<p>June 10, 2025</p> <p>Board of Public Works, JUN 2025 Meeting, Items Number 6-7 Wetlands License</p> <p>Governor Moore, Comptroller Lierman, Treasurer Davis, et.al;</p> <p>The restoration of the HOA's existing marsh and sand shoreline along the South River near Thomas Point in Anne Arundel County has been a major community initiative for approximately five years. Considerable expense and an abundance of community volunteer effort has been expended to bring this project to fruition.</p> <p>The restoration of a living shoreline along the confluence of the Chesapeake Bay and the South river will provide numerous benefits to include:</p> <ul style="list-style-type: none">• Halting existing erosion of the natural shoreline, currently receding more than six-inches per year• Re-establish and invigorate a distinct living shoreline in accordance with best practices as advocated by the Maryland Department of the Environment• Protect an existing freshwater pond and it's environs that serve as habitat for over 20 species of domestic and migratory birds and waterfowl <p>On behalf of the residents and Board of the Fishing Creek Farm community, we strongly urge you to approve this project as presented.</p> <p>Sincerely;</p> <p>Mr. David Stadler</p> <p>President</p> <p>Fishing Creek Farm HOA Board of Directors</p>
