees of the Maryland State Retirement and Pension System request the Board of Public Works approve the appointment of Joanna D. Pratt as a public member of the Investment Committee of the Board for a three-year term beginning July 17, 2025.

Authority: Section 21-115(b)(2), State Personnel and Pensions Article, Annotated Code of Maryland

Remarks: Joanna D. Pratt meets all of the requirements to serve as a public member. State Personnel and Pensions Article Section 21-115 (b)(2) provides that this appointment will be by the Board of Public Works for a term of three years.

MBE Compliance (Construction Services): 0%

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
July 16, 2025**

15. MARYLAND STADIUM AUTHORITY (cont'd)

Remarks: The Board of Public Works approved the contract with Clark Construction Group, LLC (“Clark”) for pre-construction services at its meeting on October 2, 2024 (Secretary’s Agenda, Item 19) and GMP #1 on May 7, 2025 (Secretary’s Agenda, Item 14). The Authority represented that it would return with a recommendation to enter into a Guaranteed Maximum Price contract for construction services if the performance of the preconstruction services is satisfactory and an acceptable price is negotiated.

The procurement process for this GMP occurred as follows:

On March 26, 2025, Clark advertised bid packages for Pre-engineered Fabric Structures and Pre-engineered Metal Buildings in the following publications/services: eMaryland Marketplace Advantage, MSA’s website, Clark’s website, Maryland Washington Minority Companies Association (MWMCA) website and via direct solicitation.

On April 4, 2025, Clark hosted a virtual Trade Contractor Outreach Event at Pimlico. The event was open to the public and allowed trade contractors interested in the packages being procured under GMP#2, as well as future GMP packages, to obtain information specific to the project’s scope and schedule and to participate in a site walk of the Pimlico Racing Facility.

On April 8, 2025, competitive sealed trade contractor bids were received and opened using Clark’s online bidding system (BuildingConnected). MSA was present for the opening of bids. Post-bid scope review meetings were conducted to ensure the bids were both responsive and complete.

Clark has demonstrated good faith effort to satisfy the MBE overall goal of 35% as well as the subgoals of 8% African American and 11% Women Owned business established for the Project.

MSA will submit additional GMP submissions to the Board of Public Works for approval in the future.

Authority: Chapter 590 Acts of 2022 codified in part in Title 10 subtitle 6 of Economic Development Article, Annotated Code of Maryland.

Fund Source: The Racing and Community Development Financing Fund (Economic Development Article § 10-657.2) funded with lottery deposits pursuant to State Gov’t Article § 9-120.

MBE Participation (GMP 1 - 17): 35.84%

MBE Subgoals: African American 8%
Women 11%

MBE Compliance: 22.46%

Remarks: Reference is made to Secretary's Agenda, Item 13 (5/17/2023) in which the Stadium Authority stated that it "[I]ntends to return with a recommendation to award several Guaranteed Maximum Price contracts providing pre-construction performance is satisfactory."

The procurement process for GMP Package #17 proceeded as follows:

Starting on March 5th, 2025 Gilbane advertised the project for trade contractor participation in the following publications/services: eMaryland Marketplace Advantage, Maryland Stadium Authority website, Maryland Washington Minorities Companies Association, and via direct solicitation. An MBE outreach event was previously conducted by Gilbane and a pre-bid site walkthrough was held at M&T Bank Stadium. Attendees were provided with summary project information.

**BOARD OF PUBLIC WORKS
SECRETARY'S
ACTION AGENDA
July 16, 2025**

16. MARYLAND STADIUM AUTHORITY (cont'd)

Remarks (cont'd):

Gilbane advertised packages for final cleaning, demolition, concrete, masonry, millwork, roofing, glass / curtain wall, resinous flooring, paint, drywall / ceilings, fire protection, HVAC /plumbing, electrical / FA, and telecom / AV / security. Competitive bids were received between March 28th and April 23rd on various due dates by representatives from Gilbane.

Post-bid scope review meetings with selected trade contractors began on April 7th, 2025 to ensure that the bids were both responsive and complete. Post bid scope review meetings were conducted virtually, and Gilbane and MSA representatives were in attendance.

Gilbane submitted GMP #17 Package on June 17th, 2025.

Future GMP Package(s) will be presented to the Board of Public Works for approval.

The overall MBE participation goal for the construction phase of this project was set at 35% with sub-goals of 8% African American-owned and 11% Women-owned. The MBE goal for this project is a total goal inclusive of all GMPs. There are no GMP specific goals. This is the seventeenth of several anticipated GMPs.

Gilbane has demonstrated the good faith effort required to satisfy the goals of the MBE program and remains committed to meeting the MBE participation goals established for the Project.

4A. RURAL LEGACY PROGRAM FUNDS
Worcester County

Recommendation: Approval to grant \$277,079.65 to **Worcester County**, from Rural Legacy Funds to acquire a 26.40-acre conservation easement.

Bishopville-Showell Rural Legacy Area – Drew Property

Prior Approval: Rural Legacy Area Grant for easement acquisitions:
DNR-RP Item 14A (12/01/2021) \$760,000 for FY 2022
DNR-RP Item 15A (10/12/2022) \$701,879 for FY 2023

Project Description: Acquisition of this conservation easement will preserve productive prime farmland that contributes to the agricultural economy in an area of small working farms. The property is partially within the St. Martins River and Isle of Wright Bay watershed and partially within the Assawoman Bay watershed. The easement will also protect the scenic views along St. Martins Neck Road. This Rural Legacy easement, RL No. 35574, will be held by the County Commissioners of Worcester County.

Charles County

Recommendation: Approval to grant \$196,646.47 to **The County Commissioners of Charles County**, from Rural Legacy Funds to acquire a 49.00-acre conservation easement.

Nanjemoy-Mattawoman Forest Rural Legacy Area – Gaines Property

Prior Approval: Rural Legacy Area Grant for easement acquisitions:
DNR-RP Item 14A (12/1/2021) \$1,111,942 for FY 2022

Project Description: Acquisition of this conservation easement will protect 36.80 acres of woodlands, and 12.2 acres of forested nontidal wetlands. This easement will preserve approximately 1,200 linear feet of forested buffer along Beaverdam Creek, which flows to Nanjemoy Creek, and then the Potomac River. Preservation of this property will add to a conserved area of critical wildlife habitat, as well as woodlands and wetlands that protect water quality. This Rural Legacy easement, RL No. 35577, will be held by the County Commissioners of Charles County.

Easement Value: \$227,906.46 (\$4,651.15 per acre)

Purchase Price: \$171,515.40 (\$3,500.32 per acre)

7A. PROGRAM OPEN SPACE STATE SHARE
Wicomico County (OSB Holdings, LLC)

Recommendation: That the Board of Public Works approve the acquisition.

Description: This mostly forested property is located along Nanticoke Road and surrounded on three sides by Chesapeake Forest Lands. The property will be managed by the Maryland Forest Service. The Maryland Forest Service manages working forest lands to produce sustainable forest products and provide for outdoor recreational opportunities, helping to maintain the local resource-based economy. Acquisition will simplify boundary management, expand public recreational opportunities for hunting and birding, and add to an existing contiguous forested block of conserved lands.

POS Scoring System: 87 out of 100

Targeted Ecological Area: Yes

8A. PROGRAM OPEN SPACE STATE SHARE

St. Mary's County, State Highway Administration (SHA) Real Property Exchange

Recommendation: That the Board of Public Works:

- (i) Declare 1+/- acre of Point Lookout State Park surplus; and
- (ii) Approve DNR to exchange the surplus real property for 2.399 +/- acres of SHA owned property that will improve Park access and security.

Property Owner: Maryland State Highway Administration (SHA) – POS 35575

Description: SHA has made road improvements to Maryland Route 5 and created a shared use path for pedestrians and bicyclists. SHA needs 1 +/- acre from DNR to accommodate road improvements and the shared use path. In exchange, SHA is conveying a portion of the road beyond the Point Lookout State Park entrance, comprised of 2.399 +/- acres, which will improve Park access and security. SHA has paid costs associated with the exchange.

Authority: DNR may exchange real property less than 5 acres and is exempted from appraisal, Clearinghouse, and other requirements set forth in State Finance & Procurement Article §§ 5-301 through 5-311. *See Natural Resources Article 1-109(e)(3)(i)*

Notification: Notifications to the Legislature, County Government and adjacent owners have been completed pursuant to Article XII of the Maryland Constitution, Natural Resources Article Section 1-109(e)(3)(ii)1B&C and State Finance & Procurement Article Section 10-305(b)(2)(ii).

9A. WILDLIFE MANAGEMENT AREA
Charles County (Cecchini)

Recommendation: That the Board of Public Works approve the Department of Natural Resources incorporating a Notice of Federal Participation in the deed to property that will become a newly designated Wildlife Management Area so that the value of the property can be used as match for a federal grant for land management of the Department’s statewide wildlife management area system.

Authority: State Finance and Procurement, Section 10-305,
which provides for “Disposal of real or personal property of the State;
conditions, consideration”.

Prior Approval: The Board of Public Works approved DNR to acquire 70.56 acres on Swanson Creek from Louis R. Cecchini, *et al.* as DNR-RP Item 6A (February 12, 2025).

Description: This proposal will allow the Department to use the acquisition value of the Cecchini property as a match to a U.S. Fish and Wildlife Service wildlife management grant. The U.S. Fish and Wildlife Service allows the value of land managed for wildlife and purchased with non-federal funds as match for the operation and maintenance of the State’s wildlife management area system. The Cecchini property will be acquired with state Program Open Space funds. A condition of the grant is the Department will identify in the deed the federal interest in the title of the real property and will record with the deed a Notice of Federal Participation that further describes the purpose of the acquisition and outlines the terms and conditions of the grant.

Background: The Department’s wildlife management area system is comprised of 65 wildlife management areas totaling over 128,000 acres located throughout the state. Land management, grants have been provided by the U.S. Fish and Wildlife Services for over 35 years to provide funding to these areas for wildlife habitat and public access for wildlife-oriented recreation. The grants have a match requirement of 25% state and 75% federal for total outlay during the grant period. Recognizing the State’s purchase value of the Cecchini property will allow the Department to leverage significant federal funds for management of the State’s wildlife management area system.

Board of Public Works
Department of Natural Resources – Real Property
Supplement
July 16, 2025

9A. **WILDLIFE MANAGEMENT AREA** *(cont'd)*
Charles County (Cecchini)

Notice of Federal Participation: Once acquired, the property will remain state-owned property. The U.S. Fish and Wildlife Service requires that the property deed include a Notice of Federal Participation. The ramifications of incorporating a Notice of Federal Participation in the deed for this property are as follows:

1. The property must remain in the wildlife management area system.
2. The property must continue to provide habitat for wildlife and remain open to the public for hunting and other wildlife-oriented recreation.
3. If the conditions of #1 and #2 above are not met, mitigation will be required by the U.S. Fish and Wildlife Service to replace the value of the area.

The Department has reviewed the language of the Notice of Federal Participation and has found it consistent with its management of the State's wildlife management area system.

Clearinghouse: The Clearinghouse has previously concluded, after consultation with the Office of the Attorney General, that incorporating a Notice of Federal Participation does not require Clearinghouse review.

2-S-OPT. UNIVERSITY OF MARYLAND, COLLEGE PARK
Service Contract – First Renewal Option

Contract ID: Master On-Call Contracts for Zero Emission Electrical Vehicle
Fleet Transition Studies, RFP No. 130982

Prior Approval: USM Item (3-S 7/5/2023)

Contractors:

*CLEAResult Consulting, Inc.	Columbia, MD
ERG	Concord, MA
Siemens Industry, Inc.	Schenectady, NY
Guidehouse, Inc.	New York, NY
Kittleson & Associates, Inc.	Orlando, FL

***Note:** Energetics was one of the original awardees, but was acquired and thus replaced by CLEAResult Consulting Inc.

Contract Description: Multiple awards to qualified consultant firms to perform feasibility studies at various locations at the University of Maryland College Park and other institutions of the University Systems of Maryland, on an as-needed basis, for the conversion of the existing fleet of State-owned internal combustion engine (ICE) vehicles with electric vehicles. This is in support of the University System of Maryland commitment to implement a Zero-Emission fleet by 2035.

Option Description: Exercise first renewal option

Original Term: 7/3/2023 – 7/2/2025 (2-year base w/ three 1-year renewal options)

No-Cost Extension: 7/3/2025 – 8/2/2025 (See Requesting Institution Remarks)

Option Term: 8/3/2025 – 8/2/2026 (first renewal)

Option Amount: \$ 2,000,000 (first renewal-not-to-exceed)

Amount:

\$3,000,000 (not to exceed) 2-year base term
\$2,000,000 (not to exceed) 1 st renewal option
\$2,000,000 (not to exceed) 2 nd renewal option
<u>\$2,000,000</u> (not to exceed) 3 rd renewal option
\$9,000,000 (not to exceed Total)

Revised Contract Amount: \$5,000,000

Original Procurement Method: Competitive Sealed Proposals-Qualification Based Selection

Service Contract – First Renewal Option

MBE Participation: 10%

MBE Compliance: 13.14%

Performance Security: N/A

Fund Source: Fund Sources will be presented on each task order award item exceeding \$1 million.

Requesting Institution Remarks: Renewal is recommended for the five (5) firms based on satisfactory job performance. Implementation will be on a task order basis with no guarantee of award to any of the firms. The University will conduct secondary competition among the five (5) awarded firms for specific tasks and seek BPW approval for any task orders that exceed \$1 million in value. The University experienced delays in obtaining tax clearances for some awardees necessitating a no-cost extension to this contract in order to present the first option renewal to the Board of Public Works for approval.

Fund Source: Fund sources vary depending on the project or task order and the Institution placing the order.

MDOT 2

1-AE-MOD. MARYLAND TRANSPORTATION AUTHORITY (cont'd)

Requesting Agency Remarks: This consulting contract encompasses comprehensive preliminary and final design services associated with the preparation of construction contract plans and documents as directed by MDTA.

MDTA is requesting approval of this essential modification to ensure the continuation of services for existing assigned tasks, including design and preliminary engineering services for the construction of capital projects, as well as inspection, evaluation, and engineering studies for strategic efforts to maintain MDTA's assets. Additionally, the funding is needed for other critical ongoing tasks. Governor Moore signed an Executive Order on November 17, 2023, that authorizes Project Labor Agreements (PLA) for construction projects. The decision to require the use of a PLA is made on a project-by-project basis after a feasibility study is performed. At the time that this contract was developed, the number of projects MDTA considered for a project labor agreement was small, determined on a case-by-case basis, and outside of the standard project development process. The Executive Order requires that a larger pool of projects consider use of a PLA, becoming a standard consideration in the development of construction projects. Studies performed to consider the use of and demonstrate the benefit of a PLA were not contemplated at the time of contract award and resulted in an increase in contract spend. New regulatory changes in environmental permitting, including resiliency reviews, have necessitated more extensive designs, reviews, and coordination for both new and existing construction projects. There have also been increased wage rates for architectural and engineering design services. Furthermore, there is a heightened focus on project communication for public outreach across various media platforms, leading to increased project development costs. MDTA has determined that the funding for the existing contract will be depleted before the new contract is procured. The contract modification is solely for funding, with an anticipated award date of 2026 for the new contract. The new solicitation was advertised on eMaryland Marketplace Advantage on April 30, 2025. Eight modifications were presented to the Board of Public Works: six in August 2024, one in November 2024, and one on July 2, 2025. This will be the final modification in the contract series.

Per BPW Advisory 2001-1, the MDTA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goals. A 24% MBE goal was established for the contract. STV Incorporated/Jacobs Engineering Group, Inc. is on target to reach the MBE goal although current compliance is at 16.73%. This Contract is currently at 20.4% committed for MBE subconsultants use by the Joint Venture. While the current billing amount for MBE is at 16.73%, this percentage will increase as the MBE firms perform work over the remaining term of the contract and invoice for charges on their committed tasks. Work to be conducted by the certified VSBE subcontractor has yet to be assigned and will occur later on the contract to achieve participation compliance of 1%.

2-RP. MARYLAND PORT ADMINISTRATION
Real Property – Acquisition

Recommendation: That the Board of Public Works approve the Maryland Port Administration (MPA) acquiring real property.

Authority: Transportation Article, § 6-301
Annotated Code of Maryland

Property: Genesee Hedrick, Inc. (±8.2 acres), located at 1717 Rayville Road
Parkton, Baltimore County

Grantor: Genesee Hedrick, Inc.

Grantee: State of Maryland, MPA

Consideration: \$150,000

Appraised Value: \$150,000 – John Hentschel, (Selected)
\$131,200 – LouAnne Cline, (Approved)
Lisa Ward, Review Appraiser

Requesting Agency Remarks: Genesee Valley Outdoor Learning Center (GVOLC), located at 1717 Rayville Road, has been chosen as the offsite location for compensatory nontidal wetland mitigation required as a result of the construction of MPA's Cox Creek Expanded Dredged Material Containment Facility (DMCF) +60' Dike Raising and Expansion project. The U.S. Army Corps of Engineers (USACE) requires a Conservation Easement for the MPA mitigation work at GVOLC.

MPA proposes to acquire 8.2 acres of the ± 69-acre subject property for placement into a Conservation Easement over the subject property owned by Genesee Hedrick, Inc. This transaction is required for mitigation associated with certain permits (issued by MDE & USACE) for the Cox Creek DMCF located at 1000 Kembo Road, Curtis Bay, MD. The property will be acquired at a cost of \$150,000, which is 100% of the appraised value.

DBE Participation: Federal Transit Administration, Transit Vehicle Manufacturer
(See Agency Remarks)

Performance Security: None

Hiring Agreement Eligible: No

Incumbent: None

Requesting Agency Remarks: This solicitation was advertised via eMaryland Marketplace Advantage (eMMA) on April 25, 2023, as a Request for Proposal. Proposals were due on August 22, 2023. A total of 139 firms were solicited through eMMA, and 10 firms were directly solicited. A total of five firms submitted technical proposals in response to the solicitation. During the evaluation phase one of the firms American Bus and Truck, withdrew their proposal, due their manufacturer going out of business. After review by the Evaluation Committee, four firms were selected for award for an aggregated contract value not to exceed \$94,814,458.00. The Maryland Transit Administration (MTA) requested an extension to the duration of proposals; the four firms agreed .

These contracts enable the MTA to purchase from four medium sized vehicle types, with trucks and buses as the main vehicle types, to be supplied throughout the contract term, for LOTS, and a maximum of 113 vehicles can be ordered under the contract. The maximum number of vehicles was based on a schedule to replace vehicles whose useful life has been exhausted, or to expand the MTA LOTS fleet on an as needed basis. The variation in vehicle type is dependent upon the different vehicle options, those options include: regular gas; diesel; compressed natural gas; battery electric transmission types.

The MTA manages a number of funding programs comprised of federal and State funds which support transportation providers throughout the State. These programs benefit both public transportation and specialized transportation services, LOTS, the Intercity Bus Program, Rideshare Programs, as well as statewide coordination of Human Services initiatives.

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA
July 16, 2025

MDOT 7

3-GM. MARYLAND TRANSIT ADMINISTRATION (cont'd)

The MTA Procurement Review Group reviewed the contract scope of work and since this contract is federally funded for vehicle purchases, no goals could be set by the MTA. In the case of vehicle purchases using federal funding, a transit vehicle manufacturer (TVM) is required per 49 CFR § 26.49 to submit a certification that it has complied with FTA's DBE requirements. The FTA solely assigns and tracks DBE goals. FTA's website contains a list of current certified TVMs: <https://www.transit.dot.gov/regulations-and-guidance/civil-rights-ada/eligible-transit-vehicle-manufacturers>. The vehicle manufacturer Forest River's DBE goal for FY25 is 1.57%.

Requesting Agency Remarks: The solicitation was advertised on eMaryland Marketplace Advantage (eMMA) on May 1, 2024, as an Invitation for Bid (IFB), where 733 vendors were solicited, and an additional two vendors were direct solicited via email. The bid due date was May 31, 2024. On the date of the public bid opening two bids were received from RIMA Chemical Company and Barnes Paving and Trucking, Inc, which was identified as the Apparent Lowest Bidder (ALB).

DEPARTMENT OF TRANSPORTATION
ACTION AGENDA

MDOT 9

4-M. MARYLAND TRANSIT ADMINISTRATION (cont'd)

Remarks (cont'd):

Procurement conducted an initial review of the ALB's bid and determined that the bid was responsive and responsible. When comparing the price to the Engineer's Estimate of \$3,377,500.00, the bid came in approximately 1% lower. The Project Manager reviewed the information provided and agreed with the decision to move forward with Barnes Paving and Trucking, Inc.'s bid.

The MTA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE goals, as well as a Small Business Preference or Reserve designation. A 25% MBE participation goal was established for this contract and Barnes Paving and Trucking LLC has committed to achieve 25%. No VSBE participation goal was established was established for this contract.

On April 10, 2023, Maryland Works granted a waiver for the MTA to proceed with the procurement opportunity.

5-M. MOTOR VEHICLE ADMINISTRATION (cont'd)

Requesting Agency Remarks: A notice of availability of an Invitation for Bids (IFB) was posted on eMaryland Marketplace Advantage on April 16, 2025, notifying 1577 potential contractors. 23 bids were received and opened on May 13, 2025. 5050 Solutions, LLC has been found responsible, and its bid is deemed responsive.

Cleaning supplies shall be purchased from Blind Industries and Services of Maryland (BISM) as identified in the solicitation. BISM offers a variety of environmentally preferred products, including a list of designated recycled products, Green Seal, EcoLogo, and FSC certifications.

MVA has confirmed 5050 Solutions, LLC's bid price, and the work conducted on this contract will be performed by a state-certified Minority Business Enterprise and Small Business. It was determined that this contract involves a single element of work and therefore does not present any subcontracting opportunities. As a result, no Minority Business Enterprise (MBE) or Veteran-Owned Small Business Enterprise (VSBE) participation goals were established for this contract.

On March 24, 2025, Maryland Works granted a waiver for the MVA to proceed with the procurement opportunity.

6-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks: This solicitation was advertised on eMaryland Marketplace Advantage (eMMA) on April 01, 2025, notifying 181 potential contractors, 924 of which were MDOT-certified Minority Business Enterprises (MBEs). Maryland Works granted a waiver for these services. The State Highway Administration (SHA) directly solicited nine contractors. Three bids were received and opened on May 1, 2025. There were no protests filed for this contract.

SHA and their contractors work together to select materials from the SHA Qualified Products List that are green, sustainable, and designed to minimize environmental impacts throughout their life cycle.

SHA has confirmed Guardrails Etc., Inc.'s bid price and the work conducted on this contract is performed by a state-certified Minority Business Enterprise.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal as well as a Small Business Reserve designation. A 0% MBE goal was set for this project based on the contract having a single element of work. No VSBE participation goal was set due to a lack of certified firms to perform these services

MDOT 20

9-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

The advertisement was for a State Highway Administration (SHA) statewide multi award contract to award three contracts, for maintenance of traffic for inspection of structures and highways. SHA directly solicited 10 contractors. Six bids were received and opened on March 27, 2025. Maryland Works granted a waiver for these services. A protest was electronically sent on April 1, 2025, from Titan Industrial Services indicating that the bid of the apparent low bidder be rejected based on unreasonable and unrealistic prevailing wage rate quotation in their bid. They also stated that the bid submitted by Professional Facility was unbalanced due to the hourly wage listed for the Traffic Foreman.

The protest was later withdrawn on April 2, 2025. Of the six bids received, two were deemed non-responsive and two were rejected. One bid was deemed non-responsive because it exceeded the maximum allowable participation by the prime contractor of 50% towards satisfying the MBE goal, and the other bid was deemed non-responsive because they were unsuccessful in their MBE waiver application. Additionally, the two bids that were rejected were due to high percentage deviation from the engineer's estimate respectively (90.39% and 111.52% over the engineer's estimate).

This Maintenance of Traffic contract is for safety support of the traveling public.

SHA has confirmed Titan Industrial Services, Inc.'s bid price.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal as well as a Small Business Reserve designation. A 30% MBE goal was set for this contract, however the awardee has committed to exceeding the goal by 0.01% for a 30.01% participation goal. No VSBE participation goal was set due to a lack of certified firms to perform these services.

July 16, 2025

MDOT 22

10-M. STATE HIGHWAY ADMINISTRATION (cont'd)

Requesting Agency Remarks (cont'd):

The initial low bidder was rejected due to non-compliance with the contract documents and specifications pursuant to COMAR 21.06.01.01 and 21.06.02.03, the required payment and performance bonds were not obtained. The award is being made to the second low bidder. The third low bidder was rejected due to the non-responsiveness of the bid at bid opening, due to not meeting the MBE goal. There were no protests filed for this contract.

This Maintenance of Traffic contract is for safety support of the traveling public.

The single bid received from the low bidder as compared to former bids for similar projects within Districts were found to be comparable. Using the comparison and an additional review of previous work performed within the districts, the single bid was found to be fair and reasonable. SHA monitored the plan holders list during the open solicitation. An adequate number of plan holders was documented prior to bid opening. However, at the time of bid opening, a single bid was received.

The State Highway Administration has confirmed A. Marquez Trucking, Inc's bid price and the work conducted on this contract is performed 100% by a state-certified Minority Business Enterprise Small Business.

Per BPW Advisory 2001-1, the SHA Procurement Review Group reviewed the contract scope of work to determine the potential for establishing MBE and VSBE participation goal as well as a Small Business Reserve designation. A 4% MBE goal was set for this project based on the minimal number of MBE firms located within the geographical area of the work certified with the NAICS code(s) to perform the project activities. No VSBE participation goal was set due to a lack of certified firms to perform these services.

14-LL. **THE SECRETARY'S OFFICE**
Lease/Landlord

Recommendation: That the Board of Public Works approve the State Highway Administration (SHA) leasing real property as landlord.

Authority: State Finance and Procurement Article, § 10-305
Annotated Code of Maryland

Property: Item# 39737
Garden Construction Company (± 0.746 acres), located at 1719 Belmont Avenue in Windsor Mill, Baltimore County.

Landlord: State of Maryland, SHA

Tenant: BEC Management, Inc

Space Type: Gravel lot for parking cars

Lease Type: Renewal (Continued use)

Lease Term: Three years (09/01/2025-09/01/2028)

Effective Date: September 1, 2025

Annual Rent: \$1,685.25 per month

Requesting Agency Remarks: The subject property has been under an existing lease since 2008. TSO proposes a 3-year lease renewal to the above tenant for the purpose of storage of automobiles, trucks, and two removable trailers to be used as a temporary office to accommodate the business. This item was previously withdrawn under Item 12-LL from the April 23, 2025, BPW Agenda.

**5-CGL. CAPITAL GRANTS AND LOANS
 *Department of Health***

Recommendation: That the Board of Public Works approve a grant of \$2,469,596.00 to **Project PLASE, Inc. (PPI)**, (Baltimore City).

Project: Renovation of PPI's facility located at 3549-3601 Old Frederick Road, Baltimore, Maryland 21229. Renovation of Grantee's 60,000+ sq. ft. facility will create 56 new, permanent, supportive housing units for formerly homeless veterans, and create 34 transitional housing units for low-income, homeless individuals in addition to providing other necessary services for those suffering from mental illness and substance use disorders.

General Contractor: The Whiting-Turner Contracting Company, 300 East Joppa Road, Towson, Maryland 21286.

Fund source: The Maryland Department of Health has determined the grantee is required to provide a 25% local share of the eligible project cost.

Construction	\$4,303,941.00	
Eligible Project Cost	\$3,292,795.00	
State Share (75%)	\$2,469,596.00	MCCBL 2023/2024, CB-06608-01; CB-06609-01
Grantee Share (25%)	\$ 823,199.00	Home Depot Grant; VA Homeless Providers Grant

Remarks

1. Grantee is a nonprofit organization.
2. In accordance with *Subtitle 6 of Title 24 of the Health-General Article of the Annotated Code of Maryland*, the Board's approval is further contingent upon the State's right of recovery being included in the Deed(s) or otherwise recorded among the Land Records of Baltimore City.
3. No State funds will be disbursed until the grantee has presented suitable evidence to the OFMD that it has expended the required matching funds.

*Higher Education Commission***

Recommendation: The Board of Public Works authorize that funds be encumbered for the following grant:

Community College of Baltimore County – Catonsville Campus
Student Services Center Renovation and Expansion – Construction
(CC-04-MC22/23/25-475)

The project is to renovate and expand the existing 23,288 NSF/39,357 GSF Student Services Center at the Community College of Baltimore County Catonsville campus. The building no longer meets the requirements to serve as the primary focal point for student-related services. Modern design and functional requirements cannot be met by design and function elements incorporated into the original 1972 construction. Additionally, the facility does not meet code requirements and building systems have passed their useful lives. This project will replace systemic infrastructure, reconfigure spaces, correct code deficiencies, enhance energy efficiency, and address life-safety issues.

Sustainability features of the project include upgrade of the mechanical and electrical systems to create improved efficiencies, the installation of LED fixtures throughout the facility, and replacement of the building's roof, windows, and doors to improve overall energy performance. LEED certification of Silver or greater will be sought.

Fund Source: MCCBL 2024; Item 191 “Provide funds to assist the subdivisions in the acquisition of property and in the design, construction, renovation, and equipping of local and regional community college buildings, site improvements, and facilities...” **\$3,953,000**

Recommendation: The Board of Public Works authorize that funds be encumbered for the following grant:

Community College of Baltimore County – Essex Campus
Switchgear and Distribution System Replacement – Design and Construction
(CC-05-MC24/25-486)

The project is to replace the primary electric switchgear lineup and significant portions of the electrical distribution infrastructure at the Essex Campus of the Community College of Baltimore County. The existing electrical switchgear lineup and distribution infrastructure dates to 1974 and is past its expected useful life. A major failure of either switchgear or the distribution system would cause significant disruption to campus operations. The existing switchgear lineup has a projected remaining useful life of 2-4 years and shows visual evidence of age and wear. The electrical distribution infrastructure to be replaced includes aging transformers and medium voltage conductors in campus duct banks. Additionally, the project will include installation of additional duct banks, restoration of collapsed conduits, relocation of utilities, construction of improvements to the manhole system, and replacement of service entry panels.

Fund Source: MCCBL 2024; Item 191 “Provide funds to assist the subdivisions in the acquisition of property and in the design, construction, renovation, and equipping of local and regional community college buildings, site improvements, and facilities...” **\$2,639,000**

Higher Education Commission

Recommendation: The Board of Public Works authorize that funds be encumbered for the following grant:

Anne Arundel Community College
Florestano Building Renovation – Construction/FFE (CC-11-MC23/24/25-480)

The project is to renovate the first three floors of the Florestano Building to repurpose the facility into a "one-stop" student services center at the Anne Arundel Community College Arnold campus. The building was constructed in 1993 and housed the School of Health Sciences until 2021. The renovated facility will house the Departments of Enrollment Services, Student Success, and Student Development, as well as conference and lounge space.

Sustainability features include updating the building's lighting, plumbing, and electrical systems for efficiency. A minimum LEED rating of Silver (or approved equivalent) is required.

Fund Sources: MCCBL 2024 *Provide funds to assist the subdivisions in the acquisition of property and in the design, construction, renovation, and equipping of local and regional community college buildings, site improvements, and facilities... Recommendation: The Board of Public Works authorize that funds be encumbered for the following grant:

**Montgomery College – Rockville Campus
Library Renovation – Construction/FFE (CC-01-MC23/24/25-483)**

The project is to renovate the first three floors, totaling 31,069 NSF / 62,282 GSF, of the Montgomery College Rockville Campus Macklin Tower which houses the campus library. The project will address current facility problems and the programmatic needs of the library. The project will include a complete interior renovation and reconfiguration of each floor including modernization and upgrades to building systems and equipment serving these floors. The project will be phased so as to keep the Library operational in its current location during construction.

Sustainability features of the project include attaining LEED Silver designation or better. The building's mechanical, electrical, and plumbing systems will be analyzed and upgraded to achieve efficiency.

**11-C. CONSTRUCTION CONTRACT
*RETROACTIVE - Department of General Services***

Contract ID: Replace Emergency Generator at Comptroller Income Tax Building; BA-631-221-003

ADPICS No.: 001B5600514

Contract Description: *RETROACTIVE* approval to use Sole Source Contract for continuity for work that was necessary to address issues found during the construction of the project. The additional work included replacing the existing panel, modifying the exhaust pipe, replacing the safety barrier, addressing noise concerns identified during construction, and covering rental costs associated with a temporary generator that was necessary to have in place to ensure continuity of operations.

Award: Bethel Electrical Construction Co. of Maryland, LLC,
Baltimore, MD
(MBE) (Certified Small Business)

Contract Term: 01/31/2024 - 07/16/2025 (**Retroactive**)
07/17/2025 - 07/29/2025 (Proactive)

Amount: \$88,210.13 (**Retroactive**)
\$ 4,642.64 (Proactive)

Procurement Method: Sole Source

MBE/VSBE Participation: 0% / 0%

Incumbent: Same

Performance Security: Performance and payment bonds for 100% of contract amount.

Requesting Agency Remarks: A contract in the amount of \$154,225.00 was initially approved under DGS delegation on January 24, 2023. Due to equipment delivery delays, rejection of the initial installation, and the need to extend the project timeline due to repairs needed to be made by the manufacturer and supplier, this contract expired on January 30, 2024. A retroactive sole source contract is being requested to cover the period from January 31, 2024 through July 29, 2025, totaling 546 days. The new sole source contract through July 29, 2025 is required to complete necessary project close out activities, including final payment, invoice processing, and related documentation. Funds totaling \$92,852.77 are required for contract work that was necessary to address issues found during construction of the project.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 16, 2025**

11-C. CONSTRUCTION CONTRACT (cont'd)

Agency Remarks (cont'd):

The additional work included replacing the existing panel, modifying the exhaust pipe, replacing the safety barrier, addressing noise concerns identified during construction, and covering rental costs associated with a temporary generator that was necessary to have in place to ensure continuity of operations. DGS has reviewed and confirmed that the price is fair and reasonable. Additionally, given that two bids were received on December 15, 2022, in the amounts of \$154,225.00 and \$206,800.00, the retroactive contract is considered fair and reasonable. The total of the original expired contract and this sole source contract is \$247,077.77.

MBE and VSBE participation was not included because the project originally was under \$200,000.

DGS OSP Remarks: RETROACTIVE approval requested pursuant to § 11-204(c) State Finance & Procurement Article. DGS OSP has determined that this contract should be treated as voidable rather than void because: (1) all parties have acted in good faith; (2) ratification for the procurement contract would not undermine the purposes of the Procurement Law; and (3) the violation, or series of violations, was insignificant or otherwise did not prevent substantial compliance with the Procurement Law.

12-S. SERVICES CONTRACT

Department of Human Services, Social Services Administration

Contract ID: Residential Child Care Services; SSA/RCCSS-26-001
 ADPICS No.: N00R6600017

Contract Description: Residential Child Care (RCC) for eight Commercially Sexually Exploited (CSE) program beds to increase in-state residential capacity.

Award: TurnAround, Inc.; Towson, MD

Contract Term: 08/15/2025 – 03/31/2026

Amount: \$3,881,507

Procurement Method: Sole source

Living Wage Eligible: Yes

MBE/VSBE Participation: 0% / 0%

Hiring Agreement Eligible: Yes

Incumbent: N/A

Requesting Agency Remarks: TurnAround, Inc.'s Monarch Program is a residential program licensed by the State of Maryland that provides therapeutic residential services to children and youth between the ages of 13-17 that have been victimized through human trafficking.

This Residential Child Care (RCC) provider is equipped to clinically address the specialized and complex needs of youth who have experienced significant trauma, including those who are victims of sex trafficking. The Department utilizes RCC programs for children whose therapeutic, behavioral, or emotional needs exceed what can be safely and appropriately supported in a family-based foster care setting.

The selected provider delivers highly specialized, trauma-informed services designed to meet the unique needs of trafficking survivors. These services include individualized mental health treatment, case management, legal advocacy, housing support, and reintegration planning—each a critical component of a survivor's stabilization and long-term recovery.

DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 16, 2025

12-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Serving victims of sex trafficking requires providers with advanced training in trauma recovery, cultural responsiveness, and a deep understanding of the coercive control and psychological trauma associated with trafficking. This provider has a demonstrated history of effective service delivery and employs staff trained in evidence-based, survivor-centered approaches.

In addition to their clinical expertise, the provider is well-integrated into the local service network and maintains established partnerships with law enforcement, legal aid, child welfare agencies, and healthcare professionals – ensuring coordinated, wraparound care.

Contracting with this provider not only ensures that victims of sex trafficking receive the comprehensive and responsive services they require, but also expands in-state capacity to support high-needs youth, reducing the reliance on out-of-state or less specialized placements.

This contract provides continuity of care. Originally, the Local Departments of Social Services (LDSS) entered into agreements with the provider for these services. TurnAround Inc. had a federal grant which covered the cost of the services. The grant was eliminated.

MBE Participation was not established for this contract due to the specialized nature of the services, there are no subcontracting opportunities for this procurement. All services as outlined in the Scope of Work are provided by the sole provider.

The proposed price for this contract is fair and reasonable because the price is set by the Interagency Rates Committee (IRC), using the same established methodology in price setting for all in-State providers.

13-S. SERVICES CONTRACT

Department of Labor, Governor's Workforce Development Board

Contract ID: Study of Primary and Secondary School Bus Driver Wages and Benefits;
P00B5600112

ADPICS No.: P00B5600112

Contract Description: Study of primary and secondary school bus drivers' wages and benefits.

Award: Eleventh House Solutions; Easton, MD (MBE)
(Certified Small Business)

Contract Term: 08/07/2025* - 01/31/2026 (*Or earlier upon BPW approval)

Amount: \$233,357

Procurement Method: Competitive Sealed Bidding (*Single Bid Received*)
(SBR - Designated)

Proposals:

<i>Offerors</i>	<i>Technical Rankings</i>	<i>Financial Offers (Rankings)</i>	<i>Overall Rankings</i>
Eleventh House Solutions, Easton, MD	1	\$233,357 (1)	1

**Technical rankings were weighted greater than financial rankings.*

Living Wage Eligible: Yes

MBE/VSBE Participation: 23% / 0%

Hiring Agreement Eligible: No

Incumbents: None

Requesting Agency Remarks: The solicitation was advertised on eMaryland Marketplace Advantage (eMMA) in October 2022, January 2025, and again on March 31, 2025 with a closing date of April 23, 2025. A single proposal was received in 2022; no proposals were received in January 2025. Twenty-seven vendors were contacted directly in January with no results. A single proposal was received on April 23, 2025 from the same vendor that responded the first time this solicitation was advertised.

**DEPARTMENT OF GENERAL SERVICES
OFFICE OF STATE PROCUREMENT
ACTION AGENDA
July 16, 2025**

13-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Due to an emergency bill which requires the Governor's Workforce Development Board (GWDB) to evaluate and report on the possibility of paying higher wages to school bus drivers, the GWDB issued this solicitation to procure a vendor to evaluate, study, and identify the most prevalent issues regarding wages that must be paid and benefits that must be provided to statewide primary and secondary school bus drivers and reflect comparable labor markets, in both private and public sectors.

The price has been determined to be fair and reasonable. Research shows that a few other studies were conducted by Pennsylvania's Department of Education, Charles County Task Force, various school districts, California Regional Transit Agencies, and the National Association for Pupil Transportation. The prices ranged from \$50,000 to \$250,000. The length of these studies are not known, however, based on the price range, the price proposal provided by Eleventh House Solutions is fair and reasonable. The solicitation allowed for competitive offers to be provided and the price aligns closely with similar studies conducted nationally. While the price is higher than what was spent in Pennsylvania, it aligns with the budget for the California study. Maryland is also seeking specific deliverables, in a shorter time frame and labor costs have increased since this was last advertised in 2022.

14-S. SERVICES CONTRACT (cont'd)

Requesting Agency Remarks: A notice of the availability of the Request for Proposals (RFP) was advertised on eMaryland Marketplace Advantage (eMMA) on June 18, 2024. A total of 24 potential contractors were notified of the solicitation and 31 were directly solicited. Two offers were received, and both were determined to be reasonably susceptible of being selected for award. The recommended offeror CDM Smith, Inc. was determined to be most advantageous to the State as its proposal was both ranked highest technically and was lowest in price.

Work under this contract includes providing, traffic and revenue projections; transportation policy and program development; system analysis and revenue forecasting; and project/work order management and staff support as well as other related activities necessary to carry out the work of the Maryland Transportation Authority's (MDTA), Division of Finance.

Services will be provided by CDM Smith to MDTA on an "as needed" Work Order basis. MDTA will utilize the hourly rates submitted in CDM Smith's cost proposal through the duration of the contract. The award amount is based upon the amount of CDM Smith's Financial Proposal. The financial cost was for evaluation purposes only and was based upon a model number of labor hours by job classifications and fixed hourly rates for those classifications.

The contract includes a provision authorizing an extension for a total period no longer than one-third of the base term to spend funds remaining on the contract as provided in the Board of Public Works (BPW) Advisory 1995-1.

15-S. SERVICES CONTRACT (cont'd)

Agency Remarks (cont'd):

Laboratory Information Management System (LIMS) plays a critical role in the crime laboratory's ability to optimize laboratory operations and to communicate the resulting forensic data to its many customers within the criminal justice system.

MDSP-FSD is an accredited, full-service forensic laboratory system offering analysis in the following disciplines: Crime Scene, Latent Prints/Impressions, Firearms/Toolmarks, Controlled Dangerous Substances (CDS), Toxicology, Biology, Trace Evidence, and Questioned Documents. The MDSP-FSD is accredited by ANSI National Accreditation Board (ANAB) and licensed by the Maryland Department of Health, Office of Health Care Quality. As such, the laboratory utilizes generally accepted practices and procedures and conforms to ISO/IEC 17025 - General requirements for the competence of testing and calibration laboratories.

18-S-MOD. SERVICES MODIFICATION (cont'd)

Living Wage Eligible: Yes

MBE/VSBE Participation: 15% / 0%

MBE/VSBE Compliance: 17.65% / 0%

Performance Security: Commercial General Liability Insurance Policy (issued annually)

Hiring Agreement Eligible: N/A

Requesting Agency Remarks: This contract is for professional services for independent, full-service administration, marketing, enrollment, transaction processing and record-keeping services for the four defined contribution supplemental retirement Plans under the administration of the Board of Trustees of MSRP: the 457 Deferred Compensation Plan; the 401(k) Savings & Investment Plan; the 403(b) Tax Sheltered Annuity Plan; and the 401(a) Match Plan. The contractor operates (without additional compensation) distinct rollover accounts under each Plan and, if requested by the Board of Trustees, Deemed IRA accounts. Additionally, the contractor provides ancillary banking and custodial services necessary for the efficient operations and administration of the Plans. Because the Board of Trustees of MSRP does not directly administer these Plans, these contract services are crucial and necessary for the day-to-day operations and administration of the Plans, which are important benefits offered to eligible State employees to help them save for retirement.

This contract extension will ensure continued services for administering the Plans until the transition to the new contractor (approved by BPW 45-S, 04/23/2025) can be completed. Both the incumbent and the new contractor affirm that an additional one month and three days are required to complete a proper and effective transition of data and services.

19-IT. INFORMATION TECHNOLOGY (cont'd)

Requesting Agency Remarks: The developer of the system, Journal Technologies, Inc. (JTI) is the owner of the system and only provider of licenses and service. OAG and OPD have been using the custom system and collecting data for eight years and agree that it is most advantageous to the state to continue using this custom system that provides legal case management. The continuation of the contract is essential for agency continuity of business and the public face of its work. Both agencies rely on this software solution for managing court and investigative caseloads.

The price has been deemed fair and reasonable compared with purchases made for the past eight years. The proposed price of \$435 per user is approximately 3.2% higher than in past years, which is in line with the current rate of inflation.

MBE and VSBE participation were not established for this contract because there are no subcontracting opportunities.

MBE/VSBE Participation: 25% / 3%

MBE/VSBE Compliance: 26.76% / 1.82%

Requesting Agency Remarks: DoIT provides services under this Contract to other Requesting Agencies through Work Orders issued by the State. The Work Orders issued on behalf of the Requesting Agencies are managed as a staffing model based on labor rates, either hourly or annualized. The Contractor continues to offer favorable rates.

The requested increase in Time and Materials will ensure the continuity of services. Digital Management LLC provides essential statewide services such as: MDOT's Network Operations Center (NOC) and Network Engineering, MDH's NOC and Network Pen Tests, DoIT's SOC, Firewall Support, Vulnerability Management, and the Maryland Information Sharing and Analysis Center. With 68 outstanding work orders, 12 agencies are currently successfully using the services under the DMI contract. The additional \$20,000,000 in funding results from the vendor demonstrating its ability to deliver high-quality resources and services that align with market trends and analysis. This funding will allow the vendor to complete both current and upcoming projects through the end of the contract term. Delays in awarding new procurement vehicles hinder the ability to provide the necessary services that support DoIT and state agencies with their IT initiatives.

To meet the VSBE goal, Digital Management LLC will backfill new roles to their VSBE partners and use VSBE firms for any new intake tickets received.

Requesting Agency Remarks: The SURS (Surveillance and Utilization Review System) reports are a valuable tool for the Maryland Department of Health (MDH) Office of the Inspector General (OIG) to identify potentially fraudulent or abusive practices by Medicaid providers and recipients. MDH awarded a SURS system replacement contract in 2022 but after significant issues with implementation, MDH decided to cancel the contract and leverage the NASPO contract vehicle which has been used by other states to procure a SURS solution. This extension is necessary while MDH completes the procurement of the new contract and transitions to the new system. It is imperative that the services continue until the new system is fully implemented and the transition is completed.

July 16, 2025**

24-E-MOD. EQUIPMENT MODIFICATION (cont'd)

Requesting Agency Remarks: This extension offers the flexibility to adapt to evolving programming needs without binding itself to a longer term solution that might soon become outdated. The extension of the trailer contract is necessary to support year-round educational programming mandated by legislation for youth in the care of the Department of Juvenile Services. This contract extension avoids disruptions to the required educational programs. Additionally, it will provide the Department with the opportunity to explore practical and cost-effective alternatives. The existing trailers are in excellent condition and have been meticulously maintained. This represents a practical and cost-effective choice. Transitioning to new trailers would demand more resources than DJS currently possesses, making the lease extension even more critical. Renewing the existing lease is less expensive than conducting a new procurement to enter into a new 5-year lease. The cost of removing the current infrastructure in place (removal and transportation of existing trailers, sidewalks, steps, ramps, IT infrastructure, water and fire alarm systems) would be substantial. In addition, a new provider would need to construct the modular trailers to meet DJS's required specifications, causing disruption to educational services. DJS considered the use of an existing competitively bid procurement with the Baltimore Public School Modular classroom leasing contract JBO-717-19. The analysis showed the cost of a new modular building lease would be \$1,772,047.79 (Lease, Transportation, and installation) with a monthly cost of \$19,933.08. Based on the comparison of costs and the significant disruption of educational services, this would cause. DJS determined it to be in the State's best interest to extend the current agreement for the existing Modular Classrooms. Failing to approve this extension risks creating a gap in education services, jeopardizing compliance with legislative requirements and interrupting vital support for our young people.

MBE and VSBE participation were not established for this contract because there were no subcontracting opportunities.

26-GM. GENERAL MISCELLANEOUS

Recommendation: That the Board of Public Works approve the following Conservation Services Opportunity (CSO) Agreement for oyster restoration.

Authority: §8-301, State Finance & Procurement Article, Annotated Code of Maryland CSO Agreement State Finance and Procurement Article Section 11-203(a)(1)(xviii) of the Maryland Code states DNR is exempt from the General Procurement Law (Division II of the Article) “for negotiating or entering into grants, agreements, or partnerships with nonprofit entities related to conservation service opportunities.” See also COMAR 21.01.03.01A(35-1).

1.0	Agency:	Department of Natural Resources, Fishing and Boating Service
	Fund Source:	MCCBL 2025 <i>Oyster Restoration Program Provide funds to design and construct oyster habitat restoration projects.</i>

1.1 Contract ID: Nanticoke River Large-Scale Oyster Sanctuary Restoration; 605P5600388

Description: Oyster restoration in the Nanticoke River oyster sanctuary in Dorchester County Planting of up to 414 million hatchery spat on 151 acres of sanctuary bottom. DNR selected the Nanticoke sanctuary as the sixth large scale oyster restoration project, following the five large scale areas under the 2014 Chesapeake Watershed Agreement. This is the next step in large-scale oyster recovery looking ahead to a new Bay Program oyster goal. The project meets the evaluation criteria for a Conservation Services Opportunity Agreement (CSO) Agreement. Chesapeake Appreciation/Oyster Recovery Partnership (ORP) has successfully conducted such projects in the past.

Procurement Method: Exempt - Conservation Services Opportunity Agreement

Award: Chesapeake Appreciation/Oyster Recovery Partnership; Annapolis, MD

Amount: \$ 1,800,000

MBE/VSBE Participation: 0% / 0%

Resident Business: Yes

Remarks: MBE and VSBE participation was not assigned because Chesapeake Appreciation/Oyster Recovery Partnership is a non-profit.

File # 05-20-04

Caroline County

Recommendation: The County Commissioners of Caroline County, Maryland (hereinafter, the “County”) has determined that it needs to acquire a certain fee interest and a temporary easement for the public purpose of road improvements on Long Swamp Road in Caroline County in order to replace the existing bridge. Board of Public Works approval is requested to grant a partial release of 0.007 +/- acres of land from the operation and effect of the existing agricultural preservation easement as permitted by Agriculture Article Section 2-515 of the Annotated Code of Maryland. The County will reimburse MALPF for the released acreage according to the formula set forth in Agriculture Article Section 2-515 of the Annotated Code of Maryland. The total compensation due to MALPF is \$33.20, which will be deposited in the MALPF fund. A copy of the Caroline County plat entitled “Proposed Right of Way to be Acquired from Henry, Jr. and Kimberly J. Gibbons-Neff” which depicts, among other things, the 0.007 acre area to be acquired by the County in fee simple and released from the easement is attached.

Releasor: The State of Maryland, to the use of the Maryland Agricultural Land Preservation Foundation of the Department of Agriculture

Releasee: Henry Gibbons-Neff, Jr. and Kimberly J. Gibbons-Neff and the County Commissioners of Caroline County, Maryland

Property: 0.007 +/- acres

Consideration: \$33.20

Agency Remarks: Reference is made to Item 20-RP of this Department's Agenda of 10/21/20, for the meeting of the Board of Public Works wherein approval was given to MALPF to acquire an agricultural preservation easement on 55.002 acres of land for \$132,505.00. Purchase of the easement was completed on April 15, 2021. The requested partial release was approved by the MALPF Board of Trustees at their meeting of March 25, 2025.

28-LL. LANDLORD LEASE (cont'd)

Agency Remarks: This is a Second Amendment to Agreement of Lease to modify the insurance requirements laid out in the Original Lease and the First Amendment. DNR has agreed to assume the maintenance of property insurance obligations under its self-insurance program or by obtaining coverage from the private insurance market through the Office of the Maryland State Treasurer, consistent with other similar leases of this type. The lease amendment is for the same facilities as approved as BPW Item 12-L on March 1, 2006, for a period of twenty (20) years. The property is used as a Museum and Heritage Discovery Center. The tenant has remained in good standing with the State of Maryland.

Climate/Sustainability: N/A

31-LT. TENANT LEASE (cont'd)

Agency Remarks: This item requests that the Board of Public Works confirm its previous approval following an error on the previous approved item. This request corrects the previous lease renewal item (DGS 56-LT, 3/19/2025). The previous item erroneously stated the term as 4/1/2024-3/31/2029 (w/ standard 6-month holdover) to 4/1/2025-3/31/2030 (5 years). The Workers' Compensation Commission has occupied this property since 2009. This location serves as a regional hearing location for Service Region #3. The lease includes eight (8) shared parking spaces at no additional cost. The rental rate will remain flat throughout the lease term with no annual escalation.

Climate / Sustainability: This lease includes motion-sensing lighting in the Demised Premises and the installation of LED exit signs and emergency lights to facilitate greater energy efficiency.

Residential Business: Yes
